- (b) the carrying out by a local [<sup>F81</sup>roads] authority of any works required for the maintenance or improvement of a road, being works carried out on land within the boundaries of the road;

- (d) the use of any buildings or other land within the curtilage of a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse as such;
- (e) the use of any land for the purposes of agriculture or forestry (including afforestation) and the use for any of those purposes of any building occupied together with land so used;
- (f) in the case of buildings or other land which are used for a purpose of any class specified in an order made by the Secretary of State under this section, [<sup>F82</sup>the use of the buildings or other land or, subject to the provisions of the order, of any part thereof] for any other purpose of the same class.

- (b) the deposit of refuse or waste materials on land involves a material change in the use thereof, notwithstanding that the land is comprised in a site already used for that purpose, if either the superficial area of the deposit is thereby extended, or the height of the deposit is thereby extended and exceeds the level of the land adjoining the site.

- (1) Where planning permission for development consisting of the winning and working of minerals [<sup>F122</sup>or involving the depositing of refuse or waste materials] is granted subject to a restoration condition, it may be granted subject also to any such aftercare condition as the planning authority think fit.

*Status: Point in time view as at 01/04/1996.*

(4) A planning authority may approve an aftercare scheme in the form in which it is submitted to them or may modify it and approve it as modified.

(5) The steps that may be specified in an aftercare condition or an aftercare scheme may consist of planting, cultivating, fertilising, watering, draining or otherwise treating the land.

(6) Where a step is specified in a condition or a scheme, the period during which it is to be taken may also be specified, but no step may be required to be taken after the expiry of the aftercare period.

(7) In subsection (6) of this section “the aftercare period” means a period of five years from compliance with the restoration condition or such other maximum period after compliance with that condition as may be prescribed; and in respect of any part of a site, the aftercare period shall commence on compliance with the restoration condition in respect of that part.

(8) The power to prescribe maximum periods conferred by subsection (7) of this section includes power to prescribe maximum periods differing according to the use specified.

(9) In a case where—

- (a) the use specified is a use for agriculture; and
- (b) the land was in use for agriculture at the time of the grant of the planning permission or had previously been used for that purpose and had not at the time of the grant been used for any authorised purpose since its use for agriculture ceased; and
- (c) the planning authority is aware of or can readily ascertain the physical characteristics of the land when it was last used for agriculture,

the land is brought to the required standard when its physical characteristics are restored, so far as it is practicable to do so, to what they were when it was last used for agriculture.

(10) In any other case where the use specified is a use for agriculture the land is brought to the required standard when it is reasonably fit for that use.

- (13) Before imposing an aftercare condition in a case where the use specified in the condition is for forestry, the planning authority shall consult the Forestry Commission as to whether it is appropriate to specify that use.
- (14) Where after consultations required by subsection (13) of this section the planning authority are satisfied that the use that they ought to specify is a use for forestry, they shall consult the Forestry Commission with regard to whether the steps to be taken should be specified in the aftercare condition or in an aftercare scheme.
- (15) The planning authority shall also consult the Forestry Commission—
  - (a) as to the steps to be specified in an aftercare condition which specifies a use for forestry; and
  - (b) before approving an aftercare scheme submitted in accordance with an aftercare condition which specifies such a use.

- (17) On the application of any person with an interest in land in respect of which an aftercare condition has been imposed the planning authority, if they are satisfied that the condition has been complied with, shall issue a certificate to that effect.
- (18) A person who has complied with an aftercare condition but who has not himself <sup>F124</sup>won and worked minerals or deposited refuse or waste materials] shall be entitled, subject to any condition to the contrary contained in a contract which is enforceable against him by the person who last carried out such operations, to recover from that person any expenses reasonably incurred by him in complying with the aftercare condition.

