- 1 For paragraph (1) of clause 8 of the model clauses set out in Schedule 4 to the Petroleum (Production) Regulations 1966 as amended by the Petroleum (Production) (Amendment) Regulations 1971 (hereafter in this Part of this Schedule referred to as "the relevant clauses") there shall be substituted the following paragraph:—

  - (c) payments in accordance with Schedule 2 to this licence.
- 2 After clause 8 of the relevant clauses there shall be inserted the following clauses:—

**Royalty payments.**

- “8A (1) Subject to paragraphs (2) to (4) of this clause the Licensee shall pay to the Minister, in respect of each half year in which this licence is in force (hereafter in this clause and in clause 8B of this licence referred to as a "chargeable period"), a royalty of an amount equal to 12 ½ per cent. of the value of the petroleum relating to that period.

*Status: This is the original version (as it was originally enacted).*

---

- (3) The Licensee shall not be required to make a payment in pursuance of paragraph (1) of this clause in respect of a chargeable period if he is required by virtue of clause 8C of this licence to deliver to the Minister some but not all of the royalty petroleum for that period; but in respect of that period the Licensee shall, subject to paragraph (4) of this clause, pay to the Minister a royalty of an amount determined in accordance with the formula—

$$\frac{A(12\frac{1}{2} - B)}{100 - B}$$

- (4) Where in a chargeable period in respect of which, apart from this paragraph, royalty is payable in pursuance of paragraph (3) of this clause, the petroleum won and saved in the licensed area includes both petroleum in the form of gas and petroleum in other forms, that paragraph shall have effect—

- (a) in relation to the petroleum in the form of gas, as if references to petroleum in the provisions of that paragraph relating to the meaning of A and B excluded petroleum in other forms; and
- (b) in relation to the petroleum in other forms, as if those references excluded petroleum in the form of gas;

and in such a case the value of the petroleum relating to that period shall be apportioned between the petroleum in the form of gas and the petroleum in other forms in such manner as the Minister and the Licensee may agree.

- (5) For the purposes of this clause and clause 8B of this licence the value of the petroleum relating to a chargeable period is, subject to paragraph (b) of this clause, the total of the amounts which, if the words " one-half of " were omitted from paragraph (b) of subsection (4) and paragraph (d) of subsection (5) of section 2 of the Oil Taxation Act 1975, would in pursuance of paragraph (a) of the said subsection (4) fall to be taken into account in relation to that period in respect of the persons who by reference to this licence are or are treated as participators for the purposes of those subsections, reduced by—

- (6) The value which, in pursuance of paragraph (5) of this clause, is the value of the petroleum relating to a chargeable period shall be increased by—

  - (c) the Licensee may, during the period of 28 days beginning with the day on which he receives from the Minister particulars of a determination in pursuance of sub-paragraph (b) of this paragraph, refer to arbitration in the manner provided by clause 34 of this licence any question as to whether the determination is in accordance with the relevant notice given to the Licensee in pursuance of this paragraph.

- (4) The Minister shall make to the Licensee payments equal to the amounts by which, in consequence of paragraphs (2) to (4) of clause 8A of this licence, the deductions which the Licensee was entitled to make in pursuance of paragraph 3(2) of Schedule 2 to this licence fall short of the deductions which the Licensee would have been so entitled to make if royalty were only payable in pursuance of paragraph (1) of that clause and paragraph (2) of it were omitted; and payments by the Minister in pursuance of this paragraph shall be made as soon as the amounts of the relevant deductions have been determined.
- (5) The Minister may from time to time, after a statement in respect of any chargeable period has been delivered to him in pursuance of paragraph (1) of this clause and before he has given to the Licensee a notice in pursuance of paragraph (b) of this clause in respect of that period, give a notice in writing to the Licensee specifying the amount which the Minister estimates is payable by the Licensee in pursuance of clause 8A of this licence in respect of that period; and where the amount specified in the notice is larger or smaller than the total amount already paid by the Licensee in pursuance of this clause in respect of that period, then—
  - (a) if it is larger the difference shall be paid forth with by the Licensee to the Minister; and

- (a) if it is larger the difference shall be paid forthwith by the Licensee to the Minister ; and
  - (b) if it is smaller the difference shall be paid forthwith by the Minister to the Licensee.

