PART I

AMENDMENT OF SCHEDULE 9 TO FINANCE ACT 1972

- 1 In Schedule 9 to the Finance Act 1972, for the words " protected interest" wherever they occur (in paragraph 1, 5, 10, 11, 12, 13 or 15) there shall be substituted the words " eligible for relief under section 75 of this Act " ; and the relief referred to in the words so substituted in paragraph 1(c) of that Schedule shall include any relief by virtue of section 19(4) of this Act.
- 2 In paragraph 1 of that Schedule, after the words " this Part of this Schedule " there shall be inserted the words " and to Part II of Schedule 1 to the Finance Act 1974 ".
- 3 After paragraph 5 of that Schedule there shall be inserted the following paragraph:
—
“5A References in this Part of this Schedule to an estate or interest in land include references to the property in a house boat, that is to say, a boat or similar structure designed or adapted for use as a place of permanent habitation”.

PART II

RESTRICTION ON RELIEF FOR LOANS FOR PURCHASE OR IMPROVEMENT OF LAND

- 4 (1) Subject to the following provisions of this Part of this Schedule, Part I of Schedule 9 to the Finance Act 1972 shall not apply unless the land, caravan or house boat referred to therein either—
 - (a) is at the time the interest is paid used as the only or main residence of the person by whom it is paid (in this Part of this Schedule referred to as " the borrower") or of a dependent relative or former or separated spouse of his, or, if the interest is paid less than twelve months after the date on which the loan is made, is so used within twelve months after that date ; or
 - (b) is, in any period of fifty-two weeks comprising the time at which the interest is payable and falling wholly or partly within the year of assessment, let at a commercial rent for more than twenty-six weeks and, when not so let, either available for letting at such a rent or used as mentioned in paragraph (a) above or prevented from being so available or used by any works of construction or repair ;and shall, in a case falling within paragraph (a) above, apply only within the limit imposed by paragraph 5 below.

Status: This is the original version (as it was originally enacted).

- (2) If it appears to the Board reasonable to do so, having regard to all the circumstances of a particular case, they may direct that in relation to that case sub-paragraph (1) above shall have effect as if for the references to twelve months there were substituted references to such longer period as meets the circumstances of that case.
- (3) Where the land, caravan or house boat is used as the only or main residence of a dependent relative of the borrower it does not thereby fall within sub-paragraph (1) (a) above unless it is provided rent-free and without any other consideration.
- (4) In this Part of this Schedule—
- (a) " dependent relative " means, in relation to any person, a relative of his, or of his spouse, who is incapacitated by old age or infirmity from maintaining himself, or the mother of that person, or of his spouse, if the mother is widowed or living apart from her husband, or, in consequence or dissolution or annulment of marriage, a single woman; and
 - (b) " separated " means separated under an order of a court of competent jurisdiction or by deed of separation or in such circumstances that the separation is likely to be permanent.
- 5 (1) Where Part I of Schedule 9 to the Finance Act 1972 applies to a loan (in this sub-paragraph referred to as " the limited loan ") by virtue of paragraph 4(1)(a) above interest on it is eligible for relief under section 75 of that Act only to the extent that the amount on which it is payable does not exceed the following limit, that is to say, £25,000 for 1974-75 reduced by the amount on which interest is payable under any loan taken into account under sub-paragraph (2) below ; so that—
- (a) if the amount on which interest is payable under the limited loan exceeds the limit, so much only of that interest is eligible for the relief as bears to the whole of that interest the same proportion as that part of that amount which does not exceed the limit bears to the whole of that amount; and
 - (b) if the amount on which interest is payable under loans taken into account under sub-paragraph (2) below is £25,000 or more none of the interest on the limited loan is eligible for the relief.
- (2) If interest is payable by the borrower—
- (a) on any earlier loan to which Part I of Schedule 9 to the Finance Act 1972 applies by virtue of paragraph 4(1)(a) above ; or
 - (b) on any loan to which that Part as originally enacted applies by virtue of section 19(4) of this Act, other than a loan to which, if it had been raised after 26th March 1974, that Part as amended would have applied by virtue of paragraph 4(1)(b) above; or
 - (c) on any loan which is subsidised under Part II of the Housing Subsidies Act 1967 ;
- that loan shall be taken into account for the purposes of sub-paragraph (1) above.
- (3) Where a loan on which interest is payable by the borrower was made jointly to the borrower and another person, not being the borrower's husband or wife, then, if—
- (a) the land, caravan or house boat concerned is used as the main or only residence of that other person, or of a dependent relative or former or separated spouse of his, and
 - (b) that other person owns an estate or interest in the land or the property in the caravan or house boat, and
 - (c) that other person pays part of the interest payable on the loan,

the amount on which interest is payable under the loan shall be treated for the purposes of this paragraph as being such part only of that amount as bears to the whole thereof the same proportion as the amount of interest paid by the borrower bears to the whole of the interest paid on the loan.

- (4) For the purposes of this paragraph—
- (a) any interest payable on a loan made to the borrower's husband or wife shall be treated as payable on a loan made to the borrower ; and
 - (b) where interest is payable on more than one loan made or treated as made to the borrower and the loans were made simultaneously it shall be treated as payable on one loan.
- (5) References in this paragraph to the borrower's husband or wife do not include references to a separated husband or wife.
- 6 (1) Where Part I of Schedule 9 to the Finance Act 1972 applies to a loan by reason of the land, caravan or house boat concerned being used as a person's only or main residence, and the borrower raises another loan to defray money to be applied as mentioned in paragraph 1 of that Schedule with a view to the use of other land or another caravan or house boat as that person's only or main residence and the disposal of the first-mentioned land, caravan or house boat, then in relation to interest payable within twelve months from the making of the other loan, that Part of that Schedule—
- (a) shall continue to apply to the first-mentioned loan, whether or not the first-mentioned land, caravan or house boat continues to be so used ; and
 - (b) shall apply to the other loan to the same extent (if any), as if no interest were payable on the first-mentioned loan.
- (2) If it appears to the Board reasonable to do so, having regard to all the circumstances of a particular case, they may direct that in relation to that case sub-paragraph (1) above shall have effect as if for the reference to twelve months there were substituted a reference to such longer period as meets the circumstances of that case.
- 7 Relief under section 75 of the Finance Act 1972 for interest eligible for it by virtue of Part I of Schedule 9 to that Act in a case where the land, caravan or house boat referred to in it falls under paragraph 4(1)(b) above shall be given only against income from the letting of that or any other land, caravan or house boat, but may, if and to the extent that such income for the year of assessment is insufficient, be given against such income for the following year, and so on, provided the first-mentioned land, caravan or house boat continues to fall under that paragraph.
- 8 (1) Where any interest paid by persons as the personal representatives of a deceased person or as trustees of a settlement made by his will would, on the assumptions required by sub-paragraph (2) below, be eligible for relief under section 75 of the Finance Act 1972 by virtue of Part I of Schedule 9 to that Act and, in a case where the condition stated in that sub-paragraph applies, that condition is satisfied, that interest shall be so eligible notwithstanding the preceding provisions of this Part of this Schedule.
- (2) For the purposes of sub-paragraph (1) above it shall be assumed that the deceased would have survived and been the borrower ; and if, at his death, the land, caravan or house boat concerned was used as his only or main residence, it shall be further assumed that he would have continued so to use it and the following condition shall then apply, namely, that the land, caravan or house boat is, at the time the interest is paid, used as the only or main residence of the deceased's widow or widower or of any dependent relative of the deceased.

Status: This is the original version (as it was originally enacted).

- (3) In this paragraph " personal representatives " has the meaning assigned to it by section 432 of the Taxes Act.

PART III

FURTHER CASES OF INTEREST ELIGIBLE FOR RELIEF

Loan applied in acquiring interest in close company

- 9 (1) Subject to the following provisions of this Part of this Schedule, interest is eligible for relief under section 75 of the Finance Act 1972 if it is interest on a loan to an individual to defray money applied—
- (a) in acquiring any part of the ordinary share capital of a close company satisfying any of the conditions of paragraph 3A(2) of Schedule 16 to the Finance Act 1972 ; or
 - (b) in lending money to such a close company which is used wholly and exclusively for the purposes of the business of the company or of any associated company of it which is a close company satisfying any of those conditions ; or
 - (c) in paying off another loan interest on which would have been eligible for relief under section 75 of the Finance Act 1972 had the loan not been paid off (on the assumption, if the loan was free of interest, that it carried interest);
- and the conditions stated in paragraph 10 below are satisfied.
- (2) The relief referred to in sub-paragraph (1)(c) above includes any relief by virtue of section 19(4) of this Act.

- 10 The conditions referred to in paragraph 9 above are—
- (a) that, when the interest is paid, the company continues to satisfy any of the conditions of paragraph 3A(2) of Schedule 16 to the Finance Act 1972 and the individual has a material interest in the company, and
 - (b) that in the period from the application of the proceeds of the loan to the payment of the interest the individual has worked for the greater part of his time in the actual management or conduct of the business of the company, or of an associated company of the company, and
 - (c) that he shows that in that period he has not recovered any capital from the company, apart from any amount taken into account under paragraph 13 below.

