- (2) In particular, a manufacturer—
- in supplying cigarettes or hand-rolling tobacco to persons carrying on business in or in relation to a country other than the United Kingdom, shall consider whether the size or nature of the supply suggests that the products may be required for smuggling into the United Kingdom,
  - shall maintain a written policy about steps to be taken for the purpose of complying with the duty under subsection (1), and
  - shall provide a copy of the policy to the Commissioners on request.
- (3) In this section a reference to smuggling products into the United Kingdom is a reference to importing them into the United Kingdom without payment of duty which is—

(b) a loss (a “qualifying loss”) accrues to the relevant company or any other company on a disposal of a pre-change asset (see subsection (3)),  
(c) the change of ownership occurs directly or indirectly in consequence of, or otherwise in connection with, any arrangements the main purpose, or one of the main purposes, of which is to secure a tax advantage (see section 184D), and  
(d) the advantage involves the deduction of a qualifying loss from any chargeable gains (whether or not it also involves anything else).
- (2) A qualifying loss accruing to a company is not to be deductible from chargeable gains accruing to the company unless the gains accrue to the company on a disposal of a pre-change asset.
- (3) In this section a “pre-change asset” means an asset which was held by the relevant company before the relevant time (but see also sections 184E and 184F).

- (4) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).
- (5) For the purposes of this section it does not matter –
  - (a) whether a qualifying loss accrues before, after or at the relevant time,
  - (b) whether a qualifying loss accrues at a time when there are no chargeable gains from which it could be deducted (or could otherwise have been deducted), or
  - (c) whether the tax advantage is secured for the company to which a qualifying loss accrues or for any other company.

**184B Restrictions on buying gains: tax avoidance schemes**

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if –
  - (a) at any time (“the relevant time”) there is a qualifying change of ownership in relation to a company (“the relevant company”) (see section 184C),
  - (b) a gain (a “qualifying gain”) accrues to the relevant company or any other company on a disposal of a pre-change asset (see subsection (3)),
  - (c) the change of ownership occurs directly or indirectly in consequence of, or otherwise in connection with, any arrangements the main purpose, or one of the main purposes, of which is to secure a tax advantage, and
  - (d) the advantage involves the deduction of a loss from a qualifying gain (whether or not it also involves anything else).
- (2) In the case of a qualifying gain accruing to a company, a loss accruing to the company is not to be deductible from the gain unless the loss accrues to the company on a disposal of a pre-change asset.
- (3) In this section a “pre-change asset” means an asset which was held by the relevant company before the relevant time (but see also sections 184E and 184F).
- (4) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

**184C Sections 184A and 184B: meaning of “qualifying change of ownership”**

- (1) For the purposes of sections 184A and 184B, there is a qualifying change of ownership in relation to a company at any time if any one or more of the following occur at that time –

  - (b) the company ceases to be a member of a group of companies,
  - (c) the company becomes subject to different control (see subsections (6) to (9)).
- (2) Whether a company is a member of a group of companies at any time is determined in accordance with section 170.
- (3) But, apart from in the excepted case, nothing in section 170(10) or (10A) is to prevent all the companies of one group from being regarded as joining another group when the principal company of the first group becomes a member of the other group at any time.
- (4) The excepted case is the case where –
  - (a) the persons owning the shares of the principal company of the first group immediately before that time are the same as the persons owning the shares of the principal company of the other group immediately after that time,
  - (b) the principal company of the other group was not the principal company of any group immediately before that time, and
  - (c) immediately after that time the principal company of the other group had assets consisting entirely (or almost entirely) of shares of the principal company of the first group.
- (5) For this purpose, references to shares of a company are to the shares comprised in the issued share capital of the company.
- (6) The general rule is that a company becomes subject to different control at any time if any one or more of the following occur –
  - (a) a person has control of the company at that time (whether alone or together with one or more others) and the person did not previously have control of the company,
  - (b) a person has control of the company at that time together with one or more others and the person previously had control of the company alone,
  - (c) a person ceases to have control of the company at that time (whether the person had control alone or together with one or more others).
- (7) The general rule is subject to the following exceptions.
- (8) A company does not become subject to different control in any case where it joins a group of companies and the case is the excepted case mentioned above.
- (9) A company (“the subsidiary”) does not become subject to different control at any time in any case where –
  - (a) immediately before that time the subsidiary is the 75 per cent. subsidiary of another company, and

- (b) (although there is a change in the direct ownership of the subsidiary) that other company continues immediately after that time to own it as a 75 per cent. subsidiary.

**184D Sections 184A and 184B: meaning of “tax advantage”**

  - (b) the asset has been disposed of at any time after the relevant time by a disposal to which section 171(1) does not apply (a “non-section 171(1) transfer”),
 the asset ceases to be regarded as a pre-change asset for the purposes of sections 184A and 184B (but see also subsections (10) and (11)).
- (2) But (without affecting the generality of the provision made by the following subsection) if, on a non-section 171(1) transfer,—
  - (a) an asset would cease to be regarded as a pre-change asset as a result of subsection (1), and
  - (b) the company making the non-section 171(1) transfer retains any interest in or over the asset,
 that interest is to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (3) If—
  - (a) the relevant company or any other company holds an asset (“the new asset”) at or after the relevant time,
  - (b) the value of the new asset derives in whole or in part from a pre-change asset, and
  - (c) the new asset is not acquired by the company concerned as a result of a non-section 171(1) transfer,
 the new asset is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (4) For this purpose the cases in which the value of an asset may be derived from any other asset include any case where—
  - (a) assets have been merged or divided,
  - (b) assets have changed their nature, or
  - (c) rights or interests in or over assets have been created or extinguished.
- (5) If a pre-change asset is “the old asset” for the purposes of section 116 (reorganisations, conversions and reconstructions), “the new asset” for the purposes of that section is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.

- (6) If a pre-change asset is the “original shares” for the purposes of sections 127 to 131 (reorganisation or reduction of share capital), the “new holding” for the purposes of those sections is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (7) The following subsection applies if, as a result of the application of a relevant deferral provision in the case of a disposal of a pre-change asset (“the original disposal”),—
- (a) a gain or loss that would otherwise accrue to a company does not so accrue, or
  - (b) any part of any such gain is treated as forming part of a single chargeable gain which does not accrue to the company on the original disposal,
- and a gain or loss does, wholly or partly in consequence of the application of that provision in the case of the original disposal, accrue to the company or any other company on a subsequent occasion.
- (8) So much of the gain or loss accruing on the subsequent occasion as accrues in consequence of the application of the relevant deferral provision in the case of the original disposal is to be regarded for the purposes of sections 184A and 184B as accruing on a disposal of a pre-change asset (so far as it would not otherwise be so regarded).
- (9) A “relevant deferral provision” means any of the following—
- (a) section 139 (reconstruction involving transfer of business),
  - (b) section 140 (postponement of charge on transfer of assets to non-resident company),
  - (c) section 140A (transfer of a UK trade),
  - (d) section 140E (merger leaving assets within UK tax charge),
  - (e) sections 152 and 153 (replacement of business assets),
  - (f) section 187 (postponement of charge on deemed disposal under section 185).
- (10) If—
- (a) a pre-change asset of the relevant company is transferred to another company (“the transferee company”),
  - (b) any of sections 139, 140A and 140E apply to the companies in the case of the asset, and
  - (c) the transfer of the asset is made directly or indirectly in consequence of, or otherwise in connection with, the arrangements mentioned in section 184A or 184B,
- the asset is to be regarded as a “pre-change asset” in the hands of the transferee company for the purposes of sections 184A and 184B.
- (11) In such a case, subsection (1) applies as if the reference in paragraph (a) of that subsection to the relevant company were to the transferee company.

#### **184F Sections 184A and 184B: “pre-change assets”: pooling rules**

- (1) This section applies, in the case of any pre-change asset of the relevant company or any pre-change asset of any company which is acquired on a disposal to which section 171(1) applies, if—

- (a) the pre-change asset consists of a holding of securities which falls as a result of any provision of Chapter 1 of Part 4 to be regarded as a single asset (“the pre-change pooled asset”), and
  - (b) as a result of any disposal or acquisition at any time after the relevant time, any securities (“the other securities”) would (but for this section) be regarded as forming part of the pre-change pooled asset.
- (2) None of the other securities are to be regarded for the purposes of this Act as forming part of the pre-change pooled asset.
- (3) But this does not prevent the other securities from being regarded, as a result of any provision of that Chapter, as forming part of or constituting a different, single asset (“the other pooled asset”).
- (4) Securities of the same class as the other securities which are disposed of at or after the relevant time –
- (a) are to be identified first with the other securities or securities forming part of the other pooled asset,
  - (b) are to be identified next with securities forming part of the pre-change pooled asset (if the number of securities disposed of exceeds the number identified in accordance with paragraph (a)), and
  - (c) subject to paragraphs (a) and (b), are to be identified in accordance with the provisions applicable apart from those paragraphs.
- (5) The above identification rules apply even if some or all of the securities disposed of are otherwise identified –
- (a) by the disposal, or
  - (b) by a transfer or delivery giving effect to it;
- but where a company disposes of securities in one capacity, they are not to be identified with securities which it holds, or can dispose of, only in some other capacity.
- (6) Chapter 1 of Part 4 has effect subject to this section.
- (7) In this section –
- “pre-change asset” means an asset which is pre-change asset for the purposes of section 184A or 184B,
  - “securities” does not include relevant securities as defined in section 108 but, subject to that, means –
    - (a) shares or securities of a company, and
    - (b) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired.
- (8) For the purposes of this section, shares or securities of a company are not to be treated as being of the same class unless –
- (a) they are so treated by the practice of a recognised stock exchange, or
  - (b) they would be so treated if dealt with on a recognised stock exchange.”.
- (3) In Schedule 7A (restriction on set-off of pre-entry losses), in paragraph 1(1) (application of Schedule), at the end insert “, but this Schedule shall have no

effect in any case where section 184A (restrictions on buying losses: tax avoidance schemes) has effect in relation to those losses”.

- (4) Section 177B and Schedule 7AA (restrictions on setting losses against pre-entry gains) shall cease to have effect.
- (5) In section 213 (insurance companies: spreading of gains and losses under section 212) –
  - (a) in subsection (8H) for “that the net amount is” to the end substitute “that the net amount would still arise even if losses accruing after the date on which the company or transferee joined the group of companies were disregarded”, and
  - (b) in subsection (8I) for “paragraph 1” to the end substitute “section 184C as if those references were contained in that section; and in subsection (8A)(b) above “group” has the same meaning as in that section”.

The amendments made by this subsection have effect where the accounting period for which the net amount represents an excess of losses over gains is an accounting period ending on or after 5th December 2005.

- (6) The amendments made by this section, other than subsection (5), have effect for calculating the amount to be included in respect of chargeable gains in a company’s total profits for any accounting period ending on or after 5th December 2005.
- (7) But, in respect of any such accounting period, those amendments do not have effect in relation to the deduction of any loss from chargeable gains that accrue on any disposal made before 5th December 2005 unless that loss accrues on a disposal made on or after that date.
- (8) For the purposes of those amendments, it does not matter whether a qualifying change of ownership in relation to a company occurs –
  - (a) before 5th December 2005, or
  - (b) on or after that date.
- (9) The following subsection applies so long as each of the following conditions is met –
  - (a) at any time (“the relevant time”) before 5th December 2005 there is a qualifying change of ownership in relation to a company (“the relevant company”) for the purposes of section 184A or 184B of TCGA 1992,
  - (b) the change of ownership occurs because the relevant company ceases to be a member of a group of companies at the relevant time (whether or not it also occurs for any other reason),
  - (c) the principal company of that group has control of the relevant company at the relevant time and at all subsequent times,
  - (d) the principal company of that group does not, at or after the relevant time, join another group otherwise than in the excepted case, and
  - (e) a qualifying loss for the purposes of section 184A of TCGA 1992, or a qualifying gain for the purposes of section 184B of that Act, accrues to the relevant company or any other company on a disposal made before 5th December 2005.
- (10) Section 184A or 184B of TCGA 1992 applies in relation to that qualifying loss or gain as if, for the purposes of that section, a “pre-change asset” included an asset held before the relevant time by any company which, immediately before the relevant time, was a member of the same group of companies as the relevant company.

- (11) Subsections (9) and (10) are to be read as if contained in section 184C of TCGA 1992.

## 71 Other avoidance involving losses accruing to companies

- (1) After section 184F of TCGA 1992 (as inserted by section 70 above) insert –

### **“184G Avoidance involving losses: schemes converting income to capital**

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if conditions A to D are satisfied.
- (2) Condition A is that –
  - (a) any receipt arises to a company (“the relevant company”) on a disposal of an asset, and
  - (b) the receipt arises directly or indirectly in consequence of, or otherwise in connection with, any arrangements.
- (3) Condition B is that –
  - (a) a chargeable gain (the “relevant gain”) accrues to the relevant company on the disposal, and
  - (b) losses accrue (or have accrued) to the relevant company on any other disposal of any asset (whether before or after or as part of the arrangements).
- (4) Condition C is that, but for the arrangements, an amount would have fallen to be taken into account wholly or partly instead of the receipt in calculating the income chargeable to corporation tax –
  - (a) of the relevant company, or
  - (b) of a company which, at any qualifying time, is a member of the same group as the relevant company.
- (5) Condition D is that –
  - (a) the main purpose of the arrangements, or
  - (b) one of the main purposes of the arrangements,
 is to secure a tax advantage that involves the deduction of any of the losses from the relevant gain (whether or not it also involves anything else).
- (6) If the Board consider, on reasonable grounds, that conditions A to D are or may be satisfied, they may give the relevant company a notice in respect of the arrangements (but see also section 184I).
- (7) If, when the notice is given, conditions A to D are satisfied, no loss accruing to the relevant company at any time is to be deductible from the relevant gain.
- (8) A notice under this section must –
  - (a) specify the arrangements,
  - (b) specify the accounting period in which the relevant gain accrues, and
  - (c) inform the relevant company of the effect of this section.
- (9) If relevant gains accrue in more than one accounting period, a single notice under this section may specify all the accounting periods concerned.

- (10) In this section –
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable),
  - “group”, in relation to companies, means a group determined in accordance with section 170,
  - “qualifying time”, in relation to any arrangements, means any time which falls in the period –
    - (a) beginning with the time at which the arrangements are made, and
    - (b) ending with the time at which the matters (other than any tax advantage) intended to be secured by the arrangements are secured,
- “tax advantage” has the meaning given by section 184D.

#### **184H Avoidance involving losses: schemes securing deductions**

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if conditions A to D are satisfied.
- (2) Condition A is that –
  - (a) a chargeable gain (the “relevant gain”) accrues to a company (“the relevant company”) directly or indirectly in consequence of, or otherwise in connection with, any arrangements, and
  - (b) losses accrue (or have accrued) to the relevant company on any disposal of any asset (whether before or after or as part of the arrangements).
- (3) Condition B is that the relevant company, or a company connected with the relevant company, incurs any expenditure –
  - (a) which is allowable as a deduction in calculating its total profits chargeable to corporation tax but which is not allowable as a deduction in computing its gains under section 38, and
  - (b) which is incurred directly or indirectly in consequence of, or otherwise in connection with, the arrangements.
- (4) Condition C is that the main purpose, or one of the main purposes, of the arrangements is to secure a tax advantage that involves both –
  - (a) the deduction of the expenditure in calculating total profits, and
  - (b) the deduction of any of the losses from the relevant gain,whether or not it also involves anything else.
- (5) Condition D is that the arrangements are not excluded arrangements. For this purpose arrangements are excluded arrangements if –
  - (a) the arrangements are made in respect of land or any estate or interest in land,
  - (b) the arrangements fall within section 779(1) or (2) of the Taxes Act (sale and lease-back: limitation on tax reliefs),
  - (c) the person to whom the payment mentioned in that subsection is payable is not a company connected with the relevant company, and
  - (d) the arrangements are made between persons dealing at arm’s length.

- (6) If the Board consider, on reasonable grounds, that conditions A to D are or may be satisfied, they may give the company a notice in respect of the arrangements (but see also section 184I).
- (7) If, when the notice is given, conditions A to D are satisfied, no loss accruing to the company at any time is to be deductible from the relevant gain.
- (8) A notice under this section must—
  - (a) specify the arrangements,
  - (b) specify the accounting period in which the relevant gain accrues, and
  - (c) inform the relevant company of the effect of this section.
- (9) If relevant gains accrue in more than one accounting period, a single notice under this section may specify all the accounting periods concerned.
- (10) In this section—
  - “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable),
  - “tax advantage” has the meaning given by section 184D.
- (11) For the purposes of this section it does not matter whether the tax advantage is secured for the relevant company or for any other company.

#### **184I Notices under sections 184G and 184H**

- (1) Subsection (2) applies if—
  - (a) the Board give a notice under section 184G or 184H (a “relevant notice”) to a company that specifies an accounting period, and
  - (b) the notice is given before the company has made its company tax return for that accounting period.
- (2) If the company makes its return for that period before the end of the applicable 90 day period (see subsection (12)), it may—
  - (a) make a return that disregards the notice, and
  - (b) at any time after making the return and before the end of the applicable 90 day period, amend the return for the purpose of complying with the provision referred to in the notice.
- (3) If a company has made a company tax return for an accounting period, the Board may give the company a relevant notice in relation to that period only if a notice of enquiry has been given to the company in respect of its return for that period.
- (4) After any enquiries into the return for that period have been completed, the Board may give the company a relevant notice only if requirements A and B are met.
- (5) Requirement A is that at the time the enquiries into the return were completed, the Board could not have been reasonably expected, on the basis of information made available—
  - (a) to them before that time, or
  - (b) to an officer of theirs before that time,

to have been aware that the circumstances were such that a relevant notice could have been given to the company in relation to that period.

- (6) For the purposes of requirement A, paragraph 44(2) and (3) of Schedule 18 to the Finance Act 1998 (information made available) applies as it applies for the purposes of paragraph 44(1).
- (7) Requirement B is that—
  - (a) the company or any other person was requested to produce or provide information during an enquiry into the return for that period, and
  - (b) if the request had been duly complied with, the Board could reasonably have been expected to give the company a relevant notice in relation to that period.
- (8) If—
  - (a) a company makes a company tax return for an accounting period, and
  - (b) the company is subsequently given a relevant notice that specifies that period,it may amend the return for the purpose of complying with the provision referred to in the notice at any time before the end of the applicable 90 day period.
- (9) If the relevant notice is given to the company after it has been given a notice of enquiry in respect of its return for the period, no closure notice may be given in relation to its company tax return until—
  - (a) the end of the applicable 90 day period, or
  - (b) the earlier amendment of its company tax return for the purpose of complying with the provision referred to in the notice.
- (10) If the relevant notice is given to the company after any enquiries into the return for the period are completed, no discovery assessment may be made as regards the chargeable gain to which the notice relates until—
  - (a) the end of the applicable 90 day period, or
  - (b) the earlier amendment of the company tax return for the purpose of complying with the provision referred to in the notice.
- (11) Subsections (2)(b) and (8) do not prevent a company tax return for a period becoming incorrect if—
  - (a) a relevant notice is given to the company in relation to that period,
  - (b) the return is not amended in accordance with subsection (2)(b) or (8) for the purpose of complying with the provision referred to in the notice, and
  - (c) the return ought to have been so amended.
- (12) In this section—

“the applicable 90 day period”, in relation to a relevant notice, means the period of 90 days beginning with the day on which the notice is given,

“closure notice” means a notice under paragraph 32 of Schedule 18 to the Finance Act 1998,

- (3) In paragraph 42 of that Schedule (restrictions on power to make discovery assessment etc), in sub-paragraph (2A), after “1988” insert “or section 184G or 184H of the Taxation of Chargeable Gains Act 1992”.
- (4) The amendments made by this section have effect in relation to chargeable gains accruing on any disposal that is made on or after 5th December 2005.

- (1) Section 106 of TCGA 1992 (disposal of shares and securities by company within prescribed period of acquisition) shall cease to have effect.
- (2) In consequence of that repeal—
  - (a) in section 104(2)(b) of TCGA 1992 (share pooling: general interpretative provisions) omit “, 106”,
  - (b) in section 105 of that Act (disposal on or before day of acquisition of shares and other unidentified assets)—

T is the temporal discount rate, and

i is the number of days in P divided by 365.

- (2) The notional delivery day need not be a day in the chargeable period.
- (3) In the case of a quantity of oil which, at the end of the chargeable period, –
  - (a) has neither been disposed of nor relevantly appropriated in the period, or
  - (b) has been disposed of but not delivered in the period,the notional delivery day is the last business day of the chargeable period.
- (4) In the case of –
  - (a) a quantity of oil won and disposed of which is delivered on a day in the chargeable period, or
  - (b) a quantity of oil –
    - (i) relevantly appropriated on a day in the chargeable period, but
    - (ii) not disposed of in the chargeable period,the notional delivery day is to be determined in accordance with subparagraphs (5) to (7) below.
- (5) If that oil is –

- (a) oil transported by ship from the place of extraction to a place in the United Kingdom or elsewhere, or
- (b) oil transported by pipeline to a place in the United Kingdom and loaded on to a ship there,
- and there is a loading slot for it (see sub-paragraph (8)), the notional delivery day is the middle day of the loading slot.

- (a) if it is oil delivered on a day in the chargeable period, the notional delivery day is the date of the delivery, or

- (a) Category 1 oil of any kind, or
- (b) Category 2 oil of any kind.

(1B) For the purposes of this Act—

- (a) Category 1 oil is oil of any of one or more kinds specified as such in regulations made for the purpose by the Board;

- (b) the contract is for delivery of a single standard cargo of the oil;
- (c) the contract specifies a period of three days within which loading of the oil is to take place and that period includes the notional delivery day for the actual oil;
- (d) the contract requires the oil to have been subjected to appropriate initial treatment before delivery;
- (e) the contract requires the oil to be delivered—
  - (i) in the case of oil extracted in the United Kingdom, at the place of extraction; or
  - (ii) in the case of oil extracted from strata in the sea bed and subsoil of the territorial sea of the United Kingdom or of a designated area, at the place in the United Kingdom or another country at which the seller could reasonably be expected to deliver it or, if there is more than one such place, the one nearest to the place of extraction.

The terms as to payment which are to be implied in the contract are those which are customarily contained in contracts for the sale at arm’s length of oil of the kind in question.

(2AA) The market value of any particular quantity of Category 2 oil of any kind is the price for which that quantity of oil of that kind might reasonably have been expected to be sold under a contract of sale that meets the following conditions—

- (a) the contract is for the sale of the oil at arm's length to a willing buyer;
- (b) the contract provides for delivery of the oil on the notional delivery day for the actual oil or within such period that includes that day as is normal under a contract at arm's length for the sale of oil of that kind (or, if there is more than one such period, the shortest of them);
- (c) the contract is made on a date such that the period between that date and the notional delivery day for the actual oil is the normal period between contract and delivery in the case of a contract at arm's length for the sale of oil of that kind (or, if there is more than one such period, the shortest of them);
- (d) the contract requires the oil to have been subjected to appropriate initial treatment before delivery;
- (e) the contract requires the oil to be delivered –
  - (i) in the case of oil extracted in the United Kingdom, at the place of extraction; or

The terms as to payment which are to be implied in the contract are those which are customarily contained in contracts for the sale at arm's length of oil of the kind in question.”.

- (6) For sub-paragraphs (2A) to (2D) substitute –

“(2E) For the purposes of sub-paragraph (2) or (2AA) above, the price of any quantity of Category 1 or Category 2 oil of any kind shall be determined in such manner, on the basis of such information, and by reference to such factors, as may be prescribed for oil of that Category and kind in regulations made by the Board.

- (2H) For that purpose it is immaterial whether the impracticability or inappropriateness is by virtue of—
  - (a) an insufficiency of contracts or published prices that satisfy the conditions,
  - (b) an insufficiency of information relating to such contracts or published prices, or
  - (c) the nature of the market for oil of the kind in question, or for any other reason.
- (2I) Where this sub-paragraph has effect, the price is to be determined—
  - (a) so far as it is practicable and appropriate to do so by reference to other contracts or published prices (whether or not relating to oil of the same kind) and in accordance with the principles set out in the regulations for determining an average of prices; and
  - (b) so far as it is not practicable or appropriate to determine it as mentioned in paragraph (a) above, in such other manner as appears to the Board to be appropriate in the circumstances.”.

  - (b) would not (apart from this subsection) fall to be brought into account for the purposes of that provision in the first new period by reason only that the date on which the oil is to be regarded by virtue of section 12A of that Act as delivered falls in the last old period,

## MEANING OF CONDITIONS FOR THE PURPOSES OF SECTION 403F

*Introduction*

- 1 This Part of this Schedule applies, in the case of any non-resident company, for the purposes of section 403F (relief in respect of overseas losses of non-resident companies).

*The equivalence condition*

- 2 An amount meets the equivalence condition if it corresponds (in all material respects) to an amount of a kind that, for the purposes of section 403, could be available for surrender by way of group relief by a company resident in the United Kingdom.

*The EEA tax loss condition: companies resident in EEA territory*

- 3 (1) In the case of a non-resident company which is resident in an EEA territory (“the relevant territory”), an amount meets the EEA tax loss condition in relation to the relevant territory in so far as conditions A and B are met.
- (2) Condition A is that the amount is calculated in accordance with the applicable rules under the law of the relevant territory for determining, in the case of the company, the amount of any loss or other amount eligible for relief from any tax under the relevant territory.

- (3) Condition B is that, for the purposes of corporation tax, the amount is not attributable to a UK permanent establishment of the company.
- (4) “UK permanent establishment”, in relation to the company, means any permanent establishment through which it carries on a trade in the United Kingdom.
- (5) For the meaning of tax under any territory outside the United Kingdom, see paragraph 17.

*The EEA tax loss condition: companies not resident in EEA territory*

- 4 (1) In the case of a non-resident company which is not resident in any EEA territory but which carries on a trade in an EEA territory (“the relevant territory”) through a permanent establishment, an amount meets the EEA tax loss condition for any period in relation to the relevant territory in so far as conditions A and B are met.
- (2) Condition A is that the amount is calculated in accordance with the applicable rules under the law of the relevant territory for determining, in the case of the company, the amount of any loss or other amount eligible for relief from any tax under the relevant territory.
- (3) Condition B is that the amount is not attributable to activities of the company which are made exempt from tax under the relevant territory for the period by any double taxation arrangements.
- (4) For this purpose, activities of the company are made exempt from tax under the relevant territory for the period by any double taxation arrangements if those arrangements –
  - (a) have the following effect, or
  - (b) would have the following effect if a claim were made.
- (5) The effect is that the income and gains (if any) arising for the period from those activities are ignored in calculating the company’s profits, income or gains chargeable to tax under the relevant territory for the period.
- (6) For the purposes of this paragraph, arrangements are double taxation arrangements if they are made with a view to affording relief from double taxation in relation to –
  - (a) any tax under the relevant territory and any other territory outside the United Kingdom, or
  - (b) any tax under the relevant territory and United Kingdom income or corporation tax.

*The qualifying loss condition*

- 5 (1) This paragraph applies in the case of a non-resident company –
  - (a) which is resident in any EEA territory, or
  - (b) which is not so resident but which carries on a trade in an EEA territory through a permanent establishment,
 and for the purposes of this paragraph “the EEA territory concerned” means the EEA territory in which the company is

resident or (as the case may be) in which it carries on a trade through a permanent establishment.

- (2) An amount meets the qualifying loss condition in so far as the amount—
  - (a) cannot be given qualifying relief for any period (“the current period”) or any other period, and
  - (b) has not been given any other qualifying relief under the law of any territory outside the United Kingdom (other than the EEA territory concerned).
- (3) Paragraph 6 determines whether the amount cannot be given qualifying relief for the current period or any previous period.
- (4) Paragraph 7 determines whether the amount cannot be given qualifying relief for any period after the current period.
- (5) Paragraph 8 determines whether the amount has not been given qualifying relief under the law of any territory outside the United Kingdom (other than the EEA territory concerned).

*Qualifying relief for current period and previous periods*

- 6 (1) For the purposes of paragraph 5, an amount cannot be given qualifying relief for the current period or any previous period if conditions A and B are met.
- (2) Condition A is that, for the purposes of any tax under the EEA territory concerned or under any relevant territory, the amount cannot be taken into account in calculating any profits, income or gains which—
  - (a) arise to the company or any other person in the current period or any previous period, and
  - (b) are chargeable to that tax for the current period or any previous period.
- (3) Condition B is that, for the purposes of any tax under the EEA territory concerned or under any relevant territory, the amount cannot be relieved in the current period or any previous period—
  - (a) by the payment of a credit,
  - (b) by the elimination or reduction of a tax liability, or
  - (c) by any other means of any kind.
- (4) An amount is to be regarded for the purposes of this paragraph as meeting conditions A and B if (but only if) every step to secure that the amount is so taken into account or relieved is taken (whether by the company or any other person).
- (5) In this paragraph “relevant territory” means—
  - (a) if the company is resident in any EEA territory and is also resident in any other territory outside the United Kingdom, that other territory,
  - (b) if the company is not resident in any EEA territory but carries on a trade in an EEA territory through a permanent establishment, the territory (or territories) in which it is resident.

*Qualifying relief for future periods*

- 7 (1) For the purposes of paragraph 5, an amount cannot be given qualifying relief for any period after the current period if conditions A and B are met.
- (2) Condition A is that, for the purposes of any tax under the EEA territory concerned or under any relevant territory, the amount cannot be taken into account in calculating any profits, income or gains which—
- (a) might arise to the company or any other person in any period after the current period, and
  - (b) (if there were any) would be chargeable to that tax for any period after the current period.
- (3) Condition B is that, for the purposes of any tax under the EEA territory concerned or under any relevant territory, the amount cannot be relieved in any period after the current period—
- (a) by the payment of a credit,
  - (b) by the elimination or reduction of a tax liability, or
  - (c) by any other means of any kind.
- (4) In determining for the purposes of conditions A and B whether an amount can be so taken into account or relieved, the time at which the determination is to be made is the time immediately after the end of the current period.
- (5) In this paragraph “relevant territory” means—
- (a) if the company is resident in any EEA territory and is also resident in any other territory outside the United Kingdom, that other territory,
  - (b) if the company is not resident in any EEA territory but carries on a trade in an EEA territory through a permanent establishment, the territory (or territories) in which it is resident.

