

Income and Corporation Taxes Act 1988

1988 CHAPTER 1

PART XIV

PENSION SCHEMES, SOCIAL SECURITY BENEFITS, LIFE ANNUITIES ETC.

CHAPTER I

RETIREMENT BENEFIT SCHEMES

Approval of schemes

590 Conditions for approval of retirement benefit schemes

- (1) Subject to section 591, the Board shall not approve any retirement benefits scheme for the purposes of this Chapter unless the scheme satisfies all of the conditions set out in subsection (2) below.
- (2) The conditions are—
 - (a) that the scheme is bona fide established for the sole purpose of providing relevant benefits in respect of service as an employee, being benefits payable to, or to the widow, children or dependants or personal representatives of, the employee;
 - (b) that the scheme is recognised by the employer and employees to whom it relates, and that every employee who is, or has a right to be, a member of the scheme has been given written particulars of all essential features of the scheme which concern him;
 - (c) that there is a person resident in the United Kingdom who will be responsible for the discharge of all duties imposed on the administrator of the scheme under this Chapter;
 - (d) that the employer is a contributor to the scheme;
 - (e) that the scheme is established in connection with some trade or undertaking carried on in the United Kingdom by a person resident in the United Kingdom;

Status: This is the original version (as it was originally enacted).

- (f) that in no circumstances, whether during the subsistence of the scheme or later, can any amount be paid by way of repayment of an employee's contributions under the scheme.
- (3) Subject to subsection (1) above, the Board shall approve a retirement benefits scheme for the purposes of this Chapter if the scheme satisfies all the conditions of this subsection, that is to say—
- (a) that any benefit for an employee is a pension on retirement at a specified age not earlier than 60 or, if the employee is a woman, 55, and not later than 70, which does not exceed one-sixtieth of the employee's final remuneration for each year of service up to a maximum of 40;
 - (b) that any benefit for any widow of an employee is a pension payable on his death after retirement such that the amount payable to the widow by way of pension does not exceed two-thirds of any pension or pensions payable to the employee;
 - (c) that no other benefits are payable under the scheme;
 - (d) that no pension is capable in whole or in part of surrender, commutation or assignment, except in so far as the scheme allows an employee on retirement to obtain, by commutation of his pension, a lump sum or sums not exceeding in all three-eighths of his final remuneration (disregarding any excess of that remuneration over the permitted maximum) for each year of service up to a maximum of 40.
- In paragraph (d) above "the permitted maximum" means £100,000 or such other sum as may for the time being be specified in an order made by the Treasury.
- (4) The conditions set out in subsections (2) and (3) above are in this Chapter referred to as "the prescribed conditions".
 - (5) If in the opinion of the Board the facts concerning any scheme or its administration cease to warrant the continuance of their approval of the scheme, they may at any time by notice to the administrator withdraw their approval on such grounds, and from such date (which shall not be earlier than the date when those facts first ceased to warrant the continuance of their approval or 17th March 1987, whichever is the later), as may be specified in the notice.
 - (6) Where an alteration has been made in a retirement benefits scheme, no approval given as regards the scheme before the alteration shall apply after the date of the alteration unless the alteration has been approved by the Board.
 - (7) For the purpose of determining whether a retirement benefits scheme, so far as it relates to a particular class or description of employees, satisfies or continues to satisfy the prescribed conditions—
 - (a) that scheme shall be considered in conjunction with any other retirement benefits scheme or schemes relating to employees of that class or description, and
 - (b) if those conditions are satisfied in the case of both or all of those schemes taken together, they shall be taken to be satisfied in the case of each of them, but otherwise those conditions shall be taken to be satisfied in the case of none of them.

591 Discretionary approval

- (1) The Board may, if they think fit having regard to the facts of a particular case, and subject to such conditions, if any, as they think proper to attach to the approval, approve a retirement benefits scheme for the purposes of this Chapter notwithstanding that it does not satisfy one or more of the prescribed conditions; but this subsection has effect subject to subsection (5) below.
- (2) The Board may in particular approve by virtue of this section a scheme—
 - (a) which exceeds the limits imposed by the prescribed conditions as respects benefits for less than 40 years; or
 - (b) which provides pensions for the widows of employees on death in service, or for the children or dependants of employees; or
 - (c) which provides on death in service a lump sum of up to four times the employee's final remuneration (exclusive of any refunds of contributions); or
 - (d) which allows benefits to be payable on retirement within ten years of the specified age, or on earlier incapacity; or
 - (e) which provides for the return in certain contingencies of employees' contributions; or
 - (f) which relates to a trade or undertaking carried on only partly in the United Kingdom and by a person not resident in the United Kingdom; or
 - (g) which provides in certain contingencies for securing relevant benefits (but no other benefits) by means of an annuity contract approved by the Board and made with an insurance company of the employee's choice; or
 - (h) to which the employer is not a contributor and which provides benefits additional to those provided by a scheme to which he is a contributor.
- (3) In subsection (2)(g) above "insurance company" means a company to which Part II of the Insurance Companies Act 1982 applies.
- (4) In applying this section to a scheme which was in existence on 6th April 1980, the Board shall exercise their discretion, in such cases as appear to them to be appropriate, so as to preserve—
 - (a) benefits earned or rights arising out of service before 6th April 1980; and
 - (b) any rights to death-in-service benefits conferred by rules of the scheme in force on 26th February 1970.
- (5) The Board shall not approve a scheme by virtue of this section if to do so would be inconsistent with regulations made for the purposes of this section.
- (6) Regulations made for the purposes of this section may restrict the Board's discretion to approve a scheme by reference to the benefits provided by the scheme, the investments held for the purposes of the scheme, the manner in which the scheme is administered or any other circumstances whatever.

Tax reliefs

592 Exempt approved schemes

- (1) This section has effect as respects—
 - (a) any approved scheme which is shown to the satisfaction of the Board to be established under irrevocable trusts; or

Status: This is the original version (as it was originally enacted).

