36C Meaning of “small brewery beer”: beer from singleton breweries

- (1) This section applies to beer produced in a brewery at a time in a calendar year (“the current year”) when the brewery is a singleton brewery.
- (2) The beer is “small brewery beer” if the following conditions are satisfied; but this is subject to subsections (9) and (10) below.
- (3) The first condition is that either—
 - (a) no beer was produced in the brewery in the previous calendar year (“the previous year”), or

$$\frac{A}{D} \times 365$$

where—

A is the amount of beer actually produced in the previous year in the brewery, and

D is the number of days in that part of the previous year.

- (5) The second condition is that the amount of the estimate under subsection (9) below of the brewery's production in the current year is not more than 30,000 hectolitres.

- (7) The fourth condition is that less than half of the beer produced in the brewery in the previous year was produced under licence.
- (8) The fifth condition is that the beer is not produced under licence.

- (10) Beer produced in the brewery in the current year after the amount of beer produced in the brewery in the current year has reached 30,000 hectolitres is not small brewery beer.
- (11) Subsection (10) above is without prejudice to section 167(4) of the Customs and Excise Management Act 1979 (recovery of duty unpaid by reason of untrue document or statement).

the brewery's production in the current year is not more than 5,000 hectolitres.

- (4) If this subsection applies, "the brewery rate" is 50% of the standard beer duty rate at the time concerned; but this is subject to rounding under subsection (7) below.
- (5) Subsection (6) below applies if—
- (a) beer was produced in the brewery in the previous year and the amount produced in the brewery in that year was more than 5,000 hectolitres but not more than 30,000 hectolitres, or
 - (b) no beer was produced in the brewery in the previous year and the grossed-up amount of the estimate under section 36C(9) above of the brewery's production in the current year is more than 5,000 hectolitres but not more than 30,000 hectolitres.
- (6) If this subsection applies, "the brewery rate" is, subject to rounding under subsection (7) below, given by—

$$\frac{P-2,500}{P} \times \text{the standard beer duty rate at the time c}$$

where—

if this subsection applies by reason of subsection (5)(a) above, P is the amount, in hectolitres, of beer produced in the brewery in the previous year, and

if this subsection applies by reason of subsection (5)(b) above, P is the grossed-up amount (expressed in hectolitres) mentioned in subsection (5)(b).

- (7) Where a rate given by subsection (4) or (6) above would (apart from this subsection) not be a whole number of pennies, the rate given by that subsection shall be taken to be the rate actually given by that subsection rounded up to the nearest penny.
- (8) Where the brewery was in use as beer-production premises during part only of the previous year, for the purposes of subsections (3)(a), (5)(a) and (6) above the amount of beer produced in the brewery in the previous year shall be taken to have been—

$$\frac{A}{D} \times 365$$

where—

A is the amount of beer actually produced in the previous year in the brewery, and

D is the number of days in that part of the previous year.

36E Meaning of "small brewery beer": beer from co-operated breweries

- (ii) a person connected with such a person;
- “group brewery” means a brewery that is in the group;
- “the previous year” means the calendar year immediately preceding the current year.
- (4) The first condition is that either—
- (a) no beer was produced in the previous year in the group, or
- (b) the amount given by $PY + GE$ is not more than 30,000 hectolitres, where—
- PY is the amount of beer produced in the previous year in the group, and
- GE is the aggregate of the grossed-up amount of each estimate that—
- (i) is an estimate for the purposes of subsection (10) below of the amount of the production in the current year in a group brewery in which no beer was produced in the previous year, and
- (ii) is made no later than the time mentioned in subsection (1) above.
- (5) For the purposes of subsection (4)(b) above, where a group brewery was in use as beer-production premises during part only of the previous year, the amount of beer produced in the previous year in that brewery shall be taken to have been—

$$\frac{A}{D} \times 365$$

where—

A is the amount of beer actually produced in the previous year in that brewery, and

D is the number of days in that part of the previous year.

