## 82 Change of accounting practice: deferment of transitional adjustments

- (1) This section applies where—
- (a) a company enters into a transaction on or after 14th December 2004, otherwise than in the ordinary course of its business,
  - (b) as a result of the transaction it incurs a loss in respect of a loan relationship or derivative contract in respect of which, apart from this section, a debit would fall to be brought into account for tax purposes in a period of account beginning before 1st January 2005,
  - (c) the sole or main purpose of the company in entering into the transaction at the time it did was to enable it to bring a debit into account for tax purposes in such a period, and
  - (d) if the company had continued to hold the asset or liability representing the loan relationship or derivative contract, as it was held immediately before the transaction referred to in paragraph (a), in its first period of account beginning on or after 1st January 2005, a debit would have arisen in respect of the loan relationship or derivative contract in that period that was a prescribed debit for the purposes of regulation 3 of the Loan Relationship and Derivative Contracts (Change of Accounting Practice) Regulations 2004 (S.I. 2004/3271) (debits not to be brought into account until the company's first period beginning on or after 1st January 2006).
- (2) Where this section applies no such debit as is mentioned in subsection (1)(b) shall be brought into account in the period of account mentioned there, but a debit of the same amount shall instead be brought into account as if it were a prescribed debit for the purposes of the regulation referred to in subsection (1)(d) (even though the loss giving rise to the debit was incurred before 1st January 2005).
- (3) In determining the sole or main purpose of a company for the purposes of subsection (1)(c) regard shall be had to anything done by a connected company that would be relevant for the purposes of that determination if done by the company in question.
- For this purpose companies are connected if they are connected persons within the meaning of section 839 of ICTA.
- (4) For the purposes of subsection (1)(d) it shall be assumed that the loan relationship or derivative contract has the same value at the beginning of the company's first period of account beginning on or after 1st January 2005 as it had at the time of the transaction referred to in subsection (1)(a).
- (5) This section does not apply where the transaction is entered into in pursuance of legally binding arrangements entered into before 14th December 2004.
- (6) In this section, references to a company entering into a transaction include a reference to the company, or the directors of the company, taking a decision about a loan relationship or derivative contract that affects its treatment for accounting purposes

*Status: Point in time view as at 01/04/2009.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

- (3) The reference in subsection (2) to allowable deductions, charges or expenses includes a reference to a reasonable apportionment of allowable deductions or expenses which relate partly to the income and partly to other matters.

  - (a) Chapter 2 or 18 of Part 2 of ITTOIA 2005 (trade profits and post-cessation receipts),

- (2) The reference in section 797(1) to the relevant income or gain shall be treated as referring only to income arising or gains accruing out of the transaction, arrangement or asset in connection with which the credit for foreign tax arises.
- (3) In determining for the purposes of section 797(1) the amount of corporation tax attributable to any income or gain, there shall be taken into account—
  - (a) deductions or expenses which would be allowable in the computation of the taxpayer's liability,
  - (b) a reasonable apportionment of allowable deductions or expenses which relate partly to the transaction, arrangement or asset from which the income or gain arises and partly to other matters, and
  - (c) expenses of a company connected (within the meaning given by section 839) with the taxpayer, in so far as reasonably attributable to the income or gain.
- (4) In this section and section 798B “trade income” means—

  - (b) the asset is in a hedging relationship with a derivative contract,
 in the application of section 798A(2) the reference to the income arising out of the asset shall be taken as a reference to the income arising out of the asset and the derivative contract taken together (but taking account of the income or loss from the derivative contract only in so far as reasonably attributable to the hedging relationship).
- (2) For the purposes of subsection (1)(b) an asset is in a hedging relationship with a derivative contract if—

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

---

- (a) the asset is acquired as a hedge of risk in connection with the contract, or
- (b) the contract is entered into as a hedge of risk in connection with the asset;

and if an asset or a contract is wholly or partly designated as a hedge for the purposes of a person's accounts, that shall be conclusive for the purpose of this subsection.

