#### *Section 64 Byelaws*

191. **Section 64** removes the ability of primary and secondary authorities to make byelaws to control dogs in circumstances where it would also be possible for the authority to make a dog control order in respect of the same matter in relation to the land in question. Existing byelaws will remain in place unless that land is made the subject of a dog control order for the same type of offence. For example, if a local authority has a byelaw in place banning dogs from a local park, that byelaw will continue to have effect until such time as the authority makes a dog control order in relation to that park that likewise bans dogs.