- (6) The second condition is that the aggregate of each estimate that—
- (a) is an estimate for the purposes of subsection (10) below of the amount of a group brewery’s production in the current year, and
- (b) is made no later than the time mentioned in subsection (1) above, is not more than 30,000 hectolitres.

- (8) The fourth condition is that less than half of the beer produced in the previous year in each group brewery was produced under licence.
- (9) The fifth condition is that the beer is not produced under licence.
- (10) Beer produced in the co-operated brewery at an unestimated time is not small brewery beer; and here “unestimated time” means a time in the current year when there is a group brewery for which there does not exist a reasonable estimate, made by the person who first produces beer in that brewery in that year, of the amount of beer that will be produced in that brewery in that year.
- (11) Beer produced in the co-operated brewery in the current year after the amount of beer produced in the group in the current year has reached 30,000 hectolitres is not small brewery beer.
- (12) Subsection (11) above is without prejudice to section 167(4) of the Customs and Excise Management Act 1979 (recovery of duty unpaid by reason of untrue document or statement).

- (4) In this section “the notional previous year’s production” means the amount, in hectolitres, given by $PY + GE$ where—

PY is the amount of beer produced in the group in the previous year, and

GE is the aggregate of the grossed-up amount of each estimate that—

(a) is an estimate for the purposes of section 36E(10) above of the amount of the production in the current year in a group brewery in which no beer was produced in the previous year, and

(b) is made no later than the time mentioned in subsection (1) above.

- (5) Where a group brewery was in use as beer-production premises during part only of the previous year, in calculating PY for the purposes of subsection (4) above the amount of beer produced in that brewery in the previous year shall be taken to have been—

$$\frac{A}{D} \times 365$$

where—

A is the amount of beer actually produced in the previous year in that brewery, and

D is the number of days in that part of the previous year.

- (6) Subsection (7) below applies if—

(a) beer was produced in at least one group brewery in the previous year and the notional previous year’s production is not more than 5,000 hectolitres, or

(b) no beer was produced in the group in the previous year and the aggregate of each estimate that—

36G Assessments where incorrectly low rate of duty applied

- (1) Subsection (3) below applies if—
- (a) duty is charged by section 36 above on any beer, and
 - (b) it appears at the excise duty point that the beer is small brewery beer for the purposes of section 36(1AA) above, but
 - (c) it turns out that the beer was not small brewery beer for those purposes (because, for example, circumstances were not as they appeared at that point or they subsequently changed).
- (2) Subsection (3) below also applies if—
- (a) duty is charged by section 36 above on any beer that is small brewery beer for the purposes of section 36(1AA) above, and
 - (b) the rate of duty that at the excise duty point appeared to be the correct rate turns out to have been lower than the correct rate (because, for example, circumstances were not as they appeared at that point or they subsequently changed).
- (3) In any such case the Commissioners—
- (a) may assess the amount that is the difference between—
 - (i) the actual amount of the duty charged on the beer by section 36 above, and
 - (ii) the lower amount that, at the excise duty point, appeared to be the amount charged,as being excise duty due from the person liable to pay the duty charged on the beer by section 36 above, and
 - (b) may notify him or his representative accordingly.
- (4) Where two or more persons are liable to pay the duty charged on the beer—

 - (c) at a different reduced rate.
- (2) In this section—
 - “reduced rate” means a rate lower than the standard rate, and
 - “the standard rate” means the rate specified by section 36(1AA) (a) above.

PART 1 U.K.

