The value

- 10 (1) For the purposes of this Schedule, the value of an interest at the relevant time is the amount which, at that time, would be realised by a disposal of the interest on the open market by a willing seller to a person other than the purchasing authority on the following assumptions—

 - (d) that (subject to the preceding paragraphs) the seller is selling with and subject to the rights and burdens with and subject to which the disposal is to be made.
- (2) Where the value of an interest falls to be considered at a time later than the relevant time and there has been since the relevant time a material change in the circumstances affecting the value of the interest, the value at the relevant time shall be determined on the further assumption that the change had occurred before the relevant time.
- (3) In determining the value of an interest no account shall be taken of any right to the grant of a tenancy under section 282 (former owner-occupier) or section 283 (former statutory tenant).

Determination of value

- 11 (1) Any question arising under this Schedule as to the value of an interest in a defective dwelling shall be determined by the district valuer in accordance with this paragraph.

- (a) within the period beginning with the service on the person entitled to assistance of an offer to purchase under paragraph 3 (authority’s notice of proposed terms of acquisition) and ending with the conclusion of missives; or
 - (b) after the end of that period but before the parties enter into an agreement for the acquisition of the interest of the person so entitled, if there is a material change in the circumstances affecting the value of the interest.
- (3) A person serving notice on the district valuer under this paragraph shall serve notice in writing of that fact on the other party.
- (4) Before making a determination in pursuance of this paragraph, the district valuer shall consider any representation made to him, within four weeks of the service of the notice under this paragraph, by the person entitled to assistance or the purchasing authority.

Certain grant conditions cease to have effect