*Amount not given other qualifying relief under law of territory outside UK*

- 8 (1) For the purposes of paragraph 5, an amount has not been given qualifying relief under the law of any territory outside the United Kingdom (other than the EEA territory concerned) if conditions A and B are met.
- (2) Condition A is that, for the purposes of any tax under any territory outside the United Kingdom (other than the EEA territory concerned), the amount has not been taken into account in calculating any profits, income or gains which—
- (a) have arisen to the company or any other person in any period, and
  - (b) were chargeable to that tax for the period (or, but for so taking the amount into account, would have been so chargeable).
- (3) Condition B is that, for the purposes of any tax under any territory outside the United Kingdom (other than the EEA territory concerned), the amount has not been relieved in any period—

- (a) by the payment of a credit,
- (b) by the elimination or reduction of a tax liability, or
- (c) by any other means of any kind.

*Precedence condition*

- 9 (1) This paragraph applies in the case of a non-resident company (“the relevant company”)—
- (a) which is resident in any EEA territory, or
  - (b) which is not so resident but which carries on a trade in an EEA territory through a permanent establishment.
- (2) An amount meets the precedence condition in relation to the EEA territory concerned in so far as relief for the amount cannot be given in any other territory outside the United Kingdom which is a qualifying territory in relation to the relevant company.
- (3) For this purpose a territory is a qualifying territory in relation to the relevant company if—
- (a) another company is resident in that territory (which need not be an EEA territory),
  - (b) that other company owns directly or indirectly any ordinary share capital in the relevant company,
  - (c) a third company which is resident in the United Kingdom owns directly or indirectly any ordinary share capital of that other company,
  - (d) the relevant company is a 75 per cent. subsidiary of that third company, and
  - (e) the relevant company is not a 75 per cent. subsidiary of that third company as a result of its being a 75 per cent. subsidiary of a fourth company which is resident in the United Kingdom.
- (4) In this paragraph references, in relation to any amount and any territory, to relief being given for the amount in the territory are to relief being given—
- (a) by taking the amount into account in calculating any profits, income or gains of any person chargeable to tax under the law of that territory,
  - (b) by the payment of a credit to any person under the law of that territory,
  - (c) by the elimination or reduction of a tax liability of any person under the law of that territory, or
  - (d) by any other means of any kind.
- (5) “The EEA territory concerned” means the EEA territory in which the relevant company is resident or (as the case may be) in which it carries on a trade through a permanent establishment.

PART 2

APPLICATION OF UK RULES TO NON-RESIDENT COMPANY

*Introduction*

- 10 (1) This Part of this Schedule applies in the case of any loss or other amount (“the EEA amount”) arising to a non-resident company (“the EEA company”) in any period (“the loss period”) in so far as the EEA amount meets the conditions mentioned in subsection (2)(a) to (d) of section 403F.
- (2) In this Part of this Schedule “the EEA territory concerned” means the EEA territory in which the EEA company is resident or (as the case may be) in which it carries on a trade through a permanent establishment.
- (3) In this Part of this Schedule any reference to the appropriate part of the EEA amount is to that amount in so far as it meets the conditions mentioned in subsection (2)(a) to (d) of section 403F.

*Basic rules*

- 11 (1) The EEA amount must, on the relevant assumptions (see sub-paragraph (5)), be recalculated in accordance with the applicable UK tax rules (see paragraph 16).
- (2) The amount of the EEA amount that is available for surrender by the EEA company by way of group relief is so much of the appropriate part of it as does not exceed the relevant proportion (see sub-paragraph (5)) of the amount given by that recalculation.
- (3) But if the amount given by that recalculation is an amount of income or other profits, no part of the EEA amount is available for surrender by way of group relief.
- (4) So far as any part of the EEA amount is available for surrender by the EEA company by way of group relief, the provisions of this Chapter have effect in that case on the basis that the relevant assumptions are made.
- (5) In this paragraph—
  - “the relevant assumptions” are the assumptions set out in paragraphs 12 to 15, and
  - “the relevant proportion” means the proportion that the appropriate part of the EEA amount bears to the EEA amount.

*Assumptions as to UK residence*

- 12 (1) It is to be assumed that the EEA company is resident in the United Kingdom throughout the loss period.
- (2) But this does not require it to be assumed—
  - (a) that there is any change in the place or places at which the EEA company carries on its activities (although see paragraph 13), or

- (b) that the EEA company ceases to be resident in the United Kingdom at the end of the loss period.
- (3) It is to be assumed that the EEA company becomes resident in the United Kingdom (and, accordingly, within the charge to corporation tax) at the beginning of the loss period.

*Assumptions as to places in which activities carried out*

- 13 (1) In the case of any trade carried on by the EEA company in the loss period wholly or partly in the EEA territory concerned, it is to be assumed that the trade is carried on wholly or partly in the United Kingdom.
- (2) In the case of any estate, interest or rights in or over land in the EEA territory concerned which are held by the EEA company, it is to be assumed that the land is in the United Kingdom.
- (3) For this purpose, the reference to domestic concepts of law in relation to the land in the EEA territory concerned is to be read so as to produce the result that most closely corresponds with that produced for Schedule A purposes in relation to land in the United Kingdom.

*Deemed accounting period*

- 14 (1) It is to be assumed that an accounting period of the EEA company begins at the beginning of the loss period.
- (2) It is to be assumed that the accounting period ends on the earlier of—
  - (a) the end of 12 months from the beginning of the loss period, or
  - (b) the end of the loss period.
- (3) If an accounting period ends in accordance with sub-paragraph (2)(a), it is to be assumed that a further accounting period begins when the previous one ends.
- (4) It is to be assumed that the further accounting period ends on the earlier of—
  - (a) the end of 12 months from the beginning of the further accounting period, or
  - (b) the end of the loss period.

*Capital allowances*

- 15 (1) This paragraph applies if, before the beginning of the loss period, the EEA company incurs any capital expenditure on the provision of plant or machinery for the purposes of any activity.
- (2) It is to be assumed for the purposes of Part 2 of the Capital Allowances Act that the plant or machinery—
  - (a) was provided for purposes wholly other than those of the activity, and

- (b) was not brought into use for the purposes of the activity until the beginning of the loss period,  
 and section 13 of the Capital Allowances Act (use for qualifying activity of plant or machinery provided for other purposes) is to apply accordingly.
- (3) This paragraph is to be read as one with Part 2 of the Capital Allowances Act.

*Applicable UK tax rules*

- 16 (1) For the purposes of this Part of this Schedule references to recalculating the EEA amount in accordance with the applicable UK tax rules are to recalculating it in accordance with any provision made by or under the Corporation Tax Acts –
- (a) which applies for the purpose of calculating for corporation tax purposes the amount of the loss or other amount to which the EEA amount corresponds, or
  - (b) which otherwise affects in any way the amount of that loss or other amount for which relief from corporation tax is available.
- (2) For the purposes of sub-paragraph (1), the Treasury may by regulations provide for the modification of any provision made by or under the Corporation Tax Acts –
- (a) which applies as mentioned in sub-paragraph (1)(a), or
  - (b) which otherwise affects an amount as mentioned in sub-paragraph (1)(b).
- (3) Regulations under this paragraph may make provision in relation to –
- (a) all classes of trade or business, or
  - (b) any particular class or classes of trade or business.
- (4) Regulations under this paragraph may make –
- (a) different provision for different cases or different purposes, and
  - (b) incidental, supplemental, consequential or transitional provision and savings.
- (5) Regulations under this paragraph may make provision having effect before the date on which the regulations are made.

- (a) when pre-production of the film begins, or
  - (b) if earlier, when any income from the film is received by the company.

#### *Pre-trading expenditure*

- (5) If a final certificate is revoked, the company –
- (a) is not entitled to relief for any period, and
  - (b) must amend accordingly its company tax return for any period for which relief was claimed.

- If those requirements are met, the company is provisionally treated in relation to that period as if that condition was met.
- (2) If such a statement is made but it subsequently appears that condition will not be met on completion of the film, the company –
- (a) is not entitled to relief for any period for which its entitlement depended on such a statement, and
  - (b) must amend accordingly its company tax return for any such period.
- (3) When the film is completed or, as the case may be, the company abandons film-making activities in relation to it –

In that case, the film is provisionally treated in relation to that period as if that condition was met.

- (2) If it subsequently appears that the condition will not be met on completion of the film, the company –

  - (b) an amount of money (“cash collateral”) is payable to or for the benefit of the lender for the purpose of securing the discharge of the requirement to transfer the relevant securities back to the lender,
  - (c) the stock lending arrangement is designed to produce a return to the borrower which equates, in substance, to the return on an investment of money at interest, and
  - (d) the main purpose, or one of the main purposes, of the stock lending arrangement is the obtaining of a tax advantage.
- (2) Where this section applies –
- (a) the Tax Acts are to apply as if the borrower receives an amount of interest payable in respect of the cash collateral, and
  - (b) the amount of the interest is calculated in accordance with the following provisions of this section (see, in particular, subsections (3) to (7)).
- (3) The interest is treated for the purposes of the Tax Acts as if it were received on the date (“the return date”) on which the borrower transfers the relevant securities back to the lender.
- (4) The interest is treated for the purposes of the Tax Acts as if it were payable in respect of the period (“the interest period”) –
- (a) beginning with the date on which the lender transfers the relevant securities to the borrower, and

- (5) The rate of interest payable in respect of the cash collateral is a rate that is reasonably comparable to the rate that the borrower could

- obtain by placing the cash collateral on deposit for the interest period.
- (6) For the purposes of this section, the amount of the cash collateral on which the interest is payable is taken to be –

- (9) If the borrower is a company within the charge to corporation tax –
- (a) the interest which the borrower is treated as receiving is treated for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (loan relationships) as payable to it on a money debt,
  - (b) that money debt is treated for those purposes as a relationship to which section 100 of the Finance Act 1996 applies (money debts etc not arising from the lending of money), and
  - (c) the credits to be brought into account for those purposes in respect of the interest must be determined using an amortised cost basis of accounting.

- (11) For the purposes of this section –
- “money” includes money expressed in a currency other than sterling,

  - (b) if it becomes apparent that the borrower will not comply with the requirement to transfer any securities back, the borrower is treated as if he transfers them back on the date on which it becomes so apparent.
- (13) For the purposes of this section it does not matter –
- (a) whether the cash collateral is payable by the borrower or by any other person,

- (b) whether the cash collateral is payable under the stock lending arrangement or under any other arrangement,
  - (c) whether collateral in another form is also provided in connection with the stock lending arrangement.”.
- (2) Section 736C of ICTA has effect in relation to any stock lending arrangement made on or after 5th December 2005.

- (7) In any case where—
  - (a) section 736C applies in relation to a quasi-stock lending arrangement, and
  - (b) the person for whom the tax advantage was designed to be obtained is a person (“the other person”) other than the borrower under that arrangement,that section has effect as if the other person were the person who receives the amount of interest mentioned in that section.
- (8) In any case where section 736C applies in relation to a quasi-stock lending arrangement—

**774C Meaning of “structured finance arrangement” for purposes of s.774D**

- (1) For the purposes of section 774D an arrangement is a structured finance arrangement in relation to a partnership (“the borrower partnership”) if condition A or B is met in relation to the borrower partnership.
- (2) Condition A is that—
  - (a) a person (“the transferor partner”) disposes of an asset (“the security”) under the arrangement to the borrower partnership,
  - (b) the transferor partner is a member of the borrower partnership immediately after the disposal (whether or not a member immediately before the disposal),
  - (c) under the arrangement the borrower partnership receives from another person (“the lender”) any money or other asset (“the advance”) in any period,
  - (d) in accordance with generally accepted accounting practice the accounts of the borrower partnership for that period record a financial liability in respect of the advance,
  - (e) there is a relevant change in relation to the membership of the borrower partnership involving the lender or a person connected with the lender (see subsection (6)),
  - (f) under the arrangement the share of the lender or person connected with the lender in the profits of the borrower partnership is determined by reference (wholly or partly) to payments in respect of the security, and
  - (g) in accordance with generally accepted accounting practice those payments reduce the amount of the financial liability in respect of the advance recorded in the accounts of the borrower partnership.
- (3) For the purposes of condition A, references to the accounts of the borrower partnership include the accounts of the transferor partner.
- (4) Condition B is that—
  - (a) the borrower partnership holds an asset (“the security”) as a partnership asset at any time before the arrangement is made,
  - (b) under the arrangement the borrower partnership receives from another person (“the lender”) any money or other asset (“the advance”) in any period,
  - (c) in accordance with generally accepted accounting practice the accounts of the borrower partnership for that period record a financial liability in respect of the advance,
  - (d) there is a relevant change in relation to the membership of the borrower partnership involving the lender or a person connected with the lender,
  - (e) under the arrangement the share of the lender or person connected with the lender in the profits of the borrower partnership is determined by reference (wholly or partly) to payments in respect of the security, and
  - (f) in accordance with generally accepted accounting practice those payments reduce the amount of the financial liability in

respect of the advance recorded in the accounts of the borrower partnership.

- (5) For the purposes of condition B, references to the accounts of the borrower partnership include the accounts of any person who is a member of the partnership immediately before the arrangement is made.
- (6) For the purposes of this section and section 774D there is a relevant change in relation to the membership of the borrower partnership involving the lender or a person connected with the lender if directly or indirectly in consequence of, or otherwise in connection with, the arrangement –
  - (a) the lender, or a person connected with the lender, becomes a member of the borrower partnership at any time, or
  - (b) there is at any time a change in the share of a member of the borrower partnership in the profits of the borrower partnership in a case where that member is the lender or a person connected with the lender.
- (7) For the purposes of subsection (6)(b) the reference to a person connected with the lender includes a person who at any time becomes connected with the lender directly or indirectly in consequence of, or otherwise in connection with, the arrangement.

**774D Disregard of intended effects of arrangement involving change in relation to a partnership**

- (1) This section applies if –
  - (a) an arrangement is a structured finance arrangement in relation to a partnership (“the borrower partnership”), and
  - (b) any relevant change in relation to the membership of the borrower partnership involving the lender or a person connected with the lender would (disregarding this section) have had the following effect.
- (2) The effect is that –
  - (a) an amount of income on which a relevant member of the borrower partnership would otherwise have been charged to tax is not so charged,
  - (b) an amount which would otherwise have been brought into account in calculating for tax purposes any income of a relevant member of the borrower partnership is not so brought into account, or
  - (c) a relevant member of the borrower partnership becomes entitled to an income deduction.
- (3) In this section “relevant member of the borrower partnership” means –
  - (a) in any case where condition A in section 774C is met in relation to the arrangement, the transferor partner, and
  - (b) in any case where condition B in that section is met in relation to the arrangement, any person other than the lender who is a member of the borrower partnership immediately before the time at which the relevant change in relation to the

membership of the borrower partnership involving the lender or a person connected with the lender occurs.

- (4) Part 9 of ITTOIA 2005 and section 114 above are to have effect in relation to any relevant member of the borrower partnership as if the relevant change in relation to the membership of the borrower partnership involving the lender or a person connected with the lender had not occurred.
- Accordingly, the structured finance arrangement is not to have the effect mentioned in subsection (2).
- (5) The following provisions of this section confer relief from tax the availability of which depends on which of the conditions in section 774C is met in relation to the arrangement.
- (6) In any case where condition A in section 774C is met, if –
- (a) the transferor partner is a person within the charge to income tax, and
  - (b) in accordance with generally accepted accounting practice the accounts of the borrower partnership record an amount as a finance charge in respect of the advance,
- the transferor partner may treat the amount for income tax purposes as interest payable by the transferor partner on a loan.
- (7) In any case where condition A in that section is met, if the transferor partner is a company within the charge to corporation tax –
- (a) the advance is to be treated, in relation to the company, for the purposes of paragraph 19 of Schedule 9 to the Finance Act 1996 (and the other provisions of Chapter 2 of Part 4 of that Act) as a money debt owed by the borrower partnership,
  - (b) the arrangement is to be treated, in relation to the company, as a transaction for the lending of money from which that debt is treated as arising for those purposes, and
  - (c) any amount which, in accordance with generally accepted accounting practice, is recorded in the accounts of the borrower partnership as a finance charge in respect of the advance is to be treated as interest payable by the company under that transaction.
- (8) For the purposes of subsections (6) and (7), references to the accounts of the borrower partnership include the accounts of the transferor partner.
- (9) In any case where condition B in section 774C is met, if –
- (a) a relevant member of the borrower partnership is a person within the charge to income tax, and
  - (b) in accordance with generally accepted accounting practice the accounts of the borrower partnership record an amount as a finance charge in respect of the advance,
- the relevant partner may treat the amount for income tax purposes as interest payable by the borrower partnership on a loan.
- (10) In any case where condition B in that section is met, if a relevant member of the borrower partnership is a company within the charge to corporation tax –

- (a) the advance is to be treated, in relation to the company, for the purposes of paragraph 19 of Schedule 9 to the Finance Act 1996 (and the other provisions of Chapter 2 of Part 4 of that Act) as a money debt owed by that partnership,
  - (b) the arrangement is to be treated, in relation to the company, as a transaction for the lending of money from which that debt is treated as arising for those purposes, and
  - (c) any amount which, in accordance with generally accepted accounting practice, is recorded in the accounts of the borrower partnership as a finance charge in respect of the advance is to be treated as interest payable by the borrower partnership under that transaction.
- (11) For the purposes of subsections (9) and (10), references to the accounts of the borrower partnership include the accounts of any relevant member of the borrower partnership.
- (12) For the purpose of determining when any deemed interest in respect of the advance is paid –
- (a) the payments mentioned in section 774C(2)(f) or (4)(e) are treated as consisting of amounts for repaying the advance and amounts (“the interest elements”) in respect of interest on the advance, and
  - (b) the interest elements of those payments are treated as paid when those payments are paid,
- and the deemed interest in respect of the advance is treated as paid at the times when the interest elements are treated as paid.
- (13) In this section “deemed interest” means any amount which is treated as interest as a result of any of subsections (6) to (10).
- (14) This section is subject to the exceptions contained in section 774E.

#### **774E Sections 774B and 774D: exceptions**

- (1) Section 774B or 774D does not apply if the whole of the advance under the structured finance arrangement –
- (a) is charged to tax on a relevant person (see subsection (7)) as an amount of income,
  - (b) is brought into account in calculating for tax purposes any income of a relevant person, or
  - (c) is brought into account for the purposes of any provision of the Capital Allowances Act as a disposal receipt, or proceeds from a balancing event or disposal event, of a relevant person.

For the purposes of this subsection the effect of section 785A (rent factoring of leases of plant or machinery) is to be disregarded.

- (2) Subsection (1)(c) is not to be taken as met in any case where –
- (a) the receipt or proceeds gives rise to a balancing charge, and
  - (b) the amount of the balancing charge is limited by any provision of the Capital Allowances Act.
- (3) Section 774B or 774D does not apply if, at all times, the whole of the advance under the structured finance arrangement –

- (a) is a debtor relationship of a relevant person for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (loan relationships), or
- (b) would be a debtor relationship of a relevant person for those purposes if that person were a company within the charge to corporation tax.

For the purposes of this subsection references to a debtor relationship do not include a relationship to which section 100 of the Finance Act 1996 (money debts etc not arising from the lending of money) applies.

- (4) Section 774B or 774D does not apply in so far as the structured finance arrangement is an arrangement in relation to which—

  - (b) paragraph 15 of Schedule 9 to the Finance Act 1996 (repo transactions and stock-lending) applies, or
  - (c) Chapter 5 of Part 2 of the Finance Act 2005 (alternative finance arrangements) has effect.
- (5) Section 774B or 774D does not apply in so far as—

  - (b) the structured finance arrangement is an arrangement in relation to which sections 228B to 228D of the Capital Allowances Act apply with the modifications contained in section 228F of that Act (lease and finance leaseback).
- (6) For the purposes of subsection (5)(a), whether plant or machinery is the subject of a sale and finance leaseback is determined in accordance with section 221 of the Capital Allowances Act.  
But, in applying that section, it is to be assumed that the words “and which are not a long funding lease in the case of the lessor” were omitted from section 219(1)(b) of that Act (meaning of “finance lease”).
- (7) For the purposes of this section a “relevant person” means—
  - (a) if section 774B applies, a person in relation to whom the structured finance arrangement would (but for that section) otherwise have had the relevant effect (within the meaning of that section), and
  - (b) if section 774D applies, a relevant member of the borrower partnership (within the meaning of that section).

**774F Sections 774B and 774D: power to provide further exceptions**

- (1) The Treasury may make regulations prescribing other circumstances in which section 774B or 774D is not to apply in relation to a structured finance arrangement.
- (2) Any regulations under subsection (1) may make provision amending section 774E.
- (3) The power to make regulations under subsection (1) includes—

- (c) power to make incidental, supplemental, consequential or transitional provision and savings.

    - (b) references to a disposal of an asset include anything which constitutes a disposal of the asset for the purposes of the 1992 Act,
    - (c) references to payments in respect of any asset include obtaining directly or indirectly the value of any asset or otherwise deriving directly or indirectly any benefit from it.

  - (5) For the purposes of sections 774A to 774D references to the accounts of any person who is a company include the consolidated group accounts of a group of companies of which it is a member.
  - (6) If any person does not draw up accounts in accordance with generally accepted accounting practice, sections 774A to 774D apply as if the accounts had been drawn up by the person in accordance with that practice.

- (5) In any case where, in relation to arrangements made before that date, a person is treated, as a result of the amendment made by this paragraph, as being a party to any loan relationship –
  - (a) a period of account is to be treated for the purposes of Chapter 2 of Part 4 of FA 1996 as beginning on that date, and
  - (b) the loan relationship is to be treated for those purposes as being entered into by the person for a consideration equal to the notional carrying value of the liability representing the relationship.
- (6) For this purpose, the notional carrying value is the amount that would have been the carrying value of the liability in the accounts of the person if a period of account had ended immediately before that date.
- (7) “Carrying value” has the same meaning here as it has for the purposes of paragraph 19A of Schedule 9 to FA 1996.

**70C Long funding finance lease: amount of capital expenditure**

- (1) This section has effect by virtue of section 70A(7) for the purpose of determining the amount of the capital expenditure in the case of a long funding finance lease.
- (2) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan, this section applies as if the lease were one which, under generally accepted accounting practice, fell to be treated as a finance lease.
- (3) The amount of the capital expenditure is the total of –
  - (a) commencement PVMLP (see subsection (4)), and
  - (b) if subsection (6) applies, the unrelievable pre-commencement rentals (“UPR”),
 but subject, in a case falling within subsection (7), to the restriction imposed by subsection (8).

- (4) Commencement PVMLP is the amount that would fall to be recognised as the present value, at the appropriate date, of the minimum lease payments (see section 70YE) if appropriate accounts were prepared by the person.
- (5) For the purposes of subsection (4) –  
“appropriate accounts” are accounts prepared in accordance with generally accepted accounting practice on the date on which that amount is first recognised in the books or other financial records of the person;  
“the appropriate date” is the later of –  
(a) the commencement of the term of the lease;  
(b) the date on which the plant or machinery is first brought into use for the purposes of the qualifying activity.
- (6) This subsection applies if –  
(a) the person has paid rentals under the lease before the commencement of the term of the lease, and  
(b) in the case of some or all of those rentals, relief otherwise than by virtue of this subsection –  
(i) is not available, and  
(ii) if the case is one where the plant or machinery was not used for the purposes of a qualifying activity in the period before the commencement of the term of the lease, would not have been available had the plant or machinery been used in that period for the purposes of a qualifying activity,  
and in any such case UPR is the amount of the rentals for which relief is not, and (in a case falling within paragraph (b)(ii)) would not have been, so available.
- (7) Subsection (8) applies if the main purpose, or one of the main purposes, of entering into –  
(a) the lease,  
(b) a series of transactions of which the lease is one, or  
(c) any of the transactions in such a series,  
is to obtain allowances under this Part in respect of an amount of capital expenditure that materially exceeds the market value of the leased asset at the commencement of the term of the lease.
- (8) In any such case, the amount of the capital expenditure described in subsection (3) is to be restricted to an amount equal to the market value of the asset at the commencement of the term of the lease.
- (9) In this section “relief” means relief by way of –  
(a) an allowance under this Act,  
(b) a deduction in computing profits for the purposes of income tax or corporation tax,  
(c) a deduction from total profits or total income for the purposes of either of those taxes.
- (10) This section is to be construed as one with section 70A.

---

**70D Long funding finance lease: additional expenditure: allowances for lessee**

- (1) This section applies where the following conditions are met—
  - (a) a person is the lessee of plant or machinery under a long funding finance lease,
  - (b) as a result of section 70A, the person falls to be regarded as having incurred qualifying expenditure on the provision of the plant or machinery, and
  - (c) the lessor incurs expenditure in relation to the plant or machinery,
  - (d) as a result of the lessor incurring the expenditure, there is in the case of the lessee an increase (the “relevant increase”) in the present value of the minimum lease payments.
- (2) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan, this section applies as if the lease were one which, under generally accepted accounting practice, fell to be treated as a finance lease.
- (3) The person is to be treated for the purposes of this Part as having incurred further capital expenditure on the provision of the plant or machinery as follows.
- (4) The person is to be treated as having incurred the expenditure on the date of first recognition.
- (5) The amount of the expenditure is the amount that would fall to be recognised as the amount of the relevant increase if appropriate accounts were prepared by the person.
- (6) For that purpose, “appropriate accounts” are accounts prepared in accordance with generally accepted accounting practice on the date of first recognition.
- (7) For the purposes of this section, the “date of first recognition” is the date on which the relevant increase is first recognised in the books or other financial records of the person.
- (8) This section is to be construed as one with section 70A.

**70E Disposal events and disposal values**

- (1) This section applies where—
  - (a) a person is the lessee of plant or machinery under a long funding lease,
  - (b) as a result of section 70A, the person falls to be regarded as having incurred qualifying expenditure on the provision of the plant or machinery, and
  - (c) the lease terminates.
- (2) In the case of that person—
  - (a) the termination of the lease is a disposal event, and
  - (b) the person is required to bring into account a disposal value for the chargeable period in which that disposal event occurs.
- (3) The amount of the disposal value varies according to whether the lease is—

- (a) a long funding operating lease (see subsections (4) to (6)), or
  - (b) a long funding finance lease (see subsections (7) and (8)).
- (4) If the lease is a long funding operating lease, the disposal value is the sum of—
  - (a) element A (see subsection (5)), and
  - (b) element B (see subsection (6)).
- (5) Element A is the amount (if any) by which—
  - (a) the market value of the plant or machinery at the later of—
    - (i) the commencement of the term of the lease,
    - (ii) the date on which the plant or machinery is first brought into use for the purposes of the qualifying activity,exceeds
  - (b) the aggregate amount of the reductions that fell to be made under section 502K of ICTA or 148I of ITTOIA 2005 for periods of account in which the person was the lessee.
- (6) Element B is the sum of any amounts payable to the person which are calculated by reference to the termination value.
- (7) If, in the case of the person, the lease is a long funding finance lease, the amount of the disposal value is found by first finding the sum of—
  - (a) any amounts payable to the person which are calculated by reference to the termination value, and
  - (b) if the lease terminates before the end of the term, the amount that would fall to be recognised as the present value, immediately before the termination, of the balance of the minimum lease payments (see subsection (8)) if appropriate accounts were prepared by the person,and then reducing that sum (but not below nil) by subtracting from it any amount payable by the person to the lessor for or in consequence of the termination.
- (8) For the purposes of subsection (7)(b)—
  - (a) the balance of the minimum lease payments is the amount by which MLP exceeds TMLP, where—
    - MLP is the amount of the minimum lease payments, and
    - TMLP is the amount that would have been the minimum lease payments if the term of the lease had been such as to expire on the day of the termination, and
  - (b) “appropriate accounts” are accounts prepared in accordance with generally accepted accounting practice immediately before the termination of the lease.
- (9) If the termination of the lease gives rise to a disposal event in the case of the person apart from this section, that disposal event is to be ignored.
- (10) This section is to be construed as one with section 70A.”.

*Interpretation of provisions relating to long funding leases*

7 In Part 2, after Chapter 6 insert—

**“CHAPTER 6A**

INTERPRETATION OF PROVISIONS ABOUT LONG FUNDING LEASES

*Introductory*

**70F Introductory**

This Chapter makes provision for the interpretation of this Part so far as relating to long funding leases.

*Meaning of “long funding lease” etc*

**70G “Long funding lease”**

- (1) A “long funding lease” is a funding lease (see section 70J) which meets the following conditions—
  - (a) it is not a short lease (see section 70I),
  - (b) it is not an excluded lease of background plant or machinery for a building (see section 70R),
  - (c) it not excluded by section 70U (plant or machinery leased with land: low percentage value).
- (2) Where, at the commencement of the term of a plant or machinery lease, the plant or machinery—
  - (a) is not being used for the purposes of a qualifying activity carried on by the person concerned, but
  - (b) subsequently begins to be used for the purposes of a qualifying activity carried on by that person,
 the plant or machinery lease is a long funding lease if the condition in subsection (3) is met.
- (3) The condition is that (apart from section 70H) the plant or machinery lease would have been a long funding lease at its inception had the plant or machinery been used at that time for the purposes of a qualifying activity carried on by the person concerned.
- (4) This section is subject, in the case of the lessee, to—
  - (a) section 70H (requirement for tax return treating lease as long funding lease);
  - (b) section 70Q (leases excluded by right of lessor etc to claim capital allowances).
- (5) See also paragraph 91A of Schedule 22 to the Finance Act 2000 (tonnage tax: certain leases to be treated as not being long funding leases).

**70H Lessee: requirement for tax return treating lease as long funding lease**

- (1) A lease is not a long funding lease in the case of the lessee unless he makes a tax return for the initial period on the basis that he falls to be taxed in respect of the lease in accordance with the provisions of—

- (a) Chapter 5A of Part 12 of ICTA (long funding leases: corporation tax), or
  - (b) Chapter 10A of Part 2 of ITTOIA 2005 (long funding leases: income tax).
- (2) Where, in the case of a lease, a person has made a tax return for the initial period –
- (a) on the basis that he falls to be taxed in respect of the lease in accordance with those provisions, or
  - (b) on the basis that he does not fall to be so taxed,
- he may not make a claim for relief under the error or mistake provisions in respect of the tax return having been made on that basis.
- (3) In this section –
- “the error or mistake provisions” means –
    - (a) section 33 of the Taxes Management Act 1970; or
    - (b) paragraph 51 of Schedule 18 to the Finance Act 1998;
  - “the initial period” is the first accounting period or, as the case may be, tax year in which there is a difference in the amount of the profits or losses falling to be shown in the return, according to whether the lease is a long funding lease or not;
  - “tax return” means –
    - (a) a company tax return under paragraph 3 of Schedule 18 to the Finance Act 1998, or
    - (b) a return under section 8 of the Taxes Management Act 1970 (income tax: personal return).