THE EXEMPTIONS

The main exemption

- 1 (1) A gain accruing to a company (“the investing company”) on a disposal of shares or an interest in shares in another company (“the company invested in”) is not a chargeable gain if the requirements of this Schedule are met.
- (2) The requirements are set out in—
 - Part 2 (the substantial shareholding requirement), and
 - Part 3 (requirements to be met in relation to the investing company and the company invested in).
- (3) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of asset related to shares where main exemption conditions met

- 2 (1) A gain accruing to a company (“company A”) on a disposal of an asset related to shares in another company (“company B”) is not a chargeable gain if either of the following conditions is met.
- (2) The first condition is that—
 - (a) immediately before the disposal company A holds shares or an interest in shares in company B, and
 - (b) any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (3) The second condition is that—
 - (a) immediately before the disposal company A does not hold shares or an interest in shares in company B but is a member of a group and another member of that group does hold shares or an interest in shares in company B, and
 - (b) if company A, rather than that other company, held the shares or interest, any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (4) Where assets of a company are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, this paragraph applies as if the assets were vested in, and the acts of the liquidator in relation to the assets were the acts of,

- (5) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of shares or related asset where main exemption conditions previously met

- 3 (1) A gain accruing to a company (“company A”) on a disposal of shares, or an interest in shares or an asset related to shares, in another company (“company B”) is not a chargeable gain if the following conditions are met.

- (2) The conditions are—

- (a) that at the time of the disposal company A meets the requirement in paragraph 7 (the substantial shareholding requirement) in relation to company B;
- (b) that a chargeable gain or allowable loss would, apart from this paragraph, accrue to company A on the disposal (but see sub-paragraph (3) below);
- (c) that at the time of the disposal—
 - (i) company A is resident in the United Kingdom, or
 - (ii) any chargeable gain accruing to company A on the disposal would, by virtue of section 10(3), form part of that company’s chargeable profits for corporation tax purposes;
- (d) that there was a time within the period of two years ending with the disposal (“the relevant period”) when, if—
 - (i) company A, or
 - (ii) a company that at any time in the relevant period was a member of the same group as company A,
 had disposed of shares or an interest in shares in company B that it then held, a gain accruing would, by virtue of paragraph 1, not have been a chargeable gain; and
- (e) that, if at the time of the disposal the requirements of paragraph 19 (requirements relating to company invested in) are not met in relation to company B, there was a time within the relevant period when company B was controlled by—
 - (i) company A, or
 - (ii) company A together with any persons connected with it, or
 - (iii) a company that at any time in the relevant period was a member of the same group as company A, or
 - (iv) any such company together with any persons connected with it.

- (3) Sub-paragraph (1) does not apply if—

- (a) the condition in sub-paragraph (2)(b) is met but would not be met but for a failure to meet the requirement in paragraph 18(1)(b) (requirement as to investing company to be met immediately after the disposal), and
- (b) the failure to meet that requirement is not due to—
 - (i) the fact that company A has been wound up or dissolved, or

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. - (ii) where the winding up or dissolution takes place as soon as is reasonably practicable in the circumstances, the fact that company A is about to be wound up or dissolved.
- (4) In determining for the purpose of sub-paragraph (2)(d) whether a gain accruing on the hypothetical disposal referred to would have been a chargeable gain, the requirements of paragraph 18(1)(b) and of paragraph 19(1)(b) (requirement as to company invested in to be met immediately after the disposal) shall be assumed to be met.
- (5) Where—
 - (a) immediately before the disposal company B holds an asset,
 - (b) the expenditure allowable in computing any gain or loss on that asset, were it to be disposed of by company B immediately before that disposal, would fall to be reduced because of a claim to relief under section 165 (gifts relief) in relation to an earlier disposal, and
 - (c) that earlier disposal took place within the relevant period,
 sub-paragraph (1) does not prevent a gain accruing to company A on the disposal from being a chargeable gain but any loss so accruing is not an allowable loss.
- (6) Where assets of company B are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, sub-paragraph (5)(a) applies as if the assets were vested in the company.
- (7) In determining “the relevant period” for the purposes of sub-paragraph (2)(d) or (e) or sub-paragraph (5)(c), section 28 (time of disposal under contract) applies with the omission of subsection (2) (postponement of time of disposal in case of conditional contract).
- (8) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Application of exemptions in priority to provisions deeming there to be no disposal etc