- (b) any other approved scheme as respects which the Board, having regard to any special circumstances, direct that this section shall apply;
 and any scheme which is for the time being within paragraph (a) or (b) above is in this Chapter referred to as an “exempt approved scheme”.
- (2) Exemption from income tax shall, on a claim being made in that behalf, be allowed in respect of income derived from investments or deposits if, or to such extent as the Board are satisfied that, it is income from investments or deposits held for the purposes of the scheme.
- (3) Exemption from income tax shall, on a claim being made in that behalf, be allowed in respect of underwriting commissions if, or to such extent as the Board are satisfied that, the underwriting commissions are applied for the purposes of the schemes and would, but for this subsection, be chargeable to tax under Case VI of Schedule D.
- (4) Any sum paid by an employer by way of contribution under the scheme shall, for the purposes of Case I or II of Schedule D and of sections 75 and 76, be allowed to be deducted as an expense, or expense of management, incurred in the chargeable period in which the sum is paid.
- (5) The amount of an employer’s contributions which may be deducted under subsection (4) above shall not exceed the amount contributed by him under the scheme in respect of employees in a trade or undertaking in respect of the profits of which the employer is assessable to tax (that is to say, to United Kingdom income tax or corporation tax).
- (6) A sum not paid by way of ordinary annual contribution shall for the purposes of subsection (4) above be treated, as the Board may direct, either as an expense incurred in the chargeable period in which the sum is paid, or as an expense to be spread over such period of years as the Board think proper.
- (7) Any contribution paid under the scheme by an employee shall, in assessing tax under Schedule E, be allowed to be deducted as an expense incurred in the year of assessment in which the contribution is paid.
- (8) The amount allowed to be deducted by virtue of subsection (7) above in respect of contributions paid by an employee in a year of assessment (whether under a single scheme or under two or more schemes) shall not exceed 15 per cent., or such higher percentage as the Board may in a particular case prescribe, of his remuneration for that year.
- (9) Relief shall not be given under section 266 or 273 in respect of any payment in respect of which an allowance can be made under subsection (7) above.
- (10) Subsection (2) of section 468 and subsection (3) of section 469 shall not apply to any authorised unit trust which is also an exempt approved scheme if the employer is not a contributor to the exempt approved scheme and that scheme provides benefits additional to those provided by another exempt approved scheme to which he is a contributor.
- (11) Nothing in this section shall be construed as affording relief in respect of any sums to be brought into account under section 438.
- (12) This section has effect only as respects income arising or contributions paid at a time when the scheme is an exempt approved scheme.

Status: This is the original version (as it was originally enacted).

593 Relief by way of deductions from contributions

- (1) Relief under section 592(7) shall be given in accordance with subsections (2) and (3) below in such cases and subject to such conditions as the Board may prescribe by regulations under section 612(3) in respect of schemes—
 - (a) to which employees, but not their employers, are contributors; and
 - (b) which provide benefits additional to benefits provided by schemes to which their employers are contributors.
- (2) An employee who is entitled to relief under section 592(7) in respect of a contribution may deduct from the contribution when he pays it, and may retain, an amount equal to income tax at the basic rate on the contribution.
- (3) The administrator of the scheme—
 - (a) shall accept the amount paid after the deduction in discharge of the employee's liability to the same extent as if the deduction had not been made; and
 - (b) may recover an amount equal to the deduction from the Board.
- (4) Regulations under subsection (3) of section 612 may, without prejudice to the generality of that subsection—
 - (a) provide for the manner in which claims for the recovery of a sum under subsection (3)(b) above may be made;
 - (b) provide for the giving of such information, in such form, as may be prescribed by or under the regulations;
 - (c) provide for the inspection by persons authorised by the Board of books, documents and other records.

594 Exempt statutory schemes

- (1) Any contribution paid by any officer or employee under a statutory scheme established under a public general Act shall, in assessing tax under Schedule E, be allowed to be deducted as an expense incurred in the year of assessment in which the contribution is paid; and relief shall not be given under section 266 or 273 in respect of any contribution allowable as a deduction under this section.
- (2) The amount allowed to be deducted by virtue of subsection (1) above in respect of contributions paid by a person in a year of assessment (whether under a single scheme or under two or more schemes) shall not exceed 15 per cent., or such higher percentage as the Board may in a particular case prescribe, of his remuneration for that year.

Charge to tax in certain cases

595 Charge to tax in respect of certain sums paid by employer etc

- (1) Subject to the provisions of this Chapter, where, pursuant to a retirement benefits scheme, the employer in any year of assessment pays a sum with a view to the provision of any relevant benefits for any employee of that employer, then (whether or not the accrual of the benefits is dependent on any contingency)—
 - (a) the sum paid, if not otherwise chargeable to income tax as income of the employee, shall be deemed for all purposes of the Income Tax Acts to be income of that employee for that year of assessment and assessable to tax under Schedule E; and