Loan applied in acquiring interest in partnership

- 11 (1) Subject to the following provisions of this Part of this Schedule, interest is eligible for relief under section 75 of the Finance Act 1972 if it is interest on a loan to an individual to defray money applied—
- (a) in purchasing a share in a partnership ; or
 - (b) in contributing money to a partnership by way of capital or premium, or in advancing money to a partnership, where the money contributed or advanced is used wholly for the purposes of the trade, profession or vocation carried on by the partnership; or

Status: This is the original version (as it was originally enacted).

(c) in paying off another loan interest on which would have been eligible for relief under that section had the loan not been paid off (on the assumption, if the loan was free of interest, that it carried interest) ;
and the conditions stated in paragraph 12 below are satisfied.

(2) The relief referred to in sub-paragraph (1)(c) above includes any relief by virtue of section 19(4) of this Act.

12 The conditions referred to in paragraph 11 above are—

- (a) that, throughout the period from the application of the proceeds of the loan until the interest was paid, the individual has personally acted in the conduct of the trade, profession or vocation carried on by the partnership ; and
- (b) that he shows that in that period he has not recovered any capital from the partnership, apart from any amount taken into account under paragraph 13 below.

Provisions supplementary to paragraphs 9 to 12

13 If at any time after the application of the proceeds of the loan the individual has recovered any amount of capital from the close company or partnership without using that amount in repayment of the loan, he shall be treated for the purposes of section 75 of the Finance Act 1972 and this Part of this Schedule as if he had at that time repaid that amount out of the loan, so that out of the interest otherwise eligible for relief (or, where paragraph 15 of Schedule 9 to that Act applies, out of the proportion so eligible) and payable for any period after that time there shall be deducted an amount equal to interest on the amount of capital so recovered.

14 (1) The individual shall be treated as having recovered an amount of capital from the close company or partnership if—

- (a) he receives consideration of that amount or value for the sale, exchange or assignment of any part of the ordinary share capital of the company or of his interest in the partnership, or any consideration of that amount or value by way of repayment of any part of that ordinary share capital; or
- (b) the close company or partnership repays that amount of a loan or advance from him or the partnership returns that amount of capital to him ; or
- (c) he receives consideration of that amount or value for assigning any debt due to him from the close company or partnership ;

and where a sale or assignment is not a bargain made at arm's length, the sale or assignment shall be deemed to be for a consideration of an amount equal to the market value of what is disposed of.

(2) In the application of this paragraph to Scotland for the word " assignment ", wherever it occurs, there shall be substituted the word "" assignation " .

15 Paragraph 10 or, as the case may be, 12 and paragraphs 13 and 14 above shall apply to a loan within paragraph 9(c) or 11(c) above as if it, and any loan it replaces, were one loan, and so that—

- (a) references to the application of the proceeds of the loan are references to the application of the proceeds of the original loan; and
- (b) any restriction under paragraph 13 above which applies to any loan which has been replaced shall apply to the loan which replaces it.

16 In paragraphs 9 and 10 above expressions to which a meaning is assigned by Chapter III or Part XI of the Taxes Act have that meaning.

Status: This is the original version (as it was originally enacted).

Loan to pay estate duty

- 17 (1) Interest is eligible for relief under section 75 of the Finance Act 1972 if it is interest on a loan to the personal representatives of a deceased person, the proceeds of which are applied—
- (a) in paying, before the grant of representation or confirmation, estate duty in accordance with section 6(2) of the Finance Act 1894, being estate duty which is payable in respect of the personal property of which the deceased was competent to dispose at his death and is payable on delivery of the Inland Revenue affidavit; or
 - (b) in paying off another loan interest on which would have been eligible for that relief by virtue of this paragraph if the loan had not been paid off (on the assumption, if the loan was free of interest, that it carried interest);
- and the interest is paid in respect of a period ending within one year from the making of the loan within sub-paragraph (a) above.
- (2) The reference in sub-paragraph (1)(b) above to relief by virtue of this paragraph shall be construed as including any relief by virtue of section 19(4) of this Act.
- 18 If or to the extent that any relief in respect of interest eligible for it under paragraph 17 above cannot be given against income of the year in which the interest is paid because of an insufficiency of income in that year, it may instead be given against income of the preceding year of assessment, and so on ; and if or to the extent that it cannot be so given it may instead be given against income of the year following that in which the interest is paid, and so on.
- 19 Paragraph 17 above does not apply to interest on so much of any loan as is applied in paying estate duty in respect of property situate in Great Britain which did not pass to the personal representatives as such, or in respect of property situate elsewhere which, had it been situate in Great Britain, would not have passed to the personal representatives as such.
- 20 Sufficient evidence of the amount of estate duty paid in accordance with section 6(2) of the Finance Act 1894 in respect of any particular description of property, and of any statements relevant to its computation in the Inland Revenue affidavit, may be given by the production of a document purporting to be a certificate from the Board.
- 21 For the purposes of the preceding paragraphs—
- (a) " estate duty " means estate duty leviable under the law in force in Great Britain or the law in force in Northern Ireland together with any interest payable on the duty; and
 - (b) references to interest in respect of a period ending within a given time apply whether or not interest continues to run after that time.
- 22 The preceding paragraphs shall apply to estate duty leviable under the law of Northern Ireland with the substitution for the estate duty enactments mentioned therein of the corresponding enactments forming part of the law of Northern Ireland and with the substitution in paragraph 19 of " Northern Ireland " for " Great Britain ".

Supplementary

- 24 (1) Subject to the following provisions of this paragraph, interest is eligible for relief under section 75 of the Finance Act 1972 if it is interest on a loan in respect of which the following conditions are satisfied—
- (a) that the loan was made as part of a scheme under which not less than nine-tenths of the proceeds of the loan were applied to the purchase by the person to whom it was made of an annuity ending with his life or with the life of the survivor of two or more persons (in this paragraph referred to as " the annuitants ") who include the person to whom the loan was made ;
 - (b) that at the time the loan was made the person to whom it was made or each of the annuitants had attained the age of sixty-five years ;
 - (c) that the loan was secured on land in the United Kingdom or the Republic of Ireland and the person to whom it was made or one of the annuitants owns an estate or interest in that land ; and
 - (d) that, if the loan was made after 26th March 1974, the person to whom it was made or each of the annuitants uses the land on which it was secured as his only or main residence at the time the interest is paid.
- (2) Interest is not eligible for relief by virtue of this paragraph unless it is payable by the person to whom the loan was made or by one of the annuitants.
- (3) If the loan was made after 26th March 1974, interest on it is eligible for relief by virtue of this paragraph only to the extent that the amount on which it is payable does not exceed £25,000 ; and if the interest is payable by two or more persons the interest payable by each of them is so eligible only to the extent that the amount on which it is payable does not exceed such amount as bears to £25,000 the same proportion as the interest payable by him bears to the interest payable by both or all of them.

Section 38.

PROVISIONS SUPPLEMENTARY TO SECTION 38

PART I

DEFINITIONS OF CURRENT USE VALUE, MATERIAL DEVELOPMENT, ETC.

Definition of current use value

- 1 (1) For the purposes of the principal section and this Schedule the current use value of an interest in land shall be ascertained in accordance with this Part of this Schedule; and in this Part of this Schedule the time as at which current use value is to be ascertained is referred to as " the relevant time ".
- (2) Subject to the following provisions of this Part of this Schedule, the current use value of an interest in land at the relevant time is the market value of that interest at that time calculated on the assumption that it was at that time, and would continue to be, unlawful to carry out any material development of the land other than any material development thereof which, being authorised by planning permission in force at that time, was begun before that time.
- (3) In this paragraph " planning permission " has the same meaning as in the Town and Country Planning Act 1971, or, in Scotland, the Town and Country Planning (Scotland) Act 1972, or, in Northern Ireland, the Planning (Northern Ireland) Order 1972 ; and in determining for the purposes of this paragraph what material development of any land was authorised by planning permission at a time when there was in force in respect of the land planning permission granted on an outline application (that is to say, an application for planning permission subject to subsequent approval on any matters), any such development of the land which at that time—
- (a) was authorised by that permission without any requirement as to subsequent approval; or
 - (b) not being so authorised, had been approved in the manner applicable to that planning permission,
- but no other material development, shall for those purposes be taken to have been authorised by that permission at that time.

Current use value—part disposals

- 2 (1) Subject to sub-paragraphs (5) to (7) below, this paragraph shall apply as regards the current use value of an interest in land which has been disposed of by way of a part disposal of an asset (in this paragraph referred to as " the relevant asset ") consisting of an interest in land.
- (2) The current use value at the relevant time of the interest disposed of shall be the relevant fraction of the current use value of the relevant asset at that time, calculated on the same assumptions as to the lawfulness or otherwise of any material development as fall to be made under this Schedule in calculating the current use value at that time of the interest disposed of.
- (3) For the purposes of the preceding sub-paragraph " the relevant fraction " means that fraction of the sums mentioned in the following sub-paragraph which under

Status: This is the original version (as it was originally enacted).

paragraph 7(2) of Schedule 6 to the Finance Act 1965 is, or would but for paragraph 7(4) of that Schedule be, allowable as a deduction in computing under that Schedule the amount of the gain accruing on the part disposal.

