

Income Tax (Trading and Other Income) Act 2005

2005 CHAPTER 5

PART 1

OVERVIEW

1 Overview of Act

- (1) This Act imposes charges to income tax under—
 - (a) Part 2 (trading income),
 - (b) Part 3 (property income),
 - (c) Part 4 (savings and investment income), and
 - (d) Part 5 (certain miscellaneous income).
- (2) Those charges to tax have effect for the purposes of section 1(1) of ICTA (the general charge to income tax).
- (3) Exemptions from those charges are dealt with in Part 6 (exempt income) but any Part 6 exemptions which are most obviously relevant to particular types of income are also mentioned in the provisions about those types of income.
- (4) What is or is not mentioned in those provisions does not limit the effect of Part 6.
- (5) This Act also contains—
 - (a) provision about rent-a-room relief and foster-care relief (see Part 7),
 - (b) special rules for foreign income (see Part 8),
 - (c) special rules for partnerships (see Part 9), and
 - (d) certain calculation rules and general provisions (see Part 10).
- (6) For abbreviations and defined expressions used in this Act, see section 885 and Schedule 4.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

2 Overview of priority rules

- (1) This Act contains some rules establishing an order of priority in respect of certain amounts which would otherwise—
 - (a) fall within a charge to income tax under two or more Chapters or Parts of this Act, or
 - (b) fall within a charge to income tax under a Chapter or Part of this Act and ITEPA 2003.
- (2) See, in particular—
 - section 4 (provisions which must be given priority over Part 2),
 - section 261 (provisions which must be given priority over Part 3),
 - section 262 (priority between Chapters within Part 3),
 - section 366 (provisions which must be given priority over Part 4),
 - section 367 (priority between Chapters within Part 4),
 - section 575 (provisions which must be given priority over Part 5), and
 - section 576 (priority between Chapters within Part 5).
- (3) But the rules in those sections need to be read with other rules of law (whether in this Act or otherwise) about the scope of particular provisions or the order of priority to be given to them.
- (4) Section 171(2) of FA 1993 (profits of Lloyd's underwriters charged only under Chapter 2 of Part 2 of this Act) is one example of another rule of law.

PART 2

 - (c) Chapter 18 (post-cessation receipts that are chargeable under this Part).
- (2) Part 6 deals with exemptions from the charges under this Part.
- (3) See, in particular, the exemptions under sections 777 (VAT repayment supplements) and 778 (incentives to use electronic communications).
- (4) The charges under this Part apply to non-UK residents as well as UK residents but this is subject to sections 6(2) and (3) and 243(3) and (4) (charges on non-UK residents only on UK income).

CHAPTER 2

INCOME TAXED AS TRADE PROFITS

Charge to tax on trade profits

5 Charge to tax on trade profits

Income tax is charged on the profits of a trade, profession or vocation.

6 Territorial scope of charge to tax

- (1) Profits of a trade arising to a UK resident are chargeable to tax under this Chapter wherever the trade is carried on.
- (2) Profits of a trade arising to a non-UK resident are chargeable to tax under this Chapter only if they arise—
 - (a) from a trade carried on wholly in the United Kingdom, or
 - (b) in the case of a trade carried on partly in the United Kingdom and partly elsewhere, from the part of the trade carried on in the United Kingdom.
- (3) This section applies to professions and vocations as it applies to trades.

7 Income charged

- (1) Tax is charged under this Chapter on the full amount of the profits of the tax year.
- (2) For this purpose the profits of a tax year are the profits of the basis period for the tax year.
- (3) For the rules identifying the basis period for a tax year, see Chapter 15.
- (4) This section is subject to Part 8 (foreign income: special rules).
- (5) And, for the purposes of section 830 (meaning of “relevant foreign income”), the profits of a trade, profession or vocation arise from a source outside the United

Kingdom only if the trade, profession or vocation is carried on wholly outside the United Kingdom.

8 Person liable

The person liable for any tax charged under this Chapter is the person receiving or entitled to the profits.

Trades and trade profits

9 Farming and market gardening

- (1) Farming or market gardening in the United Kingdom is treated for income tax purposes as the carrying on of a trade or part of a trade (whether or not the land is managed on a commercial basis and with a view to the realisation of profits).
- (2) All farming in the United Kingdom carried on by a person, other than farming carried on as part of another trade, is treated for income tax purposes as one trade.
- (3) In the case of farming carried on by a firm, this rule is explained by section 859(1).

10 Commercial occupation of land other than woodlands

- (1) The commercial occupation of land in the United Kingdom is treated for income tax purposes as the carrying on of a trade or part of a trade.
- (2) For this purpose the occupation of land is commercial if the land is managed—
 - (a) on a commercial basis, and
 - (b) with a view to the realisation of profits.
- (3) This section does not apply—
 - (a) to farming or market gardening (which is dealt with by section 9),
 - (b) if the land is being prepared for forestry purposes, or
 - (c) if the land comprises woodlands (which is dealt with by section 11).

11 Commercial occupation of woodlands

- (1) The commercial occupation of woodlands in the United Kingdom is not a trade or part of a trade for any income tax purpose.
- (2) For this purpose the occupation of woodlands is commercial if the woodlands are managed—
 - (a) on a commercial basis, and
 - (b) with a view to the realisation of profits.
- (3) See also sections 267 and 768 (which, when read with this section, secure that profits or losses from the commercial occupation of woodlands in the United Kingdom are ignored for income tax purposes).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

12 Profits of mines, quarries and other concerns

- (1) Profits or losses arising out of land in the case of a concern to which this section applies are calculated as if the concern were a trade.
- (2) Any profits arising out of the land are charged to income tax as if the concern were a trade carried on in the United Kingdom.

But this does not impose a charge to tax on a non-UK resident in the case of a concern outside the United Kingdom.

- (3) Any losses arising out of the land are treated for the purposes of Chapter 1 of Part 10 of ICTA (loss relief) as losses of a trade carried on in the United Kingdom.
- (4) The concerns to which this section applies are—
 - (a) mines and quarries (including gravel pits, sand pits and brickfields),
 - (b) ironworks, gasworks, salt springs or works, alum mines or works, waterworks and streams of water,
 - (c) canals, inland navigation, docks and drains or levels,
 - (d) rights of fishing,
 - (e) rights of markets and fairs, tolls, bridges and ferries,
 - (f) railways and other kinds of way, and
 - (g) a concern of the same kind as one specified in paragraph (b), (c), (d) or (e).
- (5) This section does not apply to a concern if section 10 (commercial occupation of land other than woodlands) applies to the occupation of the land out of which the profits or losses arise.

13 Visiting performers

- (1) This section applies if an entertainer, sportsman or sportswoman of a prescribed description (a “performer”)—
 - (a) is non-UK resident in a tax year, and
 - (b) performs a relevant activity in the United Kingdom in the tax year.
- (2) If a payment or transfer connected with the relevant activity is made, the performer is treated for income tax purposes as performing the relevant activity in the course of a trade, profession or vocation carried on in the United Kingdom.
- (3) It does not matter whether the payment or transfer is made to the performer or anyone else.
- (4) Subsection (2) does not apply—
 - (a) so far as the performer would otherwise be performing the relevant activity in the course of a trade, profession or vocation carried on in the United Kingdom, or
 - (b) if the relevant activity is performed in the course of an employment or office.
- (5) If a payment or transfer connected with the relevant activity is made to —
 - (a) a person other than the performer, and
 - (b) that person is of a prescribed description,the payment or transfer is treated for income tax purposes as made instead to the performer in the course of a trade, profession or vocation carried on in the United Kingdom.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Subsection (5) does not apply in such circumstances as may be prescribed.
- (7) If—
- (a) income tax is chargeable on profits arising from payments or transfers (made to any person), and
 - (b) the payments or transfers are connected with the relevant activity,
- the tax is charged as if the payments or transfers were received in the course of a separate trade, profession or vocation (distinct from any other trade, profession or vocation carried on by the performer).
- (8) In this section and section 14—
- “payment” means a payment from which income tax is to be deducted under section 555(2) of ICTA,
 - “prescribed” means prescribed by regulations,
 - “regulations” means regulations made by the Treasury,
 - “relevant activity” means an activity of a prescribed description, and
 - “transfer” means a transfer in respect of which income tax is to be accounted for under section 555(3) of ICTA,
- and a payment or transfer is connected with a relevant activity if it has a connection of the prescribed kind with that activity.

14 Visiting performers: supplementary

- (1) Regulations may provide—
- (a) for the deduction, in calculating any profits of the performer arising from the payment or transfer, of expenses incurred by other persons in relation to the payment or transfer,
 - (b) that any liability to income tax (whether of the performer or anyone else) which would, apart from section 13(5), arise in relation to the payment or transfer is not to arise (or is to arise so far as prescribed).
- (2) Regulations may provide—
- (a) for the apportionment of profits between different trades, professions or vocations of the performer,
 - (b) for the apportionment between different tax years of the profits arising from relevant activities of the performer,
 - (c) for losses made in any trade, profession or vocation of the performer to be deducted from or set off against the profits of another trade, profession or vocation of the performer,

- (4) Regulations may—
- (a) make provision generally for giving effect to section 13, and
 - (b) make different provision for different cases or descriptions of cases.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

 - (b) the duties consist wholly or mainly of seabed diving activities, and
 - (c) any employment income from the employment would otherwise be chargeable to tax under Part 2 of ITEPA 2003.
- (2) The performance of the duties of employment is instead treated for income tax purposes as the carrying on of a trade in the United Kingdom.
- (3) For the purposes of this section the following are seabed diving activities—
 - (a) taking part as a diver in diving operations concerned with the exploration or exploitation of the seabed, its subsoil and their natural resources, and
 - (b) acting as a diving supervisor in relation to any such diving operations.

16 Oil extraction and related activities

- (1) If a person carries on any oil-related activities as part of a trade, those activities are treated for income tax purposes as a separate trade, distinct from all other activities carried on by the person as part of the trade.
- (2) For this purpose the following are oil-related activities—
 - (a) oil extraction activities, and
 - (b) any activities consisting of the acquisition, enjoyment or exploitation of oil rights.

- (1) This section applies if—
 - (a) an individual carries on a trade wholly or partly outside the United Kingdom otherwise than in partnership, and
 - (b) the individual becomes or ceases to be UK resident.
- (2) The individual is treated for income tax purposes—
 - (a) as permanently ceasing to carry on the trade at the time of the change of residence, and
 - (b) so far as the individual continues to carry on the trade, as starting to carry on a new trade immediately afterwards.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) But subsection (2) does not prevent a loss made before the change of residence from being set off under section 385 of ICTA against profits arising after the change.
- (4) This section applies to professions and vocations as it applies to trades.
- (5) In the case of a trade carried on by a firm, see sections 852(6) and (7) and 854(5).

18 Effect of company starting or ceasing to be within charge to income tax

- (1) This section applies if a company starts or ceases to be within the charge to income tax under this Chapter in respect of a trade.

 - (a) in the course of carrying on a trade a person (“the trader”) supplies, or is concerned in the supply of, goods sold or used on premises occupied by another person,
 - (b) the trader has an estate or interest in the premises,
 - (c) the estate or interest is dealt with as property employed for the purposes of the trade, and
 - (d) receipts and expenses in connection with the premises would otherwise be brought into account in calculating the profits of a property business of the trader.
- (2) Both the receipts and expenses are instead brought into account in calculating the profits of the trade.
- (3) Any apportionment of receipts or expenses that is necessary because—
 - (a) the receipts or expenses do not relate only to the premises, or
 - (b) the above conditions are met only in relation to part of the premises,
 is to be made on a just and reasonable basis.

20 Caravan sites where trade carried on

 - (a) a person (“the trader”) carries on material activities connected with the operation of a caravan site,
 - (b) the activities are, or are part of, a trade, and
 - (c) receipts from, and expenses of, lettings of caravans or pitches for caravans on the site would otherwise be brought into account in calculating the profits of a property business of the trader.

- (2) The trader may instead bring both the receipts and expenses into account in calculating the profits of the trade.
- (3) But if the conditions in subsection (1)(a) and (b) are met for only part of a tax year, subsection (2) applies only to the receipts and expenses that would otherwise be brought into account in calculating the profits of the property business for that part of the tax year.
- (4) In this section—
 - “caravan site” means—
 - (a) land on which a caravan is stationed for the purposes of human habitation, and
 - (b) land which is used in conjunction with land on which a caravan is so stationed, and
 - “letting” includes a licence to occupy.

 - (b) the accommodation is not held as trading stock,
 - (c) the receipts are in respect of part of a building of which another part is used to carry on the trade,
 - (d) the receipts are relatively small, and
 - (e) the receipts, and the expenses of the letting, would otherwise be brought into account in calculating the profits of a property business of the trader.
- (2) The trader may instead bring both the receipts and expenses into account in calculating the profits of the trade.
- (3) Accommodation is temporarily surplus to requirements only if—
 - (a) it has been used within the last 3 years to carry on the trade or acquired within the last 3 years,
 - (b) the trader intends to use it to carry on the trade at a later date, and
 - (c) the letting is for a term of not more than 3 years.
- (4) If accommodation is temporarily surplus to requirements at the beginning of a period of account, it continues to be temporarily surplus to requirements until the end of that period.

- (6) In this section “letting” includes a licence to occupy.
- (7) This section applies to professions and vocations as it applies to trades.

- (a) a person (“the trader”) carries on a trade on some or all of the land to which a wayleave relates,
 - (b) rent is receivable, or expenses are incurred, by the trader in respect of the wayleave, and
 - (c) apart from any rent or expenses in respect of a wayleave, no other receipts or expenses in respect of any of the land are brought into account in calculating the profits of any property business of the trader.
- (2) If—
- (a) the trader would otherwise be liable to tax under Chapter 9 of Part 3 in respect of the rent for the wayleave (rent receivable for UK electric-line wayleaves), or
 - (b) expenses would otherwise be brought into account in calculating the profits charged under that Chapter,
- the trader may instead bring both the rent and expenses into account in calculating the profits of the trade.
- (3) If—
- (a) rent for the wayleave would otherwise be brought into account in calculating the profits of a property business of the trader, or
 - (b) expenses incurred by the trader in respect of the wayleave would otherwise be so brought into account,
- the trader may instead bring both the rent and expenses into account in calculating the profits of the trade.
- (4) In this section “rent” includes—

CHAPTER 3

TRADE PROFITS: BASIC RULES

24 Professions and vocations

Apart from section 30 (animals kept for trade purposes), the provisions of this Chapter apply to professions and vocations as they apply to trades.

25 Generally accepted accounting practice

- (1) The profits of a trade must be calculated in accordance with generally accepted accounting practice, subject to any adjustment required or authorised by law in calculating profits for income tax purposes.
- (2) This does not—
 - (a) require a person to comply with the requirements of the Companies Act 1985 (c. 6) or the Companies (Northern Ireland) Order 1986 (S.I. 1986/1032 (N.I. 6)) except as to the basis of calculation, or
 - (b) impose any requirements as to audit or disclosure.
- (3) This section is subject to section 160 (barristers and advocates in early years of practice).
- (4) This section does not affect provisions of the Income Tax Acts relating to the calculation of the profits of Lloyd's underwriters.

26 Losses calculated on same basis as profits

- (1) The same rules apply for income tax purposes in calculating losses of a trade as apply in calculating profits.
- (2) This is subject to any express provision to the contrary.

27 Receipts and expenses

- (1) In the Income Tax Acts, in the context of the calculation of the profits of a trade, references to receipts and expenses are to any items brought into account as credits or debits in calculating the profits.
- (2) There is no implication that an amount has been actually received or paid.
- (3) This section is subject to any express provision to the contrary.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

28 Items treated under CAA 2001 as receipts and expenses

The rules for calculating the profits of a trade need to be read with—

- (a) the provisions of CAA 2001 which treat charges as receipts of a trade, and
- (b) the provisions of CAA 2001 which treat allowances as expenses of a trade.

29 Interest

For the purpose of calculating the profits of a trade, interest is an item of a revenue nature, whatever the nature of the loan.

30 Animals kept for trade purposes

- (1) Animals or other living creatures kept for the purposes of a trade are treated as trading stock if they are not kept wholly or mainly—
 - (a) for the work they do in connection with the carrying on of the trade,
 - (b) for public exhibition, or
 - (c) for racing or other competitive purposes.
- (2) But they are not treated as trading stock if they are part of a herd in relation to which a herd basis election has effect (see Chapter 8).
- (3) This section applies to shares in animals or other living creatures as it applies to the creatures themselves.
- (4) This section does not apply to professions or vocations.

31 Relationship between rules prohibiting and allowing deductions

- (1) Any relevant permissive rule in this Part—
 - (a) has priority over any relevant prohibitive rule in this Part, but
 - (b) is subject to sections 48 (car or motor cycle hire) and 55 (crime-related payments).
- (2) In this section “any relevant permissive rule in this Part” means any provision of—
 - (a) Chapter 5 (apart from sections 60 to 67),
 - (b) Chapter 11, or
 - (c) Chapter 13,
 which allows a deduction in calculating the profits of a trade.
- (3) In this section “any relevant prohibitive rule in this Part”, in relation to any deduction, means any provision of this Part (apart from sections 48 and 55) which might otherwise be read as—
 - (a) prohibiting the deduction, or
 - (b) restricting the amount of the deduction.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

CHAPTER 5

Introduction

56 Professions and vocations

Apart from sections 87 to 90 (scientific research and expenses connected with patents, designs and trade marks), the provisions of this Chapter apply to professions and vocations as they apply to trades.

Pre-trading expenses

57 Pre-trading expenses

- (1) This section applies if a person incurs expenses for the purposes of a trade before (but not more than 7 years before) the date on which the person starts to carry on the trade (“the start date”).
- (2) If, in calculating the profits of the trade—
 - (a) no deduction would otherwise be allowed for the expenses, but
 - (b) a deduction would be allowed for them if they were incurred on the start date, the expenses are treated as if they were incurred on the start date (and therefore a deduction is allowed for them).

Incidental costs of obtaining finance

58 Incidental costs of obtaining finance

- (1) In calculating the profits of a trade, a deduction is allowed for incidental costs of obtaining finance by means of—
 - (a) a loan, or
 - (b) the issue of loan stock,
 if the interest on the loan or stock is deductible in calculating the profits of the trade.
- (2) “Incidental costs of obtaining finance” means expenses—
 - (a) which are incurred on fees, commissions, advertising, printing and other incidental matters, and
 - (b) which are incurred wholly and exclusively for the purpose of obtaining the finance, providing security for it or repaying it.
- (3) Expenses incurred wholly and exclusively for the purpose of—
 - (a) obtaining finance, or
 - (b) providing security for it,
 are incidental costs of obtaining the finance even if it is not in fact obtained.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) But the following are not incidental costs of obtaining finance—
- (a) sums paid because of losses resulting from movements in the rate of exchange between different currencies,
 - (b) sums paid for the purpose of protecting against such losses,
 - (c) the cost of repaying a loan or loan stock so far as attributable to its being repayable at a premium or having been obtained or issued at a discount, and
 - (d) stamp duty.
- (5) This section needs to be read with section 59 (which provides for restrictions in relation to convertible loans and loan stock etc.).

Modifications etc. (not altering text)

- C2 S. 58 modified (with effect as mentioned in s. 56 of the amending Act) by [Finance Act 2005 \(c. 7\), s. 51\(3\)\(5\)](#)

59 Convertible loans and loan stock etc.

- (1) No deduction is allowed under section 58 in respect of a loan or loan stock if—
- (a) it carries the right of conversion into, or to the acquisition of, shares or other securities, and
 - (b) the right is exercisable before the end of the period of 3 years from the date when the loan was obtained or the stock issued (“the 3 year period”).
- (2) “Other securities” does not include a loan or loan stock—
- (a) the interest on which is deductible in calculating the profits of the person's trade, and
 - (b) which does not carry such a right as is mentioned in subsection (1).

61 Tenants occupying land for purposes of trade treated as incurring expenses

- (1) The tenant under the taxed lease is treated as incurring an expense of a revenue nature in respect of the land subject to the taxed lease for each qualifying day.
- (2) If there is more than one taxed receipt, this section applies separately in relation to each of them.
- (3) A day is a “qualifying day”, in relation to a taxed receipt, if it is a day—
- (a) that falls within the receipt period of the taxed receipt, and
 - (b) on which the tenant occupies the whole or part of the land subject to the taxed lease for the purposes of carrying on a trade.

$$\frac{A}{\text{TRP}}$$

A is the unreduced amount of the taxed receipt, and TRP is the number of days in the receipt period of the taxed receipt.

- (5) If on the qualifying day the tenant occupies part of the land subject to the taxed lease for the purposes of the trade, the amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

- (2) If the allowance is in respect of the whole of the expenditure, no deduction is allowed for expenses under section 61 for a qualifying day falling within that or a later tax year.
- (3) If the allowance is in respect of only part of the expenditure (“the allowable part”) the amount of the deduction for expenses under section 61 for a qualifying day falling within that or a later tax year is calculated by multiplying the amount that, apart from this section, would be the amount of the deduction for the qualifying day by—

$$\frac{WE - AP}{WE}$$

where—

WE is the whole of the expenditure, and

AP is the allowable part of the expenditure.

63 Tenants dealing with land as property employed for purposes of trade

- (2) Section 61 applies as if the land or the part of it were occupied by the tenant for the purposes of the trade.
- (3) But the tenant is not treated as incurring an expense in respect of the land for a qualifying day as a result of this section so far as the tenant is treated as incurring an expense under section 292 (tenants under taxed leases treated as incurring expenses) in respect of the land for the day in calculating the profits of the tenant's property business.

- (4) If the condition in subsection (3) is met, the amount of that expense for the qualifying day by reference to the taxed receipt is equal to that excess.
- (5) If the qualifying day falls within the receipt period of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.
- (6) In this section—

the “daily amount” of the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt, and the “daily reduction” of a lease premium receipt is given by the formula—

$$\frac{\text{AR}}{\text{RRP}}$$

where—

AR is the reduction under section 288 by reference to the taxed receipt, and

RRP is the number of days in the receipt period of the lease premium receipt.

- (5) Where sections 61, 63 and 64 apply in relation to a part of the premises, A becomes the amount calculated by multiplying the unreduced amount of the taxed receipt by the fraction of the premises constituted by the part.
- (6) This fraction is calculated on a just and reasonable basis.

CHAPTER 8

TRADE PROFITS: HERD BASIS RULES

Introduction

111 Election for application of herd basis rules

- (1) A person who keeps or has kept a production herd for the purposes of a trade may make an election under this Chapter (a “herd basis election”).
- (2) In calculating the profits of the trade, animals which are part of a production herd in relation to which a herd basis election has effect—
 - (a) are not treated as trading stock (see section 30), but
 - (b) are treated instead in accordance with sections 114 to 123 (“the herd basis rules”).
- (3) This Chapter is expressed in terms of farmers but applies to any person who keeps or has kept a production herd for the purposes of a trade, whether or not the trade is farming.
- (4) References in this Chapter to keeping a production herd are to keeping it for the purposes of the trade.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. 112 Meaning of “animal”, “herd”, “production herd” etc.

- (1) In this Chapter—
 - (a) “animal” means any animal or other living creature,
 - (b) “herd” includes a flock and any other collection of animals (however named), and
 - (c) “production herd” means, in relation to a farmer, a herd of animals of the same species (irrespective of breed) kept by the farmer wholly or mainly for the products obtainable from the living animal which the animals produce for the farmer to sell.
- (2) For this purpose “the products obtainable from the living animal” means—
 - (a) the young of the animal, or
 - (b) any other product obtainable from the animal without slaughtering it.
- (3) For the purposes of this Chapter the general rule is that immature animals kept in a production herd are not part of the herd.
- (4) There is an exception to this rule if—
 - (a) the nature of the land on which the herd is kept means that animals which die or cease to be part of the herd can be replaced only by animals bred and reared on the land,
 - (b) the immature animals in question are bred in the herd and are maintained in the herd for the purpose of replacing other animals, and
 - (c) it is necessary to maintain the immature animals for that purpose.
- (5) In that case the immature animals are part of the herd for the purposes of this Chapter, but only so far as they are required to prevent a fall in the numbers of the herd.
- (6) References in this Chapter to an animal being added to a herd include references to an immature animal that is not part of the herd reaching maturity.
- (7) This Chapter applies—
 - (a) in relation to animals kept singly as it applies in relation to herds, and
 - (b) in relation to shares in animals as it applies in relation to animals themselves.

113 Other interpretative provisions

- (1) This section applies for the purposes of this Chapter.
- (2) A production herd kept by a farmer is of the same class as another production herd only if—
 - (a) the animals kept in both herds are of the same species (irrespective of breed), and
 - (b) the products produced for the farmer to sell (for which the herds are wholly or mainly kept) are of the same kinds in both herds.
- (3) References to the sale of an animal include references to its death or destruction.
- (4) References to the sale proceeds of an animal include references to—
 - (a) money received from an insurer because of the animal's death or destruction,
 - (b) compensation money received because of the animal's death or destruction, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. - (c) the sale proceeds of the animal's carcass or any part of its carcass.
- (5) Female animals become mature—
 - (a) in the case of laying birds, when they first lay, and
 - (b) in any other case, when they produce their first young.
- (6) 20% or more of a herd is a substantial part of the herd, but a lesser percentage than 20% is capable of being a substantial part of the herd depending on the circumstances of the case concerned.

The herd basis rules

114 Initial cost of herd and value of herd

- (1) In calculating the profits of the trade, no deduction is allowed for the initial cost of the herd.
- (2) In calculating the profits of the trade, the value of the herd is not brought into account.

115 Addition of animals to herd

- (1) This section applies for the purpose of calculating the profits of the trade if an animal is added to the herd, unless it replaces another animal in the herd.
- (2) No deduction is allowed for the cost of the animal.
- (3) If, immediately before it was added to the herd, the animal was part of the farmer's trading stock, the balancing amount is brought into account as a receipt.
- (4) “The balancing amount” means—
 - (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.

116 Replacement of animals in herd

- (1) This section applies for the purpose of calculating the profits of the trade if—
 - (a) an animal (“the old animal”) is sold from the herd or otherwise ceases to be part of the herd, and
 - (b) it is replaced in the herd by another animal (“the new animal”).
- (2) The sale proceeds (if any) of the old animal are brought into account as a receipt.
- (3) But this needs to be read with—
 - (a) section 117 (amount of receipt if old animal slaughtered under disease control order),
 - (b) section 120 (acquisition of new herd begun within 5 years of sale), and
 - (c) section 122 (replacement of part sold begun within 5 years of sale).
- (4) Except so far as otherwise allowable, a deduction is allowed under this section for the cost of the new animal.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) But if the new animal is of better quality than the old animal, the amount of the deduction must not exceed the amount that it would have been necessary to spend to replace the old animal with an animal of the same quality.

117 Amount of receipt if old animal slaughtered under disease control order

- (1) This section applies for the purposes of section 116.
- (2) If—
- (a) the old animal was slaughtered under a disease control order, and
 - (b) the new animal is of worse quality than the old animal,
- the amount brought into account as a receipt under section 116 must not exceed the equivalent amount for the new animal.
- (3) For this purpose “a disease control order” means an order made under the law relating to the diseases of animals by—
- (a) central government,
 - (b) a devolved authority,
 - (c) a local authority, or
 - (d) another public authority.
- (4) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
- (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.
- (5) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

118 Sale of animals from herd

- (1) This section applies for the purpose of calculating the profits of the trade if an animal is sold from the herd unless—
- (a) it is replaced in the herd by another animal (see section 116), or
 - (b) it is sold as part of the sale of the whole or a substantial part of the herd that takes place all at once or over a period not longer than 12 months (see section 119).
- (2) A profit arising from the sale is brought into account as a receipt.
- (3) A deduction is allowed for a loss arising from the sale.
- (4) The amount of the profit or loss is the difference between the sale proceeds of the animal and the deductible amount for the animal.
- (5) “The deductible amount for the animal” means—
- (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity,

- (b) in the case of an animal acquired by the farmer for valuable consideration, the sum of the initial cost to the farmer of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity, and
- (c) in the case of an animal acquired by the farmer but not for valuable consideration, the sum of the market value of the animal when acquired and the cost (if any) incurred by the farmer in rearing the animal to maturity.

