(2) The condition is that the event by which the extent of the interest held directly in the vehicle increases forms part of a scheme or arrangement the main purpose or one of the main purposes of which is—

- (a) to enable the amount of the unauthorised payment treated as arising on the original acquisition of the interest in the property by the pension scheme to be lower than it otherwise would have been, or
- (b) to prevent an unauthorised payment from being treated as made on that original acquisition.

(3) Unless that condition is met, the increase in the extent of the interest is also to be disregarded for the purposes of paragraphs 24 to 26.
