- (a) between near neighbouring ports in the United Kingdom and in another Convention country, or
 - (b) between near neighbouring ports in any two or more countries or territories outside the United Kingdom,
- make it unreasonable or impracticable to apply the provisions of this Schedule to ships plying on such voyages, and the Secretary of State is satisfied that the Government of the other country or territory (or, as the case may be, of each of the other countries or territories) concurs in that opinion, the Secretary of State may by order specifying those ports direct that ships plying on international voyages between those ports, or any class of such ships specified in the order, shall be exempt from the provisions of this Schedule.

 - (a) from all the provisions of this Schedule and of the load line rules, or
 - (b) from such of those provisions as are specified in the instrument conferring the exemption.
- (2) On the application of the owner of a United Kingdom ship to which this Schedule applies which is either a pre-1966 Convention ship of not less than 150 tons gross tonnage or a post-1966 Convention ship of not less than 24 metres in length, the Secretary of State may exempt the ship if in his opinion the ship embodies features of a novel kind such that, if the ship had to comply with all the requirements of this Schedule and of the load line rules, the development of those features and their incorporation in ships engaged on international voyages might be seriously impeded.
- (3) On the application of the owner of a United Kingdom ship to which this Schedule applies which is either—
 - (a) a pre-1966 Convention ship of less than 150 tons gross tonnage or a post-1966 Convention ship of less than 24 metres in length, or
 - (b) a ship (not falling within (a) above) which does not ply on international voyages,the Secretary of State may exempt the ship.
- (4) Without prejudice to sub-paragraph (3) above, where a United Kingdom ship to which this Schedule applies which is either a pre-1966 Convention ship of not less than 150 tons gross tonnage or a post-1966 Convention ship of not less than 24 metres in length, does not normally ply on international voyages but is, in exceptional circumstances, required to undertake a single international voyage, the Secretary of State, on the application of the owner of the ship, specifying the international voyage in question, may exempt the ship while engaged on that voyage.
- (5) Any exemption conferred under this paragraph may be conferred subject to such conditions as the Secretary of State thinks fit; and, where any such exemption is conferred subject to conditions, the exemption shall not have effect unless those conditions are complied with.

Issue of exemption certificates

- 20 (1) Where the Secretary of State exempts a ship under paragraph 19 of this Schedule, the Secretary of State shall issue the appropriate certificate to the owner of the ship.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (2) For the purposes of this paragraph the appropriate certificate—
- (a) where the exemption is conferred under sub-paragraph (2) or sub-paragraph (4) of paragraph 19 of this Schedule, is an “International Load Line Exemption Certificate”, and

- (2) Certificates issued as mentioned in sub-paragraph (1) above shall be included among “International Load Line Exemption Certificates”.

SUBDIVISION LOAD LINES AND DECK CARGO

SUBDIVISION LOAD LINES

- 23 (1) Where in pursuance of safety regulations a United Kingdom passenger ship to which this Schedule applies is marked with subdivision load lines, and the lowest of those lines is lower than the line which, apart from this sub-paragraph, would be the appropriate load line for the purposes of paragraph 4 of this Schedule, the said paragraph 4 shall have effect as if that subdivision load line were the appropriate load line for the purposes of that paragraph.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (3) In prescribing any such special requirements as are mentioned in sub-paragraph (2) above, the Secretary of State shall have regard in particular to the provisions of Chapter IV of the Convention of 1966.
- (4) If any provisions of the deck cargo regulations are contravened—
- (a) in the case of a United Kingdom ship, or
 - (b) in the case of any other ship while the ship is within any port in the United Kingdom,
- the master of the ship shall (subject to sub-paragraph (5) below) be liable—
- (i) on summary conviction, to a fine not exceeding the statutory maximum;
 - (ii) on conviction on indictment, to a fine.
- (5) Where a person is charged with an offence under sub-paragraph (4) above, it shall be a defence to prove that the contravention was due solely to deviation or delay and that the deviation or delay was caused solely by stress of weather or other circumstances which neither the master nor the owner nor the charterer (if any) could have prevented or forestalled.
- (6) For the purpose of securing compliance with the deck cargo regulations, any person authorised for the purpose by the Secretary of State may inspect any ship to which this Schedule applies which is carrying cargo in any uncovered space on its deck.