- (a) if the other amount is larger than the amount specified in the previous notice the difference shall be paid forthwith by the Licensee to the Minister; and

- (c) payments in accordance with Schedule 2 to this licence.”

2 After clause 8 of the relevant clauses there shall be inserted the following clauses:—

### **Royalty payments.**

“8A (1) Subject to paragraphs (2) to (4) of this clause the Licensee shall pay to the Minister, in respect of each chargeable period, a royalty equal to the sum of the following amounts, namely—

- (a) 5 per cent of the value of all relevant units up to the first 100,000 units won and saved in the year which includes that period;
- (b) 7 ½ per cent. of the value of all further relevant units up to the next 50,000 units so won and saved ;

- (4) Where in a chargeable period in respect of which, apart from this paragraph, royalty is payable in pursuance of paragraph (3) of this clause, the petroleum won and saved in the licensed area includes both petroleum in the form of gas and petroleum in other forms, that paragraph shall have effect—
- (a) in relation to the petroleum in the form of gas, as if references to petroleum in the provisions of that paragraph relating to the meaning of A and C excluded petroleum in other forms; and
  - (b) in relation to the petroleum in other forms, as if those references excluded petroleum in the form of gas;
- and in such a case the value of the petroleum relating to that period shall be apportioned between the petroleum in the form of gas and the petroleum in other forms in such manner as the Minister and the Licensee may agree.
- (5) For the purposes of this clause and clause 8B of this licence the value of the petroleum relating to a chargeable period is, subject to paragraph (b) of this clause, the total of the amounts which, if the words " one-half of " were omitted from paragraph (b) of subsection (4) and paragraph (d) of subsection (5) of section 2 of the Oil Taxation Act 1975, would in pursuance of paragraph (a) of the said subsection (4) fall to be taken into account in relation to that period in respect of the persons who by reference to this licence are or are treated as participators for the purposes of those subsections, reduced by—
- (a) the total of the market values which would in pursuance of the said paragraph (b) fall to be taken into account as aforesaid; and
  - (b) a sum ascertained in pursuance of paragraph (7) of this clause in respect of the cost of conveying and treating petroleum.
- (6) The value which, in pursuance of paragraph (5) of this clause, is the value of the petroleum relating to a chargeable period shall be increased by—

  - (b) an amount equal to the value, as determined for the purposes of income tax or the charge of corporation tax on income, of so much of the petroleum won and saved in the licensed area as falls within section 10(1)(b) of the Oil Taxation Act 1975 and was in that period disposed of or relevantly appropriated (within the meaning of Part I of that Act) by the persons mentioned in the said paragraph (5).
- (7) The Minister may from time to time, by notice in writing given to the Licensee, determine the mode of ascertaining any sum for the purposes of sub-paragraph (b) of paragraph (5) of this clause ; but—

- (5) The Minister may from time to time, after a statement in respect of any chargeable period has been delivered to him in pursuance of paragraph (1) of this clause and before he has given to the Licensee a notice in pursuance of paragraph (b) of this clause in respect of that period, give a notice in writing to the Licensee specifying the amount which the Minister estimates is payable by the Licensee in pursuance of clause 8A of this licence in respect of that period; and where the amount specified in the notice is larger or smaller than the total amount already paid by the Licensee in pursuance of this clause in respect of that period, then—
- (a) if it is larger the difference shall be paid forth with by the Licensee to the Minister; and
  - (b) if it is smaller the difference shall be paid forthwith by the Minister to the Licensee.

- could reasonably be expected to carry out during the period specified in the notice, and that period must be within the term of this licence and begin after the expiration of the initial term of this licence.