- 4 (1) For the purposes of determining whether an exemption conferred by this Schedule applies, the question whether there is a disposal shall be determined without regard to—
 - (a) section 116(10) (reorganisation, conversion of securities, etc treated as not involving disposal),
 - (b) section 127 (share reorganisations etc treated as not involving disposal), or
 - (c) section 192(2)(a) (distribution not treated as capital distribution).
- (2) Sub-paragraph (1) does not apply to a disposal of shares if the effect of its applying would be that relief attributable to the shares under Schedule 15 to the Finance Act 2000 (corporate venturing scheme) would be withdrawn or reduced under paragraph 46 of that Schedule (withdrawal or reduction of investment relief on disposal of shares).
- (3) Where or to the extent that an exemption conferred by this Schedule does apply—

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. - (a) the provisions mentioned in sub-paragraph (1)(a) and (b) do not apply in relation to the disposal, and
 - (b) the provision mentioned in sub-paragraph (1)(c) does not apply in relation to the subject matter of the disposal.
- (4) Where section 127 is disapplied by sub-paragraph (3)(a) in a case in which that section would otherwise have applied in relation to the disposal by virtue of paragraph 84 of Schedule 15 to the Finance Act 2000 (corporate venturing scheme: share exchanges), paragraph 85 of that Schedule (attribution of relief to new shares) does not apply.
- (5) In this paragraph any reference to section 127 includes a reference to that provision as applied by any enactment relating to corporation tax.

Circumstances in which exemptions do not apply

- 5 (1) Where in pursuance of arrangements to which this paragraph applies—
- (a) an untaxed gain accrues to a company (“company A”) on a disposal of shares, or an interest in shares or an asset related to shares, in another company (“company B”), and
 - (b) before the accrual of that gain—
 - (i) company A acquired control of company B, or the same person or persons acquired control of both companies, or
 - (ii) there was a significant change of trading activities affecting company B at a time when it was controlled by company A, or when both companies were controlled by the same person or persons,
- none of the exemptions in this Schedule applies to the disposal.
- (2) This paragraph applies to arrangements from which the sole or main benefit that (but for this paragraph) could be expected to arise is that the gain on the disposal would, by virtue of this Schedule, not be a chargeable gain.
- (3) For the purposes of sub-paragraph (1)(a) a gain is “untaxed” if the gain, or all of it but a part that is not substantial, represents profits that have not been brought into account (in the United Kingdom or elsewhere) for the purposes of tax on profits for a period ending on or before the date of the disposal.
- (4) The reference in sub-paragraph (3) to profits being brought into account for the purposes of tax on profits includes a reference to the case where—
- (a) an amount in respect of those profits is apportioned to a company resident in the United Kingdom by virtue of subsection (3) of section 747 of the Taxes Act 1988 (imputation of chargeable profits etc of controlled foreign companies), and
 - (b) a sum is chargeable on that company in respect of that amount by virtue of subsection (4) of that section for an accounting period of that company ending on or before the date of the disposal.
- (5) For the purposes of sub-paragraph (1)(b)(ii) there is a “significant change of trading activities affecting company B” if—
- (a) there is a major change in the nature or conduct of a trade carried on by company B or a 51% subsidiary of company B, or

“profits” means income or gains (including unrealised income or gains).

Other cases excluded from exemptions

6 (1) The exemptions conferred by this Schedule do not apply—

- (a) to a disposal that by virtue of any enactment relating to chargeable gains is deemed to be for a consideration such that no gain or loss accrues to the person making the disposal,
- (b) to a disposal a gain on which would, by virtue of any enactment not contained in this Schedule, not be a chargeable gain, or
- (c) to a deemed disposal under section 440(1) or (2) of the Taxes Act (deemed disposal on transfer of asset of insurance company from one category to another).

