- (1) The ^{M49}Taxation of Chargeable Gains Act 1992 shall be amended as follows.
- (2) In section 100(1) (exemption from charge for gains accruing to authorised unit trusts, investment trusts etc.), after “investment trust” there shall be inserted “ a venture capital trust ”.

“151A Venture capital trusts: reliefs.

- (1) A gain or loss accruing to an individual on a qualifying disposal of any ordinary shares in a company which—
 - (a) was a venture capital trust at the time when he acquired the shares, and
 - (b) is still such a trust at the time of the disposal,shall not be a chargeable gain or, as the case may be, an allowable loss.
- (2) For the purposes of this section a disposal of shares is a qualifying disposal in so far as—
 - (a) it is made by an individual who has attained the age of eighteen years;
 - (b) the shares disposed of were not acquired in excess of the permitted maximum for any year of assessment; and
 - (c) that individual acquired those shares for bona fide commercial purposes and not as part of a scheme or arrangement the main purpose of which, or one of the main purposes of which, is the avoidance of tax.
- (3) Schedule 5C shall have effect for providing relief in respect of gains invested in venture capital trusts.

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

- (4) In determining for the purposes of this section whether a disposal by any person of shares in a venture capital trust relates to shares acquired in excess of the permitted maximum for any year of assessment, it shall be assumed (subject to subsection (5) below)—
- (a) as between shares acquired by the same person on different days, that those acquired on an earlier day are disposed of by that person before those acquired on a later day; and
 - (b) as between shares acquired by the same person on the same day, that those acquired in excess of the permitted maximum are disposed of by that person before he disposes of any other shares acquired on that day.
- (5) It shall be assumed for the purposes of subsection (1) above that a person who disposes of shares in a venture capital trust disposes of shares acquired at a time when it was not such a trust before he disposes of any other shares in that trust.
- (6) References in this section to shares in a venture capital trust acquired in excess of the permitted maximum for any year of assessment shall be construed in accordance with the provisions of Part II of Schedule 15B to the Taxes Act; and the provisions of that Part of that Schedule shall apply (with subsections (4) and (5) above) for identifying the shares which are, in any case, to be treated as representing shares acquired in excess of the permitted maximum.
- (7) In this section and section 151B “ordinary shares”, in relation to a company, means any shares forming part of the company’s ordinary share capital (within the meaning of the Taxes Act).

151B Venture capital trusts: supplementary.

- (1) Sections 104, 105 and 107 shall not apply to any shares in a venture capital trust which are eligible for relief under section 151A(1).
- (2) Subject to the following provisions of this section, where—
- (a) an individual holds any ordinary shares in a venture capital trust,
 - (b) some of those shares fall within one of the paragraphs of subsection (3) below, and
 - (c) others of those shares fall within at least one other of those paragraphs,
- then, if there is within the meaning of section 126 a reorganisation affecting those shares, section 127 shall apply separately in relation to the shares (if any) falling within each of the paragraphs of that subsection (so that shares of each kind are treated as a separate holding of original shares and identified with a separate new holding).
- (3) The kinds of shares referred to in subsection (2) above are—
- (a) any shares in a venture capital trust which are eligible for relief under section 151A(1) and by reference to which any person has been given or is entitled to claim relief under Part I of Schedule 15B to the Taxes Act;
 - (b) any shares in a venture capital trust which are eligible for relief under section 151A(1) but by reference to which no person has been given, or is entitled to claim, any relief under that Part of that Schedule;

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

- (c) any shares in a venture capital trust by reference to which any person has been given, or is entitled to claim, any relief under that Part of that Schedule but which are not shares that are eligible for relief under section 151A(1); and
- (d) any shares in a venture capital trust that do not fall within any of paragraphs (a) to (c) above.

(4) Where—

- (a) an individual holds ordinary shares in a company (“the existing holding”),
- (b) there is, by virtue of any such allotment for payment as is mentioned in section 126(2)(a), a reorganisation affecting the existing holding, and
- (c) immediately following the reorganisation, the shares or the allotted holding are shares falling within any of paragraphs (a) to (c) of subsection (3) above,

sections 127 to 130 shall not apply in relation to the existing holding.

(5) Sections 135 and 136 shall not apply where—

- (a) the exchanged holding consists of shares falling within paragraph (a) or (b) of subsection (3) above; and
- (b) that for which the exchanged holding is or is treated as exchanged does not consist of ordinary shares in a venture capital trust.

