

Water Resources Act 1991

1991 CHAPTER 57

PART VII

LAND AND WORKS POWERS

CHAPTER I

POWERS OF THE [F¹AGENCY]

Textual Amendments

- F1** Word in Pt. VII Chapter I heading substituted (subject to the other provisions of the amending Act) (1.4.1996) by 1995 c. 25, s. 120, **Sch. 22 para. 128** (with ss. 7(6), 115, 117); S.I. 1996/186, **art. 3**

Provisions in relation to land

154 Compulsory purchase etc.

- (1) The [F²Agency] may be authorised by either of the Ministers to purchase compulsorily any land anywhere in England and Wales which is required by the [F²Agency] for the purposes of, or in connection with, the carrying out of its functions.
- (2) The power of each of the Ministers under subsection (1) above shall include power—
 - (a) to authorise the acquisition of interests in, and rights over, land by the creation of new interests and rights; and
 - (b) by authorising the acquisition by the [F²Agency] of any rights over land which is to be or has been acquired by the [F²Agency], to provide for the extinguishment of those rights.
- (3) Without prejudice to the generality of subsection (1) above, the land which the [F²Agency] may be authorised under that subsection to purchase compulsorily shall include land which is or will be required for the purpose of being given in exchange

for, or for any right over, any other land which for the purposes of the ^{M1}Acquisition of Land Act 1981 is or forms part of a common, open space or a fuel or field garden allotment.

- (4) Subject to section 182 below, the Acquisition of Land Act 1981 shall apply to any compulsory purchase under subsection (1) above of any land by the [^{F2}Agency]; and Schedule 3 to the said Act of 1981 shall apply to the compulsory acquisition under that subsection of rights by the creation of new rights.
- (5) Schedule 18 to this Act shall have effect for the purpose of modifying enactments relating to compensation and the provisions of the ^{M2}Compulsory Purchase Act 1965 in their application in relation to the compulsory acquisition under subsection (1) above of a right over land by the creation of a new right.
- (6) The provisions of Part I of the ^{M3}Compulsory Purchase Act 1965 (so far as applicable), other than sections 4 to 8, 10, 21, 27(1) and 31 and Schedule 4, shall apply in relation to any power to acquire land by agreement which is conferred, by virtue of any provision of this Act [^{F3}or otherwise (including section 37 of the 1995 Act (incidental general powers of the Agency))], on the [Agency] as if—
- (a) any reference in those provisions to the acquiring authority were a reference to the [^{F2}Agency]; and
 - (b) any reference to land subject to compulsory purchase were a reference to land which may be purchased by agreement under that power.

155 Accretions of land resulting from drainage works.

- (1) If the relevant Minister certifies that, as the result of—
- (a) any drainage works carried out or improved, or proposed to be carried out or improved, by the [^{F4}Agency] in connection with the tidal waters of a main river; or
 - (b) any drainage works transferred from a drainage body to the [^{F4}Agency] in pursuance of this Act or the ^{M4}Land Drainage Act 1991,
- there has been or is likely to be any accretion of land, the powers of the [^{F4}Agency] by virtue of this Act, for the purpose of carrying out its functions, to acquire land or any interest in or right over land by agreement or compulsorily shall include power so to acquire the land mentioned in subsection (2) below.
- (2) The land mentioned in subsection (1) above is—
- (a) the accretion of land or the land to which the accretion will, if it takes place, be added, together with any right to reclaim or embank the accretion; and

- (b) such other land as is reasonably required for the purpose of reclamation of the accretion or for the enjoyment of it when reclaimed.
- (3) An agreement or order with respect to the acquisition of any land or rights by virtue of this section may provide for the transfer to the [F⁴Agency] of any liability for the upkeep, maintenance and repair of any bank or drainage work or of any other like liability.
- (4) Where the value of any land or right is increased by the carrying out or proposed carrying out of drainage works by the [F⁴Agency] the amount of the increase shall not be taken into account in assessing the compensation in respect of the compulsory acquisition of it.
- (5) Where, by reason of a certificate having been given by the relevant Minister under this section in relation to any drainage works, the [Agency] has acquired any land or right and a grant has been made out of public moneys for defraying the cost or part of the cost of the carrying out of the works, the [F⁴Agency] shall—
- (a) on being so required by the Crown Estate Commissioners; and
 - (b) on payment by the Commissioners to the [Agency] of the sum paid by the [F⁴Agency] in respect of the acquisition of the land or right, together with the amount of any costs incurred by the [F⁴Agency] in connection with the acquisition,
- transfer the land or right to the Commissioners or to any person nominated by them.
- (6) If the [F⁴Agency], on being so required by the Crown Estate Commissioners in pursuance of subsection (5) above, fail to transfer to the Commissioners any land or right, the relevant Minister may by a vesting order transfer the land or right to the Commissioners or to a person nominated by them; and, for the purposes of this subsection, the relevant Minister shall be deemed to be a competent authority within the meaning of section 9 of the ^{M5}Law of Property Act 1925.
- (7) In this section—
- “banks” has the same meaning as in Part IV of this Act;
 - “drainage body” has the same meaning as in section 108 above;
 - “the relevant Minister”—
- (a) in relation to England, means the Minister; and
 - (b) in relation to Wales, means the Secretary of State.

