Supervision of dental education

11 Remedy where qualifying courses of study or examinations are inadequate.

- (1) Where it appears to the Council that the course of study or the examinations to qualify for a degree or licence in dentistry granted by a dental authority is or are not such as to secure the possession by the graduates or licentiates of the requisite knowledge and skill for the efficient practice of dentistry, the Council may make a representation to that effect to the Privy Council; and on any such representation the Privy Council may, if they think fit, order that any degree or licence in dentistry granted by the dental authority after a time specified in the order shall not confer any right to be registered under this Act.
- (2) The powers conferred by subsection (1) above upon the Council to make representations and upon the Privy Council to make orders may be exercised in respect of a specifically described degree or licence in dentistry granted by a dental authority.
- (3) If an order is made under this section in respect of any degree or licence in dentistry granted by a dental authority, no person shall be entitled to be registered under this Act in respect of any such degree or licence granted after the time mentioned in the order.
- (4) The Privy Council may, if it appears to them on a further representation from the Council or otherwise that the dental authority in question has made effectual provision to the satisfaction of the Council for the improvement of the course of study or examinations, revoke an order made under this section, but the revocation shall not entitle a person to be registered in respect of a degree or licence in dentistry granted before the revocation.