- (4) The sums referred to in the preceding sub-paragraph are the sums which, if the entire relevant asset had been disposed of at the time of the part disposal, would be allowable by virtue of paragraph 4(1)(a) and (b) of the said Schedule 6 as a deduction in computing under that Schedule the gain accruing on that disposal of the relevant asset.
- (5) Sub-paragraphs (2) to (4) above shall not apply—
- (a) in the case of a disposal of an interest in land by way of a part disposal if, on making the disposal, the person doing so no longer has any interest in the land which is subject to that interest; or
 - (b) in a case to which the following provisions of this paragraph apply.
- (6) In computing under this Chapter any gain accruing to a person on a part disposal of a lease which is a wasting asset by way of the grant of a sub-lease for a premium, the current use value of the lease at the time of its acquisition by the person making the disposal shall be the relevant fraction of what its current use value at that time would be apart from sub-paragraphs (2) to (4) above.
- (7) For the purposes of the preceding sub-paragraph " the relevant fraction " means that fraction of the expenditure attributable to the lease under paragraph 4(1)(a) and (b) of Schedule 6 to the Finance Act 1965 which under paragraph 4 of Schedule 8 to that Act (sub-leases out of short leases) falls to be apportioned to what is disposed of.
- 3 In computing under this Chapter any gain accruing to a person on a part disposal of an interest in land resulting under subsection (3) of section 22 of the Finance Act 1965 from the receipt as mentioned in paragraph (a), (c) or (d) of that subsection of a capital sum, the current use value at the relevant time of the interest out of which the part disposal was made shall be taken to be what it would have been at that time if the circumstances which caused the capital sum to be received had not arisen.

Current use value—leases and reversions

- 4 (1) The current use value of an interest in land which is either—
- (a) a freehold interest which is subject to a lease or an agreement for a lease ; or
 - (b) an interest under a lease or agreement for a lease,
- shall be ascertained without regard to any premium required under the lease or agreement for a lease or any sublease, or otherwise under the terms subject to which the lease or sublease was or is to be granted, but with regard to all other rights under the lease or prospective lease (and, for the current use value of an interest under a lease subject to a sublease, under the sublease).
- (2) If under the preceding sub-paragraph an interest under a lease or agreement for a lease would have a negative value, the current use value of the interest shall be nil.
- (3) If a lease is granted out of any interest in land after 17th December 1973, then, in computing under this Chapter any gain accruing on any disposal of the reversion on the lease made while the lease subsists, the current use value of the reversion at any time after the grant of the lease shall not exceed what would have been at that time the current use value of the interest in the land of the person then owning the reversion if that interest had not been subject to the lease.

Status: This is the original version (as it was originally enacted).

- (4) In the application of this paragraph to Scotland, " freehold " means the estate or interest of the proprietor of the dominium utile or, in the case of property other than feudal property, of the owner, and " reversion " means the interest of the landlord in property subject to a lease.
- 5 (1) In computing under this Chapter any gain accruing to a person on a disposal of a lease which is a wasting asset, the current use value of the lease at the time of its acquisition by the person making the disposal shall be the relevant fraction of what its current use value at that time would be apart from this paragraph.
- (2) For the purposes of the preceding sub-paragraph " the relevant fraction " means the fraction of which the numerator is equal to so much of the expenditure attributable to the lease under paragraph 4(1)(a) and (b) of Schedule 6 to the Finance Act 1965 as is not under paragraph 1 of the computation under the said Schedule 6 of the gain accruing on the disposal, and the denominator is equal to the whole of the expenditure which would be so attributable to the lease for those purposes apart from the said paragraph 1.

Definition of material development

- 6 In this Schedule, subject to the following paragraph, " material development ", in relation to any land, means the making of any change in the state, nature or use of the land.
- 7 (1) The doing of any of the following things in the case of any land shall not be taken for the purposes of this Schedule to involve material development of the land, that is to say—

 - (b) the carrying out of works for the rebuilding, as often as occasion may require, of any building which was in existence at the relevant time, or of any building which was in existence in the period of ten years immediately preceding the day on which that time falls but was destroyed or demolished before the relevant time, so long as (in either case) the cubic content of the original building is not exceeded by more than one-tenth ;
 - (c) the use of any land for the purposes of agriculture or forestry, the use for any of those purposes of any building occupied together with land so used, and the carrying out on any land so used of any building of other operations required for the purposes of that use ;
 - (d) the carrying out of operations on land for, or the use of land for, the display of an advertisement, announcement or direction of any kind ;
 - (e) the carrying out of operations for, or the use of the land for, car parking, provided that such use shall not exceed three years ;
 - (f) in the case of a building or other land which at the relevant time was used for a purpose falling within any class specified in paragraph 8 below or which, being unoccupied at that time, was last used for any such purpose, the use of that building or land for any other purpose falling within the same class ;
 - (g) in the case of a building or other land which at the relevant time was in the occupation of a person by whom it was used as to part only for a particular purpose, the use for that purpose of any additional part of the building or land not exceeding one-tenth of the cubic content of the part of the building

Status: This is the original version (as it was originally enacted).

- used for that purpose at the relevant time or, as the case may be, one-tenth of the area of the land so used at that time ;
- (h) in the case of land which at the relevant time was being temporarily used for a purpose other than the purpose for which it was normally used, the resumption of the use of the land for the last-mentioned purpose ;
- (i) in the case of land which was unoccupied at the relevant time, the use of the land for the purpose for which it was last used before that time.
- (2) In determining for the purposes of sub-paragraph (1)(a) or (b) above whether or not the cubic content of the original building has been exceeded by more than one-tenth, the cubic content of the building after the carrying out of the works in question shall be treated as reduced by the amount (if any) by which so much of that cubic content as is attributable to one or more of the matters mentioned in the following sub-paragraph exceeds so much of the cubic content of the original building as was attributable to one or more of the matters so mentioned.
- (3) The matters referred to in the preceding sub-paragraph are the following, that is to say—
- (a) means of escape in case of fire ;
- (b) car-parking or garage space ;

- (ii) the altering, repairing, ornamenting, finishing, cleaning, washing, packing or canning, or adapting for sale, or breaking up or demolishing of any article ; or
- (iii) without prejudice to (i) or (ii) above, the getting, dressing or treatment of minerals,
- being a process carried on in the course of a trade or business other than agriculture or forestry, but excluding any process carried on at a dwelling-house or retail shop ;
- (b) storage purposes (whether or not involving use as a warehouse or repository) other than storage purposes ancillary to a purpose falling within Class B or C.

Status: This is the original version (as it was originally enacted).

Date when material development is begun

- 9 (1) For the purposes of this Schedule material development shall be taken to be begun on the earliest date on which any specified operation comprised in the material development is begun.
- (2) In this paragraph " specified operation " means any of the following, that is to say—

PART II

OTHER PROVISIONS SUPPLEMENTARY TO SECTION 38

Computation of development gain in respect of disposal of interest in land after material development has been carried out

- 11 (1) This paragraph shall apply in relation to a disposal of an interest in land to which the principal section applies if material development of the land has been carried out after 17th December 1973 since the person making the disposal acquired the interest.
- (2) Subsection (3) of the principal section shall apply in relation to the disposal as if paragraph (b) were omitted, and as if for the words " whichever is the least " there were substituted the words " whichever is the smaller ".
- (3) For the purpose of computing the amount given by subsection (3)(c) of the principal section, the amount by which the current use value of the interest in land at the time of the disposal exceeds the current use value of the interest at the time of its acquisition by the person making the disposal or, if the interest was acquired by him before 6th April 1965, its current use value at that date shall be taken to be equal to the sum of the amounts mentioned in the following sub-paragraph (or, if both those amounts are nil, to be nil).
- (4) The amounts referred to in the preceding sub-paragraph are the following, that is to say—
- (a) the amount (if any) by which the current use value of the interest immediately before the date on which the material development mentioned in sub-paragraph (1) above was begun exceeds the current use value of the interest at the time of its acquisition by the person making the disposal or on 6th April 1965, as the case may be; and
 - (b) the amount (if any) by which the current use value of the interest at the time of the disposal exceeds the aggregate of the amounts mentioned in the following sub-paragraph.
- (5) The amounts referred to in sub-paragraph (4)(b) above are the following, that is to say—
- (a) the current use value of the interest immediately after the date on which the material development mentioned in sub-paragraph (1) above was begun, calculated on the assumption that it was lawful for that development to be carried out; and
 - (b) the amount of any expenditure attributable to that development which is allowable under paragraph 4(1)(b) of Schedule 6 to the Finance Act 1965 as a deduction from the consideration for the disposal in computing the chargeable gain accruing thereon.
- (6) Where material development of the land in question has been carried out on two or more different occasions after 17th December 1973 since the person making the disposal acquired the interest, then for the purposes of this paragraph—
- (a) there shall be calculated for the first of those occasions the amount mentioned in sub-paragraph (4)(a) above (the reference there to the material development mentioned in sub-paragraph (1) above being for this purpose read as a reference to the material development carried out on that occasion);

Status: This is the original version (as it was originally enacted).