there is any disposal, an opportunity of acquiring the land in question, or an interest or right in or over that land, is to be made available to such person as may be specified in or determined under provision contained in the notice setting out the consent or authorisation in question.

(5) A requirement under subsection (4) above may require the opportunity to be made available in such manner and on such terms as may be specified in or determined under provision contained in the notice setting out the consent or authorisation in question.

[^{F8}(6) In this section “compulsorily acquired land”, in relation to the Agency, means any land of the Agency which—

- (a) was acquired by the Agency compulsorily under the provisions of section 154 above or of an order under section 168 below;
- (b) was acquired by the Agency at a time when it was authorised under those provisions to acquire the land compulsorily;
- (c) being land which has been transferred to the Agency from the Authority by section 3 of the 1995 Act, was acquired by the Authority—

- (i) compulsorily, under the provisions of section 154 above or of an order under section 168 below or under the provisions of section 151 of the ^{M8}Water Act 1989 or of an order under section 155 of that Act; or
- (ii) at a time when it was authorised under those provisions to acquire the land compulsorily;

(d) being land—

- (i) which has been so transferred, and
- (ii) which was transferred to the Authority in accordance with a scheme under Schedule 2 to the ^{M9}Water Act 1989,

was acquired by a predecessor of the Authority compulsorily under so much of any enactment in force at any time before 1st September 1989 as conferred powers of compulsory acquisition; or

(e) being land transferred as mentioned in sub-paragraphs (i) and (ii) of paragraph (d) above, was acquired by such a predecessor at a time when it was authorised to acquire the land by virtue of any such powers as are mentioned in that paragraph.]

Works agreements for water resources purposes

158 Works agreements for water resources purposes.

- (1) Without prejudice to the generality of the powers of the [F⁹Agency] by virtue of [F¹⁰section 37 of the 1995 Act (incidental general powers of the Agency)] but subject to subsection (2) below, those powers shall include power to enter into an agreement with any water undertaker, with any sewerage undertaker, with any local authority or joint planning board, or with the owner or occupier of any land, with respect to any one or more of the following matters, that is to say—
 - (a) the carrying out by any party to the agreement of works which the [F⁹Agency] considers necessary or expedient in connection with the carrying out of any of the [F⁹Agency's] functions by virtue of Part II of this Act;
 - (b) the maintenance by any party to the agreement of works carried out in pursuance of the agreement;
 - (c) provision for the [F⁹Agency] to use, or have access to, any land for any purpose connected with the carrying out of any of those functions;
 - (d) the manner in which any reservoir is to be operated.
- (2) The Secretary of State may by a direction to the [Agency] direct that, in such cases or classes of cases as are specified in the direction, the [F⁹Agency] shall not enter into any such agreement as is mentioned in subsection (1) above except with his consent.
- (3) An agreement such as is mentioned in subsection (1) above may contain such incidental and consequential provisions (including provisions of a financial character) as appear to the [F⁹Agency] necessary or expedient for the purposes of the agreement.
- (4) Where an agreement such as is mentioned in subsection (1) above is made with an owner of land, other than registered land, and the agreement provides that the provisions of this subsection shall have effect in relation to the agreement—
 - (a) the agreement may be registered as a land charge under the ^{M10}Land Charges Act 1972 as if it were a charge affecting land falling within paragraph (iii) of Class D;
 - (b) the provisions of section 4 of that Act (which relates to the effect of non-registration) shall apply as if the agreement were such a land charge; and
 - (c) subject to the provisions of section 4 of that Act, the agreement shall be binding upon any successor of that owner to the same extent as it is binding upon that owner, notwithstanding that it would not have been binding upon that successor apart from the provisions of this paragraph.
- (5) Where an agreement such as is mentioned in subsection (1) above is made with an owner of land which is registered land, and the agreement provides that the provisions of this subsection shall have effect in relation to the agreement—
 - [F¹¹(a) the agreement may be the subject of a notice in the register of title under the Land Registration Act 2002 as if it were an interest affecting the registered land;
 - (b) the provisions of sections 28 to 30 of that Act (effect of dispositions of registered land on priority of adverse interests) shall apply as if the agreement were such an interest;]
 - (c) [F¹²subject to the provisions of those sections,] the agreement shall be binding upon any successor of that owner to the same extent as it is binding upon