(6) Where—

- (a) the approval of any company as a venture capital trust is withdrawn, and
- (b) the withdrawal of the approval is not one to which section 842AA(8) of the Taxes Act applies,

any person who at the time when the withdrawal takes effect is holding shares in that company which (apart from the withdrawal) would be eligible for relief under section 151A(1) shall be deemed for the purposes of this Act, at that time, to have disposed of and immediately re-acquired those shares for a consideration equal to their market value at that time.

(7) The disposal that is deemed to take place by virtue of subsection (6) above shall be deemed for the purposes of section 151A to take place while the company is still a venture capital trust; but, for the purpose of applying sections 104, 105 and 107 to the shares that are deemed to be re-acquired, it shall be assumed that the re-acquisition for which that subsection provides takes place immediately after the company ceases to be such a trust.

(8) For the purposes of this section—

- (a) shares are eligible for relief under section 151A(1) at any time when they are held by an individual whose disposal of the shares at that time would (on the assumption, where it is not the case, that the individual attained the age of eighteen years before that time) be a disposal to which section 151A(1) would apply; and
- (b) shares shall not, in relation to any time, be treated as shares by reference to which relief has been given under Part I of Schedule 15B to the Taxes Act if that time falls after—

*Status: This version of this Act contains provisions that are prospective.
Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)*

- (i) any relief given by reference to those shares has been reduced or withdrawn,
- (ii) any chargeable event (within the meaning of Schedule 5C) has occurred in relation to those shares, or
- (iii) the death of a person who held those shares immediately before his death;

and

- (c) the references, in relation to sections 135 and 136, to the exchanged holding is a reference to the shares in company B or, as the case may be, to the shares or debentures in respect of which shares or debentures are issued under the arrangement in question.”

^{F41}(4)

- (5) In section 257(1) (gifts to charities etc.), after paragraph (b) there shall be inserted—
“and the disposal is not one in relation to which section 151A(1) has effect.”

^{F42}(6)

- (7) In section 288(1) (interpretation), after the definition of “trading stock” there shall be inserted the following definition—

““venture capital trust” has the meaning given by section 842AA of the Taxes Act;”.

- (8) Subsection (2) above shall have effect in relation to gains accruing on or after 6th April 1995 and the other provisions of this section have effect for the year 1995-96 and subsequent years of assessment.

[^{F61}89] Application of ss.63 to 66 to debts held by associates of banks. U.K.

- (1) A debt is a qualifying debt for the purposes of sections 63 to 66 of the ^{M55}Finance Act 1993 (deemed periodic disposal of certain debts) at any time if, at that time, the person entitled to the debt is a company which—

- (7) In this section—

- (10) Sums required by the Board for paying compensation under this section shall be issued to the Board by the Treasury out of the National Loans Fund.

“SCHEDULE
5B U.K.”

ENTERPRISE INVESTMENT SCHEME: RE-INVESTMENT

Application of Schedule

- 1 (1) This Schedule applies where—
 - (a) there would (apart from paragraph 2(2)(a) below) be a chargeable gain (“the original gain”) accruing to an individual (“the investor”) at any time (“the accrual time”) on or after 29th November 1994;
 - (b) the gain is one accruing either on the disposal by the investor of any asset or in accordance with paragraphs 4 and 5 below or paragraphs 4 and 5 of Schedule 5C;
 - (c) the investor makes a qualifying investment; and
 - (d) the investor is resident or ordinarily resident in the United Kingdom at the accrual time and the time when he makes the qualifying investment and is not, in relation to the qualifying investment, a person to whom sub-paragraph (4) below applies.
- (2) The investor makes a qualifying investment for the purposes of this Schedule if—
 - (a) he subscribes for any shares to which any relief given to him under Chapter III of Part VII of the Taxes Act is attributable;
 - (b) those shares are issued at a qualifying time; and
 - (c) where that time is before the accrual time, those shares are still held by the investor at the accrual time;and in this Schedule “relevant shares”, in relation to a case to which this Schedule applies, means any of the shares which are acquired by the investor in making the qualifying investment.
- (3) In this Schedule “a qualifying time”, in relation to any shares subscribed for by the investor, means—
 - (a) any time in the period beginning one year before and ending three years after the accrual time, or
 - (b) any such time before the beginning of that period or after it ends as the Board may by notice allow.
- (4) This sub-paragraph applies to the investor in relation to a qualifying investment if—
 - (a) though resident or ordinarily resident in the United Kingdom at the time when he makes the investment, he is regarded for the purposes of any double taxation relief arrangements as resident in a territory outside the United Kingdom, and
 - (b) were section 150A to be disregarded, the arrangements would have the effect that he would not be liable in the United Kingdom to tax on a gain arising on a disposal, immediately after their acquisition, of the shares acquired in making that investment.