- (b) where the payment is made under such an insurance or contract as is mentioned in section 266, relief, if not otherwise allowable, shall be given to that employee under that section in respect of the payment to the extent, if any, to which such relief would have been allowable to him if the payment had been made by him and the insurance or contract under which the payment is made had been made with him.
- (2) Subject to the provisions of this Chapter, where—
- (a) the circumstances in which any relevant benefits under a retirement benefits scheme are to accrue are not such as will render the benefits assessable to income tax under Schedule E as emoluments of the employee in respect of whom the benefits are paid, and
 - (b) the provision of those benefits is not, or is not fully, secured by the payment of sums by the employer with a view to the provision of those benefits,
- then (whether or not the accrual of the benefits is dependent on any contingency) an amount equal to the cost, estimated in accordance with subsection (3) below, of securing the provision by a third person of the benefits or, as the case may be, of the benefits so far as not already secured by the payment of such sums as are mentioned in subsection (1) above, shall be deemed for all purposes of the Income Tax Acts to be income of the employee for the year or years of assessment specified in subsection (3) below and assessable to income tax under Schedule E.
- (3) The cost referred to in subsection (2) above shall be estimated either—
- (a) as an annual sum payable in each year of assessment in which the scheme in question is in force or the employee is serving, up to and including the year of assessment in which the benefits accrue or there ceases to be any possibility of the accrual thereof, or
 - (b) as a single sum payable in the year of assessment in which falls the date when the employee acquired the right to the relevant benefits, or the date when he acquired the right to any increase in the relevant benefits;
- as may be more appropriate in the circumstances of the case.
- (4) Where the employer pays any sum as mentioned in subsection (1) above in relation to more than one employee, the sum so paid shall, for the purpose of that subsection, be apportioned among those employees by reference to the separate sums which would have had to be paid to secure the separate benefits to be provided for them respectively, and the part of the sum apportioned to each of them shall be deemed for that purpose to have been paid separately in relation to that one of them.
- (5) Any reference in this section to the provision for an employee of relevant benefits includes a reference to the provision of benefits payable to that employee's wife or widow, children, dependants or personal representatives.

596 Exceptions from section 595

- (1) Neither subsection (1) nor subsection (2) of section 595 shall apply where the retirement benefits scheme in question is—
- (a) an approved scheme, or
 - (b) a statutory scheme, or
 - (c) a scheme set up by a government outside the United Kingdom for the benefit, or primarily for the benefit of, its employees.

- (2) Neither subsection (1) nor subsection (2) of section 595 shall apply for any year of assessment—
- (a) where the employee performs the duties of his employment in such circumstances that no tax is chargeable under Case I or II of Schedule E in respect of the emoluments of his employment (or would be so chargeable were there such emoluments), or
 - (b) where the emoluments from the employment are foreign emoluments within the meaning of section 192 and the Board are satisfied, on a claim made by the employee, that the retirement benefits scheme in question corresponds to such a scheme as is mentioned in paragraph (a), (b) or (c) of subsection (1) above.
- (3) Where, in respect of the provision for an employee of any relevant benefits—
- (a) a sum has been deemed to be income of his by virtue either of subsection (1) or subsection (2) of section 595, and
 - (b) subsequently, the employee proves to the satisfaction of the Board that—
 - (i) no payment in respect of, or in substitution for, the benefits has been made, and
 - (ii) some event has occurred by reason of which no such payment will be made,
 and makes application for relief under this subsection within six years from the time when that event occurred,
- the Board shall give relief in respect of tax on that sum by repayment or otherwise as may be appropriate; and if the employee satisfies the Board as mentioned above in relation to some particular part, but not the whole, of the benefits, the Board may give such relief as may seem to them just and reasonable.

597 Charge to tax: pensions

- (1) Subject to subsection (2) below, all pensions paid under any scheme which is approved or is being considered for approval under this Chapter shall be charged to tax under Schedule E, and section 203 shall apply accordingly.
- (2) As respects any scheme which is approved or is being considered for approval under this Chapter, the Board may direct that, until such date as the Board may specify, pensions under the scheme shall be charged to tax as annual payments under Case III of Schedule D, and tax shall be deductible under sections 348 and 349 accordingly.

598 Charge to tax: repayment of employee's contributions

- (1) Subject to the provisions of this section, tax shall be charged under this section on any repayment to an employee during his lifetime of any contributions (including interest on contributions, if any) if the payment is made under—
 - (a) a scheme which is or has at any time been an exempt approved scheme, or
 - (b) a statutory scheme established under a public general Act.
- (2) Where any payment is chargeable to tax under this section, the administrator of the scheme shall be charged to income tax under Case VI of Schedule D and, subject to subsection (3) below, the rate of tax shall be 10 per cent.
- (3) The Treasury may by order from time to time increase or decrease the rate of tax under subsection (2) above.

- (4) The tax shall be charged on the amount paid or, if the rules permit the administrator to deduct the tax before payment, on the amount before deduction of tax, and the amount so charged to tax shall not be treated as income for any other purpose of the Tax Acts.
- (5) Subsection (1)(a) above shall not apply in relation to a contribution made after the scheme ceases to be an exempt approved scheme (unless it again becomes an exempt approved scheme).
- (6) This section shall not apply where the employee's employment was carried on outside the United Kingdom.
- (7) In relation to a statutory scheme, "employee" in this section includes any officer.

599 Charge to tax: commutation of entire pension in special circumstances

- (1) Where a scheme to which this section applies contains a rule allowing, in special circumstances, a payment in commutation of an employee's entire pension, and any pension is commuted, whether wholly or not, under the rule, tax shall be charged on the amount by which the sum receivable exceeds—
 - (a) the largest sum which would have been receivable in commutation of any part of the pension if the scheme had secured that the aggregate value of the relevant benefits payable to an employee on or after retirement, excluding any pension which was not commutable, could not exceed three-eighths of his final remuneration (disregarding any excess of that remuneration over the permitted maximum) for each year of service up to a maximum of 40; or
 - (b) the largest sum which would have been receivable in commutation of any part of the pension under any rule of the scheme authorising the commutation of part (but not the whole) of the pension, or which would have been so receivable but for those special circumstances;
 whichever gives the lesser amount chargeable to tax.
- (2) This section applies to—
 - (a) a scheme which is or has at any time been an approved scheme, or
 - (b) a statutory scheme established under a public general Act.
- (3) Where any amount is chargeable to tax under this section the administrator of the scheme shall be charged to income tax under Case VI of Schedule D on that amount, and section 598(2), (3) and (4) shall apply as they apply to tax chargeable under that section.
- (4) This section shall not apply where the employee's employment was carried on outside the United Kingdom.
- (5) In relation to a statutory scheme, "employee" in this section includes any officer.
- (6) In applying paragraph (a) or (b) of subsection (1) above—
 - (a) the same considerations shall be taken into account, including the provisions of any other relevant scheme, as would have been taken into account by the Board in applying section 590; and
 - (b) where the scheme has ceased to be an approved scheme, account shall only be taken of the rules in force when the scheme was last an approved scheme.
- (7) Where the pension has been secured by means of an annuity contract with an insurance company and the sum receivable is payable under that contract by the insurance

company, the references to the administrator of the scheme in subsection (3) above and in section 598(2) and (4) as applied by that subsection are to be read as references to the insurance company.