119 Sale of whole or substantial part of herd

- (1) This section applies for the purpose of calculating the profits of the trade if, either all at once or over a period not longer than 12 months, the herd or a substantial part of the herd is sold unless—
 - (a) section 120 applies (acquisition of new herd begun within 5 years of sale), or
 - (b) section 122 applies (replacement of part sold begun within 5 years of sale), but paragraph (a) is subject to subsection (5) of section 120 (so far as that section provides for a case in which this section is to apply).
- (2) A profit arising from the sale is not brought into account as a receipt.
- (3) No deduction is allowed for a loss arising from the sale.

120 Acquisition of new herd begun within 5 years of sale

- (1) This section applies for the purpose of calculating the profits of the trade if—
 - (a) either all at once or over a period not longer than 12 months, the herd (“the old herd”) is sold, and
 - (b) the farmer acquires or starts to acquire another production herd of the same class (“the new herd”) within 5 years of the sale.
- (2) Section 116 (replacement of animals in herd) applies as if a number of animals equal to—
 - (a) the number of animals in the old herd, or
 - (b) if smaller, the number of animals in the new herd,
 had been sold from the old herd and replaced in that herd (but see section 121 (sale for reasons outside farmer's control)).
- (3) For the purposes of section 116, the sale proceeds of an animal that is treated as a result of subsection (2) above as if it had been—
 - (a) sold from the old herd, and
 - (b) replaced in that herd by another animal (“the new animal”),
 are not brought into account as a receipt until the new animal is acquired.
- (4) If—
 - (a) the number of animals in the new herd is smaller than the number of animals in the old herd, and
 - (b) the difference is not substantial,
 section 118 (sale of animals from herd) applies as if a number of animals equal to the difference had been sold from the old herd.
- (5) If the number of animals in the new herd is smaller than the number of animals in the old herd and the difference is substantial—

- (a) section 119 (sale of whole or substantial part of herd where replacement not begun within 5 years), or
- (b) section 122 (sale of substantial part of herd where replacement begun within 5 years),

applies as if a number of animals equal to the difference had been sold from the old herd.

- (6) If the number of animals in the new herd is larger than the number of animals in the old herd, section 115 (addition of animals to herd) applies as if a number of animals equal to the difference had been added to the old herd.
- (7) For the purposes of this section—
 - (a) if the difference between the number of animals in the new herd and the number of animals in the old herd is equal to 20% or more of the number of animals in the old herd, the difference is substantial, but
 - (b) a lesser percentage than 20% is capable of being a substantial difference depending on the circumstances of the case concerned.

121 Section 120: sale for reasons outside farmer's control

- (1) This section applies for the purposes of section 116, as applied by section 120(2).
- (2) If—
 - (a) the farmer was compelled to sell the old herd for reasons wholly outside the farmer's control, and
 - (b) an animal (“the new animal”) that is treated as a result of section 120(2) as if it replaced an animal sold (“the old animal”) is of worse quality than the old animal,

the amount brought into account as a receipt under section 116 must not exceed the equivalent amount for the new animal.
- (3) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
 - (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
 - (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.
- (4) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

122 Replacement of part sold begun within 5 years of sale

- (1) This section applies for the purposes of section 116, as applied by section 122(2).
- (2) If—
 - (a) the farmer was compelled to sell the part of the herd for reasons wholly outside the farmer's control, and

 the amount brought into account as a receipt under section 116 must not exceed the equivalent amount for the new animal.
- (3) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
 - (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and

- (4) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

Elections

124 Herd basis elections

- (1) A herd basis election must specify the class of production herd to which it relates.
- (2) A herd basis election must be made—
 - (a) on or before the first anniversary of the normal self-assessment filing date for the tax year in which the first relevant period of account ends, or
 - (b) if that is the tax year in which the farmer starts to carry on the trade and the farmer is not a firm, on or before the second anniversary of the normal self-assessment filing date for that tax year.
- (3) “The first relevant period of account” means the first period of account in which the farmer making the election keeps a production herd of the class to which the election relates (but see subsection (8)).
- (4) A herd basis election cannot relate to more than one class of production herd, but separate elections may be made for different classes.
- (5) A herd basis election is irrevocable.
- (6) A herd basis election has effect in relation to all production herds of the class to which it relates, including any which the farmer—

 - (b) first keeps after making the election.
- (7) A herd basis election has effect for every period of account in which the farmer—
- (a) carries on the trade, and
 - (b) keeps a production herd of the class to which the election relates.
- (8) If the farmer is a firm and there is a change in the persons who are partners in the firm—
- (a) any herd basis election made by the old firm ceases to have effect, and
 - (b) in relation to the new firm, “the first relevant period of account” means the first period of account in which the new firm keeps a production herd of the class to which the election relates.

125 Five year gap in which no production herd kept

- (1) This section applies if a farmer—
- (a) keeps a production herd of a particular class, and
 - (b) ceases altogether to keep herds of that class for a period of at least 5 years.
- (2) If the farmer keeps a production herd of that class after the end of that period—
- (a) the period of account in which the farmer starts to keep the herd is treated as the first period of account in which the farmer keeps a production herd of that class, and
 - (b) any herd basis election previously made by the farmer in relation to production herds of that class ceases to have effect.

126 Slaughter under disease control order

- (1) This section applies if—
- (a) the whole or a substantial part of a production herd kept by a farmer is slaughtered under a disease control order, and
 - (b) the circumstances of the slaughter are such that compensation is payable in respect of the animals slaughtered.
- (2) The farmer may make a herd basis election in respect of the class of production herd involved in the slaughter as if the period of account —
- (a) in which the compensation falls to be brought into account in calculating the profits of the trade, or
 - (b) in which it would (but for the election) fall to be so brought into account, were the first period of account in which the farmer keeps a production herd of that class.
- (3) An election made as a result of this section has effect for that period of account and every subsequent period of account in which the farmer—
- (a) carries on the trade, and
 - (b) keeps a production herd of the class to which the election relates.
- (4) In this section “disease control order” means an order made under the law relating to the diseases of animals by—
- (a) central government,

- (d) another public authority.

Preventing abuse of the herd basis rules

127 Preventing abuse of the herd basis rules

 - (a) a person carrying on a trade (the “transferor”) transfers the whole or part of a production herd to another person (the “transferee”),
 - (b) the transfer is not by way of sale or is by way of sale but for a price other than that which the animals sold would have fetched if sold in the open market, and
 - (c) the control condition or herd basis benefit condition is met.
- (2) The control condition is met if—
 - (a) the transferor is a body of persons over which the transferee has control,
 - (b) the transferee is a body of persons over which the transferor has control, or
 - (c) both the transferor and transferee are bodies of persons and another person has control over both of them.
- (3) For this purpose “body of persons” includes a firm.
- (4) The herd basis benefit condition is met if—
 - (a) the transferor or transferee (or both) might (but for this section) have been expected to obtain a herd basis benefit as a result of the transfer or the transactions of which the transfer is one, and
 - (b) the herd basis benefit is the sole or main benefit, or one of the main benefits, that the person in question might have been expected to obtain.
- (5) For this purpose a “herd basis benefit” is a benefit resulting from—
 - (a) the obtaining of a right to make a herd basis election,
 - (b) the herd basis rules applying or not applying, or
 - (c) the herd basis rules having a greater or lesser effect.
- (6) For the purpose of calculating the profits of—
 - (a) the trade carried on by the transferor, and
 - (b) any trade carried on by the transferee,
 the animals transferred are treated as having been sold at the price which they would have fetched if sold in the open market.

“cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;

“first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
- (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;

“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;

“market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;

(7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.

(8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.

Dealers in securities etc.

149 Taxation of amounts taken to reserves

- (1) This section applies for the purpose of calculating the profits of a person's trade if a profit on the sale of securities would be brought into account in calculating the profits of the trade.
- (2) Profits and losses from the securities that in accordance with generally accepted accounting practice are—
 - (a) calculated by reference to the fair value of the securities, and
 - (b) recognised in the person's statement of recognised gains and losses or statement of changes in equity,
 are brought into account in calculating the profits of the trade.
- (3) But subsection (2) does not apply—
 - (a) to an amount so far as deriving from or otherwise relating to an amount brought into account under that subsection in an earlier period of account, or
 - (b) to an amount recognised for accounting purposes by way of correction of a fundamental error.
- (4) In this section “securities” includes—
 - (a) shares,
 - (b) rights of unit holders in unit trust schemes to which TCGA 1992 applies as a result of section 99 of TCGA 1992, and
 - (c) in the case of a company with no share capital, interests in the company possessed by members of the company,
 but does not include a loan relationship (within the meaning of Chapter 2 of Part 4 of FA 1996).

150 Conversion etc. of securities held as circulating capital

- (1) This section applies for the purpose of calculating the profits of a trade if—

 - (b) it is treated, as a result of section 134 of TCGA 1992 (compensation stock), as an exchange for a new holding which does not involve a disposal of the original holding,
- and it does not fall within section 151(1) or 152(1) below (exchanges of gilts for gilt strips and consolidation of gilt strips).
- (3) This section does not apply to securities in respect of which unrealised profits or losses, calculated by reference to the fair value of the securities at the end of the period of account, are taken into account in the period of account in which the transaction occurs.
 - (4) The transaction is treated as not involving a disposal of the original holding and the new holding is treated as the same asset as the original holding.
 - (5) But if, under the transaction, the person carrying on the trade—
 - (a) receives consideration in addition to the new holding, or
 - (b) becomes entitled to receive such consideration,
 subsection (4) applies as if the references to the original holding were to the proportion of the original holding given by the following fraction.
 - (6) The fraction is—

$$\frac{NH}{NH + C}$$

where—

NH is the market value of the new holding at the time of the transaction, and

C is the market value of the consideration at the time of the transaction or (if the consideration is cash) the amount of the consideration.

- (7) In determining whether subsection (2)(a) applies as a result of section 135 or 136 of TCGA 1992, the reference to capital gains tax in section 137(1) of TCGA 1992 is to be read as a reference to income tax.

 - (b) loan stocks or similar securities (whether secured or unsecured) of a government, a local or other public authority (in the United Kingdom or elsewhere) or a company,

- (2) The security is treated as having been redeemed at the time of the exchange by the payment to the trader of its market value.
- (3) The trader is treated as having acquired each strip for the proportion of the market value of the security given by the following fraction.
- (4) The fraction is—

$$\frac{SV}{TV}$$

where—

SV is the market value of one strip, and

TV is the total of the market values of all the strips received in exchange for the security.

 - (b) a profit on the sale of any of the strips would be brought into account in calculating the profits of the trade.
- (2) Each strip is treated as having been redeemed at the time of the exchange by payment to the trader of its market value.
- (3) The trader is treated as having acquired the gilt-edged security for an amount equal to the total of the market values of the strips given in exchange.
- (4) In this section references to market value are to market value at the time of the exchange.

 - (b) the value must be determined in accordance with sections 175 to 178 (bases of valuation).

- (a) is made or imposed in relation to the stock, and
 - (b) has effect in connection with the cessation.
- (3) If there is a change in the persons carrying on a trade, no valuation of the stock is required under this Chapter so long as a person carrying on the trade immediately before the change continues to carry it on after the change.

 - (b) materials used in the manufacture, preparation or construction of any property mentioned in paragraph (a).
- (2) In this Chapter “trading stock” includes also any services performed in the ordinary course of the trade—
- (a) the performance of which is wholly or partly completed at the time of the cessation, and
 - (b) for which it would be reasonable to expect that a charge would be made if there were no cessation and, in the case of partly completed services, their performance were fully completed,
- and any article produced, and any material used, in the performance of any such services.
- (3) In this Chapter references to the sale or transfer of trading stock include the sale or transfer of any benefits and rights which accrue, or might reasonably be expected to accrue, from the performance of any such services.

175 Basis of valuation of trading stock

- (1) The value of trading stock belonging to the trade at the time of the cessation is determined as follows.
- (2) If the stock is sold to a person who—
- (a) carries on, or intends to carry on, a trade in the United Kingdom, and
 - (b) is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade for income or corporation tax purposes,
- the value is determined in accordance with section 176 (sale to unconnected person), 177 (sale to connected person) or 178 (election by connected persons).
- (3) But if section 127 (preventing abuse of the herd basis rules) applies—
- (a) the value is not determined in accordance with any of those sections, and
 - (b) the value is instead taken to be that given by section 127 (the price which the animals transferred would have fetched if sold in the open market at the time of the sale).
- (4) In any other case, the value is taken to be the amount which the stock would have realised if sold in the open market at the time of the cessation.

176 Sale basis of valuation: sale to unconnected person

- (1) The value of trading stock is determined in accordance with this section if—
- (a) it is sold to a person who carries on, or intends to carry on, a trade in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade for income or corporation tax purposes, and
 - (b) the buyer is not connected with the seller.
- (2) The value is taken to be the amount in fact realised on the sale.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

177 Sale basis of valuation: sale to connected person

- (1) The value of trading stock is determined in accordance with this section if—
- (a) it is sold to a person who carries on, or intends to carry on, a trade in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade for income or corporation tax purposes,
 - (b) the buyer is connected with the seller, and
 - (c) no election is made under section 178 (election by connected persons).
- (2) The value is taken to be the amount which would have been realised if the sale had been between independent persons dealing at arm's length.

178 Sale basis of valuation: election by connected persons

- (1) The value of trading stock is determined in accordance with this section if—
- (a) it is sold to a person who carries on, or intends to carry on, a trade in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade for income or corporation tax purposes,
 - (b) the buyer is connected with the seller, and
 - (c) an election is made under this section.
- (2) The parties to the sale may make an election under this section if the value of the stock determined under section 177 exceeds both—
- (a) its acquisition value, and
 - (b) the amount in fact realised on the sale.
- (3) If an election is made, the value is taken to be—
- (a) its acquisition value, or,
 - (b) if greater, the amount in fact realised on the sale.
- (4) An election under this section must be made by both parties on or before the first anniversary of the normal self-assessment filing date for the tax year in which the cessation occurred.
- (5) The “acquisition value” of trading stock means the amount which would have been deductible as representing its acquisition value, in calculating the profits of the trade, on the following assumptions—
- (a) that the stock had been sold in the course of the trade, immediately before the cessation, for a price equal to the value of the stock determined under section 177, and
 - (b) that the period for which those profits were to be calculated began immediately before the sale.
- (6) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. 180 Cost to buyer of stock valued on sale basis of valuation

- (1) This section applies for the purpose of calculating the profits of the trade carried on by the buyer of trading stock.
- (2) If the value of the stock is determined in accordance with—
 - (a) section 175(3) or sections 176 to 178 (sale basis of valuation), or
 - (b) section 100(1A) to (1C) of ICTA (corresponding corporation tax rules),the cost of the stock to the buyer is taken to be the value as so determined.

181 Meaning of “sale” and related expressions

- (1) In sections 175 to 178 (except in section 178(5)) references to a sale include a transfer for valuable consideration.
- (2) In relation to a transfer which is not a sale—
 - “amount realised on the sale” means the value of the consideration given for the transfer,
 - “buyer” means the person to whom the transfer is made, and
 - “seller” means the person who makes the transfer.

- (a) the performance of which is wholly or partly completed at the time of the cessation, and

- and includes any article produced, and any material used, in the performance of any such services.
- (2) In this Chapter references to the transfer of work in progress include the transfer of any benefits and rights which accrue, or might reasonably be expected to accrue, from the performance of any such services.

- the value of the work is taken to be the amount paid or other consideration given for the transfer.

CHAPTER 14

DISPOSAL AND ACQUISITION OF KNOW-HOW

192 Meaning of “know-how” etc.

- (1) In this Chapter “know-how” means any industrial information or techniques likely to assist in—
- (a) manufacturing or processing goods or materials,
 - (b) working a source of mineral deposits (including searching for, discovering or testing mineral deposits or obtaining access to them), or
 - (c) carrying out any agricultural, forestry or fishing operations.
- (2) For this purpose—
- “mineral deposits” includes any natural deposits capable of being lifted or extracted from the earth and for this purpose geothermal energy is treated as a natural deposit, and
- “source of mineral deposits” includes a mine, an oil well and a source of geothermal energy.
- (3) For the purposes of this Chapter any consideration received for giving, or wholly or partly fulfilling, an undertaking which—
- (a) is given in connection with a disposal of know-how, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. is treated as consideration received for the disposal of the know-how.

- (4) It does not matter whether or not the undertaking is legally enforceable.
- (5) For the purposes of this Chapter references to a sale of know-how include an exchange of know-how and any provision of this Chapter referring to a sale has effect with the necessary modifications.
- (6) Those modifications include, in particular, reading references to the proceeds of sale and to the price as including the consideration for the exchange.

193 Disposal of know-how if trade continues to be carried on

- (1) This section applies if—
 - (a) a person carrying on a trade receives consideration for the disposal of know-how which has been used in the trade,
 - (b) the person continues to carry on the trade after the disposal, and
 - (c) neither section 194 (disposal of know-how as part of disposal of all or part of a trade) nor section 195 (seller controlled by buyer etc.) applies.
- (2) The amount or value of the consideration is treated for all purposes as a trading receipt, except so far as it is brought into account under section 462 of CAA 2001 (disposal values).
- (3) If the know-how is sold together with other property, the net proceeds of the sale of the know-how are treated as being so much of the net proceeds of the sale of all the property as, on a just and reasonable apportionment, is attributable to the know-how.
- (4) For this purpose all property sold as a result of one bargain is treated as sold together even though—
 - (a) separate prices are, or purport to be, agreed for separate items of that property, or
 - (b) there are, or purport to be, separate sales of separate items of that property.

- (6) For this purpose a question materially affects two or more taxpayers if at the time when the question falls to be determined it appears that the determination is material to the liability to tax (for whatever period) of two or more persons.

194 Disposal of know-how as part of disposal of all or part of a trade

- (1) This section applies if —
 - (a) a person carrying on a trade receives consideration for the disposal of know-how which has been used in the trade, and
 - (b) the know-how is disposed of as part of the disposal of all or part of the trade.
- (2) If the person disposing of the know-how is within the charge to income tax, the consideration is treated for income tax purposes as a capital receipt for goodwill.
- (3) If the person acquiring the know-how—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (a) is within the charge to income tax, and
 - (b) provided the consideration,
- the consideration is treated for income tax purposes as a capital payment for goodwill.
- (4) But the consideration is not treated for income tax purposes as a capital payment for goodwill if, before the acquisition, the trade was carried on wholly outside the United Kingdom.
- (5) If the person disposing of the know-how is within the charge to income tax—
- (a) that person, and
 - (b) the person acquiring the know-how (whether or not within the charge to income tax),
- may jointly elect for this section not to apply (but see section 195).
- (6) The election must be made within two years of the disposal.
- (7) If—
- (a) an election is made under subsection (3) of section 531 of ICTA (corresponding corporation tax provision), and
 - (b) the person making the acquisition mentioned in that subsection is within the charge to income tax,
- the persons making the election under that subsection are treated as also making an election under this section (even though the person disposing of the know-how is not within the charge to income tax).

195 Seller controlled by buyer etc.

- (1) This section applies if a disposal of know-how is by way of sale and—
- (a) the seller is a body of persons over which the buyer has control,
 - (b) the buyer is a body of persons over which the seller has control, or
 - (c) both the seller and the buyer are bodies of persons and another person has control over both of them.
- (2) In such a case—
- (a) section 193 does not apply, and
 - (b) no election may be made under section 194.
- (3) For the purposes of this section “body of persons” includes a firm.

Introduction

196 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

Accounting date

197 Meaning of “accounting date”

- (1) In this Chapter “accounting date”, in relation to a tax year, means—
 - (a) the date in the tax year to which accounts are drawn up, or
 - (b) if there are two or more such dates, the latest of them.
- (2) This is subject to—
 - (a) section 211(2) (middle date treated as accounting date), and
 - (b) section 214(3) (date treated as accounting date if date changed in tax year in which there is no accounting date).

The normal rules

198 General rule

- (1) The general rule is that the basis period for a tax year is the period of 12 months ending with the accounting date in that tax year.
- (2) This applies unless a different basis period is given by one of the following sections—
 - section 199 (first tax year),
 - section 200 (second tax year),
 - section 201 (tax year in which there is no accounting date),
 - section 202 (final tax year),
 - section 209 or 210 (first accounting date shortly before end of tax year),
 - section 212 (tax year in which middle date treated as accounting date),
 - section 215 (change of accounting date in third tax year), and
 - section 216 (change of accounting date in later tax year).

199 First tax year

- (1) The basis period for the tax year in which a person starts to carry on a trade—
 - (a) begins with the date on which the person starts to carry on the trade, and
 - (b) ends with 5th April in the tax year.
- (2) But if a person starts and permanently ceases to carry on a trade in the same tax year, the basis period for the tax year is that given by section 202(2).

200 Second tax year

- (1) The basis period for the second tax year in which a person carries on a trade is determined as follows.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) If in that tax year—
 - (a) the accounting date falls less than 12 months after the date on which the person starts to carry on the trade, and
 - (b) the person does not permanently cease to carry on the trade,the basis period is the period of 12 months beginning with the date on which the person starts to carry on the trade.
- (3) If in that tax year—
 - (a) the accounting date falls 12 months or more after the date on which the person starts to carry on the trade, and
 - (b) the person does not permanently cease to carry on the trade,the basis period is that given by the general rule in section 198.
- (4) If in that tax year—
 - (a) there is no accounting date, and
 - (b) the person does not permanently cease to carry on the trade,the basis period is the same as the tax year.
- (5) If in that tax year the person permanently ceases to carry on the trade, the basis period is that given by section 202(1).

201 Tax year in which there is no accounting date

- (1) If a person carries on a trade in a tax year and—
 - (a) there is no accounting date in the tax year, and
 - (b) the person does not start or permanently cease to carry on the trade in the tax year,the basis period for the tax year is the period of 12 months beginning immediately after the end of the basis period for the previous tax year.
- (2) But this is subject to—
 - (a) section 200 (second tax year), and
 - (b) sections 215 and 216 (change of accounting date in third tax year or later tax year).

202 Final tax year

- (1) The basis period for the tax year in which a person permanently ceases to carry on a trade—
 - (a) begins immediately after the end of the basis period for the previous tax year, and
 - (b) ends with the date on which the person permanently ceases to carry on the trade.
- (2) But if a person starts and permanently ceases to carry on a trade in the same tax year, the basis period—
 - (a) begins with the date on which the person starts to carry on the trade, and
 - (b) ends with the date on which the person permanently ceases to carry on the trade.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Apportionment of profits

203 Apportionment etc. of profits to basis periods

- (1) This section applies if the basis period for a tax year does not coincide with a period of account.
- (2) Any of the following steps may be taken if they are necessary in order to arrive at the profits or losses of the basis period—
 - (a) apportioning the profits or losses of a period of account to the parts of that period falling in different basis periods, and
 - (b) adding the profits or losses of a period of account (or part of a period) to profits or losses of other periods of account (or parts).
- (3) The steps must be taken by reference to the number of days in the periods concerned.
- (4) But the person carrying on the trade may use a different way of measuring the length of the periods concerned if—
 - (a) it is reasonable to do so, and
 - (b) the way of measuring the length of periods is used consistently for the purposes of the trade.

Modifications etc. (not altering text)

- C6** S. 203(3)(4) applied (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by [Income Tax Act 2007 \(c. 3\)](#), **ss. 90(4), 1034** (with transitional provisions and savings in [Sch. 2](#))

Overlap profits and losses

204 Meaning of “overlap period” and “overlap profit”

In this Chapter—

- “overlap period” means a period which falls within two basis periods, and
 “overlap profit” means profit which arises in an overlap period.

205 Deduction for overlap profit in final tax year

- (1) If a person permanently ceases to carry on a trade in a tax year, a deduction is allowed for overlap profit in calculating the profits of the trade of the tax year.
- (2) The amount of the deduction is calculated as follows.

Step 1

Add together the overlap profits arising in all overlap periods.

Step 2

Subtract from that any deductions for overlap profit made under section 220 (deduction for overlap profit on change of accounting date).

The balance is the amount of the deduction allowed under this section.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

206 Restriction on bringing losses into account twice

If a loss arises in, or is apportioned under section 203 to, two overlapping basis periods, the amount of the loss—

- (a) is brought into account in calculating the profits of the first basis period, and
- (b) is not brought into account in calculating the profits of the second basis period.

207 Treatment of business start-up payments received in an overlap period

(1) This section applies if—

- (a) a person carrying on a trade receives a business start-up payment (see subsection (3)) in a period which falls within two basis periods, and
- (b) the payment is not a lump sum payment.

(2) The payment—

- (a) is brought into account in calculating the profits of the trade of the first basis period, and
- (b) is not brought into account in calculating the profits of the trade of the second basis period.

(3) A “business start-up payment” means a payment under a Business Start-Up scheme which is of the kind originally known as enterprise allowance and is made—

- (a) in England and Wales, by a training and enterprise council pursuant to arrangements under section 2(2)(d) of the Employment and Training Act 1973 (c. 50),
- (b) in Scotland, by a local enterprise company under section 2(4)(c) of the Enterprise and New Towns (Scotland) Act 1990 (c. 35) in relation to arrangements under section 2(3) of that Act, or
- (c) in Northern Ireland, by or on behalf of the Department for Employment and Learning under section 1(1A)(d) of the Employment and Training Act (Northern Ireland) 1950 (c. 29 (N.I.)).

Rules where first accounting date shortly before end of tax year

208 When the late accounting date rules apply

(1) Sections 209 and 210 contain rules for the purpose of—

- (a) avoiding the need to apportion profits, and
- (b) preventing overlap profit from arising,

in relation to the tax year in which a person (“the trader”) starts to carry on a trade and the following tax year.

(2) Sections 209 and 210 apply in relation to a tax year if—

- (a) the first accounting date is 31st March or 1st, 2nd, 3rd or 4th April, and
- (b) that date falls in the tax year in which the trader starts to carry on the trade or in either of the following two tax years,

but the trader may elect for those sections not to apply in relation to a tax year.

(3) In this section and section 210 “the first accounting date” means—

- (a) the first accounting date after the trader starts to carry on the trade, or

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the date that is intended to be that accounting date if, at the time the trader delivers a return for a tax year, there has been no accounting date.
- (4) An election under this section must be made on or before the first anniversary of the normal self-assessment filing date for the tax year to which it relates.

209 Rule if there is an accounting date

- (1) This section applies if there is an accounting date in a tax year and that date is 31st March or 1st, 2nd, 3rd or 4th April.
- (2) If—
- (a) the basis period for the tax year would otherwise end after the accounting date, and
 - (b) the part of the basis period that would otherwise fall after the accounting date is included in the basis period for the following tax year,
- the basis period for the tax year ends on the accounting date.

210 Rules if there is no accounting date

- (1) This section applies if there is no accounting date in a tax year (“the relevant tax year”).
- (2) If the trader—
- (a) starts to carry on the trade in the relevant tax year, and
 - (b) does so before 1st April,
- the basis period ends on the date in the relevant tax year that corresponds to the first accounting date.
- (3) If the trader started to carry on the trade in the previous tax year and there was no accounting date in the previous tax year, the basis period for the relevant tax year—
- (a) begins immediately after the end of the basis period for the previous tax year, and
 - (b) ends on the date in the relevant tax year that corresponds to the first accounting date.
- (4) If the trader—
- (a) starts to carry on the trade in the relevant tax year, and
 - (b) does so after 31st March,
- the profits or losses of the trade of the relevant tax year are treated as nil.
- (5) In that case, the actual profits or losses of the trade of the relevant tax year are treated as arising in the basis period for the following tax year, so far as they do not already do so.