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

Postponement of original gain

- 2 (1) On the making of a claim by the investor for the purposes of this Schedule, so much of the investor's unused qualifying expenditure on relevant shares as—
- (a) is specified in the claim, and
 - (b) does not exceed so much of the original gain as is unmatched,
- shall be set against a corresponding amount of the original gain.
- (2) Where an amount of qualifying expenditure on any relevant shares is set under this Schedule against the whole or part of the original gain—
- (a) so much of that gain as is equal to that amount shall be treated as not having accrued at the accrual time; but
 - (b) paragraphs 4 and 5 below shall apply for determining the gain that is to be treated as accruing on the occurrence of any chargeable event in relation to any of those relevant shares.
- (3) For the purposes of this Schedule—
- (a) the investor's qualifying expenditure on any relevant shares is so much of the amount subscribed by him for the shares as represents the amount in respect of which there is given the relief under section 289A of the Taxes Act which is attributable to those shares; and
 - (b) that expenditure is unused to the extent that it has not already been set under this Schedule against the whole or any part of a chargeable gain.
- (4) For the purposes of this paragraph the original gain is unmatched, in relation to any qualifying expenditure on relevant shares, to the extent that it has not had any other expenditure set against it under this Schedule or Schedule 5C.

Chargeable events

- 3 (1) Subject to the following provisions of this paragraph, there is for the purposes of this Schedule a chargeable event in relation to any relevant shares if, after the making of the qualifying investment—
- (a) the investor disposes of those shares otherwise than by way of a disposal within marriage;
 - (b) those shares are disposed of, otherwise than by way of a disposal to the investor, by a person who acquired them on a disposal made by the investor within marriage;
 - (c) the investor becomes a non-resident while holding those shares and within the first relevant period;
 - (d) a person who acquired those shares on a disposal within marriage becomes a non-resident while holding those shares and within the first relevant period;
 - (e) the company that issued those shares ceases to be a qualifying company within the second relevant period; or
 - (f) the relief given under section 289A of the Taxes Act in respect of the amount subscribed for those shares is withdrawn or reduced in circumstances not falling within any of paragraphs (a) to (e) above.

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

- (2) For the purposes of sub-paragraph (1) above—
- (a) the first relevant period in the case of any relevant shares is the period found by applying section 312(1A)(a) of the Taxes Act by reference to the company that issued the shares and by reference to the shares;
 - (b) the second relevant period in the case of any shares is the period found by applying section 312(1A)(b) of that Act by reference to the company that issued the shares and by reference to the shares; and
 - (c) whether a company is a qualifying company at any given time shall be determined in accordance with section 293 of that Act.
- (3) For the purposes of this Schedule there shall not be a chargeable event by virtue of sub-paragraph (1)(c) or (d) above in relation to any shares if—
- (a) the reason why the person in question becomes a non-resident is that he works in an employment or office all the duties of which are performed outside the United Kingdom, and
 - (b) he again becomes resident or ordinarily resident in the United Kingdom within the period of three years from the time when he became a non-resident, without having meanwhile disposed of any of those shares;
- and accordingly no assessment shall be made by virtue of sub-paragraph (1) (c) or (d) above before the end of that period in a case where the condition in paragraph (a) above is satisfied and the condition in paragraph (b) above may be satisfied.
- (4) For the purposes of sub-paragraph (3) above a person shall be taken to have disposed of any shares if and only if there has been such a disposal as would have been a chargeable event in relation to those shares if the person making the disposal had been resident in the United Kingdom.
- (5) Where in any case—
- (a) the investor or a person who has acquired any relevant shares on a disposal within marriage dies, and
 - (b) an event occurs at or after the time of the death which (apart from this sub-paragraph) would be a chargeable event in relation to any relevant shares held by the deceased immediately before his death,
- that event shall not be a chargeable event in relation to the shares so held.