- (8) In subsection (7) above “insurance company” means—
- (a) a person authorised under section 3 or 4 of the Insurance Companies Act 1982 to carry on long term business and acting through a branch or agency in the United Kingdom; or
 - (b) a society registered as a friendly society under the Friendly Societies Act 1974 or the Friendly Societies Act (Northern Ireland) 1970.
- (9) In relation to payments made under schemes approved or established before 17th March 1987 to employees who became members before that date, subsection (1)(a) above shall have effect with the omission of the words “(disregarding any excess of that remuneration over the permitted maximum)”.

600 Charge to tax: unauthorised payments to or for employees

- (1) This section applies to any payment to or for the benefit of an employee, otherwise than in course of payment of a pension, being a payment made out of funds which are or have been held for the purposes of a scheme which is or has at any time been approved for the purposes of—
- (a) this Chapter;
 - (b) Chapter II of Part II of the Finance Act 1970; or
 - (c) section 208 or Chapter II of Part IX of the 1970 Act.
- (2) If the payment—
- (a) is not expressly authorised by the rules of the scheme, or
 - (b) is made at a time when the scheme is not approved for the purposes of any of the enactments mentioned in subsection (1) above, and would not have been expressly authorised by the rules of the scheme when it was last so approved,
- the employee (whether or not he is the recipient of the payment) shall be chargeable to tax on the amount of the payment under Schedule E for the year of assessment in which the payment is made.
- (3) Any payment chargeable to tax under this section shall not be chargeable to tax under section 598 or 599 or under the Regulations mentioned in paragraph 8 of Schedule 3 to the Finance Act 1971.
- (4) References in this section to any payment include references to any transfer of assets or other transfer of money’s worth.

601 Charge to tax: payments to employers

- (1) Subsection (2) below applies where a payment is made to an employer out of funds which are or have been held for the purposes of a scheme which is or has at any time been an exempt approved scheme and whether or not the payment is made in pursuance of Schedule 22.
- (2) An amount equal to 40 per cent. of the payment shall be recoverable by the Board from the employer.
- (3) Subsection (2) above does not apply to any payment—

Status: This is the original version (as it was originally enacted).

- (a) to the extent that, if this section had not been enacted, the employer would have been exempt, or entitled to claim exemption, from income tax or corporation tax in respect of the payment; or
 - (b) made before the scheme became an exempt approved scheme; or
 - (c) of any prescribed description; or
 - (d) made in pursuance of the winding-up of the scheme where the winding-up commenced on or before 18th March 1986; or
 - (e) made in pursuance of an application which —
 - (i) was made to the Board on or before that date and was not withdrawn before the making of the payment, and
 - (ii) sought the Board's assurance that the payment would not lead to a withdrawal of approval under section 19(3) of the Finance Act 1970;
- (4) Subsection (2) above does not apply where the employer is a charity (within the meaning of section 506).
- (5) Where any payment is made or becomes due to an employer out of funds which are or have been held for the purposes of a scheme which is or has at any time been an exempt approved scheme then—
- (a) if the scheme relates to a trade, profession or vocation carried on by the employer, the payment shall be treated for the purposes of the Tax Acts as a receipt of that trade, profession or vocation receivable when the payment falls due or on the last day on which the trade, profession or vocation is carried on by the employer, whichever is the earlier;
 - (b) if the scheme does not relate to such a trade, profession or vocation, the employer shall be charged to tax on the amount of the payment under Case VI of Schedule D.
- This subsection shall not apply to a payment which fell due before the scheme became an exempt approved scheme or to a payment to which subsection (2) above applies or would apply but for subsection (3)(a) or (4) above.
- (6) In this section—
- (a) references to any payment include references to any transfer of assets or other transfer of money's worth; and
 - (b) "prescribed" means prescribed by regulations made by the Treasury.

602 Regulations relating to pension fund surpluses

- (1) In relation to an amount recoverable as mentioned in section 601(2), the Treasury may by regulations make any of the provisions mentioned in subsection (2) below; and for this purpose the amount shall be treated as if it were—
- (a) an amount of income tax chargeable on the employer under Case VI of Schedule D for the year of assessment in which the payment is made; or
 - (b) where the employer is a company, an amount of corporation tax chargeable on the company for the accounting period in which the payment is made.
- (2) The provisions are—
- (a) provision requiring the administrator of the scheme or the employer (or both) to furnish to the Board, in respect of the amount recoverable and of the payment concerned, information of a prescribed kind;