Slight variations in accounting date

211 Treating middle date as accounting date

- (1) This section applies for the purpose of preventing the rules in sections 215 to 220 from applying if—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) accounts of a trade are drawn up to a particular day (rather than to a particular date), and
 - (b) that day is capable of falling on one of only 7 consecutive dates (or, if that day is in February, on one of only 8 consecutive dates).
- (2) The person carrying on the trade may elect in relation to a tax year for the fourth of those dates (“the middle date”) to be treated as the accounting date in the tax year.
- (3) The election has effect for the purposes of this Chapter, but not for any other purposes.
- (4) An election under this section—
- (a) must specify the day to which the accounts are drawn up and the middle date, and
 - (b) must be made on or before the first anniversary of the normal self-assessment filing date for the tax year to which it relates.

212 Consequence of treating middle date as accounting date

- (1) If—
- (a) a date (“the middle date”) is treated under section 211 as the accounting date in a tax year (“the current tax year”),
 - (b) the basis period for the current tax year would otherwise be that given by the general rule in section 198, and
 - (c) subsection (2) or (3) applies,
- the basis period for the current tax year begins immediately after the end of the basis period for the previous tax year and ends with the middle date.
- (2) This subsection applies if—
- (a) the accounting date in the previous tax year was not determined under section 211, and
 - (b) that accounting date was one of the 7 (or 8) dates on which the day in the current tax year to which accounts are drawn up is capable of falling.
- (3) This subsection applies if—
- (a) the accounting date in the previous tax year was determined under section 211, and
 - (b) the accounting date in the current tax year is the same as the accounting date in the previous tax year.

213 Circumstances in which middle date not treated as accounting date

- (1) If—
- (a) a date (“the middle date”) is treated under section 211 as the accounting date in a tax year (“the earlier tax year”),
 - (b) the basis period for the earlier tax year ends on the middle date, and
 - (c) the basis period for the following tax year (“the later tax year”) is that given by one of the provisions listed in subsection (2),
- the basis period for the later tax year is determined as if the basis period for the earlier tax year had ended on the date to which accounts were actually drawn up in the earlier tax year.
- (2) The provisions are—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) section 201(1) (tax year in which there is no accounting date),
- (b) section 202(1) (tax year in which person permanently ceases to carry on a trade),
- (c) section 215(2) (change of accounting date in third tax year), and
- (d) section 216(3) (change of accounting date in later tax year).

Special rules if accounting date changes

214 When a change of accounting date occurs

- (1) If there is a change from one accounting date (“the old accounting date”) to another accounting date (“the new accounting date”), the change of accounting date occurs—
 - (a) in the first tax year in which accounts are drawn up to the new accounting date, or
 - (b) if earlier, in the first tax year in which accounts are not drawn up to the old accounting date.
- (2) A change from a date determined under section 211 to an actual accounting date is taken to be a change from one accounting date to another, even if the two dates are the same.
- (3) If, because of subsection (1)(b), a change of accounting date occurs in a tax year in which there is no actual accounting date, the date corresponding to the new accounting date is treated as the accounting date in that tax year for the purpose of determining—
 - (a) the basis period for that tax year, and
 - (b) if section 219 applies, the basis period for the following tax year.

215 Change of accounting date in third tax year

- (1) This section applies if—
 - (a) a change of accounting date occurs in the third tax year in which a person carries on a trade,
 - (b) the person does not permanently cease to carry on the trade in that tax year, and
 - (c) the accounting date in that tax year falls more than 12 months after the end of the basis period for the second tax year in which the person carries on the trade.
- (2) The basis period—
 - (a) begins immediately after the end of the basis period for the second tax year in which the person carries on the trade, and
 - (b) ends with the accounting date in the third tax year in which the person carries on the trade.

216 Change of accounting date in later tax year

- (1) This section applies if—
 - (a) a change of accounting date occurs in a tax year in which a person carries on a trade,
 - (b) the tax year is later than the third tax year in which the person carries on the trade, and

- (c) the person does not permanently cease to carry on the trade in the tax year.
- (2) If—
- (a) the conditions in section 217 are met (conditions for basis period to end with new accounting date), and
 - (b) the new accounting date falls less than 12 months after the end of the basis period for the previous tax year,
- the basis period is that given by the general rule in section 198.
- (3) If—
- (a) the conditions in section 217 are met, and
 - (b) the new accounting date falls more than 12 months after the end of the basis period for the previous tax year,
- the basis period begins immediately after the end of the basis period for the previous tax year and ends with the accounting date.
- (4) If the conditions in section 217 are not met, the basis period for the tax year is the period of 12 months ending with the old accounting date.

217 Conditions for basis period to end with new accounting date

- (1) The conditions in this section are met if—
- (a) the person carrying on the trade gives appropriate notice of the change of accounting date to the Inland Revenue (see subsection (2)),
 - (b) the 18 month test is met (see subsection (3)), and
 - (c) either condition A or B is met (see subsections (4) to (6)).
- (2) Appropriate notice of the change of accounting date is given to the Inland Revenue if (and only if) the notice is given—
- (a) in a return under the provision of TMA 1970 that applies to the person carrying on a trade (see section 8, 8A or 12AA of that Act), and
 - (b) on or before the day on which the return is required to be made and delivered under that provision.
- (3) The 18 month test is met if the period of account ending—
- (a) with the new accounting date in the tax year in which the change of accounting date occurs, or
 - (b) if there is no new accounting date in that tax year, with the new accounting date in the first tax year in which accounts are drawn up to the new accounting date,
- is not longer than 18 months.
- (4) Condition A is that, in the 5 tax years immediately before the tax year in which the change of accounting date occurs, there has been no change of accounting date that counts for the purposes of this condition.
- (5) A change of accounting date counts for the purposes of condition A if it results in the basis period for the tax year in which the change occurs ending with the accounting date in that tax year.
- (6) Condition B is that—

- (a) the change of accounting date is made for commercial reasons (see section 218), and
- (b) the notice under subsection (2) sets out the reasons for the change.

218 Commercial reasons for change of accounting date

- (1) If the Inland Revenue do not give notice under this section to the person carrying on the trade, a change of accounting date is treated for the purposes of condition B in section 217 as made for commercial reasons.
- (2) If the Inland Revenue do give notice under this section to the person carrying on the trade, a change of accounting date is treated for the purposes of condition B in section 217 as made for reasons which are not commercial.
- (3) The notice must—
 - (a) state that the Inland Revenue are not satisfied that the change of accounting date is made for commercial reasons, and
 - (b) be given within the period of 60 days beginning with the date on which the notice under section 217(2) is received.
- (4) A person to whom notice is given under this section may appeal against it within the period of 30 days beginning with the date on which it is given.
- (5) On an appeal—
 - (a) if the Commissioners are satisfied that the change is made for commercial reasons, they may set aside the notice, and
 - (b) if they are not satisfied that the change is made for commercial reasons, they may confirm the notice.
- (6) For the purposes of this section obtaining a tax advantage is not a commercial reason.
- (7) Part 5 of TMA 1970 (appeals against assessments to tax), apart from section 50, applies in relation to an appeal under this section as it applies in relation to an appeal against an assessment to tax.

219 The year after an ineffective change of accounting date

- (1) This section applies to a tax year in which a person carries on a trade if—
 - (a) the tax year falls immediately after a tax year in which a change of accounting date occurs, and
 - (b) the basis period for the tax year in which the change occurs ends with the old accounting date.
- (2) If the accounting date in the tax year is the new accounting date, a change of accounting date is treated as occurring in that tax year for the purposes of sections 216 to 220 (including this section).
- (3) If the accounting date in the tax year reverts to the old accounting date, that change of accounting date is ignored for the purposes of—
 - (a) section 214, and
 - (b) sections 216 to 220 (including this section).

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. 220 Deduction for overlap profit on change of accounting date

- (1) This section applies for the purpose of calculating the profits of a trade of a tax year if—
- (a) a change of accounting date occurs in the tax year, and
 - (b) the basis period for the tax year is longer than 12 months.

(2) A deduction must be made for overlap profit.

(3) The amount of the deduction is calculated as follows.

Step 1

Add together the overlap profit arising in all overlap periods ending before the end of the tax year.

Step 2

Subtract from that any deductions made under this section for previous tax years.

The balance is “the remaining overlap profit”.

Step 3

Add together the number of days in all overlap periods ending before the end of the tax year.

Subtract from that the total number of days given by Step 5 on any previous occasions on which a deduction was made under this section.

The balance is “the number of days on which the remaining overlap profit arises”.

Step 4

Divide the remaining overlap profit by the number of days on which the remaining overlap profit arises.

The result of this step is “one day's worth of remaining overlap profit”.

Step 5

Subtract the number of days in the tax year from the number of days in the basis period.

The balance is “the number of days' worth of overlap profit that may be deducted on this occasion”.

Step 6

Multiply one day's worth of remaining overlap profit (see Step 4) by the number of days' worth of overlap profit that may be deducted on this occasion (see Step 5).

The result of this step is the amount of the deduction.

- (4) The above steps are expressed in terms of numbers of days in periods, but the person carrying on the trade may use a different way of measuring the length of the periods concerned if—
- (a) it is reasonable to do so, and
 - (b) the way of measuring the length of periods is used consistently for the purposes of the trade.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) If the accounting date in the tax year is 31st March or 1st, 2nd, 3rd or 4th April, the person carrying on the trade may treat the basis period for the tax year as ending on 5th April for the purpose of calculating the amount of the deduction.
- (6) If a period used in calculating the amount of the deduction contains a 29th February and—
- (a) the accounting date in the tax year is 5th April, or
 - (b) the basis period for the tax year is treated under subsection (5) as ending on 5th April,
- the person carrying on the trade may ignore the 29th February for the purpose of calculating the amount of the deduction.

CHAPTER 16

AVERAGING PROFITS OF FARMERS AND CREATIVE ARTISTS

221 Claim for averaging of fluctuating profits

- (1) This Chapter enables an individual (a “taxpayer”) to make a claim (an “averaging claim”) if—
- (a) the taxpayer is, or has been, carrying on a qualifying trade, profession or vocation (alone or in partnership), and
 - (b) the taxpayer's profits from it (“the relevant profits”) fluctuate from one tax year to the next.
- (2) A trade, profession or vocation is a “qualifying trade, profession or vocation” if—
- (a) it is farming or market gardening in the United Kingdom,
 - (b) it is the intensive rearing in the United Kingdom of livestock or fish on a commercial basis for the production of food for human consumption, or
 - (c) the taxpayer's profits from it are derived wholly or mainly from creative works.
- (3) For this purpose “creative works” means—
- (a) literary, dramatic, musical or artistic works, or
 - (b) designs,
- created by the taxpayer personally or, if the qualifying trade, profession or vocation is carried on in partnership, by one or more of the partners personally.
- (4) For the purposes of this Chapter references to the relevant profits of a tax year are to profits before making any deduction for a loss made in any tax year.
- (5) If the taxpayer makes a loss in the qualifying trade, profession or vocation in a tax year, the relevant profits of the tax year for the purposes of this Chapter are nil.

222 Circumstances in which claim may be made

- (1) An averaging claim may be made in relation to two consecutive tax years in which a taxpayer is or has been carrying on the qualifying trade, profession or vocation if—
- (a) the relevant profits of one of the tax years are less than 75% of the relevant profits of the other tax year, or

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the relevant profits of one (but not both) of the tax years are nil.
- (2) An averaging claim may be made in relation to a tax year which was the later year on a previous averaging claim.
- (3) An averaging claim may not be made in relation to a tax year if an averaging claim has already been made in relation to a later tax year in respect of the trade, profession or vocation.
- (4) An averaging claim may not be made in relation to the tax year in which—
 - (a) the taxpayer starts, or permanently ceases, to carry on the trade, profession or vocation, or
 - (b) in the case of a trade, profession or vocation within section 221(2)(c), it begins or ceases to be a qualifying trade, profession or vocation.
- (5) An averaging claim must be made on or before the first anniversary of the normal self-assessment filing date for the second of the tax years to which the claim relates.
- (6) But see section 225(4) (extended time limit if profits adjusted for some other reason).

223 Adjustment of profits

- (1) If a taxpayer makes an averaging claim, the amount taken to be the taxpayer's profits of each of the tax years for which the claim is made is adjusted in accordance with this section.
- (2) But this is subject to paragraph 3 of Schedule 1B to TMA 1970 (claim given effect in the second of the two tax years).
- (3) If—
 - (a) the relevant profits of one of the tax years are 70% or less of the relevant profits of the other tax year, or
 - (b) the relevant profits of one (but not both) of the tax years are nil,the amount of the adjusted profits of each of the tax years is the average of the relevant profits of the two tax years.
- (4) If the relevant profits of one of the tax years—
 - (a) are more than 70%, but
 - (b) are less than 75%,of the relevant profits of the other tax year, the amount of the adjusted profits of each of the tax years is calculated as follows, so as to reduce the variation between them.

Step 1

Calculate the amount of the adjustment by applying the formula—

$$(D \times 3) - (P \times 0.75)$$

where—

D is the difference between the relevant profits of the two tax years, and

P is the relevant profits of the tax year of which those profits are higher.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Step 2

Add the amount of the adjustment to the relevant profits of the tax year of which those profits are lower.

The result is the amount of the adjusted profits of that tax year.

Step 3

Subtract the amount of the adjustment from the relevant profits of the tax year of which those profits are higher.

The result is the amount of the adjusted profits of that tax year.

224 Effect of adjustment

- (1) The adjusted profits are taken to be the relevant profits of the tax years to which the claim relates for all income tax purposes, including the further application of this Chapter.
- (2) This is subject to—
 - (a) subsection (3) of this section and section 225(2), and
 - (b) paragraph 3 of Schedule 1B to TMA 1970.
- (3) If the relevant profits of one of the tax years are nil, this Chapter does not prevent the taxpayer from obtaining relief under the Income Tax Acts for a loss made by the taxpayer in the tax year in question or any other tax year.
- (4) A claim by the taxpayer for relief under any other provision of the Income Tax Acts for either of the tax years to which an averaging claim relates (“the other claim”)—
 - (a) is not out of time if made on or before the last date on which the averaging claim could have been made, and
 - (b) if already made, may be amended or revoked on or before that date.
- (5) For this purpose—
 - (a) references to a claim include an election or notice, and
 - (b) if the other claim is made in a return, the reference to amending or revoking the other claim is to amending the return by amending or omitting the other claim.
- (6) For provision determining in which tax year a claim, amendment or revocation made as a result of subsection (4) has effect, see paragraph 4 of Schedule 1B to TMA 1970 (claim, amendment or revocation given effect in the second of the two tax years).

225 Effect of later adjustment of profits

- (1) This section applies if, after the taxpayer has made an averaging claim, the relevant profits in either or both of the tax years to which the claim relates are adjusted for another reason.
- (2) The averaging claim is ignored.
- (3) But this does not prevent a further averaging claim from being made in relation to the taxpayer's profits as adjusted for the other reason.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) A further averaging claim is not out of time as long as it is made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the adjustment for the other reason is made.

CHAPTER 17

ADJUSTMENT INCOME

Introduction

226 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

Adjustment on change of basis

227 Application of Chapter

- (1) This Chapter applies if—
- (a) a person carrying on a trade changes, from one period of account to the next, the basis on which profits of the trade are calculated for income tax purposes,
 - (b) the old basis accorded with the law or practice applicable in relation to the period of account before the change, and
 - (c) the new basis accords with the law and practice applicable in relation to the period of account after the change,
- but does not apply to income which is charged in accordance with section 832 (relevant foreign income charged on the remittance basis).
- (2) The practice applicable in any case means the accepted practice in cases of that description as to how profits of a trade should be calculated for income tax purposes.
- (3) A person changes the basis on which profits of a trade are calculated for income tax purposes if the person makes—
- (a) a relevant change of accounting approach (see subsection (4)), or
 - (b) a change in the tax adjustments applied (see subsections (5) and (6)).
- (4) A “relevant change of accounting approach” means a change of accounting principle or practice that, in accordance with generally accepted accounting practice, gives rise to a prior period adjustment.
- (5) A “tax adjustment” means any adjustment required or authorised by law in calculating profits of a trade for income tax purposes.
- (6) A “change in the tax adjustments applied”—
- (a) does not include a change made in order to comply with amending legislation not applicable to the previous period of account, but
 - (b) includes a change resulting from a change of view as to what is required or authorised by law or as to whether any adjustment is so required or authorised.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

228 Adjustment income and adjustment expense

- (1) An amount by way of adjustment must be calculated in accordance with section 231.
- (2) If the amount produced by the calculation is positive, it is treated as income and charged to income tax under this Chapter.

It is referred to in this Chapter as “adjustment income”.

- (3) If the amount produced by the calculation is negative, a deduction is allowed for it in calculating the profits of the trade.

It is referred to in this Chapter as an “adjustment expense”.

- (4) This section is subject to section 234 (no adjustment for certain expenses previously brought into account).

229 Income charged

- (1) Tax is charged under this Chapter on the full amount of any adjustment income arising in the tax year.
- (2) This is subject to—
 - (a) sections 237 to 239 (which provide for spreading of adjustment income), and
 - (b) Part 8 (foreign income: special rules).

230 Person liable

The person liable for any tax charged under this Chapter is the person receiving or entitled to the adjustment income.

231 Calculation of the adjustment

The amount of the adjustment is calculated as follows. *Step 1*

Add together any amounts representing the extent to which, comparing the two bases, profits were understated (or losses overstated) on the old basis.

The amounts are—

	<i>Amounts</i>
1	Receipts which on the new basis would have been brought into account in calculating the profits of a period of account before the change, so far as they were not so brought into account.
2	Expenses which on the new basis fall to be brought into account in calculating the profits of a period of account after the change, so far as they were brought into account in calculating the profits of a period of account before the change.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- 3 Deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, so far as they—
- (a) are not matched by credits in respect of closing trading stock or closing work in progress in the last period of account before the change, or
 - (b) are calculated on a different basis that if used to calculate those credits would have given a higher figure.
- 4 Amounts recognised for accounting purposes in respect of depreciation in the last period of account before the change, so far as they were not the subject of an adjustment for income tax purposes, where such an adjustment would be required on the new basis.

Step 2

Then deduct any amounts representing the extent to which, comparing the two bases, profits were overstated (or losses understated) on the old basis.

The amounts are—

Amounts

- 1 Receipts which were brought into account in a period of account before the change, so far as they would not have been so brought into account if the profits had been calculated on the new basis.
- 2 Expenses which were not brought into account in calculating the profits of a period of account before the change, so far as they—
- (a) would have been brought into account for a period of account before the change if the profits had been calculated on the new basis, and
 - (b) would have been brought into account for a period of account after the change if the profits had continued to be calculated on the old basis.
- 3 Credits in respect of closing trading stock or closing work in progress in the last

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. period of account before the change, so far as they—

- (a) are not matched by deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, or
- (b) are calculated on a different basis that if used to calculate those deductions would have given a lower figure.

An amount so deducted may not be deducted again in calculating the profits of a period of account.

Treatment of adjustment income and adjustment expense

232 Treatment of adjustment income

- (1) Adjustment income is treated as arising on the last day of the first period of account for which the new basis is adopted.
- (2) But this is subject to sections 235 (cases where adjustment not required until assets realised or written off) and 236 (change from realisation basis to mark to market).
- (3) Adjustment income is treated for the purposes of Chapter 1 of Part 10 of ICTA (loss relief) as profits of the trade for the tax year in which tax is charged on it.
- (4) In the case of an individual whose income from the trade is—
 - (a) earned income within section 833(4)(c) of ICTA, or
 - (b) relevant UK earnings within section 189(2)(b) of FA 2004,
 adjustment income is similarly earned income or relevant UK earnings.

Modifications etc. (not altering text)

233 Treatment of adjustment expense

- (1) An adjustment expense is treated as an expense of the trade arising on the last day of the first period of account for which the new basis is adopted.
- (2) But this is subject to sections 235 (cases where adjustment not required until assets realised or written off) and 236 (change from realisation basis to mark to market).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Expenses previously brought into account

234 No adjustment for certain expenses previously brought into account

- (1) This section applies if, as a result of a change of basis, expenses brought into account before the change on the old basis would on the new basis be brought into account over more than one period of account after the change.
- (2) In such a case—
 - (a) no adjustment is made under this Chapter, and
 - (b) in calculating the profits of the trade no deduction is allowed for the expenses for any period of account after the change.

Realising or writing off assets

235 Cases where adjustment not required until assets realised or written off

- (1) This section applies if there is a change of basis resulting from a tax adjustment affecting the calculation of any of the following amounts.
- (2) The amounts are—
 - (a) any amount brought into account in respect of closing trading stock or closing work in progress in the last period of account before the change of basis,
 - (b) any amount brought into account in respect of opening trading stock or opening work in progress in the first period of account on the new basis, and
 - (c) any amount brought into account in respect of depreciation.
- (3) Adjustment income or (as the case may be) an adjustment expense is treated as arising only when the asset to which it relates is realised or written off.

Modifications etc. (not altering text)

- C8** S. 235 applied (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by [Income Tax Act 2007 \(c. 3\)](#), ss. [524\(5\)](#), [526\(6\)](#), [1034](#) (with transitional provisions and savings in [Sch. 2](#))

Mark to market

236 Change from realisation basis to mark to market

- (1) This section applies if there is a change of basis from—
 - (a) not recognising a profit or loss on an asset until the asset is realised, to
 - (b) bringing assets into account in each period of account at a fair value.
- (2) So far as—
 - (a) a receipt within item 1 of step 1 in section 231 represents the fair value of an asset that is trading stock, or
 - (b) an expense within item 2 of that step relates to such an asset,adjustment income or (as the case may be) an adjustment expense is treated as not arising until the period of account in which the value of the asset is realised.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In the case of adjustment income, this is subject to any election under section 237 (election for spreading).
- (4) In this section “trading stock” has the same meaning as in section 174.

Modifications etc. (not altering text)

- C9** S. 236 applied (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 524(5), 526(6), 1034 (with transitional provisions and savings in Sch. 2)

237 Election for spreading if section 236 applies

- (1) If section 236 applies, the person who is liable to tax on any adjustment income may elect for the adjustment income to be spread over 6 periods of account.
- (2) The election must be made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the change of basis occurs.
- (3) If an election is made, an amount equal to one-sixth of the amount of the adjustment income—
 - (a) is treated as arising, and
 - (b) is charged to tax,
 in each of the 6 periods of account beginning with the first period to which the new basis applies.
- (4) But if, before the whole of the adjustment income has been charged to tax, the person permanently ceases to carry on the trade, the whole of the amount so far as not previously brought into charge to tax—
 - (a) is treated as arising, and
 - (b) is charged to tax,
 immediately before the cessation.

Spreading of adjustment income: barristers and advocates

238 Spreading on ending of exemption for barristers and advocates

- (1) If an individual makes a change of basis—
 - (a) on ceasing to take advantage of the exemption given by section 160 (barristers and advocates in early years of practice), or
 - (b) on that exemption coming to an end,
 any adjustment income is spread over 10 tax years as follows.
- (2) In each of the 9 tax years beginning with that in which the whole amount of the adjustment income would otherwise be chargeable to tax, an amount equal to—
 - (a) one tenth of the amount of the adjustment income, or
 - (b) if less, 10% of the profits of the profession of the tax year,
 is treated as arising and is charged to tax.

Introduction

 - (c) section 21 (surplus business accommodation), and
 - (d) section 22(3) (payments for wayleaves).
- (2) Those provisions secure that amounts which would otherwise be brought into account in calculating the profits of the business are, or may be, brought into account instead in calculating the profits of a trade.

274 Relationship between rules prohibiting and allowing deductions

- (1) Any relevant permissive rule in this Part—
- (a) has priority over any relevant prohibitive rule in this Part, but
 - (b) is subject to sections 48 (car or motor cycle hire) and 55 (crime-related payments), as applied by section 272.
- (2) In this section “any relevant permissive rule in this Part” means any provision of this Part (apart from sections 291 to 294) which allows a deduction in calculating the profits of a property business.
- (3) In this section “any relevant prohibitive rule in this Part”, in relation to any deduction, means any provision of this Part (apart from sections 48 and 55, as applied by section 272) which might otherwise be read as—
- (a) prohibiting the deduction, or

(b) restricting the amount of the deduction.

(4) In this section any reference to any provision of this Part includes any provision applied by section 272.

Apportionment of profits

275 Apportionment etc. of profits to tax year

- (1) This section applies if a period of account of a property business does not coincide with a tax year.
- (2) Any of the following steps may be taken if they are necessary in order to arrive at the profits or losses of the tax year—
 - (a) apportioning the profits or losses of a period of account to the parts of that period falling in different tax years, and
 - (b) adding the profits or losses of a period of account (or part of a period) to profits or losses of other periods of account (or parts).
- (3) The steps must be taken by reference to the number of days in the periods concerned.
- (4) But the person carrying on the business may use a different way of measuring the length of the periods concerned if—
 - (a) it is reasonable to do so, and
 - (b) the way of measuring the length of periods is used consistently for the purposes of the business.

CHAPTER 4

PROFITS OF PROPERTY BUSINESSES: LEASE PREMIUMS ETC.

Introduction

276 Introduction

- (1) This Chapter provides for certain amounts (which would otherwise generally be amounts of a capital nature) to be brought into account as receipts in calculating the profits of a property business.
- (2) The amounts relate to short-term leases in the case of—
 - section 277 (lease premiums),
 - section 278 (amount treated as lease premium where work required),
 - section 280 (sums payable for surrender of lease), and
 - section 282 (assignments for profit of lease granted at undervalue).
- (3) The amounts relate to any lease in the case of—
 - section 279 (sums payable instead of rent), and
 - section 281 (sums payable for variation or waiver of term of lease).
- (4) The amounts relate to the sale of any estate or interest in land in the case of—
 - section 284 (sales with right to reconveyance), and

section 285 (sale and leaseback transactions).

- (5) This Chapter also permits certain deductions in calculating the profits of property businesses carried on by tenants under certain leases (see sections 291 and 292).
- (6) In this Chapter “short-term lease” means a lease whose effective duration is 50 years or less.

Amounts treated as receipts: leases

277 Lease premiums

- (1) This section applies if a premium is required to be paid—
 - (a) under a short-term lease, or
 - (b) otherwise under the terms subject to which a short-term lease is granted.
- (2) The person to whom the premium is due is treated as—
 - (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the lease is granted.
- (4) The amount of the receipt is given by the formula—

$$P \times \left(\frac{50 - Y}{50} \right)$$

where—

P is the premium, and

Y is the number of complete periods of 12 months (other than the first) comprised in the effective duration of the lease.

- (5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.

278 Amount treated as lease premium where work required

- (1) This section applies if the terms subject to which a lease is granted impose on the tenant an obligation to carry out work on the premises.
- (2) The lease is treated for the purposes of section 277 (lease premiums) as requiring the payment of a premium to the landlord (in addition to any other premium).
- (3) The amount of the premium is the amount by which the value of the landlord's estate or interest immediately after the commencement of the lease exceeds what its value would have been at that time if the terms of the lease did not impose the obligation on the tenant.
- (4) An obligation, or part of an obligation, that requires the carrying out of excepted work is ignored for the purposes of this section.
- (5) Work is “excepted work” if the payment for carrying it out would, if the landlord and not the tenant were obliged to carry it out, be deductible as an expense in calculating the profits of the landlord's property business.

Modifications etc. (not altering text)

C11 Ss. 277-281 excluded (with effect as mentioned in [Sch. 6 para. 6\(2\)-\(7\)](#) of the amending Act) by 1981 c. 1, s. 774G(7) as inserted by [Finance Act 2006 \(c. 25\)](#), s. 76, [Sch. 6 para. 6\(1\)](#)

279 Sums payable instead of rent

- (1) This section applies if—
 - (a) under the terms subject to which a lease is granted a sum becomes payable by the tenant instead of the whole or a part of the rent for a period, and
 - (b) the period is 50 years or less.
- (2) The person to whom the sum is due is treated as—
 - (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists or of includes that transaction for the tax year in which the sum becomes payable.
- (4) The amount of the receipt is given by the formula—

$$S \times \left(\frac{50 - Y}{50} \right)$$

where—

S is the sum payable instead of rent, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period in relation to which the sum is payable.