(2) The hypothetical disposal referred to in paragraph 2(2)(b) or (3)(b) or paragraph 3(2)(d) shall be assumed not to be a disposal within subparagraph (1)(a), (b) or (c) above.

PART 2 THE SUBSTANTIAL SHAREHOLDING REQUIREMENT

Effect of earlier no-gain/no-loss transfer

- 10 (1) For the purposes of this Part the period for which a company has held shares is treated as extended by any earlier period during which the shares concerned, or shares from which they are derived, were held—

- (6) For the purposes of this paragraph shares are “derived” from other shares only where—

This is subject to the following qualification.

Meaning of “scheme of reconstruction”

3 After Schedule 5A to the Taxation of Chargeable Gains Act 1992 insert—

“SCHEDULE 5AA U.K.”

MEANING OF “SCHEME OF RECONSTRUCTION”

Introductory

1 In section 136 “scheme of reconstruction” means a scheme of merger, division or other restructuring that meets the first and second, and either the third or the fourth, of the following conditions.

First condition: issue of ordinary share capital

2 The first condition is that the scheme involves the issue of ordinary share capital of a company (“the successor company”) or of more than one company (“the successor companies”)—

- (a) to holders of ordinary share capital of another company (“the original company”) or, where there are different classes of ordinary share capital of that company, to holders of one or more classes of ordinary share capital of that company (the classes “involved in the scheme of reconstruction”), or
- (b) to holders of ordinary share capital of more than one other company (“the original companies”) or, where there are different classes of ordinary share capital of one or more of the original company or companies, to holders of ordinary share capital of any of those companies or of one or more classes of ordinary share capital of any of those companies (the classes “involved in the scheme of reconstruction”),

and does not involve the issue of ordinary share capital of the successor company, or (as the case may be) any of the successor companies, to anyone else.

Second condition: equal entitlement to new shares

3 (1) The second condition is that under the scheme the entitlement of any person to acquire ordinary share capital of the successor company or companies by virtue of holding relevant shares, or relevant shares of any class, is the same as that of any other person holding such shares or shares of that class.

(2) For this purpose “relevant shares” means shares comprised—

- (a) where there is one original company, in the ordinary share capital of that company or, as the case may be, in the ordinary share capital of that company of a class involved in the scheme of reconstruction;
- (b) where there is more than one original company, in the ordinary share capital of any of those companies or, as the case may be, in the ordinary share capital of any of those companies of a class involved in the scheme of reconstruction.

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Third condition: continuity of business

- 4 (1) The third condition is that the effect of the restructuring is—
- (a) where there is one original company, that the business or substantially the whole of the business carried on by the company is carried on—
 - (i) by a successor company which is not the original company, or
 - (ii) by two or more successor companies (which may include the original company);
 - (b) where there is more than one original company, that all or part of the business or businesses carried on by one or more of the original companies is carried on by a different company, and the whole or substantially the whole of the businesses carried on by the original companies are carried on—
 - (i) where there is one successor company, by that company (which may be one of the original companies), or
 - (ii) where there are two or more successor companies, by those companies (which may be the same as the original companies or include any of those companies).
- (2) The reference in sub-paragraph (1)(a)(ii) or (b)(ii) to the whole or substantially the whole of a business, or businesses, being carried on by two or more companies includes the case where the activities of those companies taken together embrace the whole or substantially the whole of the business, or businesses, in question.
- (3) For the purposes of this paragraph a business carried on by a company that is under the control of another company is treated as carried on by the controlling company as well as by the controlled company.
- Section 840 of the Taxes Act (meaning of “control”) applies for the purposes of this sub-paragraph.
- (4) For the purposes of this paragraph the holding and management of assets that are retained by the original company, or any of the original companies, for the purpose of making a capital distribution in respect of shares in the company shall be disregarded.

In this sub-paragraph “capital distribution” has the same meaning as in section 122.