- (b) provision enabling the Board to serve a notice or notices requiring the administrator or employer (or both) to furnish to the Board, in respect of the amount and payment, particulars of a prescribed kind;
 - (c) provision requiring the administrator to deduct out of the payment the amount recoverable and to account to the Board for it;
 - (d) provision as to circumstances in which the employer may be assessed in respect of the amount recoverable;
 - (e) provision that, in a case where the employer has been assessed in respect of an amount recoverable but has not paid it (or part of it) within a prescribed period, the administrator may be assessed and charged (in the employer's name) in respect of the amount (or part unpaid);
 - (f) provision that, in a case where the amount recoverable (or part of it) has been recovered from the administrator by virtue of an assessment in the employer's name, the administrator is entitled to recover from the employer a sum equal to the amount (or part);
 - (g) provision enabling the employer or administrator (as the case may be) to appeal against an assessment made on him in respect of the amount recoverable;
 - (h) provision as to when any sum in respect of the amount recoverable is payable to the Board by the administrator or employer and provision requiring interest to be paid on any sum so payable;
 - (j) provision that an amount paid to the Board by the administrator shall be treated as paid on account of the employer's liability under section 601(2).
- (3) For the purpose of giving effect to any provision mentioned in subsection (2)(c) to (j) above, regulations under this section may include provision applying (with or without modifications) provisions of the enactments relating to income tax and corporation tax.
- (4) Subject to any provision of regulations under this section—
- (a) a payment to which section 601(2) applies shall not be treated as a profit or gain brought into charge to income tax or corporation tax and shall not be treated as part of the employer's income for any purpose of this Act; and
 - (b) the amount recoverable shall not be subject to any exemption or reduction (by way of relief, set-off or otherwise) or be available for set-off against other tax.
- (5) If the employer is a company and a payment to which section 601(1) and (2) applies is made at a time not otherwise within an accounting period of the company, an accounting period of the company shall for the purposes of subsection (1)(b) above be treated as beginning immediately before the payment is made.

603 Reduction of surpluses

Schedule 22 (which provides for the reduction of certain pension fund surpluses) shall have effect.

Supplementary provisions

- (1) An application for the approval for the purposes of this Chapter of any retirement benefits scheme shall be made in writing by the administrator of the scheme to the

- (a) furnish to the inspector a return containing such particulars of contributions paid under the scheme as the notice may require;
 - (b) prepare and deliver to the inspector a return containing particulars of all payments under the scheme, being —

 - (iii) other payments made to an employer;
 - (c) furnish to the inspector a copy of the accounts of the scheme up to the last date previous to the notice to which such accounts have been made up together with such other information and particulars (including copies of any actuarial report or advice given to the administrator or employer in connection with the conduct of the scheme during the period to which the accounts relate) as the inspector considers relevant.
- (2) Where benefits provided for an employee under an approved scheme or a statutory scheme have been secured by means of an annuity contract with an insurance company (within the meaning given by section 599(8)), the insurance company shall, within 30 days from the date of a notice from the inspector requiring it to do so, prepare and deliver to the inspector a return containing particulars of—
- (a) any payments under the contract by way of commutation of, or in lieu of, a pension, or any other lump sum payments under the contract; and

- (b) when required to do so by notice given by the Board, to furnish within the time limited by the notice such particulars as the Board may require with regard to—

 - (ii) the employees of his to whom any such scheme relates.
- (4) It shall be the duty of the administrator of a retirement benefits scheme which is neither an approved scheme nor a statutory scheme, when required to do so by notice given by the Board, to furnish within the time limited by the notice such particulars as the Board may require with regard to the scheme.

606 Responsibilities of administrator of scheme, and employer

- (1) If the administrator of a retirement benefits scheme defaults or cannot be traced or dies, the employer shall be responsible in his place for the discharge of all duties imposed on the administrator under this Chapter and shall be liable for any tax due from him in his capacity as administrator.

This subsection does not apply if the employer is not a contributor to the scheme.

- (2) No liability incurred under this Chapter by the administrator of a scheme, or by an employer, shall be affected by the termination of the scheme or by it ceasing to be an approved scheme, or to be an exempt approved scheme.

- (6) Where relief under this section is claimed and allowed for any year of assessment in respect of any payment, relief shall not be given in respect of it under any other provision of the Income Tax Acts for the same or a later year of assessment nor (in the case of a payment under an annuity contract) in respect of any other premium or consideration for an annuity under the same contract; and references in the Income Tax Acts to relief in respect of life assurance premiums shall not be taken to include relief under this section.
- (7) If any person, for the purpose of obtaining for himself or any other person any relief from or repayment of tax under this section, knowingly makes any false statement or false representation, he shall be liable to a penalty not exceeding £500.

 - (a) provide for the payment by that person during the life of the individual of any sum except sums payable by way of annuity to the individual; or
 - (b) provide for the annuity payable to the individual to commence before he attains the age of 60 or after he attains the age of 75; or

 - (c) if the individual's occupation is one in which persons customarily retire before attaining the age of 60, for the annuity to commence before he attains that age;
 - (d) for the annuity payable to any person to continue for a term certain (not exceeding ten years), notwithstanding his death within that term, or for the annuity payable to any person to terminate, or be suspended, on marriage (or re-marriage) or in other circumstances;

- (e) in the case of an annuity which is to continue for a term certain, for the annuity to be assignable by will, and in the event of any person dying entitled to it, for it to be assignable by his personal representatives in the distribution of the estate so as to give effect to a testamentary disposition, or to the rights of those entitled on intestacy, or to an appropriation of it to a legacy or to a share or interest in the estate.
- (5) Subject to section 621(5), section 619 and subsections (1) to (4) above shall apply in relation to a contribution under a trust scheme approved by the Board as they apply in relation to a premium under an annuity contract so approved, with the modification that, for the condition as to the person with whom the contract is made, there shall be substituted a condition that the scheme—
 - (a) is established under the law of any part of, and administered in, the United Kingdom; and
 - (b) is established for the benefit of individuals engaged in or connected with a particular occupation (or one or other of a group of occupations), and for the purpose of providing retirement annuities for them, with or without subsidiary benefits for their families or dependants; and
 - (c) is so established under irrevocable trusts by a body of persons comprising or representing a substantial proportion of the individuals so engaged in the United Kingdom, or of those so engaged in England, Wales, Scotland or Northern Ireland;and with the necessary adaptations of other references to the contract or the person with whom it is made.
- (6) Exemption from income tax shall be allowed in respect of income derived from investments or deposits of any fund maintained for the purpose mentioned in subsection (5)(b) above under a scheme for the time being approved under that subsection.
- (7) The Board may at any time, by notice given to the persons by and to whom premiums are payable under any contract for the time being approved under this section, or to the trustees or other persons having the management of any scheme so approved, withdraw that approval on such grounds and from such date as may be specified in the notice.
- (8) Nothing in sections 4 and 6 of the Policies of Assurance Act 1867 (obligations of assurance companies in respect of notices of assignment of policies of life assurance) shall be taken to apply to any contract approved under this section.
- (9) For the purposes of any provision applying this subsection “approved annuities” means—
 - (a) annuities under contracts approved by the Board under this section, being annuities payable wholly in return for premiums or other consideration paid by a person who (when the premiums or other consideration are or is payable) is, or would but for an insufficiency of profits or gains be, chargeable to tax in respect of relevant earnings from a trade, profession, vocation, office or employment carried on or held by him; and
 - (b) annuities or lump sums under approved personal pension arrangements within the meaning of Chapter IV of this Part.

