- (4) The second condition is that the service provider complies with any conditions attached to having access to the information.

 - (ii) is a national of an EEA state or a company or firm mentioned in [^{F496}Article 54 of the Treaty on the Functioning of the European Union] ;
 - (b) the presence or use in a particular place of equipment or other technical means of providing an information society service does not, of itself, constitute the establishment of a service provider;