- (3) Where royalties (as defined in arrangements having effect by virtue of section 788) are paid in respect of an asset in more than one jurisdiction outside the United Kingdom, for the purposes of section 798A(2)—
  - (a) royalty income arising in more than one jurisdiction (other than the United Kingdom) in a year of assessment in respect of that asset shall be treated as income arising from a single transaction, arrangement or asset, and
  - (b) credits available for foreign tax in respect of the royalty income shall be aggregated accordingly.
- (4) If a person (“A”) carrying on a trade giving rise to trade income enters into a scheme or arrangement with another person (“B”) a main purpose of which is to alter the effect of section 798A in relation to A, income received in pursuance of the scheme or arrangement shall be treated for the purposes of section 798A as trade income of B (and not as income of A).
- (5) Where—
  - (a) transactions, arrangements or assets are treated by a taxpayer as a series or group (the “portfolio”),
  - (b) a number of credits for foreign tax arise in respect of the portfolio, and
  - (c) either—
    - (i) it is not reasonably practicable to prepare a separate computation of income or gain for the purposes of section 798A(2) in respect of each transaction, arrangement or asset, or
    - (ii) a separate computation of income or gain in respect of each transaction, arrangement or asset for the purposes of section 798A(2) would not, compared with an aggregated computation, make a material difference to the amount of credit for foreign tax which is allowable,

the income or gains arising from the portfolio, or part of the portfolio, may be aggregated and apportioned for the purposes of section 798A(2) in a fair and reasonable manner.

### **798C Disallowed credit: use as deduction**

- (1) This section applies where the application of section 796(1) or 797(1) prevents an amount of credit for foreign tax from being allowable against income tax or corporation tax.

  - (a) for the purposes of corporation tax, in relation to a credit for foreign tax which relates to—
    - (i) a payment of foreign tax on or after 16th March 2005, or
    - (ii) income received on or after that date in respect of which foreign tax has been deducted at source, and
  - (b) for the purposes of income tax, in relation to a credit for foreign tax which relates to—
    - (i) a payment of foreign tax on or after 6th April 2005, or
    - (ii) income received on or after that date in respect of which foreign tax has been deducted at source.
- (4) In subsection (3) a reference to tax deducted at source is a reference to tax deducted or treated as deducted from income, or treated as paid in respect of income.
- (5) In respect of dividends paid before 1st January 2006, the effect of section 798 or 798A of ICTA in respect of credit for foreign tax shall be disregarded to the extent that it would otherwise reduce the allowable credit to less than 50% of the foreign tax; but this subsection shall not apply to tax paid as part of a scheme or arrangement designed or entered into for the purposes of causing this subsection to apply.

## 87 Schemes and arrangements designed to increase relief

- (1) After section 804 of ICTA insert—

### **“804ZA Schemes and arrangements designed to increase relief**

SECTION 804ZA: PRESCRIBED SCHEMES AND ARRANGEMENTS

After Schedule 28AA to ICTA insert—

“SCHEDULE 28AB

SECTION 804ZA: PRESCRIBED SCHEMES AND ARRANGEMENTS

*Introductory*

- 1 (1) A scheme or arrangement, other than a scheme or arrangement falling within sub-paragraph (3), is a prescribed scheme or arrangement if one or more of paragraphs 2 to 6 apply to it.
- (2) A scheme or arrangement falling within sub-paragraph (3) is a prescribed scheme or arrangement if one or more of paragraphs 2 to 6 would, on the assumption in sub-paragraph (4), apply to it.
- (3) A scheme or arrangement falls within this sub-paragraph if its main purpose, or one of its main purposes, is to cause an amount of underlying tax allowable in respect of a dividend paid by a body corporate resident in a territory outside the United Kingdom to be taken into account in the case of a person.
- (4) The assumption is that the body corporate is resident in the United Kingdom.
- (5) Nothing in sub-paragraph (4) requires it to be assumed that there is any change in the place or places at which the body corporate carries on its activities.

*Attribution of foreign tax*

- 2 This paragraph applies to a scheme or arrangement if the scheme or arrangement enables a person who is party to, or concerned in, the scheme or arrangement to pay, in respect of a source of income or chargeable gain, an amount of foreign tax all or part of which

*Status: Point in time view as at 01/04/2009.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

is properly attributable to another source of income or chargeable gain (or to more than one such other source).