621 Other approved contracts

- (1) The Board may approve under this section—
 - (a) a contract the main object of which is the provision of an annuity for the wife or husband of the individual, or for any one or more dependants of the individual,
 - (b) a contract the sole object of which is the provision of a lump sum on the death of the individual before he attains the age of 75.
- (2) The Board shall not approve the contract unless it appears to them that it is made by the individual with a person lawfully carrying on in the United Kingdom the business of granting annuities on human life.
- (3) The Board shall not approve a contract under subsection (1)(a) above unless it appears to them to satisfy all the following conditions, that is to say—
 - (a) that any annuity payable to the wife or husband or dependant of the individual commences on the death of the individual,
 - (b) that any annuity payable to the individual commences at a time after the individual attains the age of 60, and, unless the individual's annuity is one to commence on the death of a person to whom an annuity would be payable under the contract if that person survived the individual, cannot commence after the time when the individual attains the age of 75;
 - (c) that the contract does not provide for the payment by the person contracting with the individual of any sum, other than any annuity payable to the individual's wife or husband or dependant, or to the individual, except, in the event of no annuity becoming payable under the contract, any sums payable by way of return of premiums, by way of reasonable interest on premiums or by way of bonuses out of profits;
 - (d) that the contract does not provide for the payment of any annuity otherwise than for the life of the annuitant;
 - (e) that the contract does include provision securing that no annuity payable under it shall be capable in whole or in part of surrender, commutation or assignment.
- (4) The Board may, if they think fit, and subject to any conditions that they think proper to impose, approve a contract under subsection (1)(a) above notwithstanding that, in one or more respects, they are not satisfied that the contract complies with the provisions of paragraphs (a) to (e) of subsection (3) above.
- (5) The main purpose of a trust scheme, or part of a trust scheme, within section 620(5) may be to provide annuities for the wives, husbands and dependants of the individuals, or lump sums payable on death and in that case—
 - (a) approval of the trust scheme shall be subject to subsections (1) to (4) above with any necessary modifications, and not subject to section 620(2) to (4);
 - (b) the provisions of this Chapter shall apply to the scheme or part of the scheme when duly approved as they apply to a contract approved under this section; and
 - (c) section 620(6) shall apply to any duly approved trust scheme, or part of a trust scheme.
- (6) Except as otherwise provided in this Chapter (and in particular except in section 620), any reference in the Tax Acts to a contract or scheme approved under that section shall include a reference to a contract or scheme approved under this section.

622 Substituted retirement annuity contracts

- (1) The Board may, if they think fit, and subject to any conditions they think proper to impose, approve an annuity contract under section 620 notwithstanding that the contract provides that the individual by whom it is made—
 - (a) may agree with the person with whom it is made that a sum representing the value of the individual's accrued rights under it should be applied as the premium or other consideration either under another annuity contract made between them and approved by the Board under section 620, or under personal pension arrangements made between them and approved by the Board under Chapter IV of this Part; or
 - (b) may require the person with whom it is made to pay such a sum to such other person as the individual may specify, to be applied by that other person as the premium or other consideration either under an annuity contract made between the individual and him and approved by the Board under section 620, or under personal pension arrangements made between the individual and him and approved by the Board under Chapter IV of this Part.
- (2) References in subsection (1) above to the individual by whom the contract is made include references to any widow, widower or dependant having accrued rights under the contract.
- (3) Where in pursuance of any such provision as is mentioned in subsection (1) above of an annuity contract approved under section 620, or of a corresponding provision of a contract approved under section 621(1)(a), a sum representing the value of accrued rights under one contract ("the original contract") is paid by way of premium or other consideration under another contract ("the substituted contract"), any annuity payable under the substituted contract shall be treated as earned income of the annuitant to the same extent that an annuity payable under the original contract would have been so treated.

623 Relevant earnings

- (1) For the purposes of this Chapter, a married woman's relevant earnings shall not be treated as her husband's relevant earnings, notwithstanding that her income chargeable to tax is treated as his income.
- (2) Subject to subsection (1) above, "relevant earnings", in relation to any individual, means, for the purposes of this Chapter, any income of his chargeable to tax for the year of assessment in question, being either—
 - (a) income arising in respect of remuneration from an office or employment held by him other than a pensionable office or employment; or
 - (b) income from any property which is attached to or forms part of the emoluments of any such office or employment held by him; or
 - (c) income which is chargeable under Schedule B or Schedule D and is immediately derived by him from the carrying on or exercise by him of his trade, profession or vocation either as an individual or, in the case of a partnership, as a partner personally acting therein; or
 - (d) income treated as earned income by virtue of section 529;but does not include any remuneration as director of a company whose income consists wholly or mainly of investment income (construed in accordance with paragraph 7 of Schedule 19), being a company of which he is a controlling director.

Status: This is the original version (as it was originally enacted).

