### 140 Increase of gross profit by reference to royalties in kind.

- (1) This section applies where part of a participator's share of the oil won and saved from an oil field is delivered by him in a chargeable period to the Secretary of State pursuant to a requirement imposed under the terms of a licence granted under the <sup>M29</sup> Petroleum (Production) Act 1934.
- (2) In determining for the purposes of APRT the gross profit accruing to the participator from the field in the chargeable period the aggregate of the amounts mentioned in paragraphs (a), (b) and (c) of subsection (5) of section 2 of the principal Act shall be increased by multiplying it by a fraction of which—
  - (a) the numerator is the total of the quantity of oil won from the field which is delivered or relevantly appropriated by him in the period including the oil delivered to the Secretary of State; and
  - (b) the denominator is that total excluding the oil delivered to the Secretary of State.
- (3) Where oil is delivered pursuant to a requirement which relates to oil of one or more kinds but not to others, subsection (2) above shall apply only in relation to oil of the kind or kinds to which the requirement relates ; and where oil is delivered pursuant to a requirement which specifies different proportions in relation to different kinds of oil, that subsection shall apply separately in relation to each of those kinds.
- (4) For the purposes of subsection (5) of section 2 of the principal Act as it applies in determining for the purposes of APRT the gross profit accruing to a participator, the exclusion by paragraph 4 of Schedule 3 to that Act of oil delivered to the Secretary of State under the terms of a licence granted under the said Act of 1934 shall be deemed to extend to oil which is inadvertently delivered to him in excess of the amount required ; and oil so delivered shall be treated for the purposes of this section as delivered pursuant to a requirement imposed under the terms of such a licence.

**141 Reduction of gross profit by reference to exempt allowance.**

- (1) For the purposes of APRT there shall be for each oil field in each chargeable period an exempt allowance of 500,000 metric tonnes of oil divided between the participators in shares proportionate to their shares of the oil won and saved from the field during the period.
- (2) If the gross profit accruing to a participator in a chargeable period from a field exceeds the cash equivalent of his share of the exempt allowance, the gross profit shall be reduced to an amount equal to the excess.
- (3) If the gross profit accruing to a participator in a chargeable period from a field does not exceed the cash equivalent of his share of the exempt allowance, the gross profit shall be reduced to nil.
- (4) Subject to subsection (5) below, the cash equivalent of a participator's share of the exempt allowance for an oil field for a chargeable period shall be equal to such proportion of the gross profit accruing to him from the field in that period (before any reduction under this section) as his share of the exempt allowance bears to his share, exclusive of excluded oil within the meaning of section 10 of the principal Act, of the oil won and saved from the field during the period.
- (5) If a participator in an oil field so elects by notice in writing given to the Board at the time when he makes his return under paragraph 2 of Schedule 2 to the principal Act for a chargeable period, the cash equivalent of his share of the exempt allowance for the field for that period shall be determined under subsection (4) above—
  - (a) to the extent that his share of that exempt allowance does not exceed his share of the oil (other than gas) won and saved from the field in the period, as if in computing the gross profit accruing to him in the period all amounts relating to gas fell to be disregarded; and
  - (b) to the extent, if any, that his share of that allowance exceeds his share of the oil (other than gas) so won and saved, as if in computing the gross profit so accruing all amounts relating to oil other than gas fell to be disregarded.
- (6) In this section references to a participator's share of the oil won and saved from a field are to his share as expressed in metric tonnes and for that purpose 1,100 cubic metres of oil consisting of gas at a temperature of 15 degrees centigrade and pressure of one atmosphere shall be counted as equivalent to one metric tonne of oil other than gas.

**142 Consequences of crediting APRT against liability for petroleum revenue tax.**

- (1) If it appears to the Board—

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (a) that any amount of APRT credit which has been set off against a participator's assessed liability to petroleum revenue tax for any chargeable period ought not to have been so set off, or that the amount so set off has become excessive, or
- (b) that, disregarding any liability to or credit for APRT, a participator is entitled to a repayment of petroleum revenue tax for any chargeable period,

then, for the purpose of securing that the liabilities of the participator to petroleum revenue tax and APRT (including interest on unpaid tax) for the chargeable period in question are what they ought to have been, the Board may make such assessments to, and shall make such repayments of, petroleum revenue tax and APRT as in their judgment are necessary in the circumstances.