that owner, notwithstanding that it would not have been binding upon that successor apart from the provisions of this paragraph.

(6) In this section—

“registered land” has the same meaning as in the [^{F13}Land Registration Act 2002]; and

“successor”, in relation to an agreement with the owner of any land, means a person deriving title or otherwise claiming under that owner, otherwise than in right of an interest or charge to which the interest of the owner was subject immediately before the following time, that is to say—

- (a) where the land is not registered land, the time when the agreement was made; and
- (b) where the land is registered land, the time when the notice of the agreement was registered.

 - (b) the purpose of the work is to manage a flood risk (within the meaning of that Act) from (i) the sea, or (ii) a main river.]
- (2) Without prejudice to the generality of subsection (1)(c) above, the [^{F14}Agency] shall have power to erect and keep in any street notices indicating the position of such underground accessories for its relevant pipes as may be used for controlling the flow of water in those pipes.
 - (3) The power conferred by subsection (2) above shall include power to attach any such notice as is mentioned in that subsection to any building, fence or other structure which is comprised in premises abutting on the street in question.
 - (4) Until the coming into force of its repeal by the ^{M11}New Roads and Street Works Act 1991 section 20 of the ^{M12}Highways Act 1980 (works in special roads) shall have effect as if the reference in that section to a power under any enactment to lay down or erect apparatus included a reference to any power to lay any pipe which is conferred by this section.
 - (5) In this section references to a relevant pipe are references to a resource main or discharge pipe and references to laying such a pipe shall include references—
 - (a) to the laying of any drain or sewer for any of the purposes specified in subsection (6) below; and
 - (b) to the construction of a watercourse for any of those purposes.
 - (6) The purposes mentioned in subsection (5) above are—
 - (a) intercepting, treating or disposing of any foul water arising or flowing upon any land; or
 - (b) otherwise preventing the pollution—
 - (i) of any waters, whether on the surface or underground, which belong to the [^{F14}Agency] or any water undertaker or from which the [^{F14}Agency] or any water undertaker is authorised to take water;
 - (ii) without prejudice to sub-paragraph (i) above, of any reservoir which belongs to or is operated by the [^{F14}Agency] or any water undertaker or which the [^{F14}Agency] or any water undertaker is proposing to acquire or construct for the purpose of being so operated; or
 - (iii) of any underground strata from which the [^{F14}Agency] or any water undertaker is for the time being authorised to abstract water in pursuance of a licence under Chapter II of Part II of this Act.
 - (7) References in this section to maintaining a pipe include references to cleansing it and references to altering a pipe include references to altering its size or course, to moving or removing it and to replacing it with a pipe which is of the same description of relevant pipe as the pipe replaced.

^{F18}Restoration and improvement works for controlled waters

Textual Amendments

F18 Ss. 161-161AB substituted for s. 161 (22.12.2009) by Water Resources Act 1991 (Amendment) (England and Wales) Regulations 2009 (S.I. 2009/3104), regs. 1(c), 5 (with reg. 7)

