PART 1

CHARGE TO VAT FOR ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

Charge to VAT

- 1 (1) VAT is charged, in accordance with this Schedule, on the acquisition in Northern Ireland of goods from a member State—
- (a) by reference to the value of the acquisition as determined under Part 2 of this Schedule, and
 - (b) subject to paragraph 16, at the rate of VAT for the time being in force under section 2.
- (2) VAT charged on the acquisition of goods in Northern Ireland from a member State is a liability of the person who acquires the goods and (subject to provisions about accounting and payment) becomes due at the time of acquisition.
- (3) VAT charged on the acquisition of goods in Northern Ireland from a member State in accordance with this Schedule is referred to in this Schedule as “NI acquisition VAT”.
- (4) References to VAT (without more) in this Act include NI acquisition VAT.
- (5) The Commissioners may by regulations make provision about (including provision modifying) the application of provision that applies to value added tax made by or under any enactment (including provision made by or under this Act) to NI acquisition VAT or to goods acquired in Northern Ireland from a member State.

Scope of NI acquisition VAT

- 2 (1) NI acquisition VAT is charged on any acquisition from a member State of any goods where—
- (a) the acquisition is a taxable acquisition,
 - (b) it takes place in Northern Ireland,
 - (c) it is not in pursuance of a taxable supply (see section 4(2)), and

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (d) the person who makes it is a taxable person or the goods acquired are subject to a duty of excise or consist in a new means of transport.
- (2) In this Act, a “taxable acquisition” means an acquisition of goods from a member State that—
- (a) is not an exempt acquisition (see paragraph 17(5)), and
 - (b) falls within sub-paragraph (3) or is an acquisition of goods consisting in a new means of transport.
- (3) An acquisition of goods from a member State falls within this sub-paragraph if—
- (a) the goods are acquired in the course or furtherance of—
 - (i) any business carried on by any person, or
 - (ii) any activities carried on otherwise than by way of business by any body corporate or by any club, association, organisation or other unincorporated body,
 - (b) it is the person who carries on that business or those activities who acquires the goods, and
 - (c) the supplier—
 - (i) is taxable in a member State at the time of the transaction in pursuance of which the goods are acquired, and
 - (ii) in participating in that transaction, acts in the course or furtherance of a business carried on by the supplier.

Meaning of acquisition of goods from a member State

- 3 (1) References in this Act to the acquisition of goods from a member State are to an acquisition of goods in pursuance of a transaction that—
- (a) is a supply of goods (including anything treated for the purposes of this Act as a supply of goods), and
 - (b) involves the removal of the goods from a member State (whether by or under the direction of the supplier, the person who acquires the goods or any other person),
- and references in this Act, in relation to such an acquisition, to the supplier are to be construed accordingly.
- (2) Where the person with the property in any goods does not change in consequence of anything which is treated for the purposes of this Act as a supply of goods, that supply is to be treated for the purposes of this Act as a transaction in pursuance of which there is an acquisition by the person making the supply.
- (3) The Treasury may by regulations make provision about the circumstances in which an acquisition of goods is not to be treated as an acquisition of goods from a member State.

Time of acquisition

- 4 (1) For the purposes of this Act, the normal rule for determining the time that goods were acquired from a member State is that they are treated as being acquired on the earlier of—
- (a) the 15th day of the month after the month in which the first removal of the goods occurs, and

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (b) the day a relevant invoice is issued in respect of the transaction in pursuance of which the goods were acquired.
- (2) But—
 - (a) different rules apply to acquisitions to which Part 4 of Schedule 9ZB applies (warehouses), and
 - (b) the Commissioners may by regulations provide for different rules to apply in any case described in those regulations.
- (3) Regulations under sub-paragraph (2)(b) may include provision treating an acquisition as a series of acquisitions taking place at different times.
- (4) In sub-paragraph (1) “relevant invoice” means an invoice of a description prescribed by regulations made by the Commissioners.
- (5) For the purposes of this Act “first removal”, in relation to goods acquired, means the first removal of the goods in the course of the transaction in pursuance of which they are acquired.

