 - (a) any insurance money payable to [^{F17}a member] under a stop-loss insurance in respect of a loss in his underwriting business; and
 - (b) any amount payable to a member out of the High Level Stop Loss Fund in respect of such a loss,

shall be treated as a trading receipt in computing the profits arising from that business for the year of assessment which corresponds to the underwriting year in which the loss [^{F18}was declared].

- (3) Where, as respects the payment of any such insurance money or amount as is mentioned in subsection (2) above—

and where the taking over of a member’s rights and liabilities is conditional upon the occurrence of any event, the contract does not take effect until that event occurs; and

“transferred loss”, in relation to such a contract, means a loss for which that other person takes over liability under the contract (disregarding, in the case of a loss that has been declared at the time it is taken over, any part of it in respect of which the member has paid a cash call before that time).]
