- (2) No compensation shall be payable to a person by virtue of this section unless he is either the person who, immediately before the operative date of the compulsory rights order, was entitled to occupy the holding (in this subsection referred to as “the original occupier”) or a person who, before the end of the period of occupation, became entitled to the relevant interest in the holding in accordance with the disposition of, the original occupier’s estate effected by his will, or the law relating to intestacy, or the combination of his will and that law.

- (a) if the part of the holding which the person concerned ceased to be entitled to occupy comprises the whole of the compensatable portion, no compensation shall be payable to him by virtue of this section ;
 - (b) if the person concerned remains entitled to occupy the whole of the compensatable portion, the compensation so payable to him shall not be reduced under paragraph (b) of subsection (6) above ; and
 - (c) in any other case, for the purpose of determining the proportion of the compensation properly attributable to any part of the holding under paragraph (b) of subsection (6) above, the holding shall be treated as consisting of the compensatable portion only.”