#### **70I “Short lease”**

- (1) Construe “short lease” in accordance with this section.
- (2) A lease whose term is 5 years or less is a short lease.
- (3) Where the term of a lease is –
  - (a) longer than 5 years, but
  - (b) not longer than 7 years,the lease is a short lease if Conditions A, B and C are met.
- (4) Condition A is that the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a finance lease.
- (5) Condition B is that –
  - (a) the residual value of the plant or machinery which is implied in the terms of the lease,  
is not more than
  - (b) 5% of the market value of the plant or machinery at the commencement of the term of the lease, as estimated at the inception of the lease.
- (6) Condition C is that under the terms of the lease –
  - (a) the total rentals falling due in the first reference year, if less than the total rentals falling due in the second reference year, are no more than 10% less than those rentals, and

- (b) the total rentals falling due in the final year or in any reference year after the second reference year, if greater than the total rentals falling due in the second reference year, are no more than 10% greater than those rentals.
- (7) For the purposes of Condition C—
- (a) the first reference year is the period of 12 months beginning with the day next after the commencement of the term of the lease;
  - (b) the other reference years are successive periods of 12 months each beginning on an anniversary of that day and ending before the last day of the term of the lease;
  - (c) the final year is the period of 12 months ending with the last day of the term of the lease;
  - (d) any part of the final year, other than the last day, may accordingly also be part of a reference year.
- (8) In determining whether Condition C is met, exclude any variation in the rentals that results from changes in a standard published base rate for interest.
- (9) Where—
- (a) a person leases an asset to another (“S”) under a lease that would, apart from this subsection, be a short lease,
  - (b) the inception of that lease is on or after 7th April 2006,
  - (c) at or about the time of the inception of that lease, arrangements are entered into for the asset to be leased to one or more other persons under one or more other leases, and
  - (d) in the aggregate, the term of the lease to S and the terms of the leases to such of those other persons as are connected with S exceed 5 years,
- the lease to S is not a short lease.

- machinery at the commencement of the term of the earliest of them, and
- (c) none of those earlier leases was a funding lease.
- (5) For the purposes of subsection (4), all persons who were lessors of the plant or machinery before 1st April 2006 are to be treated as if they were the same person as the first lessor of the plant or machinery on or after that date.
- (6) A plant or machinery lease is not a funding lease in the case of the lessor if—
- (a) before 1st April 2006, the plant or machinery had, for a period or periods totalling at least 10 years, been the subject of one or more leases, and
  - (b) the lessor under the plant or machinery lease was also lessor of the plant or machinery on the last day before 1st April 2006 on which the plant or machinery was the subject of a lease.

- (3) In this section “fair value” means—
- (a) the market value of the leased plant or machinery,  
less
  - (b) any grants receivable towards the purchase or use of that plant or machinery.
- (4) For the purposes of this section—

  - (c) the plant or machinery is leased with the land under a mixed lease, and
  - (d) none of the relevant disqualifications applies.
- (2) For the purposes of this section the “relevant disqualifications” are the disqualifications set out in section 70S, but for this purpose—

  - (b) take references in section 70S to background plant or machinery for a building as references to relevant plant or machinery.

- (3) Where this section applies, the derived lease of the relevant plant or machinery is excluded by this section if the condition in subsection (4) is met at the commencement of the term of that lease.
- (4) The condition is that AMV does not exceed both –
  - (a) 10% of BMV; and
  - (b) 5% of LMV.
- (5) For that purpose –
 

AMV is the aggregate of –

  - (a) the market value of the relevant plant or machinery, and
  - (b) the market value of any other plant or machinery that falls within subsection (1) in the case of the leased land;

BMV is the aggregate market value of all the background plant or machinery leased with the land;

LMV is the market value of the land (including buildings and fixtures).
- (6) For this purpose the market value of any land at any time is to be determined on the assumption of a sale by an absolute owner of the land free from all leases and other encumbrances.

*Avoidance*

**70V Tax avoidance involving international leasing**

- (1) This section applies where matters are so arranged that there are plant or machinery leases such that –
  - (a) under a lease by a non-resident, an asset is provided directly or indirectly to a resident,
  - (b) the direct provision of the asset to the resident is by a lease which, in the case of the resident, is a long funding lease or a lease to which section 67 (hire purchase etc) applies,
  - (c) the asset is used by the resident for the purpose of leasing it under a lease (the “relevant lease”) that would not (apart from this section) be a long funding lease in the case of the resident, and
  - (d) under the relevant lease, the asset is provided directly or indirectly (but by a lease) to a non-resident.
- (2) Subsection (3) applies if the sole or main purpose of arranging matters in that way is to obtain a tax advantage by securing that allowances under this Part are available to a resident by virtue of –
  - (a) section 67 (hire purchase), or
  - (b) section 70A (long funding leases).
- (3) In any such case, the relevant lease is deemed to be a long funding lease in the case of the resident who is the lessor under it.
- (4) The reference in this section to a person obtaining a tax advantage (see section 577(4)) also includes a reference to a person obtaining a tax advantage within the meaning of Chapter 1 of Part 17 of ICTA (see section 709 of that Act).

- (5) In this section—
- “non-resident” means a person who—
    - (a) is not resident in the United Kingdom, and
    - (b) does not use the plant or machinery exclusively for earning profits chargeable to tax;
  - “resident” means a person who—
    - (a) is resident in the United Kingdom, or
    - (b) uses the plant or machinery exclusively for earning profits chargeable to tax.

  - (b) during the term of the lease, the old lessor transfers the plant or machinery to another person (the “new lessor”),
  - (c) the transfer is not the grant of a plant or machinery lease by the old lessor,
  - (d) immediately after the transfer, the new lessor is the lessor of the plant or machinery under a lease (“the new lease”) (whether or not the same lease as the old lease).
- (2) If it is not otherwise the case,—
- (a) the old lessor is to be treated as if the old lease terminated immediately before the transfer, and
  - (b) the new lessor is to be treated as if the new lease had been entered into immediately after the transfer.
- (3) The new lessor is also to be treated as if the date of the transfer were the date of both—
- (a) the inception of the new lease, and

- (4) If, immediately before the transfer, the old lease was (or was treated by virtue of this subsection as being) in the case of the old lessor a lease of either of the following descriptions—

  - (d) immediately after the transfer, the new lessee is the lessee of the plant or machinery under a lease (“the new lease”) (whether or not the same lease as the old lease).
- (2) If it is not otherwise the case,—
- (a) the old lessee is to be treated as if the old lease terminated immediately before the transfer, and
  - (b) the new lessee is to be treated as if the new lease had been entered into immediately after the transfer.
- (3) The new lessee is also to be treated as if the date of the transfer were the date of both—
- (a) the inception of the new lease, and
  - (b) the commencement of the term of the new lease,
- if it is not otherwise the case.
- (4) If, immediately before the transfer, the old lease was (or was treated by virtue of this subsection as being) in the case of the old lessee a lease of one of the following descriptions—
- (a) a long funding lease, or
  - (b) a lease which is not a long funding lease,
- the new lease is to be treated in the case of the new lessee as being a lease of the same description, if the conditions in subsection (5) are met.
- (5) The conditions are that—

- (a) the term of the new lease is the unexpired portion of the term of the old lease, and
  - (b) the amounts payable under the new lease are the same as would have been payable under the old lease, assuming it to have continued in effect.
- (6) If—
- (a) it is not otherwise the case, and
  - (b) the conditions in subsection (5) are met,
- the lessor is to be treated as if the old lease and the new lease were the same continuing lease.

#### **70Y Sale and leaseback, lease and leaseback etc: lessors**

- (1) Where—
- (a) a person (B) transfers plant or machinery to another person (A),
  - (b) the plant or machinery is directly or indirectly leased back to B, and
  - (c) immediately before the commencement of the term of the lease back to B, B is the lessor of the plant or machinery to another person under a lease which is, in B's case, a long funding lease,
- the lease back to B is, in the case of both A and B, a long funding lease.
- (2) If, in any such case, the plant or machinery is leased back from A to B indirectly, any leases by means of which the indirect lease back from A to B is effected are also long funding leases in the case of each of the parties to them.
- (3) Any reference in this section to a transfer of plant or machinery by a person includes a reference to—
- (a) any kind of disposal of, or of the person's interest in, the plant or machinery (including the grant of a lease),

### **70YA Change in accountancy classification of long funding lease**

- (1) This section applies in any case where—
  - (a) a person is lessor or lessee under a long funding lease, and
  - (b) at any time after the inception of the lease, the accountancy classification of the lease as a finance lease or an operating lease changes in the relevant accounts.
- (2) The person is to be treated as if—
  - (a) the lease had terminated immediately before the time of the change,
  - (b) another lease (the “new lease”) had been entered into immediately after the time of the change, and
  - (c) the new lease were a long funding lease in the case of the lessor.
- (3) The person is also to be treated as if the date on which the change occurs were the date of both—
  - (a) the inception of the new lease, and
  - (b) the commencement of the term of the new lease.
- (4) The cases where the accountancy classification of a long funding lease as a finance lease or an operating lease changes at any time (the “relevant time”) in the relevant accounts are those set out in subsections (5) and (6).
- (5) Case 1 is where—
  - (a) immediately before the relevant time, the lease is one that falls (or would fall) to be treated in the relevant accounts in accordance with generally accepted accounting practice as a finance lease for accounting purposes, and
  - (b) at the relevant time the lease becomes one that falls (or would fall) to be treated in the relevant accounts in accordance with generally accepted accounting practice as not being a finance lease for accounting purposes.
- (6) Case 2 is where—
  - (a) immediately before the relevant time, the lease is one that falls (or would fall) to be treated in the relevant accounts in accordance with generally accepted accounting practice as not being a finance lease for accounting purposes, and
  - (b) at the relevant time the lease becomes one that falls (or would fall) to be treated in the relevant accounts in accordance with generally accepted accounting practice as a finance lease for accounting purposes.
- (7) The Treasury may by regulations make provision for or in connection with restricting the application or operation of this section.
- (8) In this section, any reference to a finance lease includes a reference to a loan.
- (9) In the application of this section in relation to any person, the “relevant accounts” are the accounts—
  - (a) of that person, or

- (b) where that person is the lessor, of any person connected with that person,  
but only to the extent that the treatment of the lease in those accounts as a finance lease or otherwise falls (or would fall) to be determined by reference to that person as the lessor or lessee under the lease.
- (10) Subsections (2) and (3) of section 70N (finance lease test: group accounts, and generally accepted accounting practice for persons outside the charge to tax) also apply for the purposes of this section.

**70YB Long funding operating lease: extension of term of lease**

- (1) This section applies in any case where—
- (a) a person is lessor or lessee under a long funding operating lease (the “existing lease”),
  - (b) an event occurs which has the effect of extending the term of the lease (whether by variation of the provisions of the lease, the grant or exercise of an option or in any other way), and
  - (c) the event is not one by reason of which, within the meaning of section 70YA, the accountancy classification of the lease as an operating lease changes in the relevant accounts.
- (2) For this purpose an event has the effect of extending the term of the lease if it meets any of the following conditions—
- (a) it has the effect of making a further period a non-cancellable period;
  - (b) it is the grant of an option to the lessee to continue to lease the plant or machinery for a further period, where it is reasonably certain at the time the option is granted that the lessee will exercise it;
  - (c) it is the exercise by the lessee of an option to continue to lease the plant or machinery for a further period;
  - (d) it does not fall within the preceding paragraphs, but it has the effect that the lessee will continue, or is reasonably certain to continue, to lease the plant or machinery for a further period.

For this purpose “further period” means a period falling wholly or partly after the end of the pre-existing term.

- (3) The person is to be treated as if—
- (a) the existing lease terminated at the end of the day before the effective date,
  - (b) another lease (the “new lease”) were entered into on the effective date, and
  - (c) the term of the new lease were the unexpired portion of the term of the existing lease, as extended.
- (4) The person is also to be treated as if the effective date were the date of both—
- (a) the inception of the new lease, and
  - (b) the commencement of the term of the new lease.
- (5) The new lease is to be taken to be a long funding operating lease.
- (6) For the purposes of this section the “effective date” is the earlier of—

- (a) the day after the end of the pre-existing term of the existing lease;
  - (b) if the rentals payable are varied as a result of or otherwise in connection with the event, the date on which the variation takes effect.
- (7) In this section –
- “non-cancellable period” has the same meaning as in section 70YF (the “term” of a lease);
  - “pre-existing term”, in relation to a lease, means the term of the lease apart from the extension in question.

**70YC Extension of term of lease that is not a long funding lease**

- (1) This section applies where –
- (a) a person is lessor under a plant or machinery lease (the “existing lease”) that is not a long funding lease, and
  - (b) an event occurs which has the effect of extending the term of the lease (whether by variation of the provisions of the lease, the grant or exercise of an option or in any other way).
- (2) Subsection (2) of section 70YB (events having the effect of extending the term of a lease) also has effect for the purposes of this section.
- (3) Make the following assumptions –
- (a) the existing lease terminates immediately before the effective date,
  - (b) another lease (the “new lease”) is entered into on the effective date,
  - (c) the term of the new lease is the portion of the term of the existing lease, as extended, that remains unexpired as at the effective date;
  - (d) the effective date is the date of both –
    - (i) the inception of the new lease, and
    - (ii) the commencement of the term of the new lease.
- (4) If, on those assumptions, the new lease would be a long funding lease, the person is to be treated on those assumptions.
- (5) If subsection (4) does not apply, then, for the purposes of any subsequent application of this section or section 70YD in the case of the existing lease, the term of the existing lease is to be taken to be the term as extended (or further extended).
- (6) For the purposes of this section the “effective date” is the earlier of –
- (a) the day after the end of the pre-existing term of the existing lease;
  - (b) if the rentals payable are varied as a result of or otherwise in connection with the event, the date on which the variation takes effect.
- (7) In this section “pre-existing term”, in relation to a lease, means the term of the lease apart from the extension in question.

**70YD Increase in proportion of residual amount guaranteed: review of status**

- (1) This section applies where –

- (a) a person is lessor under a lease (the “existing lease”) that is not a long funding lease,
  - (b) the person enters into an arrangement which meets, or arrangements which (taken together) meet, the conditions in subsection (2).
- (2) The conditions are that—
- (a) as a result of the arrangement or arrangements, there is an increase, after the inception of the lease, in the proportion of the residual amount that is guaranteed as mentioned in section 70YE(1)(b), and
  - (b) had the arrangement or arrangements been entered into before the inception of the lease, the lease would have been a long funding lease.
- (3) The person is to be treated as if—
- (a) the existing lease had terminated immediately before the time of the relevant transaction,
  - (b) another lease (the “new lease”) had been entered into immediately after the time of the relevant transaction,
  - (c) the term of the new lease were the portion of the term of the existing lease that remains unexpired as at the date of the relevant transaction;
  - (d) the date of the relevant transaction were the date of both—
    - (i) the inception of the new lease, and
    - (ii) the commencement of the term of the new lease.
- (4) For the purposes of this section, the “relevant transaction” is the arrangement or, where two or more arrangements have been entered into, the latest of them.
- (5) The Treasury may by regulations make provision for or in connection with restricting the application or operation of this section.

*Interpretation*

**70YE “Minimum lease payments”**

- (1) In the case of any lease, the minimum lease payments are the minimum payments under the lease over the term of the lease (including any initial payment) together with—
- (a) in the case of the lessee, so much of any residual amount as is guaranteed by him or a person connected with him, or
  - (b) in the case of the lessor, so much of any residual amount as is guaranteed by the lessee or a person who is not connected with the lessor.
- (2) In determining the minimum payments, exclude so much of any payment as represents—
- (a) charges for services, or
  - (b) qualifying UK or foreign tax to be paid by the lessor.
- (3) In this section—

“qualifying UK or foreign tax” means any tax or duty chargeable under the law of any part of the United Kingdom, or under the law of any foreign country, other than—

- (a) income tax,
- (b) corporation tax,
- (c) any tax chargeable under the law of a foreign country which is similar to income tax or corporation tax,

and here “foreign country” means any territory outside the United Kingdom;

“residual amount” means so much of the fair value of the plant or machinery subject to the lease as cannot reasonably be expected to be recovered by the lessor from the payments under the lease.

- (4) In the definition of “residual amount” in subsection (3), “fair value” means—
  - (a) the market value of the leased plant or machinery, less
  - (b) any grants receivable towards the purchase or use of that plant or machinery.

#### **70YF The “term” of a lease**

- (1) The term of a lease is the period comprising—
  - (a) so much of the post-commencement period as is a non-cancellable period, and
  - (b) any subsequent periods which meet the conditions in subsection (2).
- (2) The conditions are that—
  - (a) the lessee has an option to continue to lease the asset for the period (whether with or without further payment), and
  - (b) it is reasonably certain, at the inception of the lease, that the lessee will exercise that option.
- (3) The “post-commencement period” is so much of the period of the lease as begins with the commencement of the term of the lease.
- (4) A “non-cancellable period” is any period during which the lessee may terminate the lease only—
  - (a) upon the occurrence of some remote contingency, or
  - (b) upon payment by the lessee of such an additional amount that, at the inception of the lease, continuation of the lease is reasonably certain.
- (5) If, at the commencement of the term of the lease,—
  - (a) the market value of the asset exceeds £1 million, and
  - (b) the estimated market value of the asset 5 years after the commencement of the term of the lease is more than half of the market value of the asset at the commencement of the term of the lease,
 subsection (6) applies.
- (6) If, in any such case, the term of the lease (apart from this subsection) would be 5 years or less, but—

- (a) the lessee has one or more options to continue to lease the asset,
  - (b) on the assumption that it is reasonably certain, at the inception of the lease, that the lessee will exercise those options, the term of the lease would exceed 7 years, and
  - (c) on failing to exercise any one of those options, the lessee may be required to make a payment to the lessor,
- it is to be assumed for the purposes of this section that any option to continue to lease the asset will be exercised, unless it is reasonably certain, at the inception of the lease, that the option will not be exercised.
- (7) Subsection (6) does not apply if, leaving out of account any options that would, by virtue of that subsection, result in the term of the lease exceeding 7 years, Conditions A, B and C in section 70I (meaning of “short lease”) are met.
  - (8) See also section 70YC(5) (extension, for certain purposes, of term of lease that is not a long funding lease).

#### **70YG “Termination amount”**

- (1) This section applies where plant or machinery is or has been, or is to be, leased under a long funding lease.
- (2) Construe “termination amount”, in the case of a long funding lease, in accordance with the following provisions of this section.
- (3) If—
  - (a) the lease terminates as a result of a plant or machinery disposal event, or
  - (b) a plant or machinery disposal event occurs as a result of, or otherwise in connection with, the termination of the lease,the termination amount is the disposal value that would have fallen to be brought into account by the lessor by reason of the plant or machinery disposal event on the assumptions in subsection (4).
- (4) Those assumptions are—
  - (a) that section 34A (which prevents the lessor’s expenditure for long funding leasing from being qualifying expenditure) did not apply in the case of the lessor, and
  - (b) that the lessor had claimed all the capital allowances that would in consequence have been available to him.
- (5) If—
  - (a) subsection (3) does not apply, and
  - (b) the lease is a long funding finance lease,the termination amount is the value at which, immediately after the termination of the lease, the plant or machinery is recognised in the books or other financial records of the lessor.
- (6) If—
  - (a) subsection (3) does not apply, and
  - (b) the lease is a long funding operating lease,the termination amount is the market value of the plant or machinery immediately after the termination of the lease.

- (7) For the purposes of this section a “plant or machinery disposal event” is an event that would have been a disposal event in relation to the plant or machinery in the case of the lessor on the assumptions in subsection (4).

**70YH “Termination value”**

- (1) This section applies where plant or machinery is or has been, or is to be, leased under a long funding lease.
- (2) Construe “termination value” in accordance with the following provisions of this section.
- (3) The general rule is that the termination value of any plant or machinery is the value of the plant or machinery at or about the time when the lease terminates.
- (4) Any reference to calculation by reference to the termination value includes a reference to calculation by reference to any one or more of—
- (a) the proceeds of sale, if the plant or machinery is sold after the lease comes to an end,
  - (b) any insurance proceeds, compensation or similar sums in respect of the plant or machinery,
  - (c) an estimate of the market value of the plant or machinery.
- (5) Any reference to calculation by reference to the termination value also includes a reference to—
- (a) determination in a way which, or by reference to factors or criteria which, might reasonably be expected to produce a broadly similar result to calculation by reference to the termination value, or
  - (b) any other form of calculation indirectly by reference to the termination value.

- (3) This Chapter does not apply to determine the entitlement of the lessor or the lessee (under either lease) to allowances under this Part in respect of expenditure on the plant or machinery.
- (4) This Chapter does not apply to determine whether the lessor or the lessee (under either lease) is to be treated as the owner of the plant or machinery.”.

PART 2

CORPORATION TAX

*Introductory*

- 10 ICTA is amended as follows.

*Special rules for long funding leases*

- 11 In Part 12 (special classes of companies and businesses) after section 502

insert the following Chapter –

**“CHAPTER 5A**

SPECIAL RULES FOR LONG FUNDING LEASES OF PLANT OR MACHINERY: CORPORATION TAX

*Introductory*

**502A Scope of Chapter 5A**

This Chapter has effect for the purposes of corporation tax only.

*Lessors under long funding finance leases*

**502B Lessor under long funding finance lease: rental earnings**

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account in which it is the lessor of any plant or machinery under a long funding finance lease.
- (2) The amount to be brought into account as the lessor’s taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.
- (3) The “rental earnings” for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the lease where it meets the finance lease test.
- (4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

**502C Lessor under long funding finance lease: exceptional items**

- (1) This section applies for determining for the purposes of corporation tax the profits of a company which is or has been the lessor under a long funding finance lease.
- (2) This section has effect where a profit or loss (whether of an income or capital nature) –
  - (a) arises to the company in connection with the lease, and
  - (b) in accordance with generally accepted accounting practice falls to be recognised for accounting purposes in a period of account, but
  - (c) would not, apart from this section, be brought into account in computing the profits of the company for the purposes of corporation tax.
- (3) The profit or loss is to be treated –
  - (a) in the case of a profit, as income of the company attributable to the lease,
  - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.

- (4) Any reference in this section to an amount falling to be recognised for accounting purposes in a period of account is a reference to an amount falling to be recognised for accounting purposes –
- (a) in the company’s profit and loss account or income statement,
  - (b) in the company’s statement of recognised gains and losses or statement of changes in equity, or
  - (c) in any other statement of items brought into account in computing the company’s profits or losses for that period.

**502D Lessor under long funding finance lease making termination payment**

- (1) This section applies for determining the liability to corporation tax of a company which is or has been the lessor under a long funding finance lease.
- (2) Where –
- (a) the lease terminates, and
  - (b) a sum calculated by reference to the termination value is paid to the lessee,
- no deduction in respect of the sum paid to the lessee is allowed in computing the profits of the company.
- (3) This section does not prevent a deduction in respect of a sum to the extent that the sum is brought into account in determining the company’s rental earnings.

*Lessors under long funding operating leases*

**502E Lessor under long funding operating lease: periodic deduction**

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account –
- (a) for the whole of which, or
  - (b) for any part of which,
- the company is the lessor of any plant or machinery under a long funding operating lease.
- (2) A deduction is allowed in computing the profits of the company for the period of account.
- (3) The amount of the deduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is –
- (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
  - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
  - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;

- (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
- (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but –
- (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
  - (ii) that qualifying activity is the leasing of the plant or machinery under the long funding operating lease, the relevant value is the lower of first use market value and first use amortised value.
- (5) In subsection (4) above –
- “cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;
- “first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that –
- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
  - (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;
- “first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;
- “market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;
- “recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.
- (6) From –
- (a) the relevant value determined in accordance with subsection (4) above, subtract
  - (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e) above, would have been) expected to be the residual value of the plant or machinery,
- to find the expected gross reduction in value over the term of the lease.
- (7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.

- (8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.
- (9) The amount of the deduction for any period of account is the amount so apportioned to that period.

**502F Long funding operating lease: lessor's additional expenditure**

- (1) This section applies if in any period of account—
  - (a) a company is the lessor of any plant or machinery under a long funding operating lease,
  - (b) the company incurs capital expenditure in relation to the plant or machinery, and
  - (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.
- (2) In a case falling within section 502E(4)(e) above, subsection (1)(c) above has effect as if the reference to the commencement of the term of the lease were a reference to the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.
- (3) Where this section applies, an additional deduction is allowed in computing the profits of the company for each post-expenditure period of account in which the company is the lessor of the plant or machinery under the lease.
- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV, and TRV where—
  - “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;
  - “CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;
  - “PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery;
  - “TRV” is the total of CRV and PRV.
- (6) Find RRV, where—
  - (a) if ARV exceeds TRV, RRV is the portion of the excess that is a result of the additional expenditure, but
  - (b) if ARV does not exceed TRV, RRV is nil.
- (7) From—
  - (a) the amount of the additional expenditure,  
subtract
  - (b) RRV,to find the expected partial reduction in value over the remainder of the term of the lease.

- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

**502G Lessor under long funding operating lease: termination of lease**

- (1) This section applies for determining the liability to corporation tax of a company which is the lessor immediately before the termination of a long funding operating lease.
- (2) Step 1 is to find –
  - (a) the termination amount (TA);
  - (b) the total of any sums paid to the lessee that are calculated by reference to the termination value (LP).
- (3) Step 2 is to find –
  - (a) the relevant value for the purposes of section 502E(6)(a) (RV);
  - (b) the total of the deductions allowable under section 502E for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD1);
  - (c) the amount, if any, (ERV) by which RV exceeds TD1.
- (4) Step 3 is to find –
  - (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure for the purposes of section 502F in the case of the lease (TAE);
  - (b) the total of any deductions allowable under section 502F for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD2);
  - (c) the amount, if any, (EAE) by which TAE exceeds TD2.
- (5) Step 4 is to find the total of ERV and EAE (T).
- (6) If (TA - LP) exceeds T, treat a profit of an amount equal to the excess as arising to the company in the period of account in which the lease terminates.
- (7) If T exceeds (TA - LP), treat a loss of an amount equal to the excess as arising to the company in that period of account.
- (8) A profit or loss treated as arising to the company under subsection (6) or (7) above is to be treated –
  - (a) in the case of a profit, as income of the company attributable to the lease,

- (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (9) In computing the profits of the company, no deduction is allowed in respect of any sums paid to the lessee that are calculated by reference to the termination value.

- (4) In determining for the purposes of the Corporation Tax Acts in any such case the extent to which any such amount is referable to –
  - (a) basic life assurance and general annuity business, or
  - (b) long-term business which is not life assurance business,section 432A (apportionment of insurance companies’ income) is to have effect in relation to the amount as it has effect in relation to the income arising from an asset.  
This subsection is subject to subsections (5) and (6) below.
- (5) Before applying subsection (4) above in a case where –
  - (a) that subsection applies by virtue of subsection (3)(a) above in relation to an amount of rental earnings, and

  - (c) an amount deductible as a revenue expense by virtue of section 502C(3)(b),
- the amount is to be apportioned under section 432A in the same way as income.
- (8) Where –
- (a) the leased asset is an asset of the company’s long-term insurance fund, and
  - (b) a computation falling within subsection (9) below falls to be made,
- subsection (10) below applies to the computation.

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account in which it is

the lessee of any plant or machinery under a long funding finance lease.

- (2) In calculating the company's profits for the period of account,—
  - (a) the amount deducted in respect of amounts payable under the lease,

- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is—
  - (a) the market value of the plant or machinery at the commencement of the term of the lease, unless paragraph (b) below applies;
  - (b) if the lessee—
    - (i) has the use of the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but

the lower of first use market value and first use amortised market value.
- (5) In subsection (4) above—  
“first use amortised market value” means the value that the plant or machinery would have—  
(a) at the time when it is first brought into use for the purposes of the qualifying activity, but

less  
(b) the estimated costs of that disposal.

- (3) Any reference in this Chapter to a sum being written off on a straight line basis over a period of time (the “writing-off period”) is a reference to—

- (3) The “rental earnings” for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the long funding lease where it meets the finance lease test.
- (4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

- (1) This section applies for the purpose of calculating the profits of a person carrying on a trade for a period of account if he is or has been the lessor under a long funding finance lease.
- (2) This section has effect where a profit or loss (whether of an income or capital nature) –
  - (a) arises to the person in connection with the lease, and
  - (b) in accordance with generally accepted accounting practice falls to be recognised for accounting purposes in a period of account, but
  - (c) would not, apart from this section, be brought into account in calculating the profits of the person.
- (3) The profit or loss is to be treated –
  - (a) in the case of a profit, as income of the person that is attributable to the lease,
  - (b) in the case of a loss, as a revenue expense incurred by the person in connection with the lease.
- (4) Any reference in this section to an amount falling to be recognised for accounting purposes in a period of account is a reference to an amount falling to be recognised for accounting purposes –

- (3) This section does not prevent a deduction in respect of a sum to the extent that the sum is brought into account in determining the person's rental earnings.

*Lessors under long funding operating leases*

**148D Lessor under long funding operating lease: periodic deduction**

- (1) This section applies for the purpose of calculating the profits of a person carrying on a trade in a period of account –
  - (a) for the whole of which, or
  - (b) for any part of which,

the person is the lessor of any plant or machinery under a long funding operating lease.

- (2) A deduction is allowed in calculating the profits of the person for the period of account.
- (3) The amount of the deduction for any period of account is determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a), which is—
  - (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
  - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
  - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;
  - (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
  - (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but—
    - (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
    - (ii) that qualifying activity is the leasing of the plant or machinery under the long funding lease,the relevant value is the lower of first use market value and first use amortised value.
- (5) In subsection (4)—

“cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;

“first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

  - (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
  - (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;

“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;

“market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;

“recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.

- (6) From –
- (a) the relevant value determined in accordance with subsection (4),  
     subtract
  - (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e), would have been) expected to be the residual value of the plant or machinery,
- to find the expected gross reduction in value over the term of the lease.
- (7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.
- (8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.
- (9) The amount of the deduction for any period of account is the amount so apportioned to that period.

**148E Long funding operating lease: lessor’s additional expenditure**

- (1) This section applies if, in a period of account, –
- (a) a person carrying on a trade is the lessor of any plant or machinery under a long funding operating lease,
  - (b) the person incurs capital expenditure in relation to the plant or machinery, and
  - (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.
- (2) In a case falling within section 148D(4)(e), subsection (1)(c) has effect as if the reference to the commencement of the term of the lease were a reference to the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.
- (3) Where this section applies, an additional deduction is allowed in calculating the profits of the person for each post-expenditure period of account in which the person is the lessor of the plant or machinery under the lease.
- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV and TRV where –
- “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;

“CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;

“PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the person in relation to the leased plant or machinery;

“TRV” is the total of CRV and PRV.