- (5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.
- (6) In determining for the purposes of this Chapter the duration of the period in relation to which the sum is payable, any part of the period that falls after the expiry of the effective duration of the lease is excluded.

280 Sums payable for surrender of lease

- (1) This section applies if, under the terms subject to which a short-term lease is granted, a sum becomes payable by the tenant as consideration for the surrender of the lease.
- (2) The person to whom the sum is due is treated as—
 - (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the sum becomes payable.

281 Sums payable for variation or waiver of term of lease

- (1) This section applies if—
- (a) a sum becomes payable by the tenant (otherwise than by way of rent) as consideration for the variation or waiver of a term of a lease,
 - (b) the sum is due to the landlord or a person who is connected with the landlord, and
 - (c) the period for which the variation or waiver has effect is 50 years or less.
- (2) The person to whom the sum is due is treated as—
- (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the contract providing for the variation or waiver is entered into.

$$S \times \left(\frac{50 - Y}{50} \right)$$

where—

S is the sum payable as consideration for the variation or waiver, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period for which the variation or waiver has effect.

282 Assignments for profit of lease granted at undervalue

- (1) This section applies to an assignment of a short-term lease if—
 - (a) the lease was granted at an undervalue, and
 - (b) a profit is made on the assignment.
- (2) The person who assigns the lease is treated as—
 - (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the consideration for the assignment becomes payable.
- (4) The amount of the receipt is given by the formula—

$$P \times \left(\frac{50 - Y}{50} \right)$$

where—

P is the lesser of—

- (a) the profit on the assignment, and
- (b) the amount by which the undervalue exceeds the total of the profits (if any) made on previous assignments of the lease, and

Y is the number of complete periods of 12 months (other than the first) comprised in the effective duration of the lease.

- (5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.
- (6) Section 283 explains references in this section to the grant of a lease at an undervalue and the making of a profit on an assignment of a lease.

283 Provisions supplementary to section 282

- (1) This section operates for the purposes of section 282.
- (2) A lease is granted at an undervalue if the terms subject to which it was granted are such that the landlord who granted it could have required the payment of an additional sum by way of premium, or additional premium, for its grant.
- (3) The additional sum is the undervalue.
- (4) The test in subsection (2) must be applied—
 - (a) having regard to values prevailing at the time the lease was granted, and
 - (b) on the assumption that the negotiations for the lease were at arm's length.

 - (b) in any other case, any consideration for which it was last assigned.
- (6) The amount of the excess is the profit.

Other amounts treated as receipts

284 Sales with right to reconveyance

- (1) This section applies if—
- (a) an estate or interest in land is sold subject to terms which provide that it is to be, or may be required to be, reconveyed on a future date to the seller or a person connected with the seller,
 - (b) the period beginning with the sale and ending with the earliest date on which under the terms of the sale the estate or interest would fall to be reconveyed is 50 years or less, and
 - (c) the price at which the estate or interest is sold exceeds the price at which it is to be reconveyed.
- (2) The seller is treated as—
- (a) entering into a transaction mentioned in section 264 (if the land is in the United Kingdom) or section 265 (if the land is outside the United Kingdom), and
 - (b) receiving the amount calculated under subsection (4) as a result of that transaction.
- (3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the estate or interest is sold.
- (4) The amount of the receipt is given by the formula—

$$E \times \left(\frac{50 - Y}{50} \right)$$

where—

E is the amount by which the price at which the estate or interest is sold exceeds the price at which it is to be reconveyed, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period beginning with the sale and ending with the earliest date on which under the terms of the sale the estate or interest would fall to be reconveyed.

- (5) See section 286 for some provisions which are supplementary to this section.

 - (b) the period beginning with the sale and ending with the earliest date on which under the terms of the sale the lease would fall to be granted is 50 years or less, and
 - (c) the price at which the estate or interest is sold exceeds the total of—
 - (i) the amount of any premium for the lease, and
 - (ii) the value on the date of the sale of the right to receive a conveyance of the reversion immediately after the lease begins to run.
- (2) This section does not apply if the lease is granted and begins to run within one month after the sale.
- (3) The seller is treated as—
- (a) entering into a transaction mentioned in section 264 (if the land is in the United Kingdom) or section 265 (if the land is outside the United Kingdom), and

- (5) The amount of the receipt is given by the formula—

$$E \times \left(\frac{50 - Y}{50} \right)$$

where—

E is the amount by which the price at which the estate or interest is sold exceeds the total of—

- (a) the amount of any premium for the lease, and

 - (a) the date on which the estate or interest would fall to be reconveyed is not fixed under the terms of the sale, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. - (b) the price at which it is to be reconveyed varies with the date.
- (3) The price is taken to be the lowest possible under the terms of the sale.
- (4) Subsection (5) explains how to determine for the purposes of section 285 the total of—
 - (a) the amount of any premium for the lease, and
 - (b) the value on the date of the sale of the right to receive a conveyance of the reversion immediately after the lease begins to run,
 when the date for the grant of the lease is not fixed under the terms of the sale and the total varies with the date.
- (5) The total is taken to be the lowest possible under the terms of the sale.
- (6) For the purposes of sections 284(3) and 285(4) (receipts of property business for tax year in which estate or interest sold) an estate or interest in land is sold when any of the following occurs—
 - (a) an unconditional contract for its sale is entered into,
 - (b) a conditional contract for its sale becomes unconditional, or
 - (c) an option or right of pre-emption is exercised requiring the seller to enter into an unconditional contract for its sale.

Additional calculation rule for reducing certain receipts

287 Circumstances in which additional calculation rule applies

- (1) The rule in section 288 (the additional calculation rule) applies in relation to the calculation of receipts under—
 - section 277 (lease premiums),
 - section 279 (sums payable instead of rent),
 - section 280 (sums payable for surrender of lease),
 - section 281 (sums payable for variation or waiver of term of lease), or
 - section 282 (assignments for profit of lease granted at undervalue).
- (2) It applies if conditions A and B are met.
- (3) Condition A is that—
 - (a) in the case of a receipt under section 277, 279 or 280, the lease is granted out of a taxed lease,
 - (b) in the case of a receipt under section 281, the lease was granted out of a taxed lease, and
 - (c) in the case of a receipt under section 282, the assignment is of a taxed lease.
- (4) A lease is a “taxed lease” for the purposes of this Chapter if—
 - (a) there is a receipt under any of sections 277 to 282 in respect of the lease, or
 - (b) there would be such a receipt, but for the operation of the additional calculation rule in the calculation of its amount.

In this Chapter such a receipt is referred to as a “taxed receipt”.

- (5) Condition B is that the taxed receipt, or if there is more than one, at least one of them, has an unused amount.
- (6) See section 290 for an explanation of when a taxed receipt has an “unused amount”.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

288 The additional calculation rule

- (1) The rule in this section applies if the conditions mentioned in section 287 are met.
- (2) The additional calculation rule is that the amount given by the formula in section 277, 279, 280, 281 or 282 must be reduced by the amount calculated in accordance with this section in order to give the amount of the receipt under calculation.
- (3) The amount of the reduction is—
 - (a) if there is one taxed receipt which has an unused amount, the basic relieving amount by reference to that receipt, and
 - (b) if there is more than one taxed receipt which has an unused amount, the total of the basic relieving amounts by reference to each receipt, adjusted, if necessary, in the light of section 289(5) (reduction not to exceed amount being reduced).
- (4) The basic relieving amount by reference to a taxed receipt is given by the formula—

$$\frac{A \times LRP}{TRP}$$

where—

A is the unreduced amount of the taxed receipt (which is, generally, the amount given by the formula in section 277, 279, 280, 281 or 282, but see section 290(2) to (4)),

LRP is the receipt period of the receipt under calculation, and

TRP is the receipt period of the taxed receipt.

- (5) But the basic relieving amount is different if section 289(2) or (4) applies (certain special cases).
- (6) For the purposes of this Chapter, the “receipt period” of a receipt is—
 - (a) in the case of a receipt under section 277 or 280, the effective duration of the lease,
 - (b) in the case of a receipt under section 279, the period in relation to which the sum payable instead of rent is payable,
 - (c) in the case of a receipt under section 281, the period for which the variation or waiver has effect, and
 - (d) in the case of a receipt under section 282, the effective duration of the lease remaining at the date of the assignment.

289 The additional calculation rule: special cases

- (1) This section explains how section 288 operates in some special cases.
- (2) If—
 - (a) the receipt under calculation is under any of sections 277 to 281, and
 - (b) the lease does not extend to the whole of the premises subject to the taxed lease,

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to *Income Tax (Trading and Other Income) Act 2005*. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

the basic relieving amount by reference to a taxed receipt is calculated by multiplying the amount given by the formula in subsection (4) of section 288 by the fraction of those premises which is subject to the lease.

- (3) This fraction is calculated on a just and reasonable basis.
- (4) If the basic relieving amount given by section 288(4) or subsection (2) above by reference to a taxed receipt would otherwise exceed the unused amount of the taxed receipt, the basic relieving amount is the unused amount.
- (5) If the amount of the reduction under section 288 would otherwise exceed the amount given, in respect of the receipt under calculation, by the formula in section 277, 279, 280, 281 or 282, the amount of the reduction is equal to the amount given by the formula.

290 Meaning of “unused amount” and “unreduced amount”

- (1) For the purposes of this Chapter, a taxed receipt has an “unused amount” if the unreduced amount exceeds the total of the reductions and deductions referred to in subsection (5).
- (2) In this Chapter the “unreduced amount” of a taxed receipt is the amount given, in respect of the taxed receipt, by the formula in section 277, 279, 280, 281 or 282.
- (3) Subsection (4) applies to a taxed receipt under section 277 (lease premiums) as a result of section 278 (amount treated as lease premium where work required).
- (4) If the obligation to carry out work included the carrying out of work which gives, or will give, rise to qualifying expenditure under CAA 2001, the unreduced amount of the taxed receipt is calculated as if the obligation had not included the carrying out of that work.
- (5) The reductions and deductions mentioned in subsection (1) are—
 - (a) the reductions under section 288 by reference to the taxed receipt,
 - (b) the deductions allowed in calculating the profits of a trade, profession or vocation for expenses under section 61 (tenant under taxed lease who uses land in connection with trade treated as incurring expenses) by reference to the taxed receipt, and
 - (c) the deductions allowed in calculating the profits of a property business for expenses under section 292 (tenant under taxed lease who uses premises for purposes of property business treated as incurring expenses) by reference to the taxed receipt.
- (6) For the purposes of this Chapter references to a reduction under section 288 by reference to a taxed receipt are to a reduction under that section so far as attributable to the taxed receipt.

Deductions in relation to certain receipts

291 Deductions for expenses under section 292

- (1) Section 292 (tenants under taxed leases treated as incurring expenses) applies in calculating the profits of a property business carried on by the tenant under a taxed lease for the purpose of making deductions for the expenses of the property business.

 - (a) occupied by the tenant for the purpose of carrying on the property business, or
 - (b) sublet.
- (3) But any deduction for an expense under section 292 is subject to the application of any provision of Chapter 4 of Part 2 (as applied to property businesses by section 272).
- (4) The amount of the deduction for an expense under section 292 for a qualifying day by reference to a taxed receipt may be reduced in order to comply with section 295 (limit on reductions and deductions).
- (5) For the meaning of expressions used in this section, see in particular—
 - section 287(4) (“taxed lease”), and
 - section 287(4) (“taxed receipt”).

292 Tenants under taxed leases treated as incurring expenses

- (1) The tenant under a taxed lease is treated as incurring an expense of a revenue nature in respect of the premises subject to the taxed lease for each qualifying day.
- (2) If there is more than one taxed receipt, this section applies separately in relation to each of them.
- (3) A day is a “qualifying day”, in relation to a taxed receipt, if it falls within the receipt period of the taxed receipt.
- (4) The amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt.

- (5) This section is subject to sections 293 and 294 (restrictions on expenses where the additional calculation rule is relevant).
- (6) For the meaning of expressions used in this section, see in particular—
 - section 288(6) (“receipt period”), and
 - section 290(2) to (4) (“unreduced amount”).

- (2) Subsections (3) to (5) provide for the application of section 292 for a qualifying day that falls within the receipt period of the lease premium receipt.
- (3) The tenant under the taxed lease is treated as incurring an expense under section 292 for the qualifying day by reference to the taxed receipt only if the daily amount of the taxed receipt exceeds the daily reduction of the lease premium receipt.
- (4) If the condition in subsection (3) is met, the amount of the expense under section 292 for the qualifying day by reference to the taxed receipt is equal to that excess.
- (5) If the qualifying day falls within the receipt periods of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.
- (6) In this section—
the “daily amount” of the taxed receipt is given by the formula—

$$\frac{A}{\text{TRP}}$$

where—

A is the unreduced amount of the taxed receipt (see section 290(2) to (4)), and

TRP is the number of days in the receipt period of the taxed receipt, and
the “daily reduction” of a lease premium receipt is given by the formula—

$$\frac{\text{AR}}{\text{RRP}}$$

where—

AR is the reduction under section 288 by reference to the taxed receipt (see section 290(6)), and

RRP is the number of days in the receipt period of the lease premium receipt.

- (7) Section 294 explains how this section operates if the lease premium receipt is in respect of a lease that has been granted out of the taxed lease and does not extend to the whole of the premises subject to the taxed lease.

294 Restrictions on section 292 expenses: lease of part of premises

- (1) This section applies if—
- (a) a lease has been granted out of the taxed lease,
 - (b) the lease does not extend to the whole of the premises subject to the taxed lease, and

 - (b) the qualifying day falls within the receipt period of two or more lease premium receipts that relate to different leases,sections 292 and 293 apply separately in relation to each part of the premises subject to a lease to which such a receipt relates and to the remainder of the premises.
- (5) Where sections 292 and 293 apply in relation to a part of the premises, A becomes the amount calculated by multiplying the unreduced amount of the taxed receipt by the fraction of the premises constituted by the part.
- (6) This fraction is calculated on a just and reasonable basis.

295 Limit on reductions and deductions

- (2) The amount mentioned in subsection (1) is the difference between—
 - (a) the unreduced amount of the taxed receipt, and
 - (b) the deductions allowed in calculating the profits of a trade, profession or vocation for expenses under section 61 (tenant under taxed lease who uses land in connection with trade treated as incurring expenses) by reference to the taxed receipt.

- (b) —the premium was not substantially greater than it would have been had the term been one ending on that date.

Rule 2: If the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant, account may be taken of any circumstances making it likely that the lease will be so extended.

Rule 3: If the tenant or a person connected with the tenant is, or may become, entitled to a further lease or the grant of a further lease (whenever commencing)—

- (1) The rules in section 303 apply by reference to the facts known or ascertainable—
 - (a) at the time of the grant of the lease, or
 - (b) if the determination is for the purposes of section 281 (sums payable for variation or waiver of term of lease), at the time when the contract for the variation or waiver is entered into.
- (2) In applying those rules, it is assumed that all parties concerned, whatever their relationship, act as if they were at arm's length.
- (3) Subsection (5) applies if—
 - (a) special benefits were conferred by the lease or in connection with its grant, or
 - (b) payments were made which one would not expect to be made by parties acting at arm's length unless such benefits had been conferred.
- (4) But subsection (5) does not apply if it can be shown that the special benefits were not conferred nor the payments made for the purpose of securing a tax advantage in the application of this Chapter or sections 34 to 39 of ICTA (premiums, leases at undervalue etc.).
- (5) In applying rule 1 in section 303, it is assumed that the special benefits would not have been conferred nor the payments made if the lease had been granted for a term ending on the date mentioned in that rule.

- (1) For the purposes of this Chapter, the presumption is that a sum paid on or in connection with the granting of a tenancy has been paid by way of premium.
- (2) This does not apply if the sum is rent.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (4) In this section “sum” includes the value of any consideration.
- (5) Where rule 3 in section 303 (rules for determining effective duration of lease) applies, the premium, or an appropriate part of it, payable for or in connection with either lease mentioned in that rule may be treated for the purposes of this Chapter as having been required under the other.

 - “reversion” means the interest of the landlord in the property subject to the lease.
- (4) In the application of this Chapter to Scotland—
 - (a) references to a lease being granted out of a taxed lease are to the grant of a sublease of land subject to the taxed lease, and
 - (b) references to the lease so granted are to be read as references to the sublease.

- (4) Subsection (5) applies if—
- (a) two or more of the parties to the property arrangements are connected persons, and
 - (b) the terms of those arrangements are not such as would reasonably have been expected if those persons had been dealing at arm's length.
- (5) The whole amount or value of the reverse premium is brought into account in the period of account in which the property transaction is entered into.

Introduction

322 Introduction

- (1) This Chapter explains for the purposes of this Part what is meant by the commercial letting of furnished holiday accommodation (see sections 323 to 326).
- (2) It matters whether a UK property business consists of or includes the commercial letting of furnished holiday accommodation for the purposes of—
 - (a) section 312 (deduction for expenditure on energy-saving items: see section 313(3)),
 - (b) Chapter 1 of Part 10 of ICTA (loss relief: see section 504A of that Act),
 - (c) section 833(4)(c) of ICTA (income regarded as earned income: see section 504A of that Act),
 - (d) certain provisions of TCGA 1992 (see section 241 of that Act),
 - (e) CAA 2001 (see, for example, sections 248 and 249 of that Act), and
 - (f) section 189(2)(b) of FA 2004 (income regarded as relevant UK earnings for pension purposes: see section 504A of that Act).
- (3) This Chapter also supplements the above provisions by providing in certain circumstances for the profits of the furnished holiday lettings part of a UK property business to be calculated separately (see sections 327 and 328).

Definition

323 Meaning of “commercial letting of furnished holiday accommodation”

- (1) A letting is a lease or other arrangement under which a person is entitled to the use of accommodation.
- (2) A letting of accommodation is commercial if the accommodation is let—
 - (a) on a commercial basis, and
 - (b) with a view to the realisation of profits.
- (3) A letting is of furnished holiday accommodation if—
 - (a) the person entitled to the use of the accommodation is also entitled, in connection with that use, to the use of furniture, and
 - (b) the accommodation is qualifying holiday accommodation (see sections 325 and 326).
- (4) This section applies for the purposes of this Chapter.

324 Meaning of “relevant period” in sections 325 and 326

- (1) For the purposes of sections 325 and 326 “the relevant period” for accommodation let by a person in a tax year is determined as follows.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) If the accommodation was not let by the person as furnished accommodation in the previous tax year, “the relevant period” is 12 months beginning with the first day in the tax year on which it is let by the person as furnished accommodation.
- (3) If the accommodation—
 - (a) was let by the person as furnished accommodation in the previous tax year, but
 - (b) is not let by the person as furnished accommodation in the following tax year,
“the relevant period” is 12 months ending with the last day in the tax year on which it is let by the person as furnished accommodation.
- (4) Otherwise “the relevant period” is the tax year.

325 Meaning of “qualifying holiday accommodation”

- (1) Accommodation which is let by a person during a tax year is “qualifying holiday accommodation” for the tax year if the availability, letting and pattern of occupation conditions are met.
- (2) The availability condition is that, during the relevant period, the accommodation is available for commercial letting as holiday accommodation to the public generally for at least 140 days.
- (3) The letting condition is that, during the relevant period, the accommodation is commercially let as holiday accommodation to members of the public for at least 70 days.
- (4) For the purposes of the letting condition, a letting of accommodation for a period of longer-term occupation (see subsection (6)) is not a letting of it as holiday accommodation.
- (5) The pattern of occupation condition is that, during the relevant period, not more than 155 days fall during periods of longer-term occupation.
- (6) For the purposes of this section a “period of longer-term occupation” is a continuous period of more than 31 days during which the accommodation is in the same occupation otherwise than because of circumstances that are not normal.

326 Under-used holiday accommodation: averaging elections

- (1) This section applies if during a tax year a person lets both—
 - (a) qualifying holiday accommodation, and
 - (b) accommodation that would be qualifying holiday accommodation if the letting condition (see section 325(3)) were met in relation to it (“under-used accommodation”).
- (2) The person may make an election for the tax year specifying—
 - (a) the qualifying holiday accommodation, and
 - (b) any or all of the under-used accommodation.
- (3) The under-used accommodation so specified is treated as qualifying holiday accommodation for the tax year if the average of the number of let days for the tax year of all the accommodation specified in the election is at least 70.

- (1) If a UK property business consists of both—

 - (b) other businesses or transactions (“the other part”),
 this section requires separate calculations to be made of the profits of the furnished holiday lettings part and the other part.
- (2) The calculations must be made if—
 - (a) section 248 or 249 of CAA 2001 (giving effect to allowances and charges) applies to the furnished holiday lettings part or the other part, or
 - (b) any provision of Chapter 1 of Part 10 of ICTA (loss relief) applies in relation to a loss made in either of those parts.
- (3) If there is a letting of accommodation only part of which is holiday accommodation, such apportionments are to be made for the purposes of this section as are just and reasonable.

328 Earned income and relevant UK earnings for pension purposes

- (1) If a UK property business consists of both—
 - (a) the commercial letting of furnished holiday accommodation (“the furnished holiday lettings part”), and
 - (b) other businesses or transactions,
 this section requires a separate calculation to be made of the profits of the furnished holiday lettings part.

392 SIP shares: introduction

- (1) Sections 393 to 395 contain special rules about the charge under this Chapter in respect of shares awarded to an individual under an approved share incentive plan.
- (2) Those sections only apply if condition A or B was met at the time the shares in question were so awarded.
- (3) Condition A is that—
 - (a) the earnings from the eligible employment were general earnings (see section 7(3) of ITEPA 2003) to which any of the charging provisions of Chapter 4 or 5 of Part 2 of ITEPA 2003 applied, or
 - (b) if there had been any earnings from it, they would have been such earnings.
- (4) In subsection (3)—
 - (a) “the eligible employment” means the employment resulting in the individual meeting the employment requirement in relation to the plan, and
 - (b) the reference to any of the charging provisions of Chapter 4 or 5 of Part 2 of ITEPA 2003 has the same meaning as it has in the employment income Parts of that Act (see sections 14(3) and 20(3) of that Act).

- (4) The person liable for any tax charged on the distribution as a result of this section is the participant.
- (5) For the purposes of determining—
 - (a) whether the participant is entitled to a tax credit under section 397 in respect of a distribution so charged, and
 - (b) if so, the amount of that tax credit,
 that section applies as it has effect for the tax year in which the shares cease to be subject to the plan.

397 Tax credits for qualifying distributions: UK residents and eligible non-UK residents

- (1) A UK resident or eligible non-UK resident receiving a qualifying distribution made by a UK resident company is entitled to a tax credit equal to one-ninth of the amount or value of the distribution (but see subsections (3) and (6)).
- (2) Such a person may claim to deduct the tax credit from—
 - (a) the income tax charged on the person's total income for the tax year in which the distribution is made, or
 - (b) the income tax charged on the person's income under section 3 of ICTA (certain income charged at basic rate) for that year.
- (3) Subsection (1) only applies so far as the distribution is brought into charge to tax, and accordingly if the person's total income is reduced by any deductions which fall to be made from the distribution, the tax credit for the distribution is reduced in the same proportion as the distribution.
- (4) For the purposes of this section “eligible non-UK resident”, in relation to a qualifying distribution, means an individual who at any time in the tax year in which it is received is a non-UK resident within section 278(2) of ICTA (Commonwealth citizens, EEA nationals etc.).
- (5) If a distribution is, or is treated under any provision of the Tax Acts as, the income of a person (“P”) other than the recipient (“R”), P (not R) is treated as receiving it for the purposes of this section (and so P (not R) is entitled to a tax credit if P falls within subsection (1)).
- (6) This section is subject to the following provisions—
 - section 231AA of ICTA (no tax credit for borrower under stock lending arrangement or interim holder under repurchase agreement),
 - section 231AB of ICTA (no tax credit for original owner under repurchase agreement in respect of certain manufactured dividends),

398 Increase in amount or value of dividends where tax credit available

- (1) If a person is entitled to a tax credit in respect of a dividend or other distribution, the amount or value of the dividend or other distribution is treated as increased by the amount of the tax credit for all income tax purposes (except section 397(1)).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. 399 Qualifying distributions received by persons not entitled to tax credits

- (1) This section applies if a person is not entitled to a tax credit for a qualifying distribution included in the person's income for a tax year.
- (2) The person is treated as having paid income tax at the dividend ordinary rate on the amount or value of the distribution (but see subsection (7)).
- (3) For the purposes of subsection (2), if the person is non-UK resident the amount or value of the distribution is treated as the grossed up amount, unless the person is a company which is beneficially entitled to the income.
- (4) If the person is non-UK resident and the distribution is income to which section 686 of ICTA applies (accumulation and discretionary trusts: special rates of tax), for the purposes of that section the amount or value of the distribution is treated as the grossed up amount.
- (5) In this section “the grossed up amount” means the actual amount or value of the distribution, grossed up by reference to the dividend ordinary rate for the tax year.
- (6) The income tax treated as paid under subsection (2) is not repayable.
- (7) Subsection (2) is subject to the following provisions—
section 231AA(1A) of ICTA (which disapplies subsection (2) for borrower under stock lending arrangement or interim holder under repurchase agreement),
section 231AB(1A) of ICTA (which disapplies subsection (2) for original owner under a repurchase agreement in respect of certain manufactured dividends), and
section 469(2B) of ICTA (which disapplies subsection (2) for trustees of a unit trust scheme that is neither an authorised unit trust nor an umbrella scheme).

400 Non-qualifying distributions

- (1) This section applies if a person's income in a tax year includes a non-qualifying distribution.
- (2) The person is treated as having paid income tax at the dividend ordinary rate on the amount or value of the distribution.
- (3) The income tax treated as paid under subsection (2) is not repayable.
- (4) If the distribution is income to which section 686 of ICTA applies (accumulation and discretionary trusts: special rates of tax), the trustees' liability for income tax at the dividend trust rate on the amount or value of the whole or any part of the distribution is reduced.
- (5) The amount of the reduction is equal to income tax at the dividend ordinary rate on so much of the distribution as is assessed at the dividend trust rate.
- (6) In this section and section 401 “non-qualifying distribution” means a distribution which is not a qualifying distribution.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

401 Relief: qualifying distribution after linked non-qualifying distribution

- (1) Where a person pays an amount in respect of extra liability for a non-qualifying distribution, the person's extra liability for a subsequent qualifying distribution is reduced by that amount if conditions A and B are met.
- (2) Condition A is that the non-qualifying distribution consists of the issue of share capital or security.
- (3) Condition B is that the qualifying distribution consists of a repayment of the share capital or the principal of the security.
- (4) A person's extra liability for a distribution charged to tax for the tax year 1999-2000 or a later tax year is the amount by which the person's liability to income tax on the distribution exceeds the amount it would be if it were charged only at the dividend ordinary rate.
- (5) A person's extra liability for a distribution charged to tax for a tax year after the tax year 1992-93 and before the tax year 1999-2000 is the amount by which the person's liability to income tax on the distribution exceeds the amount it would be if it were charged only at the lower rate.
- (6) A person's extra liability for a distribution charged to tax for a tax year before the tax year 1993-94 is the amount by which the person's liability to income tax on the distribution exceeds the amount it would be if it were charged only at the basic rate.

- (2) That amount is the cash equivalent of the share capital on the issue of which the stock dividend income arises (see section 412), grossed up by reference to the dividend ordinary rate for the tax year.