Gain accruing on chargeable event

- 4 (1) On the occurrence of a chargeable event in relation to any relevant shares in relation to which there has not been a previous chargeable event—
- (a) a chargeable gain shall be treated as accruing at the time of the event; and
 - (b) the amount of the gain shall be equal to so much of the original gain as is an amount against which there has under this Schedule been set any expenditure on those shares.
- (2) Any question for the purposes of this Schedule as to whether any relevant shares to which a chargeable event relates are shares the expenditure on which has under this Schedule been set against the whole or any part of any

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

gain shall be determined in accordance with the assumptions for which sub-paragraph (3) below provides.

- (3) For the purposes of sub-paragraph (2) above it shall be assumed, in relation to any disposal of shares (including a disposal within marriage) that—
- (a) as between qualifying shares acquired by the same person on different days, those acquired on an earlier day are disposed of by that person before those acquired on a later day; and
 - (b) as between qualifying shares acquired by the same person on the same day, those the expenditure on which has been set under this Schedule against the whole or any part of any gain are disposed of by that person only after he has disposed of any other qualifying shares acquired by him on that day.
- (4) In sub-paragraph (3) above “qualifying shares” means any shares which—
- (a) were subscribed for by a person eligible for relief in respect of those shares under Chapter III of Part VII of the Taxes Act (the enterprise investment scheme), and
 - (b) are shares in respect of which relief is given under section 289A of that Act in respect of the whole or any part of the amount subscribed.
- (5) Where at the time of a chargeable event any relevant shares are treated for the purposes of this Act as represented by assets which consist of or include assets other than those shares—
- (a) the expenditure on those shares which was set against the gain in question shall be treated, in determining for the purposes of this paragraph the amount of expenditure on each of those assets which is to be treated as having been set against that gain, as apportioned in such manner as may be just and reasonable between those assets; and
 - (b) as between different assets treated as representing the same relevant shares, the assumptions for which sub-paragraph (3) above provides shall apply with the necessary modifications in relation to those assets as they would apply in relation to the shares.

Person to whom gain accrues

- 5 (1) The chargeable gain which accrues, in accordance with paragraph 4 above, on the occurrence in relation to any relevant shares of a chargeable event shall be treated as accruing, as the case may be—
- (a) to the person who makes the disposal,
 - (b) to the person who becomes a non-resident,
 - (c) to the person who holds the shares in question when the company ceases to be a qualifying company, or
 - (d) to the person who holds the shares in question when the circumstances arise in respect of which the relief is withdrawn or reduced.
- (2) Where—
- (a) sub-paragraph (1) above provides for the holding of shares at a particular time to be what identifies the person to whom any chargeable gain accrues, and

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

- (b) at that time, some of those shares are held by the investor and others are held by a person to whom the investor has transferred them by a disposal within marriage,
the amount of the chargeable gain accruing by virtue of paragraph 4 above shall be computed separately in relation to the investor and that person without reference to the shares held by the other.

Interpretation

- 6 (1) In this Schedule “non-resident” means a person who is neither resident nor ordinarily resident in the United Kingdom.
- (2) In this Schedule references to a disposal within marriage are references to any disposal to which section 58 applies.
- (3) Notwithstanding anything in section 288(5), shares shall not for the purposes of this Schedule be treated as issued by reason only of being comprised in a letter of allotment or similar instrument.
- (4) Chapter III of Part VII of the Taxes Act shall apply for the purposes of this Schedule to determine whether and to what extent any relief under that Chapter is attributable to any shares.
- (5) References in this Schedule to Chapter III of Part VII of the Taxes Act or any provision of that Chapter are to that Chapter or provision as it applies in relation to shares issued on or after 1st January 1994.”
- (4) This paragraph has effect in relation to gains accruing and events occurring on or after 29th November 1994.

 - (b) an assignment of or charge on the property or any derived property being made or given by some such person, or
 - (c) in the case of a marriage settlement, the death of both parties to the marriage and of all or any of the children of the marriage, or
 - (d) the death of a child of the settlor who had become beneficially entitled to the property or any derived property at an age not exceeding 25.
- (5) A settlor shall not be regarded as having an interest in property by virtue of subsection (2) above if and so long as some person is alive and under the age of 25 during whose life that property, or any derived property, cannot become payable or applicable as mentioned in that subsection except in the event of that person becoming bankrupt or assigning or charging his interest in the property or any derived property.
- (6) The reference in subsection (1) above to a settlement does not include an outright gift by one spouse to the other of property from which income arises, unless—
- (a) the gift does not carry a right to the whole of that income, or
 - (b) the property given is wholly or substantially a right to income.