*Effect of paying foreign tax*

- 3 (1) This paragraph applies to a scheme or arrangement if, under the scheme or arrangement, sub-paragraph (2) is satisfied in relation to a person who has claimed, or is in a position to claim, for a chargeable period an allowance under any arrangements by way of credit for foreign tax (“the claimant”).
- (2) This sub-paragraph is satisfied if—
- (a) an amount of foreign tax is paid by the claimant, and
  - (b) at the time when the claimant entered into the scheme or arrangement, it could reasonably be expected that the effect of the payment of that amount of foreign tax on the foreign tax total would be to increase it by less than the amount allowable to the claimant as a credit in respect of the payment of that amount of foreign tax.
- (3) The foreign tax total is the amount found by—
- (a) aggregating the amounts of foreign tax paid or payable in respect of the transaction or transactions forming part of the scheme or arrangement by persons party to, or concerned in, the scheme or arrangement, and
  - (b) taking into account any reliefs, deductions, reductions or allowances against or in respect of any tax that arise to the persons party to, or concerned in, the scheme or arrangement (including any reliefs, deductions, reductions or allowances arising to any one or more of those persons as a consequence of the payment by the claimant of that amount of foreign tax).

*Effect of claim, election or other arrangement*

- 4 (1) This paragraph applies to a scheme or arrangement if under the scheme or arrangement—
- (a) a step is taken by a person who is party to, or concerned in, the scheme or arrangement, or
  - (b) a step that could have been taken by such a person is not taken,
- and that action or that failure to act has the effect of increasing a claim made by a person who is party to, or concerned in, the scheme or arrangement for an allowance by way of credit in accordance with this Part or of giving rise to such a claim.
- (2) The steps mentioned in sub-paragraph (1) are steps that may be made—
- (a) under the law of any territory, or
  - (b) under arrangements made in relation to any territory.
- (3) The steps mentioned in sub-paragraph (1) include—
- (a) claiming, or otherwise securing the benefit of, reliefs, deductions, reductions or allowances;
  - (b) making elections for tax purposes.

*Effect attributable to scheme or arrangement*

- 5 (1) This paragraph applies to a scheme or arrangement if, under the scheme or arrangement, sub-paragraph (2) is satisfied in relation to a person who has claimed, or is in a position

---

to claim, for a chargeable period an allowance under any arrangements by way of credit for foreign tax.

- (2) This sub-paragraph is satisfied if amount A is less than amount B.
- (3) Amount A is the amount of United Kingdom taxes payable by the person in respect of income and chargeable gains arising in the chargeable period.
- (4) Amount B is the amount of United Kingdom taxes that would be payable by the person in respect of income and chargeable gains arising in the chargeable period if, in determining that amount, the transactions forming part of the scheme or arrangement were disregarded.

#### *Tax deductible payments*

- 6 (1) This paragraph applies to a scheme or arrangement if the scheme or arrangement includes—
  - (a) the making by a person (“A”) of a relevant payment or payments, and
  - (b) the giving, in respect of that payment or payments, of consideration that satisfies the requirements of sub-paragraph (3).
- (2) A payment made by A is a relevant payment if all or part of it may be brought into account in computing A's income for the purposes of United Kingdom taxes.
- (3) Consideration given in respect of a payment or payments made by A satisfies the requirements of this sub-paragraph if—
  - (a) all or part of it consists of a payment or payments made to A or a person connected with A, and
  - (b) tax is chargeable in respect of the payment or payments under the law of a territory outside the United Kingdom.
- (4) In this paragraph references to a payment include references to a transfer of money's worth.
- (5) Section 839 applies for the purposes of this paragraph.”

---

*Status: Point in time view as at 01/04/2009.*

---

- (2) Subsection (1) is subject to the following provisions of this Chapter and to section 360Z3 (provisions applying on termination of lease).
- (3) If—
  - (a) the person who incurred the qualifying expenditure was entitled to more than one interest in the qualifying building when the expenditure was incurred, and
  - (b) one of those interests was reversionary on all the others,the reversionary interest is the relevant interest in the qualifying building.

