

These notes refer to the Clean Neighbourhoods and Environment Act 2005 (c.16) which received Royal Assent on 7 April 2005

CLEAN NEIGHBOURHOODS AND ENVIRONMENT ACT 2005

EXPLANATORY NOTES

BACKGROUND AND SUMMARY

Part 1: Crime and Disorder

5. This Part amends the law relating to crime and disorder reduction partnerships to require them to take into account anti-social and other behaviour adversely affecting the local environment; and makes provision for the gating of minor highways that attract anti-social behaviour.
