

Taxation of Chargeable Gains Act 1992

1992 CHAPTER 12

PART V

TRANSFER OF BUSINESS ASSETS

CHAPTER I

GENERAL PROVISIONS

Replacement of business assets

152 Roll-over relief

(1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

Status: This is the original version (as it was originally enacted).

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments may be made.
- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

153 Assets only partly replaced

- (1) Section 152(1) shall not apply if part only of the amount or value of the consideration for the disposal of, or of the interest in, the old assets is applied as described in that

subsection, but if all of the amount or value of the consideration except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of, or of the interest in, the old assets is so applied, then the person carrying on the trade, on making a claim as respects the consideration which has been so applied, shall be treated for the purposes of this Act—

- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the amount by which the gain is reduced (or as the case may be the amount by which the chargeable gain is proportionately reduced) under paragraph (a) of this subsection,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

- (2) Subsections (3) to (11) of 152 shall apply as if this section formed part of that section.

154 New assets which are depreciating assets

- (1) Sections 152, 153 and 229 shall have effect subject to the provisions of this section in which—

- (a) the “held-over gain” means the amount by which, under those sections, and apart from the provisions of this section, any chargeable gain on one asset (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and
- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.

- (2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—

- (a) the claimant disposes of asset No.2, or
- (b) he ceases to use asset No.2 for the purposes of a trade carried on by him, or
- (c) the expiration of a period of 10 years beginning with the acquisition of asset No.2,

whichever event comes first.

- (3) Where section 229 has effect subject to the provisions of this section, subsection (2) (b) above shall have effect as if it read—

“(b) section 232(3) applies as regards asset No.2 (whether or not by virtue of section 232(5)), or”.

- (4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—

- (a) the gain held-over from asset No.1 shall be carried forward to asset No.3, and
- (b) the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).

Status: This is the original version (as it was originally enacted).

- (5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—
- (a) that the consideration for asset No.1 was applied in acquiring asset No.3, and
 - (b) that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),
- the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.
- (6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—
- (a) subsection (4) above applies to the first-mentioned part, and
 - (b) the other part remains subject to subsection (2) above.
- (7) For the purposes of this section, an asset is a depreciating asset at any time if—
- (a) at that time it is a wasting asset, as defined in section 44, or
 - (b) within the period of 10 years beginning at that time it will become a wasting asset (so defined).

155 Relevant classes of assets

The classes of assets for the purposes of section 152(1) are as follows.

CLASS 1

Assets within heads A and B below

Head A

1. Any building or part of a building and any permanent or semi-permanent structure in the nature of a building, occupied (as well as used) only for the purposes of the trade
2. Any land occupied (as well as used) only for the purposes of the trade.

Head A has effect subject to section 156.

Head B

Fixed plant or machinery which does not form part of a building or of a permanent or semi-permanent structure in the nature of a building.

CLASS 2

Ships, aircraft and hovercraft (“hovercraft” having the same meaning as in the Hovercraft Act 1968).

CLASS 3

Satellites, space stations and spacecraft (including launch vehicles).

CLASS 4

Goodwill.

CLASS 5

Milk quotas (that is, rights to sell dairy produce without being liable to pay milk levy or to deliver dairy produce without being liable to pay a contribution to milk levy) and potato quotas (that is, rights to produce potatoes without being liable to pay more than the ordinary contribution to the Potato Marketing Board’s fund).

156 Assets of Class 1

- (1) This section has effect as respects head A of Class 1 in section 155.
- (2) Head A shall not apply where the trade is a trade—
 - (a) of dealing in or developing land, or
 - (b) of providing services for the occupier of land in which the person carrying on the trade has an estate or interest.
- (3) Where the trade is a trade of dealing in or developing land, but a profit on the sale of any land held for the purposes of the trade would not form part of the trading profits, then, as regards that land, the trade shall be treated for the purposes of subsection (2) (a) above as if it were not a trade of dealing in or developing land.
- (4) A person who is a lessor of tied premises shall be treated as if he occupied (as well as used) those tied premises only for the purposes of the relevant trade.

This subsection shall be construed in accordance with section 98(2) of the Taxes Act (income tax and corporation tax on tied premises).

