20 Development requiring planning permission.

- (1) Subject to the provisions of this section, planning permission is required for the carrying out of any development of land.
- (2) Where on 1st July 1948 (in this Act referred to as “the appointed day”) land was being temporarily used for a purpose other than the purpose for which it was normally used, planning permission is not required for the resumption of the use of the land for the last-mentioned purpose before 8th December 1969.
- (3) Where on the appointed day land was normally used for one purpose and was also used on occasions, whether at regular intervals or not, for another purpose, planning permission is not required—
 - (a) in respect of the use of the land for that other purpose on similar occasions before 8th December 1969; or
 - (b) in respect of the use of the land for that other purpose on similar occasions on or after that date if the land has been used for that other purpose on at least one similar occasion since the appointed day and before the beginning of 1969.
- (4) Where land was unoccupied on the appointed day, but had before that day been occupied at some time on or after 7th January 1937, planning permission is not required in respect of any use of the land begun before 8th December 1969 for the purpose for which the land was last used before the appointed day.
- (5) Where planning permission to develop land has been granted for a limited period, planning permission is not required for the resumption, at the end of that period, of the use of the land for the purpose for which it was normally used before the permission was granted.
- (6) In determining, for the purposes of subsection (5) of this section, what were the purposes for which land was normally used before the grant of planning permission, no account shall be taken of any use of the land begun in contravention of the provisions of this Part of this Act or in contravention of previous planning control.
- (7) Notwithstanding anything in subsections (2) to (4) of this section, the use of land as a caravan site shall not, by virtue of any of those subsections, be treated as a use for which planning permission is not required, unless the land was so used on one occasion at least during the period of two years ending with 9th March 1960.
- (8) Where by a development order planning permission to develop land has been granted subject to limitations, planning permission is not required for the use of that land which (apart from its use in accordance with that permission) is the normal use of that land, unless the last-mentioned use was begun in contravention of the provisions of this Part of this Act or in contravention of previous planning control.
- (9) Where an enforcement notice has been served in respect of any development of land, planning permission is not required for the use of that land for the purpose for which (in accordance with the provisions of this Part of this Act) it could lawfully have been used if that development had not been carried out.
- (10) For the purposes of this section a use of land shall be taken to have been begun in contravention of previous planning control if it was begun in contravention of the provisions of Part II of the Act of 1947.

 - (b) where planning permission is granted by a development order for development of a specified class, the order may enable the Secretary of State or the . . . ^{F75} planning authority to direct that the permission shall not apply either in relation to development in a particular area or in relation to any particular development.
- (6) Any provision of a development order whereby permission is granted for the use of land for any purpose on a limited number of days in a period specified in that provision shall (without prejudice to the generality of references in this Act to limitations) be taken to be a provision granting permission for the use of land for any purpose subject to the limitation that the land shall not be used for any one purpose in pursuance of that provision on more than that number of days in that period.
- (7) For the purpose of enabling development to be carried out in accordance with planning permission, or otherwise for the purpose of promoting proper development in accordance with the development plan, a development order may direct that any enactment passed before 13th August 1947 or any regulations, orders or byelaws made at any time under any such enactment, shall not apply to any development specified in the order, or shall apply thereto subject to such modifications as may be so specified.

176 Special provisions as to compensation where purchase notice served.

- (1) Where by virtue of section 153 of this Act compensation is payable in respect of expenditure incurred in carrying out any work on land, then, if a purchase notice is served in respect of an interest in that land, any compensation payable in respect of the acquisition of that interest in pursuance of the purchase notice shall be reduced by an amount equal to the value of the works in respect of which compensation is payable by virtue of that section.
- (2) Where a purchase notice served in respect of an interest in land does not take effect, or does not take effect in relation to a part of the land, by reason that the Secretary of State gives a direction under section 172(3) of this Act, then if, on a claim made to the . . .
^{F587} planning authority within the time and in the manner prescribed by regulations under this Act it is shown that the permitted development value of that interest (or, as the case may be, of that interest so far as it relates to that part of the land) is less than its [^{F588}Schedule 6 value], the . . .^{F587} planning authority shall pay to the person entitled to that interest compensation of an amount which (subject to the following provisions of this section) shall be equal to the difference.
- (3) If the planning permission which, by the direction referred to in subsection (2) of this section, is required to be granted would be granted subject to conditions for regulating the design or external appearance of buildings, or the size or height of buildings, or for regulating the number of buildings to be erected on the land, the Secretary of State, if it appears to him to be reasonable to do so having regard to the local circumstances, may direct that those conditions shall be disregarded, either altogether or to such extent as may be specified in the direction, in assessing any compensation payable under subsection (2) of this section.
- (4) Sections 167 and 168 of this Act shall have effect in relation to compensation under subsection (2) of this section as they have effect in relation to compensation to which those sections apply.
- (5) In this section “permitted development value”, in relation to an interest in land in respect of which a direction is given under section 172(3) of this Act, means the value of that interest calculated with regard to that direction, but on the assumption that no planning permission would be granted otherwise than in accordance with that direction, and.
^{F589}“Schedule 6 value”, in relation to such an interest, means the value of that interest calculated on the assumption that planning permission would be granted—
 - (a) subject to the conditions set out in Schedule 16, for any development of a class specified in paragraph 1 of Schedule 6; and
 - (b) for any development of a class specified in paragraph 2 of Schedule 6.]

