AMENDMENTS OF THE PLANNING ACTS

Planning (Listed Buildings and Conservation Areas) Act 1990 (c. 9)

24 In section 73 (publicity for applications affecting conservation areas) for subsection (1) there is substituted the following subsection—

“(1) The Secretary of State may prescribe requirements as to publicity for applications for planning permission in cases where the local planning authority think that the development of land would affect the character or appearance of a conservation area.”