- (3) For the purposes of this Chapter, an office or employment is a pensionable office or employment if, and only if, service in it is service to which a sponsored superannuation scheme relates (not being a scheme under which the benefits provided in respect of that service are limited to a lump sum payable on the termination of the service through death or disability before the age of 75 or some lower age); but references to a pensionable office or employment apply whether or not the duties are performed wholly or partly in the United Kingdom or the holder is chargeable to tax in respect of it.
- (4) Service in an office or employment shall not for the purposes of subsection (3) above be treated as service to which a sponsored superannuation scheme relates by reason only of the fact that the holder of the office or employment might (though he does not) participate in the scheme by exercising or refraining from exercising an option open to him by virtue of that service.
- (5) For the purposes of relief under section 619, an individual's relevant earnings are those earnings before giving effect to any capital allowances, other than deductions allowable in computing profits or gains, but after taking into account the amounts on which charges fall to be made under any of the Capital Allowances Acts; and references to income in the following provisions of this section (other than references to total income) shall be construed similarly.
- (6) Subject to the following provisions of this section "net relevant earnings" means, in relation to an individual, the amount of his relevant earnings for the year of assessment in question, less the amount of any deductions falling to be made from the relevant earnings in computing for the purposes of income tax his total income for that year, being—
 - (a) deductions which but for section 74(m), (p) or (q) could be made in computing his profits or gains; or
 - (b) deductions in respect of relief under Schedule 9 of the Finance Act 1981 (stock relief); or
 - (c) deductions in respect of losses or capital allowances arising from activities profits or gains of which would be included in computing relevant earnings of the individual or of the individual's wife or husband.
- (7) Where in any year of assessment for which an individual claims and is allowed relief under section 619—
 - (a) there falls to be made in computing the total income of the individual or that of his wife or her husband a deduction in respect of any such loss or allowance of the individual as is mentioned in subsection (6)(c) above; and
 - (b) the deduction or part of it falls to be so made from income other than relevant earnings,
the amount of the deduction made from that other income shall be treated as reducing the individual's net relevant earnings for subsequent years of assessment (being deducted as far as may be from those of the immediately following year, whether or not he claims or is entitled to claim relief under this section for that year, and so far as it cannot be so deducted, then from those of the next year, and so on).
- (8) An individual's net relevant earnings for any year of assessment are to be computed without regard to any relief which falls to be given for that year under section 619 either to that individual or to that individual's wife or husband.

- (9) An individual's relevant earnings, in the case of partnership profits, shall be taken to be his share of the partnership income, estimated in accordance with the Income Tax Acts, but the amount to be included in respect of those earnings in arriving at his net relevant earnings shall be his share of that income after making therefrom all such deductions (if any) in respect of payments made by the partnership or of relief given to the partnership under Schedule 9 of the Finance Act 1981 (stock relief) or in respect of capital allowances falling to be made to the partnership as would be made in computing the tax payable in respect of that income.

624 Sponsored superannuation schemes and controlling directors

- (1) In section 623 “a sponsored superannuation scheme” means a scheme or arrangement—

- (a) relating to service in particular offices or employments, and
- (b) having for its object or one of its objects to make provision in respect of persons serving in those offices or employments against future retirement or partial retirement, against future termination of service through death or disability, or against similar matters,

being a scheme or arrangement under which any part of the cost of the provision so made is or has been borne otherwise than by those persons by reason of their service (whether it is the cost or part of the cost of the benefits provided, or of paying premiums or other sums in order to provide those benefits, or of administering or instituting the scheme or arrangement).

- (2) For the purposes of subsection (1) above a person shall be treated as bearing by reason of his service the cost of any payment made or agreed to be made in respect of his service, if that payment or the agreement to make it is treated under the Income Tax Acts as increasing his income, or would be so treated if he were chargeable to tax under Case I of Schedule E in respect of his emoluments from that service.

- (3) In section 623 “controlling director” means a director of a company, the directors of which have a controlling interest in the company, who is the beneficial owner of, or able either directly or through the medium of other companies or by any other indirect means to control, more than 5 per cent. of the ordinary share capital of the company; and for the purposes of this definition—

“company” means one within the Companies Act 1985 or the Companies (Northern Ireland) Order 1986; and

“director” means—

- (a) in relation to a body corporate the affairs of which are managed by a board of directors or similar body, a member of that board or similar body;
- (b) in relation to a body corporate the affairs of which are managed by a single director or similar person, that director or person;
- (c) in relation to a body corporate the affairs of which are managed by the members themselves, a member of the body corporate;

and includes any person who is to be or has been a director.

625 Carry-forward of unused relief under section 619

- (1) Where—

Status: This is the original version (as it was originally enacted).

- (a) in any year of assessment an individual is (or would but for an insufficiency of profits or gains be) chargeable to income tax in respect of relevant earnings from any trade, profession, vocation, office or employment carried on or held by him, but
- (b) there is unused relief for that year, that is to say, an amount which could have been deducted from or set off against the individual's relevant earnings for that year under subsection (1) of section 619 if—
 - (i) he had paid a qualifying premium in that year; or
 - (ii) the qualifying premium or premiums paid by him in that year had been greater;
 then, subject to section 655(1)(b), relief may be given under that section, up to the amount of the unused relief, in respect of so much of any qualifying premium or premiums paid by the individual in any of the next six years of assessment as exceeds the maximum applying for that year under subsection (2) of that section.
- (2) Relief by virtue of this section shall be given for an earlier year rather than a later year, the unused relief taken into account in giving relief for any year being deducted from that available for giving relief in subsequent years and unused relief derived from an earlier year being exhausted before unused relief derived from a later year.
- (3) Where a relevant assessment to tax in respect of a year of assessment becomes final and conclusive more than six years after the end of that year and there is an amount of unused relief for that year which results from the making of the assessment—
 - (a) that amount shall not be available for giving relief by virtue of this section for any of the six years following that year, but
 - (b) the individual may, within the period of six months beginning with the date on which the assessment becomes final and conclusive, elect that relief shall be given under section 619, up to that amount, in respect of so much of any qualifying premium or premiums paid by him within that period as exceeds the maximum applying under subsection (2) of that section for the year of assessment in which they were paid;
 and to the extent to which relief in respect of any premium or premiums is given by virtue of this subsection it shall not be given by virtue of subsection (1) above.
- (4) In this section “a relevant assessment to tax” means an assessment on the individual's relevant earnings or on the profits or gains of a partnership from which the individual derives relevant earnings.

