  - (b) an annual fee of a reasonable amount for administering the consent;

- This shall not be construed as affecting any right of the authority where they own the land on which the street is situated to grant for such consideration as they think fit the right to place anything in, under or over the land.
- (4) Where the apparatus is to be placed crossing the protected street and not running along it, the street authority shall not withhold their consent unless there are special reasons for doing so.
- (5) Consent to the placing of apparatus in a protected street may be given subject to conditions; and the street authority may agree to contribute to the expenses incurred by the undertaker in complying with the conditions.
- (6) Any dispute between a street authority and an undertaker as to the withholding of consent, the imposition of conditions, or the making of contributions shall be settled by arbitration.
- (7) An undertaker having a statutory duty to afford a supply or service shall not be regarded as in breach of that duty if, or to the extent that, it is not reasonably practicable to afford a supply or service by reason of anything done by the street authority in exercise of their functions under this section.