161. Anti-pollution works and operations

- (1) This section applies where it appears to the Agency that any poisonous, noxious or polluting matter or any waste matter is or has been present in, or is likely to enter, any controlled waters.
- (2) In a case where the matter appears to be or to have been present in the controlled waters, the Agency shall be entitled to carry out works and operations for any of the following purposes—
 - (a) removing or disposing of the matter;
 - (b) remedying or mitigating any pollution caused by its presence in the waters; or
 - (c) restoring (so far as it is reasonably practicable to do so) the waters, including any flora and fauna dependent on the aquatic environment of the waters, to their state immediately before the matter became present in the waters.
- (3) In a case where the matter appears to be likely to enter the controlled waters, the Agency shall be entitled to carry out works and operations for the purpose of preventing it from doing so.
- (4) The Agency shall be entitled to carry out investigations for the purpose of establishing any of the following—
 - (a) the nature of the matter,
 - (b) the source of the matter;
 - (c) the nature and effects of any pollution caused or likely to be caused by the presence of the matter; and
 - (d) the identity of any responsible persons.
- (5) Without prejudice to the power of the Agency to carry out those investigations, the powers conferred by subsection (2) or (3) shall only be exercisable in a case where—
 - (a) the Agency considers it necessary to carry out forthwith any works or operations falling within that subsection; or
 - (b) it appears to the Agency, after reasonable enquiry, that no responsible person can be found on whom to serve a works notice.
- (6) In this section “responsible person” means a person who has caused or knowingly permitted the matter—
 - (a) to be present in the controlled waters; or
 - (b) to be at a place from which it was likely, in the opinion of the Agency, to enter the controlled waters.

Status: Point in time view as at 19/07/2011.

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter I. (See end of Document for details)

161ZA. Other works and operations in respect of harm to controlled waters

- (1) This section applies where it appears to the Agency that any controlled waters are being or have been harmed, or are likely to be harmed, by any event, process or other source of potential harm (and it is immaterial whether the source of potential harm has been identified).
- (2) In this section “harm” means any adverse impact on the condition of any hydromorphological quality element affecting the controlled waters that would be likely to prevent the achievement of the environmental objectives applicable to the controlled waters (whether by itself or in combination with other factors), other than an adverse impact caused by the entry into or presence in those waters of any poisonous, noxious or polluting matter or waste matter.
- (3) In subsection (2) “environmental objectives” and “hydromorphological quality element” have the same meaning as in the Water Framework Directive.
- (4) The Agency shall be entitled to carry out works and operations for any of the following purposes (so far as it is reasonably practicable to achieve them)—
 - (a) removing the source of potential harm;
 - (b) preventing any harm or further harm being caused to the controlled waters;
 - (c) in a case where the controlled waters are being or have been harmed—
 - (i) remedying or mitigating the effects of the harm;
 - (ii) restoring the waters, including any flora and fauna dependent on the aquatic environment of the waters, to their state immediately before any harm was caused.
- (5) The Agency shall be entitled to carry out investigations for the purpose of establishing any of the following—
 - (a) the source of any harm or potential harm to the controlled waters;
 - (b) the nature and effects of any harm caused or likely to be caused to those waters; and
 - (c) the identity of any responsible persons.
- (6) Without prejudice to the power of the Agency to carry out those investigations, the powers conferred by subsection (4) shall only be exercisable in a case where—
 - (a) the Agency considers it necessary to carry out forthwith any works or operations falling within that subsection; or
 - (b) it appears to the Agency, after reasonable enquiry, that no responsible person can be found on whom to serve a works notice.
- (7) In this section “responsible person” means a person who has caused or knowingly permitted—
 - (a) any harm to be caused to the controlled waters; or
 - (b) a source of potential harm to exist that is likely, in the opinion of the Agency, to cause harm to the controlled waters.

161ZB. Works and operations for improving controlled waters

- (1) This section applies where it appears to the Agency that—
 - (a) the condition of any hydromorphological quality element affecting any controlled waters is unsatisfactory; and

Status: Point in time view as at 19/07/2011.

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter 1. (See end of Document for details)

- (b) it is possible to improve the hydromorphological quality element by carrying out works or operations.
- (2) For the purposes of this section the condition of a hydromorphological quality element affecting the controlled waters is unsatisfactory if (whether by itself or in combination with other factors) if it is likely to prevent the waters from achieving the applicable environmental objectives.
- (3) In this section “environmental objectives” and “hydromorphological quality element” have the same meaning as in the Water Framework Directive.
- (4) The Agency shall be entitled to carry out works and operations for the purpose of improving the condition of the hydromorphological quality element in question with a view to achieving (or contributing to the achievement of) the applicable environmental objectives.
- (5) The Agency shall be entitled to carry out investigations for the purpose of establishing why the condition of the hydromorphological quality element in question is unsatisfactory.
- (6) Without prejudice to the power of the Agency to carry out those investigations, the powers conferred by subsection (4) shall only be exercisable if it appears to the Agency that it is unable to secure that the necessary works or operations are carried out by exercising its powers under section 161 or 161ZA or by serving a works notice on any responsible person.