157 Trade carried on by family company: business assets dealt with by individual

In relation to a case where—

- (a) the person disposing of, or of his interest in, the old assets and acquiring the new assets, or an interest in them, is an individual, and
- (b) the trade or trades in question are carried on not by that individual but by a company which, both at the time of the disposal and at the time of the acquisition referred to in paragraph (a) above, is his family company, within the meaning of Schedule 6,

any reference in sections 152 to 156 to the person carrying on the trade (or the 2 or more trades) includes a reference to that individual.

158 Activities other than trades, and interpretation

- (1) Sections 152 to 157 shall apply with the necessary modifications—
 - (a) in relation to the discharge of the functions of a public authority, and
 - (b) in relation to the occupation of woodlands where the woodlands are managed by the occupier on a commercial basis and with a view to the realisation of profits, and
 - (c) in relation to a profession, vocation, office or employment, and
 - (d) in relation to such of the activities of a body of persons whose activities are carried on otherwise than for profit and are wholly or mainly directed to the protection or promotion of the interests of its members in the carrying on of their trade or profession as are so directed, and
 - (e) in relation to the activities of an unincorporated association or other body chargeable to corporation tax, being a body not established for profit whose activities are wholly or mainly carried on otherwise than for profit, but in the case of assets within head A of class 1 only if they are both occupied and used by the body, and in the case of other assets only if they are used by the body, as they apply in relation to a trade.

Status: This is the original version (as it was originally enacted).

- (2) In sections 152 to 157 and this section the expressions “trade”, “profession”, “vocation”, “office” and “employment” have the same meanings as in the Income Tax Acts, but not so as to apply the provisions of the Income Tax Acts as to the circumstances in which, on a change in the persons carrying on a trade, a trade is to be regarded as discontinued, or as set up and commenced.
- (3) Sections 152 to 157 and this section shall be construed as one.

159 Non-residents: roll-over relief

- (1) Section 152 shall not apply in the case of a person if the old assets are chargeable assets in relation to him at the time they are disposed of, unless the new assets are chargeable assets in relation to him immediately after the time they are acquired.
- (2) Subsection (1) above shall not apply where—
- (a) the person acquires the new assets after he has disposed of the old assets, and
 - (b) immediately after the time they are acquired the person is resident or ordinarily resident in the United Kingdom.
- (3) Subsection (2) above shall not apply where immediately after the time the new assets are acquired—
- (a) the person is a dual resident, and
 - (b) the new assets are prescribed assets.
- (4) For the purposes of this section an asset is at any time a chargeable asset in relation to a person if, were it to be disposed of at that time, any chargeable gains accruing to him on the disposal—
- (a) would be gains in respect of which he would be chargeable to capital gains tax under section 10(1), or
 - (b) would form part of his chargeable profits for corporation tax purposes by virtue of section 10(3).
- (5) In this section—
- “dual resident” means a person who is resident or ordinarily resident in the United Kingdom and falls to be regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom; and
- “prescribed asset”, in relation to a dual resident, means an asset in respect of which, by virtue of the asset being of a description specified in any double taxation relief arrangements, he falls to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to him on a disposal.
- (6) In this section—
- (a) “the old assets” and “the new assets” have the same meanings as in section 152,
 - (b) references to disposal of the old assets include references to disposal of an interest in them, and
 - (c) references to acquisition of the new assets include references to acquisition of an interest in them or to entering into an unconditional contract for the acquisition of them.

- (7) Where the acquisition of the new assets took place before 14th March 1989 and the disposal of the old assets took place, or takes place, on or after that date, this section shall not apply if the disposal of the old assets took place, or takes place, within 12 months of the acquisition of the new assets or such longer period as the Board may by notice allow.

160 Dual resident companies: roll-over relief

- (1) Where a company is a dual resident company at the time it disposes of the old assets and at the time it acquires the new assets, and the old assets are not prescribed assets at the time of disposal, section 152 shall not apply unless the new assets are not prescribed assets immediately after the time of acquisition.

