

Animal Health Act 2002

2002 CHAPTER 42

PART 4

GENERAL

15 Duty to consider vaccination

In the 1981 Act the following section is inserted after section 14A (as inserted by section 18) of this Act—

“14B Duty to consider vaccination

- (1) In relation to any occurrence of foot-and-mouth disease the Secretary of State must consider what is the most appropriate means of preventing the spread of the disease.
- (2) In particular he must consider whether in relation to the occurrence treating animals with serum or vaccine is more appropriate than any other means of preventing the spread of the disease.”

Changes to legislation:

There are currently no known outstanding effects for the Animal Health Act 2002, Section 15.
