EDUCATION ACT 2002

EXPLANATORY NOTES

COMMENTARY ON SECTIONS AND SCHEDULES

Part 10 – Independent Schools

Chapter 1 – **Regulation of independent schools**

Enforcement of prescribed standards after registration

Section 165: Failure to meet standards

324. The section introduces a new regime for dealing with independent schools where standards are not being maintained. Subsection (2) refers specifically to a fast track arrangement when a school is failing to meet the required standards and there is a serious risk to pupils' welfare. In all other cases schools found not to be meeting the standards will be required to produce, and subsequently implement, an action plan to remedy the areas of concern.