- (2) In a case falling within paragraph (a) of subsection (1) above, any necessary assessment to petroleum revenue tax may, where the revised amount of set off is ascertained as a result of an appeal, be made at any time before the expiry of the period of six years beginning at the end of the chargeable period in which the appeal is finally determined; and in a case falling within paragraph (b) of that subsection any necessary assessment to APRT may be made at any time before the expiry of the period of six years beginning at the end of the chargeable period in which the participator became entitled as mentioned in that paragraph.

- (3) ..... F49

- (5) Paragraphs 13, 14 and 15 of Schedule 2 to the principal Act (payment of tax, appeals and interest on tax) apply in relation to an assessment to petroleum revenue tax under subsection (1) above as they apply to an assessment under that Schedule.

**153 Variable rates of interest for government lending.**

- (1) For section 5 of the National Loans Act 1968 (rates of interest) there shall be substituted the following section—

**“5 Rates of interest.**

- (1) This section has effect as respects any rate of interest—
- (a) which under any provision in Schedule 1 to this Act is to be determined in accordance with this Act, or
  - (b) which is to be determined by the Treasury under section 3 of this Act, and, where any enactment passed after this Act provides for the payment of interest on advances or loans made out of the National Loans Fund, and for the rate at which that interest is to be payable to be determined or approved by the Treasury, then, except as otherwise expressly provided, this section has effect as respects that rate of interest.
- (2) For any loan or class of loans the Treasury may determine or approve either—
- (a) a fixed rate of interest, that is to say a specified rate or a formula rate which is to be applied, throughout the period of the loan or any loan of that class, with the value which it has when the loan is made, or
  - (b) a variable rate of interest, that is to say a formula rate which is to be applied, for each of the successive periods of the loan or any loan of that class which are of a length specified in the determination or approval (in this section referred to as interest periods), with the value which it has at the beginning of that period;
- and in this subsection “formula rate” means a rate which is so expressed (whether by means of a formula or otherwise) that it will or may have different values at different times.
- (3) The Treasury shall, on each occasion when they determine or approve a fixed rate of interest for a loan or class of loans, satisfy themselves that the rate would be at least sufficient to prevent a loss if—
- (a) the loan, or any loan of that class—
    - (i) were made forthwith, and
    - (ii) were met out of money borrowed by the Treasury at the lowest rate at which the Treasury are for the time being able

- to borrow money (of whatever amount) for a comparable period, and on other comparable terms, and
  - (b) the interest on the money so borrowed, together with the Treasury’s expenses of borrowing, were set off against the interest received on the loan.
- (4) The Treasury shall, on, each occasion when they determine or approve a variable rate of interest for a loan or class of loans, satisfy themselves that the rate would be at least sufficient to prevent a loss if—
- (a) the loan, or any loan of that class,—
    - (i) were made forthwith,
    - (ii) were to be repaid at the end of its first interest period, and
    - (iii) were met out of money borrowed by the Treasury at the lowest rate at which the Treasury are for the time being able to borrow money (of whatever amount) for a comparable period, and
  - (b) the interest on the money so borrowed were set off against the interest received on the loan.
- (5) If at any time the Treasury are satisfied that a rate of interest determined or approved for a class of loans, or for a loan not yet made, would not meet the requirements of subsection (3) or, as the case may be, subsection (4) above if it were determined or approved at that time, that determination or approval shall be withdrawn; and another rate shall be determined or approved in accordance with that subsection for further loans of that class or, as the case may be, for that loan.
- (6) The Treasury may in determining or approving a rate of interest take into account any consideration justifying a rate higher than that required by subsection (3) or (4) above.
- (7) Different fixed rates of interest may be determined or approved in respect of loans which are to be made for the same length of time; and different variable rates of interest may be determined or approved for loans which are to have interest periods of the same length.
- (8) The Treasury shall cause—
- (a) all rates of interest determined from time to time by them in respect of local loans, and
  - (b) all other rates of interest determined from time to time by them otherwise than by virtue of subsection (6) above,
- to be published in the London and Edinburgh Gazettes as soon as may be after the determination of those rates.”

Section 134.

ALTERNATIVE VALUATION OF ETHANE USED FOR PETROCHEMICAL PURPOSES

**Modifications etc. (not altering text)**

**C26** See [Finance Act 1986 \(c. 41\)](#), **s. 109(5)** and Sch. 21

*The election*

- 1 (1) An election shall be made—
- (a) in so far as it is to apply to ethane which is relevantly appropriated, by the participator alone; and

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (b) in so far as it is to apply to ethane which is disposed of, by the participator and the person to whom it is disposed of.
- (2) An election shall be made in such form as may be prescribed by the Board and shall—
- (a) identify, by reference to volume, chemical composition and initial treatment, the ethane to which the election is to apply;
  - (b) specify the period, beginning on or after the date of the election and not exceeding fifteen years, which is covered by the election;
  - (c) specify the price formula which is to apply for determining the market values of ethane during that period;
  - (d) specify the petrochemical purposes for which ethane to which the election applies will be used; and
  - (e) specify the place to or at which any such ethane is to be delivered or appropriated.
- (3) The reference in sub-paragraph (2)(a) above to initial treatment is a reference to such initial treatment (if any) as the ethane will have been subjected to before it is disposed of or relevantly appropriated.