161ZC. Sections 161 to 161ZB: supplementary

- (1) Nothing in sections 161 to 161ZB shall entitle the Agency to impede or prevent the making of any discharge in pursuance of [^{F19}an environmental permit] .
- (2) Where the Agency carries out any works, operations or investigations under any of the powers conferred by section 161 or 161ZA it shall, subject to subsection (3), be entitled to recover the expenses reasonably incurred in doing so from any responsible person (within the meaning of the section conferring the powers in question).
- (3) No expenses are recoverable from a person for any works, operations or investigations in respect of water from an abandoned mine or an abandoned part of a mine which that person permitted to enter any controlled waters or to reach a place from which it was likely, in the opinion of the Agency, to enter any controlled waters.
- (4) Subsection (3) does not apply to the owner or former operator of any mine or part of a mine if the mine or part in question became abandoned after 31st December 1999.
- ^{F20}(5)
- (6) Nothing in sections 161, 161ZA and 161ZB—
 - (a) derogates from any right of action or other remedy (whether civil or criminal) in proceedings instituted otherwise than under any of those sections; or
 - (b) affects any restriction imposed by or under any other enactment, whether public local or private.
- (7) In this section—
 - “expenses” includes costs;
 - “mine” has the same meaning as in the Mines and Quarries Act 1954;

Status: Point in time view as at 19/07/2011.

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter 1. (See end of Document for details)

“works notice” means a notice under section 161A.

- (8) In sections 161, 161ZA and 161ZB and this section “controlled waters” has the same meaning as in Part 3 of this Act and in sections 161ZA and 161ZB, and “Water Framework Directive” has the same meaning as in section 93(7) of this Act.

161A. Notices requiring persons to carry out works and operations

- (1) Where it appears to the Agency that—
- (a) any poisonous, noxious or polluting matter or any waste matter is or has been present in, or is likely to enter, any controlled waters (so that section 161 applies), or
 - (b) any controlled waters are being or have been harmed, or are likely to be harmed, by any event, process or other source of potential harm (so that section 161ZA applies),
- the Agency shall be entitled to serve a works notice on any responsible person.
- (2) In this section “responsible person” has the same meaning as in section 161 or 161ZA (as the case may be).
- (3) For the purposes of this section a works notice is a notice requiring the person on whom it is served to carry out such works or operations as may be specified in the notice.
- (4) The works or operations that may be so specified are works or operations which may be carried out under section 161(2) or (3) or section 161ZA(4) (as the case may be).
- (5) Where the Agency has carried out any such investigations as are mentioned in sections 161(4) or 161ZA(5) and serves a works notice on a responsible person in connection with the matters to which the investigations relate it shall (unless the notice is quashed or withdrawn) be entitled to recover from that person the costs or expenses reasonably incurred in carrying out those investigations.
- (6) The appropriate national authority may, if it thinks fit in relation to any person, give directions to the Agency as to whether or how it should exercise its powers under this section or section 161AA.
- (7) In this section and sections 161AA and 161AB “controlled waters” has the same meaning as in Part 3 of this Act.

161AA. Works notices: form etc

- (1) A works notice—
- (a) must specify the periods within which the person on whom it is served is required to do each of the things specified in the notice; and
 - (b) is without prejudice to the powers of the Agency to carry out any works or operations under section 161(5)(a) or 161ZA(6)(a).

Status: Point in time view as at 19/07/2011.

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter 1. (See end of Document for details)

- (2) Before serving a works notice on any person, the Agency shall reasonably endeavour to consult that person concerning the works or operations which are to be specified in the notice.
- (3) The appropriate national authority may by regulations make provision for or in connection with—
 - (a) the form or content of works notices;
 - (b) requirements for consultation, before the service of a works notice, with persons other than the person on whom that notice is to be served;
 - (c) steps to be taken for the purposes of any consultation required under subsection (2) or regulations made by virtue of paragraph (b); or
 - (d) any other steps of a procedural nature which are to be taken in connection with or in consequence of the service of a works notice.
- (4) A works notice shall not be regarded as invalid or as invalidly served by reason only of a failure to comply with the requirements of subsection (2) or of regulations made by virtue of paragraph (b) of subsection (3).
- (5) In this section and section 161A, “appropriate national authority” means—
 - (a) in relation to England, the Secretary of State; and
 - (b) in relation to Wales, the Welsh Ministers.
- (6) The power to make regulations under this section shall be exercisable by statutory instrument subject—
 - (a) in the case of regulations made by the Secretary of State, to annulment in pursuance of a resolution of either House of Parliament; and
 - (b) in the case of regulations made by the Welsh Ministers, to annulment in pursuance of a resolution of the National Assembly for Wales.
- (7) In this section,—
 - (a) paragraph (1) of section 219 does not apply; and
 - (b) in paragraph (2) of that section, references to “the Ministers” or the “the Secretary of State” shall be taken to be references to the appropriate national authority.

