### Land transactions

#### 43 Land transactions

- (1) In this Part a “land transaction” means any acquisition of a chargeable interest. As to the meaning of “chargeable interest” see section 48.
- (2) Except as otherwise provided, this Part applies however the acquisition is effected, whether by act of the parties, by order of a court or other authority, by or under any statutory provision or by operation of law.
- (3) For the purposes of this Part—
  - (a) the creation of a chargeable interest is—
    - (i) an acquisition by the person becoming entitled to the interest created, and
    - (ii) a disposal by the person whose interest or right is subject to the interest created;
  - (b) the surrender or release of a chargeable interest is—
    - (i) an acquisition of that interest by any person whose interest or right is benefitted or enlarged by the transaction, and
    - (ii) a disposal by the person ceasing to be entitled to that interest; <sup>F1</sup>...
  - (c) the variation of a chargeable interest [<sup>F2</sup>(other than a lease)] is—
    - (i) an acquisition of a chargeable interest [<sup>F2</sup>(other than a lease)] by the person benefitting from the variation, and
    - (ii) a disposal of a chargeable interest [<sup>F2</sup>(other than a lease)] by the person whose interest is subject to or limited by the variation.
  - <sup>F3</sup>(d) the variation of a lease is an acquisition and disposal of a chargeable interest only where
    - [ it takes effect, or is treated for the purposes of this Part, as the grant <sup>F4</sup>(i) of a new lease<sup>F5</sup>, or
    - (ii) paragraph 15A of Schedule 17A (reduction of rent or term) applies.]]
- (4) References in this Part to the “purchaser” and “vendor”, in relation to a land transaction, are to the person acquiring and the person disposing of the subject-matter of the transaction.
 

These expressions apply even if there is no consideration given for the transaction.
- (5) A person is not treated as a purchaser unless he has given consideration for, or is a party to, the transaction.
- (6) References in this Part to the subject-matter of a land transaction are to the chargeable interest acquired (the “main subject-matter”), together with any interest or right appurtenant or pertaining to it that is acquired with it.

## 44 Contract and conveyance

- (1) This section applies where a contract for a land transaction is entered into under which the transaction is to be completed by a conveyance.
- (2) A person is not regarded as entering into a land transaction by reason of entering into the contract, but the following provisions have effect.
- (3) If the transaction is completed without previously having been substantially performed, the contract and the transaction effected on completion are treated as parts of a single land transaction. In this case the effective date of the transaction is the date of completion.
- (4) If the contract is substantially performed without having been completed, the contract is treated as if it were itself the transaction provided for in the contract.

In this case the effective date of the transaction is when the contract is substantially performed.

- (5) A contract is “substantially performed” when—
  - (a) the purchaser<sup>[F6]</sup>, or a person connected with the purchaser,] takes possession of the whole, or substantially the whole, of the subject-matter of the contract, or
  - (b) a substantial amount of the consideration is paid or provided.
- (6) For the purposes of subsection (5)(a)—
  - [F7(a) possession includes receipt of rents and profits or the right to receive them, and]
  - (b) it is immaterial whether [F8possession is taken] under the contract or under a licence or lease of a temporary character.
- (7) For the purposes of subsection (5)(b) a substantial amount of the consideration is paid or provided—
  - (a) if none of the consideration is rent, where the whole or substantially the whole of the consideration is paid or provided;
  - (b) if the only consideration is rent, when the first payment of rent is made;
  - (c) if the consideration includes both rent and other consideration, when—
    - (i) the whole or substantially the whole of the consideration other than rent is paid or provided, or
    - (ii) the first payment of rent is made.
- (8) Where subsection (4) applies and the contract is subsequently completed by a conveyance—

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) both the contract and the transaction effected on completion are notifiable transactions, and
  - (b) tax is chargeable on the latter transaction to the extent (if any) that the amount of tax chargeable on it is greater than the amount of tax chargeable on the contract.
- (9) Where subsection (4) applies and the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that subsection shall (to that extent) be repaid by the Inland Revenue.

Repayment must be claimed by amendment of the land transaction return made in respect of the contract.

