Admission arrangements

Sections 46 to 51

128. The following sections introduce a number of changes to the current legal framework that instructs LEAs and school governing bodies on how they should operate their school admission arrangements. Guidelines for England are set out in the School Admissions Code of Practice and the School Admission Appeals Code of Practice, in force since April 1999 and September 1999 respectively. Revised versions of these Codes, to reflect the legislative changes, will be issued in January 2003. Guidelines for Wales are set out in corresponding Codes of Practice, which will also be revised.