626 Modification of section 619 in relation to persons over 50

In the case of an individual whose age at the beginning of a year of assessment is within a range specified in the first column of the Table set out below, section 619(2) shall have effect for that year with the substitution for the reference to 17½ per cent. of a reference to the relevant percentage specified in the second column of the Table.

TABLE

<i>Age range</i>	<i>Percentage</i>
51 to 55	20
56 to 60	22½

<i>Age range</i>	<i>Percentage</i>
61 or more	27½

627 Lloyd’s underwriters

- (1) Where for any year of assessment an individual—
 - (a) is chargeable to income tax in respect of relevant earnings derived from Lloyd’s underwriting activities; and
 - (b) there is an amount of unused relief attributable to those earnings,
 the individual may, subject to subsection (2) below, elect that there shall be treated as paid in that year any qualifying premium paid by him in the next year of assessment but two.
- (2) An election under this section shall not have effect in relation to so much of any qualifying premium as exceeds the amount of unused relief referred to in subsection (1)(b) above.
- (3) Any election under this section shall be made before the end of the year of assessment in which the premium is paid.
- (4) Where an election is made under this section the provisions of this Chapter, other than section 619(4), shall have effect as if the premium or, as the case may be, the part of the premium in question had been paid in the year specified in the election and not in the year in which it was actually paid.
- (5) In this section—

“unused relief” has the same meaning as in section 625; and

“relevant earnings derived from Lloyd’s underwriting activities” means relevant earnings as an underwriting member of Lloyd’s or by way of commission calculated by reference to the profits of Lloyd’s underwriting business.

628 Partnership retirement annuities

- (1) Where a person (“the former partner”) has ceased to be a member of a partnership on retirement, because of age or ill-health or on death and, under—
 - (a) the partnership agreement; or
 - (b) an agreement replacing the partnership agreement or supplementing it or supplementing an agreement replacing it; or
 - (c) an agreement made with an individual who acquires the whole or part of the business carried on by the partnership;
 annual payments are made for the benefit of the former partner or his widow or a dependant of his and are for the purposes of income tax income of the person for whose benefit they are made, the payments shall be treated as earned income of that person, except to the extent that they exceed the limit specified in subsection (2) below.
- (2) The limit mentioned in subsection (1) above is 50 per cent. of the average of the amounts which, in the best three of the relevant years of assessment, were the former partner’s shares of the relevant profits or gains; and for this purpose—

Status: This is the original version (as it was originally enacted).

- (a) the former partner's share in any year of the relevant profits or gains is, subject to subsection (3) below, so much of the relevant profits or gains as fell to be included in a return of his income for that year; and
 - (b) the relevant profits or gains are the profits or gains of any trade, profession or vocation on which the partnership or any other partnership of which the former partner was a member was assessed to income tax; and
 - (c) the relevant years of assessment are the last seven years of assessment in which he was required to devote substantially the whole of his time to acting as a partner in the partnership or those partnerships; and
 - (d) the best three of the relevant years of assessment are those three of them in which the amounts of his shares of the relevant profits were highest;
- but where, in any of the relevant years, the circumstances were such that any of the profits or gains of a partnership were not assessable to income tax, paragraphs (a), (b) and (d) above shall apply as they would apply had those profits or gains been so assessable.
- (3) If the retail prices index for the month of December in the last of the seven years referred to in paragraph (c) of subsection (2) above is higher than it was for the month of December in any of the other years referred to in that paragraph, the amount which, for that other year, was the former partner's share of the relevant profits or gains shall be treated for the purposes of that subsection as increased by the same percentage as the percentage increase in that index.
- (4) If the retail prices index for the month of December preceding a year of assessment after that in which the former partner ceased to be a member of the partnership is higher than it was for the month of December in the year of assessment in which he ceased to be such a member, the amount which under subsection (2) above is the limit for the first-mentioned year of assessment shall be treated as increased by the same percentage as the percentage increase in that index.
- (5) Where the former partner ceased to be a member of the partnership before the year 1974-75, subsection (4) above shall have effect as if he had ceased to be a member in that year.

629 Annuity premiums of Ministers and other officers

- (1) For the purposes of this Chapter so much of any salary which—
- (a) is payable to the holder of a qualifying office who is also a Member of the House of Commons, and
 - (b) is payable for a period in respect of which the holder is not a participant in relation to that office in arrangements contained in the Parliamentary pension scheme but is a participant in relation to his membership of the House of Commons in any such arrangements, or for any part of such a period,
- as is equal to the difference between a Member's pensionable salary and the salary which (in accordance with any such resolution as is mentioned in subsection (3)(a) below) is payable to him as a Member holding that qualifying office shall be treated as remuneration from the office of Member and not from the qualifying office.
- (2) In this section—
- “Member's pensionable salary” means a Member's ordinary salary under any resolution of the House of Commons which, being framed otherwise than as an expression of opinion, is for the time being in force relating to

“qualifying office” means an office mentioned in section 2(2)(b), (c) or (d) of the Parliamentary and other Pensions Act 1987;

“the Parliamentary pension scheme” has the same meaning as in that Act; and without prejudice to the power conferred by virtue of paragraph 13 of Schedule 1 to that Act, regulations under section 2 of that Act may make provision specifying the circumstances in which a person is to be regarded for the purposes of this section as being or not being a participant in relation to his Membership of the House of Commons, or in relation to any office, in arrangements contained in the Parliamentary pension scheme.

(3) In subsection (2) above “a Member's ordinary salary”, in relation to any resolution of the House of Commons, means—

- (b) in any other case, a Member's yearly salary at the rate specified in or determined under the resolution.