Place of acquisition

- 5 (1) For the purposes of this Act, the normal rule for determining whether goods are acquired in Northern Ireland is that they are treated as being acquired in Northern Ireland if—
 - (a) they are acquired in pursuance of a transaction which involves their removal from a member State to Northern Ireland and which does not involve their removal from Northern Ireland, or
 - (b) they are acquired by a person who, for the purposes of their acquisition, makes use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier (see paragraph 7).
- (2) But—
 - (a) goods are not treated as being acquired in Northern Ireland by virtue of sub-paragraph (1)(b) where it is established in accordance with regulations made by the Commissioners that VAT—
 - (i) has been paid in a member State on the acquisition of those goods, and
 - (ii) fell to be paid by virtue of provisions of the law of that member State corresponding, in relation to that member State, to the provision made by sub-paragraph (1)(a), and
 - (b) different rules apply to acquisitions to which paragraph 16 or 17 of Schedule 9ZB applies.
- (3) If an acquisition of goods is not treated, for the purposes of this Act, as taking place in Northern Ireland it is treated for those purposes as an acquisition taking place outside Northern Ireland.
- (4) The Commissioners may by regulations make provision—
 - (a) about the circumstances in which a person is to be treated as having made use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier for the purposes of the acquisition of any goods, and

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (b) for the refund, in prescribed circumstances, of NI acquisition VAT paid on acquisitions of goods in relation to which the conditions in sub-paragraph (2) (a)(i) and (ii) are met.

Acquisitions from persons belonging in member States

- 6 (1) Sub-paragraph (2) applies where—
- (a) a person (“the original supplier”) makes a supply of goods to a person who belongs in a member State (“the intermediate supplier”),
 - (b) that supply involves the removal of the goods from a member State and their removal to Northern Ireland but does not involve the removal of the goods from Northern Ireland,
 - (c) both that supply and the removal of the goods to Northern Ireland are for the purposes of the making of a supply by the intermediate supplier to another person (“the customer”) who is registered under this Act,
 - (d) neither of those supplies involves the removal of the goods from a member State in which the intermediate supplier is taxable at the time of the removal without also involving the previous removal of the goods to that member State, and
 - (e) there would be a taxable acquisition by the customer if the supply to the customer involved the removal of goods from a member State to Northern Ireland.
- (2) Where this sub-paragraph applies—
- (a) the supply by the original supplier to the intermediate supplier is ignored for the purposes of this Act, and
 - (b) the supply by the intermediate supplier to the customer is treated for the purposes of this Act, other than for the purposes of Part 8 of this Schedule, as if it did involve the removal of the goods from a member State to Northern Ireland.
- (3) For the purposes of this Act, other than for the purposes of Part 8 of this Schedule, a supply of goods is treated as involving their removal from a member State to Northern Ireland, and is treated as not being a taxable supply if—
- (a) the supply is made by a person belonging in a member State to a person who is registered under this Act,
 - (b) the supply involves the installation or assembly of the goods at a place in Northern Ireland to which they are removed, and
 - (c) were the supply to be treated as described in the words before paragraph (a), there would be a taxable acquisition by the registered person.
- (4) But neither sub-paragraph (2) nor sub-paragraph (3) applies in relation to a supply unless—
- (a) in the case of sub-paragraph (2), the intermediate supplier, or
 - (b) in the case of sub-paragraph (3), the person making the supply,
- complies with such requirements to provide information to the Commissioners or to the person supplied as may be specified in regulations made by the Commissioners.
- (5) The requirements to provide information that may be specified in regulations include—
- (a) requirements to provide documents (for example, invoices);

