1 Right to compensation.

- (1) Where the value of an interest in land is depreciated by physical factors caused by the use of public works, then, if—
- (a) the interest qualifies for compensation under this Part of this Act; and
 - (b) the person entitled to the interest makes a claim [^{F1}after the time provided] by and otherwise in accordance with this Part of this Act,

- (6) Compensation shall not be payable under this Part of this Act in respect of the physical factors caused by the use of any public works other than a highway unless immunity from actions for nuisance in respect of that use is conferred (whether expressly or by implication) by an enactment relating to those works or, in the case of an aerodrome and physical factors caused by aircraft, the aerodrome is one to which [^{F2}section 77(2) of the Civil Aviation Act 1982](immunity from actions for nuisance) for the time being applies.

- (4) It shall be assumed that planning permission would not be granted in respect of the relevant land or any part thereof for any development other than such development as is mentioned in subsection (2) above; and, if planning permission has been granted in respect of the relevant land or any part thereof for such other development, it shall be assumed that the planning permission has not been granted in so far as it relates to development that has not been carried out.