Fourth condition: compromise or arrangement with members

- 5 The fourth condition is that—
- (a) the scheme is carried out in pursuance of a compromise or arrangement—
 - (i) under section 425 of the Companies Act 1985 or Article 418 of the Companies (Northern Ireland) Order 1986, or
 - (ii) under any corresponding provision of the law of a country or territory outside the United Kingdom, and

- (b) no part of the business of the original company, or of any of the original companies, is transferred under the scheme to any other person.

Preliminary reorganisation of share capital to be disregarded

- 6 Where a reorganisation of the share capital of the original company, or of any of the original companies, is carried out for the purposes of the scheme of reconstruction, the provisions of the first and second conditions apply in relation to the position after the reorganisation.

Subsequent issue of shares or debentures to be disregarded

- 7 An issue of shares in or debentures of the successor company, or any of the successor companies, after the latest date on which any ordinary share capital of the successor company, or any of them, is issued—
- (a) in consideration of the transfer of any business, or part of a business, under the scheme, or
- (b) in pursuance of the compromise or arrangement mentioned in paragraph 5(a),
- shall be disregarded for the purposes of the first and second conditions.

Interpretation

- 8 (1) In this Schedule “ordinary share capital” has the meaning given by section 832(1) of the Taxes Act and also includes—
- (a) in relation to a unit trust scheme, any rights that are treated by section 99(1)(b) of this Act (application of Act to unit trust schemes) as shares in a company, and
- (b) in relation to a company that has no share capital, any interests in the company possessed by members of the company.

Section 85

GAINS OF INSURANCE COMPANY FROM VENTURE CAPITAL INVESTMENT PARTNERSHIP

The following Schedule is inserted after Schedule 7AC to the Taxation of Chargeable Gains Act 1992 (c. 12)—

“SCHEDULE 7AD **U.K.**

GAINS OF INSURANCE COMPANY FROM VENTURE CAPITAL INVESTMENT PARTNERSHIP

Introduction

1 This Schedule applies where the assets of the long-term insurance fund of an insurance company (“the company”) include assets held by the company as a limited partner in a venture capital investment partnership (“the partnership”).

Meaning of “venture capital investment partnership”

- 2 (1) A “venture capital investment partnership” means a partnership in relation to which the following conditions are met.
- (2) The first condition is that the sole or main purpose of the partnership is to invest in unquoted shares or securities.

This condition shall not be regarded as met unless it appears from—

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

- (a) the agreement constituting the partnership, or
 - (b) any prospectus issued to prospective partners,
- that that is the sole or main purpose of the partnership.
- (3) The second condition is that the partnership does not carry on a trade.
- (4) The third condition is that not less than 90% of the book value of the partnership's investments is attributable to investments that are either—
- (a) shares or securities that were unquoted at the time of their acquisition by the partnership, or
 - (b) shares that were quoted at the time of their acquisition by the partnership but which it was reasonable to believe would cease to be quoted within the next twelve months.
- (5) For the purposes of the third condition—
- (a) the following shall be disregarded—
 - (i) any holding of cash, including cash deposited in a bank account or similar account but not cash acquired wholly or partly for the purpose of realising a gain on its disposal;
 - (ii) any holding of quoted shares or securities acquired by the partnership in exchange for unquoted shares or securities;
 - (b) whether the 90% test is met shall be determined by reference to the values shown in the partnership's accounts at the end of a period of account of the partnership.
- (6) Where a partnership ceases to meet the above conditions, the company shall be treated as if the partnership had continued to be a venture capital investment partnership until the end of the period of account of the partnership during which it ceased to meet the conditions.
- (7) A partnership that ceases to meet those conditions cannot qualify again as a venture capital investment partnership.

For this purpose a partnership is treated as the same partnership notwithstanding a change in membership if any person who was a member before the change remains a member.