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (b) requirements to provide information or documents before a supply is made (as well as after);
 - (c) requirements as to the content and form of information or documents to be provided;
 - (d) requirements as to the manner in which information or documents are to be provided.
- (6) Where a taxable acquisition is treated as having been made by virtue of this paragraph, that acquisition is treated as taking place at the time referred to in paragraph 4(1)(b) (day on which invoice issued).
- (7) For the purposes of this paragraph a person belongs in a member State if—
- (a) the person is taxable in a member State,
 - (b) the person does not have any business establishment or other fixed establishment in Northern Ireland,
 - (c) the person's usual place of residence is not in Northern Ireland,
 - (d) the person is not identified for the purposes of VAT in Northern Ireland and is not required, as a result of regulations under paragraph 7, to make a request to be so identified, and
 - (e) the person does not have a VAT representative who is identified for the purposes of VAT in Northern Ireland in connection with acting on the person's behalf, and is not for the time being required to appoint one who would be identified for those purposes.
- (8) In determining, for the purposes of sub-paragraph (7)(d), whether a person is required to be registered under this Act, ignore any supplies made by the person that would be ignored for the purposes of this Act if the person belonged in a member State and complied with the information requirements that would apply by virtue of sub-paragraph (4).
- (9) Where—
- (a) any goods are acquired from a member State in a case which corresponds, in relation to another member State, to the case described in sub-paragraph (1) in relation to Northern Ireland, and
 - (b) the person who acquires the goods is registered under this Act, is identified for the purposes of VAT in Northern Ireland and would be the intermediate supplier in relation to that corresponding case,
- the supply to that person of those goods and the supply by that person of those goods to the person who would be the customer in that corresponding case are to be ignored for the purposes of this Act.
- (10) References in this paragraph to a person being taxable in a member State do not include references to a person who is so taxable by virtue only of provisions of the law of that member State corresponding to the provisions of this Act by virtue of which a person who is not registered under this Act is a taxable person if the person is required to be so registered.

Identification of persons for the purposes of VAT in Northern Ireland

- 7 (1) The Commissioners may by regulations make provision for the identification of persons for the purposes of VAT in Northern Ireland.

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (2) In this Act “identified for the purposes of VAT in Northern Ireland” means identified in accordance with regulations under this paragraph.
- (3) A person may only be identified for the purposes of VAT in Northern Ireland if—
- (a) the person is registered under this Act,
 - I the person is registered under the OSS scheme or a participant in a non-UK scheme within the meaning of Schedule 9ZD,] or
 - (b) the person acts on behalf of a person in relation to VAT in Northern Ireland as a VAT representative.
- (4) Regulations may make provision—
- (a) about the circumstances in which a person may request to be identified for the purposes of VAT in Northern Ireland;
 - (b) for a person to be required to request to be identified for the purposes of Northern Ireland VAT;
 - (c) about the circumstances in which the Commissioners may determine that a person is identified for the purposes of VAT in Northern Ireland otherwise than at the person's request;
 - (d) requiring a person to notify the Commissioners of such matters as may be specified for the purpose of allowing the Commissioners to ascertain whether a person should be identified for the purposes VAT in Northern Ireland;
 - (e) about the circumstances in which a person is to be treated, for such purposes as may be specified, as if they were identified for the purposes of VAT in Northern Ireland (and which may include circumstances where the person is neither registered under this Act nor acting as a VAT representative);
 - (f) about the circumstances in which a person ceases to be identified for the purposes of VAT in Northern Ireland.
- (5) Regulations may also make provision—
- (a) about a specified means of communicating the fact of a person's identification for the purposes of VAT in Northern Ireland (and that means is referred to in this Act as an “NI VAT identifier”);

PART 2

VALUATION OF ACQUISITIONS

Valuation of acquisitions from member States

- 8
- (1) For the purposes of this Act the value of any acquisition of goods from a member State is taken to be the value of the transaction in pursuance of which they are acquired.
 - (2) Where goods are acquired from a member State otherwise than in pursuance of a taxable supply, the value of the transaction in pursuance of which they are acquired is to be determined for the purposes of sub-paragraph (1) in accordance with this Part, and for those purposes—
 - (a) sub-paragraphs (3) to (5) have effect subject to paragraphs 9 to 13, and
 - (b) section 19 and Schedule 6 do not apply in relation to the transaction.
 - (3) If the transaction is for a consideration in money, its value is taken to be such amount as is equal to the consideration.
 - (4) If the transaction is for a consideration not consisting or not wholly consisting of money, its value is taken to be such amount in money as is equivalent to the consideration.
 - (5) Where a transaction in pursuance of which goods are acquired from a member State is not the only matter to which a consideration in money relates, the transaction is deemed to be for such part of the consideration as is properly attributable to it.