161AB. Works notices: exceptions etc

- (1) Nothing in section 161A shall entitle the Agency to require the carrying out of any works or operations which would impede or prevent the making of any discharge in pursuance of [^{F21}an environmental permit] .
- (2) No works notice shall be served on any person requiring him to carry out any works or operations in respect of water from an abandoned mine or an abandoned part of a mine which that person permitted to enter any controlled waters or to reach a place from which it was likely, in the opinion of the Agency, to enter any controlled waters.
- (3) Subsection (2) does not apply to the service of a notice on the owner or former operator of any mine or part of a mine if the mine or part in question became abandoned after 31st December 1999.
- ^{F22}(4)
- (5) In this section “mine” has the same meaning as in the Mines and Quarries Act 1954.]

- (a) that application shall be accompanied or supplemented by all such information as that person may reasonably require; and
 - (b) the [^{F31}Agency] shall serve a copy of the application, and of any consent given on that application, on every person who—
 - (i) is registered with the [^{F31}Agency] in respect of any premises which are within three miles of the place where the discharge to which the application relates is proposed to be made and are not upstream from that place; and
 - (ii) has not agreed in writing that he need not be served with such a copy;
 but, subject to subsection (4) below and without prejudice to the effect (if any) of any other contravention of the requirements of this section in relation to such an application, a failure to provide information in pursuance of the obligation to supplement such an application shall not invalidate the application.
- (3) Subject to subsection (4) below, an application for a consent for the purposes of this section shall be determined—

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter 1. (See end of Document for details)

- (a) in the case of an application with respect to a particular discharge, before the end of the period of seven days beginning with the day after the application is made; and
- (b) in any other case, before the end of the period of three months beginning with that day;

and, subject to that subsection, where an application for any consent is required to be determined within the period specified in paragraph (a) above and is not so determined, the consent applied for shall be deemed to have been given unconditionally.

(4) Where—

- (a) the [Agency], having made an application to any person for a consent for the purposes of this section, has failed to comply with its obligation under subsection (2)(a) above to supplement that application with information required by that person; and
- (b) that requirement was made by that person at such a time before the end of the period within which he is required to determine the application as gave the [^{F31}Agency] a reasonable opportunity to provide the required information within that period,

that person may delay his determination of the application until a reasonable time after the required information is provided.

- (5) A consent for the purposes of this section may relate to a particular discharge or to discharges of a particular description and may be made subject to such reasonable conditions as may be specified by the person giving it; but a consent for those purposes shall not be unreasonably withheld.
- (6) Any dispute as to whether a consent for the purposes of this section should be given or withheld, or as to whether the conditions to which any such consent is made subject are reasonable, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the President of the Institution of Civil Engineers.
- (7) Where any discharge under section 163 above is made in an emergency without the consent which, if there were no emergency, would be required by virtue of this section, the [^{F31}Agency] shall, as soon as practicable after making the discharge, serve a notice which—
 - (a) states that the discharge has been made; and
 - (b) gives such particulars of the discharge and of the emergency as the persons served with the notice might reasonably require,on every person on whom the [^{F31}Agency] would have been required to serve the application for that consent or any copy of that application.
- (8) If the [^{F31}Agency] contravenes, without reasonable excuse, any of the requirements of this section or any condition of a consent given for the purposes of this section, it shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.
- (9) Nothing in this section shall require any consent to be obtained, or any notice to be served, in respect of any discharge if the requirements of section 34 of the ^{M15}Water Act 1945 (temporary discharges into watercourses) in relation to that discharge had been satisfied before 1st September 1989.

