

SCHEDULES

SCHEDULE 2

Section 25.

LICENCES

Duty on licences

- 1 (1) Subject to sub-paragraph (2) below, there shall be payable in respect of a fishing
licence a duty fixed in accordance with this Schedule by the water authority.
- (2) The water authority may in special cases grant an exemption from the duty.
- 2 Different duties may be fixed under paragraph 1 above for different instruments,
different periods, different parts of the water authority area, different descriptions
of fish and different classes of licence holder.
- 3 A water authority shall at least one month before fixing or altering a duty for the
use of any instrument in any part of their area, except a duty payable in respect of
a temporary licence, publish in one or more newspapers circulating in that part of
their area notice of their intention to do so.
- 4 If during the month immediately following the publication of a notice under
paragraph 3 above a written objection to the proposed duty is made to the Minister
by any interested person, the water authority shall not fix or alter the duty without
the approval of the Minister.
- 5 The Minister, with or without a local inquiry, may refuse to approve any duty
submitted by a water authority for his approval under paragraph 4 above or may
approve the duty with or without modifications ; and the authority, if so directed
by the Minister, shall cause notice of any proposed modification to be given in
accordance with the direction.
- 6 No duty fixed under the foregoing provisions of this Schedule shall take effect until
the beginning of the year following that in which it is fixed or, in the case of a duty
required to be approved by the Minister, in which it is approved by him.
- 7 A water authority may grant a temporary licence, that is to say, a licence authorising
the use of an instrument for fishing in circumstances specified in the licence during
a period not exceeding 14 days,
and may charge in respect of that licence a duty less than the duty fixed for the use
of that instrument under the foregoing provisions of this Schedule.
- 8 There shall be payable in respect of a general licence such sum as may be agreed
by the water authority and the licensee.

- (a) in an area in which there is in force an order under section 26 above limiting the number of licences for fishing with instruments of that description, if his name and address are entered on the licence in accordance with the following provisions of this Schedule and he is not the holder of another licence to use an instrument of that description in that area ;
- (b) in any other area, if his name and address are so entered or when using the instrument to which the licence relates he is accompanied by the licensee ;

13 The number of servants or agents whose names may at any time be entered on a licence shall not exceed twice the number of persons who in the opinion of the water authority are required to work at one time the instrument to which the licence relates or, where the applicant for the licence notifies the authority at the time of the application that he proposes to take part in working the instrument, one less than twice that number.

14 Any person who, with intent to deceive, enters on a licence more names than are permitted by paragraph 13 above or states falsely the date of entry in a licence is guilty of an offence.
