

Criminal Procedure (Scotland) Act 1995

1995 CHAPTER 46

PART XII

EVIDENCE

Biological material

276 Evidence of biological material.

- (1) Evidence as to the characteristics and composition of any biological material deriving from human beings or animals shall, in any criminal proceedings, be admissible notwithstanding that neither the material nor a sample of it is lodged as a production.
- (2) A party wishing to lead such evidence as is referred to in subsection (1) above shall, where neither the material nor a sample of it is lodged as a production, make the material or a sample of it available for inspection by the other party unless the material constitutes a hazard to health or has been destroyed in the process of analysis.