(5) If a programme is submitted to the Minister in consequence of a notice served by him in pursuance of paragraph (4) of this clause, then—

- and a notice in pursuance of sub-paragraph (b) of this paragraph may contain different conditions in respect of different works.
- (5) Where the Minister gives notice of rejection of a programme in pursuance of sub-paragraph (c) of paragraph (4) of this clause, then—

  - (c) the Licensee shall prepare and submit to the Minister, before the time specified in that behalf in the notice,—
    - (i) where the notice contains such a statement as is mentioned in sub-paragraph (a) above, modifications of the programme which ensure that the carrying out of the programme with those modifications would not be contrary to good oilfield practice ;
    - (ii) where the notice contains such a statement as is mentioned in sub-paragraph (b) above, modifications of the programme which ensure the getting of petroleum from the area there mentioned at the rates specified in the statement and which (except so far as may be necessary in order to get petroleum at those rates) are not such that the carrying out of the programme with those modifications would be contrary to good oilfield practice;

but the Licensee shall not be required by virtue of paragraph (i) of this sub-paragraph to submit modifications if the carrying out of the programme without modifications would not be contrary to good oilfield practice.
- (6) If the Minister gives notice in writing to the Licensee that the Minister approves the modifications of a programme which have been submitted to him in pursuance of sub-paragraph (c) of paragraph (5) of this clause, the programme with those modifications shall be deemed to be approved by the Minister ; but if the Licensee fails to perform the duty imposed on him by that sub-paragraph the Minister may if he thinks fit, instead of revoking this licence in consequence of the failure, serve on the Licensee such a programme as the Minister considers that the Licensee should have submitted to him in respect of the area and period to which the rejected programme related.
- (7) Where the Minister proposes to approve a programme subject to a condition in pursuance of paragraph (4)(b) of this clause or to reject a programme in pursuance of paragraph (4)(c) of this clause or to serve a programme on the Licensee in pursuance of paragraph (b) of this clause he shall before doing so—

(9) In this clause " relevant works " means any structures and any other works whatsoever which are intended by the Licensee to be permanent and are neither designed to be moved from place to place without major dismantling nor intended by the Licensee to be used only for searching for petroleum.

#### **Provisions supplementary to clause 15.**

16 (1) A consent given by the Minister in pursuance of clause 15(1) of this licence may be given subject to such conditions as are specified in the document signifying the consent and may in particular, without prejudice to the generality of the preceding provisions of this paragraph, be limited to a period so specified.

---

- (3) A quantity or period specified in such a further notice as that to be substituted for a quantity or period which is specified in the programme in question shall be within the limits specified in the limitation notice as those applicable to that quantity or period specified in the programme ; and those limits shall be such as to secure that the expenditure to be incurred by the Licensee in complying with the further notice, in a case where an effect of the notice is to increase the quantity of petroleum which the Licensee is required to get from the licensed area in any period, is less than the cost of drilling a new well in the licensed area at the time when the further notice is given.
- (4) Where the Minister proposes to give a limitation notice or any such further notice as aforesaid he shall before doing so—
- (a) give the Licensee particulars of the proposal and an opportunity of making representations to the Minister about the technical and financial factors which the Licensee considers are relevant in connection with the proposal; and
  - (b) consider any such representations then made to him by the Licensee ;
- and the Minister shall not give such a further notice of which an effect is to increase the quantity of petroleum which the Licensee is required to get from the licensed area during any period unless the Minister is satisfied that the notice is required by reason of a national emergency and shall not give any other such further notice as aforesaid unless he is satisfied that the notice is required in the national interest.
- (5) A limitation notice or such a further notice as aforesaid may—
- (a) specify any quantity or period by reference to such factors as the Minister thinks fit; and
  - (b) in the case of such a further notice, contain provisions as to—
    - (i) the date when the notice is to come into force,
    - (ii) the date when the notice is to cease to be in force,
 and specify different dates in pursuance of this sub-paragraph for different provisions of the notice;
- and the Minister may revoke such a further notice at a particular time by serving on the Licensee a notice in writing stating that the further notice is revoked at that time.
- (6) Any question arising under clause 15 of this licence or this clause as to what is, is not or is required in the national interest or as to what is, or is required by reason of, a national emergency shall be determined by the Minister.
- (7) The Licensee shall ensure that any conditions to which an approval is subject in pursuance of clause 15(4)(b) of this licence or a consent is subject in pursuance of paragraph (1) of this clause are complied with.
- (8) If in respect of part of the licensed area—
- (a) a consent has been given in pursuance of paragraph (1) of clause 15 of this licence ; or
  - (b) the Licensee has submitted to the Minister, in accordance with a direction given by virtue of paragraph (3)(a) of that clause, a programme in pursuance of paragraph (2) of that clause—