*Conditions for acceptance of an election*

- 2 (1) Subject to sub-paragraphs (2) and (3) below, the Board shall accept an election if they are satisfied that, under a relevant contract (as defined in paragraph 3 below) for the sale at arm's length of the ethane to which the election applies, the contract prices would not differ materially from the market values determined in accordance with the price formula specified in the election ; and if the Board are not so satisfied they shall reject the election.
- (2) The Board shall reject an election if they are not satisfied that the price formula specified in the election is such that the market value of ethane disposed of or relevantly appropriated at any time during the period covered by the election will be readily ascertainable either by reference to the price formula alone or by reference to that formula and to information—
- (a) which is, or is expected to be at that time, publicly available; and
  - (b) which is not related or dependent, in whole or to any substantial degree, to or on the activities of the person or persons making the election or any person connected or associated with him or them.
- (3) The Board shall reject an election if, after receiving notice in writing from the Board, the person or, as the case may be, either of the persons by whom the election was made—
- (a) fails to furnish to the Board, before the appropriate date, any information which the Board may reasonably require for the purpose of determining whether the election should be accepted; or
  - (b) fails to make available for inspection, before the appropriate date, by an officer authorised by the Board any books, accounts or documents in his possession or power which contain any information relevant for that purpose.
- (4) In sub-paragraph (3) above “the appropriate date” means such date as may be specified in the notice concerned, being a date not earlier than one month after the date on which the notice was given.

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (5) Any notice under sub-paragraph (3) above shall be given within the period of three months beginning on the date of the election in question.
- 3 (1) In paragraph 2 above “relevant contract” means a contract which is entered into,—
- (a) if the price formula specified in the election is derived from an actual contract which is identified in the election and was entered into not more than two years before the date of the election, at the time at which that contract was entered into, and
  - (b) in any other case, at the time of the election in question,
- and which incorporates the terms specified in sub-paragraph (2) below, but it is not necessarily a contract for the sale of ethane for petrochemical purposes.
- (2) The terms referred to in sub-paragraph (1) above are—
- (a) that the ethane is required to be delivered at the place in the United Kingdom [F100 or another country] at which the seller could reasonably be expected to deliver it or, if there is more than one such place, the one nearest to the place of extraction; and
  - (b) that the price formula may be varied only in the event of a substantial and lasting change in the economic circumstances surrounding or underlying the contract and that any such variation may not take place before the expiry of the period of five years beginning on the date of the first delivery of ethane during the period covered by the election.

#### **Textual Amendments**

**F100** Words in *Sch. 18 para. 3(2)(a)* inserted (16.7.1992) by *Finance (No. 2) Act 1992 (c. 48), s. 74, Sch. 15 para.5*

#### *Notice of acceptance or rejection*

- 4 (1) Notice of the acceptance or rejection of an election shall be given to the party or, as the case may be, each of the parties to the election before the expiry of the period of three months beginning on—
- (a) the date of the election, or
  - (b) if a notice has been given under paragraph 2(3) above relating to the election, the date or, as the case may be, the last date which is the appropriate date, as defined in paragraph 2(4) above, in relation to such a notice.
- (2) If no such notice of acceptance or rejection is so given, the Board shall be deemed to have accepted the election and to have given notice of their acceptance on the last day of the period referred to in sub-paragraph (1) above.
- (3) After notice of the acceptance of an election has been given under this paragraph, a change in the identity of the participator or, where appropriate, of the person to whom the ethane in question is disposed of shall not, of itself, affect the continuing operation of the election.

#### *Market value ceasing to be readily ascertainable*

- 5 (1) In any case where—

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (a) it appears to the Board that, at some time during the period covered by an election, the market value of ethane to which the election applies has ceased or is ceasing to be readily ascertainable as mentioned in paragraph 2(2) above, and
- (b) the Board give notice of that fact to the party or, as the case may be, each of the parties to the election and in that notice specify a date for the purposes of this paragraph (which may be a date earlier than that on which the notice is given),

then, subject to sub-paragraph (2) below, on the date so specified the election shall cease to have effect.