For this purpose a gift is not an outright gift if it is subject to conditions, or if the property given or any derived property is or will or may become, in any circumstances whatsoever, payable to or applicable for the benefit of the donor.

- (7) The reference in subsection (1) above to a settlement does not include an irrevocable allocation of pension rights by one spouse to the other in accordance with the terms of a relevant statutory scheme (within the meaning of Chapter I of Part XIV).
- (8) Subsection (1) above does not apply to income arising under a settlement made by one party to a marriage by way of provision for the other—

- (10) In this section “derived property”, in relation to any property, means income from that property or any other property directly or indirectly representing proceeds of, or of income from, that property or income therefrom.

660B Payments to unmarried minor children of settlor.

- (1) Income arising under a settlement which does not fall to be treated as income of the settlor under section 660A but which during the life of the settlor is paid to or for the benefit of an unmarried minor child of the settlor in any year of assessment shall be treated for all the purposes of the Income Tax Acts as the income of the settlor for that year and not as the income of any other person.
- (2) Where income arising under a settlement is retained or accumulated by the trustees, any payment whatsoever made thereafter by virtue or in consequence of the settlement, or any enactment relating thereto, to or for the benefit of an unmarried minor child of the settlor shall be deemed for the purposes of subsection (1) above to be a payment of income if or to the extent that there is available retained or accumulated income.
- (3) There shall be taken to be available retained or accumulated income at any time when the aggregate amount of the income which has arisen under the settlement since it was made or entered into exceeds the aggregate amount of income so arising which has been—
 - (a) treated as income of the settlor or a beneficiary, or
 - (b) paid (whether as income or capital) to or for the benefit of a beneficiary other than an unmarried minor child of the settlor, or
 - (c) applied in defraying expenses of the trustees which were properly chargeable to income (or would have been so chargeable but for any express provisions of the trust).
- (4) Where an offshore income gain (within the meaning of Chapter V of Part XVII) accrues in respect of a disposal of assets made by a trustee holding them for a person who would be absolutely entitled as against the trustee but for being a minor, the income which by virtue of section 761(1) is treated as arising by reference to that gain shall for the purposes of this section be deemed to be paid to that person.
- (5) Income paid to or for the benefit of a child of a settlor shall not be treated as provided in subsection (1) above for a year of assessment in which the aggregate amount paid to or for the benefit of that child which but for this subsection would be so treated does not exceed £100.
- (6) In this section—

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1995. (See end of Document for details)

- (a) “child” includes a stepchild and an illegitimate child;
- (b) “minor” means a person under the age of 18 years, and “minor child” shall be construed accordingly; and
- (c) references to payments include payments in money or money’s worth.

660C Nature of charge on settlor.

- (1) Tax chargeable by virtue of this Chapter shall be charged under Case VI of Schedule D.
- (2) In computing the liability to income tax of a settlor chargeable by virtue of this Chapter the same deductions and reliefs shall be allowed as would have been allowed if the income treated as his by virtue of this Chapter had been received by him.
- (3) Subject to section 833(3), income which is treated by virtue of this Chapter as income of a settlor shall be deemed for the purposes of this section to be the highest part of his income.

660D Adjustments between settlor and trustees, &c.

- (1) Where by virtue of this Chapter income tax becomes chargeable on and is paid by a settlor, he is entitled—
 - (a) to recover from any trustee, or any other person to whom the income is payable by virtue or in consequence of the settlement, the amount of the tax so paid; and
 - (b) for that purpose to require an officer of the Board to furnish to him a certificate specifying the amount of income in respect of which he has so paid tax and the amount of tax so paid.

A certificate so furnished is conclusive evidence of the facts stated therein.

- (2) Where a person obtains, in respect of an allowance or relief, a repayment of income tax in excess of the amount of the repayment to which he would, but for this Chapter, have been entitled, an amount equal to the excess shall be paid by him to the trustee, or other person to whom the income is payable by virtue or in consequence of the settlement, or, where there are two or more such persons, shall be apportioned among those persons as the case may require.