- (2) In this section—

“dual resident company” means a company which is resident in the United Kingdom and falls to be regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom; and

“prescribed asset”, in relation to a dual resident company, means an asset in respect of which, by virtue of the asset being of a description specified in any double taxation relief arrangements, the company falls to be regarded for the purposes of the arrangements as not liable in the United Kingdom to tax on gains accruing to it on a disposal.

- (3) In this section—

- (a) “the old assets” and “the new assets” have the same meanings as in section 152,
(b) references to disposal of the old assets include references to disposal of an interest in them, and
(c) references to acquisition of the new assets include references to acquisition of an interest in them or to entering into an unconditional contract for the acquisition of them.

- (4) Where the acquisition of the new assets took place before 14th March 1989 and the disposal of the old assets took place, or takes place, on or after that date, this section shall not apply if the disposal of the old assets took place, or takes place, within 12 months of the acquisition of the new assets or such longer period as the Board may by notice allow.

Stock in trade

161 Appropriations to and from stock

- (1) Subject to subsection (3) below, where an asset acquired by a person otherwise than as trading stock of a trade carried on by him is appropriated by him for the purposes of the trade as trading stock (whether on the commencement of the trade or otherwise) and, if he had then sold the asset for its market value, a chargeable gain or allowable loss would have accrued to him, he shall be treated as having thereby disposed of the asset by selling it for its then market value.
- (2) If at any time an asset forming part of the trading stock of a person’s trade is appropriated by him for any other purpose, or is retained by him on his ceasing to carry on the trade, he shall be treated as having acquired it at that time for a consideration

Status: This is the original version (as it was originally enacted).

equal to the amount brought into the accounts of the trade in respect of it for tax purposes on the appropriation or on his ceasing to carry on the trade, as the case may be.

- (3) Subject to subsection (4) below, subsection (1) above shall not apply in relation to a person's appropriation of an asset for the purposes of a trade if he is chargeable to income tax in respect of the profits of the trade under Case I of Schedule D, and elects that instead the market value of the asset at the time of the appropriation shall, in computing the profits of the trade for purposes of tax, be treated as reduced by the amount of the chargeable gain or increased by the amount of the allowable loss referred to in subsection (1), and where that subsection does not apply by reason of such an election, the profits of the trade shall be computed accordingly.
- (4) If a person making an election under subsection (3) is at the time of the appropriation carrying on the trade in partnership with others, the election shall not have effect unless concurred in by the others.

Transfer of business to a company

162 Roll-over relief on transfer of business

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as "the new assets".

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate of the chargeable gains less allowable losses ("the amount of the gain on the old assets").
- (3) For the purpose of computing any chargeable gain accruing on the disposal of any new asset—
- (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and
 - (b) the sums allowable as a deduction under section 38(1)(a) shall be reduced by the amount apportioned to the new asset under paragraph (a) above;

and if the shares which comprise the new assets are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the transferor.

- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, it shall be the fraction—

$$\frac{\mathbf{A}}{\mathbf{B}}$$

of the amount of the gain on the old assets where—

"A" is the cost of the new assets, and

"B" is the value of the whole of the consideration received by the transferor in exchange for the business;

and for the purposes of this subsection “the cost of the new assets” means any sums which would be allowable as a deduction under section 38(1)(a) if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.

- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

Retirement relief

163 Relief for disposals by individuals on retirement from family business

- (1) Relief from capital gains tax shall be given, subject to and in accordance with Schedule 6, in any case where a material disposal of business assets is made by an individual who, at the time of the disposal—
- (a) has attained the age of 55, or
 - (b) has retired on ill-health grounds below the age of 55.
- (2) For the purposes of this section and Schedule 6, a disposal of business assets is—
- (a) a disposal of the whole or part of a business, or
 - (b) a disposal of one or more assets which, at the time at which a business ceased to be carried on, were in use for the purposes of that business, or
 - (c) a disposal of shares or securities of a company (including a disposal of an interest in shares which a person is treated as making by virtue of section 122),
- and the question whether such a disposal is a material disposal shall be determined in accordance with the following provisions of this section.
- (3) A disposal of the whole or part of a business is a material disposal if, throughout a period of at least one year ending with the date of the disposal, the relevant conditions are fulfilled and, in relation to such a disposal, those conditions are fulfilled at any time if at that time the business is owned by the individual making the disposal or—
- (a) the business is owned by a company—
 - (i) which is a trading company, and
 - (ii) which is either that individual’s family company or a member of a trading group of which the holding company is that individual’s family company; and
 - (b) that individual is a full-time working director of that company or, if that company is a member of a group or commercial association of companies, of one or more companies which are members of the group or association.
- (4) A disposal of assets such as is mentioned in subsection (2)(b) above is a material disposal if—
- (a) throughout a period of at least one year ending with the date on which the business ceased to be carried on the relevant conditions are fulfilled and, in relation to such a disposal, those conditions are fulfilled at any time if at that time either the business was owned by the individual making the disposal or paragraphs (a) and (b) of subsection (3) above apply; and
 - (b) on or before the date on which the business ceased to be carried on, the individual making the disposal had either attained the age of 55 or retired on ill-health grounds below that age; and

Status: This is the original version (as it was originally enacted).

- (c) the date on which the business ceased to be carried on falls within the permitted period before the date of the disposal.
- (5) A disposal of shares or securities of a company (including such a disposal of an interest in shares as is mentioned in subsection (2)(c) above) is a material disposal if, throughout a period of at least one year ending with the operative date, the relevant conditions are fulfilled and, in relation to such a disposal, those conditions are fulfilled at any time if at that time—
- (a) the individual making the disposal owns the business which, at the date of the disposal, is owned by the company or, if the company is the holding company of a trading group, by any member of the group; or
 - (b) the company is the individual's family company and is either a trading company or the holding company of a trading group and the individual is a full-time working director of the company or, if the company is a member of a group or commercial association of companies, of one or more companies which are members of the group or association;
- and, except where subsection (6) or subsection (7) below applies, the operative date for the purposes of this subsection is the date of the disposal.
- (6) In any case where—
- (a) within the permitted period before the date of the disposal referred to in subsection (5) above, the company concerned either ceased to be a trading company without continuing to be or becoming a member of a trading group or ceased to be a member of a trading group without continuing to be or becoming a trading company, and
 - (b) on or before the date of that cessation, the individual making the disposal attained the age of 55 or retired on ill-health grounds below that age,
- then, subject to subsection (7) below, the operative date for the purposes of subsection (5) above is the date of the cessation referred to in paragraph (a) above; and, where this subsection applies, the reference in subsection (5)(a) above to the date of the disposal shall also be construed as a reference to the date of that cessation.
- (7) If, throughout a period which ends on the date of the disposal referred to in subsection (5) above or, if subsection (6) above applies, on the date of the cessation referred to in paragraph (a) of that subsection and which begins when the individual concerned ceased to be a full-time working director of the company or, if that company is a member of a group or commercial association of companies, of one or more companies which are members of the group or association—
- (a) the company concerned was his family company and either a trading company or the holding company of a trading group, and
 - (b) he was a director of the company concerned or, as the case may be, of one or more members of the group or association and, in that capacity, devoted at least 10 hours per week (averaged over the period) to the service of the company or companies in a technical or managerial capacity,
- the operative date for the purposes of subsection (5) above is the date on which the individual ceased to be a full-time working director as mentioned above.
- (8) For the purposes of this section—
- (a) any reference to the disposal of the whole or part of a business by an individual includes a reference to the disposal by him of his interest in the assets of a partnership carrying on the business; and

- (b) subject to paragraph (a) above, at any time when a business is carried on by a partnership, the business shall be treated as owned by each individual who is at that time a member of the partnership.
- (9) Part I of Schedule 6 shall have effect for the interpretation of this section as well as of that Schedule.

