6 Further powers of the Education Committee.

- (1) A university or other body in the United Kingdom granting any primary United Kingdom qualification or any additional qualification for the time being registrable under section 16 below shall from time to time, when so required by the Education Committee, furnish the Committee with such information as the Committee may require as to—
 - (a) the courses of study and examinations to be gone through in order to obtain the qualification;
 - (b) the ages at which such courses of study and examinations are required to be gone through;
 - (c) the age at which the qualification is granted; and
 - (d) generally the requisites for obtaining the qualification.
- (2) For the purpose of securing the maintenance of the prescribed standard of proficiency the Education Committee may appoint such number of inspectors as they may determine, and the inspectors shall attend, as the Committee may direct, all or any of the qualifying examinations held by any university or other body specified in section 4(3) above.
- (3) Any person deputed for the purpose by the Education Committee may attend and be present at any examination held in the United Kingdom which has to be gone through in order to obtain a primary United Kingdom qualification or any additional qualification for the time being registrable under section 16 below.
- (4) Inspectors appointed under subsection (2) above shall not interfere with the conduct of any examination, but it shall be their duty to report to the Education Committee their opinion as to the sufficiency of every examination which they attend, and any other matters relating to such examinations which the Committee may require them to report.
- (5) The Education Committee shall forward a copy of every report of the inspectors to the body or each of the bodies who held the examination to which the report relates and shall also forward a copy of the report, together with any observations on it made by the said body or bodies, to the Privy Council.

7 Power to appoint visitors of medical schools.

- (1) The Education Committee may appoint persons to visit, subject to any directions which the Privy Council may deem it expedient to give and to compliance with any conditions specified in any such directions, places where instruction is given to medical students under the direction of any university or other body specified in section 4(3) above.
- (2) It shall be the duty of visitors appointed under subsection (1) above to report to the Education Committee as to the sufficiency of the instruction given in the places

which they visit and as to any other matters relating to the instruction which may be specified by the Committee either generally or in any particular case; but no visitor shall interfere with the giving of any instruction.

- (3) On the receipt of any report of a visitor under subsection (2) above the Education Committee shall send a copy of the report to the university or other body under whose direction the instruction is given, and on the receipt of the copy that body may, within such period of not less than one month as the Committee may have specified at the time they sent the copy of the report, make to the Committee observations on the report or objections to it.
- (4) As soon as may be after the expiration of the period specified under subsection (3) above the Education Committee shall send a copy of the report and of any observations on it or objections to it duly made, together with the Committee's comments on the report and on any such observations or objections, to the Privy Council.

8 Power to add further qualifying examinations.

- (1) If it appears to the Education Committee that the standard of proficiency required from candidates at examinations held or to be held by ^[F20]any university or combination of universities]^[F20]any university or other body, or any combination of bodies (including universities),] in the United Kingdom for the purpose of granting one or more primary United Kingdom qualifications does or will conform to the prescribed standard of proficiency, the Committee may represent to the Privy Council that it is expedient that those examinations should become qualifying examinations for the purposes of this Part of this Act.
- (2) Her Majesty may by Order in Council give effect to any representations made to the Privy Council under subsection (1) above, and any such Order may make such amendments in section 4(2) above as are necessary for giving effect to the Order.

- (4) If at any time it appears to the Education Committee that the standard of proficiency required from candidates at any qualifying examination does not conform to the prescribed standard of proficiency, the Committee shall make representations to that effect to the Privy Council.
- (5) Where representations are made under subsection (4) above the Privy Council, if they think fit, after considering the representations and any objections to them made by any university or other body to which they relate, may by order declare that the examinations held by that university or body shall be deemed not to be qualifying examinations for the purposes of this Part of this Act.
- (6) A qualification granted on the passing of an examination to which an order under subsection (5) above relates, and granted while the order is in force, shall not entitle the holder of the qualification to be registered under this Part of this Act.
- (7) An order under this section—
 - (a) if made under subsection (2) above, may be revoked by Her Majesty with the advice of the Privy Council if it is made to appear to Her Majesty, upon further representations from the Education Committee or otherwise, that the university or other body to which the order relates has made effectual provision, to the satisfaction of the Committee, for the improvement of the course of study or examinations to which the order relates or the mode of conducting those examinations;
 - (b) if made under subsection (5) above, may be revoked by Her Majesty with the advice of the Privy Council if upon further representation from the Education Committee or from any university or other body to which the order relates it seems to Her Majesty expedient so to do;

but the revocation of an order made under subsection (2) above shall not entitle any person to be registered by virtue of a qualification granted before the revocation.