- (6) Find RRV, where—
  - (a) if ARV exceeds CRV, RRV is the portion of the excess that is a result of the additional expenditure, but
  - (b) if ARV does not exceed CRV, RRV is nil.
- (7) From—
  - (a) the amount of the additional expenditure, subtract
  - (b) RRV,to find the expected partial reduction in value over the remainder of the term of the lease.
- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

#### **148F Lessor under long funding operating lease: termination of lease**

- (1) This section applies for the purpose of calculating the profits of a person carrying on a trade in a period of account if—
  - (a) a long funding operating lease terminates in that period of account, and
  - (b) the person is the lessor under that lease immediately before the termination.
- (2) Step 1 is to find—
  - (a) the termination amount (TA);

- (1) This section applies where –
  - (a) a person carrying on a trade, profession or vocation is or has been the lessee under a long funding finance lease, and

- (3) Subsection (2) does not affect the amount of any disposal value that falls to be brought into account by the person under CAA 2001.

*Lessees under long funding operating leases*

**148I Lessee under long funding operating lease**

- (1) This section applies for the purpose of calculating the profits of a person carrying on a trade, profession or vocation for a period of account in which the person is the lessee of any plant or machinery under a long funding operating lease.
- (2) The deductions that may be allowed in calculating the profits of the person for the period of account are to be reduced in accordance with the following provisions of this section.
- (3) The amount of the reduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a), which is—
  - (a) the market value of the plant or machinery at the commencement of the term of the lease, unless paragraph (b) applies;
  - (b) if the lessee—
    - (i) owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but
    - (ii) brings the plant or machinery into use for the purposes of a qualifying activity on or after 1st April 2006,the lower of first use market value and first use amortised market value.
- (5) In subsection (4)—
  - “first use amortised market value” means the value that the plant or machinery would have—
    - (a) at the time when it is first brought into use for the purposes of the qualifying activity, but
    - (b) on the assumption that the market value of the plant or machinery at the commencement of the term of the lease had been written off on a straight line basis over the remaining useful economic life of the plant or machinery;
  - “first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity.
- (6) From—

- (a) the relevant value determined in accordance with subsection (4),  
     subtract
  - (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(b), would have been) expected to be the market value of the plant or machinery at the end of the term of the lease,
- to find the expected gross reduction over the term of the lease.
- (7) Apportion the amount of that expected gross reduction to each period of account in which any part of the term of the lease falls.
  - (8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.
  - (9) The amount of the reduction for any period of account is the amount so apportioned to that period.

  - (b) that apportionment being made on a time basis, according to the proportion of the writing-off period that falls in each of the periods of account, and
  - (c) the sum being written off accordingly.
- (4) Chapter 6A of Part 2 of CAA 2001 (interpretation of that Part so far as relating to long funding leases) also applies for the purposes of this Chapter.”.

- (7) In the application of section 70W(4)(b) or 70X(4)(b) of CAA 2001 for the purposes of sub-paragraph (5) or (6), the lease mentioned in the opening words of the sub-paragraph in question is to be regarded as a lease which is not a long funding lease.

*Election for lease to be treated as long funding lease for tax purposes*

- 16 (1) The Treasury may by regulations make provision enabling a person of a prescribed description who is, or is to be, the lessor under a plant or machinery lease of a prescribed description to make an election for the lease to be treated in his case as a long funding lease.
- (2) The power to make regulations under this paragraph includes power to make provision for or in connection with any of the following—

- “prescribed” means specified in, or determined in accordance with, regulations under this paragraph.

*Excepted leases*

- 17 (1) A lease is an excepted lease if the following conditions are met.
- (2) Condition 1 is that before 21st July 2005 there was evidence in writing that there was agreement, or a common understanding, between the lessor’s side and the lessee’s side as to the principal terms of the lease (the “pre-existing heads of agreement”).  
The definitions of “the lessor’s side”, “the lessee’s side” and “the principal terms” are in paragraph 27.
  - (3) Condition 2 is that the leased plant or machinery was under construction (see paragraph 24) before 1st April 2006.
  - (4) Condition 3 is that the lease has been finalised before 1st April 2007 (but see sub-paragraph (8)).
  - (5) Condition 4 is that the commencement of the term of the lease is before 1st April 2007 (but see sub-paragraph (8)).
  - (6) Condition 5 is that the lessee is the particular person or persons identified as such in the pre-existing heads of agreement.
  - (7) Condition 6 is that the principal terms of the lease are not (or, apart from section 70M of CAA 2001, would not be) materially different from those in the pre-existing heads of agreement.
  - (8) Sub-paragraphs (4) and (5) have effect with the substitution of “2009” for “2007” if the additional conditions in paragraph 18 are met.

*Extended time limit: the additional conditions*

- 18 (1) The additional conditions mentioned in paragraph 17(8) are as follows.
- (2) Condition A is that the commencement of the term of the lease is before 1st April 2009.
  - (3) Condition B is that, at the latest, the commencement of the term of the lease is as soon as is reasonably practicable after construction of the asset is substantially complete.
  - (4) Condition C is that construction of the asset proceeded continuously on and after 1st April 2006.
  - (5) Condition D is that construction of the asset proceeded at the normal pace for an asset of its type.  
For this purpose, “normal pace” is the pace required to construct the asset in a reasonable time without delays or interruptions and consistent with normal business practice.
  - (6) This paragraph is supplemented by paragraph 19.

*Events beyond the control of the parties etc*

- 19 (1) Condition B, C or D in paragraph 18 is not failed by reason only of breaches due to events that meet the conditions in sub-paragraph (2).
- (2) The conditions are that—
- (a) the event is abnormal or unusual,
  - (b) the event is unforeseen, and could not reasonably have been foreseen, at the date when the main contract for the construction of the leased asset is entered into,
  - (c) the event is beyond the control of each of the principal parties,
  - (d) as respects the Condition in question, the consequences of the event could not have been avoided by the exercise of all due care, or the taking of all reasonable steps, by the principal parties or any of them.
- (3) In this paragraph “the principal parties” are—
- (a) the lessor’s side,
  - (b) the lessee’s side,
  - (c) the main constructor (see the definition in paragraph 27).

*Pre-existing heads of agreement relating to two or more assets*

- 20 (1) This paragraph has effect for the purposes of this Part in any case where the pre-existing heads of agreement relates to two or more assets.
- (2) The treatment of any of the assets varies according to whether the asset—
- (a) is for use individually (see sub-paragraph (3)), or
  - (b) is a constituent asset of a combined asset (see sub-paragraph (4)).
- (3) Where any of the assets is for use individually, this Part has effect in relation to that asset separately, as if it were the subject of—
- (a) its own separate pre-existing heads of agreement, and
  - (b) if there is a finalised lease, its own separate finalised lease.
- See sub-paragraph (5) for the method of determining the terms.
- (4) Where any of the assets are constituent assets of a combined asset—
- (a) the combined asset is to be regarded as a single asset, and
  - (b) the constituent assets are to be regarded as if they were instead component parts of that single asset,
- and sub-paragraph (3) applies accordingly.
- (5) For the purposes of sub-paragraph (3), the principles in sections 70L and 70M of CAA 2001 are to be applied, with any necessary modifications, for the purpose of determining the terms of—
- (a) the deemed separate pre-existing heads of agreement, and
  - (b) the deemed separate finalised lease (if any).

*Expenditure incurred before passing of this Act where lease is not an excepted lease*

- 21 (1) This paragraph applies where the following conditions are met—
- (a) a person incurs expenditure on the provision of plant or machinery for leasing under a long funding lease,
  - (b) some or all of that expenditure was incurred before the day on which this Act is passed,

- (c) the long funding lease is not an excepted lease,
  - (d) before 21st July 2005 there was a pre-existing heads of agreement in the case of the long funding lease.
- (2) In this paragraph—
- (a) “the old expenditure” means so much of the expenditure as is expenditure incurred before the day on which this Act is passed, and
  - (b) “the new expenditure” means so much of the expenditure as is expenditure incurred on or after that day.
- (3) Treat the old expenditure—
- (a) as if it had been incurred on the provision of a separate asset for leasing under a separate long funding lease, and
  - (b) as if that separate long funding lease were an excepted lease.
- (4) Treat the new expenditure as if it had been incurred on the provision of a separate asset for leasing under a separate long funding lease in relation to which the amendments made by this Schedule have effect.  
That is without prejudice to the application of any provisions of this Part which treat that deemed separate long funding lease as if it were two or more leases.
- (5) The rentals under the actual long funding lease are to be apportioned between the two deemed leases in such manner as is just and reasonable.
- (6) This paragraph has effect for the purpose of determining liability to income tax or corporation tax in the case of any person who is or has been the lessor or the lessee under the actual long funding lease.
- (7) Paragraph 22 has effect for determining when an amount of expenditure is to be treated for the purposes of this paragraph as incurred by the person mentioned in sub-paragraph (1).

*When expenditure is incurred for the purposes of paragraph 21*

- 22 (1) This paragraph has effect for determining, for the purposes of paragraph 21, when an amount of expenditure is to be treated as incurred by the person mentioned in sub-paragraph (1) of that paragraph.
- (2) The general rule is that an amount of expenditure is to be treated as incurred as soon as there is an unconditional obligation to pay it.
- (3) The general rule applies even if the whole or a part of the expenditure is not required to be paid until a later date.
- (4) There are the following exceptions to the general rule.
- (5) If, under an agreement,—
- (a) an unconditional obligation to pay an amount of expenditure comes into being as a result of the giving of a certificate or any other event, and
  - (b) the giving of the certificate, or other event, occurs before the day that falls one month after the passing of this Act,
- the expenditure is to be treated as incurred on the day before the passing of this Act.
- (6) If, under an agreement,—

- (a) there is an unconditional obligation to pay an amount of expenditure on a date earlier than accords with normal commercial usage, and
  - (b) the sole or main benefit which might have been expected to be obtained thereby is that the amount would be treated, under the general rule, as incurred at an earlier time,
- the amount is to be treated as incurred on the date on or before which it is required to be paid.
- (7) If the terms of an agreement are varied on or after 22nd March 2006 with respect to the times for payment and –
- (a) apart from the variation, an unconditional obligation to pay an amount of expenditure would have come into being on or after the day on which this Act is passed, but
  - (b) as a result of the variation, the unconditional obligation to pay the amount comes into being before that day,
- the amount is to be treated as incurred on the date on which it would have been treated as incurred apart from the variation.
- (8) Sub-paragraph (7) does not apply if the long funding lease mentioned in paragraph 21 was finalised before 22nd March 2006.

*When a lease is “finalised”*

- 23 (1) For the purposes of this Part, a lease is “finalised” on the earliest day on which the following conditions are met.
- (2) Condition 1 is that there is a contract in writing for the lease between the lessor and the lessee.
- (3) Condition 2 is that either –
- (a) the contract is unconditional, or
  - (b) if it is conditional, the conditions have been met.
- (4) Condition 3 is that no terms remain to be agreed.

*When an asset is “under construction”*

- 24 (1) An asset is “under construction” at any time in the period which –
- (a) begins when construction of the asset begins, and
  - (b) ends when construction of the asset is completed.
- (2) An asset consisting of two or more component parts is to be taken to be under construction at any time after the start of construction of any of those component parts which meets the condition in subsection (3).
- (3) The condition is that the component part has been identified as a component part of the particular asset before construction of the component part begins.
- (4) Sub-paragraphs (1) and (2) are subject to sub-paragraph (5).
- (5) The leased asset is not to be regarded as under construction at any time after the commencement of the term of the lease.
- (6) This paragraph has effect for the purposes of this Part.

*Combined assets and constituent assets*

- 25 (1) A “combined asset” is an asset which meets the conditions in sub-paragraph (2).
- (2) The conditions are that—
- (a) the asset is for use individually,
  - (b) it consists of two or more items of plant or machinery (“constituent assets”),
  - (c) each of the constituent assets is constructed with a view to its use in conjunction with the others as a single asset (namely, the combined asset).
- (3) Plant or machinery that can be used individually is not a constituent asset just because—
- (a) it is one of a number of assets of the same or a similar description,
  - (b) each of those assets is intended for use individually, and
  - (c) the use individually of those assets is to be co-ordinated to any extent.
- (4) This paragraph has effect for the purposes of this Part.

*Mixed leases*

- 26 (1) This paragraph applies in any case where there is a mixed lease (see section 70L of CAA 2001).
- (2) In any such case, determine whether the mixed lease is an excepted lease.
- (3) If the mixed lease is an excepted lease, section 70L of CAA 2001 and the amendments made by this Schedule accordingly do not have effect in relation to it.
- (4) If the mixed lease is not an excepted lease, then apply sections 70L and 70M of CAA 2001 and determine separately in the case of each derived lease whether that derived lease is an excepted lease.

*Interpretation of this Part*

- 27 (1) In this Part—

*Amount of income and expense*

- 4 (1) The amount of the income is calculated in accordance with paragraphs 16 to 21.

- (3) For the purpose of determining how much of a loss derives from the expense, the loss is to be calculated on the basis that the expense is the final amount to be deducted.

*Meaning of “business of leasing plant or machinery”*

- 6 (1) This paragraph determines for the purposes of this Part of this Schedule whether, on any day (“the relevant day”), a company (“the relevant company”) carries on a business of leasing plant or machinery.
- (2) A business carried on by the relevant company is a business of leasing plant or machinery on the relevant day if condition A or B is met.

- (4) Condition B is that at least half of the relevant company’s income in the period of 12 months ending with the relevant day derives from qualifying leased plant or machinery.
- (5) For the purposes of this Part of this Schedule, plant or machinery is “qualifying leased plant or machinery”, in relation to any company, if—

  - (c) at any time in the period of 12 months ending with the relevant day the plant or machinery has been subject to a plant or machinery lease which is not an excluded lease of background plant or machinery for a building (see paragraph 41).
- (6) “The relevant assumptions” are—
  - (a) that sections 34A and 70A of CAA 2001 (lessees, and not lessors, under long funding leases to be entitled to capital allowances) are ignored, and
  - (b) that any claim that could be made for an allowance under Part 2 of that Act is made.

*Provision for the purposes of condition A in paragraph 6*

- (4) For this purpose the amounts shown in the appropriate balance sheet of any company in respect of any plant or machinery are—
  - (a) the amounts shown in that balance sheet as the net book value (or carrying amount) in respect of the plant or machinery, and
  - (b) the amounts shown in that balance sheet as the net investment in respect of finance leases of the plant or machinery.
- (5) If—
  - (a) any of the plant or machinery is a fixture in any land, and
  - (b) the amount which falls (or would fall) to be shown in an appropriate balance sheet as the net book value (or carrying amount) of the land includes (or would include) an amount in respect of the fixture,the amount of the net book value (or carrying amount) in respect of the fixture is determined on a just and reasonable basis.
- (6) If—
  - (a) any of the plant or machinery is subject to a finance lease, and
  - (b) any land or other asset which is not plant or machinery is subject to that lease,the amount of the net investment in respect of the finance lease of that plant or machinery is determined on a just and reasonable basis.
- (7) In this paragraph any reference to any amount shown in the appropriate balance sheet of a company is to the amount which, on the following assumptions, falls (or would fall) to be shown in a balance sheet of the company.
- (8) The assumptions are—
  - (a) that the balance sheet is drawn up as at the start of the relevant day in accordance with generally accepted accounting practice, and
  - (b) that, if the company acquires any plant or machinery directly or indirectly from a person who is connected with the company, the plant or machinery had been acquired for an amount equal to its market value as at the relevant day.
- (9) Sub-paragraph (8)(b) does not apply if the relevant day falls before 22nd March 2006.

*Provision for the purposes of condition B in paragraph 6*

- 8 (1) This paragraph applies for the purposes of condition B in paragraph 6.
- (2) The reference to the relevant company's income is to its income as calculated for corporation tax purposes.
- (3) Any apportionment necessary to determine the amount of the relevant company's income attributable to the period of 12 months ending with the relevant day is to be made on a time basis.
- (4) But—
  - (a) that basis does not apply if it would work in an unjust or unreasonable manner in relation to any person, and
  - (b) in that case the apportionment is to be made instead on a just and reasonable basis.
- (5) The proportion of the income that derives from qualifying leased plant or machinery is to be determined on a just and reasonable basis.

*Meaning of “associated company”*

- 9 (1) A company is an “associated company” of another company on any day if, at the start of that day,—
  - (a) one of the two has control of the other, or
  - (b) both are under the control of the same person or persons,and for this purpose “control” is to be read in accordance with section 416 of ICTA.
- (2) If, at the start of any day, a company (“the consortium company”) is owned by a consortium or is a qualifying 90% subsidiary of a company owned by a consortium, references to an associated company of the consortium company on that day include—
  - (a) any relevant member of the consortium on that day, and
  - (b) any company which is an associated company of any relevant member of the consortium on that day.

  - (b) one or more qualifying changes of ownership occur in relation to the consortium company on that day, and
  - (c) any of those changes occur in a case where the member of the consortium is regarded as “company E” for the purposes of paragraph 12 (consortium relationships).
- (4) This paragraph applies for the purposes of this Part of this Schedule.

*Meaning of “a qualifying change of ownership” in relation to a company*

- 10 (1) For the purposes of this Schedule, there is a qualifying change of ownership in relation to a company (“company A”) on any day if there is a relevant change in the relationship on that day between—
  - (a) company A, and
  - (b) a principal company of company A,

but see paragraph 13 for an exception (no qualifying change of ownership in the case of certain intra-group reorganisations).

- (2) For the purposes of this Schedule, there is a relevant change in the relationship between company A and a principal company of company A on any day in any of the circumstances in paragraphs 11 and 12 (qualifying 75% subsidiaries and consortium relationships).

*Qualifying 75% subsidiaries*

- 11 (1) A company (“company B”) is a principal company of company A if—
- (a) company A is a qualifying 75% subsidiary of company B, and
  - (b) company B is not a qualifying 75% subsidiary of another company.
- (2) There is a relevant change in the relationship between company A and company B (as a principal company) on any day if company A ceases to be a qualifying 75% subsidiary of company B on that day.
- (3) A company (“company C”) is a principal company of company A if—
- (a) company A is a qualifying 75% subsidiary of company B,
  - (b) company B is a qualifying 75% subsidiary of company C, and
  - (c) company C is not a qualifying 75% subsidiary of another company.
- (4) There is a relevant change in the relationship between company A and company C (as a principal company) on any day if—
- (a) company A ceases to be a qualifying 75% subsidiary of company B on that day, or
  - (b) company B ceases to be a qualifying 75% subsidiary of company C on that day.
- (5) If company C is a qualifying 75% subsidiary of another company (“company D”), company D is a principal company of company A unless company D is a qualifying 75% subsidiary of another company, and so on.
- (6) Accordingly, there is a relevant change in the relationship between company A and a principal company of company A on any day if—
- (a) in determining which company is a principal company, regard is had to any company which is a qualifying 75% subsidiary of another, and
  - (b) that company ceases to be a qualifying 75% subsidiary of the other on that day.
- (7) This paragraph is supplemented by paragraph 15 (meaning of a qualifying 75% subsidiary).

*Consortium relationships*

- 12 (1) A company (“company E”) is a principal company of company A if—
- (a) company A is owned by a consortium of which company E is a member, or
  - (b) company A is a qualifying 90% subsidiary of a company owned by a consortium of which company E is a member,
- and company E is not a qualifying 75% subsidiary of another company.
- (2) There is a relevant change in the relationship between company A and company E (as a principal company) on any day if the relevant fraction at the end of the day is less than the relevant fraction at the start of the day.

- (3) In this paragraph “the relevant fraction” is whichever is the lowest of the following percentages –
- (a) the percentage of the ordinary share capital of company A that is beneficially owned by company E,
  - (b) the percentage to which company E is beneficially entitled of any profits available for distribution to equity holders of company A,
  - (c) the percentage to which company E would be beneficially entitled of any assets of company A available for distribution to its equity holders on a winding-up.
- (4) In any case where company A is a qualifying 90% subsidiary of a company, sub-paragraph (3) is to be read as if for references to company A there were substituted references to that company.
- (5) A company (“company F”) is a principal company of company A if –
- (a) company A is owned by a consortium of which company E is a member, or
  - (b) company A is a qualifying 90% subsidiary of a company owned by a consortium of which company E is a member,
- and company E is a qualifying 75% subsidiary of company F, but company F is not a qualifying 75% subsidiary of another company.
- (6) There is a relevant change in the relationship between company A and company F (as a principal company) on any day if –
- (a) the relevant fraction at the end of the day is less than the relevant fraction at the start of the day, or
  - (b) company E ceases to be a qualifying 75% subsidiary of company F on that day.
- (7) If company F is a qualifying 75% subsidiary of another company (“company G”), company G is a principal company of company A unless company G is a qualifying 75% subsidiary of another company, and so on.
- (8) Accordingly, there is a relevant change in the relationship between company A and a principal company of company A on any day if –
- (a) in determining which company is a principal company, regard is had to any company which is a qualifying 75% subsidiary of another, and
  - (b) that company ceases to be a qualifying 75% subsidiary of the other on that day,
- (as well as if the relevant fraction at the end of the day is less than the relevant fraction at the start of the day).
- (9) This paragraph is supplemented by –
- (a) paragraph 14 (meaning of consortium member etc), and
  - (b) paragraph 15 (meaning of a qualifying 75% or 90% subsidiary).

*No qualifying change of ownership in the case of certain intra-group reorganisations*

- 13 (1) This paragraph applies if –
- (a) a relevant change in the relationship between a company (“company A”) and a principal company of company A occurs on any day,
  - (b) that change occurs by reference to company A or any other company ceasing to be a qualifying 75% subsidiary on that day, and

- (c) company A, and every company by reference to which that change occurs, are qualifying 75% subsidiaries of the principal company concerned at the start and end of that day.
- (2) For the purposes of this Schedule, there is no qualifying change of ownership in relation to company A on that day as a result of that change in the relationship.

*Meaning of “company owned by a consortium” etc*

- 14 (1) A company is owned by a consortium if—
- (a) it is not a qualifying 75% subsidiary of any company,
  - (b) 75% or more of its ordinary share capital is beneficially owned between them by other companies, and
  - (c) none of those other companies owns less than 5% of that capital.
- (2) Those other companies are the members of the consortium.
- (3) This paragraph applies for the purposes of this Schedule.

*Meaning of qualifying 75% or 90% subsidiary etc*

- 15 (1) In this Schedule a company (“the subsidiary company”) is a qualifying 75% subsidiary of another company (“the parent company”) if—
- (a) the subsidiary company is a 75% subsidiary of the parent company within the meaning of section 838 of ICTA (if the subsidiary company has ordinary share capital), or
  - (b) the parent company has control of the subsidiary company within the meaning of section 840 of ICTA (if the subsidiary company does not have ordinary share capital),
- and the parent company is beneficially entitled to the appropriate proportion of profits and assets.
- (2) The parent company is beneficially entitled to the appropriate proportion of profits and assets if (and only if) it—
- (a) is beneficially entitled to at least 75% of any profits available for distribution to equity holders of the subsidiary company, and
  - (b) would be beneficially entitled to at least 75% of any assets of the subsidiary company available for distribution to its equity holders on a winding-up.
- (3) In this Schedule references to a qualifying 90% subsidiary are to be read in the same way as references to a qualifying 75% subsidiary, but as if the references to 75% were to 90%.
- (4) A company (“company A”) cannot be a qualifying 90% subsidiary of another company for the purposes of this Schedule if company A is a qualifying 75% subsidiary of a third company.
- (5) Schedule 18 to ICTA (equity holders and profits or assets etc) applies for the purposes of any provision of this Part of this Schedule as it applies for the purposes of any corresponding provision of Chapter 4 of Part 10 of that Act (group relief).
- (6) But, in a case where the subsidiary company does not have ordinary share capital, that Schedule applies for those purposes as if the members of that

company were equity holders of that company for the purposes of that Schedule.

*The amount of the income: the basic amount*

- 16 (1) This paragraph determines the amount of the income under paragraph 3 when a qualifying change of ownership in relation to a company (“the relevant company”) carrying on a business of leasing plant or machinery occurs on any day (“the relevant day”).
- (2) The amount of the income is found by –
- (a) applying the following formula to give the basic amount, and
  - (b) making any adjustment in accordance with any of paragraphs 19 to 21 to the basic amount.
- (3) The formula is –

$$PM - TWDV$$

- (4) For this purpose –
- “PM” has the meaning given by paragraph 17, and
  - “TWDV” has the meaning given by paragraph 18.

*Meaning of “PM” in paragraph 16*

- 17 (1) For the purposes of this paragraph references to plant or machinery, in the case of any company, do not include any plant or machinery –
- (a) on the provision of which the company has incurred expenditure which is not, as a result of section 34A of CAA 2001 (expenditure for long funding leasing), qualifying expenditure for the purposes of Part 2 of that Act, or
  - (b) which is, as a result of section 67 of that Act (hire-purchase and similar contracts), treated for the purposes of that Part as owned by a person other than the company,
- but, apart from that, include all other plant or machinery, whether or not subject to a lease.
- (2) For the purposes of paragraph 16, “PM” means the amount found by adding together –
- (a) the amounts (if any) shown in the appropriate balance sheet of the relevant company in respect of plant or machinery which it owns at the start of the relevant day, and
  - (b) the amounts (if any) shown in the appropriate balance sheet of each associated company in respect of plant or machinery which it transfers to the relevant company on the relevant day,
- and the reference here to an associated company is to a company which is an associated company of the relevant company on the relevant day.
- (3) For this purpose the amounts shown in the appropriate balance sheet of any company in respect of any plant or machinery are –
- (a) the amounts shown in that balance sheet as the net book value (or carrying amount) in respect of the plant or machinery, and
  - (b) the amounts shown in that balance sheet as the net investment in respect of finance leases of the plant or machinery.

- (4) If—
- (a) any of the plant or machinery is a fixture in any land, and
  - (b) the amount which falls (or would fall) to be shown in an appropriate balance sheet as the net book value (or carrying amount) of the land includes (or would include) an amount in respect of the fixture,
- the amount of the net book value (or carrying amount) in respect of the fixture is determined on a just and reasonable basis.
- (5) If—
- (a) any of the plant or machinery is subject to a finance lease, and
  - (b) any land or asset which is not plant or machinery is subject to that lease,
- the amount of the net investment in respect of the finance lease of that plant or machinery is determined on a just and reasonable basis.
- (6) In this paragraph any reference to any amount shown in the appropriate balance sheet of a company is to the amount which, on the following assumptions, falls (or would fall) to be shown in a balance sheet of the company.
- (7) The assumptions are—
- (a) that the balance sheet is drawn up as at the start of the relevant day in accordance with generally accepted accounting practice, and
  - (b) that, if the company acquires any plant or machinery directly or indirectly from a person who is connected with the company, the plant or machinery had been acquired for an amount equal to its market value as at the relevant day.
- (8) Sub-paragraph (7)(b) does not apply if the relevant day falls before 22nd March 2006.

*Meaning of “TWDV” in paragraph 16*

- 18 (1) For the purposes of paragraph 16, “TWDV” means the amount found by adding together—
- (a) the total amount of unrelieved qualifying expenditure in single asset pools for the new chargeable period that is carried forward in the pools from the previous chargeable period under section 59 of CAA 2001,
  - (b) the total amount of unrelieved qualifying expenditure in class pools for the new chargeable period that is carried forward in the pools from the previous chargeable period under that section, and
  - (c) the amount of unrelieved qualifying expenditure in the main pool for the new chargeable period that is carried forward in the pool from the previous chargeable period under that section.
- (2) For the purposes of “TWDV”—
- (a) “the new chargeable period” means the accounting period of the relevant company that begins on the day following the relevant day (see paragraph 3(4)), and
  - (b) expenditure incurred by the relevant company in acquiring plant or machinery on the relevant day is to be left out of account unless it is acquired from an associated company,

and the reference here to an associated company is to a company which is an associated company of the relevant company on the relevant day.

*Amount to be nil if basic amount negative*

- 19 If the basic amount given by the formula is a negative amount, the amount is taken instead to be nil.

*Adjustment to basic amount: qualifying 75% subsidiaries*

- 20 (1) This paragraph applies if—
- (a) the qualifying change of ownership occurs on any day as a result of paragraph 11, and
  - (b) the change occurs by reference to a company (“company A”) ceasing to be a qualifying 75% subsidiary of another company (“company B”) on that day.
- (2) There is no adjustment to the basic amount unless, on that day, company A—
- (a) becomes owned by a consortium of which company B is a member, or
  - (b) becomes a qualifying 90% subsidiary of a company owned by a consortium of which company B is a member.
- (3) In that case, the amount of the income is limited to the appropriate percentage of the basic amount.
- (4) The appropriate percentage is found by subtracting the relevant fraction at the end of the day from 100%.
- (5) For this purpose “the relevant fraction” is whichever is the lowest of the following percentages—
- (a) the percentage of the ordinary share capital of company A that is beneficially owned by company B,
  - (b) the percentage to which company B is beneficially entitled of any profits available for distribution to equity holders of company A,
  - (c) the percentage to which company B would be beneficially entitled of any assets of company A available for distribution to its equity holders on a winding-up.
- (6) In any case where company A becomes a qualifying 90% subsidiary of a company, sub-paragraph (5) is to be read as if for references to company A there were substituted references to that company.

*Adjustment to the basic amount: consortium relationships*

- 21 (1) This paragraph applies if the qualifying change of ownership occurs on any day as a result of paragraph 12.
- (2) In a case where that change arises only because the relevant fraction at the end of the day is less than the relevant fraction at the start of the day, the amount of the income is limited to the appropriate percentage of the basic amount.
- (3) The appropriate percentage is found by subtracting the relevant fraction at the end of the day from the relevant fraction at the start of the day.

- (4) In any other case, the amount of the income is limited to the relevant fraction at the start of that day of the basic amount.
- (5) In this paragraph “the relevant fraction” has the same meaning as in paragraph 12.

*Migration*

- 22 (1) This paragraph applies if—
- (a) on any day (“the relevant day”) a company begins to be within the charge to corporation tax in respect of a business of leasing plant or machinery which it carries on otherwise than in partnership, and
  - (b) there is a qualifying change of ownership in relation to the company which occurs on the relevant day.
- (2) For the purposes of this Part of this Schedule, any plant or machinery owned by the company immediately before the relevant day is to be ignored in calculating the amount of the income treated as received on that day.