### [<sup>F360</sup>87 Stop Notices.

[ Where the planning authority consider it expedient that any relevant activity should  
<sup>F361</sup>(1) cease before the expiry of the period for compliance with an enforcement notice, they may, when they serve the copy of the enforcement notice or afterwards, serve a notice (in this Act referred to as a “stop notice”) prohibiting the carrying out of that activity on the land to which the enforcement notice relates, or any part of that land specified in the stop notice.

(2) In this section, “relevant activity” means any activity specified in the enforcement notice as an activity which the planning authority require to cease and any activity carried out as part of that activity or associated with that activity.

(2A) A stop notice may not be served where the enforcement notice has taken effect.

(2B) A stop notice shall not prohibit the use of any building as a dwellinghouse.

(2C) A stop notice shall not prohibit the carrying out of any activity if the activity has been carried out (whether continuously or not) for a period of more than four years ending with the service of the notice; and for the purposes of this subsection no account is to be taken of any period during which the activity was authorised by planning permission.

(2D) Subsection (2C) of this section does not prevent a stop notice prohibiting any activity consisting of, or incidental to, building, engineering, mining or other operations or the deposit of refuse or waste materials.

(3) A stop notice shall specify the date when it is to come into effect, and that date—

- (a) must not be earlier than three days after the date when the notice is served, unless the planning authority consider that there are special reasons for specifying an earlier date and a statement of those reasons is served with the stop notice; and
- (b) must not be later than twenty-eight days from the date when the notice is first served on any person.]

(4) A stop notice shall cease to have effect—(a)when it is withdrawn under the provisions of subsection (10) below;

- (b) when the enforcement notice to which it relates is withdrawn or quashed; or
- (c) when the period for compliance with that enforcement notice specified under section [<sup>F362</sup>84AA(9)] of this Act has expired;

whichever is the earlier.

- (5) Where the enforcement notice to which a stop notice relates is varied so that it no longer relates to any [<sup>F363</sup>relevant activity], the stop notice shall cease to have effect in relation to that activity.
- (6) A stop notice may be served by the planning authority on any person who appears to them to have an interest in the land or to be engaged in [<sup>F364</sup>the relevant activity specified] in the enforcement notice.
- (7) The planning authority may publicise a stop notice by displaying on the land a notice (to be referred to as a “site notice”) which shall state—
- (a) the requirements of the stop notice;
  - (b) that the stop notice has been served on a particular person or persons; and
  - (c) the consequences under subsection (8) below of contravention of the stop notice.
- [ If any person contravenes a stop notice after a site notice has been displayed or the <sup>F365</sup>(8) stop notice has been served on him he shall be guilty of an offence.
- (8A) An offence under this section may be charged by reference to any day or longer period of time and a person may be convicted of a second or subsequent offence under this section by reference to any period of time following the preceding conviction for such an offence.
- (8B) It shall be a defence in any proceedings under subsection (8) of this section that the stop notice was not served on the accused and that he had no reasonable cause to believe that the activity was prohibited by the stop notice.
- (8C) References in this section to contravening a stop notice include causing or permitting its contravention.
- (8D) A person guilty of an offence under this section shall be liable—
- (a) on summary conviction, to a fine not exceeding £20,0; and
  - (b) on conviction on indictment, to a fine.
- (8E) In determining the amount of any fine to be imposed on a person convicted of an offence under this section, the court shall in particular have regard to any financial benefit which has accrued or appears likely to accrue to him in consequence of the offence.]
- (9) A stop notice shall not be invalid by reason that the enforcement notice to which it relates was not served as required by section [<sup>F366</sup>84] of this Act if it is shown that the planning authority took all such steps as were reasonably practicable to effect proper service.
- (10) The planning authority may at any time withdraw a stop notice (without prejudice to their power to serve another) by notice which—
- (a) shall be served on all persons who were served with the stop notice; and