(2) If—

- (a) within the period of three months beginning on the date of a notice under sub-paragraph (1)(b) above, the party or parties to the election by notice in writing given to the Board specify a new price formula, and
- (b) the new price formula is accepted by the Board in accordance with paragraph 7 below,

the election shall continue to have effect and, subject to paragraph 9 below, for the purpose of determining the market value, on and after the date specified in the notice under sub-paragraph (1)(b) above, of ethane to which the election applies, section 134 of this Act shall have effect as if the new price formula were the formula specified in the election.

*Price formula ceasing to give realistic market values*

6 (1) If, at any time after the expiry of the period of five years beginning on the date of the first delivery or relevant appropriation of ethane during the period covered by an election,—

- (a) it appears to the party or parties to the election or, as the case may be, to the Board that, by reason of any substantial and lasting change in any economic circumstances which were relevant at the time referred to in paragraph 3(1) above, the market values determined in accordance with the price formula specified in the election are no longer realistic; and
- (b) the party or parties to the election give notice of that fact to the Board, or the Board give notice of that fact to the party or, as the case may be, each of the parties to the election,

then, subject to the following provisions of this paragraph, sub-paragraph (2) below shall apply.

(2) Where this sub-paragraph applies, the election shall not have effect with respect to any chargeable period beginning after the date of the notice under sub-paragraph (1) (b) above.

(3) Before the expiry of the period of three months beginning on the date on which a notice under sub-paragraph (1)(b) above given by the party or parties to the election is received by the Board, the Board shall give notice of acceptance or rejection of that notice to the party or parties concerned; and

- (a) if the Board give notice of rejection, sub-paragraph (2) above shall not apply; and
- (b) if no notice of acceptance or rejection is in fact given as required by this sub-paragraph, the Board shall be deemed to have given notice of acceptance on the last day of the period of three months referred to above.

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (4) If a notice under sub-paragraph (1)(b) above which has been given by the party or parties to the election contains a new price formula, the Board shall first consider the notice without regard to that formula and if, following upon that consideration, the Board give a notice of acceptance under sub-paragraph (3) above, they shall then proceed to consider the new price formula.
- (5) In any case where—
- (a) sub-paragraph (4) above applies and the new price formula contained in the notice under sub-paragraph (1)(b) above is accepted by the Board in accordance with paragraph 7 below, or
  - (b) within the period of three months beginning on the date of a notice given by the Board under sub-paragraph (1)(b) above, the party or parties to the election by notice in writing given to the Board specify a new price formula which is accepted by the Board in accordance with paragraph 7 below,
- sub-paragraph (2) above shall not apply and for the purpose of determining, for any chargeable period beginning after the date of the notice under sub-paragraph (1)(b) above, the market value of ethane to which the election applies, section 134 of this Act shall have effect as if the new price formula were the formula specified in the election.
- (6) If, by virtue of sub-paragraph (5) above or an appeal under paragraph 8 below, a new price formula has effect for determining the market value of ethane to which an election applies, sub-paragraph (1) above shall thereafter have effect in relation to the market value of any such ethane as if—
- (a) the reference therein to the date of the first delivery or relevant appropriation of ethane during the period covered by the election, and
  - (b) the reference therein to the time referred to in paragraph 3(1) above,
- were each a reference to the beginning of the first chargeable period for which the new price formula has effect.

*Acceptance or rejection of new price formula*

- 7 (1) Subject to sub-paragraph (3) below, the Board shall accept a new price formula specified in a notice under paragraph 5(2) above if they are satisfied that the new formula provides for readily ascertainable market values which correspond, so far as practicable, with those which were intended to be provided for under the original price formula ; and if the Board are not so satisfied they shall reject such a new price formula.
- (2) Subject to sub-paragraph (3) below, sub-paragraphs (1) and (2) of paragraph 2 above and paragraph 3 above shall apply to determine whether the Board shall accept—
- (a) a new price formula contained in a notice under paragraph 6(1)(b) above which has been accepted by the Board under paragraph 6(3) above, or
  - (b) if the Board have given notice under paragraph 6(1)(b) above, a new price formula specified in a notice under paragraph 6(5)(b) above,
- as if the new price formula were specified in an election made at the time the notice under paragraph 6(1)(b) above was given.
- (3) The Board shall reject such a new price formula as is referred to in sub-paragraph (1) or sub-paragraph (2) above if, after receiving notice in writing from the Board, the party or, as the case may be, either of the parties to the election—

