 - (i) that acquisition were made in accordance with the arrangements, and
 - (ii) the shares in the acquiring company issued as consideration for the acquisition of the share capital of company A were ignored for the purposes of those paragraphs;

and in section 77(3)(e) to (h) and (3A) as they apply by virtue of this subsection, references to the target company are to be read as references to company B.

- (5) Where—
- (a) arrangements within any paragraph of subsection (3) are part of a wider scheme or arrangement, and
 - (b) that scheme or arrangement includes other arrangements which—
 - (i) fall within subsection (2), and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1986, Cross Heading: Reconstructions and acquisitions. (See end of Document for details)

those other arrangements are disqualifying arrangements despite anything in subsection (3).

[The Treasury may by regulations amend subsection (2) or (2A) so as to alter the ^{F22}(5A) percentage or length of the period for the time being specified there.

(5B) The power to make regulations under subsection (5A) is exercisable by statutory instrument subject to annulment in pursuance of a resolution of the House of Commons.]