10 Experience required for full registration by virtue of primary United Kingdom qualifications.

- [^{F21}(1) The following are the requirements as to experience mentioned in [^{F22}section 3(1)(a)] above.
- (2) A person must, after passing a qualifying examination, have been engaged for the prescribed period in employment in a resident medical capacity in one or more [^{F23}—
 - (a) approved hospitals,
 - (b) approved institutions, or
 - (c) approved medical practices,]
 and have obtained a certificate under this section.
 - (3) A person who has been employed as mentioned in subsection (2) above may apply to his examining body for a certificate under this section, and if that body are satisfied—
 - (a) that during the time he has been so employed he has been engaged in at least two branches of medicine prescribed for the purposes of this paragraph for the minimum period prescribed for each branch;
 - (b) that the combination of posts which he has held while so employed was such as to provide him with the experience required by a prescribed pattern of experience recognised by that body as applicable to persons for whom they are the examining body; and

 - (f) arrangements for a person with a disability not to be disadvantaged unfairly by the disability when participating in a programme for provisionally registered doctors.
- (3) The Privy Council may by order prescribe a minimum and a maximum period for the duration of a programme for provisionally registered doctors, and may prescribe different periods for different programmes.
- (4) Determinations of the Education Committee under subsection (2) above shall be published in such manner as they see fit.
- (5) Such determinations—
- (a) are binding on bodies concerned with programmes for provisionally registered doctors as regards the matters to which they relate; and
 - (b) accordingly, those bodies must act in accordance with them as regards the matters to which they relate.
- (6) The Privy Council—
- (a) except where acting in accordance with a proposal made by the Education Committee, shall consult the Education Committee before making, varying or revoking any order under subsection (3) above; and
 - (b) shall, when making, varying or revoking any order under subsection (3) above, act in a manner which is consistent with the requirements of article 23 of Directive [93/16/EEC](#).
- (7) For the purpose of—
- (a) determining whether any programme for provisionally registered doctors should for the time being be recognised; or
 - (b) making any determination in connection with a body mentioned in subsection (2),
- the Education Committee may appoint persons to consider programmes for provisionally registered doctors, to visit the bodies mentioned in subsection (2) and to report to the Education Committee on those programmes and those bodies.
- (8) If the Education Committee have formed the provisional opinion—
- (a) that a programme for provisionally registered doctors that has been recognised by them should no longer be recognised by them, they shall notify that opinion in writing to any body, mentioned in subsection (2), that is connected with that programme and shall allow that body a reasonable opportunity to respond before determining whether or not to end their recognition of that programme; or
 - (b) that a determination under subsection (2)(b) or (e)(i) should be revoked, they shall notify that opinion in writing to the body in respect of whom the determination was made and shall allow that body a reasonable opportunity to respond before determining whether or not to revoke that determination.]

- (d) subject to compliance with subsection (4) below, a qualification which is evidence of training commenced before 3rd October 1990 and undertaken on the territory of the former German Democratic Republic.
- [subject to compliance with subsection (4A) below, a qualification which—
- ^{F61}(e) (i) is evidence of training commenced before the date specified in column (a) of the table in that subsection and undertaken on the territory specified in the corresponding entry in column (b) of that table, or
- (ii) was awarded by the state or former state specified in column (b) of the table in that subsection before the date specified in the corresponding entry in column (a).]
- (2) For compliance with this subsection in the case of any qualification, either—
- (a) it must be such that the Registrar is satisfied with respect to it (by means of a certificate of the medical authorities of the EEA State in which it was obtained or otherwise) that it accords with the standards laid down by Directive [93/16/EEC](#); or
- (b) evidence of it must be accompanied by a certificate of the medical authorities of any EEA State that the holder has effectively and lawfully been engaged in actual medical practice for at least 3 consecutive years during the 5 years preceding the date of the certificate.
- (3) For compliance with this subsection in the case of any qualification, evidence of it must be accompanied by a certificate of the medical authorities of the EEA State in which it was obtained to the effect that—
- (a) it was awarded following training which satisfied the requirements of article 23 of Directive [93/16/EEC](#); and
- (b) it is treated by that State as if it were a qualification listed in relation to that State in [^{F62}Annex A to] that Directive.
- (4) For compliance with this subsection in the case of any qualification—
- (a) it must be such that the Registrar is satisfied with respect to it (by means of a certificate of the German medical authorities or otherwise) that the holder is entitled by virtue of it to engage in medical practice throughout the territory of Germany on the same conditions as the holder of a German qualification listed in Schedule 2 to this Act; and
- (b) evidence of it must be accompanied by a certificate of the German medical authorities that the holder has effectively and lawfully been engaged in actual medical practice in Germany for at least 3 consecutive years during the 5 years preceding the date of the certificate.
- [For compliance with this subsection in the case of any qualification—
- ^{F63}(4A) (a) it must be such that the Registrar is satisfied with respect to it (by means of a certificate from the medical authorities of the EEA State specified in the appropriate row of column (c) of the table below) that that qualification has, on its territory, the same legal validity as regards access to and practice of the medical profession as the qualification listed in relation to that State in Schedule 2 to this Act; and
- (b) evidence of it must be accompanied by a certificate from those authorities stating that the holder has effectively and lawfully been engaged in the activity in question on the territory of that State for at least 3 consecutive years during the 5 years preceding the date of issue of that certificate.