Transactions below market value

- 9
- (1) Where, in the case of the acquisition of any goods from a member State—
 - (a) the relevant transaction (see paragraph 13) is for a consideration in money,
 - (b) the value of the relevant transaction is (apart from this paragraph) less than the transaction's open market value,
 - (c) the supplier and the person who acquires the goods are connected, and
 - (d) that person is not entitled under sections 25 and 26 to credit for all the VAT on the acquisition,the Commissioners may direct that the value of the relevant transaction is taken to be its open market value.
 - (2) A direction under this paragraph must be given—
 - (a) by notice in writing to the person by whom the acquisition in question is made, and
 - (b) within the period of 3 years commencing with the relevant time (see paragraph 13).
 - (3) A direction given to a person under this paragraph in respect of a transaction may include a direction that the value of any transaction—

is be taken to be its open market value.

- (4) For the purposes of this paragraph, the open market value of a transaction in pursuance of which goods are acquired from a member State is to be taken to be the amount which would fall to be taken as its value under paragraph 8(3) if it were for such consideration in money as would be payable by a person standing in no such relationship with any person as would affect that consideration.
- (5) Section 1122 of the Corporation Tax Act 2010 (“connected” persons) applies for the purpose of determining whether a person is connected with another for the purposes of this paragraph.

 - (c) that is not an acquisition that is treated, by virtue of paragraph 16(7) of Schedule 9ZB, as taking place before the time which is the duty point (within the meaning given by paragraph 16(11) of that Schedule).
- (2) The value of the relevant transaction in relation to an acquisition to which this paragraph applies is the sum of the value of that transaction (apart from this paragraph) and the total amount of relevant duty charged that is not already reflected in the value of that transaction.
- (3) In this paragraph “relevant duty” in relation to an acquisition means—
 - (a) a duty of excise charged in connection with the removal of goods to Northern Ireland;

Transfer or disposal for no consideration

- 11 (1) Where goods are acquired from a member State in pursuance of anything which is treated as a supply for the purposes of this Act as a result of paragraph 5(1) of Schedule 4 or paragraph 30 of Schedule 9ZB and there is no consideration, sub-paragraph (3) applies for determining the value of the relevant transaction.
- (2) Sub-paragraph (3) also applies for determining the value of the relevant transaction in the case of an acquisition by a supplier that is deemed to take place as a result of paragraph 60(2)(c) or 61(2)(c).
- (3) The value of the relevant transaction is taken to be—
 - (a) such consideration in money as would be payable by the supplier if the supplier were, at the time of the acquisition, to purchase goods identical in every respect (including age and condition) to the goods concerned,

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

 - (c) where the value cannot be ascertained in accordance with paragraph (a) or (b), the cost of producing the goods concerned if they were produced at that time.
- (4) For the purposes of sub-paragraph (3), the amount of consideration in money that would be payable by any person if the person were to purchase any goods is taken to be the amount that would be so payable after the deduction of any amount included in the purchase price in respect of VAT on the supply of the goods to that person.

Foreign currency transactions

- 12 (1) Subject to the following provisions of this paragraph, where—
- (a) goods are acquired from a member State, and
 - (b) any sum relevant for determining the value of the relevant transaction is expressed in a currency other than sterling,
- then, for the purpose of valuing the relevant transaction, that sum is to be converted into sterling at the market rate which, on the relevant day, would apply in the United Kingdom to a purchase with sterling of that sum in the currency in question by the person making the acquisition.
- (2) Where the Commissioners have published a notice which, for the purposes of this paragraph, specifies—
- (a) rates of exchange, or
 - (b) methods of determining rates of exchange,
- a rate specified in or determined in accordance with the notice, as for the time being in force, applies (instead of the rate for which sub-paragraph (1) provides) in the case of any transaction in pursuance of which goods are acquired by a person who opts, in such manner as may be allowed by the Commissioners, for the use of that rate in relation to that transaction.
- (3) An option for the purposes of sub-paragraph (2) for the use of a particular rate or method of determining a rate—
- (a) may not be exercised by any person except in relation to all such transactions in pursuance of which goods are acquired by the person from a member State as are of a particular description or after a particular date, and
 - (b) may not be withdrawn or varied except with the consent of the Commissioners and in such manner as they may require.
- (4) In specifying a method of determining a rate of exchange, a notice published by the Commissioners under sub-paragraph (2) may allow a person to apply to the Commissioners for the use, for the purpose of valuing some or all of the transactions in pursuance of which goods are acquired by the person from a member State, of a rate of exchange which is different from any which would otherwise apply.
- (5) On an application made in accordance with provision contained in a notice under sub-paragraph (4), the Commissioners may authorise the use with respect to the applicant of such a rate of exchange, in such circumstances, in relation to such transactions and subject to such conditions as they think fit.

