## 1993 CHAPTER 11

### PART III

#### SMOKE CONTROL AREAS

##### Modifications etc. (not altering text)

- C1** [Pt. III](#) functions etc. assigned to the port health authority and modified (E.) (31.3.2017) by [The Weymouth Port Health Authority Order 2017 \(S.I. 2017/558\)](#), arts. 1(1), 9, [Sch. 2](#) (with art. 9(3))

#### *Creation of smoke control areas*

#### **18 Declaration of smoke control area by local authority.**

- (1) A local authority may by order declare the whole or any part of the district of the authority to be a smoke control area; and any order made under this section is referred to in this Act as a “smoke control order”.

- (2) A smoke control order—

- (a) may make different provision for different parts of the smoke control area;
- (b) may limit the operation of section 20 (prohibition of emissions of smoke [<sup>F1</sup>in Wales]) [<sup>F2</sup>or Schedule 1A (penalty for emission of smoke in England)] to specified classes of building in the area; and
- (c) may exempt specified buildings or classes of building or specified fireplaces or classes of fireplace in the area from the operation of that section [<sup>F3</sup>or Schedule], upon such conditions as may be specified in the order;

and the reference in paragraph (c) to specified buildings or classes of building include a reference to any specified, or to any specified classes of, fixed boiler or industrial plant.

- [<sup>F4</sup>(2A) For the purposes of this Part a smoke control order in England “applies” to a building, fireplace, fixed boiler or industrial plant if the operation of Schedule 1A is not excluded in relation to it by virtue of subsection (2)(b) or (c).]

### 19 Power of Secretary of State to require creation of smoke control areas. E+W

- (1) If, after consultation with a local authority, the Secretary of State is satisfied—
  - (a) that it is expedient to abate the pollution of the air by smoke in the district or part of the district of the authority; and
  - (b) that the authority have not exercised, or have not sufficiently exercised, their powers under section 18 (power to declare smoke control area) to abate the pollution,

he may direct the authority to prepare and submit to him for his approval, within such period not being less than six months from the direction as may be specified in the direction, proposals for making and bringing into operation one or more smoke control orders within such period or periods as the authority think fit.
- (2) Any proposals submitted by a local authority in pursuance of a direction under subsection (1) may be varied by further proposals submitted by the authority within the period specified for the making of the original proposals or such longer period as the Secretary of State may allow.
- (3) The Secretary of State may reject any proposals submitted to him under this section or may approve them in whole or in part, with or without modifications.
- (4) Where a local authority to whom a direction under subsection (1) has been given—
  - (a) fail to submit proposals to the Secretary of State within the period specified in the direction; or
  - (b) submit proposals which are rejected in whole or in part,

the Secretary of State may make an order declaring them to be in default and directing them for the purposes of removing the default to exercise their powers under section 18 in such manner and within such period as may be specified in the order.
- (5) An order made under subsection (4) may be varied or revoked by a subsequent order so made.
- (6) While proposals submitted by a local authority and approved by the Secretary of State under this section are in force, it shall be the duty of the authority to make such order or orders under section 18 as are necessary to carry out the proposals.

### 19 Power of Secretary of State to require creation of smoke control areas. **S**

- (1) If, after consultation with a local authority, the [<sup>F58</sup>Scottish Environment Protection Agency (in this section referred to as “the Agency”)] is satisfied—
- (a) that it is expedient to abate the pollution of the air by smoke in the district or part of the district of the authority; and
  - (b) that the authority have not exercised, or have not sufficiently exercised, their powers under section 18 (power to declare smoke control area) to abate the pollution,
- [<sup>F59</sup>the Agency] may direct the authority to prepare and submit to [<sup>F59</sup>it] for [<sup>F59</sup>its] approval, within such period not being less than six months from the direction as may be specified in the direction, proposals for making and bringing into operation one or more smoke control orders within such period or periods as the authority think fit.
- (2) Any proposals submitted by a local authority in pursuance of a direction under subsection (1) may be varied by further proposals submitted by the authority within the period specified for the making of the original proposals or such longer period as the [<sup>F60</sup>Agency] may allow.
- (3) The [<sup>F60</sup>Agency] may reject any proposals submitted to [<sup>F61</sup>it] under this section or may approve them in whole or in part, with or without modifications.
- (4) Where a local authority to whom a direction under subsection (1) has been given—
- (a) fail to submit proposals to the [<sup>F60</sup>Agency] within the period specified in the direction; or
  - (b) submit proposals which are rejected in whole or in part,
- [<sup>F62</sup>the Agency, with the consent of] the Secretary of State may make an order declaring them to be in default and directing them for the purposes of removing the default to exercise their powers under section 18 in such manner and within such period as may be specified in the order.
- (5) An order made under subsection (4) may be varied or revoked by a subsequent order so made.
- (6) While proposals submitted by a local authority and approved by the [<sup>F60</sup>Agency] under this section are in force, it shall be the duty of the authority to make such order or orders under section 18 as are necessary to carry out the proposals.