*Status: Point in time view as at 01/04/2009.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

### **Premises not qualifying business premises or relevant interest sold before premises first used or let**

- 360H) No initial allowance is to be made under section 360G if, at the relevant time, the qualifying building does not constitute qualifying business premises.
- (2) An initial allowance which has been made in respect of a qualifying building which is to be qualifying business premises is to be withdrawn if—
- (a) the qualifying building does not constitute qualifying business premises at the relevant time, or
  - (b) the person to whom the allowance was made has sold the relevant interest in the qualifying building before the relevant time.
- (3) All such assessments and adjustments of assessments are to be made as are necessary to give effect to this section.
- (4) In this section “the relevant time” means the time when the premises are first used by the person with the relevant interest or, if they are not so used, the time when they are first suitable for letting for either of the purposes mentioned in section 360D(1)(b).

## **CHAPTER 6**

### **WRITING-DOWN ALLOWANCES**

#### **Entitlement to writing-down allowances**

- 360I) A person is entitled to a writing-down allowance for a chargeable period if he has incurred qualifying expenditure in respect of a qualifying building and, at the end of the chargeable period—

  - (b) the person has not granted a long lease of the qualifying building out of the relevant interest in consideration of the payment of a capital sum, and
  - (c) the qualifying building constitutes qualifying business premises.
- (2) In subsection (1)(b) “long lease” means a lease the duration of which exceeds 50 years.
- (3) Whether the duration of a lease exceeds 50 years is to be determined—
- (a) in accordance with section 303 of ITTOIA 2005, and
  - (b) without regard to section 360Z3(3) of this Act (new lease granted as a result of the exercise of an option treated as continuation of old lease).
- (4) A person claiming a writing-down allowance may require the allowance to be reduced to a specified amount.

---

*Status: Point in time view as at 01/04/2009.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

- (2) A grant or payment is relevant if it is—
    - (a) a notified State aid other than an allowance under this Part, or
    - (b) a grant or subsidy, other than a notified State aid, which the Treasury by order declares to be relevant for the purposes of the withholding of initial allowances or writing-down allowances.
  - (3) For the purposes of subsection (2), “notified State aid” means a State aid notified to and approved by the European Commission.
  - (4) If a relevant grant or relevant payment towards the expenditure is made after the making of an initial allowance or a writing-down allowance, the allowance is to be withdrawn to that extent.
  - (5) If the amount of the relevant grant or relevant payment is repaid by the grantee to the grantor, in whole or in part, the grant or payment is treated, to that extent, as never having been made.
  - (6) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (4) or (5).
  - (7) Any such assessment or adjustment is not out of time if it is made within 3 years of the end of the chargeable period in which the grant, payment or adjustment was made.

**Commencement Information**

**I38** Sch. 10 para. 27 in force at 6.4.2006, see Sch. 10 para. 64(1)

- 28 In Schedule 28 (authorised pensions), after paragraph 16 insert—
- “16A (1) Paragraphs 16B and 16C apply where—
- (a) the member dies after 5th April 2006,
  - (b) he has reached the age of 75 before his death, and
  - (c) at the time of his death he is actually or prospectively entitled to one or more scheme pensions under the pension scheme.
- (2) References in this paragraph and paragraph 16B to a scheme pension include a pension payable before 6th April 2006 which would be a scheme pension if payable after that date.
- 16B (1) Where a pension is payable under the pension scheme to a dependant of the member in the period of 12 months beginning with the date of the member's death (“the post-death year”), so much of the pension as exceeds the initial member pension limit is not a dependants' scheme pension.
- (2) But if—
- (a) more than one pension is so payable to one of the dependants of the member in the post-death year, or
  - (b) pensions are so payable to more than one dependant of the member in the post-death year,
- (or both), so much of any of the pensions as exceeds the appropriate portion of the initial member pension limit is not a dependants' scheme pension.
- (3) The “initial member pension limit” is (subject to sub-paragraph (4)) the sum of—

*Status: Point in time view as at 01/04/2009.*

*Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)*

- (a) the aggregate of the amounts of the scheme pensions to which the member is actually entitled under the pension scheme immediately before his death payable to the member in the period of 12 months ending with the date of his death (“the pre-death year”),
  - (b) the aggregate of the amounts of the scheme pensions to which the member is prospectively entitled under the pension scheme at that time which would have been so payable if he had been actually entitled to the pensions throughout the pre-death year, and
  - (c) 5% of the aggregate of the amounts of the lump sums on which there is no liability to income tax to which the member has become entitled in connection with scheme pensions under the pension scheme before his death.
- (4) But if the member became (actually) entitled to a scheme pension under the pension scheme during the pre-death year, sub-paragraph (3)(a) has effect as if the amount of that scheme pension which was payable to the member under the pension scheme in the pre-death year were the amount which would have been payable to him in the period of 12 months beginning with the date on which he became entitled to it had he not died.
- (5) The “appropriate portion” of the initial member pension limit, in relation to any pension payable under the pension scheme to a dependant of the member in the post-death year, is—

$$\frac{P}{AP}$$

where—

P is the amount of that pension payable in the post-death year, and

AP is the aggregate of the amounts of each of the pensions payable under the pension scheme to dependants of the member in the post-death year.