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (6) A notice published by the Commissioners for the purposes of this paragraph may be withdrawn or varied by a subsequent notice published by the Commissioners.
- (7) Where goods are acquired from a member State, the appropriate rate of exchange is to be determined for the purpose of valuing the relevant transaction by reference to the relevant time; and, accordingly, the day on which that time falls is the relevant day for the purposes of sub-paragraph (1).

Meaning of “relevant transaction” and “relevant time”

- 13 In this Part of this Schedule—
- “relevant transaction”, in relation to any acquisition of goods from a member State, means the transaction in pursuance of which the goods are acquired;
 - “the relevant time”, in relation to any such acquisition, means—
 - (a) if the person by whom the goods are acquired is not a taxable person and the time of acquisition does not fall to be determined in accordance with regulations made under paragraph 4(2)(b), the time of the first removal of the goods (see paragraph 4(5)), and
 - (b) in any other case, the time of acquisition.

PART 4

RELIEFS ETC

- (2) Regulations under this paragraph may provide that sub-paragraph (1)(a) does not apply to a description of a supply specified in Schedule 7A that is specified in those regulations.

- (2) The Commissioners must register any such person (whether or not the person has notified them) with effect from the day on which the liability arose or from such earlier time as may be agreed between the Commissioners and the person.

Request to be registered

- 51 (1) Where a person who is not liable to be registered under this Act and is not already so registered—
- (a) satisfies the Commissioners that the person intends—
 - (i) to exercise an option such as is mentioned in paragraph 48(2) and, from a specified date, to make relevant supplies to which that option will relate,
 - (ii) from a specified date to make relevant supplies to which any such option that the person has exercised will relate, or

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (iii) from a specified date to make supplies in relation to which the conditions mentioned in paragraph 48(3) will be satisfied, and
- (b) requests to be registered under this Part of this Schedule,
- the Commissioners may, subject to such conditions as they think fit to impose, register the person with effect from such date as may be agreed between the Commissioners and the person.
- (2) Conditions imposed under sub-paragraph (1) may—
- (a) be imposed wholly or partly by reference to, or without reference to, any conditions prescribed for the purposes of this paragraph, and
- (b) be subsequently varied by the Commissioners (whenever the conditions were imposed).
- (3) Where a person who is entitled to be registered under paragraph 9 or 10 of Schedule 1 requests registration under this paragraph, the person is to be registered under that Schedule, and not under this Part of this Schedule.

Notification of matters affecting continuance of registration

- 52 (1) Any person registered under this Part of this Schedule who ceases to be registrable under this Act must notify the Commissioners of that fact within 30 days of the day on which the person ceases to be registrable.
- (2) A person registered under paragraph 51 by reference to any intention to exercise any option or to make supplies of any description must notify the Commissioners within 30 days of exercising that option or, as the case may be, of the first occasion after registration when the person makes such a supply, that the person has exercised the option or made such a supply.
- (3) A person who has exercised an option mentioned in paragraph 48(2) which, as a consequence of the option's revocation or otherwise, ceases to have effect in relation to any relevant supplies by the person must notify the Commissioners, within 30 days of the option's ceasing so to have effect, that it has done so.

- 53 (1) Where a person registered under this Part of this Schedule satisfies the Commissioners that the person is not liable to be so registered, the Commissioners must, if the person so requests, cancel that registration with effect from the day on which the request is made or from such later date as may be agreed between the Commissioners and the person.