If any question arises as to the amount of a payment or as to an apportionment to be made under this subsection, that question shall be decided by the General Commissioners whose decision shall be final.

- (3) Nothing in this Chapter shall be construed as excluding a charge to tax on the trustees as persons by whom any income is received.

- (2) In this Chapter, in relation to a settlor—
 - (a) references to the property comprised in a settlement include only property originating from that settlor, and
 - (b) references to income arising under the settlement include only income originating from that settlor.
- (3) For the purposes of section 660B there shall be taken into account, in relation to a settlor, as income paid to or for the benefit of a child of the settlor only—
 - (a) income originating from that settlor, and
 - (b) in a case in which section 660B(2) applies, payments which are under that provision (as adapted by subsection (4) below) to be deemed to be payments of income.
- (4) In applying section 660B(2) to a settlor—
 - (a) the reference to income arising under the settlement includes only income originating from that settlor; and
 - (b) the reference to any payment made by virtue or in consequence of the settlement or any enactment relating thereto includes only a payment made out of property originating from that settlor or income originating from that settlor.
- (5) References in this section to property originating from a settlor are references to—
 - (a) property which that settlor has provided directly or indirectly for the purposes of the settlement; and
 - (b) property representing that property; and
 - (c) so much of any property which represents both property so provided and other property as, on a just apportionment, represents the property so provided.
- (6) References in this section to income originating from a settlor are references to—
 - (a) income from property originating from that settlor; and
 - (b) income provided directly or indirectly by that settlor.
- (7) In subsections (5) and (6) above—
 - (a) references to property or income which a settlor has provided directly or indirectly include references to property or income which has been provided directly or indirectly by another person in pursuance of reciprocal arrangements with that settlor, but do not include references to property or income which that settlor has provided directly or indirectly in pursuance of reciprocal arrangements with another person; and

Status: This version of this Act contains provisions that are prospective.

An officer of the Board may by notice require any party to a settlement to furnish him within such time as he may direct (not being less than 28 days) with such particulars as he thinks necessary for the purposes of this Chapter.

660G Meaning of “settlement” and related expressions.

- (1) In this Chapter—
 - “settlement” includes any disposition, trust, covenant, agreement, arrangement or transfer of assets, and
 - “settlor”, in relation to a settlement, means any person by whom the settlement was made.
- (2) A person shall be deemed for the purposes of this Chapter to have made a settlement if he has made or entered into the settlement directly or indirectly, and, in particular, but without prejudice to the generality of the preceding words, if he has provided or undertaken to provide funds directly or indirectly for the purpose of the settlement, or has made with any other person a reciprocal arrangement for that other person to make or enter into the settlement.
- (3) References in this Chapter to income arising under a settlement include, subject to subsection (4) below, any income chargeable to income tax by deduction or otherwise, and any income which would have been so chargeable if it had been received in the United Kingdom by a person domiciled, resident and ordinarily resident in the United Kingdom.
- (4) Where the settlor is not domiciled, or not resident, or not ordinarily resident, in the United Kingdom in a year of assessment, references in this Chapter to income arising under a settlement do not include income arising under the settlement in that year in respect of which the settlor, if he were actually entitled thereto, would not be chargeable to income tax by deduction or otherwise by reason of his not being so domiciled, resident or ordinarily resident.

But where such income is remitted to the United Kingdom in circumstances such that, if the settlor were actually entitled to that income when remitted, he would be chargeable to income tax by reason of his residence in the United Kingdom, it shall be treated for the purposes of this Chapter as arising under the settlement in the year in which it is remitted.”

SCHEDULE 18 **U.K.**

Section 75.

DECEASED PERSONS' ESTATES

Introductory

1 Part XVI of the Taxes Act 1988 shall be amended as follows.

Limited interests in residue

F226²

Textual Amendments

F226 Sch. 18 para. 2 repealed (with effect in accordance with s. 1329(1) of the amending Act) by [Corporation Tax Act 2009 \(c. 4\)](#), s. 1329(1), **Sch. 3 Pt. 1** (with [Sch. 2 Pts. 1, 2](#))

Absolute interests in residue

3 (1) In section 696 (absolute interests in residue), for subsection (3) there shall be substituted the following subsections—

“(3) When any sum has been paid during the administration period in respect of that absolute interest, that sum, except so far as it is excluded from the operation of this subsection, shall be deemed for all tax purposes to have been paid to that person as income for the year of assessment in which it was actually paid.

