8 Renovation grants: certificates required in case of owner’s application.

- (1) A local housing authority shall not entertain an owner’s application for a renovation grant unless it is accompanied by an owner-occupation certificate or a certificate of intended letting in respect of the dwelling to which the application relates or, in the case of a conversion application, in respect of each of the dwellings to be provided.
- (2) An “owner-occupation certificate” certifies that the applicant—
 - (a) has or proposes to acquire a qualifying owner’s interest, and
 - (b) intends that throughout the grant condition period he or a member of his family will live in the dwelling as his (or that member’s) only or main residence.
- (3) A “certificate of intended letting” certifies that the applicant—
 - (a) has or proposes to acquire a qualifying owner’s interest, and
 - (b) intends that throughout the grant condition period the dwelling will be let or available for letting as a residence (and not for a holiday) to a person who is not connected with the owner for the time being of the dwelling.

In paragraph (b) “letting” does not include a letting on a long tenancy.

- (4) In subsection (3) references to letting include the grant of a licence to occupy premises.

References in this Chapter to tenants and other expressions relating to tenancies, in the context of a certificate of intended letting, shall be construed accordingly.

- (5) Where section 10 applies (prior qualifying period in certain cases) a local housing authority shall not entertain an owner’s application for a renovation grant unless it is also accompanied by a certificate specifying how the requirements of that section are met.

 - (a) that the applicant is a qualifying tenant of the dwelling, and
 - (b) that he or a member of his family intends to live in the dwelling as his (or that member’s) only or main residence.
- (3) Except where the authority consider it unreasonable in the circumstances to require such a certificate, they shall not entertain a tenant’s application for a renovation grant unless it is also accompanied by a certificate of intended letting (see section 8(3)) by the person who at the time of the application is the landlord under the tenancy.

- (4) Where section 10 applies (prior qualifying period in certain cases) a local housing authority shall not entertain a tenant's application for a renovation grant unless it is also accompanied by a certificate specifying how the requirements of that section are met.

VALID FROM 17/12/1996

10 Renovation grants: prior qualifying period.

- (1) Subject to subsection (3), a local housing authority shall not entertain an application to which this section applies unless they are satisfied—
- (a) that the ownership or tenancy condition (see section 11) was met throughout the qualifying period, and
 - (b) in the case of an application accompanied by an owner-occupation certificate or a tenant's certificate, that the applicant lived in the dwelling as his only or main residence throughout that period.

In the case of a joint application it is sufficient if those conditions are met by any of the applicants.

- (2) The qualifying period for the purposes of this section is the period of three years, or such other period as may be specified by order of the Secretary of State, ending with the date of the application.
- (3) A local housing authority may dispense with compliance with either or both of the conditions in subsection (1), and may do so either generally or in relation to particular cases or descriptions of case.
- (4) Subject to subsection (5), this section applies to every application for a renovation grant, other than—
- (a) a conversion application,
 - (b) an application in respect of a dwelling in a renewal area,
 - (c) an application in respect of works to provide means of escape in case of fire or other fire precautions, or
 - (d) an application of any other description excepted from this section by order of the Secretary of State.
- (5) This section does not apply to a landlord's application unless the Secretary of State by order so provides, which he may do with respect to all landlord's applications or any description of landlord's application.

Any such order may provide that this section applies to a landlord's application notwithstanding that it is of a kind mentioned in paragraphs (a) to (d) of subsection (4).

- (6) A "landlord's application" for a renovation grant means an owner's application which is accompanied by a certificate of intended letting.

A conversion application for the provision of two or more dwellings shall not be treated as a landlord's application if any of the certificates accompanying the application is an owner-occupation certificate.

- (4) The reference in paragraph (f) of subsection (1) to precautions required under or by virtue of an enactment does not include precautions required to comply with a notice under section 352 of the Housing Act 1985 (notice requiring execution of works to render house in multiple occupation fit for number of occupants) so far as it relates to premises which are not part of a house in multiple occupation for the purposes of this Part.