- 16C (1) Where a pension is payable under the pension scheme to a dependant of the member, otherwise than in excepted circumstances, in—
- (a) the period of 12 months beginning with the end of the post-death year, or
  - (b) any succeeding period of 12 months,
- (“the 12 months in question”), so much of the pension as exceeds the current member pension limit is not a dependants' scheme pension.
- (2) But if—
- (a) more than one pension is so payable to one of the dependants in the 12 months in question, or
  - (b) pensions are so payable to more than one dependant of the member in the 12 months in question,

---

(or both), so much of any of the pensions as exceeds the appropriate portion of the current member pension limit is not a dependants' scheme pension.

- (3) “Excepted circumstances” means—
- (a) that at the beginning of the period of 12 months in question there are at least 50 pensioner members of the pension scheme, and
  - (b) that the condition in subsection (4) is met.
- (4) The condition in this subsection is met if —
- (a) the difference between CYP and PYP in the case of each relevant existing pension is the same amount,
  - (b) the difference between CYP and PYP in the case of each relevant existing pension is the same percentage of PYP, or
  - (c) in the case of each relevant existing pension the difference between CYP and PYP is the aggregate of a percentage of PYP and an amount which are both the same as those the aggregate of which make up the difference between CYP and PYP in the case of each other relevant existing pension.
- (5) In this section—
- “relevant existing pension” means a pension payable to any dependant of any member under the pension scheme throughout the 12 months in question and the immediately preceding period of 12 months,
- “CYP”, in relation to a relevant existing pension, is the current year pension, that is the amount of the pension payable in the 12 months in question, and
- “PYP”, in relation to a relevant existing pension, is the previous year pension, that is the amount of the pension payable in the immediately preceding period of 12 months.
- (6) The “current member pension limit”, in relation to the 12 month period in question, is the initial member pension limit increased by the aggregate of—
- (a) the permitted margin, and
  - (b) the excepted circumstances amount.
- (7) The “permitted margin” is the amount by which the initial member pension limit would be greater if it had been increased by whichever of calculation A and calculation B gives the greater amount.
- (8) Calculation A involves increasing the initial member pension limit by the relevant annual percentage rate for the whole of the period—
- (a) beginning with the first month beginning after the end of the post-death year (“the opening month”), and
  - (b) ending with the first month of the 12 months in question (“the closing month”).
- (9) The relevant annual percentage rate is—
- (a) if the relevant valuation factor in relation to the pension scheme is a number greater than 20, the annual rate agreed by the Inland Revenue and the scheme administrator, and

- (b) otherwise, 5% per annum.
- (10) Calculation B involves increasing the initial member pension limit by the relevant indexation percentage.
- (11) If the retail prices index for the closing month is higher than it was for the opening month, the relevant indexation percentage is the percentage increase in the retail prices index.
- (12) If it is not, the relevant indexation percentage is 0%.
- (13) The “excepted circumstances amount” is the aggregate of the amounts of the relevant increases in pensions which were payable under the pension scheme to dependants of the member in excepted circumstances in any period or periods within subsection (1)(a) or (b).
- (14) The relevant increase in the case of any pension payable in relation to any 12 month period under the pension scheme to a dependant of the member is the difference between CYP and PYP (for this purpose reading the references in subsection (5) to the 12 months in question as references to the 12 month period).
- (15) The “appropriate portion” of the current member pension limit, in relation to any pension payable under the pension scheme to a dependant of the member in the 12 months in question, is—

$$\frac{P}{AP}$$

where—

P is the amount of that pension payable in the 12 months in question, and

AP is the aggregate of the amounts of each of the pensions payable under the pension scheme to one or more dependants of the member in the 12 months in question.”
