 - (b) that any lake or pond which does not discharge into a relevant river or watercourse or into a relevant lake or pond is to be treated for those purposes as a relevant lake or pond;
 - (c) that a lake or pond which does so discharge and is of a description specified in the order is to be treated for those purposes as if it were not a relevant lake or pond;
 - (d) that a watercourse of a description so specified is to be treated for those purposes as if it were not a relevant river or watercourse.