412 Cash equivalent of share capital

- (1) The cash equivalent of share capital within section 249(1)(a) of ICTA (an issue in lieu of cash dividend) is the amount of the cash dividend alternative.
- (2) But if the difference between the cash dividend alternative and the share capital's market value equals or exceeds 15% of that market value—
 - (a) subsection (1) does not apply, and
 - (b) the cash equivalent of the share capital is its market value.
- (3) The cash equivalent of share capital within section 249(1)(b) of ICTA (bonus share capital) is its market value.
- (4) For the purposes of this section, market value is determined—
 - (a) in the case of listed share capital, on the date of first dealing, and
 - (b) in the case of other share capital, on the earliest date on which the company is required to issue it.
- (5) In this section—
 - “listed” means listed in the Stock Exchange Daily Official List, and

 - (b) section 701(8) of ICTA (under which similar provision is made for the purposes of Part 16 of ICTA).
- (5) If two or more persons are entitled to the share capital on the issue of which the stock dividend income arises, this Chapter applies as if the company issuing it had issued to each of those persons a proportionate part of the share capital.
- (6) In subsection (5) “proportionate part” means a part proportionate to the person's interest on the earliest date on which the company is required to issue the share capital.

414 Income tax treated as paid

- (1) A person liable to tax under this Chapter is treated as having paid income tax at the dividend ordinary rate on the income charged, and where trustees are so liable (because a cash dividend paid to them in respect of the shares would have been to any extent income to which section 686 of ICTA applies) the income is treated as if it had been chargeable to tax at that rate.
- (2) The income tax treated as paid under subsection (1) is not repayable.
- (3) The amount on which an individual is treated under subsection (1) as having paid income tax is reduced if subsection (4) applies.

- (3) Subsection (4) applies if section 419 of ICTA has effect under section 422 of that Act (extension of section 419 to loans by companies controlled by close companies) as if a loan or advance had been made by a company (“A”), rather than the company (“B”) which—
 - (a) actually made it,
 - (b) is regarded as having made it under section 419(2) of that Act (deemed loans where debt incurred or assigned to close company), or
 - (c) would be so regarded if it were a close company.
- (4) If the whole or part of the debt is released or written off by B, for the purposes of subsection (1), A rather than B is treated as releasing it or writing it off.

 - (b) has been so liable for any previous tax year.
- (2) If the total amount previously charged (see subsection (4)) equals or exceeds the total amount released (see subsection (6)), tax is not charged under this Chapter.

- (2) Tax is not charged under this Chapter if at the time of the release or writing off the debt is due from the person's personal representatives in that capacity, but see—
- (a) section 664 (under which the amount that would be so charged is treated as part of the aggregate income of the estate for the purposes of Chapter 6 of Part 5), and

$$A \times 0.5 \% \times Y.$$

where Y is the number of years in the redemption period or 30, whichever is the lower.

 - (b) the security is issued to a person who is not connected with the issuer, and
 - (c) the obtaining of a tax advantage by any person is not the main benefit, or one of the main benefits, that might have been expected to accrue from the provision in accordance with which the security may be redeemed on the occasion.
- (3) The commercial protection conditions are that—
 - (a) the security may be redeemed on the occasion as the result of an exercise of an option that is exercisable only on the occurrence of—
 - (i) an event adversely affecting the holder (see subsection (8)), or
 - (ii) a default by any person, and
 - (b) as at the time of the security's issue it appears unlikely that the option will be exercisable on the occasion.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (4) Subsection (1) does not apply to an occasion just because the occasion coincides or may coincide with an occasion meeting the third-party option conditions or the commercial protection conditions.
- (5) If—
- (a) the only reason that a security is not a deeply discounted security is that an occasion on which it may be redeemed is ignored because the third-party option conditions are met, and
 - (b) at some time after its issue the security is acquired by, or its holder becomes, a person connected with the issuer,
- in relation to that time and later this Chapter applies as if the security were a deeply discounted security.
- (6) If a person (“P”) who is not connected with the issuer acquires—
- (a) a security which is only a deeply discounted security because it was issued to a person connected with the issuer and so fails to meet the condition specified in subsection (2)(b), or
 - (b) a security within subsection (5),
- this Chapter applies in relation to P as if the security ceased to be a deeply discounted security on the acquisition.
- (7) For the purposes of the application of this section to a security, the question whether persons are connected is determined without regard to the security or any other security issued under the same prospectus.
- (8) In this section “event adversely affecting the holder”, in relation to a security, means an event the occurrence of which appears, as at the time of the security's issue, likely to have an adverse effect on the interests of its holder at the time of the event if there were no provision for redemption on its occurrence.

 - (b) gilt-edged securities that are not strips,

433 Meaning of “excluded indexed security”

- (1) In this Chapter “excluded indexed security” means a security under the terms of which the amount payable on redemption is determined by applying to the amount for which the security was issued the percentage change (if any) over the security’s redemption period in—
 - (a) the value of chargeable assets of a particular description, or
 - (b) an index of the value of such assets.
- (2) The fact that the terms under which the security is issued include a provision to the effect that the amount payable on its redemption must be at least a specified percentage of the amount for which it was issued only prevents it from falling within the definition in subsection (1) if that percentage exceeds 10%.
- (3) Interest payable on redemption is ignored in determining for the purposes of this section the amount payable on redemption.
- (4) In subsection (1) “redemption period” means—
 - (a) the period beginning with the date of issue and ending with the date of redemption, or
 - (b) a period which is or includes almost all that period and only differs from it for purposes connected with giving effect to a valuation in relation to rights or liabilities under the security.
- (5) An asset is a chargeable asset for the purposes of subsection (1) if a gain accruing to a person on its disposal would be a chargeable gain for the purposes of TCGA 1992 on the assumptions specified in subsection (6).
- (6) The assumptions are that—
 - (a) the asset is an asset of the person,
 - (b) the person is not entitled to the exemption conferred by section 100 of TCGA 1992 (exemption for authorised unit trusts etc.),
 - (c) disposal of the asset by the person would not be treated for income tax purposes as a disposal in the course of a trade, profession or vocation, and
 - (d) section 116(10) of TCGA 1992 is ignored (chargeable gains on subsequent disposals of qualifying corporate bonds acquired in reorganisations, conversions and reconstructions).
- (7) For the purposes of this section—
 - (a) neither the retail prices index nor any similar general index of prices published by the government of a territory or by an agent of such a government is an index of the value of chargeable assets, and

435 Securities issued in separate tranches: basic rule

- (1) The rule in this section is that if securities in any of the issues made on separate occasions under the same prospectus are not deeply discounted securities, securities in any later issue under it are not deeply discounted securities, unless they are treated as such for one of the reasons specified in subsection (2).
- (2) The reasons are—
- (a) that the securities were issued to a person connected with the issuer and so fail to meet the condition specified in section 431(2)(b), and
 - (b) that such a person has acquired or become the holder of the securities and so section 431(5) applies to them.

436 Deeply discounted securities issued in separate tranches: nominal value rule

- (1) This section only applies if some of the securities in one or more later issues under the same prospectus are deeply discounted securities (or are such securities if the rule in section 435 is ignored).
- (2) The rule in this section applies for any disposal or acquisition after the time when the condition specified in subsection (3) is first met.
- (3) The condition is that the aggregate nominal value as at a particular time of the securities within subsection (1) exceeds the aggregate nominal value as at that time of all the other securities issued under the prospectus at any time.
- (4) The rule is that all securities issued under the prospectus (including those issued after the time when the condition specified in subsection (3) is first met) are to be treated as deeply discounted securities and as having been acquired as such (whenever actually issued or acquired).
- (5) Subsection (6) applies where the question is whether a security held by a person who is not connected with the issuer is a deeply discounted security as a result of the rule in this section.
- (6) For the purpose of determining whether the rule in this section applies, securities that are only within subsection (1) for one of the reasons specified in section 435(2) are treated as not being within it.

 - (a) policy B is a new policy (as defined in paragraph 17 of Schedule 15 to ICTA (substitutions and variations)) in relation to policy A, or
 - (b) policy B is a new policy (as so defined) in relation to another policy (“policy C”) and policy C is a new policy (as so defined) in relation to policy A,

- (3) Subsection (1) does not apply to a surrender treated as made under section 490 (last payment under guaranteed income bond contracts etc. treated as total surrender).
- (4) In that case the value of the rights treated as surrendered is treated as being equal to the amount of the payment treated as the surrender.
- (5) In the case of a chargeable event within section 484(1)(a)(ii) (assignment of all rights), the value of the policy or contract is the amount or value of the consideration for the assignment.

In the case of a contract for a life annuity under which any annuity payments have been made, reduce the result of step 1 by so much of those payments as is—

- (a) exempt under section 717 (exemption for part of purchased life annuity payments), or
- (b) determined to be the capital element in those payments under section 658 of ICTA.

- (2) In the case of a capital redemption policy which has been assigned for money or money's worth before the event, the reference in paragraph (a) of step 1 in subsection (1) to the total amount of premiums paid under the policy or contract before the event is a reference to the total of—

- (2) In subsection (1) “retained replacement policy premium” means a sum which—
 - (a) has been payable under a policy which is one of two or more policies treated as a single policy under section 542(1) (qualifying policies and policies replacing them), and

- (3) For the purposes of section 492(1)(b) and (c) (total benefit value: capital sums and benefits paid or conferred before the event in question), any sum paid or benefit conferred under a policy is ignored if it is attributable to a person's disability.
- (4) For the purposes of section 492(1)(f) (total benefit value: assignments), a share assigned before the event is ignored if—
 - (a) it was assigned in an insurance year (see section 499) that began on or after 6th April 2001, and
 - (b) it was not assigned for money or money's worth.
- (5) The reference to the policy in subsection (3) includes any related policy.

- (1) This section applies if—
 - (a) a chargeable event within section 484(1)(a)(i), (b) or (c) (surrender of all rights, death or maturity) occurs in relation to a qualifying endowment policy (see subsection (7)),
 - (b) immediately before the event occurs the rights under the policy are held as security for a debt owed by a company, and
 - (c) the company debt conditions are met (see subsection (4)).
- (2) If—
 - (a) the amount of the debt exceeds the amounts referred to in paragraph (a) of step 1 in section 494(1) (the total amount of premiums paid before the event), and
 - (b) the company makes a claim within two years after the end of the accounting period in which the chargeable event occurs,section 494 applies as if that paragraph referred instead to the amount of the debt.
- (3) If the amount of the debt varied during the policy period, it is to be taken for the purposes of subsection (2) as the lowest amount at which it stood during that period.
- (4) The company debt conditions are that—
 - (a) throughout the policy period, the rights conferred by the policy have been held as security for a debt owed by the company referred to in subsection (1)(b),
 - (b) the capital sum payable under the policy in the event of death during the term of the policy is not less than the amount of the debt when the insurance was made,

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. - (c) any sum payable under the policy as a result of the event is applied in repayment of the debt (except so far as it exceeds the debt), and
 - (d) the debt was incurred to pay money applied for the purposes of the company's trade premises.
- (5) Money is applied for the purposes of a company's trade premises if it is applied—
- (a) in purchasing an estate or interest in land to be occupied by the company for the purposes of a trade carried on by it, or
 - (b) for the purpose of the construction, extension or improvement (but not the repair or maintenance) of buildings which are or are to be so occupied.
- (6) If during the policy period the company incurs a debt by borrowing in order to repay another debt, references to a debt in subsections (3) and (4) include both debts where appropriate.
- (7) In this section—
- “accounting period” is to be read in accordance with section 12 of ICTA,
 - “the policy period” means the period beginning with the making of the insurance and ending immediately before the chargeable event, and
 - “qualifying endowment policy” means a policy which is a qualifying policy as a result of paragraph 2 of Schedule 15 to ICTA.

497 Disregard of trivial inducement benefits

- (1) A benefit other than a payment of money is ignored for the purposes of calculating any gain under this Chapter if—
- (a) it is provided by an insurance company for any person as an inducement for the person to enter into—
 - (i) a policy or contract to which this Chapter applies, or
 - (ii) a later transaction in relation to such a policy or contract, and
 - (b) the condition specified in subsection (2) is met.
- (2) The condition is that the total cost to the insurance company of providing the benefit and any other such benefits provided by it at any time in connection with the policy or contract, or any linked policy or contract, does not exceed £30.
- (3) The Treasury may by order amend the sum for the time being specified in subsection (2) so as to increase it.
- (4) For the purposes of this section, a policy or contract is linked to another policy or contract if—
- (a) their terms are substantially identical, and
 - (b) when one of them is issued or made the issue or making of the other is contemplated.

Part surrenders and assignments: periodic calculations and excess events

498 Requirement for periodic calculations in part surrender or assignment cases

- (1) This section applies if—
- (a) a part of, or share in, the rights under a policy or contract is surrendered, or

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) such a part or share is assigned for money or money's worth.
- (2) A calculation is to be made in accordance with section 507 in relation to the policy or contract as at the end of the insurance year in which the surrender or assignment occurs (see section 499) to determine—
 - (a) whether a gain has arisen on the policy or contract, and
 - (b) if so, the amount of the gain.
- (3) For cases where surrenders and assignments of a part of the rights under a policy or contract are treated as occurring where they would not otherwise do so, see sections 500 to 506.

499 Meaning of “insurance year” and “final insurance year”

- (1) In this Chapter “insurance year”, in relation to a policy or contract, means the 12 months beginning with—
 - (a) the date on which the insurance or contract is made, or
 - (b) any anniversary of that date.
- (2) Subsection (1) is subject to subsections (3) and (5).
- (3) An event referred to in section 484(1)(a)(i) or (iii) or (b) to (e) (surrender of all rights, final participation in profits, death, maturity, or taking a capital sum as a complete alternative to annuity payments) is treated as ending the insurance year in which it occurs.
- (4) In this Chapter “final insurance year” means an insurance year that is ended as a result of subsection (3).
- (5) But if, as a result of subsection (3), an insurance year would begin and end in the same tax year—
 - (a) that insurance year and the previous insurance year are treated as one insurance year, and
 - (b) “final insurance year” needs to be read accordingly.

500 Events treated as part surrenders

The following events are treated for the purposes of this Chapter as a surrender of a part of the rights under the policy or contract in question—

- (a) the falling due of a sum payable as a result of a right under a policy or contract to participate in profits where further rights remain under it,
- (b) in the case of a contract for a life annuity which provides for a capital sum to be taken as an alternative in part to the annuity payments, taking the capital sum,
- (c) the making of a loan to which section 501 applies, and
- (d) the making of a payment to which section 504 applies (payments by insurers under guaranteed income bonds etc.).

501 Part surrenders: loans

- (1) This section applies to a loan (and so it falls within section 500(c)) if it is made by the insurer under a policy or contract—
 - (a) to an individual falling within subsection (2),

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) to trustees falling within subsection (3), or
 - (c) to a company falling within subsection (4).
- (2) An individual falls within this subsection at any time if, were a gain to arise in respect of the policy or contract at that time, the individual would be liable for tax under this Chapter as a result of section 465 (person liable: individuals).
 - (3) Trustees fall within this subsection at any time if, were a gain to arise in respect of the policy or contract at that time, they would be liable for tax under this Chapter as a result of section 467 (person liable: UK resident trustees).
 - (4) A company falls within this subsection at any time if, were a gain to arise in respect of the policy or contract at that time, it would be treated as forming part of the company's income under section 547 of ICTA (method of charging gain to corporation tax).
 - (5) For the purposes of subsection (1), a loan—
 - (a) is treated as made by an insurer if it is made by arrangement with it, and
 - (b) is treated as made to an individual, trustees or a company if it is made at the individual's, trustees' or company's direction.
 - (6) In this section “insurer”, in relation to a policy or contract, means the body issuing the policy or with which the contract is made.
 - (7) This section is subject to—
 - (a) section 502 (exception for loans to buy life annuities), and
 - (b) section 503 (exception for certain loans under qualifying policies).

502 Exception from section 501 for loans to buy life annuities

- (1) Section 501 does not apply to a loan made under a contract for a life annuity if all the interest on the loan is eligible for tax relief.
- (2) If part of the interest is eligible for tax relief, section 501 only applies to the part of the loan carrying ineligible interest.
- (3) For the purposes of this section, interest is eligible for tax relief if it is eligible for relief under section 353 of ICTA (general provision for relief for interest) as a result of section 365 of ICTA (loan to buy life annuity).

503 Exception from section 501 for certain loans under qualifying policies

- (1) Section 501 does not apply to a loan made by the body issuing a qualifying policy if either or both of conditions A and B are met.
- (2) Condition A is that interest is payable on the loan at a commercial rate.
- (3) Condition B is that the loan was made—
 - (a) before 6th April 2000,
 - (b) to a full-time employee of the body issuing the policy, and
 - (c) to assist the employee in purchasing or improving a dwelling to be used as the employee's only or main residence.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

504 Part surrenders: payments under guaranteed income bonds etc.

- (1) This section applies to so much of any payment of an amount by an insurer under a guaranteed income bond contract as meets conditions A to C (and so it falls within section 500(d)).
- (2) Condition A is that it is a sum which, but for subsection (6), would be treated for income tax purposes as interest or an annual payment.
- (3) Condition B is that it is not a sum paid or falling to be paid because of provisions of the guaranteed income bond contract which, taken alone, would constitute a contract of insurance—
 - (a) within Part 1 or 2 of Schedule 1 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (S.I. 2001/544), but
 - (b) not within paragraph 1 or 3 of Part 2 of that Schedule (life and annuity contracts including certain linked long-term contracts).
- (4) Condition C is that it does not represent late payment interest.
- (5) This section does not apply if the payment comprises the whole of the last benefit to be paid under the contract (ignoring late payment interest).
- (6) A sum to which this section applies is not regarded as interest or as an annual payment for any income tax purposes.
- (7) In this section—

“guaranteed income bond contract” means a policy of life insurance that is a contract of insurance which—

 - (a) is within paragraph 1 or 3 of Part 2 of Schedule 1 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001, and
 - (b) is neither an annuity contract nor a contract effected in the course of a company's pension business,

“late payment interest”, in relation to a contract, means interest on an amount payable under the contract which is paid for a period beginning on or after the date of the occurrence as a result of which the amount is payable, and

“pension business” has the meaning given by section 431B of ICTA (or the corresponding enactment in force when the contract was effected).

505 Assignments etc. involving co-ownership

- (1) For the purposes of this Chapter (except this section and section 506)—
 - (a) a transaction to which this section applies is taken to be one or more assignments of part only of the rights under the policy or contract in respect of which the transaction occurs, and
 - (b) those assignments are the ones specified in section 506.
- (2) If subsection (1) applies to a transaction that is an assignment—
 - (a) of the whole of the rights under a policy or contract, or
 - (b) of a part of or a share in those rights,any reference to the assignment in this Chapter (except this section and section 506) is to be read as a reference to the assignment or assignments that the transaction is taken to be under subsection (1).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) This section applies to a transaction in respect of which conditions A and B and either condition C or D or E are met.
- (4) Condition A is that—
 - (a) immediately before the transaction the whole or part of, or a share in, the rights under the policy or contract (“the ownership interest”) was in the beneficial ownership of one person or of two or more persons jointly (“the old ownership”), and
 - (b) as a result of the transaction the ownership interest becomes beneficially owned by one person or by two or more persons jointly or in common (“the new ownership”).
- (5) Condition B is that at least one person who is a member of the old ownership is also a member of the new ownership.
- (6) Condition C is that there is only one member of the old ownership and there are two or more members of the new ownership.
- (7) Condition D is that there are two or more members of the old ownership and at least one of them is not a member of the new ownership.
- (8) Condition E is that there are two or more members of the old ownership and the share in the ownership interest of at least one of those members (see section 506(5)) exceeds that member's share in the ownership interest as a member of the new ownership (see section 506(6)).

506 Assignments occurring when there is a co-ownership transaction

- (1) This section sets out the assignment or assignments that are taken to occur under section 505 when there is a transaction to which that section applies (“a co-ownership transaction”).
- (2) If there is only one member of the old ownership, that member is to be treated as if the co-ownership transaction had been the assignment by that member of so much of the ownership interest as exceeds that member's share in the ownership interest as a member of the new ownership.
- (3) If there are two or more members of the old ownership, each such member who is not a member of the new ownership is to be treated as if the co-ownership transaction had been the assignment by that member of that member's share in the ownership interest.
- (4) If there are two or more members of the old ownership, each such member whose share in the ownership interest as a member of the old ownership exceeds that member's share in the ownership interest as a member of the new ownership is to be treated as if the co-ownership transaction had been the assignment by that member of that excess.
- (5) If the old ownership consists of two or more persons beneficially entitled jointly, the members of the old ownership are to be treated as if the ownership interest had been in their beneficial ownership in equal shares instead of jointly.
- (6) If the new ownership consists of two or more persons beneficially entitled jointly, the members of the old ownership are to be treated as if the result of the co-ownership transaction had been that the ownership interest was in the beneficial ownership of the members of the new ownership in equal shares instead of jointly.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (7) In this section “the ownership interest”, “the old ownership” and “the new ownership” are to be read as indicated in section 505(4).

507 Method for making periodic calculations under section 498

- (1) This section deals with the calculation required to be made in relation to a policy or contract as at the end of an insurance year under section 498(2) (requirement for periodic calculations in part surrender and assignment cases) to determine—
- whether a gain has arisen, and
 - if so, the amount of the gain.
- (2) There is a gain if the net total value of rights surrendered or assigned exceeds the net total allowable payments (see subsections (4) and (5)).
- (3) The gain is equal to the excess.
- (4) To calculate the net total value of rights surrendered or assigned—

Step 1

Find—

- the value, as at the time of its surrender or assignment, of any part of or share in the rights under the policy or contract which has been surrendered at any time or assigned at any time for money or money's worth, and
- the value, as at the time of its assignment, of any part of or share in the rights under the policy or contract which has been assigned otherwise than for money or money's worth in an insurance year beginning on or before 5th April 2001,

in each case determining the value in accordance with section 508.

Step 2

Add together those values.

Step 3

If any previous calculation events (other than personal portfolio bond events) have occurred in relation to the policy or contract—

- add together each such value which has been brought into account under this subsection on those events, and
- subtract the result of paragraph (a) from the result of step 2.

- (5) To calculate the net total allowable payments—

Step 1

Find the allowable element in each allowable payment by multiplying the amount of the payment by—

$$\frac{X}{20}$$

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. where X is the number of insurance years in the period beginning with the year in which the payment is made and ending with the insurance year as at the end of which the calculation under this section is required to be made or, if it is less, 20.

Step 2

Add together the allowable elements for all allowable payments.

Step 3

Add together all the allowable elements brought into account under this subsection on a previous calculation event.

Step 4

Subtract the result of step 3 from the result of step 2.

(6) In this section—

“allowable payment” means a premium, other than a retained replacement policy premium, and

“retained replacement policy premium” has the meaning given in section 495(2).

508 The value of rights partially surrendered or assigned

- (1) For the purposes of sections 507, 511 and 512, where any part of or share in rights conferred by a policy or contract is surrendered, the value of the part of or share in the rights surrendered is the amount or value of the sum payable or other benefits arising because of the surrender, except where subsection (2) or (3) applies.
- (2) In the case of a surrender within section 500(c) (loans by insurers to which section 501 applies), the value for those purposes is an amount equal to the loan.
- (3) In the case of a surrender within section 500(d) (payments by insurers under guaranteed income bonds etc.), the value for those purposes is the amount to which section 504 applies.
- (4) For the purposes of sections 507, 511 and 512, where any part of or share in rights conferred by a policy or contract is assigned, the value of the part or share as at the time of the assignment is its surrender value at that time.
- (5) For the requirement to ignore certain benefits, see section 497 (disregard of trivial inducement benefits).

509 Chargeable events in certain cases where periodic calculations show gains

- (1) If the calculation in section 507 shows that a gain has arisen as at the end of the insurance year, the gain is treated as arising on the occurrence of a chargeable event at the end of that year, unless condition A, B or C is met.
- (2) Subsection (1) is subject to section 485(3) (which restricts the circumstances in which such events occur in relation to qualifying policies).
- (3) Condition A is that during the insurance year there has been an assignment for money or money's worth of part of or a share in the rights conferred by the policy or contract.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Condition B is that during the insurance year there has been both—
 - (a) a surrender of part of or a share in the rights conferred by the policy or contract, and
 - (b) a later assignment, otherwise than for money or money's worth, of the whole or part of or a share in the rights conferred by the policy or contract.
- (5) Condition C is that the insurance year is the final insurance year.
- (6) See section 510 (transaction-related calculations in certain part surrender and assignment cases) if one or both of conditions A and B are met.

Transaction-related calculations and part surrender or assignment events

510 Requirement for transaction-related calculations in certain part surrender and assignment cases

- (1) This section applies if—
 - (a) the calculation in section 507 shows that a gain has arisen as at the end of the insurance year, but
 - (b) one or both of the conditions specified in section 509(3) and (4) are met (and so no chargeable event is treated as occurring at the end of the year under section 509).
- (2) A calculation is to be made in accordance with section 511 in relation to each relevant transaction during the insurance year to determine—
 - (a) whether the transaction resulted in a gain arising on the policy or contract, and
 - (b) if so, the amount of the gain.
- (3) In this section and sections 511 to 514 “relevant transaction” means—
 - (a) a surrender of part of or a share in the rights under the policy or contract, or
 - (b) an assignment of such a part or share for money or money's worth.
- (4) If two or more relevant transactions occurred during the insurance year, a calculation in accordance with section 511 is to be made in relation to each of them successively in the order in which they occurred.
- (5) A calculation falling to be made in accordance with section 511 in relation to a relevant transaction occurring in the final insurance year is to be made before any calculation under section 491 for the chargeable event that ends that year.
- (6) But, in the case of a relevant transaction so occurring, subsections (2) and (4) are subject to section 513(5) (under which those subsections do not apply to some such relevant transactions).

511 Method for making transaction-related calculations under section 510

- (1) This section deals with the calculation required to be made under section 510 to determine—
 - (a) whether a relevant transaction which has occurred during an insurance year resulted in a gain arising on the policy or contract, and
 - (b) if so, the amount of the gain.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) There is a gain if the transaction value for the relevant transaction (see subsection (4)) exceeds the amount of available premium left for the relevant transaction as calculated in accordance with section 512.
- (3) The gain is equal to the excess.
- (4) The transaction value for the relevant transaction is the value in accordance with section 508, as at the time of its surrender or assignment, of the part of or share in the rights under the policy or contract which has been surrendered or assigned in the transaction.
- (5) Subsections (2) and (4) are subject to section 513(4) (under which the transaction value is to be reduced in certain cases where the relevant transaction occurs in the final insurance year).

512 Available premium left for relevant transaction

- (1) For the purposes of section 511(2), the amount of available premium left for a relevant transaction is the amount, if any, by which the available net allowable payments (see subsection (3)) exceed the available net total values for the year (see subsection (4)).
- (2) But the amount of available premium left for the relevant transaction is nil if—
 - (a) one or more other relevant transactions have occurred in respect of the relevant contract earlier in the insurance year, and
 - (b) for the latest of them the calculation in section 511(2) produced a gain.
- (3) To calculate the available net allowable payments—

Step 1

Calculate the net total allowable payments as at the end of the insurance year in accordance with section 507(5).

Step 2

If—

- (a) one or more other relevant transactions (“the earlier transactions”) have occurred in respect of the policy or contract earlier in the insurance year, and
- (b) for the latest of them the calculation in section 511(2) produced no gain,

subtract the sum of the transaction values for the earlier transactions from the result of step 1.

- (4) To calculate the available net total values for the year—

Step 1

Calculate the net total value of rights surrendered or assigned, as at the end of the insurance year, in accordance with section 507(4), ignoring for the purposes of step 3 in that section any relevant transactions in that year that are treated as chargeable events under section 514.

Step 2

Subtract from the result of step 1 the value, as at the time of its surrender or assignment, of any part of or share in the rights under the policy or contract which has been

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

surrendered in the insurance year or assigned in that year for money or money's worth, determining the value in accordance with section 508.