- (b) there shall be calculated for each of those occasions other than the first the amount (if any) by which the current use value of the interest immediately before the date on which the material development carried out on that occasion was begun exceeds the aggregate of the amounts mentioned in sub-paragraph (5) above (the references there to the material development mentioned in sub-paragraph (1) above being for this purpose read as references to the material development carried out on the occasion preceding the one for which the calculation is being made); and
- (c) there shall be calculated the amount (if any) by which the current use value of the interest at the time of the disposal exceeds the aggregate of the amounts mentioned in sub-paragraph (5) above (the references there to the material development mentioned in sub-paragraph (1) above being for this purpose read as references to the material development carried out on the last of those occasions);

and sub-paragraph (3) above shall apply as if for the words from " the sum of the amounts mentioned in the following sub-paragraph " to the end of the paragraph there were substituted the words " the sum of the amounts calculated under sub-paragraph (6)(a) to (c) below (or, if those amounts are each nil, to be nil) ".

*Computation of development gain in respect of disposal
of interest in land reflecting expenditure on enhancement*

- 12 (1) This paragraph shall apply in relation to a disposal of an interest in land to which the principal section applies if any expenditure which is or, but for paragraph 1 of Schedule 8 to the Finance Act 1965, would be allowable under paragraph 4(1) (b) of Schedule 6 to the Finance Act 1965 as a deduction from the consideration for the disposal in computing the chargeable gain accruing thereon has been incurred since the person making the disposal acquired the interest, not being expenditure attributable to material development of the land carried out as mentioned in paragraph 11(1) of this Schedule (that is, carried out after 17th December 1973 since the person making the disposal acquired the interest).
- (2) For the purpose of computing the amount given by subsection (3)(c) of the principal section the current use value of the interest in land at the time of its acquisition by the person making the disposal or, if the interest was acquired by him before 6th April 1965, its current use value at that date shall be taken to be equal to the sum of the amounts mentioned in the following sub-paragraph.
- (3) The amounts referred to in the preceding sub-paragraph are the following, that is to say—
- (a) the current use value of the interest at the time of its acquisition by the person making the disposal or on 6th April 1965, as the case may be ; and
 - (b) so much of the expenditure mentioned in sub-paragraph (1) above as is reflected in the current use value of the interest at the time of the disposal.
- (4) Where material development of the land has been carried out (whether on only one occasion or on two or more different occasions) after 17th December 1973 since the person making the disposal acquired the interest, sub-paragraphs (2) and (3) above shall not apply, and paragraph 11 of this Schedule shall have effect subject to the following provisions of this paragraph.
- (5) Where any expenditure mentioned in sub-paragraph (1) above was incurred before the date on which the material development of the land carried out after 17th

Status: This is the original version (as it was originally enacted).

December 1973 on the first or only occasion was begun, then in calculating under paragraph 11(4)(a) or 11(6)(a) of this Schedule the amount mentioned in the said paragraph 11(4)(a), the current use value of the interest at the time of its acquisition by the person making the disposal or on 6th April 1965, as the case may be, shall be increased by so much of the expenditure so incurred as is reflected in the current use value of the interest immediately before the date on which the material development carried out on that occasion was begun.

- (6) Where any expenditure so mentioned was incurred on or after the date on which the material development of the land so carried out on the last or only occasion was begun, then in calculating under paragraph 11(5)(b) or 11(6)(c) of this Schedule the expenditure attributable to that material development which is allowable as mentioned in the said paragraph 11(5)(b) there shall be included in that expenditure so much of the expenditure incurred as is reflected in the current use value of the interest at the time of the disposal.
- (7) Where any expenditure so mentioned was incurred on or after the date on which the material development (" the preceding development ") so carried out on any but the last of two or more occasions was begun but before the date on which the material development (" the following development ") carried out on the next of those occasions was begun, then, in calculating under paragraph 11(6)(b) of this Schedule the expenditure attributable to the preceding development which is allowable as mentioned in paragraph 11 (5)(b) of this Schedule, there shall be included in that expenditure so much of the expenditure so incurred as is reflected in the current use value of the interest immediately before the date on which the following development was begun.

Provisions supplementary to paragraphs 11 and 12

- 13 (1) Where paragraph 11 of this Schedule would, apart from this paragraph, apply in relation to a disposal of an interest in land because of any material development of the land carried out after 17th December 1973 since the person making the disposal acquired the interest, the said paragraph 11 shall not so apply if the amount by which the current use value of the interest immediately after the date on which that material development was begun, calculated on the assumption that it was lawful for that development to be carried out, exceeds the current use value of the interest immediately before that date—
- (a) is not greater than one-tenth of the current use value of the interest immediately before that date ; and
 - (b) does not exceed £2,500.
- (2) Where material development of the land in question has been carried out on two or more different occasions after 17th December 1973 since the person making the disposal acquired the interest, then for the purposes of this paragraph there shall be calculated for each of those occasions the amount by which the current use value of the interest immediately after the date on which the material development carried out on that occasion was begun, calculated on the assumption that it was lawful for that development to be carried out, exceeds the current use value of the interest immediately before that date, and the preceding sub-paragraph shall not apply in relation to the disposal if the aggregate of the amounts so calculated exceeds £2,500.
- (3) Where by virtue of the preceding provisions of this paragraph paragraph 11 of this Schedule does not apply in relation to a disposal of an interest in land even though material development of the land has been carried out as aforesaid, the material

Status: This is the original version (as it was originally enacted).

development in question shall be disregarded for the purposes of paragraph 12 of this Schedule.

14 (1) Subject to the following sub-paragraph, material development shall for the purposes of paragraphs 11 to 13 of this Schedule not be treated as carried out after a particular date if it was begun on or before that date.

(2) If, in the case of any land—

(a) material development thereof was begun on or before 17th December 1973 but was not completed on or before that date ; and

(b) the development was on that date to any extent not authorised by planning permission then in force,

then, for the purposes of paragraphs 11 to 13 of this Schedule, so much of the development carried out after that date as was not so authorised on that date shall be treated as begun on the earliest date after 17th December 1973 on which any specified operation comprised therein is begun, and shall accordingly be treated as material development of the land carried out after 17th December 1973.

(3) Sub-paragraph (3) of paragraph 1 of this Schedule shall apply for the purposes of this paragraph as it applies for the purposes of paragraph 1 ; and in this paragraph " specified operation " has the same meaning as in paragraph 9 of this Schedule.

Computation of amount given by subsection (3)(c) of principal section in certain cases within paragraph 23(4) of Schedule 6 to the Finance Act 1965

15 Where a chargeable gain accrues to a person on a disposal of an interest in land to which the principal section applies, being a disposal in relation to which paragraph 23 of Schedule 6 to the Finance Act 1965 (sales of land in United Kingdom reflecting development value) applies, then, if the amount of the gain is by virtue of sub-paragraph (4) of that paragraph computed without regard to Part II of that Schedule (assets held on 6th April 1965), this Chapter shall have effect in relation to that disposal as if in subsection (3)(c) of the principal section and paragraphs 11 and 12 of this Schedule any reference to the current use value of the interest at the time of its acquisition by the person making the disposal or, if the interest was acquired by him before 6th April 1965, its current use value at that date referred only to its current use value at the time of its acquisition by him.

Computation of development gains in connection with replacements of business assets

16 (1) Subject to the provisions of paragraph 2 of Schedule 4 to this Act, the development gain, if any, accruing in respect of a disposal of an interest in land to which the principal section applies shall, if the disposal is one in relation to which section 33 of the Finance Act 1965 (replacement of business assets) applies, be computed as if any claim under the said section 33 as respects the whole or a part of the consideration for the disposal had not been made.

(2) The preceding sub-paragraph shall not affect the subsequent operation of paragraph 4 of Schedule 8 to this Act in relation to such a claim.

17 Where under subsection (1)(b) or (2)(b) of section 33 of the Finance Act 1965 or paragraph 18(4) of this Schedule the person making a disposal of an interest in land to which the principal section applies would, apart from this paragraph, be treated for the purposes of Part III of that Act as if the amount or value of the consideration for the acquisition of that interest were reduced or further reduced by some amount,

Status: This is the original version (as it was originally enacted).

the development gain, if any, accruing in respect of the disposal shall be computed as if the said subsection (1)(b) or (2)(b) or the said paragraph 18(4), as the case may be, did not apply to that consideration.

Replacement of business assets

- 18 (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (in this paragraph referred to as " the old assets ") used, and used only, for the purposes of the trade throughout the period of ownership is wholly or partly applied by him in acquiring other assets, or an interest in other assets (in this paragraph referred to as " the new assets ") which on the acquisition are taken into use, and used only, for the purposes of the trade, and—
- (a) the old assets and new assets are within the classes of assets listed in subsection (6) of section 33 of the Finance Act 1965 (replacement of business assets) and the old assets consist of or include land in the United Kingdom; and
 - (b) some or all of the new assets are qualifying assets ; and
 - (c) development gains accrue to the person carrying on the trade in respect of the disposal; and
 - (d) the amount of the consideration for the disposal applied as aforesaid is greater than the difference between the whole of that consideration and the amount of those development gains,
- then, if the person carrying on the trade makes a claim as respects those development gains, the provisions of sub-paragraphs (2) to (5) below shall apply.
- (2) There shall be ascertained the following amounts, that is to say—
- (a) the amount by which so much of the consideration for the disposal as has been applied as described in sub-paragraph (1) above exceeds the difference mentioned in sub-paragraph (1)(d) above ; and
 - (b) the amount of the consideration for the disposal which has been so applied in acquiring qualifying assets ;
- and in the following provisions of this paragraph "the material amount" means whichever of those amounts is the smaller (or, if they are equal, the amount which is equal to each of them).
- (3) The income tax or corporation tax to which the person carrying on the trade is chargeable for the chargeable period in which the disposal was made shall be reduced by an amount equal to whichever of the following amounts is the smallest, that is to say—
- (a) 30 per cent, of what is, under sub-paragraph (5) below, the appropriate amount;
 - (b) 30 per cent, of the amount, if any, by which the development gains accruing to him in that chargeable period exceed the development losses, if any, accruing to him in that period (so that if the amount under this head is nil, no reduction will fall to be made under this sub-paragraph) ;
 - (c) the total amount of the income tax for which he is liable for that chargeable period or, in the case of a company, the total amount of the corporation tax for which the company is liable for that chargeable period after setting against that liability the amount of any advance corporation tax falling to be set against it under section 85 of the Finance Act 1972, but before any

set-off under subsection (5) of section 240 of the Taxes Act (income tax on distributions etc. received by U.K. company).