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (2) Where the Commissioners are satisfied that a person who has been registered under paragraph 51 and is not for the time being liable to be registered under this Part of this Schedule—
- (a) has not, by the date specified in the person's request to be registered, begun to make relevant supplies, exercised the option in question or, as the case may be, begun to make supplies in relation to which the conditions mentioned in paragraph 48(3) are satisfied, or

- the Commissioners may cancel the person's registration with effect from the date so specified or, as the case may be, the date of the contravention or from such later date as may be agreed between the Commissioners and the person.
- (3) But the Commissioners may not, under sub-paragraph (1) or (2), cancel a person's registration with effect from any time unless the Commissioners are satisfied that it is not a time when that person would be subject to a requirement, or in a case falling under sub-paragraph (2) a requirement or entitlement, to be registered under this Act.
- (4) In determining for the purposes of sub-paragraph (3) whether a person would be subject to a requirement, or would be entitled, to be registered at any time, so much of any provision of this Act as prevents a person from becoming liable or entitled to be registered when the person is already registered or when the person is so liable under any other provision is to be disregarded.
- (5) Where the Commissioners are satisfied that, on the day on which a person was registered under this Part of this Schedule, the person—
- (a) was not liable to be registered under this Part of this Schedule, and
 - (b) in the case of a person registered under paragraph 51, did not have the intention by reference to which the person was registered,
- the Commissioners may cancel that registration with effect from that day.
- (6) The registration of a person who has exercised an option mentioned in paragraph 48(2) may not be cancelled with effect from any time before the 1 January which is, or next follows, the second anniversary of the date on which the person's registration took effect.

- 57 (1) This Part of this Schedule applies where—
- (a) goods forming part of the assets of any business are removed —
 - (i) from Northern Ireland for the purpose of being taken to a place in a member State, or
 - (ii) from a member State for the purpose of being taken to a place in Northern Ireland,
 - (b) the goods are removed in the course or furtherance of that business by or under the directions of the person carrying on that business (“the supplier”),
 - (c) the goods are removed with a view to their being supplied in the destination territory, at a later stage and after their arrival there, to another person (“the customer”),
 - (d) at the time of the removal the customer is entitled to take ownership of the goods in accordance with an agreement existing between the customer and the supplier,
 - (e) at the time of the removal the supplier does not have a business establishment or other fixed establishment in the destination territory,
 - (f) at the time of the removal the customer is identified for the purposes of VAT in accordance with the law of the destination territory and both the identity of the customer and the number assigned to the customer for the purposes of VAT by the destination territory are known to the supplier,

- “the origin territory” means—
- (a) in a case within paragraph (i) of sub-paragraph (1)(a), Northern Ireland, and
 - (b) in a case within paragraph (ii) of sub-paragraph (1)(a), the member State concerned.

Removal of the goods not to be treated as a supply

- 58 The removal of the goods from the origin territory is not to be treated by reason of paragraph 30 of Schedule 9ZB as a supply of goods by the supplier.

Goods transferred to the customer within 12 months of arrival

- 59 (1) The rules in sub-paragraph (2) apply if—
- (a) during the period of 12 months beginning with the day the goods arrive in the destination territory the supplier transfers the whole property in the goods to the customer, and
 - (b) during the period beginning with the day the goods arrive in the destination territory and ending immediately before the time of that transfer no relevant event occurs.
- (2) The rules are that—
- (a) a supply of the goods in the relevant territory is deemed to be made by the supplier,
 - (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the time of the transfer mentioned in sub-paragraph (1),
 - (c) the consideration given by the customer for the transfer mentioned in sub-paragraph (1) is deemed to have been given for the deemed supply, and
 - (d) an acquisition of the goods by the customer in pursuance of the deemed supply is deemed to take place in the destination territory.
- (3) In sub-paragraph (2) and in paragraphs 60(2) and 61(2) “the relevant territory” means—
- (a) where the origin territory is Northern Ireland, the United Kingdom, or
 - (b) where the origin territory is a member State, that member State.

- (a) during the period of 12 months beginning with the day the goods arrive in the destination territory a relevant event occurs, and

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (b) during the period beginning with the day the goods arrive in the destination territory and ending immediately before the time that relevant event occurs the supplier does not transfer the whole property in the goods to the customer.

(2) The rules are that—

- (a) a supply of the goods in the relevant territory (see paragraph 59(3)) is deemed to be made by the supplier,
- (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the time the relevant event occurs, and
- (c) an acquisition of the goods by the supplier in pursuance of the deemed supply is deemed to take place in the destination territory.