PART 3

LEASING BUSINESS CARRIED ON BY A COMPANY IN PARTNERSHIP

*Change in company’s interest in business: income treated as received etc*

- 23 (1) This paragraph applies for corporation tax purposes if—
- (a) on any day (“the relevant day”) a company (“the partner company”) carries on a business of leasing plant or machinery in partnership with other persons (see paragraph 25),
  - (b) the partner company is within the charge to corporation tax in respect of the business, and
  - (c) there is a qualifying change in the partner company’s interest in the business on the relevant day (see paragraphs 27 and 28).
- (2) On the relevant day—
- (a) the partner company is treated as receiving an amount of income, and
  - (b) any other company which carries on the business on that day and which is within the charge to corporation tax in respect of the business is treated as incurring an expense.
- (3) The income—
- (a) is treated as a receipt of the partner company’s notional business, and
  - (b) is brought into account in calculating for corporation tax purposes the profits of that business for the accounting period in which it is treated as received.
- (4) The expense—
- (a) is treated as an expense of the other company’s notional business, and
  - (b) is allowed as a deduction in calculating for corporation tax purposes the profits of that business for the accounting period in which it is treated as incurred.

- (5) In this Part of this Schedule a company’s “notional business” means the business –
- (a) from which the company’s share in the profits or loss of the business carried on by the partnership is treated under section 114(2) of ICTA as deriving for the purposes of the charge to corporation tax, and
  - (b) which is treated under that provision as carried on alone by the company for those purposes.
- (6) This paragraph is supplemented by paragraph 24.

*Amount of income and expense*

- 24 (1) The amount of the income is calculated in accordance with paragraphs 29 to 31.
- (2) The amount of the expense of the other company is calculated in accordance with paragraph 32.

*Meaning of “business of leasing plant or machinery”*

- 25 (1) For purposes of this Part of this Schedule whether, on any day (“the relevant day”), a company (“the partner company”) carries on a business of leasing plant or machinery in partnership with other persons is determined in accordance with paragraphs 6 to 8 (but modified as follows).
- (2) Any reference in those paragraphs to the relevant company is to be read as a reference to the partnership.
- (3) Any reference in those paragraphs to an associated company of the relevant company on the relevant day is to be read as a reference to each of the following –
- (a) the partner company,
  - (b) any company which is an associated company (see paragraph 26) of the partner company on the relevant day,
  - (c) any other partner company in relation to whose interest in the business there is a qualifying change on the relevant day,
  - (d) any other partner company in relation to which there is a qualifying change of ownership on the relevant day, and
  - (e) any company which is an associated company of any other partner company mentioned in paragraph (c) or (d) on the relevant day.
- (4) For this purpose “any other partner company” means a company –
- (a) which carries on the business at the start of the relevant day, and
  - (b) which is within the charge to corporation tax in respect of the business.

*Meaning of “associated company”*

- 26 (1) A company is an “associated company” of another company on any day if, at the start of that day, –
- (a) one of the two has control of the other, or
  - (b) both are under the control of the same person or persons,
- and for this purpose “control” is to be read in accordance with section 416 of ICTA.

- (2) Sub-paragraphs (3) and (4) apply if, at the start of any day, a company (“the consortium company”) –
  - (a) is owned by a consortium, or
  - (b) is a qualifying 90% subsidiary of a company owned by a consortium.
- (3) If there is any qualifying change in the consortium company’s interest in a business on that day, references to an associated company of the consortium company on that day include –
  - (a) any member of the consortium at the start of that day, and
  - (b) any company which is an associated company of any such member on that day.
- (4) If there is any qualifying change of ownership in relation to the consortium company on that day but there is no qualifying change in its interest in a business on the relevant day, references to an associated company of the consortium company on that day include –
  - (a) any relevant member of the consortium on that day, and
  - (b) any company which is an associated company of any relevant member of the consortium on that day.
- (5) For this purpose a member of the consortium is a “relevant” member on any day if –
  - (a) it is a member of the consortium at the start of the day, and
  - (b) the qualifying change of ownership occurs on that day in a case where the member of the consortium is regarded as “company E” for the purposes of paragraph 12 (consortium relationships).
- (6) This paragraph applies for the purposes of this Part of this Schedule.

*Meaning of “qualifying change” in company’s interest in a business*

- 27
- (1) For the purposes of this Schedule there is a qualifying change in a company’s interest in a business on any day if its relevant percentage share at the end of the day is less than its relevant percentage share at the start of the day.
  - (2) In this paragraph “relevant percentage share”, in relation to a company’s interest in a business, means its percentage share in the profits or loss of the business (determined in accordance with paragraph 28).
  - (3) For the purposes of this paragraph any reference to a company’s share in the profits or loss of the business includes a nil share (whether as a result of the dissolution of the partnership or otherwise).

*Determining the percentage share in the profits or loss of business*

- 28
- (1) For the purposes of this Part of this Schedule a company’s percentage share in the profits or loss of a business at any time is determined on a just and reasonable basis.
  - (2) In making that determination, regard must be had, in particular, to –
    - (a) any matter that would be taken into account in determining under section 114(2) of ICTA the company’s share at that time in the profits or loss of the business, and

- (b) any matter that would be taken into account in determining under that provision the company's share at that time in any capital allowances and charges under CAA 2001.

*The amount of the income: the basic amount*

- 29 (1) This paragraph determines the amount of the income under paragraph 23 when a qualifying change in the interest of a company ("the partner company") in a business of leasing plant or machinery occurs on any day ("the relevant day").
- (2) The amount of the income is found by –
- (a) applying the following formula to give the basic amount, and
  - (b) making the adjustment in accordance with paragraph 30 or 31 to the basic amount.
- (3) The formula is –

PM – TWDV

- (4) In this paragraph "PM" has the meaning given by paragraph 17, but –
- (a) reading any reference in that paragraph to the relevant company as a reference to the partnership, and
  - (b) reading any reference in that paragraph to an associated company of the relevant company on the relevant day as a reference to a qualifying company (see sub-paragraph (7)).
- (5) In this paragraph "TWDV" means the amount found by adding together –
- (a) the total amount of unrelieved qualifying expenditure in single asset pools for the new chargeable period that would be carried forward in the pools from the old chargeable period under section 59 of CAA 2001,
  - (b) the total amount of unrelieved qualifying expenditure in class pools for the new chargeable period that would be carried forward in the pools from the old chargeable period under that section, and
  - (c) the amount of unrelieved qualifying expenditure in the main pool for the new chargeable period that would be carried forward in the pool from the old chargeable period under that section.
- (6) For the purposes of "TWDV" –
- (a) it is to be assumed that the chargeable period (within the meaning of CAA 2001) of the partnership ends on the relevant day ("the old chargeable period") and a new one begins on the following day ("the new chargeable period"), and
  - (b) expenditure incurred by the partnership in acquiring plant or machinery on the relevant day is to be left out of account unless it is acquired from a qualifying company.
- (7) In this paragraph "qualifying company" means each of the following –
- (a) the partner company,
  - (b) any company which is an associated company of the partner company on the relevant day,
  - (c) any other partner company in relation to whose interest in the business there is a qualifying change on the relevant day,

- (d) any other partner company in relation to which there is a qualifying change of ownership on the relevant day, and
  - (e) any company which is an associated company of any other partner company mentioned in paragraph (c) or (d) on the relevant day.
- (8) For this purpose “any other partner company” means a company –
- (a) which carries on the business at the start of the relevant day, and
  - (b) which is within the charge to corporation tax in respect of the business.

*Amount to be nil if basic amount negative*

- 30 If the basic amount given by the formula is a negative amount, the amount is taken instead to be nil.

*Adjustment of basic amount*

- 31 (1) The amount of the company’s income under paragraph 23 is limited to the appropriate percentage of the basic amount.
- (2) The appropriate percentage is found by subtracting the company’s relevant percentage share at the end of the day from its relevant percentage share at the start of the day.
- (3) In this paragraph “relevant percentage share” has the same meaning as it has for the purposes of paragraph 27.

*Amount of expense*

- 32 (1) This paragraph applies if, as a result of a qualifying change in a company’s interest in a business on any day, –
- (a) the company (“the partner company”) is treated as receiving an amount of income under paragraph 23 on that day,
  - (b) any other company is treated as incurring an expense under that paragraph on that day,
  - (c) the other company’s percentage share in the profits or loss of the business increases at any time on that day, and
  - (d) the increase at that time (or any part of the increase at that time) is wholly attributable to the change in the partner company’s interest in the business.
- (2) The amount of the expense of the other company is limited to the appropriate percentage of the amount of the income.
- (3) The appropriate percentage is the percentage of the other company’s percentage share in the profits or loss of the business immediately after the change that is wholly attributable to the change.
- (4) For the purposes of this paragraph any reference to an increase in the other company’s percentage share in any profits or loss of the business includes an increase from a nil share (whether as a result of its becoming a partner or otherwise).

*Income and matching expense in different accounting periods*

- 33 (1) This paragraph applies for corporation tax purposes if –

- (a) on any day (“the relevant day”) a company carries on a business of leasing plant or machinery in partnership with other persons,
  - (b) the company is within the charge to corporation tax in respect of the business, and
  - (c) there is a qualifying change of ownership in relation to the company on the relevant day.
- (2) On the relevant day –
- (a) the company is treated as receiving an amount of income, and
  - (b) the accounting period of the company ends.
- (3) The income –
- (a) is treated as a receipt of the company’s notional business, and
  - (b) is brought into account in calculating for corporation tax purposes the profits of that business for that accounting period.
- (4) On the day following the relevant day –
- (a) the company is treated as incurring an expense, and
  - (b) a new accounting period of the company begins.
- (5) The expense –
- (a) is treated as an expense of the company’s notional business, and
  - (b) is allowed as a deduction in calculating for corporation tax purposes the profits of that business for that new accounting period.
- (6) This paragraph is supplemented by paragraphs 34 and 35.

*Amount of income and expense*

(2) The amount of the expense is the same as the amount of the income.

*No carry back of the expense*

- 35 (1) This paragraph applies if the notional business carried on by the company is a trade the profits of which are chargeable to corporation tax under Case I of Schedule D.  
(2) No relief is to be given by virtue of section 393A(1)(b) of ICTA (set off of trading losses against profits of earlier accounting periods) in respect of so much of any loss as derives from the expense.  
(3) For the purpose of determining how much of a loss derives from the expense, the loss is to be calculated on the basis that the expense is the final amount to be deducted.

*Amount of the income*

- 36 (1) This paragraph determines the amount of the income under paragraph 33 when a qualifying change of ownership in relation to a company carrying on a business of leasing plant or machinery occurs on any day (“the relevant day”).  
(2) The amount of the income is found by first –

- (a) applying the formula in paragraph 29 to give the basic amount (as if the company were “the partner company” mentioned in that paragraph), and
  - (b) making any adjustment in accordance with any of paragraphs 19 to 21 to the basic amount.
- (3) The amount is then limited to the appropriate percentage of the amount given as a result of sub-paragraph (2).
  - (4) If there is no qualifying change in the company’s interest in the business on the relevant day, the appropriate percentage is the percentage share of the company in the profits or loss of the business on the relevant day.
  - (5) If there is a qualifying change in the company’s interest in the business on the relevant day, the appropriate percentage is the percentage share of the company in the profits or loss of the business at the end of the relevant day.

*Meaning of “profits” etc*

- 37 In this Part of this Schedule “profits” does not include chargeable gains, and references to “loss” are to be read accordingly.

PART 4

- 38 (1) This paragraph applies if—
- (a) a company is treated as incurring an expense under any provision of this Schedule,
  - (b) the expense arises directly or indirectly in consequence of, or otherwise in connection with, any arrangements, and
  - (c) the main purpose, or one of the main purposes, of the arrangements is to secure that the company is treated as incurring the expense.
- (2) The following restrictions apply in respect of so much of any loss incurred by the company as derives from the expense (“the restricted part of the loss”).
  - (3) Apart from by way of set off against any relevant leasing income, relief is not to be given to the company under any relevant loss relief provision in respect of the restricted part of the loss.
  - (4) If the business carried on by the company is a trade, relief is not to be given to the company under section 393A(1) of ICTA in respect of the restricted part of the loss.

*Changes in value of assets brought into account: non-profit companies*

- 7 (1) After section 83 of FA 1989 insert –
- “83YA Changes in value of assets brought into account: non-profit companies**
- (1) This section applies if, in the case of any non-profit company, –

- 
- (a) the amount shown in line 51 of Form 14 of its periodical return in respect of the whole of its long-term business for any period of account (“the current period of account”), exceeds
  - (b) the aggregate amount of the amounts shown in line 51 of Form 14 of its periodical return in respect of its with-profits funds (if any) for that period.
- (2) A comparison shall be made between—
- (a) the appropriate line 51 amount of the company for the current period of account (“the current line 51 amount”), and
  - (b) the aggregate amount of the appropriate line 51 amount of the company for the previous period of account (if any) and the amount of any transfer-in amount of the company for that period.
- (3) If the current line 51 amount is greater than that aggregate amount, an amount equal to the difference shall be deemed for the purposes of section 83(2) to be brought into account for the current period of account as an increase in the value of non-linked assets.
- (4) If the current line 51 amount is less than that aggregate amount, an amount equal to the difference shall be deemed for the purposes of section 83(2) to be brought into account for the current period of account as a decrease in the value of non-linked assets.
- (5) The amount brought into account by virtue of this section shall be deemed for the purposes of section 83(2) to be brought into account—
- (a) in the revenue account mentioned in section 83A(2)(a), or
  - (b) if section 83A(4) is applicable, in the separate revenue account treated as prepared by virtue of that provision.
- (6) Any amount brought into account by virtue of this section is in addition to any amount brought into account for the purposes of section 83(2) for the current period of account as an increase or decrease in the value of non-linked assets apart from this section.
- (7) For the purposes of this section a company has a transfer-in amount for any period of account (“the previous period of account”) if—
- (a) a transfer takes place in the following period of account, and
  - (b) the company, as the transferee, is a party to an election under section 444AD of the Taxes Act 1988 (transfers of business: modification of section 83(2B)),
- and the amount of the transfer-in amount for the previous period of account is the amount specified in subsection (4) of that section.
- (8) For the purposes of this section and section 83YB “non-profit company”, in relation to a period of account, means a company carrying on long-term business where, at the end of that period,—
- (a) none of the liabilities of that business, or
  - (b) none but an insignificant proportion of those liabilities, are with-profits liabilities.
- (9) But if a company considers that, in relation to a period of account, it is no longer such a company, it may elect to be treated for the

purposes of this section and section 83YB as if, in relation to that period of account and every subsequent period of account, it were a non-profit company.

- (10) Any such election –
- (a) is irrevocable, and
  - (b) must be made by notice to an officer of the Board on or before the end of the period of 6 months beginning with the day on which that period of account ends.
- (11) For the purposes of this section and section 83YB –
- “amount”, in relation to line 51 of Form 14 of the company’s periodical return, includes a nil amount;
  - “with-profits fund” has the same meaning as in the Integrated Prudential Sourcebook.

**83YB Meaning of “appropriate line 51 amount” for purposes of s.83YA**

- (1) For the purposes of section 83YA, the appropriate line 51 amount of a non-profit company for any period of account is determined as follows.

*Step 1*

Find the company’s basic line 51 amount for the period of account.

*Step 2*

Reduce that amount (but not below nil) by the amount of any unrecognised capital amount of the company for the period of account.

But this step applies only if the period of account for which the appropriate line 51 amount of the company is being determined is the current period of account for the purposes of section 83YA.

*Step 3*

Increase the resulting amount by the amount of any relevant loan repayment made by the company in the period of account.

- (2) For the purposes of step 1, the company’s basic line 51 amount for any period of account is –
- (a) in the case where no with-profits funds form part of its long-term business for that period, the amount shown in line 51 of Form 14 of its periodical return in respect of the whole of its long-term business for that period, and
  - (b) in any other case, so much of that amount as exceeds the aggregate amount of the amounts shown in line 51 of Form 14 of its periodical return in respect of its with-profits funds for that period.
- (3) For the purposes of step 2, the company has an unrecognised capital amount for any period of account if –
- (a) any assets (“the added assets”) become assets of its long-term insurance fund but do not become assets of any of its with-profits funds,
  - (b) the consideration for the acquisition of the added assets does not comprise any assets which, immediately before the acquisition, were assets of its long-term insurance fund,

- (c) no amount is shown in respect of the added assets in any of lines 17 to 41 of Form 14 of its periodical return in respect of the whole of its long-term business for the period of account, and
  - (d) no amount is brought into account for the period of account in consequence of the acquisition of the added assets.
- (4) For the purposes of step 2, the amount of the unrecognised capital amount for the period of account is the amount equal to the fair value of the added assets.
- (5) For this purpose the “fair value of the added assets” means –
- (a) the amount which would be obtained from an independent person purchasing them, or
  - (b) if the assets are money, its amount.
- (6) For the purposes of step 3, a relevant loan repayment is made by the company in any period of account if –
- (a) a repayment in respect of a loan is made by the company in the period of account, and
  - (b) the loan is one in relation to which the company has, for the purposes of step 2, an unrecognised capital amount for that or any other period of account.”.
- (2) The amendment made by this paragraph has effect in relation to periods of account ending on or after 29th September 2005.
- (3) There are the following modifications of sections 83YA and 83YB of FA 1989 in the case of any period of account of a company (“the straddling period of account”) –
- (a) beginning before 29th September 2005, and
  - (b) ending on or after that date.
- (4) The modifications are that sections 83YA and 83YB of FA 1989 have effect in relation to the straddling period of account (as “the current period of account”) as follows.

*First modification*

Determine the company’s basic line 51 amount for the previous period of account by reference to the last period of account (if any) of the company ending before 1st January 2004.

*Second modification*

Increase the amount of any transfer-in amount of the company for the previous period of account by the aggregate amounts of any transfer-in amounts of the company for any period of account beginning on or after 1st January 2004 and ending before the previous period of account.

*Third modification*

Increase the amount of any unrecognised capital amount of the company for the straddling period of account by the aggregate amounts of unrecognised capital amounts of the company for any period of account beginning on or after 1st January 2004 and ending before the straddling period of account.

*Fourth modification*

Reduce (but not below nil) the company’s basic line 51 amount for the straddling period of account by the appropriate amount of any resilience capital for the straddling period of account.

For this purpose “the appropriate amount of any resilience capital for the straddling period of account” means the amount by which –

- (a) the amount shown in line 32 of Form 2 of the company’s periodical return in respect of the whole of its long-term business for the straddling period of account, exceeds
  - (b) the amount of any unrecognised capital amount of the company for that period as determined in accordance with the third modification.
- (5) In any case where any of the above modifications apply –
- (a) no amount is to be brought into account for the straddling period of account by virtue of subsection (4) of section 83YA of FA 1989, and
  - (b) no amount is to be brought into account for subsequent periods of account by virtue of that subsection, except so far as an amount has been brought into account for a previous period of account by virtue of subsection (3) of that section (and has not previously been taken into account under this paragraph).
- (6) If, as a result of the fourth modification, the company’s basic line 51 amount for the straddling period of account is reduced by an amount (“the reduction”) –
- (a) sections 83YA and 83YB of FA 1989 have effect in relation to the company’s next period of account after the straddling period of account as if the appropriate line 51 amount of the company for the straddling period of account were determined without making the fourth modification, and
  - (b) the following adjustments are made.
- (7) An amount equal to two-thirds of the reduction is to be deemed to be brought into account for the company’s first period of account beginning on or after 1st January 2007 by virtue of subsection (3) of section 83YA of FA 1989.
- (8) An amount equal to one-third of the reduction is to be deemed to be brought into account for the company’s next period of account by virtue of subsection (3) of section 83YA of FA 1989.
- (9) But if the company ceases to carry on long-term business at any time –
- (a) before 1st January 2007, or
  - (b) before the end of its first period of account beginning on or after 1st January 2007,
- the whole of the reduction is to be deemed to be brought into account for the company’s period of account ending immediately before that time by virtue of subsection (3) of section 83YA of FA 1989.
- (10) Any amount brought into account by virtue of any of sub-paragraphs (7) to (9) is in addition to –
- (a) any amount that, apart from those sub-paragraphs, is brought into account by virtue of subsection (3) of section 83YA of FA 1989, or
  - (b) any amount that is brought into account by virtue of subsection (4) of that section.
- (11) Any expression which is used in this paragraph and in section 83YA or 83YB of FA 1989 has the same meaning in this paragraph as it has in that section.

*Contingent loans*

- 8 (1) Section 83ZA of FA 1989 is amended as follows.
- (2) In subsection (7) (meaning of appropriate amount for a period of account) –
- (a) in the opening words omit “the aggregate of”, and
  - (b) omit paragraph (b) (deficiencies of assets over liabilities received on relevant transferred business) and the “and” before that paragraph.
- (3) Omit subsection (10) (meaning of “deficiencies of assets over liabilities received on relevant transferred business”).
- (4) In subsection (11) (meaning of “the relevant contingent loan”) for “subsections (8) and (10)” substitute “subsection (8)”.
- (5) Omit subsection (12) (definition in relation to subsection (10)(b)).
- (6) In subsection (15) (references in subsections (8), (12) and (13) to an amount being brought into account) omit “, (12)”.
- (7) The amendments made by this paragraph have effect (and are deemed always to have had effect) in relation to transfers taking place on or after 2nd December 2004.

## PART 1

## SETTLORS, TRUSTEES AND SETTLEMENTS

*Basic trust concepts*

- 1 (1) In section 68 of TCGA 1992 for the definition of “settled property” substitute ““settled property” means any property held in trust other than property to which section 60 applies (and references, however expressed, to property comprised in a settlement are references to settled property).”
- (2) After section 68 of TCGA 1992 insert –
- “68A Meaning of “settlor”**
- (1) In this Act, unless the context otherwise requires –
- (a) “settlor” in relation to a settlement means the person, or any of the persons, who has made, or is treated for the purposes of this Act as having made, the settlement, and
  - (b) a person is a settlor of property which –
    - (i) is settled property by reason of his having made the settlement (or by reason of an event which causes him to be treated under this Act as having made the settlement), or
    - (ii) derives from property to which sub-paragraph (i) applies.

- (2) A person is treated for the purposes of this Act as having made a settlement if –
  - (a) he has made or entered into the settlement, directly or indirectly, or
  - (b) the settled property, or property from which the settled property is derived, is or includes property of which he was competent to dispose immediately before his death, and the settlement arose on his death, whether by will, on his intestacy, or otherwise.
- (3) A person is, in particular, treated for the purposes of this Act as having made a settlement if –
  - (a) he has provided property directly or indirectly for the purposes of the settlement, or
  - (b) he has undertaken to provide property directly or indirectly for the purposes of the settlement.
- (4) Where one person (A) makes or enters into a settlement in accordance with reciprocal arrangements with another person (B), for the purposes of this Act –
  - (a) B shall be treated as having made the settlement, and
  - (b) A shall not be treated as having made the settlement by reason only of the reciprocal arrangements.
- (5) In subsection (2)(b) “property of which he was competent to dispose immediately before his death” shall be construed in accordance with section 62(10) (reading each reference to “assets” as a reference to “property”).
- (6) A person who has been a settlor in relation to a settlement shall be treated for the purposes of this Act as having ceased to be a settlor in relation to the settlement if –
  - (a) no property of which he is a settlor is comprised in the settlement,
  - (b) he has not undertaken to provide property directly or indirectly for the purposes of the settlement in the future, and
  - (c) he has not made reciprocal arrangements with another person for that other person to enter into the settlement in the future.
- (7) For the purpose of this section and sections 68B and 68C property is derived from other property –
  - (a) if it derives (directly or indirectly and wholly or partly) from that property or any part of it, and
  - (b) in particular, if it derives (directly or indirectly and wholly or partly) from income from that property or any part of it.
- (8) In this section “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable.

**68B Transfer between settlements: identification of settlor**

- (1) This section applies in relation to a transfer of property from the trustees of one settlement (“Settlement 1”) to the trustees of another (“Settlement 2”) otherwise than –
  - (a) for full consideration, or

- (b) by way of a bargain made at arm's length.
- (2) In this section “transfer of property” means –
- (a) a disposal of property by the trustees of Settlement 1, and
  - (b) the acquisition by the trustees of Settlement 2 of –
    - (i) property disposed of by the trustees of Settlement 1, or
    - (ii) property created by the disposal;
 and a reference to transferred property is a reference to property acquired by the trustees of Settlement 2 on the disposal.
- (3) For the purposes of this Act, except where the context otherwise requires –
- (a) the settlor (or each settlor) of the property disposed of by the trustees of Settlement 1 shall be treated from the time of the disposal as having made Settlement 2, and
  - (b) if there is more than one settlor of the property disposed of by the trustees of Settlement 1, each settlor shall be treated in relation to Settlement 2 as the settlor of a proportionate part of the transferred property.
- (4) For the purposes of this Act, except where the context otherwise requires, if and to the extent that the property disposed of by the trustees of Settlement 1 was provided for the purposes of Settlement 1, or is derived from property provided for the purposes of Settlement 1, the transferred property shall be treated from the time of the disposal as having been provided for the purposes of Settlement 2.
- (5) If transferred property is treated by virtue of subsection (4) as having been provided for the purposes of Settlement 2 –
- (a) the person who provided the property disposed of by the trustees of Settlement 1, or property from which it was derived, for the purposes of Settlement 1 shall be treated as having provided the transferred property, and
  - (b) if more than one person provided the property disposed of by the trustees of Settlement 1, or property from which it was derived, for the purposes of Settlement 1, each of them shall be treated as having provided a proportionate part of the transferred property.
- (6) But subsections (3) and (4) do not apply in relation to a transfer of property –
- (a) which occurs by reason only of the assignment or assignation by a beneficiary under Settlement 1 of an interest in that settlement to the trustees of Settlement 2,
  - (b) which occurs by reason only of the exercise of a general power of appointment, or
  - (c) to which section 68C(6) applies.
- (7) In determining whether this section applies in relation to a transfer of property between settlements, section 18(2) shall be disregarded.

**68C Variation of will or intestacy, etc: identification of settlor**

- (1) This section applies where –

- (a) a disposition of property following a person's death is varied, and
  - (b) section 62(6) applies in respect of the variation.
- (2) Where property becomes settled property in consequence of the variation (and would not, but for the variation, have become settled property), a person mentioned in subsection (3) shall be treated for the purposes of this Act, except where the context otherwise requires—
  - (a) as having made the settlement, and
  - (b) as having provided the property for the purposes of the settlement.
- (3) Those persons are—
  - (a) a person who immediately before the variation was entitled to the property, or to property from which it derives, absolutely as legatee,
  - (b) a person who would have become entitled to the property, or to property from which it derives, absolutely as legatee but for the variation,
  - (c) a person who immediately before the variation would have been entitled to the property, or to property from which it derives, absolutely as legatee but for being an infant or other person under a disability, and
  - (d) a person who would, but for the variation, have become entitled to the property, or to property from which it derives, absolutely as legatee if he had not been an infant or other person under a disability.
- (4) In subsection (3) references to a person being entitled to property absolutely as legatee shall be construed in accordance with section 64(3) (reading the references to “an asset” and “any asset” as references to “property”).
- (5) Where—
  - (a) property would have become comprised in a settlement—
    - (i) which arose on the deceased person's death (whether in accordance with his will, on his intestacy or otherwise), or
    - (ii) which was already in existence on the deceased person's death (whether or not the deceased person was a settlor in relation to that settlement), but
  - (b) in consequence of the variation the property, or property derived from it, becomes comprised in another settlement,the deceased person shall be treated for the purposes of this Act, except where the context otherwise requires, as having made the other settlement.
- (6) Where—
  - (a) immediately before the variation property is comprised in a settlement and is property of which the deceased person is a settlor, and
  - (b) immediately after the variation the property, or property derived from it, becomes comprised in another settlement,

the deceased person shall be treated for the purposes of this Act, except where the context otherwise requires, as having made the other settlement.

- (7) If a person is treated as having made a settlement under subsection (5) or (6), for the purposes of this Act he shall be treated as having made the settlement immediately before his death.
  - (8) But subsection (7) does not apply in relation to a settlement which arose on the person's death."
- (3) The amendment of section 68 made by sub-paragraph (1) shall come into force on 6th April 2006 (in relation to settlements whenever created).
- (4) Sections 68A and 68B (as inserted by sub-paragraph (2)) shall come into force on 6th April 2006 (in relation to settlements whenever created).
- (5) Section 68C (as inserted by sub-paragraph (2)) shall have effect in respect of variations occurring on or after 6th April 2006 (irrespective of the date on which the deceased person died).
- 2 (1) For section 69(1) and (2) of TCGA 1992 (residence of trustees, etc) substitute –
- “(1) For the purposes of this Act the trustees of a settlement shall, unless the context otherwise requires, together be treated as if they were a single person (distinct from the persons who are trustees of the settlement from time to time).
  - (2) The deemed person referred to in subsection (1) shall be treated for the purposes of this Act as resident and ordinarily resident in the United Kingdom at any time when a condition in subsection (2A) or (2B) is satisfied.
  - (2A) Condition 1 is that all the trustees are resident in the United Kingdom.
  - (2B) Condition 2 is that –

    - (b) at least one is not resident in the United Kingdom, and

  - (2C) In subsection (2B)(c) “relevant time” in relation to a settlor –
    - (a) means, where the settlement arose on the settlor's death (whether by will, intestacy or otherwise), the time immediately before his death, and
    - (b) in any other case, means a time when the settlor made the settlement (or was treated for the purposes of this Act as making the settlement);
 and, in the case of a transfer of property from Settlement 1 to Settlement 2 in relation to which section 68B applies, “relevant time” in relation to a settlor of the transferred property in respect of Settlement 2 includes any time which, immediately before the time of the disposal by the trustees of Settlement 1, was a relevant time in relation to that settlor in respect of Settlement 1.

- (2D) A trustee who is not resident in the United Kingdom shall be treated for the purposes of subsections (2A) and (2B) as if he were resident in the United Kingdom at any time when he acts as trustee in the course of a business which he carries on in the United Kingdom through a branch, agency or permanent establishment there.
- (2E) If the deemed person referred to in subsection (1) is not treated for the purposes of this Act as resident and ordinarily resident in the United Kingdom, then for the purposes of this Act it shall be treated as neither resident nor ordinarily resident in the United Kingdom.”
- (2) This paragraph shall have effect—
  - (a) for the purposes of determining the residence status of the trustees of a settlement (whenever created), from 6th April 2007, and
  - (b) for any other purpose (in relation to settlements whenever created), from 6th April 2006.

 an accounting period to which paragraph 10 applies is a period of less than twelve months (a “short period”).
- (2) In relation to a short period the references in that paragraph to one-third of the amount of the original adjustment shall be read as references to the proportion of that amount that the period bears to twelve months.
- (3) Where any of the accounting periods of the company falling within the period of six years following the change of accounting approach is a short period –
  - (a) the rule in paragraph 10(3) applies in relation to every accounting period after the third and before that in which the sixth anniversary of the change of accounting approach falls, and

- (3) The election must specify the amount to be treated as arising in the accounting period (which may be any amount up to the whole of the adjustment not previously charged to tax).
- (4) If an election is made, paragraph 10 applies in relation to any subsequent accounting period as if the amount of the original adjustment (as reduced by any previous application of this sub-paragraph) were reduced by the additional amount treated as arising in the accounting period for which the election is made.