### 93 Appeal against listed building enforcement notice.

- (1) a person on whom a listed building enforcement notice is served, or any other person having an interest in the building to which it relates, may, at any time [<sup>F407</sup>before the date specified in the notice as the date on] which it is to take effect, appeal to the Secretary of State against the notice on any of the following grounds—
- (a) that the building is not of special architectural or historic interest;
  - [<sup>F408</sup>(b) that the matters alleged to constitute a contravention of section 53(1) or (4) of this Act have not occurred;
  - (ba) that those matters (if they occurred) do not constitute such a contravention;]
  - [<sup>F409</sup>(c) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;]
  - (d) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted;
  - (e) that the notice was not served as required by section 92(3) of this Act
  - (f) that the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out;
  - (g) that the period specified in the notice as the period within which any steps required thereby are to be taken falls short of what should reasonably be allowed;
  - (h) that the steps required by the notice to be taken would not serve the purpose of restoring the character of the building to its former state.
  - [<sup>F410</sup>(i) that the steps specified under sub-paragraph (ii) of section 92(1)(b) of this Act exceed what is necessary to bring the building to the state mentioned in that sub-paragraph;
  - (j) that the steps specified under sub-paragraph (iii) of the said section 92(1)(b) exceed what may reasonably be required in terms of that sub-paragraph;
  - [<sup>F411</sup>(k) .....
- [ An appeal under this section shall be made either—
- [<sup>F412</sup>(2) (a) by giving written notice of the appeal to the Secretary of State before the date specified in the listed building enforcement notice as the date on which it is to take effect; or
- (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date.]

that fact if he is satisfied that the person has not been substantially prejudiced

any list compiled or approved thereunder by removing from it the building to  
which the appeal relates or his power under subsection (8) of that section to  
direct that that subsection shall no longer apply to the building.

“agricultural unit” means land which is occupied as a unit for agricultural purposes, including any dwellinghouse or other building occupied by the same person for the purpose of farming the land;

“the claimant” has the meaning assigned to it by section 182(4) of this Act;  
[<sup>F646</sup>“cottar” has the same meaning as in section 28(4) of the <sup>M55</sup>Crofters (Scotland) Act 1955;

“crofter” has the same meaning as in section 3(2) of the <sup>M56</sup>Crofters (Scotland) Act 1955];

“hereditament” means the aggregate of the lands and heritages (not being agricultural lands and heritages within the meaning of section 7 of the <sup>M57</sup>Valuation and Rating (Scotland) Act 1956) which form the subject of a single entry in the valuation roll for the time being in force for a valuation area;

“special enactment” means a local enactment, or a provision contained in an Act other than a local or private Act, being a local enactment or provision authorising the compulsory acquisition of land specifically identified therein; and in this definition “local enactment” means a local or private Act, or an order confirmed by Parliament or brought into operation in accordance with special parliamentary procedure;

#### 211 Meaning of “operational land”.

In this Act “operational land” means, in relation to statutory undertakers—

- (a) land which is used for the purpose of carrying on their undertaking; and
- (b) land in which an interest is held for that purpose,

not being land which, in respect of its nature and situation, is comparable rather with land in general than with land which is used, or in which interests are held, for the purpose of the carrying on of statutory undertakings.

## 212 Cases in which land is to be treated as not being operational land.

- (1) Where an interest in land is held by statutory undertakers for the purpose of carrying on their undertaking and—
- (a) the interest was acquired by them on or after 8th December 1969; or
  - (b) it was held by them immediately before that date but the circumstances were then such that the land did not fall to be treated as operational land for the purposes of the Act of 1947,

then subsection (2) of this section shall have effect for the purpose of determining whether the land is to be treated as operational land for the purposes of this Act and shall so have effect notwithstanding the definition of operational land in section 211 of this Act.