For the purposes of paragraph (b) of this sub-paragraph a man and his wife living with him shall be treated as one person if the result of so treating them is to increase the amount given by that paragraph.

- (4) Where a reduction falls to be made under the preceding sub-paragraph, the person carrying on the trade shall be treated for the purposes of Part III of the Finance Act 1965 as if the consideration for the acquisition of, or of the interest in, such of the new assets as are qualifying assets were reduced (or further reduced) by what is, under sub-paragraph (5) below, the appropriate amount; but this sub-paragraph shall not affect the treatment for those purposes of the other party to the transaction involving the old assets or of the other party to the transaction involving the new assets.
- (5) For the purposes of sub-paragraphs (3)(a) and (4) above—
 - (a) if the material amount is equal to or greater than one-half of the development gains accruing in respect of the disposal, the appropriate amount is the full amount of the development gains so accruing ;
 - (b) if the material amount is less than one-half of the development gains so accruing, the appropriate amount is an amount equal to twice the material amount.
- (6) The following provisions shall, with any necessary modifications, apply for the purposes of this paragraph as they apply for the purposes of section 33 of the Finance Act 1965, namely—
 - (a) subsections (3), (5) and (7) to (11) of that section ; and
 - (b) paragraph 3 of Schedule 12 to the Finance Act 1968.
- (7) Without prejudice to the provisions of Part III of the Finance Act 1965 providing generally for apportionments, where consideration is given—
 - (a) for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this paragraph applies and some or part of which are not; or
 - (b) for the acquisition or disposal of assets some or part of which are, in relation to a claim under this paragraph, qualifying assets and some or part of which are not,the consideration shall be apportioned in such manner as is just and reasonable.
- (8) For the purposes of this paragraph assets are, in relation to a trade, qualifying assets if they are within the following classes of assets, that is to say the classes listed in section 33(6) of the Finance Act 1965, excluding assets within paragraph (b) of head A in class 1 other than land constituting the site of any asset within paragraph (a) of that head (including in the site any land in the immediate vicinity of the asset which is occupied for purposes ancillary to the occupation and use of the asset).

Replacement of business assets: depreciating assets

- 19 (1) Paragraph 16 of Schedule 19 to the Finance Act 1969 (replacement of business assets: depreciating assets) shall have effect in relation to the preceding paragraph as it has effect in relation to section 33 of the Finance Act 1965, subject to the modifications specified in the following provisions of this paragraph and any other necessary modifications.

Status: This is the original version (as it was originally enacted).

(2) For sub-paragraph (1) substitute:—

- (b) the ' expenditure reduction' means the related amount by which, under sub-paragraph (4) of that paragraph, and apart from the provisions of this paragraph, the expenditure allowable in respect of another asset (called ' asset No. 2 ') is reduced ;
- (c) any reference to an expenditure reduction of any amount being carried forward to any asset is a reference to a reduction of that amount in expenditure allowable in respect of that asset”.

(3) In sub-paragraph (2)—

“(2) If asset No. 2 is a depreciating asset, the expenditure reduction shall not be carried forward, but when—”

Company amalgamations

- 20 (1) Where a company issues shares or debentures to a person in exchange for shares in or debentures of another company in circumstances such that paragraph 6 of Schedule 7 to the Finance Act 1965 (company amalgamations) applies, then, if section 41(1) of this Act applies to the disposal by him to the issuing company of the shares in or debentures of the other company, the amount of any development gain accruing to him in respect of that disposal shall be computed as if the said paragraph 6 did not apply in relation to the exchange.

Status: This is the original version (as it was originally enacted).

- (2) Where, in the case of a disposal of shares in or debentures of a company made in the circumstances mentioned in the preceding sub-paragraph, the amount of any development gain accruing in respect of that disposal falls by virtue of that sub-paragraph to be computed as if the said paragraph 6 did not apply in relation to the exchange, the provisions of paragraph 14 of Schedule 9 to this Act (postponement of payment of tax), excluding sub-paragraphs (2) and (6), shall, with any necessary modifications, apply in the case of that disposal as they apply in the case of a disposal of an interest in land which is deemed to have been made as mentioned in sub-paragraph (1) of the said paragraph 14, but as if in the said sub-paragraph (1) for the reference to the total tax chargeable in respect of a gain accruing on the disposal there were substituted a reference to such part of that total tax as is equal to the amount by which that total tax exceeds the tax which would have been chargeable but for the sub-paragraph (1) of this paragraph.

Private residences

- 21 Where subsection (3) of section 29 of the Finance Act 1965 (private residences) would, apart from this paragraph, apply to a gain accruing to an individual on a disposal of an interest in land to which the principal section applies, then—
- (a) there shall first be computed both the development gain that would accrue to him in respect of the disposal if that subsection did not so apply and the Chargeable gain that would accrue to him thereon if that were so ;
 - (b) the amount of the development gain accruing to him in respect of the disposal shall be equal to the amount of the development gain as computed under (a) above reduced by the fraction given by that subsection ; and
 - (c) that subsection shall then be applied to so much of the gain accruing on the disposal as is equal to the chargeable gain as computed under (a) above.

Transfer of business on retirement

- 22 (1) Where a disposal within subsection (1) of section 34 of the Finance Act 1965 (transfer of business on retirement) involves a disposal by the individual in question of one or more interests in land to which the principal section applies, the development gains, if any, accruing to him in respect of the disposal shall be computed without reference to that section.
- (2) Where any development gains accrue to an individual in respect of a disposal within subsection (1) of the said section 34, being gains which so accrue—
- (a) where subsection (1)(a) of that section applies, on the disposal of chargeable business assets comprised in the disposal by way of sale or gift; or
 - (b) where subsection (1)(b) of that section applies, on the disposal of the shares or securities,
- sub-paragraphs (3) to (5) below shall apply in relation to the disposal within the said subsection (1) made by that individual, instead of the provisions of that section.
- (3) There shall be ascertained how much of the amount available for relief under subsection (1) of the said section 34 would, under subsection (2) or (3) of that section, have fallen to be applied in giving relief to the individual as respects the disposal if this Chapter had not applied in relation to the disposal.

Status: This is the original version (as it was originally enacted).

- (4) An amount up to, but not exceeding, the amount ascertained under the preceding sub-paragraph shall be applied so as to give relief to the individual as respects the disposal by reducing or extinguishing one or both of the following amounts, that is to say—
- (a) the aggregate of the development gains accruing to the individual in respect of the disposal, being gains which so accrue as mentioned in, sub-paragraph (2)(a) or (b) above ; and
 - (b) the aggregate of the chargeable gains accruing to him on the disposal, being gains which so accrue as mentioned in the said sub-paragraph (2)(a) or (b),
- and as between those amounts shall be so applied in whatever way is to the individual's best advantage.
- (5) Subsection (5) of the said section 34 shall apply for the purpose of arriving at the aggregate mentioned in sub-paragraph (4)(b) above as it applies (in cases where that section applies) for the purpose of arriving at the aggregate under subsection (2) or (3) of that section.
- (6) Any relief given under sub-paragraph (4) above as respects the disposal shall, for the purposes of the said section 34 as regards any other disposal within subsection (1) of that section, be taken into account in determining under subsection (4) of that section how far the amount available for relief under the said subsection (1) has been applied.
- (7) In this paragraph " chargeable business asset" has the same meaning as in the said section 34.

Insurance companies

- 23 Where, in the case of an insurance company carrying on life assurance business, a profit arising from general annuity business and attributable to a disposal of an interest in land to which section 38 of this Act applies falls (or would but for paragraph 7(2) of Schedule 7 to this Act fall) to be taken into account in the computation under section 312 of the Taxes Act (general annuity business and pension business: separate charge on profits), the development gain, if any, accruing to the company in respect of the disposal shall be computed as if paragraph 2(1) of Schedule 6 to the Finance Act 1965 (computation of chargeable gains: exclusion of sums taken into account in computing income) did not apply.

Chargeable gains in respect of mineral royalties

- 24 No part of any chargeable gain which under section 29 of the Finance Act 1970 (taxation of mineral royalties) is treated as accruing to a person entitled to receive such royalties under a mineral lease or agreement shall be a development gain.