*Meaning of "business" etc*

- (5) For the purposes of this paragraph “profit-sharing arrangements” means the rights of the partners to share in the profits of the business for the period in question.
- (6) A change in the persons carrying on a business does not constitute the permanent cessation of the business for the purposes of this Part of this Schedule so long as a person carrying on the business immediately before the change continues to carry on the business immediately after the change.
- (7) In the case of a business carried on by a limited liability partnership the operation of this Part of this Schedule is not affected by the partnership's ceasing to be one carrying on a trade, profession or other business with a view to profit.

- and in this Schedule any such company is referred to as a “qualifying company”.

- (a) the company makes an election under paragraph 14 of Schedule 20 to the Finance Act 2000 (R&D tax relief for SMEs: alternative treatment of pre-trading expenditure) in respect of that expenditure, but
  - (b) the company does not make a claim for an R&D tax credit under that Schedule in respect of that expenditure.

- (4) If an accounting period of company X falls partly within an accounting period of company Q—
- (a) there is an amount of unrelieved group ring fence profits for the accounting period of company Q, and

  - (b) *Step 2:* find the total of all the eligible expenditure for that period (amount E),
  - (c) *Step 3:* if paragraph 11 applies, reduce amount E in accordance with that paragraph,
  - (d) *Step 4:* if paragraph 12 applies, reduce (or, as the case may be, further reduce) amount E in accordance with that paragraph,
- and so much of amount E as remains after making those reductions is to be taken to have been added to the pool in that period.
- (4) If any pre-commencement supplement is allowed on a claim in respect of a pre-commencement period, the amount of that supplement is to be taken to have been added to the pool in that period.
- (5) In this paragraph references to the relevant amount (if any) which the company carries forward under Schedule 19B are to the amount in its mixed pool for the purposes of Part 3 of Schedule 19B immediately before 1st January 2006.

*Reduction in respect of disposal receipts under the Capital Allowances Act*

- 11 (1) This paragraph applies in the case of the qualifying company if—
- (a) it incurs qualifying pre-commencement expenditure in respect of a ring fence trade in any pre-commencement period,
  - (b) it would, on the relevant assumption, be entitled to an allowance under any provision of the Capital Allowances Act in respect of that expenditure,
  - (c) an event occurs in relation to any asset representing the expenditure in any pre-commencement period, and

- (d) the event would, on the relevant assumption, require a disposal value (the “deductible amount”) to be brought into account under any provision of the Capital Allowances Act for any pre-commencement period.
- (2) The relevant assumption is that the company was carrying on the ring fence trade –
  - (a) when the expenditure was incurred, and
  - (b) when the event giving rise to the disposal value occurred.
- (3) For the purpose of allocating qualifying pre-commencement expenditure to the pool for each pre-commencement period –
  - (a) find the total amount of the disposal values in the case of all such events (amount D), and
  - (b) taking later periods before earlier periods, reduce (but not below nil) amount E for any pre-commencement period by setting against it so much of amount D as does not fall to be set against amount E for a later pre-commencement period.

*Reduction in respect of unrelieved group ring fence profits*

- 12 (1) This paragraph applies if there is an amount of unrelieved group ring fence profits for a pre-commencement period.
- (2) For the purpose of allocating qualifying pre-commencement expenditure to the pool for that period –
  - (a) find so much (if any) of amount E for that period as remains after any reduction falling to be made under paragraph 11, and
  - (b) reduce that amount (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.

*The reference amount for a pre-commencement period*

- 13 For the purposes of this Part of this Schedule, the reference amount for a pre-commencement period is the amount in the pool at the end of the period –
  - (a) after the addition to the pool of any qualifying pre-commencement expenditure allocated to the pool for that period in accordance with paragraph 10(3), but
  - (b) before determining, and adding to the pool, the amount of any pre-commencement supplement claimed in respect of the period.

*Claims for pre-commencement supplement*

- 14 (1) Any claim for pre-commencement supplement in respect of a pre-commencement period must be made as a claim for the commencement period.
- (2) Paragraph 74 of Schedule 18 to the Finance Act 1998 (company tax returns etc: time limit for claims for group relief) applies in

relation to a claim for pre-commencement supplement as it applies in relation to a claim for group relief.

#### PART 4

##### POST-COMMENCEMENT SUPPLEMENT

###### *Supplement in respect of a post-commencement period*

- 15 (1) A qualifying company which incurs a ring fence loss (see paragraph 17) in a post-commencement period may claim supplement under this Part of this Schedule (“post-commencement supplement”) in respect of—
- (a) that period, or
  - (b) any subsequent accounting period in which it carries on its ring fence trade.
- (2) Any post-commencement supplement allowed on a claim in respect of a post-commencement period is to be treated for the purposes of the Corporation Tax Acts (other than this Part of this Schedule or Part 4 of Schedule 19B) as if it were a loss—
- (a) which is incurred in carrying on the ring fence trade in that period, and
  - (b) which falls in whole to be set off under section 393 against trading income from the ring fence trade in succeeding accounting periods.
- (3) Paragraph 74 of Schedule 18 to the Finance Act 1998 (company tax returns etc: time limit for claims for group relief) applies in relation to a claim for post-commencement supplement as it applies in relation to a claim for group relief.

###### *Amount of post-commencement supplement for a post-commencement period*

- 16 (1) The amount of the post-commencement supplement for any post-commencement period in respect of which a claim under paragraph 15 is made is the relevant percentage for that period of the reference amount for that period.
- (2) If the post-commencement period is a period of less than twelve months, the amount of the supplement for the period (apart from this sub-paragraph) is to be reduced proportionally.
- (3) Paragraphs 19 to 23 have effect for the purpose of determining the reference amount for a post-commencement period.

###### *Ring fence losses*

- 17 (1) If—
- (a) in any post-commencement period (“the period of the loss”) a qualifying company carrying on a ring fence trade incurs a loss in the trade, and
  - (b) some or all of the loss falls to be set off under section 393 against trading income from the trade in succeeding accounting periods,

so much of the loss as falls to be so set off is a “ring fence loss” of the company.

- (2) In determining for the purposes of this Part of this Schedule how much of a loss incurred in a ring fence trade falls to be set off as mentioned in sub-paragraph (1)(b), the following assumption is to be made.
- (3) The assumption is that every claim is made that could be made by the company under section 393A to set losses incurred in the ring fence trade against ring fence profits of earlier post-commencement periods.
- (4) This paragraph is subject to paragraph 18 (special rule for straddling periods).
- (5) This paragraph has effect for the purposes of this Part of this Schedule.

*Special rule for straddling periods*

- 18 (1) This paragraph applies if the period of the loss in which a ring fence loss is incurred is the deemed accounting period under paragraph 3(3) beginning on 1st January 2006 (“the deemed accounting period”).
- (2) The amount of the ring fence loss in the deemed accounting period is determined as follows.

*Step 1*

Calculate so much of the ring fence loss in the straddling period as, for the purposes of Part 4 of Schedule 19B, is attributable to qualifying E&A allowances for the straddling period.

The amount given by this step is “the qualifying Schedule 19B amount”.

*Step 2*

Calculate so much of the ring fence loss in the straddling period as is attributable to allowances for the straddling period under Part 6 of the Capital Allowances Act in respect of relevant expenditure.

For the purposes of this step “relevant expenditure” means expenditure incurred by the company on or after 1st January 2006 which, but for that fact, would be qualifying E&A expenditure for the purposes of Schedule 19B.

For the purposes of this step a ring fence loss is attributable to those allowances to the extent that the amount of the loss (less the qualifying Schedule 19B amount) does not exceed the amount of those allowances for that period.

The amount given by this step is “the amount of the post-1st January 2006 E&A allowances”.

*Step 3*

Deduct the qualifying Schedule 19B amount and the amount of the post-1st January 2006 E&A allowances from the amount of the ring fence loss in the straddling period.

*Step 4*

Apportion the remaining amount of that loss (if any) to the deemed accounting period in proportion to the number of days in the deemed accounting period that fall in the straddling period.

The amount given by this step is “the amount of the apportioned loss”.

*Step 5*

The amount of the ring fence loss in the deemed accounting period is the amount of the apportioned loss plus the amount of the post-1st January 2006 E&A allowances.

- (3) In this paragraph “the straddling period”, in relation to a qualifying company, means an accounting period of the company –
  - (a) beginning before 1st January 2006, and
  - (b) ending on or after that date,
 disregarding paragraph 3(3).
- (4) In this paragraph references to the ring fence loss in the straddling period are to that loss determined on the assumption that the straddling period is the period of the loss for the purposes of paragraph 17.
- (5) This paragraph has effect for the purposes of this Part of this Schedule.

*The pool of ring fence losses and the pool of non-qualifying Schedule 19B losses*

- 19 (1) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is to be taken at all times in its post-commencement periods to have a continuing mixed pool (the “ring fence pool”) of –
  - (a) the carried forward qualifying Schedule 19B amount,
  - (b) the company’s ring fence losses, and
  - (c) post-commencement supplement.
- (2) The ring fence pool continues even if the amount in it is nil.
- (3) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is also to be taken in its post-commencement periods to have a non-qualifying pool consisting of the carried forward non-qualifying Schedule 19B amount.
- (4) But the non-qualifying pool ceases to exist when the amount in it is reduced to nil.
- (5) In this paragraph –
 

“the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006, and

“the carried forward non-qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its non-qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006.

*The ring fence pool*

- 20 (1) The ring fence pool consists of –
- (a) the carried forward qualifying Schedule 19B amount,
  - (b) the company’s ring fence losses, allocated to the pool in accordance with sub-paragraph (2)(a), and
  - (c) the company’s post-commencement supplement, allocated to the pool in accordance with sub-paragraph (2)(b).
- (2) The allocation of ring fence losses and post-commencement supplement to the pool is as follows –
- (a) the amount of a ring fence loss is added to the pool in the period of the loss, and
  - (b) if any post-commencement supplement is allowed on a claim in respect of a post-commencement period, the amount of that supplement is added to the pool in that period.
- (3) The amount in the ring fence pool is subject to reductions in accordance with the following provisions of this Part of this Schedule.
- (4) If a reduction in the amount in the ring fence pool falls to be made in any accounting period, the reduction is to be made –
- (a) after the addition to the pool of the amount of any ring fence losses allocated to the pool in that period in accordance with sub-paragraph (2)(a), but
  - (b) before determining, and adding to the pool, the amount of any supplement claimed in respect of the period,
- and references to the amount in the pool are to be read accordingly.
- (5) In this paragraph “the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006.

*Reductions in respect of utilised ring fence losses*

- 21 (1) If one or more ring fence losses are set off under section 393 against any profits of a post-commencement period, reductions are to be made in that period in accordance with this paragraph.
- (2) If the company has a non-qualifying pool, the amount in the non-qualifying pool is to be reduced (but not below nil) by setting against it a sum equal to the total amount so set off.
- (3) If –
- (a) any of that sum remains after being so set against the amount in the non-qualifying pool, or
  - (b) the company does not have a non-qualifying pool,
- the amount in the ring fence pool is to be reduced (but not below nil) by setting against it so much of that sum as so remains or (as

the case may be) a sum equal to the total amount set off as mentioned in sub-paragraph (1).

- (4) If the post-commencement period is the deemed accounting period under paragraph 3(3) beginning on 1st January 2006 (“the deemed accounting period”), the amount of the profits of the deemed accounting period is determined as follows.
- (5) The amount of the profits of the straddling period is apportioned to the deemed accounting period in proportion to the number of days in the deemed accounting period that fall in the straddling period.
- (6) The apportioned amount is taken for the purposes of this paragraph to be the amount of the profits of the deemed accounting period.
- (7) In this paragraph “the straddling period”, in relation to a qualifying company, means an accounting period of the company –
  - (a) beginning before 1st January 2006, and
  - (b) ending on or after that date,
 disregarding paragraph 3(3).

*Reductions in respect of unrelieved group ring fence profits*

- 22 (1) If there is an amount of unrelieved group ring fence profits for a post-commencement period, reductions are to be made in that period in accordance with this paragraph.
- (2) If, after making any reductions that fall to be made in accordance with paragraph 21, the company does not have a non-qualifying pool, the remaining amount in the ring fence pool is to be reduced (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.
- (3) If, after making any reductions that fall to be made in accordance with paragraph 21, the company has an amount in a non-qualifying pool, the amount in that pool is to be reduced (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.
- (4) If any of that sum remains after being so set against the amount in the non-qualifying pool, the remaining amount in the ring fence pool is to be reduced (but not below nil) by setting against it so much of that sum as so remains.
- (5) For the purposes of this paragraph references to the remaining amount in the ring fence pool are references to so much (if any) of the amount in the ring fence pool as remains after making any reductions that fall to be made in accordance with paragraph 21.

*The reference amount for a post-commencement period*

- 23 For the purposes of this Part of this Schedule the reference amount for a post-commencement period is so much of the amount in the

ring fence pool as remains after making any reductions required by paragraph 21 or 22.”.

SCHEDULE 20

  - (b) it is held on trusts for the benefit of a bereaved minor and subsection (2) below applies to the trusts,but this section does not apply to property in which a disabled person’s interest subsists.
- (2) This subsection applies to trusts –
  - (a) established under the will of a deceased parent of the bereaved minor, or
  - (b) established under the Criminal Injuries Compensation Scheme,which secure that the conditions in subsection (3) below are met.
- (3) Those conditions are –
  - (a) that the bereaved minor, if he has not done so before attaining the age of 18, will on attaining that age become absolutely entitled to –
    - (i) the settled property,
    - (ii) any income arising from it, and
    - (iii) any income that has arisen from the property held on the trusts for his benefit and been accumulated before that time,
  - (b) that, for so long as the bereaved minor is living and under the age of 18, if any of the settled property is applied for the benefit of a beneficiary, it is applied for the benefit of the bereaved minor, and
  - (c) that, for so long as the bereaved minor is living and under the age of 18, either –

- (i) the bereaved minor is entitled to all of the income (if there is any) arising from any of the settled property, or
  - (ii) no such income may be applied for the benefit of any other person.
- (4) Trusts such as are mentioned in paragraph (a) or (b) of subsection (2) above are not to be treated as failing to secure that the conditions in subsection (3) above are met by reason only of—
- (a) the trustees’ having the powers conferred by section 32 of the Trustee Act 1925 (powers of advancement),
  - (b) the trustees’ having those powers but free from, or subject to a less restrictive limitation than, the limitation imposed by proviso (a) of subsection (1) of that section,
  - (c) the trustees’ having the powers conferred by section 33 of the Trustee Act (Northern Ireland) 1958 (corresponding provision for Northern Ireland),
  - (d) the trustees’ having those powers but free from, or subject to a less restrictive limitation than, the limitation imposed by subsection (1)(a) of that section, or

- (6) The preceding provisions of this section apply in relation to Scotland as if, in subsection (2) above, before “which” there were inserted “the purposes of”.

#### **71B Charge to tax on property to which section 71A applies**

- (1) Subject to subsections (2) and (3) below, there shall be a charge to tax under this section—
- (a) where settled property ceases to be property to which section 71A above applies, and
  - (b) in a case where paragraph (a) above does not apply, where the trustees make a disposition as a result of which the value of settled property to which section 71A above applies is less than it would be but for the disposition.
- (2) Tax is not charged under this section where settled property ceases to be property to which section 71A applies as a result of—
- (a) the bereaved minor attaining the age of 18 or becoming, under that age, absolutely entitled as mentioned in section 71A(3)(a) above, or
  - (b) the death under that age of the bereaved minor, or

- (c) being paid or applied for the advancement or benefit of the bereaved minor.
- (3) Subsections (3) to (8) and (10) of section 70 above apply for the purposes of this section as they apply for the purposes of that section, but—
- (a) with the substitution of a reference to subsection (1)(b) above for the reference in subsection (4) of section 70 above to subsection (2)(b) of that section,
- (b) with the substitution of a reference to property to which section 71A above applies for each of the references in subsections (3), (5) and (8) of section 70 above to property to which that section applies,
- (c) as if, for the purposes of section 70(8) above as applied by this subsection, property—
- (i) which is property to which section 71A above applies,
- (ii) which, immediately before it became property to which section 71A above applies, was property to which section 71 above applied, and
- (iii) which, by the operation of section 71(1B) above, ceased on that occasion to be property to which section 71 above applied,
- had become property to which section 71A above applies not on that occasion but on the occasion (or last occasion) before then when it became property to which section 71 above applied, and
- (d) as if, for the purposes of section 70(8) above as applied by this subsection, property—
- (i) which is property to which section 71A above applies,
- (ii) which, immediately before it became property to which section 71A above applies, was property to which section 71D below applied, and
- (iii) which, by the operation of section 71D(5)(a) below, ceased on that occasion (“the 71D-to-71A occasion”) to be property to which section 71D below applied,
- had become property to which section 71A above applies not on the 71D-to-71A occasion but on the relevant earlier occasion.
- (4) In subsection (3)(d) above—
- (a) “the relevant earlier occasion” means the occasion (or last occasion) before the 71D-to-71A occasion when the property became property to which section 71D below applied, but
- (b) if the property, when it became property to which section 71D below applied, ceased at the same time to be property to which section 71 above applied without ceasing to be settled property, “the relevant earlier occasion” means the occasion (or last occasion) when the property became property to which section 71 above applied.

#### **71C Sections 71A and 71B: meaning of “bereaved minor”**

In sections 71A and 71B above “bereaved minor” means a person—

#### 71D Age 18-to-25 trusts

- (1) This section applies to settled property (including property settled before 22nd March 2006), but subject to subsection (5) below, if –

  - (c) subsection (2) below applies to the trusts.
- (2) This subsection applies to trusts –

  - (b) established under the Criminal Injuries Compensation Scheme,
- which secure that the conditions in subsection (6) below are met.
- (3) Subsection (4) has effect where –
- (a) at any time on or after 22nd March 2006 but before 6th April 2008, or on the coming into force of paragraph 3(1) of Schedule 20 to the Finance Act 2006, any property ceases to be property to which section 71 above applies without ceasing to be settled property, and
  - (b) immediately after the property ceases to be property to which section 71 above applies –
    - (i) it is held on trusts for the benefit of a person who has not yet attained the age of 25, and
    - (ii) the trusts secure that the conditions in subsection (6) below are met.
- (4) From the time when the property ceases to be property to which section 71 above applies, but subject to subsection (5) below, this section applies to the property (if it would not apply to the property by virtue of subsection (1) above) for so long as –
- (a) the property continues to be settled property held on trusts such as are mentioned in subsection (3)(b)(i) above, and
  - (b) the trusts continue to secure that the conditions in subsection (6) below are met.
- (5) This section does not apply –

  - (b) to property to which section 71 above, or section 89 below, applies, or
  - (c) to settled property if a person is beneficially entitled to an interest in possession in the settled property and –
    - (i) the person became beneficially entitled to the interest in possession before 22nd March 2006, or
    - (ii) the interest in possession is an immediate post-death interest, or a transitional serial interest, and the person became beneficially entitled to it on or after 22nd March 2006.
- (6) Those conditions are –

- 
- (a) that the person mentioned in subsection (1)(a) or (3)(b)(i) above (“B”), if he has not done so before attaining the age of 25, will on attaining that age become absolutely entitled to –
    - (i) the settled property,
    - (ii) any income arising from it, and
    - (iii) any income that has arisen from the property held on the trusts for his benefit and been accumulated before that time,
  - (b) that, for so long as B is living and under the age of 25, if any of the settled property is applied for the benefit of a beneficiary, it is applied for the benefit of B, and
  - (c) that, for so long as B is living and under the age of 25, either –
    - (i) B is entitled to all of the income (if there is any) arising from any of the settled property, or
    - (ii) no such income may be applied for the benefit of any other person.
- (7) For the purposes of this section, trusts are not to be treated as failing to secure that the conditions in subsection (6) above are met by reason only of –
- (a) the trustees’ having the powers conferred by section 32 of the Trustee Act 1925 (powers of advancement),
  - (b) the trustees’ having those powers but free from, or subject to a less restrictive limitation than, the limitation imposed by proviso (a) of subsection (1) of that section,
  - (c) the trustees’ having the powers conferred by section 33 of the Trustee Act (Northern Ireland) 1958 (corresponding provision for Northern Ireland),
  - (d) the trustees’ having those powers but free from, or subject to a less restrictive limitation than, the limitation imposed by subsection (1)(a) of that section, or

- (8) In this section “the Criminal Injuries Compensation Scheme” means –

  - (b) arrangements made by the Secretary of State for compensation for criminal injuries in operation before the commencement of those schemes, and
  - (c) the scheme established under the Criminal Injuries Compensation (Northern Ireland) Order 2002.
- (9) The preceding provisions of this section apply in relation to Scotland –
- (a) as if, in subsection (2) above, before “which” there were inserted “the purposes of”, and
  - (b) as if, in subsections (3)(b)(ii) and (4)(b) above, before “trusts” there were inserted “purposes of the”.

**71E Charge to tax on property to which section 71D applies**

- (1) Subject to subsections (2) to (4) below, there shall be a charge to tax under this section –
  - (a) where settled property ceases to be property to which section 71D above applies, or
  - (b) in a case where paragraph (a) above does not apply, where the trustees make a disposition as a result of which the value of the settled property to which section 71D above applies is less than it would be but for the disposition.
- (2) Tax is not charged under this section where settled property ceases to be property to which section 71D above applies as a result of –
  - (a) B becoming, at or under the age of 18, absolutely entitled as mentioned in section 71D(6)(a) above,
  - (b) the death, under the age of 18, of B,
  - (c) becoming, at a time when B is living and under the age of 18, property to which section 71A above applies, or
  - (d) being paid or applied for the advancement or benefit of B –
    - (i) at a time when B is living and under the age of 18, or
    - (ii) on B’s attaining the age of 18.
- (3) Tax is not charged under this section in respect of –
  - (a) a payment of costs or expenses (so far as they are fairly attributable to property to which section 71D above applies), or
  - (b) a payment which is (or will be) income of any person for any of the purposes of income tax or would for any of those purposes be income of a person not resident in the United Kingdom if he were so resident,
 or in respect of a liability to make such a payment.
- (4) Tax is not charged under this section by virtue of subsection (1)(b) above if the disposition is such that, were the trustees beneficially entitled to the settled property, section 10 or section 16 above would prevent the disposition from being a transfer of value.
- (5) For the purposes of this section the trustees shall be treated as making a disposition if they omit to exercise a right (unless it is shown that the omission was not deliberate) and the disposition shall be treated as made at the time or latest time when they could have exercised the right.

**71F Calculation of tax charged under section 71E in certain cases**

- (1) Where –
  - (a) tax is charged under section 71E above by reason of the happening of an event within subsection (2) below, and
  - (b) that event happens after B has attained the age of 18,
 the tax is calculated in accordance with this section.
- (2) Those events are –
  - (a) B becoming absolutely entitled as mentioned in section 71D(6)(a) above,
  - (b) the death of B, and

- (c) property being paid or applied for the advancement or benefit of B.
- (3) The amount of the tax is given by –
- Chargeable amount × Relevant fraction × Settlement rate
- (4) For the purposes of subsection (3) above, the “Chargeable amount” is –
- (a) the amount by which the value of property which is comprised in the settlement and to which section 71D above applies is less immediately after the event giving rise to the charge than it would be but for the event, or
  - (b) where the tax is payable out of settled property to which section 71D above applies immediately after the event, the amount which, after deducting the tax, is equal to the amount on which tax would be charged by virtue of paragraph (a) above.
- (5) For the purposes of subsection (3) above, the “Relevant fraction” is three tenths multiplied by so many fortieths as there are complete successive quarters in the period –
- (a) beginning with the day on which B attained the age of 18 or, if later, the day on which the property became property to which section 71D above applies, and
  - (b) ending with the day before the occasion of the charge.

- the individual shall be taken (if, or so far as, he would not otherwise be) to dispose, on the coming to an end of the interest in possession, of the no-longer-possessed property by way of gift.
- (3) In subsection (2) above “the no-longer-possessed property” means the property in which the interest in possession subsisted immediately before it came to an end, other than any of it to which the individual becomes absolutely and beneficially entitled in possession on the coming to an end of the interest in possession.”
- (3) In Schedule 20 (supplementary rules about gifts with reservation), after paragraph 4 insert –

*“Termination of interests in possession*

- 4A (1) This paragraph applies where –
- (a) under section 102ZA of this Act, an individual (“D”) is taken to dispose of property by way of gift, and
  - (b) the property continues to be settled property immediately after the disposal.
- (2) Paragraphs 2 to 4 above shall not apply but, subject to the following provisions of this paragraph, the principal section and the following provisions of this Schedule shall apply as if the property comprised in the gift consisted of the property comprised in the settlement on the material date, except in so far as that property neither is, nor represents, nor is derived from, property originally comprised in the gift.
- (3) Any property which –
- (a) on the material date is comprised in the settlement, and
  - (b) is derived, directly or indirectly, from a loan made by D to the trustees of the settlement,
- shall be treated for the purposes of sub-paragraph (2) above as derived from property originally comprised in the gift.
- (4) If the settlement comes to an end at some time before the material date as respects all or any of the property which, if D had died immediately before that time, would be treated as comprised in the gift, –

- (a) the property in question, other than property to which D then becomes absolutely and beneficially entitled in possession, and
- (b) any consideration (not consisting of rights under the settlement) given by D for any of the property to which D so becomes entitled,
- shall be treated as comprised in the gift (in addition to any other property so comprised).
- (5) Where, under any trust or power relating to settled property, income arising from that property after the material date is accumulated, the accumulations shall not be treated for the purposes of sub-paragraph (2) above as derived from that property.”
- (4) Sub-paragraphs (1) to (3) shall be deemed to have come into force on 22nd March 2006, but only as respects cases where an interest in possession comes to an end on or after that day.

#### PART 6

##### CONDITIONAL EXEMPTION: RELIEF FROM CHARGES

- 34 (1) Section 79 of IHTA 1984 (subsection (3) of which provides for charges to tax where, in the case of settled property designated under section 31 on a claim under section 79, an event occurs that would be chargeable under section 32 or 32A if the claim had been under section 30) is amended as follows.
- (2) After subsection (5) (amount on which tax charged under subsection (3)) insert—
- “(5A) Where the event giving rise to a charge to tax under subsection (3) above is a disposal on sale, and the sale—
- (a) was not intended to confer any gratuitous benefit on any person, and
- (b) was either a transaction at arm’s length between persons not connected with each other or a transaction such as might be expected to be made at arm’s length between persons not connected with each other,
- the value of the property at the time of that event shall be taken for the purposes of subsection (5) above to be equal to the proceeds of the sale.”
- (3) For subsection (7) (which provides that the “relevant period” mentioned in subsection (6) begins with the latest of certain listed days and ends with the day before the event giving rise to the charge under subsection (3)) substitute—
- “(7) In subsection (6) above “the relevant period” means the period given by subsection (7A) below or, if shorter, the period given by subsection (7B) below.
- (7A) The period given by this subsection is the period beginning with the latest of—
- (a) the day on which the settlement commenced,

- (b) the date of the last ten-year anniversary of the settlement to fall before the day on which the property became comprised in the settlement,
  - (c) the date of the last ten-year anniversary of the settlement to fall before the day on which the property was designated under section 31 above on a claim under this section, and
  - (d) 13th March 1975,
- and ending with the day before the event giving rise to the charge.
- (7B) The period given by this subsection is the period equal in length to the number of relevant-property days in the period –
- (a) beginning with the day that is the latest of those referred to in paragraphs (a) to (d) of subsection (7A) above, and
  - (b) ending with the day before the event giving rise to the charge.
- (7C) For the purposes of subsection (7B) above, a day is a “relevant-property day” if at any time on that day the property was relevant property.”
- (4) After subsection (9) insert –
- “(9A) Subsection (9B) below applies where the same event gives rise –
- (a) to a charge under subsection (3) above in relation to any property, and
  - (b) to a charge under section 32 or 32A above in relation to that property.
- (9B) If the amount of each of the charges is the same, each charge shall have effect as a charge for one half of the amount that would be charged apart from this subsection; otherwise, whichever of the charges is lower in amount shall have effect as if it were a charge the amount of which is nil.”

## SCHEDULE 21

Section 158

### TAXABLE PROPERTY HELD BY INVESTMENT-REGULATED PENSION SCHEMES

- 1 In section 271 of TCGA 1992 (exemptions), after subsection (1A) insert –
- “(1B) But subsection (1A) does not prevent such a gain from being treated as a chargeable gain for the purposes of sections 185F to 185I of the Finance Act 2004 (scheme chargeable payments: gains from taxable property).”
- 2 Part 4 of FA 2004 (pension schemes) is amended as follows.
- 3 (1) Section 160 (payments by registered pension schemes) is amended as follows.
- (2) After subsection (7) insert –
- “(7A) Sections 185A to 185I contain provision about the receipt of income and gains from taxable property.”
- (3) In subsection (8), after “borrowing” insert “and the receipt of income and gains from taxable property.”

- 4 In section 173 (benefits), after subsection (7) insert –
- “(7A) This section does not apply if –
- (a) the pension scheme is an investment-regulated pension scheme, and
  - (b) the asset consists of taxable property.”

- 5 After section 174 insert –

**“174A Taxable property held by investment-regulated pension schemes**

- (1) An investment-regulated pension scheme is to be treated as making an unauthorised payment to a member of the pension scheme if –
  - (a) the pension scheme acquires an interest in taxable property, and
  - (b) the interest is held by the pension scheme for the purposes of an arrangement under the pension scheme relating to the member.
- (2) An investment-regulated pension scheme is to be treated as making an unauthorised payment to a member of the pension scheme if –
  - (a) an interest in taxable property is held by the pension scheme for the purposes of an arrangement under the pension scheme relating to the member, and
  - (b) the property is improved.
- (3) An investment-regulated pension scheme is to be treated as making an unauthorised payment to a member of the pension scheme if –
  - (a) an interest in property which is not residential property is held by the pension scheme for the purposes of an arrangement under the pension scheme relating to the member, and
  - (b) the property is converted or adapted to become residential property.
- (4) Schedule 29A makes provision supplementing this section; and in that Schedule –
  - (a) Part 1 defines “investment-regulated pension scheme”,
  - (b) Part 2 defines “taxable property” (and “residential property”),
  - (c) Part 3 explains what it means to acquire, and to hold, an interest in taxable property, and
  - (d) Part 4 contains provision for calculating the amounts of unauthorised payments treated as made by this section and explains when the unauthorised payments are treated as made.”