- makes a relevant disposal of the whole or part of the assets provided or held for the purposes of an office or employment exercised by him; and, if he ceases to exercise that office or employment before the date of the relevant disposal, the date on which he ceased to exercise it is in subsection (2) below referred to as the “prior cessation date”.
- (2) For the purposes of subsection (1) above, a disposal of the whole or part of the assets provided or held as mentioned in that subsection is a relevant disposal if—

- (4) In relation to a disposal of shares or securities of a company (including such a disposal of an interest in shares as is mentioned in section 163(2)(c)), the conditions referred to in subsection (3)(b) above are—

- (b) that, throughout a period of at least one year ending as mentioned in paragraph (a) above, the qualifying beneficiary was a full-time working director of the company or, if the company is a member of a group or commercial association of companies, of one or more companies which are members of the group or association; and

- (c) that, on or before the date of the disposal or, if it was earlier, the date on which the qualifying beneficiary ceased to carry on that business, he attained the age of 55 or retired on ill-health grounds below that age.
- (6) In any case where—
- (a) by virtue of section 163, relief falls to be given, in accordance with Schedule 6, in respect of a material disposal of business assets which either consists of the disposal by an individual of his interest in the assets of a partnership or is of a description falling within subsection (5) of that section, and
- (b) the individual making that material disposal makes an associated disposal of assets, as defined in subsection (7) below,
- relief from capital gains tax shall also be given, subject to and in accordance with that Schedule in respect of the associated disposal.
- (7) In relation to a material disposal of business assets, a disposal of an asset is an associated disposal if—
- (a) it takes place as part of a withdrawal of the individual concerned from participation in the business carried on by the partnership referred to in subsection (6)(a) above or, as the case may be, by the company which owns the business as mentioned in section 163(5)(a); and
- (b) immediately before the material disposal or, if it was earlier, the cessation of the business mentioned in paragraph (a) above, the asset was in use for the purposes of that business; and
- (c) during the whole or part of the period in which the asset has been in the ownership of the individual making the disposal the asset has been used—
- (i) for the purposes of the business mentioned in paragraph (a) above (whether or not carried on by the partnership or company there referred to); or
- (ii) for the purposes of another business carried on by the individual or by a partnership of which the individual concerned was a member; or

Status: This is the original version (as it was originally enacted).

- (iii) for the purposes of another business in respect of which the conditions in paragraphs (a) and (b) of subsection (3) of section 163 were fulfilled.
- (8) In subsections (6) and (7) above “material disposal of business assets” has the same meaning as in section 163 and Part I of Schedule 6 shall have effect for the interpretation of this section as well as of that Schedule.

CHAPTER II

GIFTS OF BUSINESS ASSETS

165 Relief for gifts of business assets

- (1) If—
- (a) an individual (“the transferor”) makes a disposal otherwise than under a bargain at arm’s length of an asset within subsection (2) below, and
 - (b) a claim for relief under this section is made by the transferor and the person who acquires the asset (“the transferee”) or, where the trustees of a settlement are the transferee, by the transferor alone,
- then, subject to subsection (3) and sections 166 and 167, subsection (4) below shall apply in relation to the disposal.
- (2) An asset is within this subsection if—
- (a) it is, or is an interest in, an asset used for the purposes of a trade, profession or vocation carried on by—
 - (i) the transferor, or
 - (ii) his family company, or
 - (iii) a member of a trading group of which the holding company is his family company, or
 - (b) it consists of shares or securities of a trading company, or of the holding company of a trading group, where—
 - (i) the shares or securities are neither quoted on a recognised stock exchange nor dealt in on the Unlisted Securities Market, or
 - (ii) the trading company or holding company is the transferor’s family company.
- (3) Subsection (4) below does not apply in relation to a disposal if—
- (a) in the case of a disposal of an asset, any gain accruing to the transferor on the disposal is (apart from this section) wholly relieved under Schedule 6, or
 - (b) in the case of a disposal of shares or securities, the appropriate proportion determined under paragraph 7(2) or 8(2) of Schedule 6 of any gain accruing to the transferor on the disposal is (apart from this section) wholly relieved under that Schedule, or
 - (c) in the case of a disposal of qualifying corporate bonds, a gain is deemed to accrue by virtue of section 116(10)(b), or
 - (d) subsection (3) of section 260 applies in relation to the disposal (or would apply if a claim for relief were duly made under that section).
- (4) Where a claim for relief is made under this section in respect of a disposal—

Status: This is the original version (as it was originally enacted).