(3A) A payment shall be excluded from the operation of subsection (3) above to the extent (if any) that the aggregate of that sum and all the sums which—
(a) have been paid previously during the administration period in respect of that absolute interest, and
(b) fall under this section to be treated as paid to that person as income, exceeds the aggregated income entitlement of that person for the year of assessment in which the sum is paid.

(3B) For the purposes of this section the aggregated income entitlement of that person for any year of assessment is the amount which would be the aggregate of the amounts received for that year of assessment and all previous years of assessment in respect of the interest if that person had a right in each year to receive, and had received—
(a) in the case of a United Kingdom estate, his residuary income for that year less income tax at the applicable rate for that year; and
(b) in the case of a foreign estate, his residuary income for that year.”

(2) For subsection (5) of that section there shall be substituted the following subsection—

“(5) Where, on the completion of the administration of the estate, the aggregate of all the sums which, apart from this subsection—
(a) have been paid during the administration period in respect of that absolute interest, and

- (b) fall under this section to be treated as paid to that person as income, is exceeded by the aggregated income entitlement of that person for the year of assessment in which the administration of the estate is completed, then an amount equal to the amount of the excess shall be treated for the purposes of subsections (3) to (4) above as having been actually paid, immediately before the end of the administration period, in respect of that interest.”
- (3) Sub-paragraph (1) above has effect, subject to sub-paragraph (4) below, in relation to any payment made on or after 6th April 1995; and sub-paragraph (2) above shall have effect in relation to any estate the administration of which is completed on or after 6th April 1995.
- (4) Where any sum is deemed by virtue of subsection (3) of section 696 of the Taxes Act 1988 (as it has effect apart from this Schedule) [^{F227}and sections 652, 660 and 665 of the Income Tax (Trading and Other Income) Act 2005] to have been paid to any person as income for the year 1994-95 or any previous year of assessment, that sum shall be treated for the purposes of subsections (3A) and (5) of that section (as they have effect by virtue of this Schedule) as a sum actually paid in respect of that person's absolute interest in that year of assessment.

Supplemental provisions relating to section 696

- 4 (1) After subsection (1) of section 697 (calculation of residuary income) there shall be inserted the following subsection—
- “(1A) For the purpose of ascertaining under subsection (1) above the residuary income of an estate for any year, where the amount of the deductions falling to be made from the aggregate income of the estate for that year (including any falling to be made by virtue of this subsection) exceeds the amount of that income, the excess shall be carried forward and treated for that purpose as an amount falling to be deducted from the aggregate income of the estate for the following year.”
- (2) In subsection (2) of that section (reduction of residuary income where benefits received are less than aggregate of residuary income), for the words from “his residuary income for” onwards there shall be substituted “ section 696 shall have effect as if the amount of the deficiency were to be applied in reducing the amount taken to be his residuary income for the year in which the administration of the estate is completed and, in so far as the deficiency exceeds that income, in reducing the amount taken to be his residuary income for the previous year, and so on. ”
- (3) Sub-paragraph (1) above has effect for ascertaining the residuary income of an estate for the year 1995-96 or any subsequent year of assessment; and sub-paragraph (2) above has effect in relation to any estate the administration of which is completed on or after 6th April 1995.

- (c) the earlier or, as the case may be, earliest interest is a limited interest.

(1B) Where this subsection applies, this Part shall have effect in relation to any payment made in respect of any of the interests referred to in subsection (1A) above—

- (a) as if all those interests were the same interest so that none of them is to be treated as having ceased on being succeeded by any of the others;
- (b) as if (subject to paragraph (c) below) the interest which is deemed to exist by virtue of paragraph (a) above (“the deemed single interest”) were an interest of—
 - (i) except in a case to which sub-paragraph (ii) below applies, the person in respect of whose interest or previous interest the payment is made;
 - (ii) in a case where the person entitled to receive the payment is any other person who has or has had an interest which is deemed to be comprised in the deemed single interest, that other person;

and

- (c) in so far as any of the later interests is an absolute interest as if, for the purposes of section 696(3A) to (5)—
 - (i) the earlier interest or interests had never existed and the absolute interest had always existed;
 - (ii) the sums (if any) which were deemed in relation to the earlier interest or interests to have been paid as income for any year of assessment to any of the persons entitled thereto were sums previously paid during the administration period in respect of the absolute interest; and