- 6 After section 185 insert –

*“Income and gains from taxable property*

**185A Income from taxable property**

- (1) An investment-regulated pension scheme is to be treated as having made a scheme chargeable payment if the pension scheme holds an interest in taxable property in a tax year.

- (2) The amount of the scheme chargeable payment depends on whether a person who holds the interest in the property directly receives profits arising from the interest in the tax year.
- (3) If a person who holds the interest in the property directly receives such profits in the tax year, the amount of the scheme chargeable payment is the greater of –
  - (a) an amount equal to the amount of the annual profits from the interest in the property (see section 185B(1)), and
  - (b) the amount of the deemed profits from the interest in the property for the year (see sections 185B(2) and 185C).
- (4) If no person who holds the interest in the property directly receives such profits in the tax year, the amount of the scheme chargeable payment is the amount of the deemed profits from the interest in the property for the year (see sections 185B(2) and 185C).
- (5) But where section 185D applies, the amount of the scheme chargeable payment is the amount found under subsection (3) or (4) as apportioned to the pension scheme in accordance with that section.
- (6) Section 185E makes provision for credits against income tax charged under section 239 (scheme sanction charge) in respect of a scheme chargeable payment treated as made by virtue of this section.

#### 185B Annual profits and deemed profits

- (1) For the purposes of section 185A(3) the amount of the annual profits from the interest in the property is the total amount of profits received from the interest in the tax year –
  - (a) by each person who holds the interest directly, and
  - (b) at a time when the property is scheme-held taxable property.

- (2) For the purposes of section 185A(3) and (4) the amount of the deemed profits from the interest in the property for the tax year is –

$$\frac{DMV}{10} \times \frac{DTP}{DY}$$

where –

DMV is the deemed market value of the interest in the property for the year (see section 185C),

DTP is the number of days in the year for which the property is scheme-held taxable property, and

DY is the number of days in the year.

- (3) In this Part “scheme-held taxable property” means property –
  - (a) which is taxable property, and
  - (b) an interest in which is held by the pension scheme.

#### 185C Deemed market value

- (1) For the purposes of section 185B(2), where no person who holds the interest in the property directly during the tax year does so by virtue of a lease of residential property, the deemed market value of the interest for the year is –

$$(MV + UP) \times (1 + RPI)$$

where—

MV is the opening market value (see subsection (2)),

UP is the total of any unauthorised payments treated as made by the pension scheme under section 174A in relation to the property in the tax year, other than any such payment treated as made by virtue of the property becoming scheme-held taxable property in the year, and

RPI is the figure expressed as a decimal which represents the percentage increase in the retail prices index between the first day in the tax year on which the property is scheme-held taxable property and the last such day (or, if there is no such increase, is nil).

- (2) In subsection (1) “the opening market value” means—
- (a) if the property is not scheme-held taxable property immediately before the beginning of the tax year, the market value of the interest in the property immediately after the time during the year when the property first becomes scheme-held taxable property, and
  - (b) otherwise, the deemed market value of the interest for the previous tax year.
- (3) For the purposes of section 185B(2), where a person who holds the interest in the property directly during the tax year does so by virtue of a lease of residential property, the deemed market value of the interest for the year is the relevant rental value of the property calculated in accordance with paragraph 34 of Schedule 29A on the following assumptions—
- (a) that the lease was granted when the property first became scheme-held taxable property;
  - (b) that the term of the lease is 50 years;
  - (c) that a fully commercial rent is payable for the first five years of that term;
  - (d) that afterwards the rent is reviewed on an upwards-only basis.

#### **185D Apportionment to pension scheme**

- (1) This section applies where the pension scheme holds the interest in the property indirectly for the whole of the period in the tax year for which the property is scheme-held taxable property.
- (2) The amount that would otherwise be the amount of the scheme chargeable payment is to be apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—
- (a) by the pension scheme,
  - (b) in connection with the acquisition of the interest in the property, and
  - (c) at the end of the last day in the tax year on which the property is scheme-held taxable property.
- (3) But where—

- (a) the amount found in relation to the pension scheme on the day mentioned in paragraph (c) of subsection (2), differs from
  - (b) the amount that would be found in relation to the pension scheme under that subsection on another day in the tax year on which the property is scheme-held taxable property,
- the amount to be apportioned to the pension scheme under this section is the average of the amounts produced by applying subsection (2) in relation to the pension scheme on each day in the tax year on which the property is scheme-held taxable property.

### 185E Credit for tax paid

- (1) This section applies where—
  - (a) the pension scheme holds the interest in the property indirectly in the tax year,
  - (b) a person who holds the interest directly receives profits arising from the interest at a time in the tax year when the property is scheme-held taxable property,
  - (c) tax is payable on those profits by that person (assuming them to be the highest part of the person’s income for the tax year in which they are received), and
  - (d) that tax has been paid.
- (2) The amount determined under subsection (3) is to be allowed as a credit against any income tax charged under section 239 in respect of the scheme chargeable payment treated as made by virtue of the pension scheme holding the interest in the property in the tax year.
- (3) That amount is a proportion of the tax payable and paid determined by reference to the proportion of the amount that would otherwise be the amount of the scheme chargeable payment that is apportioned to the pension scheme under section 185D.
- (4) Where—
  - (a) by virtue of this section an amount is allowed as a credit against income tax charged under section 239, and
  - (b) the amount of tax payable and paid by reference to which the amount of the credit was calculated is subsequently varied,
 the amount of the credit is to be varied accordingly, and any necessary adjustments are to be made to give effect to the variation (whether by making assessments or otherwise).

### 185F Gains from taxable property

- (1) An investment-regulated pension scheme is to be treated as having made a scheme chargeable payment where—
  - (a) in a tax year the pension scheme holds an interest in property which is taxable property or which has been taxable property at any time whilst the interest has been held by the pension scheme (a “taxable interest”),
  - (b) a gain is treated as accruing to the pension scheme in respect of the taxable interest in the tax year, and
  - (c) the total amount of gains treated as accruing to the pension scheme in respect of taxable interests in the tax year exceeds

the total amount of losses treated as accruing to the pension scheme in respect of taxable interests in the tax year.

- (2) The amount of the scheme chargeable payment is an amount equal to the difference between –
  - (a) the total amount of gains treated as accruing to the pension scheme in respect of taxable interests in the tax year, and
  - (b) the total amount of losses treated as accruing to the pension scheme in respect of taxable interests in the tax year,
 (but this is subject to section 185G(10)).
- (3) A gain or loss is treated as accruing to a pension scheme in respect of a taxable interest in a tax year if –
  - (a) by virtue of section 185G a chargeable gain or allowable loss is treated for the purposes of this section as accruing in the tax year to the person who holds the taxable interest directly, or
  - (b) in the tax year the pension scheme or another vehicle ceases to hold all or part of an interest in a vehicle through which the pension scheme holds the taxable interest indirectly (see section 185H).

#### **185G Disposal by person holding directly**

- (1) For the purposes of this section the person (“the transferor”) who holds the taxable interest directly is to be treated as holding an asset (a “taxable asset”) consisting of the interest.
- (2) For the purpose of determining –
  - (a) whether the transferor disposes of the taxable asset,
  - (b) when such a disposal takes place, and
  - (c) whether a chargeable gain or allowable loss is treated for the purposes of section 185F as accruing to the transferor on a disposal of the taxable asset in a tax year and, if so, the amount of the chargeable gain or allowable loss,
 TCGA 1992 is to be treated as applying to the transferor and the taxable asset, but subject as follows.
- (3) TCGA 1992 is to be treated as applying as if –
  - (a) throughout the tax year the transferor were resident, ordinarily resident and domiciled in the United Kingdom,
  - (b) no allowable losses accrued to the transferor in any previous tax year,
  - (c) for the purposes of section 2A (taper relief) of that Act the transferor were not chargeable to corporation tax in respect of any chargeable gain accruing to the transferor from a disposal of the taxable asset and the taxable asset were at all relevant times a non-business asset,
  - (d) notice under section 16(2A) (losses) of that Act were given by the transferor in relation to the year in respect of any loss treated as accruing to the transferor in the year from a disposal of the taxable asset,
  - (e) section 45(1) (wasting assets) of that Act did not apply to a disposal of the taxable asset,
  - (f) for the purposes of section 53 (indexation allowance) of that Act the transferor were not chargeable to corporation tax in

- respect of any chargeable gain accruing to the transferor from a disposal of the taxable asset,
- (g) section 171(1) (transfers within a group) of that Act did not apply to a disposal of the taxable asset (so that no election could be made in relation to such a disposal under section 171A (notional transfers within a group) of that Act), and
  - (h) sections 222 to 224 (relief on disposal of private residence) of that Act did not apply to a gain on a disposal of the taxable asset by virtue of section 225 (private residence occupied under terms of settlement) of that Act.
- (4) Where the taxable asset became taxable property whilst held directly by the pension scheme, TCGA 1992 is to be treated as applying to a disposal of the asset as if –
- (a) the asset had been acquired by the transferor at the time it became taxable property, and
  - (b) the amount deductible under section 38(1)(a) (consideration for acquisition of asset) of that Act in respect of the disposal were the amount of the unauthorised payment treated as made by the pension scheme at that time.
- (5) Subsections (6) to (8) apply where the pension scheme holds the taxable asset indirectly.
- (6) TCGA 1992 is to be treated as applying to a disposal of the asset as if the amount deductible under section 38(1) of that Act in respect of the disposal were –
- (a) the total amount of unauthorised payments treated as made by the pension scheme in respect of the taxable asset up to the time of the disposal, less
  - (b) the amount found under paragraph (a) to the extent that it has already been taken into account in calculating the gains or losses accruing to the pension scheme in respect of the taxable asset by virtue of this section or section 185H.
- (7) The amount that would otherwise be the amount of the consideration for which the disposal is made (or treated as made) is to be scaled down by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made –
- (a) by the pension scheme,
  - (b) in connection with the acquisition of the interest in the property which constitutes the taxable asset, and
  - (c) at the time of the disposal.
- (8) Subsection (6) is subject to section 42 of TCGA 1992 (part disposals); but in the application of that section in relation to the taxable asset the amount of the consideration for the disposal is to be taken to be that amount apart from subsection (7).
- (9) Where the taxable asset was not taxable property for the whole period beginning with –
- (a) the time when the pension scheme acquired the asset, or
  - (b) if later, the time when the asset first became taxable property,

and ending with the disposal, the amount that would otherwise be the amount of any chargeable gain or allowable loss treated as accruing on a disposal of the asset is to be reduced by reference to the proportion of the period for which the asset was not taxable property.

- (10) Where –
- (a) the taxable asset is a wasting asset consisting of tangible moveable property, and
  - (b) by virtue of section 185F, a loss is treated as accruing to the pension scheme from a disposal of the asset in a tax year,
- the loss is only to be allowed as a deduction from any gains treated as accruing to the pension scheme by virtue of that section from other disposals in the year of taxable assets which are wasting assets consisting of tangible moveable property.

### 185H Disposal of interest in vehicle

- (1) This section applies for the purposes of section 185F where the pension scheme or another vehicle ceases to hold all or part of an interest in a vehicle through which the pension scheme holds the taxable interest indirectly.
- (2) The pension scheme is to be treated as disposing of the interest in the vehicle through which the pension scheme holds the taxable interest indirectly.
- (3) The amount of the gain or loss treated as accruing to the pension scheme on the disposal of the interest in the vehicle is the difference between –
  - (a) the deemed consideration received for the disposal of the interest, and
  - (b) the deemed consideration given for the interest.
- (4) The deemed consideration received for the disposal of the interest in the vehicle is the difference between –
  - (a) the market value of the taxable interest at the time of the disposal, apportioned to the pension scheme in accordance with subsection (5) immediately before that time, and
  - (b) the market value of the taxable interest at the time of the disposal, apportioned to the pension scheme in accordance with subsection (5) immediately after that time.
- (5) An amount mentioned in subsection (4) is to be apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made –
  - (a) by the pension scheme,
  - (b) in connection with the acquisition of the taxable interest, and
  - (c) at the time at which the amount is to be apportioned to the pension scheme in accordance with that subsection.
- (6) The deemed consideration given for the interest in the vehicle is –
  - (a) the total amount of unauthorised payments treated as made by the pension scheme in respect of the taxable interest up to the time of the disposal, less

- (b) the amount found under paragraph (a) to the extent that it has already been taken into account in calculating the gains or losses accruing to the pension scheme in respect of the taxable interest by virtue of section 185G or this section.

### 185I Credit for tax paid

- (1) This section applies where by virtue of section 185F a pension scheme is to be treated as making a scheme chargeable payment which is to any extent attributable—
  - (a) to a chargeable gain treated by virtue of section 185G as accruing to another person on a disposal of a taxable asset, or
  - (b) to a gain treated by virtue of section 185H as accruing to the pension scheme as a result of another person disposing of an interest in a vehicle through which the pension scheme holds a taxable interest indirectly.
- (2) Where—
  - (a) tax is payable in respect of the disposal by the person who makes the disposal, and
  - (b) that tax has been paid,the amount determined under subsection (3) or (4) (as appropriate) is to be allowed as a credit against any income tax charged under section 239 in respect of the scheme chargeable payment.
- (3) In a case within paragraph (a) of subsection (1), that amount is a proportion of the amount of tax paid and payable determined by reference to the proportion of the amount of consideration for the disposal that is apportioned under section 185G(7).
- (4) In a case within paragraph (b) of subsection (1), that amount is the amount of tax paid and payable apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—
  - (a) by the pension scheme,
  - (b) in connection with an acquisition of the taxable interest by the person disposing of the interest in the vehicle, and
  - (c) at the time of the disposal.
- (5) Where—
  - (a) by virtue of this section an amount is allowed as a credit against income tax charged under section 239, and
  - (b) the amount of tax payable and paid by reference to which the amount of the credit was calculated is subsequently varied,the amount of the credit is to be varied accordingly, and any necessary adjustments are to be made to give effect to the variation (whether by making assessments or otherwise).”

7 In section 186 (relief for income derived from scheme investments), after subsection (2) insert—

- “(2A) The exemption provided by subsection (1) does not prevent the income from being charged to tax by virtue of section 185A.”

- 8 In section 239 (scheme sanction charge), after subsection (5) insert –
- “(6) This section is subject to provision made by regulations under section 273ZA (income and gains from taxable property).”
- 9 In section 241(1) (scheme chargeable payments) insert at the end “, and
- (c) a scheme chargeable payment which the pension scheme is to be treated as having made by section 185A (income from taxable property) or 185F (gains from taxable property).”
- 10 After section 273 insert –

PART 1

INVESTMENT-REGULATED PENSION SCHEMES

*Schemes other than occupational pension schemes*

- 1 (1) For the purposes of the taxable property provisions a registered pension scheme which is not an occupational pension scheme is an investment-regulated pension scheme if one or more of its members meets the condition in sub-paragraph (2).
- (2) The condition is that either—
  - (a) the member, or
  - (b) a person related to the member,
 is or has been able (directly or indirectly) to direct, influence or advise on the manner of investment of any of the sums and assets

held for the purposes of an arrangement under the pension scheme relating to the member.

- (3) In this Part “the taxable property provisions” means –
- (a) section 173(7A) (exception from benefit charge where taxable property held by investment-regulated pension scheme),
  - (b) section 174A and this Schedule,
  - (c) sections 185A to 185I (income and gains from taxable property),
  - (d) section 273ZA (member liability for scheme sanction charge where pension scheme non-UK resident), and
  - (e) paragraphs 37A to 37I of Schedule 36 (transitional provisions).

*Occupational pension schemes*

- 2 (1) For the purposes of the taxable property provisions a registered pension scheme which is an occupational pension scheme is an investment-regulated pension scheme if –
- (a) there are 50 or fewer members of the pension scheme, and one or more of those members meets the condition in sub-paragraph (2), or
  - (b) at least 10% of the members of the pension scheme meet that condition.
- (2) The condition is that either –
- (a) the member, or
  - (b) a person related to the member,
- is or has been able (directly or indirectly) to direct, influence or advise on the manner of investment of any of the sums and assets held for the purposes of the pension scheme.

*Separate self-controlled section*

- 3 (1) This paragraph applies in the case of an arrangement under a registered pension scheme if –
- (a) the pension scheme is an occupational pension scheme,
  - (b) the pension scheme is not an investment-regulated pension scheme by virtue of paragraph 2, and
  - (c) one or more members of the pension scheme meet the condition in sub-paragraph (2).
- (2) The condition is that either –
- (a) the member, or
  - (b) a person related to the member,
- is or has been able (directly or indirectly) to direct, influence or advise on the manner of investment of any sums or assets which are linked to an arrangement relating to the member.
- (3) For the purposes of sub-paragraph (2) sums or assets are linked to an arrangement relating to a member if –
- (a) they are held for the purposes of an arrangement under the pension scheme relating to the member, but

- (b) they are not held for the purposes of the arrangement merely by virtue of a just and reasonable apportionment of the sums and assets held for the purposes of the pension scheme.
- (4) Where this paragraph applies the arrangement is to be treated for the purposes of this Part as if it were an investment-regulated pension scheme.
- (5) The Treasury may by regulations –
  - (a) amend sub-paragraph (3), and
  - (b) provide for any of the provisions of this Part to apply to the arrangement with modifications.

#### *Related persons*

- 4 (1) For the purposes of this Part of this Schedule a person is related to a member of a pension scheme if –
  - (a) the person and the member are connected persons, or
  - (b) the person acts on behalf of the member or a person connected with the member.
- (2) Section 839 of ICTA (connected persons) applies for the purposes of sub-paragraph (1).

#### *Arrangements*

- 5 Where sums or assets held for the purposes of an investment-regulated pension scheme –
  - (a) are held otherwise than for the purposes of the administration or management of the pension scheme, and
  - (b) would not, apart from this paragraph, be treated as held for the purposes of any arrangement relating to a member under the pension scheme,
 for the purposes of the taxable property provisions the sums or assets are to be treated as held for the purposes of the arrangements under the pension scheme by reference to the respective rights under the scheme of the members to which the arrangements relate.

## PART 2

### TAXABLE PROPERTY

#### *Taxable property*

- 6 For the purposes of the taxable property provisions property is taxable property if –
  - (a) it is residential property (see paragraphs 7 to 10), or
  - (b) it is tangible moveable property (but subject to paragraph 11).

*Residential property*

- 7 (1) Subject as follows, for the purposes of the taxable property provisions “residential property” means—
- (a) a building that is used or suitable for use as a dwelling,
  - (b) any land consisting of, or forming part of, the garden or grounds of such a building (including a building on any such land) which is used or intended for use for a purpose connected with the enjoyment of the building,
  - (c) hotel or similar accommodation (but see paragraph 14(2)),  
or
  - (d) a beach hut,
- in the United Kingdom or elsewhere.
- (2) For the purposes of the taxable property provisions “building” includes—
- (a) a structure, and
  - (b) part of a building or structure.
- 8 (1) For the purposes of the taxable property provisions a building used for any of the following purposes is not residential property—
- (a) a home or other institution providing residential accommodation for children;
  - (b) a hall of residence for students;
  - (c) a home or other institution providing residential accommodation with personal care for persons in need of personal care by reason of old age, disability, past or present dependence on alcohol or drugs or past or present mental disorder;
  - (d) a hospital or hospice;
  - (e) a prison or similar establishment.
- (2) Where—
- (a) a building is used for a purpose specified in sub-paragraph (1),
  - (b) a building which is not in use was, immediately before it ceased to be in use, used for such a purpose, or
  - (c) a building which has never been in use is more suitable for use for such a purpose than for use for any other purpose,
- no account is to be taken for the purposes of the taxable property provisions of its suitability for use as a dwelling.
- 9 (1) The Treasury may by order amend this Part of this Schedule to specify descriptions of buildings which are, or are not, to be treated as residential property.
- (2) An order under this paragraph which amends this Part of this Schedule in a way that results in buildings becoming treated as not being residential property may provide that the amendment has effect from a date earlier than that on which the order was made.
- 10 (1) Residential property is not taxable property in relation to a pension scheme if Condition A or B is met.

- (2) Condition A is met if the property is (or, if unoccupied, is to be) occupied by an employee who –
  - (a) is neither a member of the pension scheme nor connected with such a member,
  - (b) is not connected with the employer, and
  - (c) is required as a condition of employment to occupy the property.
- (3) Condition B is met if the property is (or, if unoccupied, is to be) –
  - (a) occupied by a person who is neither a member of the pension scheme nor connected with such a member, and
  - (b) used in connection with business premises held as an investment of the pension scheme.
- (4) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.

*Tangible moveable property*

- 11 (1) The Treasury may by order provide that, for the purposes of the taxable property provisions, any specified description of tangible moveable property is treated as not being taxable property.
- (2) An order under this paragraph may include provision having effect in relation to times before it is made.

PART 3

ACQUISITION AND HOLDING OF TAXABLE PROPERTY

*Acquisition*

- 12 (1) For the purposes of the taxable property provisions an investment-regulated pension scheme acquires an interest in property if it comes to hold the interest.
- (2) Sub-paragraph (1) applies however the pension scheme comes to hold the interest, whether that is –
  - (a) by act of the parties to a transaction,
  - (b) by order of a court or other authority,
  - (c) by or under any statutory provision, or
  - (d) by operation of law.
- (3) For instances of deemed acquisition, see paragraphs 27 to 29.

*Holding*

- 13 (1) For the purposes of the taxable property provisions an investment-regulated pension scheme holds an interest in property if the scheme holds the interest directly or indirectly.
- (2) In the taxable property provisions references to a person holding an interest in property include, in the case of –
  - (a) an investment-regulated pension scheme,
  - (b) an arrangement under a pension scheme, or

- (c) a trust which is not a pension scheme, references to the interest in the property being held for the purposes of the pension scheme, the arrangement or the trust.

*Direct holding*

- 14 (1) For the purposes of the taxable property provisions a person holds an interest in property directly if the person (whether jointly, in common or alone)–
- (a) holds the property or any estate, interest, right or power in or over the property,
  - (b) has the right to use, or participate in arrangements relating to the use of, that property or a description of property to which that property belongs, or
  - (c) has the benefit of any obligation, restriction or condition affecting the value of any estate, interest, right or power in or over the property,
- under the law of any country or territory.
- (2) But a person does not hold an interest in residential property consisting of hotel accommodation directly unless–
- (a) the person holds part only of the hotel accommodation or any estate, interest, right or power in or over such a part and, as a result, any person has a right to use or occupy that or any other part of the hotel accommodation, or
  - (b) the person has a right to use, or participate in arrangements relating to the use of, part only of the hotel accommodation or a description of property to which that part belongs.
- (3) For the purposes of the taxable property provisions a person holds an interest in property directly if the person is entitled (whether jointly, in common or alone) to receive payments determined by reference to the value of or the income from the property.
- (4) Sub-paragraph (3) is subject to paragraph 15.

*Exception to direct holding*

- 15 (1) A person does not hold an interest in taxable property directly by virtue of paragraph 14(3) where Conditions A to C are met.
- (2) Condition A is that–
- (a) the person is entitled to receive the payments by virtue of a policy of life insurance, a contract for a life annuity or a capital redemption policy, and
  - (b) the policy or contract is issued by an insurance company.
- (3) Condition B is that the property –
- (a) does not constitute a linked asset, or
  - (b) has been appropriated by the insurance company to an internal linked fund.
- (4) Condition C is that –

- (a) where the person is an occupational pension scheme, the policy or contract, either by itself or taken together with one or more associated policies, does not entitle the pension scheme, either alone or together with one or more associated persons, to receive payments representing 10% or more of the market value of or the income from the property,
  - (b) where the person is a pension scheme other than an occupational pension scheme, the policy or contract, either by itself or taken together with one or more associated policies, does not entitle an arrangement under the pension scheme, either alone or together with one or more associated persons, to receive such payments, or
  - (c) otherwise, the policy or contract does not entitle the person to receive such payments.
- (5) But for the purposes of applying paragraph 14(3) for determining whether a pension scheme holds an interest in taxable property directly or indirectly, this paragraph does not apply if the purpose or one of the purposes for which the person holds rights under the policy or contract is to enable a member of the pension scheme or a person connected with such a member to occupy or use the property.
- (6) For the purposes of sub-paragraph (4) “associated policy” means a policy or contract which entitles an associated person to receive payments determined by reference to the value of or the income from the property.
- (7) For the definition of “associated person” see paragraph 30.
- (8) For the purposes of this paragraph—
- “capital redemption policy” means a contract made in the course of a capital redemption business, as defined in section 458(3) of ICTA;
  - “internal linked fund” has the meaning given by—
    - (a) the Interim Prudential Sourcebook for Insurers made by the Financial Services Authority under FISMA 2000, or
    - (b) rules made by the Authority under that Act and having effect for the time being in place of the Sourcebook; and
  - “linked asset” means an asset of the insurance company which is identified in its records as an asset by reference to the value of which benefits provided for under a policy or contract are to be determined.
- (9) For the purposes of this paragraph an annuity is a life annuity if it is—
- (a) granted for consideration in money or money’s worth in the ordinary course of a business of granting annuities on human life, and
  - (b) payable for a term ending at a time ascertainable only by reference to the end of a human life,

and for this purpose it does not matter that the annuity may in some circumstances end before or after the life.

*Indirect holding*

- 16 (1) For the purposes of the taxable property provisions a person holds an interest in property indirectly if the person does not hold the interest directly but (whether jointly, in common or alone) –
- (a) holds an interest in a person who holds the interest in the property directly, or
  - (b) holds an interest in a person who holds the interest in the property indirectly by virtue of paragraph (a) or this paragraph.
- (2) For the purposes of the taxable property provisions a person holds an interest in another person if –
- (a) the person holds an interest, right or power in or over that other person, or
  - (b) the person lends money to that other person to fund the acquisition by that other person of an interest in taxable property.
- (3) But sub-paragraph (2)(b) does not apply where –
- (a) the loan is an authorised employer loan made by a pension scheme to or in respect of a sponsoring employer (see section 179),
  - (b) the interest in the property is acquired so that the property may be used for the purposes of a trade, profession or vocation carried on by the sponsoring employer or for the purposes of the sponsoring employer’s administration or management, and
  - (c) after the acquisition, the property is not occupied or used by a member of the pension scheme or a person connected with such a member.
- (4) In the taxable property provisions references to a person holding an interest in another person include, in the case of –
- (a) an investment-regulated pension scheme,
  - (b) an arrangement under a pension scheme, or
  - (c) a trust which is not a pension scheme,
- references to the interest in the other person being held for the purposes of the pension scheme, the arrangement or the trust.
- (5) Paragraphs 17 to 19 explain what it means for a person to hold an interest in another person by virtue of sub-paragraph (2)(a) in a case where that other person is a company, collective investment scheme or trust.
- (6) The Treasury may by regulations –
- (a) amend paragraphs 17 to 19, or
  - (b) amend this Part of this Schedule for the purposes of explaining what it means for a person to hold an interest, right or power in or over another person in other cases.
- (7) This paragraph is subject to paragraphs 20 to 26.

- 
- 17 (1) For the purposes of paragraph 16 a person holds an interest in a company if—
- (a) the person has, or is entitled to acquire, share capital or voting rights in the company,
  - (b) the person has, or is entitled to acquire, a right to receive or participate in distributions of the company,
  - (c) the person is entitled to secure that income or assets (whether present or future) of the company will be applied directly or indirectly for the person’s benefit, or
  - (d) the person, either alone or together with other persons, has control of the company.
- (2) In sub-paragraph (1) references to a person being entitled to do anything apply where a person—
- (a) is currently entitled to do it at a future date, or
  - (b) will at a future date be entitled to do it.
- (3) In sub-paragraph (1) “control” has the meaning given by section 416 of ICTA.
- 18 (1) For the purposes of paragraph 16 a person holds an interest in a collective investment scheme if the person is a participant in the scheme.
- (2) In this Schedule—
- (a) “collective investment scheme” has the meaning given by section 235 of FISMA 2000, and
  - (b) “participant”, in relation to such a scheme, has the meaning given by subsection (2) of that section.
- 19 (1) For the purposes of paragraph 16 a pension scheme holds an interest in a trust if Condition A or B is met.
- (2) Condition A is that—
- (a) the pension scheme has a relevant interest in the trust,
  - (b) the pension scheme, a member of the pension scheme or a person connected with such a member has made a payment to the trust on or after the acquisition of the interest, and
  - (c) the payment is not one to which sub-paragraph (7) applies.
- (3) Condition B is that—
- (a) a member of the pension scheme or a person connected with such a member has a relevant interest in the trust,
  - (b) the pension scheme has made a payment to the trust on or after the acquisition of the interest, and
  - (c) the payment is not one to which sub-paragraph (7) applies.
- (4) For the purposes of applying paragraph 16 for determining whether a pension scheme holds an interest in property indirectly, a person other than the pension scheme holds an interest in a trust if—
- (a) the person has a relevant interest in the trust,
  - (b) the person has made a payment to the trust on or after the acquisition of the interest, and

- (c) the payment is not one to which sub-paragraph (7) applies.
- (5) For the purposes of this paragraph a person has a relevant interest in a trust if –
  - (a) any property which may at any time be comprised in the trust or any derived property is, or will or may become, payable to or applicable for the benefit of the person in any circumstances, or
  - (b) the person enjoys a benefit deriving directly or indirectly from any property which is comprised in the trust or any derived property.
- (6) In sub-paragraph (5) “derived property”, in relation to any property, means income from that property or any other property directly or indirectly representing proceeds of, or income from, that property.
- (7) This sub-paragraph applies to a payment if –
  - (a) it is made as part of an arm’s length transaction by which property or a benefit is to be provided in return for the payment, and
  - (b) it is made otherwise than for the purposes of enabling a member of the pension scheme or a person connected with such a member to occupy or use any property.
- (8) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.
- (9) This paragraph does not apply in relation to a unit trust scheme within the meaning of section 237(1) of FISMA 2000 (but see paragraph 18).

*Exceptions to indirect holding*

- 20 (1) A pension scheme does not hold an interest in property indirectly through a vehicle through which the pension scheme would otherwise hold the interest in the property indirectly where one of the following paragraphs applies in relation to the vehicle, and, in particular –
  - (a) paragraph 21 makes provision in relation to holding through vehicles which carry on trading activities,
  - (b) paragraph 22 makes provision in relation to holding through Real Estate Investment Trusts,
  - (c) paragraphs 23 to 25 make provision in relation to holding through other kinds of vehicles, and
  - (d) paragraph 26 makes provision in relation to holding through a vehicle which holds the interest in the property directly by virtue of paragraph 14(3) (receipt of payments determined by reference to value of or income from property).
- (2) In the taxable property provisions “vehicle”, in relation to a pension scheme which holds an interest in taxable property indirectly, means a person through whom the pension scheme holds the interest in the property.