- (a) the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, and
 - (b) the amount of the consideration for which, apart from this section, the transferee would be regarded for the purposes of capital gains tax as having acquired the asset or, as the case may be, the shares or securities,
- shall each be reduced by an amount equal to the held-over gain on the disposal.
- (5) Part I of Schedule 7 shall have effect for extending the relief provided for by virtue of subsections (1) to (4) above in the case of agricultural property and for applying it in relation to settled property.
- (6) Subject to Part II of Schedule 7 and subsection (7) below, the reference in subsection (4) above to the held-over gain on a disposal is a reference to the chargeable gain which would have accrued on that disposal apart from subsection (4) above and (in appropriate cases) Schedule 6, and in subsection (7) below that chargeable gain is referred to as the unrelieved gain on the disposal.
- (7) In any case where—
- (a) there is actual consideration (as opposed to the consideration equal to the market value which is deemed to be given by virtue of section 17(1)) for a disposal in respect of which a claim for relief is made under this section, and
 - (b) that actual consideration exceeds the sums allowable as a deduction under section 38,
- the held-over gain on the disposal shall be the amount by which the unrelieved gain on the disposal exceeds the excess referred to in paragraph (b) above.
- (8) Subject to subsection (9) below, in this section and Schedule 7—
- (a) “family company”, “holding company”, “trading company” and “trading group” have the meanings given by paragraph 1 of Schedule 6, and
 - (b) “trade”, “profession” and “vocation” have the same meaning as in the Income Tax Acts.
- (9) In this section and Schedule 7 and in determining whether a company is a trading company for the purposes of this section and that Schedule, the expression “trade” shall be taken to include the occupation of woodlands where the woodlands are managed by the occupier on a commercial basis and with a view to the realisation of profits.
- (10) Where a disposal after 13th March 1989, in respect of which a claim is made under this section, is (or proves to be) a chargeable transfer for inheritance tax purposes, there shall be allowed as a deduction in computing (for capital gains tax purposes) the chargeable gain accruing to the transferee on the disposal of the asset in question an amount equal to whichever is the lesser of—
- (a) the inheritance tax attributable to the value of the asset, and
 - (b) the amount of the chargeable gain as computed apart from this subsection,
- and, in the case of a disposal which, being a potentially exempt transfer, proves to be a chargeable transfer, all necessary adjustments shall be made, whether by the discharge or repayment of capital gains tax or otherwise.
- (11) Where an amount of inheritance tax—
- (a) falls to be redetermined in consequence of the transferor’s death within 7 years of making the chargeable transfer in question, or
 - (b) is otherwise varied,

after it has been taken into account under subsection (10) above, all necessary adjustments shall be made, whether by the making of an assessment to capital gains tax or by the discharge or repayment of such tax.

166 Gifts to non-residents

- (1) Section 165(4) shall not apply where the transferee is neither resident nor ordinarily resident in the United Kingdom.
- (2) Section 165(4) shall not apply where the transferee is an individual or a company if that individual or company—
 - (a) though resident or ordinarily resident in the United Kingdom, is regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom, and
 - (b) by virtue of the arrangements would not be liable in the United Kingdom to tax on a gain arising on a disposal of the asset occurring immediately after its acquisition.

167 Gifts to foreign-controlled companies

- (1) Section 165(4) shall not apply where the transferee is a company which is within subsection (2) below.
- (2) A company is within this subsection if it is controlled by a person who, or by persons each of whom—
 - (a) is neither resident nor ordinarily resident in the United Kingdom, and
 - (b) is connected with the person making the disposal.
- (3) For the purposes of subsection (2) above, a person who (either alone or with others) controls a company by virtue of holding assets relating to that or any other company and who is resident or ordinarily resident in the United Kingdom shall be regarded as neither resident nor ordinarily resident there if—
 - (a) he is regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom, and
 - (b) by virtue of the arrangements he would not be liable in the United Kingdom to tax on a gain arising on a disposal of the assets.

