 - (c) that the contravention of that section alleged in the notice has not taken place;
 - (d) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;
 - (e) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted;
 - (f) that copies of the notice were not served as required by section 38(4);

Status: Point in time view as at 01/02/1991.

 - (h) that the period specified in the notice as the period within which any step required by the notice is to be taken falls short of what should reasonably be allowed;

- (4) A person who gives notice of appeal under this section shall submit to the Secretary of State, either when giving the notice or within such time as may be prescribed, a statement in writing—
- (a) specifying the grounds on which he is appealing against the listed building enforcement notice; and

- (5) If, where more than one ground is specified in the statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) Where any person has appealed to the Secretary of State under this section against a notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