- (2) The land shall not be treated as operational land for the purposes of this Act unless one or both of the following conditions are satisfied with respect to it, namely—
- (a) there is, or at some time has been, in force with respect to the land a specific planning permission for its development and that development, if carried out, would involve or have involved the use of the land for the purpose of the carrying on of the statutory undertakers' undertaking; or
  - (b) the undertakers' interest in the land was acquired by them as the result of a transfer under the provisions of [<sup>F722</sup>[<sup>F723</sup>the Gas Act 1986][<sup>F724</sup>, the Airports Act 1986] or] the <sup>M62</sup>Transport Act 1968 from other statutory undertakers and the land was, immediately before transfer, operational land of those other undertakers.
- (3) A specific planning permission for the purpose of subsection (2)(a) of this section is a planning permission—
- (a) granted on an application in that behalf under Part III of this Act or the enactments previously in force and replaced by that Part of this Act; or
  - (b) granted by provisions of a development order granting planning permission generally for development which has received specific parliamentary approval; or
  - (c) granted by a special development order in respect of development specifically described in the order; or
  - (d) deemed to be granted by virtue of a direction of a government department under section 37 of this Act or section 32 of the Act of 1947;

and the reference in paragraph (b) of this subsection to development which has received specific parliamentary approval shall be construed as referring to development authorised by a local or private Act of Parliament or by an order approved by both Houses of Parliament or by an order which has been brought into operation in accordance with the provisions of the <sup>M63</sup>Statutory Orders (Special Procedure) Act 1945, being an Act or order which designates specifically both the nature of the development thereby authorised and the land upon which it may be carried out.

## 225 Objections to orders under ss. 222 and 224.

- (1) For the purposes of sections 222 and 224 of this Act, an objection to the making of an order thereunder shall not be treated as duly made unless—
  - (a) the objection is made within the time and in the manner specified in the notice required by the section under which the order is proposed to be made; and
  - (b) a statement in writing of the grounds of the objection is comprised in or submitted with the objection.
- (2) Where an objection to the making of such an order is duly made in accordance with subsection (1) of this section and is not withdrawn, the following provisions of this section shall have effect in relation thereto:
 

Provided that, in the application of those provisions to an order under section 222 of this Act, any reference to the appropriate Minister shall be construed as a reference to the Secretary of State and the appropriate Minister.
- (3) Unless the appropriate Minister decides apart from the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, the appropriate Minister, before making a final decision, shall consider the grounds of the objection as set out in the statement, and may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- (4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.
- (5) If, after considering the grounds of the objection as set out in the original statement and in any such further statement, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the appropriate Minister may make a final decision without further investigation as to those matters.

*Changes to legislation: Town and Country Planning (Scotland) Act 1972 (repealed 27.5.1997) is up to date with all changes known to be in force on or before 28 August 2022. - (6) Subject to subsections (4) and (5) of this section, the appropriate Minister, before making a final decision, shall afford to the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the appropriate Minister; and if the objector avails himself of that opportunity, the appropriate Minister shall afford an opportunity of appearing and being heard on the same occasion to the statutory undertakers,<sup>F737</sup> planning authority or Minister on whose representation the order is proposed to be made, and to any other persons to whom it appears to the appropriate Minister to be expedient to afford such an opportunity.
- (7) Notwithstanding anything in the preceding provisions of this section, if it appears to the appropriate Minister that the matters to which the objection relates are such as to require investigation by public local inquiry before he makes a final decision, he shall cause such an inquiry to be held; and where he determines to cause such an inquiry to be held, any of the requirements of those provisions to which effect has not been given at the time of that determination shall be dispensed with.
- (8) In this section any reference to making a final decision, in relation to an order, is a reference to deciding whether to make the order or what modification (if any) ought to be made.

