1993 CHAPTER 10

PART IX

Local charities

76 Local authority's index of local charities

- (1) The council of a county or of a district or London borough and the Common Council of the City of London may maintain an index of local charities or of any class of local charities in the council's area, and may publish information contained in the index, or summaries or extracts taken from it.
- (2) A council proposing to establish or maintaining under this section an index of local charities or of any class of local charities shall, on request, be supplied by the Commissioners free of charge with copies of such entries in the register of charities as are relevant to the index or with particulars of any changes in the entries of which copies have been supplied before; and the Commissioners may arrange that they will without further request supply a council with particulars of any such changes.
- (3) An index maintained under this section shall be open to public inspection at all reasonable times.
- (4) A council may employ any voluntary organisation as their agent for the purposes of this section, on such terms and within such limits (if any) or in such cases as they may agree; and for this purpose "voluntary organisation" means any body of which the activities are carried on otherwise than for profit, not being a public or local authority.
- (5) A joint board discharging any of a council's functions shall have the same powers under this section as the council as respects local charities in the council's area which are established for purposes similar or complementary to any services provided by the board.