Interest in relevant assets of partnership treated as single asset

- 3 (1) Where this Schedule applies section 59 (partnerships) does not have effect to make the company chargeable on its share of gains accruing on each disposal of relevant assets of the partnership.
- (2) Instead—
- (a) the company's interest in relevant assets of the partnership is treated as a single asset ("the single asset") acquired by the company when it became a member of the partnership, and
 - (b) the following provisions of this Schedule have effect.
- (3) For the purposes of this Schedule the "relevant assets" of the partnership are the shares and securities held by the partnership, other than qualifying corporate bonds.
- (4) Nothing in this Schedule shall be read—

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. - (a) as affecting the operation of section 59 in relation to partners who are not insurance companies carrying on long-term business or are not limited partners, or
- (b) as imposing any liability on the partnership as such.

The cost of the single asset

- 4 (1) The company is treated as having given, wholly and exclusively for the acquisition of the single asset, consideration equal to the amount of capital contributed by it on becoming a member of the partnership.
- (2) Any further amounts of capital contributed by it to the partnership are treated on a disposal of the single asset as expenditure incurred wholly and exclusively on the asset for the purpose of enhancing its value and reflected in its state or nature at the time of the disposal.
- (3) Where the investments of the partnership include qualifying corporate bonds, the amount to be taken into account under sub-paragraph (1) or (2) is proportionately reduced.
- (4) The reduction is made by applying to that amount the fraction:

$$\frac{A-B}{A}$$

where—

A is the book value of all shares and securities held by the partnership at the end of the period of account of the partnership in which the amount of capital in question is fully invested by the partnership, and

B is the book value of all qualifying corporate bonds held by the partnership at the end of that period of account.

- (5) For the purposes of sub-paragraph (4) the “book value” means the value shown in the partnership’s accounts at the end of the period of account.

Deemed disposal of single asset in case of distribution

- 5 (1) There is a disposal of the single asset on each occasion on which the company receives a distribution from the partnership that does not consist entirely of income or the proceeds of sale or redemption of assets that are not relevant assets.
- (2) The disposal is taken to be for a consideration equal to the amount of the distribution or of so much of it as does not consist of income or the proceeds of sale or redemption of assets that are not relevant assets.
- (3) Where—
- (a) the partnership disposes of relevant assets on which a chargeable gain or allowable loss would accrue if they were held by the company alone, and
 - (b) no distribution of the proceeds of the disposal is made within twelve months of the disposal,

the company is treated as having received its share of the proceeds as a distribution at the end of the period of account of the partnership following that in which the disposal

took place, or at the end of the period of six months after the date of the disposal, whichever is the later.

- (4) The operation of sub-paragraph (3) is not affected by the partnership having ceased to be a venture capital investment partnership before the time at which the distribution is treated as received by the company.
- (5) Where sub-paragraph (3) applies, any subsequent actual distribution of the proceeds is disregarded.

Apportionment in case of part disposal

- 6 (1) For the purposes of section 42 (apportionment of cost etc in case of part disposal) the market value of the property remaining undisposed of on a part disposal of the single asset shall be determined as follows.
 - (2) If there is no further disposal of that asset in the period of account in which the part disposal in question takes place, the market value of the property remaining undisposed of shall be taken to be equal to the company's share of the book value of the relevant assets of the partnership as shown in the partnership's accounts at the end of that period of account.
 - (3) If there is a further disposal of that asset in the period of account in which the part disposal in question takes place, or more than one, the market value of the property remaining undisposed of shall be taken to be equal to the sum of—
 - (a) the amount or value of the consideration on the further disposal or, as the case may be, the total amount or value of the consideration on the further disposals, and
 - (b) the amount (if any) of the company's share of the book value of the relevant assets of the partnership as shown in the partnership's accounts at the end of that period of account.