Computation of development gain in respect of disposal of interest in land with planning permission for the winning and working of minerals

- 25 (1) Without prejudice to any other provisions of this Schedule as to the computation of the amount given by subsection (3)(c) of the principal section, this paragraph shall apply in relation to a disposal of an interest in land to which the principal section applies if at the time of the disposal there is in force, as regards the land or any part of it, planning permission authorising material development consisting of the winning and working of minerals.

Status: This is the original version (as it was originally enacted).

- (2) For the purpose of computing the amount given by subsection (3)(c) of the principal section, the amount of the chargeable gain accruing on the disposal shall be taken to be what it would be if the amount which, in the computation of that chargeable gain, falls to be taken as the consideration were reduced to the sum of the following amounts, that is to say—
- (a) the market value of the interest at the time of the disposal calculated on the assumption that it was at that time, and would continue to be, unlawful to carry out any material development of the land consisting of the winning and working of minerals ; and
 - (b) one-half of the amount by which the actual consideration for the disposal exceeds the said market value.

In this sub-paragraph " the actual consideration for the disposal" means the amount which, in the computation (apart from this paragraph) of the chargeable gain accruing on the disposal, falls to be taken as the consideration.

- (3) Sub-paragraph (3) of paragraph 1 of this Schedule shall apply for the purposes of this paragraph as it applies for the purposes of paragraph 1 ; and in this paragraph " minerals " has the meaning given by paragraph 10(1) of this Schedule.
- (4) For the purposes of this paragraph the winning and working or minerals includes the carrying out of any ancillary operations requisite therefor.

Disposals under arrangements made before 15th December 1973

- 4 Where an owner of an interest in land to which the principal section applies had before 18th December 1973 arranged (without entering into a binding contract) to dispose of that interest to another person and—

- (2) In this paragraph " authority exercising compulsory powers " means, in relation to any disposal of an interest in land, a person acquiring the interest compulsorily or who has been authorised to acquire it compulsorily (whether for himself or some other person).

 - (c) in subsection (4)(a), as amended by paragraph 53(c) of the said Schedule 6, after the words " the basic rate" there were inserted the words " or, in so far as it has borne income tax at a rate equal to the sum of the basic rate and the additional rate,-at a rate equal to the sum of those rates ".

Settlements on children

- 10 Where a development gain accrues in respect of a disposal of assets made by a person holding them as trustee for a person who would be absolutely entitled as against the trustee but for being an infant, the income which by virtue of section 38(2) of this Act is treated as arising by reference to that gain shall for the purposes of Chapter II of Part XVI of the Taxes Act (settlements on children) be deemed to be paid to the infant. In this paragraph " infant ", in relation to Scotland, means a pupil or minor.

SCHEDULE 8

Section 44.

ADAPTATIONS AND AMENDMENTS OF PROVISIONS
 RELATING TO THE TAXATION OF CAPITAL GAINS

Persons chargeable to tax in respect of development gains

- 1 Subsections (1) and (2) of section 20 of the Finance Act 1965 (persons chargeable to capital gains tax or corporation tax in respect of chargeable gains) shall have effect in relation to income tax or corporation tax in respect of development gains as they have effect in relation to capital gains tax or corporation tax in respect of chargeable gains.

Development gains accruing to non-resident companies and trusts

- 2 Section 41 of the Finance Act 1965 (chargeable gains accruing to certain non-resident companies) shall have effect in relation to development gains as it has effect in relation to chargeable gains, subject to the modification that for the reference in subsection (7) to capital gains tax there shall be substituted a reference to income tax or corporation tax.
- 3 Section 42 of the Finance Act 1965 (chargeable gains accruing to non-resident trusts) shall have effect in relation to development gains as it has effect in relation to chargeable gains, subject to the following modifications, that is to say—
- (a) in subsection (2), for the words "capital gains tax under section 20(4) of this Act" there shall be substituted the words " income tax by virtue of section 38(2) of the Finance Act 1974 "; and
 - (b) for the references to capital gains tax in subsections (4)(b) and (5) there shall be substituted references to income tax or corporation tax.

Development gains accruing in connection with replacement of business assets

- 4 Where a development gain accrues to a person in respect of a disposal of an interest in land to which section 38 of this Act applies, being a disposal in relation to which section 33 of the Finance Act 1965 (replacement of business assets) applies, then, if a claim under that section is made as respects the whole or any part of the consideration for the disposal, the consideration obtained by him for the disposal shall be treated for the purposes of the said section 33 in its application in relation

to the disposal as if it were equal to the amount by which the actual consideration obtained by him exceeds the amount of the said development gain.

Development gains accruing in connection with company amalgamations

- 5 Where a company has issued shares or debentures to a person in exchange for shares or debentures in another company in a case falling within paragraph 20 of Schedule 3 to this Act, the amount of any development gain which accrued to him in respect of the disposal by him to the issuing company of the shares or debentures in the other company shall, in computing under Schedule 6 to the Finance Act 1965 the gain accruing on a disposal of the shares or debentures so issued to him, be treated as an amount allowable under paragraph 4(1)(b) of the said Schedule 6.

Transfer of business to a company

- 6 In paragraph 15 of Schedule 19 to the Finance Act 1969 (capital gains; transfer of business to a company), after sub-paragraph (4) there shall be inserted as sub-paragraph (4A)—

“(4A) If any development gains accrue to the transferor in respect of his disposal of the assets included in the business, then for the purposes of sub-paragraph (4) above B (that is, the value of the whole of the consideration received by the transferor in exchange for the business) shall be taken to be what it would be if the value of the consideration other than shares so received by him were less by an amount equal to those gains.”

- 7 (1) If, in a case where paragraph 15 of Schedule 19 to the Finance Act 1969 applies, any development gains accrue to the transferor in respect of his disposal (referred to below as "the original disposal") of the assets included in the business, then, if the transferor makes a claim under this paragraph as respects the transfer, the following provisions of this paragraph shall apply.

This paragraph shall be construed as one with the said paragraph 15.

- (2) For the purposes of this paragraph—
- (a) " the net development gains " means the development gains accruing to the transferor in respect of the original disposal, as reduced by any development losses deducted from or set off against those gains under section 176 or 179 of the Taxes Act in accordance with paragraph 4 of Schedule 6 to this Act;
 - (b) " the qualifying amount "—
 - (i) if the business is transferred wholly in exchange for shares issued by the company to the transferor, means the amount of the net development gains ;
 - (ii) in any other case, means the amount by which what would have been the amount determined under sub-paragraph (4) of the said paragraph 15 if this Chapter had not been enacted exceeds the amount actually determined under that sub-paragraph, or the amount of the net development gains, whichever is the smaller ;
 - (c) the qualifying amount shall be apportioned between the new assets (that is to say, the shares received by the transferor in exchange for the business) as a whole, and, if those shares are not all of the same class, the apportionment between them shall be in accordance with their market values at the time they were acquired by the transferor.

Status: This is the original version (as it was originally enacted).

- (3) The profits or gains chargeable to tax under Case VI of Schedule D on the transferor for the year of assessment in which the original disposal is made shall be reduced by the qualifying amount.
- (4) If the transferor disposes of shares comprised in the new assets, being all the shares of a particular class which are so comprised, then the amount apportioned to those shares under sub-paragraph (2)(c) above shall be treated as a development gain accruing to him in the year of assessment in which that disposal is made and as constituting profits or gains chargeable to tax under Case VI of Schedule D for that year.
- (5) If the transferor disposes of shares comprised in the new assets, being some but not all of the shares of a particular class which are so comprised (so that the disposal constitutes a part disposal), then a fraction only of the amount apportioned to all the shares of that class under sub-paragraph (2)(c) above shall be treated as mentioned in the preceding paragraph, and that fraction shall be the fraction of the sums mentioned in the following sub-paragraph which is allowable as a deduction in computing under Schedule 6 to the Finance Act 1965 the amount of the gain accruing on that part disposal.
- (6) The sums referred to in the preceding sub-paragraph are the sums which, if all the shares of the class in question comprised in the new assets and remaining undisposed of immediately before the time of the part disposal in question had been disposed of at that time, would be allowable by virtue of paragraph 4(1)(a) and (b) of the said Schedule 6 as a deduction in computing under that Schedule the gain accruing on the disposal of all those shares.
- (7) Where an individual to whom a development gain is treated as accruing by virtue of this paragraph makes a claim under paragraph 2 of Schedule 7 to this Act as respects that gain, sub-paragraphs (2) to (4) of that paragraph shall have effect in relation to that claim subject to the following modifications, that is to say—
 - (a) the references to the interval between the claimant's acquisition and disposal of the asset on the disposal of which the development gain accrued to him shall be read as references to the interval between the date when he acquired any of those assets of the business which caused development gains to accrue to him in respect of the original disposal and the date of the original disposal; and
 - (b) the references to " the date of the disposal " shall be read as references to the date of the disposal of shares comprised in the new assets which is mentioned in sub-paragraph (4) or (5) above, as the case may be.

SCHEDULE 9

Section 45.

SUPPLEMENTARY PROVISIONS ABOUT DEEMED DISPOSALS UNDER SECTION 45

Interpretation

- 1 (1) In this Schedule—
 - " the five-year period " in relation to a relevant chargeable building, means the period of five years beginning with the material date ;

Status: This is the original version (as it was originally enacted).