### *Adaptation of fireplaces*

## **24 Power of local authority to require adaptation of fireplaces in private dwellings.**

- (1) The local authority may, by notice in writing served on the occupier or owner of a private dwelling which is, or when a smoke control order comes into operation will be, within a smoke control area, require the carrying out of adaptations in or in connection with the dwelling to avoid contraventions of section 20 (prohibition of smoke emissions in smoke control area [<sup>F40</sup>in Wales]) [<sup>F41</sup>or the imposition of a financial penalty under Schedule 1A (penalty for emission of smoke in England)].
- (2) The provisions of Part XII of the <sup>M1</sup>Public Health Act 1936 with respect to appeals against, and the enforcement of, notices requiring the execution of works shall apply in relation to any notice under subsection (1).
- (3) Any reference in those provisions to the expenses reasonably incurred in executing the works shall, in relation to a notice under subsection (1), be read as a reference to three-tenths of those expenses or such smaller fraction of those expenses as the local authority may in any particular case determine.
- (4) In the application of this section to Scotland—
  - (a) subsections (2) and (3) shall be omitted;
  - (b) section 111 of the <sup>M2</sup>Housing (Scotland) Act 1987 (which provides for an appeal to the sheriff against certain notices, demands and orders under that Act) shall apply in relation to a notice under subsection (1) of this section as it applies in relation to a repair notice under that Act; and
  - (c) subject to any such right of appeal as is mentioned in paragraph (b), if any person on whom a notice under subsection (1) is served fails to execute the works required by the notice within the time limited by the notice, the local authority may themselves execute the works and may recover from that person three-tenths, or such smaller fraction as the local authority may in any particular case determine, of the expenses reasonably incurred by them in so doing.

## [<sup>F45</sup>26A Duty of local authority to reimburse for adaptations of vessels in England

- (1) This section applies where—
  - (a) a local authority in England makes a smoke control order,
  - (b) as a result of the order a vessel will, when the order comes into operation, be within a smoke control area and subject to the operation of Schedule 1A,
  - (c) the owner or occupier of the vessel has a right to moor the vessel at a single mooring place within that area for the period which—
    - (i) begins on the day on which the smoke control order is made, and
    - (ii) ends six months after it comes into operation, and
  - (d) the owner or occupier does not have access to a mains electricity or gas supply at the mooring place.
- (2) If—
  - (a) before the coming into operation of the order, the owner or occupier incurs expenditure on adaptations to or in connection with the vessel to avoid the imposition of a penalty under Schedule 1A,
  - (b) the expenditure is incurred with the approval of the local authority given for the purpose of this section, and
  - (c) the adaptations are completed to the satisfaction of the local authority,
 the authority must pay to the owner or occupier of the vessel 70% of the expenditure.
- (3) That amount must be paid in equal instalments every month for a period of six months.
- (4) But the duty to pay instalments under this section ceases if, at any time after the coming into operation of the smoke control order—
  - (a) the owner or occupier of the vessel ceases to have the right to moor the vessel at the single mooring place mentioned in subsection (1)(c), or
  - (b) the vessel is absent from the smoke control area for a period of, or periods together totalling, three months.]

- (d) providing gas ignition, electric ignition or any other special means of ignition; or
  - (e) carrying out any operation incidental to any of the operations mentioned in paragraphs (a) to (d);
- being works which are reasonably necessary in order to make what is in all the circumstances suitable provision for heating and cooking without contraventions of section 20 [<sup>F49</sup>or incurring liability under Schedule 1A].
- (2) For the purposes of this section the provision of any igniting apparatus or appliance (whether fixed or not) operating by means of gas, electricity or other special means shall be treated as the execution of works.
  - (3) Except for the purposes of section 24 (power of local authority to require certain adaptations), works which make such suitable provision as is mentioned in subsection (1) shall not be treated as not being adaptations to avoid contraventions of section 20 of this Act [<sup>F50</sup>or liability under Schedule 1A to this Act] by reason that they go beyond what is reasonably necessary for that purpose, but any expenditure incurred in executing them in excess of the expenditure which would have been reasonably incurred in doing what was reasonably necessary shall be left out of account.
  - (4) References in this section to a dwelling include references to any premises or part of any premises to which section 26 (grants towards certain adaptations in churches and other buildings) applies [<sup>F51</sup>, and to any vessel to which section 26 or 26A (adaptations of vessels in England) applies].
