

These notes refer to the Climate Change and Sustainable Energy Act 2006 (c.19) which received Royal Assent on 21 June 2006

CLIMATE CHANGE AND SUSTAINABLE ENERGY ACT 2006

EXPLANATORY NOTES

SUMMARY

Community Energy Schemes and Renewable Heat

12. The Act gives the Secretary of State duties to promote community energy projects and also the use of heat from renewable sources (renewable heat), and to report on steps taken for the purpose of promoting those matters.