(3) For the meaning of a “relevant event”, see paragraph 63.

Goods not transferred and no relevant event occurs within 12 months of arrival

- 61 (1) The rules in sub-paragraph (2) apply (subject to paragraph 62) if during the period of 12 months beginning with the day the goods arrive in the destination territory the supplier does not transfer the whole property in the goods to the customer and no relevant event occurs.

(2) The rules are that—

- (a) a supply of the goods in the relevant territory (see paragraph 59(3)) is deemed to be made by the supplier,
- (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the beginning of the day following the expiry of the period of 12 months mentioned in sub-paragraph (1), and
- (c) an acquisition of the goods by the supplier in pursuance of the deemed supply is deemed to take place in the destination territory.

(3) For the meaning of a “relevant event”, see paragraph 63.

Exception to paragraphs 60 and 61: goods returned to origin territory

- 62 The rules in paragraphs 60(2) and 61(2) do not apply if during the period of 12 months beginning with the day the goods arrive in the destination territory—

- (a) the goods are returned to the origin territory by or under the direction of the supplier, and
- (b) the supplier records the return of the goods in the register provided for in Article 243(3) of Council Directive [2006/112/EC](#).

Meaning of “relevant event”

- 63 (1) For the purposes of this Part of this Schedule each of the following events is a relevant event—

- (a) the supplier forms an intention not to supply the goods to the customer (but see sub-paragraph (2)),
- (b) the supplier forms an intention to supply the goods to the customer otherwise than in the destination territory,
- (c) the supplier establishes a business establishment or other fixed establishment in the destination territory,

Changes to legislation: There are currently no known outstanding effects for the Value Added Tax Act 1994, SCHEDULE 9ZA. (See end of Document for details)

- (d) the customer ceases to be identified for the purposes of VAT in accordance with the law of the destination territory,
 - (e) the goods are removed from the destination territory by or under the directions of the supplier otherwise than for the purpose of being returned to the origin territory, or
 - (f) the goods are destroyed, lost or stolen.
- (2) But the event mentioned in paragraph (a) of sub-paragraph (1) is not a relevant event for the purposes of this Part of this Schedule if—
- (a) at the time that the event occurs the supplier forms an intention to supply the goods to another person (“the substitute customer”),
 - (b) at that time the substitute customer is identified for the purposes of VAT in accordance with the law of the destination territory,
 - (c) the supplier includes the number assigned to the substitute customer for the purposes of VAT by the destination territory in the recapitulative statement provided for in Article 262(2) of Council Directive [2006/112/EC](#), and
 - (d) as soon as reasonably practicable after forming the intention to supply the goods to the substitute customer the supplier records that intention in the register provided for in Article 243(3) of Council Directive [2006/112/EC](#).
- (3) Where the destination territory is Northern Ireland, the reference in sub-paragraph (2) (c) to the number assigned to the substitute customer for the purposes of VAT is to the number assigned to the substitute customer for the purposes of VAT in the United Kingdom along with an NI VAT identifier.
- (4) In a case where sub-paragraph (2) applies, references in this Part of this Schedule to the customer are to be then read as references to the substitute customer.
- (5) In a case where the goods are destroyed, lost or stolen but it is not possible to determine the date on which that occurred, the goods are to be treated for the purposes of this Part of this Schedule as having been destroyed, lost or stolen on the date on which they were found to be destroyed or missing.

Record keeping by the supplier

- 64 In a case where the origin territory is Northern Ireland, any record made by the supplier in pursuance of paragraph 57(1)(g), 62(b) or 63(2)(d) must be preserved for such period not exceeding 6 years as the Commissioners may specify in writing.

- 65 (1) In a case where the destination territory is Northern Ireland, the customer must as soon as is reasonably practicable make a record of the information relating to the goods that is specified in Article 54A(2) of Council Implementing [Regulation \(EU\) No. 282/2011](#) of 15 March 2011 laying down implementing measures for Directive [2006/112/EC](#) on the common system of value added tax.
- (2) A record made under this paragraph must—
- (a) be made in a register kept by the customer for the purposes of this paragraph, and