513 Special rules for part surrenders and assignments in final insurance year

- (1) This section applies if—
 - (a) the calculation in section 511 falls to be made in relation to a relevant transaction occurring in the final insurance year,
 - (b) the total transaction value for that transaction exceeds the gains limit (see subsections (2) and (3)), and
 - (c) paragraph (b) has not applied to a relevant transaction occurring earlier in the final insurance year in respect of the policy or contract in question.
- (2) The total transaction value is the total of—
 - (a) the transaction value for the transaction in question in accordance with section 511(4), and
 - (b) the transaction values for any relevant transactions occurring earlier in the final insurance year in respect of the policy or contract in accordance with that section.
- (3) The gains limit is the amount calculated, as at the end of the final insurance year, as the amount of the gain that would have been treated as arising on the occurrence of the chargeable event that ends that year if in relation to that year—
 - (a) section 509(1) did not refer to condition C, and
 - (b) sections 510(2) and (4) and 514(1) did not apply.
- (4) The transaction value for the relevant transaction used for the calculation in section 511(2) is reduced by the excess mentioned in subsection (1)(b).
- (5) No calculations are required to be made under section 510(2) and (4) in relation to any subsequent relevant transaction in respect of the policy or contract.

514 Chargeable events where transaction-related calculations show gains

- (1) If the calculation in section 511 shows that a relevant transaction resulted in a gain arising on the policy or contract, the relevant transaction is treated as a chargeable event.
- (2) Subsection (1) is subject to section 485(5) (which restricts the circumstances in which such events occur in relation to qualifying policies).
- (3) Subsection (4) applies if—
 - (a) a relevant transaction that is a chargeable event occurs in a different tax year from that in which the insurance year ends, and
 - (b) apart from subsection (4), a person would be liable to tax on the gain under this Chapter for the tax year in which the transaction occurs.
- (4) The gain is charged to tax under this Chapter for the tax year in which the insurance year ends instead.
- (5) If the relevant transaction occurs in the final insurance year, the chargeable event within subsection (1) is treated as occurring before the chargeable event that ends that year.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Personal portfolio bonds

515 Requirement for annual calculations in relation to personal portfolio bonds 9

- (1) This section applies if a policy or contract to which this Chapter applies is a personal portfolio bond at the end of an insurance year.
- (2) But this section does not apply if the insurance year is the final insurance year.
- (3) A calculation is to be made in accordance with section 522 in relation to the policy or contract as at the end of the insurance year to determine—
 - (a) whether a gain has arisen on the policy or contract in relation to that year, and
 - (b) if so, the amount of the gain.
- (4) The calculation is in addition to any other calculation which is required to be made under this Chapter in relation to the policy or contract.

516 Meaning of “personal portfolio bond”

- (1) In this Chapter “personal portfolio bond” means a policy of life insurance, contract for a life annuity or capital redemption policy which meets conditions A and B.

This is subject to section 517.

- (2) Condition A is that, under the terms of the policy or contract, some or all of the benefits are determined by reference to—
 - (a) fluctuations in, or in an index of, the value of property of any description, or
 - (b) the value of, or the income from, property of any description.
- (3) For this purpose it does not matter whether or not the index or property is specified in the policy or contract.
- (4) Condition B is that the terms of the policy or contract permit the selection of the index or some or all of the property by—
 - (a) the holder of the policy or contract,
 - (b) a person connected with the holder,
 - (c) the holder and such a connected person acting together,
 - (d) a person acting on behalf of the holder,
 - (e) a person acting on behalf of a person connected with the holder, or
 - (f) a person acting on behalf of the holder and such a connected person acting together.
- (5) In subsection (4) “holder”, in the case of a policy or contract held by two or more persons, means any of them.

517 Policies and contracts which are not personal portfolio bonds

- (a) whether a gain has arisen in relation to that year, and

- (2) There is a gain if, as at the end of the insurance year, the sum of PP and TPE exceeds TSG.
- (3) In subsection (2)—
 - PP is the total amount of premiums paid up to the end of the insurance year,
 - TPE is the total amount of personal portfolio bond excesses (see section 523), and
 - TSG is the total amount of part surrender gains (see section 524).
- (4) The gain is equal to 15% of the excess.

523 The total amount of personal portfolio bond excesses

- (1) To calculate the total amount of personal portfolio bond excesses—

Step 1

Apply the calculation in section 522 in relation to the policy or contract as at the end of each previous insurance year during its existence in succession starting with the first such year.

Step 2

Determine whether in each case the calculation produces a gain and, if so, its amount.

Step 3

Add together all the amounts produced by step 2.

- (2) But if there is no previous insurance year during the existence of the policy or contract, the total amount of personal portfolio bond excesses is nil.

524 The total amount of part surrender gains

- (1) To calculate the total amount of part surrender gains—

Step 1

Apply the provisions of this Chapter mentioned in subsection (3) as modified by subsections (4) and (5) in relation to the policy or contract as at the end of each previous insurance year during its existence.

Step 2

Determine whether in each case those provisions produce a gain and, if so, its amount.

Step 3

Add together all of the amounts produced by step 2.

- (2) But if there is no previous insurance year during the existence of the policy or contract, the total amount of part surrender gains is nil.
- (3) The provisions of this Chapter which apply for the purposes of the calculation in subsection (1) are—

- (a) to the assignment of any part of or share in the rights under the policy or contract, or
 - (b) to the value of any part of or share in the rights under the policy or contract so assigned.
- (5) In the application of step 3 in subsection (4) of section 507 for the purposes of this section, the reference in that step to previous calculation events does not include a reference to an excess event consisting of the assignment of a part of or share in the rights under the policy or contract.

525 Chargeable events where annual calculations show gains

- (1) This section applies if the calculation in section 522 shows that a gain has arisen in relation to an insurance year.
- (2) The gain is treated as arising at the end of the insurance year on the occurrence of a chargeable event at that time.

- (1) The gain from a foreign policy of life insurance or foreign capital redemption policy is reduced for the purposes of this Chapter if the policy holder was not UK resident throughout the policy period.
- (2) The amount of the reduction is the appropriate fraction of the gain.
- (3) The appropriate fraction is—

$$\frac{A}{B}$$

where—

- and so on.
- (6) In subsection (5) “new policy” has the meaning given in paragraph 17 of Schedule 15 to ICTA.
- (7) This section is subject to section 529.

- (5) Condition D is that the charge is made otherwise than by reference to the insurer's profits.
- (6) Condition E is that the charge requires sums payable and other liabilities arising under policies or contracts of the same class as the policy or contract in question to be treated as falling to be met out of amounts subject to tax in the insurer's hands.
- (7) Condition F is that the charge so requires them by disallowing their deduction in calculating the amount chargeable.

534 Regulations providing for relief in other cases where foreign tax chargeable

- (1) This section applies if—
 - (a) apart from this section, as a result of section 531 or paragraph 109(2) of Schedule 2, section 530 would not apply to gains from a policy or contract (except for the purposes of section 535 (top slicing relief)), and
 - (b) the Board of Inland Revenue consider it appropriate to disapply section 531 and paragraph 109(2) of Schedule 2 in relation to such gains by reference to tax chargeable under the laws of a territory outside the United Kingdom in cases other than those where they are disapplied as a result of section 532.
- (2) The Board of Inland Revenue may by regulations provide for section 530 to apply to those gains (and accordingly section 531 and paragraph 109(2) of Schedule 2 not to apply to them) if a claim is made that the conditions specified in the regulations are met in relation to any time.
- (3) That time may be a time before the regulations are made or a later time.

535 Top slicing relief

- (1) An individual is entitled to relief under this section for a tax year if—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the individual's relieved liability for the tax year, as calculated under—
 section 536 (top slicing relieved liability: one chargeable event), or
 section 537 (top slicing relieved liability: two or more chargeable events).
- (2) The relief is given by a reduction in or repayment of income tax equal to the excess.
- (3) An individual's liability for a tax year for the purposes of subsection (1)(a) equals TL — LRL, where—
 TL is the amount of the individual's total liability to income tax on income charged to tax under this Chapter for the tax year, calculated on the basis that no relief is available under this section and the highest part assumptions apply, and
 LRL is the amount of income tax at the lower rate that the individual is treated as having paid under section 530(1) for the tax year.
- (4) For the purposes of subsection (3) and sections 536 and 537, the highest part assumptions, in calculating liability to income tax on an amount, are that—
 (a) the amount is the highest part of the individual's total income for the tax year, and
 (b) any provision directing any other amount to be treated as the highest part is ignored.
- (5) For the purposes of this section and sections 536 and 537, an individual's total income is treated as not including any amount which—
 (a) is charged to tax under Chapter 4 of Part 3 (profits of property businesses: lease premiums etc.) as the profits of a UK property business, or
 (b) counts as employment income under section 403 of ITEPA 2003 (payments and benefits on termination of employment etc.).
- (6) For the purposes of this section and sections 536 and 537—
 (a) any chargeable event under section 525(2) (chargeable events where annual personal portfolio bond calculations show gains),
 (b) any gain treated as arising on the occurrence of such an event, and
 (c) the amount of any liability to income tax arising on such a gain,
 are ignored.

536 Top slicing relieved liability: one chargeable event

- (1) To calculate an individual's relieved liability for the purposes of section 535(1) for a tax year for which the individual is only liable for tax on a gain from one chargeable event—

Step 1

Find the annual equivalent of the amount of that gain (“the annual equivalent”) by dividing that amount by the number of complete years for which the policy or contract has run before the chargeable event (“N”).

See subsections (2) to (8) for further provisions about calculating N.

Step 2

Find the relieved liability on the annual equivalent by—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) calculating the individual's liability (if any) to income tax on the annual equivalent, on the basis that—
 - (i) the gain from the chargeable event is limited to the amount of the annual equivalent, and
 - (ii) the highest part assumptions apply, and
- (b) subtracting the amount of income tax at the lower rate on the annual equivalent which the individual is treated as having paid under section 530(1).

Step 3

Multiply the relieved liability on the annual equivalent by N.

- (2) In the case of a calculation event that is not the first calculation event in relation to the policy or contract, for steps 1 and 3 in subsection (1) N is the number of complete years since the previous such event (but see subsection (6)).
- (3) For the purposes of subsection (2), part surrender or assignment events are taken to occur at the end of the insurance year in which the surrender or assignment occurs.
- (4) If, in a case where subsection (2) does not apply, the gain is from a policy of life insurance which is a new policy in relation to another policy, for steps 1 and 3 N is calculated from—
 - (a) the issue of the other policy, or
 - (b) if it also was a new policy in relation to an earlier policy, the issue of the earlier policy,and so on.
- (5) In subsection (4) “new policy” has the meaning given in paragraph 17 of Schedule 15 to ICTA.
- (6) Subsection (2) does not apply if the gain is from a foreign policy of life insurance or a foreign capital redemption policy.
- (7) If the gain is from such a policy, for steps 1 and 3 in subsection (1) N is reduced by the number of complete years during which the policy holder was non-UK resident.
- (8) If subsections (4) and (7) both apply, subsection (7) applies to N as calculated under subsection (4).

537 Top slicing relieved liability: two or more chargeable events

To calculate an individual's relieved liability for the purposes of section 535(1) for a tax year for which the individual is liable for tax on gains from two or more chargeable events—

Step 1

Calculate the total annual equivalent by adding together the annual equivalents for each of the chargeable events, found as specified in step 1 in section 536(1).

Step 2

Find the total relieved liability on the total annual equivalent by—

- (a) calculating the individual's liability to income tax (if any) on the total annual equivalent, on the basis that—

Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (i) the total gains from the chargeable events are limited to the amount of the total annual equivalent, and
 - (ii) the highest part assumptions apply, and
- (b) subtracting the amount of income tax at the lower rate on the total annual equivalent which the individual is treated as having paid under section 530(1).

Step 3

Multiply the total relieved liability on the total annual equivalent by the total gains charged to tax under this Chapter for the tax year in respect of all the events.

Step 4

Divide the result of step 3 by the total annual equivalent.

538 Recovery of tax from trustees

- (1) This section applies if—
- (a) immediately before a chargeable event the rights under the policy or contract, or the part of or share in them in question, were held on non-charitable trusts,
 - (b) an individual is liable for tax under this Chapter for the tax year on the gain from the event, and
 - (c) the income tax for which the individual is liable for the tax year, after any relief available in respect of the gain under section 535 (top slicing relief), exceeds that for which the individual would have been liable apart from the event.
- (2) The individual is entitled to recover that excess from the trustees, subject to the restriction specified in subsection (3).
- (3) The amount recovered must not exceed the total of—
- (a) any sums received by the trustees because of the chargeable event, and

Deficiencies

539 Relief for deficiencies

- (1) A deficiency from a policy or contract arising on a chargeable event is allowable as a deduction from an individual's total income for a tax year if, had a gain arisen instead on that event—
- (a) the individual would have been liable to income tax on the gain for that year, or

- (b) the individual would have been so liable apart from the requirement in section 465(1) that the individual must be UK resident in the tax year in which the gain arises.
- (2) See section 540 for the cases in which such a deficiency is treated as arising, section 541 for how the deficiency is calculated and section 469(5) for the apportionment of deficiencies in cases where two or more persons are interested in a policy or contract.
- (3) Subsection (1) only applies for the purpose of determining the individual's extra liability.
- (4) For this purpose, an individual's extra liability is the amount by which the individual's liability to income tax exceeds the amount it would be on the assumptions specified in subsections (5) and (6).
- (5) It is assumed that income charged to tax at the higher rate is charged—
 - (a) in the case of income within section 1A(1A)(c) of ICTA (income charged at the lower rate instead of the basic rate), at the lower rate, and

- (3) Condition B is that a gain from the policy or contract has arisen on a calculation event other than a personal portfolio bond event, occurring in relation to the policy or contract in question before the later event.
- (4) Condition C is that on the later event no gain is shown by the calculation in section 491(2) (calculation of gains for such events).

541 Calculation of deficiencies

- (1) This section sets out how the amount of a deficiency treated as arising under section 540(1) on a chargeable event (“the later event”) is calculated.
- (2) If, when the calculation in section 491(2) is made for the later event, the total allowable deductions equal or exceed the total benefit value, the amount of the deficiency is equal to the total previous gains.
- (3) If, when that calculation is made, the total benefit value exceeds the total allowable deductions, the amount of the deficiency is equal to the total previous gains, less that excess.
- (4) In this section “the total previous gains” means the total amount of gains that—

548 Income charged

- (1) Tax is charged under this Chapter on the gross amount of the income treated as received by the unit holder in the tax year.
- (2) To calculate the gross amount of the income treated as received by a unit holder for a distribution period—

Step 1

Calculate the unit holder's share of the scheme's available income by applying the formula—

$$\text{SAI} \times \frac{R}{\text{TR}}$$

where—

SAI is the total amount shown in the scheme's accounts as income available for payment to unit holders or for investment,

R is the unit holder's rights, and

TR is all the unit holders' rights.

Step 2

Gross up the unit holder's share of the scheme's available income by reference to the basic rate for the tax year in which the income from the scheme is treated as received.

- (3) The income from a scheme for a distribution period is treated as received on the date or latest date provided by the terms of the scheme for any distribution for the period, unless that date is more than 12 months after it ends.
- (4) If—
 - (a) that date is more than 12 months after the distribution period ends, or
 - (b) no date is so provided,

- (5) In this section “distribution period” means a period over which income from the investments subject to the trusts is aggregated to ascertain the amount available for distribution to unit holders.

This is subject to subsections (6) and (7).

- (6) If the scheme does not provide for distribution periods, its distribution periods are taken to be successive periods of 12 months, the first of which began with the day on which the scheme took effect.
- (7) If the scheme provides for a distribution period of more than 12 months, each successive period of 12 months within that period and any remaining period of less than 12 months are taken to be distribution periods.

549 Person liable

The person liable for any tax charged under this Chapter is the unit holder treated as receiving the income under section 547(2).

550 Income tax treated as paid

560 Production of guaranteed returns

- (1) For the purposes of this Chapter, a guaranteed return is produced from a disposal of a future or option if risks from fluctuations in the underlying subject matter are so eliminated or reduced as to produce a return from the disposal that meets conditions A and B.
- (2) If there is more than one such disposal, a guaranteed return is produced from them if, taking them together, such risks are so eliminated or reduced.
- (3) Condition A is that the amount of the return is not to any significant extent attributable (otherwise than incidentally) to any such fluctuations.
- (4) Condition B is that the return equates, in substance, to the return on an investment of money at interest.
- (5) For the purposes of subsections (1) and (2), the cases where risks from fluctuations in the underlying subject matter are eliminated or reduced include any case where the main reason or one of the main reasons for the choice of that subject matter is—
 - (a) that there appears to be no risk that it will fluctuate, or
 - (b) that the risk that it will do so appears insignificant.
- (6) In this section the references, in relation to a disposal of a future or option, to the underlying subject matter are references to, or to the value of, the commodities, currencies, shares, stock or securities, interest rates, indices or other matters—
 - (a) to which the future or option is referable, or
 - (b) to the value of which it is referable.

561 The return from one or more disposals

- (1) In this Chapter, references to the return from one or more disposals are references to the return on investment represented by—
 - (a) the total net profits and gains arising from the disposal or disposals, or
 - (b) all but an insignificant part of those net profits and gains.
- (2) For the purposes of subsection (1), if there are two or more disposals, it is to be assumed that profits and gains realised, and losses made, by persons who are associated with each other are all realised or made by the same person.
- (3) For the purposes of subsection (2), persons are associated with each other in relation to any two or more disposals if conditions A to C are met.
- (4) Condition A is that the disposals are made in pursuance of the same scheme or arrangements.
- (5) Condition B is that each of the persons shares or is to share in the net return represented by the total of all the profits, gains and losses realised or made on the disposals.
- (6) Condition C is that the extent of the persons' shares is determined for the purposes of, or in accordance with, the scheme or arrangements.
- (7) For the purposes of this section—
 - (a) “scheme or arrangements” includes understandings of any kind, and
 - (b) it does not matter whether any scheme or arrangements are legally enforceable.

When disposals of futures and options occur

562 When disposals of futures and options occur: general

- (1) Any question whether there is a disposal for the purposes of this Chapter, or as to when such a disposal is made, is to be determined—
 - (a) in accordance with sections 143(5) and (6), 144 and 144A of TCGA 1992 (closing out and settlement of futures contracts and rules in relation to options),
 - (b) otherwise in accordance with the provisions having effect for determining for the purposes of TCGA 1992 whether or when an asset has been disposed of, and
 - (c) on assumptions A to C.
- (2) Assumption A is that all futures are assets for the purposes of TCGA 1992.
- (3) Assumption B is that the words “in the course of dealing in commodity or financial futures” are omitted from section 143(5) and (6) of TCGA 1992 in each place where they occur.
- (4) Assumption C is that any reference in TCGA 1992 to a financial option within the meaning given by section 144(8) of that Act is a reference to any option that at the time of the disposal in question is not listed on a recognised stock exchange or recognised futures exchange (regardless of whether the conditions in section 144(8)(c)(i) to (iv) of that Act are met).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Subsection (1) is subject to section 563 (timing of certain grants of options where related disposals occur later), and see also section 564 (deemed disposal where futures run to delivery or options are exercised).

563 Timing of certain grants of options where related disposals occur later

- (1) For the purpose of this Chapter, a disposal consisting in the grant of an option (“the grant”) is treated as taking place at a later time than it would be taken as occurring under section 562 if conditions A to C are met.
- (2) Condition A is that the grant is one of a number of related transactions designed to produce a guaranteed return.
- (3) Condition B is that at least one of the other transactions is a transaction entered into after the grant.
- (4) Condition C is that one or more of the transactions entered into after the grant is a disposal which is not itself the grant of an option.
- (5) The grant is treated as taking place when the first such later disposal takes place.
- (6) Subsection (5) does not apply in any case where, by applying sections 144(2) and 144A(2) of TCGA 1992, section 562(1)—
- (a) requires the grant of an option and the transaction entered into by the grantor in fulfilment of the grantor's obligations under the option to be treated as a single transaction, or
 - (b) determines when such a single transaction is to be treated as entered into, and that requirement or determination has a different effect from subsection (5).

564 Deemed disposal where futures run to delivery or options are exercised

- (1) This section applies if there are two or more related transactions (see section 566) in relation to which conditions A and B are met.
- (2) Condition A is that one of the transactions is the creation or acquisition (by the making or receiving of a grant or otherwise) of a future or option.
- (3) Condition B is that the other transaction or one of the other transactions—
- (a) is the running of the future to delivery or the exercise of the option, and
 - (b) is not treated for the purposes of this Chapter as a disposal of a future or option.
- (4) In relation to the parties to the future or option, this Chapter applies as if—
- (a) a disposal of the future or option takes place at the time (“the relevant time”) immediately before the future runs to delivery or, as the case may be, the option is exercised, and
 - (b) the scheme or arrangements by reference to which the transactions are related transactions provide for the disposal.
- (5) In the case of a person whose rights and entitlements under the future or option have a market value at the relevant time, the disposal referred to in subsection (4)(a) is taken to be for a consideration equal to that market value.
- (6) In the case of any other party to the future or option (“P”), the disposal is taken—
- (a) to be made for a nil consideration, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. - (b) to involve P in incurring costs equal to the release amount.
- (7) In subsection (6) “the release amount” means the amount which P might reasonably have been expected to pay, in a transaction at arm's length entered into at the relevant time, for the release of P's obligations and liabilities under the future or option.
- (8) Section 144(2) and (3) of TCGA 1992 are ignored for the purposes of subsections (1) to (3).

565 Interpretation of section 564

- (1) References in section 564 to the running of a future to delivery are references to performing (and so discharging) the obligations owed under the commodity or financial futures contract in question to the party to the future whose rights as a party relate to the underlying subject matter.
- (2) In subsection (1) the reference to the underlying subject matter is a reference to, or to the value of, the commodities, currencies, shares, stock or securities, interest rates, indices or other matters—
 - (a) to which the future is referable, or
 - (b) to the value of which it is referable.
- (3) In section 564 and this section “party”, in relation to a future or option, means one of the persons who—
 - (a) has any right or entitlement comprised in or arising under the future or option, or
 - (b) is subject to any obligation or liability so comprised or arising.
- (4) In section 564 “market value” has the same meaning as in TCGA 1992 (see sections 272 to 274).

566 When transactions are related

- (1) For the purposes of this Chapter, two or more transactions are related if all of them are entered into in pursuance of the same scheme or arrangements.
- (2) For this purpose the cases where any two or more transactions are to be taken to be entered into in pursuance of the same scheme or arrangements include any case where it would be reasonable to assume from one or more of the matters specified in subsection (3) that none of them would have been entered into independently of the others.
- (3) The matters are—
 - (a) the likely effect of the transactions,
 - (b) the circumstances in which the transactions are entered into, and
 - (c) the circumstances in which any one of the transactions is entered into.
- (4) Nothing in this Chapter prevents transactions from being related transactions just because they are transactions—
 - (a) with different parties, or
 - (b) with parties different from the parties to the scheme or arrangements in pursuance of which they are entered into.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (5) In the case of a transaction which is a disposal, the references in this section to entering into the transaction are references to making the disposal.
- (6) In this section “scheme or arrangements” includes schemes, arrangements and understandings of any kind, whether or not they are legally enforceable.

Losses

567 Losses

- (1) This section applies if—
 - (a) losses are made by a person from a disposal, and

- (2) The losses are not to be brought into account for income tax purposes, except where section 392 of ICTA (losses from miscellaneous transactions) applies.
- (3) For the purposes of that section, the losses are taken to be made at the time when the disposal occurs.
- (4) For the treatment of the losses for capital gains tax purposes, and how TCGA 1992 applies where a profit arises or a loss is made from a deemed disposal under section 564(4), see sections 148A to 148C of that Act.

Trustees

568 Special rule for certain income of trustees

- (4) Condition C is that the profits or gains are from property held for the purposes of a superannuation fund to which section 615(3) of ICTA applies.
- (5) The profits or gains are to be treated for income tax purposes as if they were income to which section 686 of ICTA applies (accumulation and discretionary trusts: special rates of tax).
- (6) In this section “trustees” does not include personal representatives, but where, during or at the end of the administration period, personal representatives pay trustees any sum representing profits or gains to which this section would apply if the personal representatives were trustees, that sum is treated as—
 - (a) being paid as income, and

Transfer of assets abroad

569 Anti-avoidance: transfer of assets abroad

- (1) This section applies if profits or gains arising from a transaction to which this Chapter applies are realised by a person (“A”) who is resident or domiciled outside the United Kingdom.
- (2) For the purpose of determining whether an individual ordinarily UK resident is liable for income tax in respect of the profits or gains, sections 739 and 740 of ICTA (transfer of assets abroad) have effect as if the profits or gains, when realised, constituted income becoming payable to A.

- (a) the person has an assumed income entitlement for the tax year in respect of the interest (see sections 665 to 670), and
 - (b) condition A or B is met.
- (2) Condition A is that a payment is made in respect of the interest in the tax year and before the end of the administration period (see section 653).

- (1) In this Chapter “the administration period”, in relation to the estate of a deceased person, means the period beginning with the deceased's death and ending with the completion of the administration of the estate.
- (2) In the application of subsection (1) to Scotland, the reference to the completion of the administration is to be taken as a reference to the date at which, after discharge of, or provision for, liabilities falling to be met out of the deceased's estate, the free balance held in trust for the residuary legatees or for the persons with the right to the intestate estate has been ascertained.
- (3) In this Chapter “the final tax year” means the tax year in which the administration period ends.

- (a) the tax year is a year before the final tax year,
 - (b) the interest ceases in the tax year, and
 - (c) a sum is paid in respect of the interest in a later tax year but before the end of the administration period, or remains payable in respect of it at the end of that period.
- (5) This section does not apply to limited interests to which section 674 (successive interests: holders of limited interests) applies.

655 Estate income: discretionary interests in residue

Income charged and person liable

656 Income charged: UK estates

- (1) In the case of a UK estate, tax is charged under section 649 on the amount of estate income treated as arising in the tax year.

- (3) The gross amount is treated as having borne income tax at that rate.
- (4) In this Chapter “the basic amount”, in relation to estate income, has the meaning given by—
- (a) section 660 (basic amount of estate income: absolute interests),
 - (b) section 661 (basic amount of estate income: limited interests),
 - (c) section 662 (basic amount of estate income: discretionary interests), and
 - (d) section 675 (basic amount of estate income: successive limited interests).

657 Income charged: foreign estates

- (1) In the case of a foreign estate, tax is charged under section 649 on the full amount of estate income treated as arising in the tax year.
- (2) That amount depends on whether the estate income arising in the tax year is paid from sums within section 680(3) or (4) (sums treated as bearing income tax).
- (3) So far as the estate income is paid from such sums, that amount is the basic amount of that income for the tax year grossed up by reference to the applicable rate for that year (see section 663).
- (4) That gross amount is treated as having borne income tax at that rate.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (1) The charge to tax under section 649 on the amount of income arising in a tax year is subject to Part 8 (foreign income: special rules).
- (2) For the purposes of section 830(1) (meaning of “relevant foreign income”) amounts charged to tax under section 649—
- (a) are treated as arising from a source outside the United Kingdom if the estate is a foreign estate, and
 - (b) are treated as not arising from such a source if the estate is a UK estate.

659 Person liable

- (1) If the estate income is from a person's absolute interest or limited interest, that person is liable for any tax charged under section 649 unless subsection (3) or (4) provides that another person is liable.
- (2) If the estate income is from a discretionary interest, the person in whose favour the discretion is exercised in making the payment in question is liable for any tax charged under section 649.
- (3) If, in a case where the estate income is from an absolute interest—
- (a) section 671 (successive absolute interests) applies, or
 - (b) section 672 (successive interests: assumed income entitlement of holder of absolute interest following limited interest) applies and the income is treated as arising because of that section,
- the person by reference to whose assumed income entitlement the estate income is determined is liable for any tax charged under section 649.
- (4) If, in a case where the estate income is from a limited interest—
- (a) section 673(1) applies and the income is treated as arising because of section 673(2) (payment in respect of a previous limited interest), or
 - (b) section 674 (successive interests: holders of limited interests) applies,
- the person entitled to receive the payment in question is liable for any tax charged under section 649.