182 Power to serve blight notice.

(1) Where the whole or part of a hereditament or agricultural unit is comprised in land of any of the specified descriptions, and a person claims that—

- (a) he is entitled to an interest in that hereditament or unit; and
- (b) the interest is one which qualifies for protection under these provisions; and
- (c)^{F605} he has made reasonable endeavours to sell that interest [^{F606}or the land falls within paragraph (d) or (g) of section 181(1) of this Act and the powers of compulsory acquisition remain exercisable]; and

[^{F607}(d) in consequence of the fact that the hereditament or unit or a part of it was, or was likely to be, comprised in land of any of the specified descriptions, he has been unable to sell that interest except at a price substantially lower than that for which it might reasonably have been expected to sell if no part of the hereditament or unit were, or were likely to be, comprised in such land]

he may serve on the appropriate authority a notice in the prescribed form requiring that authority to purchase that interest to the extent specified in, and otherwise in accordance with, these provisions.

(2) Subsection (1) of this section shall apply in relation to an interest in part of a hereditament or agricultural unit as it applies in relation to an interest in the entirety of a hereditament or agricultural unit:

Provided that this subsection shall not enable any person—

- (a) if he is entitled to an interest in the entirety of a hereditament or agricultural unit, to make any claim or serve any notice under this section in respect of his interest in part of the hereditament or unit; or
- (b) if he is entitled to an interest only in part of a hereditament or agricultural unit, to make or serve any such claim or notice in respect of his interest in less than the entirety of that part.

(3)^{F608}

(4) In these provisions “the claimant”, in relation to a blight notice, means the person who served that notice, and any reference to the interest of the claimant, in relation to such a notice, is a reference to the interest which the notice requires the appropriate authority to purchase as mentioned in subsection (1) of this section.

Action by Secretary of State in relation to listed building purchase notice

- 2 (1) Subject to the following provisions of this paragraph, if the Secretary of State is satisfied that the conditions specified in section 179(1)(a) to (c) of this Act are fulfilled in relation to a listed building purchase notice, he shall confirm the notice:
- Provided that, if he is satisfied that the said conditions are fulfilled only in respect of part of the land, he shall confirm the notice only in respect of that part and the notice shall have effect accordingly.
- (2) The Secretary of State shall not confirm the purchase notice unless he is satisfied that the land comprises such land contiguous or adjacent to the building as is in his opinion required for preserving the building or its amenities, or for affording access to it, or for its proper control or management.
- (3) If it appears to the Secretary of State to be expedient to do so in the case of a listed building purchase notice served on account of listed building consent being refused or granted subject to conditions, he may, in lieu of confirming the purchase notice, grant listed building consent for the works in respect of which the application was made or, where such consent for those works was granted subject to conditions, revoke or amend those conditions so far as it appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of those works.
- (4) If it appears to the Secretary of State to be expedient to do so, in the case of a listed building purchase notice served on account of listed building consent being revoked or modified by an order under Part II of Schedule 10 to this Act, he may, in lieu of confirming the notice, cancel the order revoking the consent or, where the order modified the consent by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the works in respect of which the consent was granted.
- (5) If it appears to the Secretary of State that the land, or any part of it, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any other works for which listed building consent ought to be granted, he may in lieu of confirming the listed building purchase notice or in lieu of confirming it so far as it relates to that part of the land, as the case may be, direct that listed building consent for those works shall be granted in the event of an application being made in that behalf.
- (6) If it appears to the Secretary of State that the land, or any part of the land, could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out of any development for which planning permission ought to be granted, he may, in lieu of confirming the listed building purchase notice, or in lieu of confirming it so far as it relates to that part of the land, as the case may be, direct that planning permission for that development shall be granted in the event of an application being made in that behalf.
- (7) If it appears to the Secretary of State, having regard to the probable ultimate use of the building or the site thereof, that it is expedient to do so, he may, if he confirms the notice, modify it either in relation to the whole or in relation to any part of the land, by substituting another ^{F1070} planning authority or statutory undertakers for the authority on whom the notice was served.

- (8) In section 171 of this Act as applied by paragraph 1(3) of this Schedule, any reference to the taking of action by the Secretary of State under this paragraph is a reference to the taking by him of any such action as is mentioned in sub-paragraphs (1) or (3) to (7) of this paragraph, or to the taking by him of a decision not to confirm the purchase notice on the grounds that any of the conditions referred to in sub-paragraph (1) of this paragraph are not fulfilled.

- (2) In determining for the purposes of this paragraph what period a tenancy still has to run at the date of a general vesting declaration it shall be assumed—
- (a) that the tenant will exercise any option to renew the tenancy, and will not exercise any option to terminate the tenancy, then or thereafter available to him, and
 - (b) that the landlord will exercise any option to terminate the tenancy then or thereafter available to him.