" the interest of a relevant person ", in relation to a relevant chargeable building, means that interest of a relevant person in the relevant land by virtue of which he is a relevant person (and references to a relevant person's interest shall be construed accordingly);

" the principal section " means section 45 of this Act;

" relevant chargeable building " means a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, other than a chargeable building in the case of which, by virtue of subsection (3) of the principal section, subsection (1) of that section does not apply ;

" relevant person ", in relation to a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, means any person who after that date, either by granting one or more leases or by his occupation of the whole or any part or parts of the chargeable building, caused or helped to cause the building to be let or occupied as aforesaid.

(2) In the application of the principal section and this Schedule to Scotland.—

" freehold " means the estate or interest of the proprietor of the dominium utile, or, in the case of property other than feudal property, of the owner ;

" reversion " means the interest of the landlord in property subject to a lease.

The interest of a relevant person

2 (1) In the case of a relevant chargeable building, this paragraph shall apply in relation to the interest of a relevant person in the relevant land.

(2) Subsection (1) of the principal section shall not apply to a relevant person's interest in the relevant land on the material date unless on that date—

(a) the relevant land is wholly or partly let under one or more leases granted by him ; and

(b) the rent or aggregate of the rents to which he is entitled under the lease or leases is £5,000 or more per annum,

and shall in any case not apply to his interest in so much, if any, of the relevant land as is occupied by him on that date.

For the purposes of this and the following sub-paragraph a relevant person who on any date occupies not less than 90 per cent, of the floor area of the relevant chargeable building shall be deemed to occupy on that date the whole of so much of the relevant land as is then subject to his interest (and references to occupation in this and the following sub-paragraph shall be construed accordingly).

(3) Where by virtue of sub-paragraph (2) above subsection (1) of the principal section does not apply—

(a) to a relevant person's interest in the relevant land on the material date by reason of his occupation of so much of that land as is subject to that interest; or

(b) to a relevant person's interest in that land on that date so far as it is not occupied by him,

then, if within the five-year period the rent or aggregate of the rents to which he is entitled under any lease or leases by which he has let the whole or any part or

Status: This is the original version (as it was originally enacted).

parts of the relevant land becomes £5,000 or more per annum, he shall be deemed for the purposes of Part III of the Finance Act 1965 and Chapter I of this Part of this Act to have on the subsequent date disposed of and immediately re-acquired for a consideration equal to its market value his interest in so much of the relevant land as is not on the subsequent date occupied by him.

In this and the following sub-paragraph " the subsequent date " means the date within the five-year period on which the said rent or the aggregate of the said rents first becomes £5,000 or more per annum or, if this sub-paragraph would to any extent apply to a relevant person's interest on the last-mentioned date but for his occupation on that date of not less than 90 per cent, of the floor area of the relevant chargeable building, the date (if any) within the five-year period on which he first occupies less than 90 per cent, of that floor area.

- (4) If before the end of the five-year period a relevant person—
- (a) in a case where subsection (1) of the principal section applies to his interest on the material date in so much of the relevant land as was not occupied by him on that date, ceases to occupy any part of the relevant land which was occupied by him on that date ; or
 - (b) in a case where sub-paragraph (3) above applies to his interest on the subsequent date in so much of the relevant land as was not occupied by him on that date, ceases to occupy any part of the relevant land which was occupied by him on that date,

then the said subsection (1) or sub-paragraph (3) shall apply to his interest in that part as if he had not been in occupation of it on the material date or the subsequent date, as the case may be (but without prejudice to the operation of this sub-paragraph in relation to his interest in any other such part of the relevant land which he may cease to occupy within the five-year period).

- (5) For the purposes of this paragraph the rent per annum to which a relevant person is entitled at any particular date under a lease of the whole or part of the relevant land shall be treated as being whichever of the following is the greater, that is to say—
- (a) the rent which at the time when the lease was granted was the rack-rent for so much of the relevant land as is let under the lease ; and
 - (b) the actual rent per annum to which he is entitled under the lease at that date.

Interests other than that of a relevant person

- 3 (1) Subject to the following paragraphs of this Schedule, this paragraph (so far as applicable) shall in the case of a relevant chargeable building have effect with respect to any interest (other than the interest of a relevant person) which a person has in the relevant land on the material date, being a freehold interest or an interest under a lease or agreement for a lease.
- (2) Subsection (1) of the principal section shall not apply to a person's freehold interest in the whole or part of the relevant land or to the interest of a lessee under a lease of the whole or part of the relevant land if at the material date—
- (a) that interest is not subject to any lease or agreement for a lease, and the rack-rent for so much of the relevant land as is subject to that interest is less than £5,000 per annum and cannot reasonably be expected to be increased to or above £5,000 per annum within the five-year period ; or
 - (b) that interest is subject to one or more leases or agreements for a lease extending, or together extending, to the whole of so much of the relevant

Status: This is the original version (as it was originally enacted).

land as is subject to that interest, and the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of the said one or more leases or agreements is less than £5,000 per annum and cannot reasonably be expected to be increased to or above £5,000 per annum within the five-year period ; or

- (c) that interest is subject to one or more leases or agreements for a lease extending, or together extending, to part only of so much of the relevant land as is subject to that interest, and the aggregate of—
- (i) the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of the said one or more leases or agreements ; and
 - (ii) the rack-rent for the remainder of so much of the relevant land as is subject to that interest,
- is less than £5,000 per annum and cannot reasonably be expected to be increased to or above £5,000 per annum within the five-year period.

(3) Sub-paragraph (2) above shall apply in relation to the interest of a person under an agreement to grant him a lease of the whole or part of the relevant land as it applies in relation to the interest of a lessee under a lease of the whole or part of the relevant land, subject to the modification that in paragraphs (a) to (c) the references to his interest under that agreement being subject to one or more leases shall be omitted.

(4) Where a person's interest in the relevant land falls within sub-paragraph (1) above and is not excluded from the operation of subsection (1) of the principal section by any of the preceding provisions of this paragraph, the said subsection (1) shall not apply to that interest if the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of any one or more leases or agreements for a lease to which at the material date that interest is subject does not, and cannot be made to, reflect the value or any part of the value of the relevant development.

(5) Where—

- (a) the preceding sub-paragraph would apply to a person's interest in the relevant land but for the fact that the rent or aggregate of the rents there mentioned can be made to reflect the value or part of the value of the relevant development; but
- (b) that rent or the aggregate of those rents cannot be made to reflect that value (or part of it) until a date as from which the rent or one or more of the rents in question could be increased under provisions for the review of the rent contained in any relevant lease or agreement,

then, if that person makes a claim under this sub-paragraph, subsection (1) of the principal section shall in the case of that interest or, if the rent or rents which can be increased as mentioned in paragraph (b) above extend to part only of a person's interest, that part of his interest apply as if the last reference therein to the material date were a reference to the date mentioned in paragraph (b) of this sub-paragraph and, where the rent or rents which can be increased at that date extend to part only of a person's interest, as if his interest in the relevant land were limited to that part.

4 (1) In the case of a relevant chargeable building, paragraph 3 of this Schedule shall not have effect with respect to an interest which a person has in the relevant land on the material date, being either—

- (a) a freehold or leasehold interest which on the material date is subject to a lease or an agreement to grant a lease, being (in either case) a lease of which the term will expire within the period of twenty-five years from the commencement of the relevant development; or

Status: This is the original version (as it was originally enacted).

- (b) an interest under an agreement for a lease which on the material date is subject to an agreement to grant a lease of which the term will expire within the said period.
- (2) The provisions of subsections (1)(b), (c) and (d) and (2) to (3A) of section 84 of the Taxes Act shall have effect in ascertaining for the purposes of this paragraph when the term of a lease or prospective lease will expire as they have effect in ascertaining the duration of a lease for the purposes of sections 80 to 82 of that Act, but as if—
- (a) in the said subsection (1)(b), after the word " premium " there were inserted the words " (if any) ";
 - (b) in the said subsection (2), for the words from " the time of the grant of the lease " to " entered into " there were substituted the words " the material date referred to in paragraph 4(1) of Schedule 9 to the Finance Act 1974 ";
 - (c) in the said subsection (3A), the reference to the provisions of subsections (1) to (3) of the said section 84 were a reference, to those provisions as applied by this paragraph ;
 - (d) in the case of a prospective lease, references to what its terms do were references to what, in accordance with the agreement under which the lease is to be granted, its terms are to do.
- 5 In the case of a relevant chargeable building, subsection (1) of the principal section shall not apply to an interest in the relevant land which does not fall within paragraph 2, 3 or 4 of this Schedule if the market value of that interest on the material date is less than £10,000.

