- (2) The Secretary of State may by notice require that person to submit to him a programme for decommissioning the relevant object (a “decommissioning programme”).
- (3) The Secretary of State may require a person to submit a decommissioning programme in respect of proposals made by that person only if the Secretary of State is satisfied that at least one of the statutory consents required for enabling that person to give effect to those proposals—

- (8) A decommissioning programme—
 - (a) must set out measures to be taken for decommissioning the relevant object;
 - (b) must contain an estimate of the expenditure likely to be incurred in carrying out those measures;

 - (d) if it proposes that the relevant object will be wholly or partly removed from a place in waters regulated under this Chapter, must include provision about restoring that place to the condition that it was in prior to the construction of the object; and
 - (e) if it proposes that the relevant object will be left in position at a place in waters regulated under this Chapter or will not be wholly removed from a place in such waters, must include provision about whatever continuing monitoring and maintenance of the object will be necessary.
- (9) A notice under this section may require the recipient of the notice to submit any of the following with the decommissioning programme—