Flood defence and drainage works

165 [F32 **General powers to carry out flood defence and drainage works.**][F32 **General powers to carry out works**]

- (1) [F33 The Agency may—
- (a) carry out flood risk management work within subsection (1D)(a) to (f) if Conditions 1 and 2 are satisfied;
 - (b) carry out flood risk management work within subsection (1D)(g) or (h) if Condition 1 is satisfied.
- (1A) Condition 1 is that the Agency considers the work desirable having regard to the national flood and coastal erosion risk management strategies under sections 7 and 8 of the Flood and Water Management Act 2010.
- (1B) Condition 2 is that the purpose of the work is to manage a flood risk (within the meaning of that Act) from—
- (a) the sea, or
 - (b) a main river.
- (1C) In subsection (1B)(b) the reference to a main river includes a reference to a lake, pond or other area of water which flows into a main river.
- (1D) In this section “flood risk management work” means anything done—
- (a) to maintain existing works (including buildings or structures) including cleansing, repairing or otherwise maintaining the efficiency of an existing watercourse or drainage work;
 - (b) to operate existing works (such as sluiceways or pumps);
 - (c) to improve existing works (including buildings or structures) including anything done to deepen, widen, straighten or otherwise improve an existing watercourse, to remove or alter mill dams, weirs or other obstructions to watercourses, or to raise, widen or otherwise improve a drainage work;
 - (d) to construct or repair new works (including buildings, structures, watercourses, drainage works and machinery);
 - (e) for the purpose of maintaining or restoring natural processes;
 - (f) to monitor, investigate or survey a location or a natural process;
 - (g) to reduce or increase the level of water in a place;
 - (h) to alter or remove works.]
- (2) The [F34 Agency] shall also have power[F35, irrespective of whether the works are in connection with a main river,] to maintain, improve or construct drainage works for the purpose of defence against sea water or tidal water; and that power shall be exercisable both above and below the low-water mark.

Status: Point in time view as at 19/07/2011.

Changes to legislation: There are currently no known outstanding effects for the Water Resources Act 1991, chapter I. (See end of Document for details)

- (3) The [^{F34}Agency] may construct all such works and do all such things in the sea or in any estuary as may, in its opinion, be necessary to secure an adequate outfall for a main river.
- [^{F36}(4) The Agency may by agreement with any person carry out, improve or maintain, at that person's expense, any drainage works which that person is entitled to carry out, improve or maintain; but for the purposes of this subsection the expense to be borne by that person shall not include such part (if any) of the amount of any grant made under section 47 of the Environment Act 1995 (grants to the new Agencies) as the Agency decides (subject to any terms on which the grant is made) to allocate for the works in question.]
- (5) The [^{F34}Agency] may enter into an agreement with any local authority or with any navigation authority for the carrying out by that authority, on such terms as to payment or otherwise as may be specified in the agreement, of any work [^{F37}in connection with a main river] which the [^{F34}Agency] is authorised to carry out [^{F38}under this section].
- (6) Nothing in subsections (1) to (3) above authorises any person to enter on the land of any person except for the purpose of maintaining existing works.
- (7) In this section “watercourse” has the same meaning as in Part IV of this Act^{F39}; and subsections (2) and (3) of section 113 above shall apply for the purposes of determining any question arising under this section as to—
- (a) whether any work is a drainage work in connection with a main river; or
 - (b) whether any proposed work will, if constructed, be such a drainage work, as they apply for the purposes of that Part.]

C7 S. 165(1)(a)(b) explained (16.3.1992) by [Avon Weir Act 1992 \(c. v\), s. 7\(4\)](#) (with s. 61)

166 Power to carry out works for purpose of providing flood warning system.

- (1) Without prejudice to its other powers by virtue of [^{F40}section 37 of the 1995 Act (incidental general powers of the Agency)], Part IV of this Act and this Part, the [^{F41}Agency] shall have power—
 - (a) to provide and operate flood warning systems;
 - (b) to provide, install and maintain apparatus required for the purposes of such systems;
 - (c) to carry out any other engineering or building operations so required.
- (2) Subsection (1) above shall not be construed as authorising, on the part of the [^{F41}Agency], any act or omission which, apart from that subsection, would be actionable at the suit of any person on any grounds other than a limitation imposed by law on the capacity of the [^{F41}Agency] by virtue of its constitution.
- (3) The [^{F41}Agency] may exercise the powers conferred by subsection (1)(b) or (c) above in an area in Scotland as if—
 - (a) its functions in relation to the areas of the regional flood defence committees whose areas are adjacent to Scotland were functions in relation to that area in Scotland; and
 - (b) that area in Scotland were included in the areas of each of those committees; but the powers conferred by this subsection are subject (except in the case of a power to maintain apparatus) to prior consultation with the local authority (within the meaning of section 1 of the ^{M16}Flood Prevention (Scotland) Act 1961) for the area in Scotland in question.