Provisions supplementary to paragraph 3

- 6 (1) The following provisions of this paragraph shall have effect for the purposes of paragraph 3 of this Schedule.
- (2) Without prejudice to sub-paragraphs (3) and (4) below, if at the time when a lease or agreement for a lease was granted or entered into the parties thereto were not at arm's length, the rent to which the lessor or party agreeing to grant a lease is or is to be entitled shall be deemed to be what it would be if, the other terms of the lease or agreement remaining as they are, the amount of the rent had been negotiated by the parties at arm's length.
- (3) Where the payment of any premium, fine or other capital sum (whether in lieu of or in addition to rent)—
- (a) is required under a lease or otherwise under the terms subject to which a lease is granted, or on the granting of a lease ; or
 - (b) will be so required by virtue of an agreement for a lease ; or
 - (c) is on the making of an agreement for a lease required from the party to whom the lease is to be granted,
- the amount per annum of the rent to which the lessor or party by whom the lease is to be granted is or is to be entitled under or by virtue of the lease or agreement shall be deemed to be (if there is or is to be no actual rent) or to include (in addition to the actual rent, where there is or is to be any) the annual equivalent of that sum or, if there are two or more such sums, the aggregate of their respective annual equivalents.
- (4) Where the terms subject to which a lease is or is to be granted impose or are to impose on the lessee an obligation to carry out any work on the premises, the lease shall for the purposes of sub-paragraph (3) above be deemed to have required, or to be one

Status: This is the original version (as it was originally enacted).

that will require the payment of a premium to the lessor (in addition to any other premium) of an amount equal to the amount by which the value of the interest of the lessor immediately after the commencement of the lease exceeds or will exceed what its then value would have been or would be if the said terms did not or were not to impose that obligation on the lessee.

Exemption for interest in land occupied on the material date in right of that interest

- 7 (1) Where, in the case of a relevant chargeable building, subsection (1) of the principal section would, apart from this paragraph, apply to an interest (not being the interest of a relevant person) which a person has in the relevant land on the material date, the following provisions of this paragraph shall apply if on that date any part of the relevant land is occupied by him in right of that interest.
- (2) Subject to the following provisions of this paragraph, the said subsection (1) shall not apply to that interest of that person in so much of the relevant land as is on the material date occupied by him in right thereof.
- (3) If before the end of the five-year period that person ceases to occupy any part of the relevant land, being a part in which he had an interest on the material date and to which the said subsection (1) would apply but for sub-paragraph (2) above, the said sub-paragraph (2) shall cease to apply to the interest which he had on that date in that part, and the said subsection (1) shall apply thereto accordingly.
- (4) For the purposes of this paragraph a person who on any date occupies not less than 90 per cent, of the floor area of the relevant chargeable building shall be deemed to occupy on that date the whole, and not to have ceased on that date to occupy any part, of so much of the relevant land as is then subject to his interest (and references to occupation and ceasing to occupy shall be construed accordingly).

Exemption for interest in land disposed of after the material date

- 8 (1) Where, in the case of a relevant chargeable building, subsection (1) of the principal section or sub-paragraph (3) of paragraph 2 of this Schedule would, apart from this paragraph, apply to an interest which a person has in the relevant land on the material date, or, as the case may be, the subsequent date within the meaning of that sub-paragraph, then, subject to the following provisions of this paragraph, that subsection or sub-paragraph, as the case may be, shall not apply, and be deemed never to have applied, to that interest if the whole of that interest is disposed of by him within the period of three years beginning with that date or such longer period as the Board may by notice in writing allow.
- (2) The preceding sub-paragraph shall not be taken to affect the application of the said subsection (1) to interests in the relevant land which are not excluded therefrom by that sub-paragraph.
- (3) Sub-paragraph (1) above shall not apply if by virtue of any enactment the person disposing of his interest in the relevant land (" the disposer ") and the person to whom the disposal is made fall to be treated as if the latter's acquisition of it were for a consideration of such amount as would secure that on the disposal by the disposer neither a gain nor a loss would accrue to the disposer.

Status: This is the original version (as it was originally enacted).

*Exemption by reference to occupation within three years
of the material date of land then intended to be occupied*

- 9 (1) The following provisions of this paragraph shall have effect for the purposes of paragraphs 2 and 7 of this Schedule in the case of a relevant chargeable building.
- (2) If on the material date a person—
- (a) has an interest in a part of the relevant land which is not then occupied by him ; and
 - (b) intends to occupy that part in right of that interest,
- then, if within the period of three years beginning with that date he goes into occupation of that part in right of that interest, he shall be deemed to have been in occupation of that part in right of that interest throughout the period beginning with the material date and ending with the time when he so went into occupation of it (even if that part was wholly or partly occupied by others for some or all of that period).
- (3) If the interest in question is an agreement for a lease and the person goes into occupation of the part in question under a lease granted in pursuance of that agreement, sub-paragraph (2) above shall apply as if he had gone into occupation in right of the agreement.

*Exemption for interests in land subject on 18th December
1973 to certain leases or agreements for a lease*

- 10 (1) In the case of a relevant chargeable building, subsection (1) of the principal section shall not apply to the interest of a person in the relevant land, on his making a claim, in so far as—
- (a) that interest is subject to a lease which was granted before 18th December 1973 ; or
 - (b) that person had before that date entered into an agreement, whether unconditional or conditional, to grant a lease of the whole or part of so much of the relevant land as is subject to that interest,
- and, in either case, the rent reserved or to be reserved under the lease, and any premium payable under or in respect of the lease or agreement, does not depend wholly or mainly on the value of the chargeable building (or of any part of that building) on the completion of the relevant development.
- (2) Where, in the case of a relevant chargeable building, a person having an interest in the relevant land had before 18th December 1973 arranged (without entering into a binding contract)—
- (a) to grant to another person a lease of the whole or part of so much of the relevant land as is subject to that interest; or
 - (b) to enter into with another person such an agreement as is mentioned in sub-paragraph (1)(b) above,
- and—
- (i) the arrangement was made in writing, or is evidenced by a memorandum or note thereof so made before that date; and
 - (ii) he grants such a lease to or (as the case may be) enters into such an agreement with that other person before 18th December 1974 on terms which do not differ materially from the terms of the arrangement or, if they so differ, are not more beneficial to the first-mentioned person,

Status: This is the original version (as it was originally enacted).

then the lease or agreement shall be treated for the purposes of sub-paragraph (1) above as if granted or entered into before 18th December, 1973.

Groups of companies

- 11 (1) For the purpose of determining whether a chargeable building falls within subsection (1) or subsection (3) of the principal section, any lease granted by a member of a group of companies to another member of the group shall be disregarded.
- (2) For the purposes of this Schedule, land occupied by a member of a group of companies may be treated as occupied by any other member of the group.
- (3) Section 272 of the Taxes Act (groups of companies: definitions) shall apply for the purposes of this paragraph as it applies for the purposes of sections 273 to 281 of that Act.

Tied premises

- 12 (1) For the purposes of this Chapter a person carrying on a trade who is a lessor of tied premises shall be treated as occupying those premises.
- (2) The preceding sub-paragraph shall be construed in accordance with section 140(2) of the Taxes Act (income tax and corporation tax on tied premises).

Power to make assessments etc. in connection with certain deemed disposals

- 13 (1) Where in accordance with this Schedule subsection (1) of the principal section or sub-paragraph (3) of paragraph 2 of this Schedule comes to apply to a person's interest in any land in consequence of his ceasing to occupy that land, an assessment to tax chargeable in consequence of that subsection or sub-paragraph so coming to apply to that interest may be made at any time within six years from the time when that subsection or sub-paragraph so came to apply to that interest.
- (2) Where—
- (a) under the said subsection (1) or sub-paragraph (3) a person is to be treated as having disposed of and reacquired an interest in any land ; or
 - (b) under paragraph 8 above the said subsection (1) is deemed never to have applied to a particular interest in land,
- all such recomputations of liability in respect of other disposals, and all such adjustments of tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the said subsection (1), sub-paragraph (3) or paragraph 8 shall be carried out.
- (3) The preceding provisions of this paragraph shall have effect notwithstanding any limit on the time for making assessments; and in this paragraph " tax " means capital gains tax, income tax or corporation tax.

Postponement of payment of tax

- 14 (1) Subject to sub-paragraph (2) below, where an interest in land is under subsection (1) of the principal section or sub-paragraph (3) of paragraph 2 of this Schedule deemed to have been disposed of, the total tax chargeable in respect of a gain accruing on the disposal may, at the option of the person liable to pay it, be paid by eight equal yearly

Status: This is the original version (as it was originally enacted).

instalments or sixteen half-yearly instalments, but subject to the payment of interest under Part IX (except sections 87 and 88) of the Taxes Management Act 1970.

- (2) Where on the occasion on which the said subsection (1) or sub-paragraph (3) comes to apply to a person's interest in any land he becomes entitled to one or more capital sums (whether by way of premium or otherwise), then—
- (a) if the total tax chargeable in respect of a gain accruing on the disposal of that interest which under that subsection or sub-paragraph he is deemed to have made does not exceed one-half of that capital sum or of the aggregate of those capital sums, as the case may be, sub-paragraph (1) above shall not apply to the tax chargeable in respect of that gain ; and
 - (b) if the total tax chargeable as aforesaid exceeds one-half of that capital sum or of the aggregate of those capital sums, as the case may be, sub-paragraph (1) above shall apply only to so much of the total tax as exceeds that half.
- (3) Where tax is payable by instalments by virtue of this paragraph, the first instalment shall be due at the expiration of twelve months from the time of the disposal and the interest on the unpaid portion of the tax shall be added to each instalment and paid accordingly ; but the tax for the time being unpaid, with interest to the date of payment, may be paid at any time, and, subject to the following sub-paragraph, shall become due and payable forthwith if the interest in land deemed to have been disposed of as aforesaid is disposed of for valuable consideration under a subsequent disposal (whether or not the subsequent disposal is made by the person who is deemed to have acquired it under the first disposal).