### Compensation

#### 226 Right to compensation in respect of certain decisions and orders.

- (1) Statutory undertakers shall, subject to the following provisions of this Part of this Act, be entitled to compensation from the<sup>F738</sup> planning authority—

*Status: Point in time view as at 01/04/1996.*

*Changes to legislation: Town and Country Planning (Scotland) Act 1972 (repealed 27.5.1997) is up to date with all changes known to be in force on or before 28 August 2022. There are changes that may be brought into force at a future date.*

*Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) in respect of any decision made in accordance with section 214 of this Act whereby planning permission to develop operational land of those undertakers is refused or is granted subject to conditions where—
    - (i) planning permission for that development would have been granted by a development order but for a direction given under such an order that planning permission so granted should not apply to the development; and
    - (ii) it is not development which has received specific parliamentary approval (within the meaning given to that expression by section 212(3) of this Act);
  - (b) in respect of any order under section 42 of this Act, as modified by section 216 thereof, whereby planning permission, granted on the application of those undertakers for the development of any such land, is revoked or modified.
- (2) Where, by virtue of section 219 of this Act, any right vested in or belonging to statutory undertakers is extinguished, or any requirement is imposed on statutory undertakers, those undertakers shall be entitled to compensation from the acquiring or appropriating authority at whose instance the right was extinguished or the requirement imposed.
- (3) Where works are carried out for the removal or re-siting of statutory undertakers' apparatus, being works which the undertakers have the right to carry out by virtue of section 221 of this Act or an order of Ministers thereunder, the undertakers shall be entitled to compensation from the acquiring or appropriating authority.
- (4) Notwithstanding anything in subsection (1) of this section, if the decision or order in question relates to land acquired by the statutory undertakers after 7th January 1947, and the Secretary of State and the appropriate Minister are satisfied, having regard to the nature, situation and existing development of the land and of any neighbouring land, and to any other material considerations, that it is unreasonable that compensation should be recovered in respect of that decision or order, they may include therein a direction that subsection (1) of this section shall not apply to that decision or order.
- (5) For the purposes of this section the conditions referred to in sections 38 and 39 of this Act shall be disregarded <sup>F739</sup>

## **227 Measure of compensation to statutory undertakers.**

- (1) Where statutory undertakers are entitled to compensation—
- (a) as mentioned in subsection (1), (2) or (3) of section 226 of this Act; or
  - (b) under the provisions of section 159 in respect of an order made under section 49 [F740, 49A or 49B] of this Act as modified by section 217 thereof; or
  - (c) in respect of a compulsory acquisition of land which has been acquired by those undertakers for the purposes of their undertaking, where the first-mentioned acquisition is effected under a compulsory purchase order confirmed or made without the appropriate Minister's certificate;
- the amount of the compensation shall (subject to section 228 of this Act) be an amount calculated in accordance with the following provisions of this section.
- (2) The said amount, subject to subsections (3) and (4) of this section, shall be the aggregate of the following amounts, that is to say—
- (a) the amount of any expenditure reasonably incurred in acquiring land, providing apparatus, erecting buildings or doing work for the purpose of any adjustment of the carrying on of the undertaking rendered necessary by the proceeding giving rise to compensation;
  - (b) whichever of the following is applicable, namely—
    - (i) where such an adjustment is made, the estimated amount of any decrease in net receipts from the carrying on of the undertaking pending the adjustment, in so far as the decrease is directly attributable to the proceeding giving rise to compensation, together with such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking in the period after the adjustment has been completed, in so far as the decrease is directly attributable to the adjustment;
    - (ii) where no such adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking which is directly attributable to the proceeding giving rise to compensation;
  - (c) where the compensation is under section 226(2) of this Act, and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers in complying with the requirement, reduced by the value after removal of the apparatus removed.
- (3) Where any such adjustment as is mentioned in paragraph (a) of subsection (2) of this section is made, the aggregate amount mentioned in that subsection shall be reduced by such amount (if any) as appears to the tribunal referred to in subsection (2) of section 229 of this Act to be appropriate to offset—
- (a) the estimated value of any property (whether moveable or heritable) belonging to the statutory undertakers and used for the carrying on of their undertaking which, in consequence of the adjustment, ceases to be so used, in so far as the value of the property has not been taken into account under paragraph (c) of that subsection; and