Disposal of partnership asset giving rise to offshore income gain

- 7 (1) Nothing in this Schedule shall be read as affecting the operation of Chapter 5 of Part 17 of the Taxes Act (offshore funds).
- (2) Where an offshore income gain accrues to the company under that Chapter from the disposal of any relevant asset of the partnership, the amount of any distribution received or treated as received by the company from the partnership that represents the whole or part of the proceeds of disposal of that asset is treated for the purposes of this Schedule as reduced by the amount of the whole or a corresponding part of the offshore income gain.

Exclusion of negligible value claim

- 8 No claim may be made in respect of the single asset under section 24(2) (assets that have become of negligible value).

Investment in other venture capital investment partnerships

- 9 (1) For the purposes of paragraph 2 (meaning of "venture capital investment partnership") an investment by way of capital contribution to another venture capital investment partnership shall be treated as an investment in unquoted shares or securities.

Status: This version of this Act contains provisions that are prospective.

SCHEDULE 34 U.K.

Section 111

STAMP DUTY: WITHDRAWAL OF GROUP RELIEF: SUPPLEMENTARY PROVISIONS

Introduction

- 1 (1) The provisions of this Schedule supplement section 111 (withdrawal of group relief).
(2) Expressions used in this Schedule that are defined for the purposes of that section have the same meaning in this Schedule.

Relief not withdrawn if transferor company leaves group

- 2 (1) Section 111 does not apply if the transferee company ceases to be a member of the same group as the transferor company by reason of the latter company leaving the group.
(2) The transferor company is regarded as leaving the group if the companies cease to be members of the same group by reason of a transaction relating to shares in—
(a) the transferor company, or
(b) another company that as a result of the transaction ceases to be a member of the same group as the transferee company.

Status: This version of this Act contains provisions that are prospective.

Changes to legislation: Finance Act 2002 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. Relief not withdrawn in case of winding-up

- 3 (1) Section 111 does not apply if the transferee company ceases to be a member of the same group as the transferor company by reason of anything done for the purposes of, or in the course of, winding up the transferor company or another company that is above the transferor company in the group structure.
- (2) For the purposes of this paragraph a company is “above” the transferor company in the group structure if it is the parent (within the meaning of the relevant group relief provision)—
- (a) of the transferor company, or
 - (b) of another company that is above the transferor company in the group structure.

Relief not withdrawn in case of exempt acquisition

- 4 (1) Section 111 does not apply if—
- (a) the transferee company ceases to be a member of the same group as the transferor company as a result of an acquisition of shares by another company (“the parent company”) in relation to which acquisition relief applies, and
 - (b) the transferee company is immediately after that acquisition a member of the same group as the parent company (“the new group”).
- (2) For this purpose—
- (a) “acquisition relief” means relief under section 75 of the Finance Act 1986 (c. 41); and
 - (b) references to an acquisition in relation to which such relief applies are to an acquisition such that an instrument effecting the transfer of the shares is exempt from stamp duty by virtue of that provision.
- (3) But if before the end of the period of two years beginning with the date on which the relevant instrument was executed—
- (a) the transferee company ceases to be a member of the new group, and
 - (b) at the time when [^{F210}the transferee company ceases] to be a member of the new group [^{F211}it or a relevant associated company (as defined in sub-paragraph (4) below) holds] an estate or interest in land that—
 - (i) was transferred [^{F212}to the transferee company] by the relevant instrument, or
 - (ii) is derived from an estate or interest that was so transferred, [^{F213}and that has not subsequently been transferred at market value by a duly stamped instrument on which *ad valorem* duty was paid and in respect of which group relief was not claimed],
 section 111 and the provisions of this Schedule apply [^{F214}as if the transferee had then ceased to be a member of the same group as the transferor company and had then held the estate or interest referred to in paragraph (b).]
- [^{F215}(4) In sub-paragraph (3)(b) “relevant associated company”, in relation to the transferee company, means a company that is in the same group as the transferee company immediately before the transferee company ceases to be a member of the new group and which ceases to be a member of the new group in consequence of the transferee company so ceasing.]