[<sup>F9</sup>(9A) Where—

- (a) paragraph 12A of Schedule 17A applies (agreement for lease), or
- (b) paragraph 19(3) to (6) of Schedule 17A applies (missives of let etc in Scotland),

it applies in place of subsections (4), (8) and (9).]

(10) In this section—

- (a) references to completion are to completion of the land transaction proposed, between the same parties, in substantial conformity with the contract; and
- (b) “contract” includes any agreement and “conveyance” includes any instrument.

[<sup>F10</sup>(11) [<sup>F11</sup>Section 1122 of the Corporation Tax Act 2010] (connected persons) has effect for the purposes of this section.]

## [<sup>F12</sup>44A Contract providing for conveyance to third party

- (1) This section applies where a contract is entered into under which a chargeable interest is to be conveyed by one party to the contract (A) at the direction or request of the other (B)—
- (a) to a person (C) who is not a party to the contract, or
  - (b) either to such a person or to B.

- (2) B is not regarded as entering into a land transaction by reason of entering into the contract, but the following provisions have effect.

- (3) If the contract is substantially performed B is treated for the purposes of this Part as acquiring a chargeable interest, and accordingly as entering into a land transaction.

The effective date of the transaction is when the contract is substantially performed.

- (4) Where the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of subsection (3) shall (to that extent) be repaid by the Inland Revenue.

Repayment must be claimed by amendment of the land transaction return made in respect of the contract.

- (7) Section 44 applies in relation to any contract between B and C, in respect of the chargeable interest referred to in subsection (1) above, that is to be completed by a conveyance.

References to completion in that section, as it so applies, include references to conveyance by A to C of the subject matter of the contract between B and C.

- (8) In this section “contract” includes any agreement and “conveyance” includes any instrument.]

## 45 Contract and conveyance: effect of transfer of rights

(1) This section applies where—

- (a) a contract for a land transaction (“the original contract”) is entered into under which the transaction is to be completed by a conveyance,<sup>F13</sup>...
- (b) there is an assignment, subsale or other transaction (relating to the whole or part of the subject-matter of the original contract) as a result of which a person other than the original purchaser becomes entitled to call for a conveyance to him<sup>F14</sup>, and
- (c) paragraph 12B of Schedule 17A (assignment of agreement for lease) does not apply.]

References in the following provisions of this section to a transfer of rights are to any such assignment, subsale or other transaction<sup>F15</sup>, and references to the transferor and the transferee shall be read accordingly].

(2) The transferee is not regarded as entering into a land transaction by reason of the transfer of rights, but section 44 (contract and conveyance) has effect in accordance with the following provisions of this section.

(3) That section applies as if there were a contract for a land transaction (a “secondary contract”) under which—

- (a) the transferee is the purchaser, and
- (b) the consideration for the transaction is—
  - (i) so much of the consideration under the original contract as is referable to the subject-matter of the transfer of rights and is to be given (directly or indirectly) by the transferee or a person connected with him, and
  - (ii) the consideration given for the transfer of rights.

The substantial performance or completion of the original contract at the same time as, and in connection with, the substantial performance or completion of the secondary contract shall be disregarded<sup>F16</sup> except in a case where the secondary contract gives rise to a transaction that is exempt from charge by virtue of subsection (3) of section 73 (alternative property finance: land sold to financial institution and re-sold to individual)].

(4) Where there are successive transfers of rights, subsection (3) has effect in relation to each of them.

The substantial performance or completion of the secondary contract arising from an earlier transfer of rights at the same time as, and in connection with, the substantial performance or completion of the secondary contract arising from a subsequent transfer of rights shall be disregarded.

<sup>F17</sup>(5) Where a transfer of rights relates to part only of the subject-matter of the original contract (“the relevant part”)—

- (a) subsection (8)(b) of section 44 (restriction of charge to tax on subsequent conveyance) has effect as if the reference to the amount of tax chargeable on that contract were a reference to an appropriate proportion of that amount, and
- (b) a reference in the second sentence of subsection (3) above to the original contract, or a reference in subsection (4) above to the secondary contract arising from an earlier transfer of rights, is to that contract so far as relating to the relevant part (and that contract so far as not relating to the relevant part shall be treated as a separate contract).]