Basic amount of estate income: general calculation rules

660 Basic amount of estate income: absolute interests

- (1) The basic amount of estate income relating to a person's absolute interest in the whole or part of the residue of an estate for a tax year before the final tax year is the lower of—
- (a) the total of all sums paid in the tax year in respect of that interest, and
 - (b) the amount of the person's assumed income entitlement for the tax year in respect of it.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The basic amount for the final tax year is equal to the amount of the person's assumed income entitlement for that year in respect of that interest.
- (3) But if the residuary income of the estate for the final tax year is nil because the allowable estate deductions exceed the aggregate income of the estate, the basic amount for that year is reduced—
 - (a) where the person has an absolute interest in the whole of the residue of the estate, by an amount equal to the excess, and
 - (b) in any other case, by an amount equal to such part of the excess as is just and reasonable.
- (4) See sections 665 to 670 for the meaning of references to assumed income entitlement and residuary income of an estate.
- (5) See sections 664 and 666(2) for the meaning of aggregate income of an estate and allowable estate deductions respectively.
- (6) This section is subject to sections 671 to 673 (successive interests).

661 Basic amount of estate income: limited interests

- (1) The basic amount of estate income relating to a person's limited interest in the whole or part of the residue of an estate for a tax year is the total of the sums within section 654(2)(b), (3)(c) and (4)(c) for that year.
- (2) This does not apply, and section 675 applies instead, if the limited interest is one to which section 674 (successive interests: holders of limited interests) applies.

662 Basic amount of estate income: discretionary interests

The basic amount of estate income relating to a person's discretionary interest in the whole or part of the residue of an estate for a tax year is the total of the payments made in the tax year in exercise of the discretion in favour of the person.

663 The applicable rate for grossing up basic amounts of estate income

- (1) The applicable rate by reference to which a basic amount of estate income is grossed up for the purposes of sections 656 and 657 depends on the rate at which income tax is borne for the tax year by the aggregate income of the estate.
- (2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.
- (3) If—
 - (a) different parts of the aggregate income of the estate bear income tax at different rates, and
 - (b) the same rate applies to all the income from which section 679 treats the basic amount as having been paid,the applicable rate is that rate.
- (4) If—
 - (a) different parts of the aggregate income of the estate bear income tax at different rates, and

(b) different rates apply to different parts of the income from which section 679 treats the basic amount as having been paid,
 each of those rates is the applicable rate by reference to which the corresponding part of the basic amount is grossed up.

664 The aggregate income of the estate

- (1) For the purposes of this Chapter the aggregate income of the estate for a tax year is the total of the income and amounts specified in subsection (2), but excluding the income specified in subsection (5).
- (2) The income and amounts are—
 - (a) the income of the deceased's personal representatives in that capacity which is charged to United Kingdom income tax for the tax year,
 - (b) the income of the deceased's personal representatives in that capacity on which such tax would have been charged for the tax year if—
 - (i) it was income of a UK resident who was ordinarily UK resident, and
 - (ii) it was income from a source in the United Kingdom,
 - (c) any amount of income treated as arising to the personal representatives under section 410(4) (stock dividends) that would be charged to income tax under Chapter 5 of Part 4 if income arising to personal representatives were so charged (see section 411),
 - (d) in a case where section 419(2) applies (release of loans to participator in close company: loans and advances to persons who die), the amount that would be charged to income tax under Chapter 6 of Part 4 apart from that section, and
 - (e) any amount that would have been treated as income of the personal representatives in that capacity under section 466 if the condition in section 466(2) had been met (gains from contracts for life insurance).
- (3) In calculating the amount of the income within subsection (2)(a), any allowable deductions are to be taken into account.
- (4) In calculating the amount of the income within subsection (2)(b), any deductions which would be allowable if the income had been charged to United Kingdom income tax are to be deducted from the full amount of the income actually arising in the tax year.
- (5) The excluded income is—
 - (a) income to which any person is or may become entitled under a specific disposition, and
 - (b) income from property devolving on the personal representatives otherwise than as assets for payment of the deceased's debts.
- (6) In subsection (5)(a) “specific disposition” means a gift of specific property under a will, including—
 - (a) the disposition of personal chattels by section 46 of the Administration of Estates Act 1925 (c. 23) (succession on intestacy), and
 - (b) any disposition which under the law of another country has a similar effect to a gift of specific property by will under the law of England and Wales,
 but excluding real property included in a residuary gift made by will by a specific or general description of it or, in Scotland, heritable estate included in such a gift.

Further provisions for calculating estate income relating to absolute interests

665 Assumed income entitlement

- (1) Whether a person has an assumed income entitlement for a tax year in respect of an absolute interest in the whole or part of the residue of an estate depends on the results of the following steps.

Step 1

Find the amount of the person's share of the residuary income of the estate that is attributable to that interest for that tax year and each previous tax year during which the person had that interest (see sections 666 to 669).

Step 2

If the estate is a UK estate in relation to any tax year for which an amount has been found under step 1, deduct from that amount income tax on that amount at the applicable rate for that year (see section 670).

Step 3

Add together the amounts found under step 1 after making any deductions necessary under step 2.

Step 4

Add together the basic amounts relating to the person's absolute interest in respect of which the person was liable for income tax for all previous tax years (or would have been so liable if the person had been a person liable for income tax for those years).

- (2) For the purposes of this Chapter the person has an assumed income entitlement for the tax year if the amount resulting from step 3 exceeds the amount resulting from step 4.
- (3) The assumed income entitlement is equal to the excess.
- (4) This section is subject to—
section 671 (successive absolute interests), and
section 672 (successive interests: assumed income entitlement of holder of absolute interest following limited interest).

666 The residuary income of the estate

- (1) For the purposes of this Chapter the residuary income of an estate for a tax year is the aggregate income of the estate for that year, less the allowable estate deductions for that year.

This is subject to section 669 (reduction in residuary income: inheritance tax on accrued income).

- (2) The allowable estate deductions for a tax year are—
- all interest paid in that year by the personal representatives in that capacity (but see section 233 of IHTA 1984: exclusion of interest on unpaid inheritance tax),
 - all annual payments for that year which are properly payable out of residue,

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) all payments made in that year in respect of expenses incurred by the personal representatives in that capacity in the management of the assets of the estate, and
- (d) any excess deductions from the previous tax year.

This is subject to subsections (3) to (5).

- (3) No sum is to be treated as an allowable estate deduction if it is allowable in calculating the aggregate income of the estate.
- (4) No sum is to be counted twice as an allowable estate deduction.
- (5) Payments in respect of expenses are only allowable estate deductions if they are properly chargeable to income (ignoring any specific direction in a will).
- (6) In this section “excess deductions from the previous tax year” means so much of the allowable deductions for the previous tax year as exceeded the aggregate income of the estate for that year.

667 Shares of residuary income of estate

- (1) In the case of a person who has an absolute interest in the whole of the residue of an estate for a whole tax year, the person's share of the residuary income of the estate in respect of that interest for that year is equal to the whole of that income for that year.
- (2) In the case of a person who—
 - (a) has an absolute interest in the whole of the residue of an estate for part of the tax year, or
 - (b) an absolute interest in part of the residue of an estate for the whole or part of the tax year,
 the person's share of the residuary income of the estate is a proportionate part of that income for that year.
- (3) This section is subject to section 668 (reduction in share of residuary income of estate).

668 Reduction in share of residuary income of estate

- (1) This section applies if a person has an absolute interest in the whole or part of the residue of an estate at the end of the administration period and—
 - (a) the total of the person's shares of the residuary income of the estate in respect of that interest for all tax years (apart from this section), exceeds
 - (b) the total of all sums paid during or payable at the end of the administration period in respect of that interest to any person (grossed up where subsection (5) applies).
- (2) In the final tax year the person's share of the residuary income of the estate is to be reduced by that excess.
- (3) If that excess is greater than the person's share of that income for the final tax year, that person's share of that income for the previous tax year is to be reduced, and so on.
- (4) If subsection (3) applies all necessary adjustments and repayments of income tax are to be made.
- (5) For the purposes of calculating the total mentioned in subsection (1)(b)—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. - (a) if the estate is a UK estate in relation to a tax year in which a sum is paid, the sum is to be grossed up by reference to the basic rate for that year, and
 - (b) if the estate is a UK estate in relation to the final tax year, a sum payable at the end of the administration period is to be grossed up by reference to the basic rate for that year.
- (6) For the application of this section where two or more absolute interests in the whole or the same part of the residue are held successively by different persons, see section 671(5) and (6).

669 Reduction in residuary income: inheritance tax on accrued income

- (1) This section applies if on the death of a person (“D”) income which accrued before D's death (“pre-death income”) is taken into account both—
- (a) in determining the value of D's estate for the purposes of inheritance tax charged on D's death, and
 - (b) in calculating the residuary income of D's estate for a tax year.
- (2) A reduction is made in the residuary income of D's estate for that tax year in ascertaining the extra liability, if any, of a person with an absolute interest in the whole or part of the residue of D's estate or any other estate to which that residuary income is relevant.
- (3) A person's extra liability is the amount by which the person's liability to income tax exceeds the amount it would be if—
- (a) income charged at the higher rate were charged—
 - (i) in the case of income within section 1A(1A)(c) of ICTA (income chargeable at the lower rate instead of the starting rate or the basic rate), at the lower rate, and
 - (ii) in any other case, at the basic rate, and
 - (b) income charged at the dividend upper rate were charged at the dividend ordinary rate.
- (4) The amount of the reduction under subsection (2) is calculated as follows:

Step 1

Calculate the net pre-death income by subtracting from the pre-death income any liabilities which have been taken account both—

- (a) in determining the value of D's estate for the purposes of inheritance tax, and
- (b) in calculating the residuary income of D's estate for the tax year.

Step 2

Calculate the inheritance tax attributable to net pre-death income by multiplying the inheritance tax to be charged by—

$$\frac{\text{NPDI}}{\text{VE}}$$

where—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

NPDI is the net pre-death income, and

VE is the value of D's estate.

Step 3

Gross up the inheritance tax attributable to net pre-death income by reference to the basic rate for the tax year.

- (5) The amount of pre-death income taken into account in determining the value of D's estate is taken to be the actual amount of income accruing before D's death, less income tax at the basic rate for the tax year in which D died.
- (6) Subsection (5) applies even if the income so accruing was not valued separately or its amount was not known at the date of D's death.
- (7) For the purposes of this section, the amounts agreed between the persons liable for inheritance tax and the Inland Revenue, or determined in proceedings between them, as the value of the estate and the amount of inheritance tax to be charged are conclusive.
- (8) Evidence of those amounts and of any facts relevant to their calculation may be given by the production of a document that appears to be a certificate from the Inland Revenue.

670 Applicable rate for determining assumed income entitlement (UK estates)

- (1) The applicable rate by reference to which income tax on a person's share of the residuary income of the estate for a tax year is calculated for the purposes of step 2 of the calculation in section 665(1) depends on the rate at which income tax is borne by the aggregate income of the estate for the year.
- (2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.
- (3) If different parts of the aggregate income of the estate bear income tax at different rates, the applicable rate is the rate that applies to the income to which the person's share of the residuary income of the estate relates.
- (4) If different rates apply to different parts of that income, each of those rates is the applicable rate that applies to the corresponding part of the income to which the person's share of the residuary income of the estate relates.
- (5) For the purposes of this section, if there is more than one person with an absolute interest in the residue of the estate, such apportionments of parts of the aggregate income of the estate bearing income tax at different rates are to be made as are just and reasonable for their different interests.

Special rules for successive interests

671 Successive absolute interests

- (1) This section applies if two or more absolute interests in the whole or the same part of the residue of an estate are held successively during the administration period by different persons.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In determining whether a person with a later such interest (“the later holder”) has an assumed income entitlement in respect of that interest and, if so, its amount—
 - (a) the later holder's share of the residuary income of the estate in respect of that interest for any tax year is to be treated as including the share of any person with a previous such interest (“a previous holder”), and
 - (b) the basic amounts relating to the later holder's interest are to be treated as including the basic amounts relating to any previous such interest.
- (3) In applying subsection (2), all determinations under that subsection or section 672(2) that fall to be made in relation to a person with an earlier interest are to be made before determinations under those provisions relating to a person with a later interest.
- (4) A person who is a previous holder in the final tax year is to be taxed in that year, in relation to the interest as to which that person is a previous holder, as if that year were not the final tax year, and the later holder's assumed income entitlement in that year is to be calculated accordingly.
- (5) The calculation under section 668(1)(a) and (b) (amount of reduction in the share of the residuary income of the person with an absolute interest at the end of the administration period) is to be made by reference to all the absolute interests taken together.
- (6) If the amount resulting from that calculation is greater than the total amount of the reductions which can be made under section 668(2) and (3), the share of the residuary income of the estate of the last previous holder of the interest for the last tax year in which that last holder had that interest is to be reduced, and so on.
- (7) For the purposes of this section and sections 672 to 676, two interests are held successively even where one is not held immediately before or after the other.
- (8) It is assumed for those purposes that each of the persons holding the interests in question is a person liable to income tax.

672 Successive interests: assumed income entitlement of holder of absolute interest following limited interest

- (1) This section applies if—
 - (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
 - (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
 - (c) at least one of the interests is an absolute interest, and
 - (d) at least one of the interests preceding that interest is a limited interest.
- (2) Rules A and B apply to determine in relation to such an absolute interest—
 - (a) whether the person with the interest has an assumed income entitlement in respect of the interest, and
 - (b) if so, its amount.
- (3) Rule A is that the person's share of the residuary income of the estate in respect of the absolute interest for any tax year is treated as including any amount which would be included in it if—
 - (a) the interest had subsisted throughout the period when any such limited interest subsisted, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(b) no such limited interest had ever subsisted.

(4) Rule B is that the basic amounts relating to the absolute interest are treated as including the basic amounts relating to any such limited interest.

673 Successive interests: payments in respect of limited interests followed by absolute interests

(1) This section applies if—

- (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
- (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
- (c) at least one of the interests is an absolute interest, and
- (d) at least one of the interests preceding that interest is a limited interest.

(2) A sum to which a person (“P”) with such an absolute interest is entitled in respect of any such limited interest which is paid while P has the absolute interest is treated as paid in respect of the absolute interest (and not the limited interest).

(3) Subsection (4) applies if—

- (a) P's absolute interest ceases during the administration period, and
- (b) a sum to which P is entitled in respect of any such limited interest—
 - (i) is paid after the absolute interest ceases but before the end of the administration period, or
 - (ii) remains payable at the end of it.

(4) This Chapter applies as respects any such sum as if the limited interest had continued to subsist while that absolute interest subsisted and had been held by P.

(5) Subsection (4) is subject to subsection (6).

(6) For the purposes only of section 668 (reduction in share of residuary income of estate), any such sum is treated as paid or payable in respect of the absolute interest.

674 Successive interests: holders of limited interests

(1) This section applies if—

- (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
- (b) the earlier or, if there are more than two, the earliest of the interests is a limited interest, and
- (c) each later interest arises or is created on the cessation of the previous interest otherwise than by death.

(2) Income is treated as arising from a limited interest in the whole or part of the residue of the estate in a tax year in cases A, B and C.

(3) Case A is where—

- (a) one of the successive interests subsists at the beginning of the tax year,
- (b) a sum is paid in respect of one of the interests in that year and before the end of the administration period, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) a person who has or has had one of the interests which is a limited interest (“a limited holder”) is entitled to receive the payment.
- (4) Case B is where—
- (a) the tax year is the final tax year,
 - (b) one of the successive interests subsists at the beginning of that year,
 - (c) a sum remains payable in respect of one of the interests at the end of the administration period, and
 - (d) a limited holder is entitled to receive the payment.
- (5) Case C is where—
- (a) the tax year is a year before the final tax year,
 - (b) the last of the successive interests ceases in the tax year,
 - (c) a sum is either—
 - (i) paid in respect of one of the interests in a later tax year but before the end of the administration period, or
 - (ii) remains payable in respect of it at the end of that period, and
 - (d) a limited holder is entitled to receive the payment.

675 Basic amount of estate income: successive limited interests

The basic amount of estate income relating to a limited interest within section 674 for a tax year is the total of the sums within section 674(3)(b), (4)(c) and (5)(c) for that year.

676 Apportionments

- (1) Such apportionments as are just and reasonable are to be made for the purposes of this Chapter if—
- (a) the part of a residuary estate in which an interest within any of the provisions specified in subsection (2) subsists does not wholly correspond with the part in which another such interest held successively subsists, or
 - (b) one of those interests is in the whole of the residuary estate and the other is only in part of it.
- (2) The provisions are—
- section 671 (successive absolute interests),
 - section 672 (successive interests: assumed income entitlement of holder of absolute interest following limited interest),
 - section 673 (successive interests: payments in respect of limited interests followed by absolute interests),
 - section 674 (successive interests: holders of limited interest), and
 - section 675 (basic amount of estate income: successive limited interests).

General

679 Income from which basic amounts are treated as paid

- (1) The part of the aggregate income of the estate from which a basic amount is treated as paid is determined by applying assumptions A and B in that order.
- (2) Assumption A is that if there are different persons with interests in the residue of the estate, payments in respect of their basic amounts are paid out of the different parts of the aggregate income of the estate in such proportions as are just and reasonable for their different interests.
- (3) Assumption B is that payments are made from those parts in the following order—
 - (a) income bearing income tax at the basic rate,
 - (b) income bearing income tax at the lower rate, and
 - (c) income bearing income tax at the dividend ordinary rate.
- (4) If some, but not all, of the aggregate income of the estate is income treated under section 680 as bearing income tax, assumption C is applied before assumptions A and B.
- (5) Assumption C is that the basic amount is paid from income that is not within section 680 before it is paid from income within that section.
- (6) Assumptions A and B then apply—
 - (a) first to determine the part of the income not within that section from which the basic amount is paid, and
 - (b) then to determine the part of the income within that section from which the basic amount is paid.

680 Income treated as bearing income tax

- (1) This section has effect for the purposes of—
 - section 663 (the applicable rate for grossing up basic amounts of estate income),
 - section 670 (applicable rate for determining assumed income entitlement (UK estates)), and
 - section 679 (income from which basic amounts are treated as paid).
- (2) If the aggregate income of the estate includes a sum within subsection (3) or (4), the sum is treated as bearing income tax at the rate specified for it in that subsection.
- (3) The following sums are treated as bearing income tax at the dividend ordinary rate—
 - (a) a sum charged under Chapter 3 of Part 4 (dividends etc. from UK resident companies etc.), or
 - (b) a sum that is part of the aggregate income of the estate because of falling within—
 - (i) section 664(2)(c) (stock dividends), or
 - (ii) section 664(2)(d) (release of loan to participator in close company where debt due from personal representatives).
- (4) A sum that is part of the aggregate income of the estate because of falling within section 664(2)(e) (gains from life insurance contracts etc.) is treated as bearing income tax at the lower rate.

- (5) Income tax treated as borne under section 656(3) or 657(4) (gross amount of estate income treated as bearing tax at the applicable rate) is not repayable so far as the basic amount of the estate income in question is paid from sums within this section.

- (1) No liability to income tax arises in respect of a venture capital trust dividend if—
 - (a) conditions A and B are met, and
 - (b) where the dividend is paid in respect of shares acquired after 8th March 1999, condition C is met.
- (2) In subsection (1) a “venture capital trust dividend” means a dividend paid in respect of ordinary shares in a company which—
 - (a) is a venture capital trust—
 - (i) at the end of the accounting period in which the profits or gains in respect of which it is paid arose or accrued, and
 - (ii) when the dividend is paid, and
 - (b) was such a trust when the person to whom it is paid acquired the shares.
- (3) Condition A is that the person beneficially entitled to the dividend—
 - (a) is an individual of at least 18 years, and
 - (b) is beneficially entitled to it as the holder of the shares or as the person for whom, or for whose benefit, they are held by a nominee.
- (4) Condition B is that—
 - (a) in the tax year in which the shares were acquired the market value of all the shares acquired by the individual or any nominee of the individual in companies which were venture capital trusts at the time of acquisition did not exceed £200,000, or
 - (b) in that year that market value exceeded £200,000, but the shares are treated under section 710 as having been acquired within that limit.
- (5) For the purposes of subsection (4), the market value of a share is determined as at the time of its acquisition.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (7) Shares that were not so acquired are ignored for the purposes of subsection (4) and section 710 (whether or not they were acquired after 8th March 1999).
- (8) In this section and in sections 710 and 711—
 - “market value” has the same meaning as in TCGA 1992 (see sections 272 and 273),

- (3) Subsection (2) is subject to subsection (4).
- (4) If shares of different descriptions acquired on the same day cause the limit to be exceeded on that day, shares of each description are treated as exempt shares so far as their market value does not exceed the appropriate proportion of the available value.
- (5) In subsection (4)—
 - “the appropriate proportion”, in relation to shares of a particular description, means the proportion which their market value bears to the market value of all the shares acquired on that day, and
 - “available value” means the maximum value of shares which could be acquired on that day without exceeding the limit.

711 Identification of shares after disposals

- (1) In determining whether a disposal relates to shares in a company which were acquired when it was a venture capital trust or others, it is assumed that the others are disposed of first.
- (2) In determining whether a disposal of shares in a company which were acquired when it was a venture capital trust relates to shares which meet the condition in section 709(4) (annual acquisition limit) or others (“excess shares”), assumptions A and B are to be made.
- (3) Assumption A is that shares acquired on an earlier day are disposed of before those acquired on a later day.
- (4) Assumption B is that where the shares were acquired on the same day, excess shares are disposed of first.

 - (b) whether or not the annuity's term depends solely on the duration of a human life or lives (see subsections (6) to (8)).
- (3) If the amount of the annuity payments depends solely on the duration of a human life or lives, the same proportion of each payment (“the exempt proportion”) is exempt.
- (4) But if the amount of the annuity payments also depends on another contingency, each payment is exempt so far as it does not exceed a fixed sum (“the exempt sum”).
- (5) If an annuity payment within subsection (4) is less than the exempt sum, the shortfall is added to the exempt sum for the next payment (and so on).
- (6) The ways to determine the exempt proportion and the exempt sum differ according to whether or not the annuity's term depends solely on the duration of a human life or lives.
- (7) If the annuity's term depends solely on the duration of a human life or lives—
- (a) the exempt proportion is determined as set out in section 720, and
 - (b) the exempt sum is determined as set out in section 721.
- (8) If the annuity's term also depends on another contingency—
- (a) the exempt proportion is the proportion which is just and reasonable, having regard to the contingencies affecting the annuity and to section 720, and
 - (b) the exempt sum is the amount which is just and reasonable, having regard to the contingencies affecting the annuity and to section 721.

720 Exempt proportion: term dependent solely on duration of life

- (1) In the case of an annuity within section 719(7) (term dependent solely on duration of life), the exempt proportion is —

$$AP \times \frac{PP}{AV}$$

where—

AP is the annuity payment,

PP is the purchase price of the annuity, and

AV is the actuarial value of the annuity payments.

- (2) The purchase price of the annuity is the total amount or value of the consideration given for the annuity.
- (3) The actuarial value of the annuity payments is their value at the date when the first of the payments starts to accrue.
- (4) That value is determined—
- (a) by reference to tables of mortality prescribed under section 724,
 - (b) taking the age at that date of a person during whose life the annuity is payable as that person's age in whole years on that date, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

- (c) without discounting any payment for the time to elapse before it is payable.
- (5) But if it is not possible to determine that actuarial value by reference to the tables mentioned in subsection (4)(a), it is such amount as may be certified by the Government Actuary or the Deputy Government Actuary.

721 Exempt sum: term dependent solely on duration of life

- (1) In the case of an annuity within section 719(7) (term dependent solely on duration of life), the exempt sum is —

$$PP \times \frac{1}{TY} \times \frac{PM}{12}$$

where—

PP is the purchase price of the annuity,

TY is the expected term of the annuity in years (and any odd fraction of a year), and

PM is the period in months (and any odd fraction of a month) in respect of which the annuity payment is made.

- (2) The purchase price of the annuity is the total amount or value of the consideration given for the annuity.
- (3) The expected term of the annuity is the period from the date when the first annuity payment starts to accrue to the date when it is expected that the last payment will become payable.
- (4) The expected term of the annuity is determined—
- as at the date when the first annuity payment starts to accrue,
 - by reference to tables of mortality prescribed under section 724, and
 - taking the age at that date of a person during whose life the annuity is payable as that person's age in whole years on that date.
- (5) But if it is not possible to determine that term by reference to the tables mentioned in subsection (4)(b), it is such period as may be certified by the Government Actuary or the Deputy Government Actuary.

722 Consideration for the grant of annuities

- (1) This section applies if the amount or value given for an annuity is to be determined for the purposes of sections 720(2) or 721(2) and either—
- consideration is not given solely for the annuity, or
 - it appears that the amount or value of the consideration nominally given for it affected, or was affected by, the consideration given for something else.
- (2) For the purposes of subsection (1), consideration given for a right to a return of premiums or of other consideration for an annuity is treated as given solely for the annuity.

 - (b) how much of an annuity payment is exempt, is to be determined by the Inland Revenue.

- (3) If a person making a payment under an annuity—

 - (b) to any deterioration in a condition resulting from any such illness, disability, infirmity or defect.
- (2) For the purposes of sections 735 and 737 to 743, a policy insures against an employment risk if it insures against circumstances arising as a result of which the insured ceases—

 - (b) each of the connected policies has been in force either—
 - (i) at a time when the policy in question was in force, or
 - (ii) at the time immediately before it was entered into.
- (2) The conditions are that so far as the terms of the policy relate to the health or employment risk—
 - (a) they do not differ significantly from what they would have been if no connected policies had been entered into, and
 - (b) the way in which they are given effect does not differ significantly from the way in which they would have been given effect in that case.
- (3) A difference relating only to the reduction of benefits payable to or in respect of a person under the policy because of benefits being payable to or in respect of the person under any of the connected policies is to be ignored.
- (4) For the purposes of this section, all the persons for whose benefit the policy provides insurance against the health or employment risk are to be considered.

- (b) the individual's total rent-a-room amount for the tax year exceeds the individual's limit for the tax year.
- (2) The election—
 - (a) must specify the tax year for which it is made, and
 - (b) has effect for that year and subsequent tax years (unless withdrawn by notice given by the individual).
- (3) A notice of withdrawal of an election must specify the tax year for which it is given.

The election ceases to have effect for that tax year and subsequent tax years.
- (4) Withdrawal of an election does not prevent a fresh election from being made for a subsequent tax year.
- (5) An election or notice of withdrawal must be made or given to the Inland Revenue on or before—
 - (a) the first anniversary of the normal self-assessment filing date for the tax year specified in the election or notice of withdrawal, or
 - (b) such later date as the Inland Revenue may, in a particular case, allow.
- (6) If—
 - (a) an election would otherwise have effect for a tax year, but
 - (b) the individual's total rent-a-room amount for the tax year does not exceed the individual's limit for the tax year,

the individual is treated as giving a notice of withdrawal of the election which specifies that tax year as the one for which it is given (and the election, therefore, ceases to have effect for that tax year and subsequent tax years).

801 Time limit on adjustment of assessment

- (1) This section applies if it is necessary to make an adjustment by way of assessment to give effect to an election or notice of withdrawal under section 799 or 800.
- (2) The assessment is not out of time if it is made on or before the first anniversary of the normal self-assessment filing date for the tax year for which the election was made or notice was given (or treated as given).

CHAPTER 2

FOSTER-CARE RELIEF

Introduction

803 Overview of Chapter 2

- (1) This Chapter provides relief on income from the provision by an individual of foster care.

The relief is referred to in this Chapter as “foster-care relief”.