[^{F42}(4) In this section—

“flood warning system” means any system whereby, for the purpose of providing warning of any danger of flooding, information with respect to—

- (a) rainfall, as measured at a particular place within a particular period; or
- (b) the level or flow of any inland water, or part of an inland water, at a particular time; or
- (c) other matters appearing to the Agency to be relevant for that purpose,

is obtained and transmitted, whether automatically or otherwise, with or without provision for carrying out calculations based on such information and for transmitting the results of those calculations;

“inland water” means any of the following in any part of Great Britain, that is to say—

- (a) any river, stream or other watercourse, whether natural or artificial and whether tidal or not;
- (b) any lake or pond, whether natural or artificial, and any reservoir or dock; and
- (c) any channel, creek, bay, estuary or arm of the sea;

“rainfall” includes any fall of snow, hail or sleet.]

167 Power to dispose of spoil in connection with flood defence works.

- (1) Subject to subsection (2) below, the [^{F43}Agency] may—
- without making payment for it, appropriate and dispose of any matter removed in the course of the carrying out of any work for widening, deepening or dredging any watercourse; and
 - deposit any matter so removed on the banks of the watercourse, or on such width of land adjoining the watercourse as is sufficient to enable the matter in question to be removed and deposited by mechanical means in one operation.
- (2) Subsection (1) above shall not authorise the deposit of any matter if the matter deposited would constitute a statutory nuisance within the meaning of Part III of the ^{M17}Environmental Protection Act 1990.
- (3) The [^{F43}Agency] and the council of any district or London borough [^{F44} or Welsh county or county borough] may enter into an agreement providing—
- for the disposal by the council of any matter removed as mentioned in subsection (1) above; and
 - for the payment by the [^{F43}Agency] to the council, in respect of the disposal of the matter by the council, of such sum as may be provided by the agreement.

Compulsory works orders

168 Compulsory works orders.

- (1) Where the [^{F45}Agency] is proposing, for the purposes of, or in connection with, the carrying out of any of its functions—
 - (a) to carry out any engineering or building operations; or
 - (b) to discharge water into any inland waters or underground strata,
 the [^{F45}Agency] may apply to either of the Ministers for an order under this section (“a compulsory works order”).
- (2) Subject to the following provisions of this section, the Ministers shall each have power, on an application under subsection (1) above, by order made by statutory instrument—
 - (a) to confer such compulsory powers; and
 - (b) to grant such authority,
 as he considers necessary or expedient for the purpose of enabling any engineering or building operations or discharges of water to be carried out or made for the purposes of, or in connection with, the carrying out of the functions with respect to which the application was made.
- (3) Schedule 19 to this Act shall have effect with respect to applications for compulsory works orders and with respect to such orders.
- (4) Subject to the provisions of Schedule 19 to this Act, a compulsory works order may—
 - (a) without prejudice to section 154 above, confer power to acquire compulsorily any land, including—
 - (i) power to acquire interests in and rights over land by the creation of new rights and interests; and
 - (ii) power, by the compulsory acquisition by the [^{F45}Agency] of any rights over land which is to be or has been acquired by the [^{F45}Agency], to extinguish any such rights;
 - (b) apply for the purposes of the order, either with or without modifications, any of the relevant provisions of this Part which do not apply for those purposes apart from by virtue of this paragraph;
 - (c) make any authority granted by the order subject to such conditions as may be specified in the order;
 - (d) amend or repeal any local statutory provision;
 - (e) contain such supplemental, consequential and transitional provision as the Minister making the order considers appropriate;
 and section 156(1) above shall apply in relation to the powers conferred by virtue of this section as it applies in relation to the power conferred by section 154 above.
- (5) Without prejudice to any duty imposed by virtue of section 184 below, where—
 - (a) either of the Ministers makes a compulsory works order authorising the [^{F45}Agency] to carry out works for or in connection with the construction or operation of a reservoir or conferring compulsory powers for that purpose on the [^{F45}Agency]; and
 - (b) it appears to him that the works to be carried out may permanently affect the area in which they are situated and are not primarily intended to benefit the inhabitants of that area,