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

- (a) fails to furnish to the Board, before the appropriate date, any information which the Board may reasonably require for the purpose of determining whether the new formula should be accepted in accordance with sub-paragraph (1) or, as the case may be, sub-paragraph (2) above, or
- (b) fails to make available for inspection, before the appropriate date, by an officer authorised by the Board any books, accounts or documents in his possession or power which contain information relevant for that purpose.
- (4) Sub-paragraph (4) of paragraph 2 above applies in relation to sub-paragraph (3) above as it applies in relation to sub-paragraph (3) of that paragraph.
- (5) Notice of the acceptance or rejection of a new price formula—
- (a) specified in a notice under paragraph 5(2) or paragraph 6(5)(b) above, or
- (b) contained in a notice under paragraph 6(1)(b) above which has been accepted by the Board by a notice under paragraph 6(3) above,
- shall be given to the party or, as the case may be, each of the parties to the election concerned before the expiry of the period of three months beginning on the relevant date (as defined in sub-paragraph (6) below), and if no notice of acceptance or rejection is in fact given as required by this sub-paragraph, the Board shall be deemed to have accepted the formula and to have given notice of their acceptance on the last day of that period.
- (6) In sub-paragraph (5) above “the relevant date” means—
- (a) if a notice has been given under sub-paragraph (3) above relating to the price formula in question, the date or, as the case may be, the last date which is the appropriate date, within the meaning of that sub-paragraph, in relation to such a notice; and
- (b) if no such notice has been given, then—
- (i) in relation to a new price formula falling within paragraph (a) of sub-paragraph (5) above, the date on which the notice referred to in that paragraph was received by the Board; and
- (ii) in relation to a new price formula falling within paragraph (b) of that sub-paragraph, the date of the notice from the Board under paragraph 6(3) above.
- 8 (1) Where the Board give notice to any person or persons—
- (a) under paragraph 4 above, rejecting an election; or
- (b) under paragraph 5 above, that the value of any ethane has ceased or is ceasing to be readily ascertainable; or
- (c) under paragraph 6(1)(b) above, that a price formula is no longer realistic; or
- (d) under paragraph 6(3) above, rejecting a notice given under paragraph 6(1)(b) above; or
- (e) under paragraph 7(5) above, rejecting a new price formula;
- that person or, as the case may be, those persons acting jointly may appeal to the Special Commissioners against the notice.
- (2) An appeal under sub-paragraph (1) above shall be made by notice in writing given to the Board within thirty days after the date of the notice in respect of which the appeal is brought.
- (3) Where at any time after the giving of notice of appeal under this paragraph and before the determination of the appeal by the Commissioners, the Board and the appellant

*Status: Point in time view as at 15/11/2001.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 1982. (See end of Document for details)*

agree that the notice in respect of which the appeal is brought should be accepted or withdrawn or varied, the same consequences shall ensue as if the Commissioners had determined the appeal to that effect.

- (4) If, on the hearing of an appeal under this paragraph it appears to the majority of the Commissioners present at the hearing that the appeal should be allowed they shall allow the appeal and—
- (a) where the appeal is against a notice of rejection of an election or proposed new price formula, they shall substitute a notice of acceptance of the election or price formula without modification or with such modifications as they think fit;
  - (b) where the appeal is against a notice under paragraph 5 or paragraph 6(1)(b) above, they may direct that the price formula in question shall continue to have effect as if the notice had not been given; and
  - (c) where the appeal is against a notice under paragraph 6(3) above rejecting a notice under paragraph 6(1)(b) above, the Commissioners shall substitute a notice of acceptance.
- (5) Sub-paragraphs (2), (8) and (11) of paragraph 14 of Schedule 2 to the principal Act shall apply in relation to an appeal against any such notice as is referred to in sub-paragraph (1) above as they apply in relation to an appeal against any such notice as is referred to in sub-paragraph (1) above as they apply in relation to an appeal against an assessment or determination made under the principal Act, but with the substitution, for any reference to the participator, of a reference to the person or persons who gave notice of appeal under sub-paragraph (2) above.
- (6) Where notice of appeal is duly given against a notice given by the Board under paragraph 5 or paragraph 6(1)(b) above, the period of three months referred to in paragraph 5(2)(a) or, as the case may be, paragraph 6(5)(b) above shall not begin to run until the appeal is withdrawn or finally determined.
- (7) Any reference in section 134 of this Act or the preceding provisions of this Schedule to an election accepted by the Board shall be construed as including a reference to an election accepted in pursuance of an appeal under this paragraph.

#### *Returns*