- (2) The form of relief depends on whether the individual's total foster-care receipts exceed the individual's limit (see sections 807 to 811).
- (3) If they do not, the income is not charged to income tax (see sections 812 to 814).
- (4) If they do, the individual may elect for an alternative method of calculating the income (see sections 815 to 819).
- (5) If the foster-care receipts are the receipts of a trade, special rules apply —
 - (a) if the period of account of the trade does not end on 5th April (see sections 820 to 823), and
 - (b) in relation to capital allowances (see sections 824 to 827).
- (6) The provisions of this Chapter which are expressed to apply in relation to trades also apply in relation to professions and vocations.

804 Person who qualifies for relief

- (1) An individual qualifies for foster-care relief for a tax year if the individual—
 - (a) has foster-care receipts for the tax year (see section 805), and
 - (b) does not derive any taxable income other than foster-care receipts from a relevant trade or arrangement.
- (2) “Taxable income” means receipts or other income in respect of which the individual is liable to income tax for the tax year.
- (3) A relevant trade or arrangement is one from which the individual derives foster-care receipts for the tax year.

Basic definitions

805 Meaning of “foster-care receipts”

- (1) For the purposes of this Chapter an individual has foster-care receipts for a tax year if—
 - (a) the receipts are in respect of the provision of foster care,
 - (b) they accrue to the individual during the income period for those receipts (see subsections (2) and (3)), and

- (c) the receipts would otherwise be brought into account in calculating the profits of a trade or chargeable to income tax under Chapter 8 of Part 5 (income not otherwise charged).
- (2) If the receipts would otherwise be brought into account in calculating the profits of a trade, the income period is the basis period for the tax year (see Chapter 15 of Part 2).
- (3) Otherwise the income period is the tax year.

806 Meaning of providing foster care

- (1) For the purposes of this Chapter foster care is provided if an individual—
 - (a) provides accommodation and maintenance for a child, and
 - (b) does so as a foster carer.
- (2) An individual is a foster carer if the child is placed with the individual under any of the following enactments, unless the individual is excluded by subsection (5).
- (3) The enactments are—

 - (b) regulations under section 5 of the Social Work (Scotland) Act 1968 (c. 49),
 - (c) section 70 of the Children (Scotland) Act 1995 (c. 36), and
 - (d) Article 27(2)(a) or 75(1)(a) of the Children (Northern Ireland) Order 1995 (S.I. 1995/755 (N.I. 2)) (provision of accommodation for children by authorities or voluntary organisations).
- (4) An individual is also a foster carer if—

 - (b) an individual who is not a parent of the child but who has parental responsibility (or, in Scotland, parental responsibilities) in relation to the child,
 - (c) if the child is in care and there was a residence order in force with respect to the child immediately before the care order was made, an individual in whose favour the residence order was made, and
 - (d) (in Scotland) if the child is in care and there was a residence order or contact order in force with respect to the child immediately before the child was placed in care, an individual in whose favour the residence order or contact order was made.

807 Calculation of “total foster-care receipts”

For the purposes of this Chapter, in calculating an individual's “total foster-care receipts” for a tax year, no deduction is allowed for expenses or any other matter.

Individual's limit

808 The individual's limit

- (1) For the purposes of this Chapter an individual's limit for a tax year is the total of—
 - (a) the fixed amount for the tax year or, if section 809 or 810 applies, the individual's share of that amount, and
 - (b) each amount per child for the individual for the tax year (see section 811).
- (2) For the purposes of this Chapter the fixed amount for a tax year is £10,000.
- (3) The Treasury may by order amend the sum for the time being specified in subsection (2).

809 Share of fixed amount: residence used by more than one foster carer

- (1) This section applies if in a tax year—
 - (a) the residence used to provide the foster care from which an individual's foster-care receipts for the tax year are derived is also used by another individual to provide foster care, and
 - (b) the other individual also has foster-care receipts for the tax year.
- (2) Each individual's share of the fixed amount for the tax year is the fixed amount divided by the total number of individuals who—
 - (a) use the residence in the tax year to provide foster care, and
 - (b) have foster-care receipts for the tax year.
- (3) In this section “residence” means—
 - (a) a building, or part of a building, occupied or intended to be occupied as a separate residence, or
 - (b) a caravan or houseboat.
- (4) If a building, or part of a building, designed for permanent use as a single residence is temporarily divided into two or more separate residences, it is still treated as a single residence.

810 Share of fixed amount: income period not a year

- (1) This section applies if in a tax year an individual's income period for the individual's foster-care receipts is a period other than a year.
- (2) The individual's share of the fixed amount for the tax year is—

$$\frac{AS \times D}{365}$$

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. where—

AS is the fixed amount or (if section 809 applies) the individual's share of the fixed amount, and

D is the number of days in the individual's income period.

811 The amount per child

- (1) An individual's amount per child for a tax year is found by multiplying—
 - (a) the number of weeks during the income period for the tax year in which the individual provides foster care for the child, by
 - (b) the weekly amount for the child.
- (2) The weekly amount for a child is—
 - (a) £200 for a week throughout which the child is under 11 years old, and
 - (b) £250 for other weeks.
- (3) The Treasury may by order amend any amount for the time being specified in subsection (2).
- (4) If an individual provides foster care for a child during an income period for only part of a week, the part is treated as a whole week.
- (5) If an income period begins or ends during a week, the week is treated as falling within the income period ending during the week.

 But if there is no such income period, the week is treated as falling within the income period beginning during the week.
- (6) A week is a period of 7 days beginning with a Monday.

Relief if amount does not exceed limit

812 Full foster-care relief: introduction

- (c) sections 822 and 823 do not apply (accounting date for trade not 5th April).

- (2) For each arrangement from which those receipts arise, the amount of—
 - (a) those receipts arising in the tax year from the arrangement, less
 - (b) any expenses associated with them,is treated as nil.

 - (a) the individual qualifies for foster-care relief for a tax year,
 - (b) the individual's total foster-care receipts for the tax year exceed the individual's limit for the tax year, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

 - (b) for each of the tax years in which the period of account falls, each amount per child for the individual for each part of the period of account falling in that tax year.
- (2) For this purpose an individual's amount per child for a part of the period of account is each amount that would be the individual's amount per child under section 811 for the tax year in which the part falls if that part were the income period for that year.

- (2) “Relevant pool” means a pool containing expenditure incurred on the provision of plant or machinery wholly or partly for the provision of foster care by the relevant individual.
- (3) CAA 2001 applies in relation to the relevant individual's available qualifying expenditure in the pool for the relevant chargeable period as if—
 - (a) a disposal event occurred immediately after the beginning of the period,
 - (b) disposal receipts fall to be brought into account in the pool for the period because of that event, and
 - (c) the total of the receipts equals the amount of the unrelieved qualifying expenditure carried forward.

 - (a) the relevant individual brings into use for the provision of foster care such of the plant or machinery on which the unrelieved qualifying expenditure was incurred as the individual still owns on that day, and
 - (b) the individual owns the plant or machinery as a result of incurring capital expenditure on its provision for other purposes.

826 Excluded capital expenditure

Capital expenditure (“excluded capital expenditure”) does not constitute qualifying expenditure for the purposes of CAA 2001 if it is—

- (b) incurred on the provision of plant or machinery wholly or partly for the provision of foster care by the individual.

827 Excluded capital expenditure: subsequent treatment of asset

- (a) the individual brings into use for the provision of foster care such of the plant or machinery on which the expenditure was incurred as the individual still owns on that day, and
- (b) the individual owns the plant or machinery as a result of incurring capital expenditure on its provision for other purposes.

828 Overlap profit

- (1) This section applies if the profits or losses of a trade for a tax year are calculated in accordance with section 813, 816, 822 or 823.
- (2) Nothing in this Chapter is to be read—
 - (a) as preventing a deduction for overlap profit under section 205 or 220 in calculating the profits or losses of the trade for the tax year, or
 - (b) as preventing overlap profit from arising by reference to profits of the trade calculated for the tax year in accordance with section 816 or 823 (alternative calculation of profits).
- (3) “Overlap profit” has the same meaning in this section as it has in Chapter 15 of Part 2 (see section 204).

- (2) For the purposes of subsection (1), it does not matter whether the income arises in the year for which the claim is made or arose in an earlier year in which the person was UK resident.
- (3) The only case in which deductions are allowed is where the income is from a trade, profession or vocation carried on outside the United Kingdom.
- (4) In that case the same deductions are allowed as are allowed under the Income Tax Acts where the trade, profession or vocation is carried on in the United Kingdom.
- (5) This section is subject to section 835 (relief for delayed remittances).

- (1) For the purposes of section 832, if a person who is ordinarily resident, but is not domiciled, in the United Kingdom uses relevant foreign income outside the United Kingdom to satisfy a UK-linked debt, the person is treated as receiving the income in the United Kingdom at the time when it is so used.

 - (ii) another debt falling within this paragraph.
- (4) In the case of a debt (within subsection (3)(b) or (c)) for money lent to the person outside the United Kingdom, it does not matter whether the money lent is received in the United Kingdom before or after the income is used to satisfy the debt.
- (5) But in the case of such a debt if the money lent is not received in the United Kingdom until after the income is so used, the person is treated as receiving the income in the United Kingdom when the money lent is received there (instead of at the time provided in subsection (1)).
- (6) For the purposes of this section, if any of the money lent is used to satisfy a debt, the debt for the money so used is treated as incurred for satisfying that other debt.
- (7) In subsections (3) to (5) any reference to money lent being received in the United Kingdom includes a reference to its being brought there.
- (8) Section 834 sets out circumstances in which a person is treated as using income to satisfy a debt for the purposes of this section.
- (9) In this section and that section “satisfy”, in relation to a debt, means satisfy wholly or in part.

- (3) Condition B is that under an arrangement between the borrower and the lender—
 - (a) the amount for the time being owed by the borrower to the lender, or

Relief for delayed remittances

835 Relief for delayed remittances

- (1) If section 832 (relevant foreign income charged on the remittance basis) applies to income for a tax year, the person liable for the tax may make a claim for relief under this section in respect of any of the income which meets conditions A and B (“delayed income”).
- (2) Condition A is that the income arose before the tax year for which relief is claimed.
- (3) Condition B is that the income could not have been transferred by the person to the United Kingdom before the tax year because of—
 - (a) the laws of the territory where the income arose,
 - (b) executive action of its government, or
 - (c) the impossibility of obtaining there currency that could be transferred to the United Kingdom.
- (4) If a person claims relief for a tax year in respect of delayed income, that income is to be deducted from the income charged to tax for that year in accordance with section 832.

- (5) The delayed income is to be treated as if it were income received in the United Kingdom in the tax year in which it arose.

836 Relief for delayed remittances: backdated pensions

- (1) This section applies if—
- (a) section 832 applies to a pension or annuity, or an increase in a pension or annuity, that is treated as relevant foreign income as a result of section 575(3), 613(4) or 635(4) of ITEPA 2003,
 - (b) the pension, annuity or increase was granted retrospectively, and
 - (c) an amount of pension, annuity or increase is paid in respect of a tax year (“the earlier year”) before the tax year in which it was granted.
- (2) For the purposes of section 835 that amount of pension, annuity or increase is treated as income arising in the earlier year from a source that the person liable for the tax possessed in the earlier year.
- (3) The condition in section 835(3) only applies to the pension, annuity or increase in the period after it becomes payable.

837 Claims for relief on delayed remittances

- (1) A claim under section 835 must be made on or before the fifth anniversary of the normal self-assessment filing date for the tax year for which the relief is claimed.
- (2) All adjustments (by way of repayment of tax, assessment or otherwise) are to be made which are necessary to give effect to section 835.
- (3) Those adjustments may be made at any time, despite anything to the contrary in the Income Tax Acts.
- (4) A person's personal representatives may make any claim under section 835 which the person might have made.
- (5) If a person dies—

CHAPTER 3

RELEVANT FOREIGN INCOME CHARGED ON ARISING BASIS: DEDUCTIONS AND RELIEFS

838 Expenses attributable to collection or payment of relevant foreign income

- (1) In calculating the amount of relevant foreign income to be charged to income tax for a tax year, a deduction is allowed for expenses incurred outside the United Kingdom that are attributable to the collection or payment of the income.
- (2) Subsection (1) does not apply to income charged for the tax year in accordance with section 832 (relevant foreign income charged on the remittance basis).

839 Annual payments payable out of relevant foreign income

- (1) In calculating the amount of relevant foreign income to be charged to income tax for a tax year, a deduction is to be allowed for an annual payment other than interest if it meets conditions A to C.
- (2) Condition A is that the payment is payable out of the relevant foreign income.
- (3) Condition B is that, had the payment arisen in the United Kingdom, it would have been chargeable to income tax under one of the following provisions or to corporation tax under Case III of Schedule D—
 - Chapter 10 of Part 4 (distributions from unauthorised unit trusts),
 - section 579 (charge to tax on royalties and other income from intellectual property),
 - Chapter 4 of Part 5 (certain telecommunication rights: non-trading income), or
 - Chapter 7 of Part 5 (annual payments not otherwise charged).
- (4) Condition C is that the payment is made to a non-UK resident.
- (5) Subsection (1) does not apply if—
 - (a) the relevant foreign income is received in the United Kingdom, or
 - (b) it is charged for the tax year in accordance with section 832 (relevant foreign income charged on remittance basis).
- (6) In the case of relevant foreign income chargeable under Chapter 2 or 17 of Part 2 (trading income) that arises in the Republic of Ireland, this section applies with the omission of condition B and subsection (5)(a).

840 Relief for backdated pensions charged on the arising basis

- (1) This section applies if—
 - (a) as a result of section 575(3), 613(4) or 635(4) of ITEPA 2003 a pension or annuity or an increase in a pension or annuity is treated as relevant foreign income,
 - (b) the pension, annuity or increase is paid in respect of a tax year (“the earlier year”) before the tax year in which the pension, annuity or increase arose, and
 - (c) the income is not charged in accordance with section 832 (relevant foreign income charged on the remittance basis).

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) If the person liable for the income tax makes a claim for relief under this section for the tax year in which the pension, annuity or increase paid in respect of the earlier year arises, that pension, annuity or increase is treated as income arising in the earlier year from a source that the person possessed in the earlier year.
- (3) But subsection (2) does not affect the calculation of the full amount of the income so arising under section 575(2), 613(3) or 635(3) of ITEPA 2003 (under which the full amount of that income is to be calculated on the basis that the pension or annuity is 90% of its actual amount).
- (4) Section 837 (claims for relief on delayed remittances) applies to claims under this section as it applies to claims under section 835.

CHAPTER 4

UNREMITTABLE INCOME

841 Unremittable income: introduction

- (1) This Chapter applies if—
 - (a) a person is liable for income tax on income arising in a territory outside the United Kingdom, and
 - (b) the income is unremittable.
- (2) For the purposes of this Chapter, income is unremittable if conditions A and B are met.
- (3) Condition A is that the income cannot be transferred to the United Kingdom by the person who is liable for income tax in respect of the income because of—
 - (a) the laws of the territory where the income arises,
 - (b) executive action of its government, or
 - (c) the impossibility of obtaining there currency that could be transferred to the United Kingdom.
- (4) Condition B is that the person who is liable for income tax in respect of the income has not realised it outside that territory for an amount in sterling or in another currency which the person is not prevented from transferring to the United Kingdom.
- (5) This Chapter does not apply to profits which a person is treated as receiving under section 714(2) of ICTA (accrued income profits), but see section 723 of that Act (which makes similar provision).

842 Claim for relief for unremittable income

- (1) If a person liable for income tax on unremittable income makes a claim for relief under this section in respect of that income, it is not taken into account for income tax purposes.
- (2) Subsection (1) is subject to section 843.
- (3) No claim under this section may be made in respect of any income so far as an ECGD payment has been made in relation to it.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) In subsection (3) “ECGD payment” means a payment made by the Export Credit Guarantee Department under an agreement entered into as a result of arrangements made under—
- (a) section 2 of the Export and Investment Guarantees Act 1991 (c. 67) (insurance in connection with overseas investment), or
 - (b) section 11 of the Export Guarantees and Overseas Investment Act 1978 (c. 18).
- (5) A claim under this section must be made on or before the first anniversary of the normal self-assessment filing date for the tax year for which the income would be charged to tax if no claim were made.

843 Withdrawal of relief

- (1) This section applies if—
- (a) a claim under section 842 has been made in relation to any income, and
 - (b) either—
 - (i) the income ceases to be unremittable, or
 - (ii) an ECGD payment is made in relation to it.
- (2) In this section “ECGD payment” has the meaning given by section 842(4).
- (3) If income ceases to be unremittable, the income is treated as arising on the date on which it ceases to be unremittable.
- (4) If an ECGD payment is made in relation to income, the income is treated, to the extent of the payment, as arising on the date on which the ECGD payment is made.
- (5) The income treated as arising under subsection (3) or (4), and any tax payable in respect of it under the law of the territory where it arises, are taken into account for income tax purposes at their value at the date on which the income is treated as arising.
- (6) Subsections (3) to (5) do not apply so far as the income has already been treated as arising as a result of this section.
- (7) If a person who would have become liable for income tax as a result of this section has died—
- (a) the personal representatives are liable for the tax instead, and
 - (b) the tax is a debt due from and payable out of the estate.

844 Income charged on withdrawal of relief after source ceases

- (1) This section applies if—
- (a) income is treated as arising as a result of section 843, and
 - (b) at the time it is so treated the person who would have become liable for income tax as a result of that section—
 - (i) has permanently ceased to carry on the trade, profession, vocation or property business from which the income arises, or
 - (ii) in the case of income from another source, has ceased to possess that source.
- (2) In the case of income from a trade, profession or vocation—

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the income is treated as a post-cessation receipt for the purposes of Chapter 18 of Part 2 (trading income: post-cessation receipts), but
 - (b) in the application of that Chapter to that income, section 243 (extent of charge to tax) is omitted.
- (3) In the case of income from a property business—
- (a) the income is treated as a post-cessation receipt from a UK property business for the purposes of Chapter 10 of Part 3 (property income: post-cessation receipts), but
 - (b) in the application of that Chapter to that income, section 350 (extent of charge to tax) is omitted.
- (4) In the case of income from another source, the income is taxed as if the person continued to possess that source.

845 Valuing unremittable income

- (1) If no claim is made under section 842 in relation to unremittable income arising in a territory outside the United Kingdom, the amount of the income to be taken into account for income tax purposes is determined as follows.
- (2) If the currency in which the income is denominated has a generally recognised market value in the United Kingdom, the amount is determined by reference to that value.
- (3) In any other case, the amount is determined according to the official rate of exchange of the territory where the income arises.

PART 9

PARTNERSHIPS

Modifications etc. (not altering text)

C40 Pt. 9 modified (with effect as mentioned in [Sch. 6 para. 6\(2\)-\(7\)](#) to the amending Act) by [Income and Corporation Taxes Act 1988 \(c. 1\)](#), s. 774D(4) as inserted by [Finance Act 2006 \(c. 25\)](#), s. 76, [Sch. 6 para. 6\(1\)](#)

Introduction

846 Overview of Part 9

This Part contains some special rules about partnerships.

847 General provisions

- (1) In this Act persons carrying on a trade in partnership are referred to collectively as a “firm”.
- (2) The provisions of this Part are expressed to apply to trades but unless otherwise indicated (whether expressly or by implication) also apply—
 - (a) to professions, and

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) in the case of this section and sections 849, 850, 857 and 858 to businesses that are not trades or professions.
- (3) In those sections as applied by subsection (2)(b)—
- (a) references to a trade are references to a business, and
 - (b) references to the profits of a trade are references to the income arising from a business.

848 Assessment of partnerships

Unless otherwise indicated (whether expressly or by implication), a firm is not to be regarded for income tax purposes as an entity separate and distinct from the partners.

Calculation of partners' shares

849 Calculation of firm's profits or losses

- (1) If—
- (a) a firm carries on a trade, and
 - (b) any partner in the firm is chargeable to income tax,
- the profits or losses of the trade are calculated on the basis set out in subsection (2) or (3), as the case may require.
- (2) For any period of account in which the partner is a UK resident individual, the profits or losses of the trade are calculated as if the firm were a UK resident individual.
- (3) For any period of account in which the partner is non-UK resident, the profits or losses of the trade are calculated as if the firm were a non-UK resident individual.

850 Allocation of firm's profits or losses between partners

- (1) For any period of account a partner's share of a profit or loss of a trade carried on by a firm is determined for income tax purposes in accordance with the firm's profit-sharing arrangements during that period.
- This is subject to subsections (2) and (4).
- (2) If for the period of account the calculation under section 849 in relation to the partner produces a profit, but there is at least one loss-making partner—
- (a) each loss-making partner's share is neither a profit nor a loss, and
 - (b) each profit-making partner's share is given by the formula in subsection (3).
- (3) The formula is—

$$FP \times \frac{PP}{TP}$$

where—

FP is the amount of the firm's profit calculated under section 849 in relation to the partner,

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

PP is the amount determined under subsection (1) to be the profit of the profit-making partner in question, and

TP is the total of the amounts determined under subsection (1) to be the profits of all the profit-making partners.

- (4) If for the period of account the calculation under section 849 in relation to the partner produces a loss, but there is at least one profit-making partner—
- (a) each profit-making partner's share is neither a profit nor a loss, and
 - (b) each loss-making partner's share is given by the formula in subsection (5).
- (5) The formula is—

$$FL \times \frac{PL}{TL}$$

where—

FL is the amount of the firm's loss calculated under section 849 in relation to the partner,

PL is the amount determined under subsection (1) to be the loss of the loss-making partner in question, and

TL is the total of the amounts determined under subsection (1) to be the losses of all the loss-making partners.

- (6) In this section—

“loss-making partner” means a partner whose share is determined under subsection (1) to be a loss,

“partner”, in relation to a firm, means any partner in the firm, whether or not chargeable to income tax,

“profit-making partner” means a partner whose share is determined under subsection (1) to be a profit, and

“profit-sharing arrangements” means the rights of the partners to share in the profits of the trade and the liabilities of the partners to share in the losses of the trade.

851 Calculations etc. where firm has other income or losses

- (1) This section applies if—
- (a) sections 849 and 850 apply in relation to the profits or losses of a trade carried on by a firm, and
 - (b) the firm has other income or losses.
- (2) Those sections also apply as if references to the profits or losses of the trade were references to the other income or losses.

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Firms with trading income

852 Carrying on by partner of notional trade

- (1) For each tax year in which a firm carries on a trade (the “actual trade”), each partner's share of the firm's trading profits or losses is treated, for the purposes of Chapter 15 of Part 2 (basis periods), as profits or losses of a trade carried on by the partner alone (the “notional trade”).
- (2) A partner starts to carry on a notional trade at the later of—
 - (a) when becoming a partner in the firm, and
 - (b) when the firm starts to carry on the actual trade.

This is subject to subsection (3).

- (3) If the partner carries on the actual trade alone before the firm starts to carry it on, the partner starts to carry on the notional trade when the partner starts to carry on the actual trade.
- (4) A partner permanently ceases to carry on a notional trade at the earlier of—
 - (a) when the partner ceases to be a partner in the firm, and
 - (b) when the firm permanently ceases to carry on the actual trade.

This is subject to subsections (5) and (6).

- (5) If the partner carries on the actual trade alone after the firm permanently ceases to carry it on, the partner permanently ceases to carry on the notional trade when the partner permanently ceases to carry on the actual trade.
- (6) If—
 - (a) the firm carries on the actual trade wholly or partly outside the United Kingdom, and
 - (b) the partner becomes or ceases to be UK resident,
 the partner is treated as permanently ceasing to carry on one notional trade when the change of residence occurs and starting to carry on another immediately afterwards.
- (7) Subsection (6) does not prevent a loss made before the change of residence from being carried forward under section 385 of ICTA and set against profits arising after the change.

853 Basis periods for partners' notional trades

- (1) The basis period of a partner's notional trade is determined by applying the rules in Chapter 15 of Part 2 as if—
 - (a) the trade were carried on by an individual, and
 - (b) its accounts were drawn up to the same dates as the accounts of the actual trade.

This is subject to subsection (2).

- (2) If, on the assumption that the actual trade is carried on by an individual,—
 - (a) section 216 (change of accounting date in later tax year) would apply in relation to the actual trade, but

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the basis period for the actual trade would be given by subsection (4) of that section (ineffective change of accounting date), because the conditions in section 217 (conditions for basis period to end with new accounting date) would not be met in relation to that trade,
the accounts of the actual trade are treated for the purposes of subsection (1) as drawn up to the old accounting date.
- (3) For the purposes of determining whether, on the assumption that the actual trade is carried on by an individual, the conditions in section 217 would be met in relation to that trade—
 - (a) a notice under section 217(2) must be given by one of the partners in the firm nominated by them for the purposes of this subsection, and
 - (b) any appeal under section 218(4) against a notice by the Inland Revenue must be made by a partner so nominated.
- (4) Section 207 (treatment of business start-up payments received in overlap period) applies as a result of this section in relation to a partner's notional trade so that—
 - (a) the requirement in subsection (1)(a) of that section becomes a requirement that the partner's share of the firm's profits so far as attributable to a business start-up payment falls within two basis periods, and
 - (b) the reference in subsection (2) of that section to the payment is a reference to any part of the partner's share of the firm's profits which is so attributable.

Firms with trading and other source income

854 Carrying on by partner of notional business

- (1) For each tax year in which a firm—
 - (a) carries on a trade, and
 - (b) has untaxed income or relievable losses from other sources,
 each partner's share of the firm's untaxed income or relievable losses other than trading profits or losses is treated, for the purposes of Chapter 15 of Part 2, as profits or losses of a trade carried on by the partner alone (the “notional business”).
- (2) A partner starts to carry on a notional business at the later of—
 - (a) when becoming a partner in the firm, and
 - (b) when the firm starts to carry on a trade.
- (3) A notional business continues even if either or both of the following occur—
 - (a) separate sources of income that comprise the business start and cease, and
 - (b) no income arises during a particular tax year.

This is subject to subsections (4) and (5).

- (4) A partner permanently ceases to carry on a notional business at the earlier of—
 - (a) when the partner ceases to be a partner in the firm, and
 - (b) when the firm permanently ceases to carry on a trade.
- (5) If—
 - (a) the firm carries on the trade wholly or partly outside the United Kingdom, and
 - (b) the partner becomes or ceases to be UK resident,

Status: Point in time view as at 06/04/2005. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

the partner is treated as permanently ceasing to carry on one notional business when the change of residence occurs and starting to carry on another immediately afterwards.

- (6) In this section “untaxed income” means any income that is not—
- (a) income from which income tax has been deducted,
 - (b) income from or on which income tax is treated as having been deducted or paid, or
 - (c) dividends or other distributions of a company chargeable under Chapter 3 of Part 4.

855 Basis periods for partners' notional businesses

- (1) The general rule is that the basis period for a partner's notional business is the same as the basis period for a partner's notional trade, but subject to the exceptions in subsections (2) and (3).
- (2) If the partner carries on the actual trade alone before the firm starts to carry it on the partner is treated as starting to carry on the notional business when the partnership is set up.
- (3) If the partner carries on the actual trade alone after the firm permanently ceases to carry it on the partner is treated as permanently ceasing to carry on the notional business when the firm permanently ceases to carry on the actual trade.

856 Overlap profits from partners' notional businesses

- (1) This section applies if—
 - (a) the basis period for a partner's notional business for a tax year is given by—
 - (i) section 215 (change of accounting date in third tax year), or
 - (ii) section 216(3) (change of accounting date in later tax year),
 - (b) a deduction is to be made for overlap profit under section 220 in calculating the profits of the notional business of the tax year, and
 - (c) the amount to be deducted exceeds the amount which would otherwise be the amount of the profits of the notional business of the tax year.
- (2) This section also applies if—
 - (a) the basis period for a partner's notional business for a tax year is given by section 202 (final tax year),
 - (b) a deduction is to be made for overlap profit under section 205 in calculating the profits of the notional business of the tax year, and
 - (c) the amount to be deducted exceeds the amount which would otherwise be the amount of the profits of the notional business of the tax year.
- (3) The amount of the excess is to be deducted in calculating the partner's income for the tax year.