168 Emigration of donee

- (1) If—
 - (a) relief is given under section 165 in respect of a disposal to an individual or under section 260 in respect of a disposal to an individual (“the relevant disposal”); and
 - (b) at a time when he has not disposed of the asset in question, the transferee becomes neither resident nor ordinarily resident in the United Kingdom,then, subject to the following provisions of this section, a chargeable gain shall be deemed to have accrued to the transferee immediately before that time, and its amount shall be equal to the held-over gain (within the meaning of section 165 or 260) on the relevant disposal.
- (2) For the purposes of subsection (1) above the transferee shall be taken to have disposed of an asset before the time there referred to only if he has made a disposal or disposals

Status: This is the original version (as it was originally enacted).

in connection with which the whole of the held-over gain on the relevant disposal was represented by reductions made in accordance with section 165(4)(b) or 260(3)(b) and where he has made a disposal in connection with which part of that gain was so represented, the amount of the chargeable gain deemed by virtue of this section to accrue to him shall be correspondingly reduced.

- (3) The disposals by the transferee that are to be taken into account under subsection (2) above shall not include any disposal to which section 58 applies; but where any such disposal is made by the transferee, disposals by his spouse shall be taken into account under subsection (2) above as if they had been made by him.
- (4) Subsection (1) above shall not apply by reason of a person becoming neither resident nor ordinarily resident more than 6 years after the end of the year of assessment in which the relevant disposal was made.
- (5) Subsection (1) above shall not apply in relation to a disposal made to an individual if—
 - (a) the reason for his becoming neither resident nor ordinarily resident in the United Kingdom is that he works in an employment or office all the duties of which are performed outside the United Kingdom, and
 - (b) he again becomes resident or ordinarily resident in the United Kingdom within the period of 3 years from the time when he ceases to be so, without having meanwhile disposed of the asset in question;
 and accordingly no assessment shall be made by virtue of subsection (1) above before the end of that period in any case where the condition in paragraph (a) above is, and the condition in paragraph (b) above may be, satisfied.
- (6) For the purposes of subsection (5) above a person shall be taken to have disposed of an asset if he has made a disposal in connection with which the whole or part of the held-over gain on the relevant disposal would, had he been resident in the United Kingdom, have been represented by a reduction made in accordance with section 165(4)(b) or 260(3)(b) and subsection (3) above shall have effect for the purposes of this subsection as it has effect for the purposes of subsection (2) above.
- (7) Where an amount of tax assessed on a transferee by virtue of subsection (1) above is not paid within the period of 12 months beginning with the date when the tax becomes payable then, subject to subsection (8) below, the transferor may be assessed and charged (in the name of the transferee) to all or any part of that tax.
- (8) No assessment shall be made under subsection (7) above more than 6 years after the end of the year of assessment in which the relevant disposal was made.
- (9) Where the transferor pays an amount of tax in pursuance of subsection (7) above, he shall be entitled to recover a corresponding sum from the transferee.
- (10) Gains on disposals made after a chargeable gain has under this section been deemed to accrue by reference to a held-over gain shall be computed without any reduction under section 165(4)(b) or 260(3)(b) in respect of that held-over gain.

169 Gifts into dual resident trusts

- (1) This section applies where there is or has been a disposal of an asset to the trustees of a settlement in such circumstances that, on a claim for relief, section 165 or 260 applies, or would but for this section apply, so as to reduce the amounts of the chargeable gain and the consideration referred to in section 165(4) or 260(3).

Status: This is the original version (as it was originally enacted).

- (2) In this section “a relevant disposal” means such a disposal as is referred to in subsection (1) above.
- (3) Relief under section 165 or 260 shall not be available on a relevant disposal if—
- (a) at the material time the trustees to whom the disposal is made fall to be treated, under section 69, as resident and ordinarily resident in the United Kingdom, although the general administration of the trust is ordinarily carried on outside the United Kingdom; and
 - (b) on a notional disposal of the asset concerned occurring immediately after the material time, the trustees would be regarded for the purposes of any double taxation relief arrangements—
 - (i) as resident in a territory outside the United Kingdom; and
 - (ii) as not liable in the United Kingdom to tax on a gain arising on that disposal.
- (4) In subsection (3) above—
- (a) “the material time” means the time of the relevant disposal; and
 - (b) a “notional disposal” means a disposal by the trustees of the asset which was the subject of the relevant disposal.
