*Limits on the holding, by persons providing digital programme services, of licences to provide other categories of service*

- 6
- (1) The Secretary of State may by order prescribe restrictions on the holding, by a person who is providing a digital programme service by means of a television multiplex service designated by order under paragraph 5(5)(b) as a regional multiplex service, of a licence to provide any service specified in sub-paragraph (2) whose coverage area is to a significant extent the same as that of the digital programme service.
  - (2) The services referred to in sub-paragraph (1) are—
    - (a) a regional Channel 3 service,
    - (b) a local radio service, and
    - (c) a local radio multiplex service.

- 7
- (1) No person holding a licence to provide digital programme services may, at any time before such day as the Secretary of State may by order appoint for the purposes of this paragraph, provide digital programme services by means of two or more television multiplex services if the number of points attributable to those digital programme services (calculated in accordance with this paragraph) exceeds the permitted maximum.

---

*Status: This is the original version (as it was originally enacted).*

---

(2) Subject to sub-paragraphs (3) to (5), the number of points attributable to any digital programme service is two.

the number of points attributable to that digital programme service is one.

(4) Subject to sub-paragraph (5), where—

- (a) average weekly air time in relation to a digital programme service is less than 12 hours, or
- (b) in the case of a digital programme service which was first provided after the beginning of the relevant period, the applicant has notified the Commission of his intention to provide a service in relation to which average weekly air time will be less than 12 hours,

no points are attributable to that digital programme service.

(5) Where the average weekly air time in relation to each of two or more digital programme services (“the relevant services”) provided by any one holder of a licence to provide digital programme services is less than 12 hours, the relevant services shall be treated for the purposes of this paragraph as if they were one service with an average weekly air time equal to the aggregate of the average weekly air times in relation to the relevant services.

(7) The permitted maximum shall be determined by reference to the total number of points attributable to all digital programme services

being provided by the holders of licences to provide such services, as follows—

- (a) where the total number of points is not more than 10, the permitted maximum is 2,
  - (b) where the total number of points is more than 10 but less than 24, the permitted maximum is 4, and

- (2) No one person may, at any time on or after the appointed day—
- (a) hold two or more licences to provide services falling within one or more of the categories specified in paragraph 1(3)(a), (b) or (g) such that the total number of points attributable to those services, calculated in accordance with paragraph 9, exceeds 15 per cent. of the total number of points so calculated attributable to—

*Status: This is the original version (as it was originally enacted).*

(b) hold a licence to provide services falling within the category specified in paragraph 1(3)(g) and provide two or more services falling within that category such that the total number of points attributable to those services, calculated in accordance with paragraph 9, exceeds 15 per cent. of the total number of points so calculated attributable to all the services referred to in paragraph (a)(i) or (ii).

(3) Before making an order appointing a day for the purposes of this paragraph, the Secretary of State shall consult the Authority.

*Calculation of points for purposes of paragraph 8*

9 (1) For the purposes of paragraph 8, to the categories of national or local radio services and national or local digital sound programme services set out in the Table below there shall be attributed points according to that Table.

Category A local radio service or Category A local digital sound programme service	15
Category B local radio service or Category B local digital sound programme service	8
Category C local radio service or Category C local digital sound programme service	3
Category D local radio service or Category D local digital sound programme service	1

(2) For the purposes of the Table a local radio service or local digital sound programme service falls—

- (5) A service which, on the day on which the licence to provide it is granted, falls into a particular category for the purposes of the Table shall continue to be regarded as falling into that category so long as any increase or decrease in the relevant number of persons over the age of 15 (which would otherwise take the service outside that category) does not exceed 10 per cent.
- (6) A person who is a participant with more than a 20 per cent. interest in a body corporate which is the holder of a licence to provide a national or local radio service, but who does not control that body, shall for the purposes of paragraph 8 be treated as the holder of a licence to provide a national or local service to which one half of the points which would otherwise be attributable to such a service are attributed.
- (7) A person who is a participant with more than a 20 per cent. interest in a body corporate which provides a national or local digital sound programme service, but who does not control that body, shall for the purposes of paragraph 8 be treated as providing a national or local digital sound programme service to which one half of the points which would otherwise be attributable to such a service are attributed.

*Power to amend paragraphs 8 and 9*

- 10 (1) The Secretary of State may by order make such amendments of paragraphs 8 and 9 as he thinks fit for the purposes of including restricted radio services among the services referred to in any provision of paragraph 8 and of providing for the calculation of the points to be attributed to any such service, or any category of such service.

  - (a) by substituting different categories for the categories for the time being set out in the Table in sub-paragraph (1) and in sub-paragraph (2) or adding further categories,

  - (c) by substituting different population figures for those for the time being specified in sub-paragraph (2),
  - (d) by substituting a different age for the age for the time being specified in sub-paragraph (2)(a) and (5),

  - (f) by substituting a different percentage for the percentage for the time being specified in sub-paragraphs (6) and (7) in relation to an interest in a body corporate or a different fraction for the fraction for the time being specified in those sub-paragraphs in relation to the points to be attributed to a person falling within either of those sub-paragraphs.

- sub-paragraph (1) shall have effect as if the reference to one non-simulcast service were a reference to two such services.
- (3) In this paragraph “non-simulcast service” means any local digital sound programme service other than one which—
- (a) is provided by a person who holds a licence to provide a local radio service, and
  - (b) corresponds to that local radio service.
- (4) For the purposes of sub-paragraph (3)(b) a local digital sound programme service corresponds to a local radio service if, and only if, in every calendar month—
- (a) at least 80 per cent. of so much of the local radio service as consists of programmes, consists of programmes which are also included in the local digital sound programme service in that month, and

  - (b) (in the case of licences granted by the Commission) by reference to matters determined by them under the order.
- (3) Without prejudice to the generality of sub-paragraph (2), an order made under that sub-paragraph may impose on the holder of a licence to provide any specified category of relevant services specified in paragraph 1(3) limits framed (directly or indirectly) by reference to either or both of the following matters, namely—