- 
- (3) For the purposes of the taxable property provisions a person holds an interest in a vehicle directly if the person holds an interest of the kind mentioned in paragraph 16(2) in the vehicle.
- (4) For the purposes of the taxable property provisions a person holds an interest in a vehicle indirectly if the person does not hold the interest directly but—
- (a) holds an interest in a person who holds an interest in the vehicle directly, or
  - (b) holds an interest in a person who holds the interest in the vehicle indirectly by virtue of paragraph (a) or this paragraph.
- 21 (1) This paragraph applies to a vehicle in which a pension scheme directly or indirectly holds an interest where—
- (a) the vehicle’s main activity is the carrying on of a trade, profession or vocation,
  - (b) the pension scheme does not, whether alone or together with one or more associated persons, have control of the vehicle, and
  - (c) neither a member of the pension scheme nor a person connected with such a member is a controlling director of the vehicle or any other vehicle which holds an interest in the vehicle directly or indirectly.
- (2) But this paragraph does not apply if the purpose or one of the purposes for which the pension scheme holds the interest in the vehicle is to enable a member of the pension scheme or a person connected with such a member to occupy or use the property.
- (3) In sub-paragraph (1)–
- (a) “control” has the same meaning as in section 416 of ICTA (reading references in that section to a company as references to the vehicle and references to associates as including associated persons), and
  - (b) “controlling director”, in relation to a vehicle, means a director to whom paragraph (b) of section 417(5) of that Act applies (reading the reference to associates in that paragraph as including associated persons).
- (4) For the purposes of this paragraph a pension scheme or an arrangement under a pension scheme has control of a vehicle if the pension scheme or the arrangement holds such interest as would, if the pension scheme or the arrangement were a person, mean that the person had control of the vehicle.
- (5) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.
- (6) For the definition of “associated person” see paragraph 30.
- 22 (1) This paragraph applies to a vehicle in which a pension scheme directly or indirectly holds an interest where the vehicle is—
- (a) a company to which Part 4 of the Finance Act 2006 (Real Estate Investment Trusts) applies, or
  - (b) a member of a group to which that Part applies.

- (2) But this paragraph does not apply if the purpose or one of the purposes for which the pension scheme holds the interest in the vehicle is to enable a member of the pension scheme or a person connected with such a member to occupy or use the property.
  - (3) Section 839 of ICTA (connected persons) applies for the purposes of sub-paragraph (2).
- 23 (1) This paragraph applies to a vehicle in which a pension scheme directly or indirectly holds an interest where –
- (a) Conditions A to C are met in relation to the vehicle, and
  - (b) paragraph 24 applies to the pension scheme's interest in the vehicle.
- (2) Condition A is that –
- (a) the total value of the assets held directly by the vehicle is at least £1 million, or
  - (b) the vehicle holds directly at least three assets which consist of an interest in residential property,
- and no asset held directly by the vehicle which consists of an interest in taxable property has a value which exceeds 40% of the total value of the assets held directly by the vehicle.
- (3) Condition B is that, if the vehicle is a company –
- (a) it is resident in the United Kingdom and is not a close company, or
  - (b) it is not resident in the United Kingdom and would not be a close company if it were resident in the United Kingdom.
- (4) Condition C is that the vehicle does not have as its main purpose, or one of its main purposes, the direct or indirect holding of an animal or animals used for sporting purposes.
- (5) For the purposes of sub-paragraph (2) –
- (a) assets must be valued in accordance with generally accepted accounting practice,
  - (b) no account is to be taken of liabilities secured against or otherwise relating to assets (whether generally or specifically), and
  - (c) where generally accepted accounting practice offers a choice of valuation between cost basis and fair value, fair value must be used.
- (6) The Treasury may by order –
- (a) increase the amount for the time being specified in paragraph (a) of sub-paragraph (2), or
  - (b) increase the percentage for the time being specified in that sub-paragraph.
- 24 (1) For the purposes of paragraph 23 this paragraph applies to the interest held directly or indirectly by a pension scheme in a vehicle where –
- (a) Condition A is met, and
  - (b) Condition B or C is met.

- 
- (2) Condition A is that the pension scheme does not hold the interest in the vehicle for the purpose of enabling a member of the pension scheme or a person connected with such a member to occupy or use the property.
- (3) Condition B is that—
- (a) the pension scheme is an occupational pension scheme, and
  - (b) the pension scheme does not, either alone or together with one or more associated persons, directly or indirectly hold an interest in the vehicle to which sub-paragraph (5) applies.
- (4) Condition C is that—
- (a) the pension scheme is not an occupational pension scheme, and
  - (b) no arrangement under the pension scheme, either alone or together with one or more associated persons, directly or indirectly holds an interest in the vehicle to which sub-paragraph (5) applies.
- (5) This sub-paragraph applies to the following interests—
- (a) 10% or more of the share capital or issued share capital of the vehicle;
  - (b) 10% or more of the voting rights in the vehicle;
  - (c) a right to receive 10% or more of the income of the vehicle;
  - (d) such interest in the vehicle as gives an entitlement to 10% or more of the amounts distributed on a distribution in relation to the vehicle;
  - (e) such interest in the vehicle as gives an entitlement to 10% or more of the assets of the vehicle on a winding-up or in any other circumstances;
  - (f) such interest in the vehicle as gives rise to income or gains from a specific property.
- (6) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.
- (7) For the definition of “associated person” see paragraph 30.
- 25 (1) This paragraph contains provisions supplementary to paragraph 24.
- (2) Where—
- (a) paragraph 23(1) does not apply in relation to a vehicle in which the pension scheme directly or indirectly holds an interest merely because Condition C in paragraph 24(4) is not met in relation to an arrangement under the pension scheme, and
  - (b) accordingly, the pension scheme holds an interest in property indirectly through the vehicle,
- the interest in the property is to be treated as held through the vehicle for the purposes of another arrangement under the pension scheme only if that arrangement, either alone or together

- with one or more associated persons, directly or indirectly holds an interest in the vehicle to which paragraph 24(5) applies.
- (3) Sub-paragraph (4) applies for determining the percentage of an interest held by a person in a vehicle at a time when the person holds that interest indirectly.
- (4) That percentage is equal to the percentage of the total taxable amount that would be apportioned to the person under paragraphs 41 to 43 –
- (a) where the person is not the pension scheme, if the person were the pension scheme, and
  - (b) in any case, if the person were treated as making an unauthorised payment by virtue of the vehicle coming to hold the interest in the property directly at that time.
- (5) For the definition of “associated person” see paragraph 30.
- 26 (1) This paragraph applies to a vehicle in which a pension scheme directly or indirectly holds an interest where –
- (a) the vehicle holds the interest in the property directly by virtue of paragraph 14(3) merely because it does not meet Condition C in paragraph 15(4), and
  - (b) sub-paragraph (2) applies in relation to the pension scheme.
- (2) This sub-paragraph applies in relation to the pension scheme if –
- (a) where the pension scheme is an occupational pension scheme, the pension scheme is not, either alone or together with one or more associated persons, deemed to be entitled to 10% or more of the market value of or the income from the property, or
  - (b) where the pension scheme is not an occupational pension scheme, no arrangement under the pension scheme, either alone or together with one or more associated persons, is deemed to be so entitled.
- (3) For the purposes of this paragraph the percentage of the market value of or the income from the property to which a person is deemed to be entitled at any time is –
- $$IG \times TTA$$
- where –
- IG is the percentage of the market value of or the income from the property to which the vehicle that holds the interest in the property directly is entitled at that time, and
- TTA is the percentage of the total taxable amount that would be apportioned to the person at that time on the assumptions mentioned in sub-paragraph (4).
- (4) Those assumptions are –
- (a) if the person is not the pension scheme, that the person is the pension scheme, and
  - (b) in any case, that the person is treated as making an unauthorised payment by virtue of the vehicle coming to hold the interest in the property directly at that time.

- (5) For the definition of “associated person” see paragraph 30.

*Deemed acquisition*

- 27 Where—
- (a) an investment-regulated pension scheme holds an interest in property which is not taxable property, and
  - (b) that property becomes taxable property otherwise than by reason of its conversion or adaptation as residential property,
- the pension scheme is treated for the purposes of the taxable property provisions as acquiring an interest in the property.
- 28 (1) Subject to paragraph 29, this paragraph applies where—
- (a) an investment-regulated pension scheme holds an interest in taxable property indirectly, and
  - (b) there is an increase in the extent of the interest held directly in a vehicle by the pension scheme or another vehicle.
- (2) The pension scheme is to be treated for the purposes of this Schedule as—
- (a) having disposed of the interest in the property immediately before the increase in the extent of the interest in the vehicle, and
  - (b) having re-acquired the interest immediately afterwards.
- (3) The extent of the interest held directly in a vehicle by a person is to be determined for the purposes of this paragraph and paragraph 29 in accordance with paragraphs 42 and 43.
- 29 (1) Where there is an increase in the extent of the interest held directly in the vehicle otherwise than by reason of the acquisition of a further interest in the vehicle, paragraph 28 does not apply unless the condition in sub-paragraph (2) is met.
- (2) The condition is that the event by which the extent of the interest held directly in the vehicle increases forms part of a scheme or arrangement the main purpose or one of the main purposes of which is—
- (a) to enable the amount of the unauthorised payment treated as arising on the original acquisition of the interest in the property by the pension scheme to be lower than it otherwise would have been, or
  - (b) to prevent an unauthorised payment from being treated as made on that original acquisition.
- (3) Unless that condition is met, the increase in the extent of the interest is also to be disregarded for the purposes of paragraphs 24 to 26.

#### PART 4

##### AMOUNT AND TIMING OF UNAUTHORISED PAYMENT

###### *Introduction*

- 31 (1) This Part of this Schedule has effect for determining—
- (a) the amount of an unauthorised payment treated as made to a member of an investment-regulated pension scheme by virtue of section 174A, and
  - (b) the time when such a payment is treated as made.
- (2) The amount is determined by—
- (a) finding the total taxable amount in relation to the unauthorised payment (see paragraphs 32 to 40),
  - (b) apportioning that amount to the pension scheme (see paragraphs 41 to 43),

- (c) in a case to which paragraph 28 applies (acquisition etc of further interest in vehicle), making an adjustment under paragraph 44 to the amount mentioned in paragraph (b), and
- (d) apportioning that amount to the member to whom the payment is treated as made in accordance with paragraph 45.

*Acquisition: basic rules*

- 32 (1) This paragraph applies to a case within subsection (1) of section 174A (acquisition of an interest in taxable property).
- (2) The unauthorised payment is treated as made when the interest in the property is acquired by the pension scheme.
- (3) If the interest in the property is acquired because the pension scheme or another person comes to hold the interest directly, the total taxable amount in relation to the unauthorised payment is—
- (a) the amount of consideration, in money or money's worth, given directly or indirectly for the interest, plus
  - (b) the amount of any fees and other costs incurred in connection with the acquisition.
- (4) Sub-paragraph (3) is subject to paragraphs 33 to 35.
- (5) If the interest in the property is acquired because the pension scheme or another person comes to hold an interest in a person who already holds the interest in the property directly or indirectly, the total taxable amount in relation to the unauthorised payment is—
- (a) the market value, at the date the interest in the person is acquired, of the interest in the property held by the person who holds it directly, or
  - (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.
- (6) If the interest in the property is treated as acquired by the pension scheme by virtue of paragraph 27 or 28, the total taxable amount in relation to the unauthorised payment is—
- (a) the market value, at the date the interest is treated as acquired, of the interest in the property held by the person who holds it directly, or
  - (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.
- (7) This paragraph is subject to paragraph 36.

*Acquisition: further provisions*

- 33 (1) This paragraph applies where—

- (a) an investment-regulated pension scheme acquires an interest in taxable property because it acquires a chargeable interest in the property within the meaning of section 48(1) of the Finance Act 2003,
    - (b) the interest is acquired because the pension scheme or another person comes to hold the interest directly, and
    - (c) the whole or part of the consideration for the interest is consideration other than rent.
  - (2) The provisions of the Finance Act 2003 listed in sub-paragraph (3) apply for determining the amount of the consideration (or the part that is not rent) as they apply for determining the amount of chargeable consideration for a land transaction for the purposes of Part 4 of that Act.
  - (3) Those provisions are –
    - (a) paragraphs 2 to 8 and 9 to 16 of Schedule 4 (chargeable consideration);
    - (b) section 51 (contingent, uncertain or unascertained consideration);
    - (c) section 52 (annuities etc: chargeable consideration limited to twelve years' payments).
  - (4) The Treasury may by regulations provide –

- 34 (1) This paragraph applies where –
- (a) an investment-regulated pension scheme acquires an interest in taxable property because it acquires a chargeable interest in the property within the meaning of section 48(1) of the Finance Act 2003,
  - (b) the interest is acquired because the pension scheme or another person comes to hold the interest directly, and
  - (c) the whole or part of the consideration for the acquisition is rent.
- (2) The amount of the consideration (or the part that is rent) is to be taken to be the relevant rental value of the property; and paragraphs 2(4)(a), 3 and 8 of Schedule 5 (rent) to the Finance Act 2003 apply for determining that value.
  - (3) The following provisions of the Finance Act 2003 apply for the purposes of sub-paragraph (2) for determining the amount of rent payable as they apply for determining the amount of rent payable under a lease to which that Act applies –
    - (a) paragraphs 2, 5 to 7A, 9 and 16 of Schedule 17A (further provisions relating to leases);
    - (b) (subject to the provisions mentioned in paragraph (a)) the provisions mentioned in paragraph 33(3).
  - (4) The Treasury may by regulations provide –

    - (b) for any other provisions of Part 4 of the Finance Act 2003 to apply (with or without modifications) to such cases.
  - (5) For the purposes of this paragraph where on an assignment of a lease the assignee assumes the obligation to pay rent, the assumption counts as consideration for the assignment.
- 35 (1) This paragraph applies where –
- (a) an investment-regulated pension scheme acquires an interest in taxable property because the pension scheme or another person comes to hold the interest directly,
  - (b) the interest is acquired for less than its market value, and
  - (c) immediately before the acquisition the interest was held by a registered pension scheme which was not an investment-regulated pension scheme.
- (2) This paragraph also applies where –
- (a) an investment-regulated pension scheme acquires an interest in taxable property because the pension scheme or another person comes to hold the interest directly,
  - (b) the interest is acquired for less than its market value, and
  - (c) tax relief is available under section 188 or 196 in respect of the transfer of the interest.
- (3) The amount of the consideration for the interest is treated as –
- (a) the market value, at the date the interest is acquired, of the interest in the property held by the person who holds it directly, or
  - (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.
- 36 (1) The Treasury may by regulations make provision with respect to –
- (a) what is to count as consideration for the acquisition of an interest in taxable property, and
  - (b) the determination of the amount of such consideration.
- (2) The Treasury may by regulations make provision with respect to the determination of the market value of an interest held in taxable property.

  - (c) an interest in taxable property which is tangible moveable property.

- (4) Regulations under this paragraph may –
  - (a) amend this Part of this Schedule, and

*Post-acquisition unauthorised payments*

- 37 (1) The Treasury may by regulations make provision for an investment-regulated pension scheme which has acquired an interest in taxable property to be treated as making one or more further unauthorised payments where –
- (a) the amount of consideration for the acquisition was determined on the basis of a reasonable estimate, and the actual amount of the consideration turns out to be higher than the estimated amount,
  - (b) in the case of an interest which is a lease, there is a variation in the rent payable under the lease, or
  - (c) in such a case, the amount of consideration for the acquisition was determined on an assumption about the length of the term of the lease, and the lease continues after the end of the term.
- (2) Regulations under this paragraph may –
- (a) amend section 174A or this Schedule (apart from this paragraph), and
  - (b) include provision having effect in relation to times before they are made.
- (3) References in the taxable property provisions to unauthorised payments treated as made under section 174A include references to payments treated as made under regulations under this paragraph.

*Improvement of taxable property*

- 38 (1) This paragraph applies to a case within subsection (2) of section 174A (improvement of taxable property).
- (2) An unauthorised payment is treated as made when a payment is made in connection with the improvement works.
- (3) The total taxable amount in relation to the unauthorised payment is the amount of the payment mentioned in sub-paragraph (2).

*Conversion or adaptation as residential property*

- 39 (1) This paragraph applies to a case within subsection (3) of section 174A (conversion or adaptation as residential property).
- (2) The unauthorised payment is treated as made on the occurrence of whichever of the following first occurs after the property has become residential property –
- (a) the substantial completion of the works to convert or adapt the property;

- (b) the interest in the property ceasing to be held by the pension scheme.
- (3) But if the property becomes residential property after the end of the period of three years beginning with the date on which the first payment was made in connection with the works to convert or adapt the property, the unauthorised payment is treated as made when the property becomes residential property.
- (4) If the works began before the end of the period of twelve months beginning with the acquisition of the interest in the property by the pension scheme, the total taxable amount in relation to the unauthorised payment is –
- (a) the amount of consideration for the interest, determined in accordance with paragraphs 32 to 36, plus
  - (b) the development costs (see sub-paragraph (7)).
- (5) If the works began after the end of that period, the total taxable amount in relation to the unauthorised payment is –
- (a) the relevant market value (see sub-paragraph (6)), plus
  - (b) the development costs (see sub-paragraph (7)).
- (6) In this paragraph “the relevant market value” means –
- (a) the market value, at the date the works began, of the interest in the property held by the person who holds it directly, or
  - (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.
- (7) In this paragraph “the development costs” means the total cost of the works to convert or adapt the property at the time when the unauthorised payment is treated as made.
- (8) Where, at the time the unauthorised payment is treated as made –
- (a) an amount will be payable for the works only if some uncertain future event occurs, or
  - (b) an amount will cease to be payable for the works if some uncertain future event occurs,
- the development costs are to be determined on the assumption that the amount will be payable or, as the case may be, will not cease to be payable.
- (9) Where, at that time, an amount payable for the works –
- (a) depends on uncertain future events, or
  - (b) cannot otherwise be ascertained,
- that amount is to be determined for the purposes of sub-paragraph (7) on the basis of a reasonable estimate.
- 40 (1) This paragraph applies to a case within subsection (3) of section 174A (conversion or adaptation as residential property).
- (2) This paragraph applies if –

- (a) sub-paragraph (8) of paragraph 39 has effect when an unauthorised payment is treated as made under that paragraph,
  - (b) an amount estimated under that sub-paragraph later becomes ascertained, and
  - (c) the ascertained amount is more than the estimated amount.
- (3) An unauthorised payment is treated as made when the amount becomes ascertained.
- (4) The total taxable amount in relation to the unauthorised payment is the difference between the ascertained amount and the estimated amount.
- (5) References in the taxable property provisions to unauthorised payments treated as made under section 174A include references to payments treated as made under this paragraph.

*Apportionment to pension scheme*

- 41 (1) This paragraph applies for determining—
- (a) whether the amount of an unauthorised payment treated as made by an investment-regulated pension scheme under section 174A consists of the whole of the total taxable amount in relation to the payment, and
  - (b) if not, how much of the total taxable amount comprises the amount of the unauthorised payment.
- (2) The pension scheme is treated as making an unauthorised payment equal to the whole of the total taxable amount where Condition A, B or C is met.
- (3) Condition A is that the pension scheme directly holds the interest in the taxable property which gives rise to the unauthorised payment.
- (4) Condition B is that—
- (a) the pension scheme holds the interest in the property indirectly through one vehicle, and
  - (b) that vehicle is wholly owned by the pension scheme.
- (5) Condition C is that—
- (a) the pension scheme holds the interest in the property indirectly through more than one vehicle (a “chain” of vehicles), and
  - (b) each vehicle in the chain is wholly owned by another vehicle in the chain or by the pension scheme.
- (6) Where—
- (a) the pension scheme holds the interest in the property indirectly through one vehicle, and
  - (b) the vehicle is not wholly owned by the pension scheme, the amount of the unauthorised payment is a proportion of the total taxable amount determined by reference to the extent of the pension scheme’s interest in the vehicle.

- (7) Where—
- (a) the pension scheme holds the interest in the property indirectly through one or more chains of vehicles, and
  - (b) one or more vehicles in such a chain is not wholly owned by another vehicle in the chain or by the pension scheme,
- the amount of the unauthorised payment is the amount or the total of all the amounts found under sub-paragraph (8) for each chain through which the pension scheme owns the interest in the property.
- (8) The amount is a proportion of the total taxable amount determined by reference to the extent of the interest held directly by the pension scheme or another vehicle in the chain in each vehicle in the chain—
- (a) starting with the vehicle which holds the interest in the property directly, and
  - (b) ending with the vehicle in which the pension scheme directly holds an interest.
- (9) For the purposes of this paragraph a vehicle is wholly owned by a person if no other person directly holds an interest in the vehicle.
- (10) This paragraph is subject to paragraph 44.
- 42 (1) References in this Schedule to the extent of an interest held directly by a person in a vehicle are references to the proportion of the interests of everyone who directly holds an interest in the vehicle which on a just and reasonable apportionment is represented by that interest.
- (2) Sub-paragraph (1) is subject to paragraph 43, which explains how to determine the extent of a person's interest in a vehicle for the purposes of the taxable property provisions where the vehicle is a company.
- (3) The Treasury may by regulations—
- (a) amend paragraph 43, or
  - (b) amend this Part of this Schedule for the purposes of explaining how to determine the extent of a person's interest in a vehicle in other cases.
- (4) Regulations under sub-paragraph (3) may include provision having effect in relation to times before they are made.
- 43 (1) For the purposes of this Schedule, and except in a case to which sub-paragraph (3) applies, the extent of a person's interest in a company is determined by reference to whichever of the following gives the person the greatest interest in the company—
- (a) the percentage of the share capital or issued share capital of the company owned by the person;
  - (b) the percentage of the voting rights in the company owned by the person;
  - (c) the percentage of all the income of the company to which the person has a right;
  - (d) the percentage of the amounts distributed on a distribution in relation to the company to which the person has a right;

- (e) the percentage of the assets of the company to which the person has a right on a winding-up or in any other circumstances;
  - (f) where the person has a right to a percentage of a particular asset or description of assets of the company, or of the income or gains from such an asset or description (either generally or in particular circumstances), that percentage or the highest of all the percentages found under this paragraph.
- (2) For the purposes of sub-paragraph (1) a person is treated as owning or having a right to anything which the person will only acquire—
- (a) at some future date,
  - (b) if the person exercises a right to acquire it, or
  - (c) if some other uncertain future event occurs or does not occur.
- (3) Where—
- (a) a person has an interest in a company as a result of lending the company money to fund the acquisition of an interest in taxable property, and
  - (b) this sub-paragraph gives the person a greater interest in the company than any interest given by sub-paragraph (1),
- for the purposes of this Schedule the extent of the person's interest in the company is determined by the proportion that the value of the loan bears to the total value of the assets held directly by the company.
- (4) For the purposes of sub-paragraph (3)—
- (a) assets must be valued in accordance with generally accepted accounting practice,
  - (b) no account is to be taken of liabilities secured against or otherwise relating to assets (whether generally or specifically), and
  - (c) where generally accepted accounting practice offers a choice of valuation between cost basis and fair value, fair value must be used.

*Deemed acquisition: adjustment*

- 44 (1) This paragraph applies where an investment-regulated pension scheme is treated as acquiring an interest in taxable property by virtue of paragraph 28 (increase in extent of interest in vehicle).
- (2) The amount of the unauthorised payment treated as made by the pension scheme is—

$$UP - UPB$$

where—

UP is the amount that would have been the amount of the unauthorised payment apart from this paragraph; and

UPB is the amount that would have been the amount of any unauthorised payment treated as made by the pension scheme if it had acquired the interest in the property

immediately before the increase in the extent of the interest in the vehicle (assuming the total taxable amount in relation to the unauthorised payment to be that given under paragraph 32(5)).

*Apportionment to member*

- 45 (1) This paragraph has effect for determining –
- (a) whether the whole of an unauthorised payment treated as made by a pension scheme is to be treated as made to a member of the scheme, and
  - (b) if not, how much of the unauthorised payment is to be treated as made to the member.
- (2) If the interest in the taxable property which gives rise to the unauthorised payment is held by the pension scheme for the purposes of –
- (a) the arrangement under the pension scheme relating to the member, and
  - (b) at least one other arrangement under the pension scheme, the unauthorised payment is to be apportioned on a just and reasonable basis between all of the arrangements for the purposes of which the interest in the property is held.
- (3) Otherwise, the whole of the unauthorised payment is to be treated as made to the member.”
- 14 (1) Schedule 34 (non-UK schemes: application of certain charges) is amended as follows.
- (2) In paragraph 1 (member payment charges) –
- (a) in sub-paragraph (3)(a), after “charge” insert “(except as imposed by virtue of section 174A (taxable property held by investment-regulated pension schemes))”, and
  - (b) in sub-paragraph (4), after “Part” insert “(apart from the taxable property provisions)”.
- (3) After paragraph 7 insert –

*“Unauthorised payment charge: taxable property*

  - (c) a member of such a scheme is liable to the scheme sanction charge by virtue of those provisions in consequence of provision made by regulations under section 273ZA.

- (2) The regulations may –
- (a) make provision for the application of any or all of the taxable property provisions in relation to a transfer member of a relevant non-UK scheme subject to any omissions, additions and other modifications contained in the regulations,
  - (b) include provision having effect in relation to times before they are made,
  - (c) contain transitional provisions and savings, and
  - (d) make different provision for different cases.”

*Introductory*

- 1 IHTA 1984 is amended as follows.

*Dispositions*

- 2 In section 12 (dispositions conferring retirement benefits), after subsection (2) insert –
- “(2A) Subsection (2B) below applies where a person who is a member of a registered pension scheme, and who has not reached the age of 75, has omitted to exercise pension rights under the pension scheme and, if the words “(or latest time)” were omitted from subsection (3) of section 3 above, –
- (a) that subsection would have treated the person as having made a disposition by reason of omitting to exercise the pension rights, but
  - (b) section 10 above would have prevented the disposition being a transfer of value.
- (2B) Section 3(3) above does not actually treat the person as making a disposition by reason of omitting to exercise the pension rights (at the latest time when the person could have exercised them) unless the condition in subsection (2C) below is satisfied.
- (2C) That condition is that –
- (a) the person makes an actual pensions disposition under the pension scheme which is not prevented from being a transfer of value by section 10 above within the period of two years ending with the date of his death, and
  - (b) it is not shown that, when he made the actual pensions disposition, he had no reason to believe that he would die within that period.
- (2D) A disposition treated by virtue of section 3(3) above as made by any person who is a member of a registered pension scheme, and who has not reached the age of 75, by reason of omitting to exercise pension rights under the pension scheme is not a transfer of value to the extent that it results in –
- (a) the provision of a lump sum death benefit or pension death benefit (or both) to a relevant dependant, or
  - (b) the making of a payment to a charity.
- (2E) A disposition made by a person who is a member of a registered pension scheme, and who has reached the age of 75, is not a transfer of value if the disposition consists in the person –
- (a) making an actual pensions disposition under the pension scheme, or
  - (b) omitting to exercise pension rights under the pension scheme.
- (2F) For the purposes of this section –
- (a) a person omits to exercise pension rights under a pension scheme if he does not become entitled to the whole or any part of a pension or lump sum (or both) under the pension scheme at a time when he was eligible to become so entitled (whether or not he does become entitled to any other benefits under the pension scheme); and

- (b) a person makes an actual pensions disposition under a registered pension scheme if he makes a disposition within section 3(1) above by doing anything in relation to, or to rights under, the pension scheme.

(2G) In this section –

“entitled”, in relation to a pension or lump sum, shall be construed in accordance with section 165(3) or 166(2) of the Finance Act 2004;

“lump sum death benefit” has the same meaning as in Part 4 of that Act (see section 168(2) of that Act);

  - (c) notice of intention to rely on this paragraph is given to an officer of Revenue and Customs by that person in accordance with regulations made by the Commissioners for Her Majesty’s Revenue and Customs.
- (2) If the value of the individual’s pre-commencement rights to death benefits (see paragraphs 11B to 11D) exceeds RR (as adjusted under paragraph 11, where that paragraph applies), the primary protection factor is to be recalculated.
- (3) The re-calculation involves taking RR to be the value of the individual’s pre-commencement rights to death benefits and arriving at a revised primary protection factor.
- (4) The revised primary protection factor operates in relation to –
- (a) the benefit crystallisation event consisting of the payment of the lump sum death benefit, and
  - (b) any other benefit crystallisation event consisting of the payment of a lump sum death benefit in respect of the individual.
- 11B (1) This paragraph and paragraphs 11C and 11D specify the value of the individual’s pre-commencement rights to death benefits.

- (4) An arrangement is a “relevant pension arrangement” if it is an arrangement under a pension scheme within paragraph 1(1).
- 11C (1) In arriving at the aggregate mentioned in paragraph 11B(2) the following amounts are to be left out of account –

pension proportion amount (see sub-paragraphs (3) and (4)).

- (2) An “amount in excess of the permitted limit” is so much (if any) of the maximum amount of any lump sum death benefit as could not have been paid without having given grounds for withdrawing approval of the pension scheme under section 591B, 620(7) or 650 of ICTA.
- (3) A “dependants’ pension proportion amount” is so much (if any) of the maximum amount of any lump sum death benefit which could have been paid under the arrangement as is the dependants’ pension proportion of the lump sum death benefit.
- (4) The dependants’ pension proportion is –

$$\frac{UTA - TA}{UTA}$$

where –

TA is the amount which, at the time when a defined benefits lump sum death benefit or uncrystallised funds lump sum death benefit is first paid in respect of the individual, is the aggregate of the maximum amounts of any defined benefits lump sum death benefits or uncrystallised funds lump sum death benefits which could be paid under the arrangement in respect of the individual, and

UTA is what TA would be if no prospective rights to the payment of any of those lump sum death benefits had been commuted into prospective rights to receive dependants’ pensions.

- 11D (1) Sub-paragraph (2) applies where any of the lump sum death benefits mentioned in sub-paragraph (2) of paragraph 11B would have been payable under a policy of life insurance held for the purposes of a pension scheme and on 5th April 2006 the pension scheme either –

- (a) a sum was paid under the policy when the individual actually died, and
  - (b) the terms of the policy had not been varied significantly during the period beginning with 5th April 2006 and ending with the death;
- and any exercise of rights conferred by the policy is to be regarded for this purpose as a variation.
- (3) Sub-paragraph (4) applies where any of the lump sum death benefits mentioned in sub-paragraph (2) of paragraph 11B would have been payable under an occupational pension scheme.
- (4) The lump sum death benefit is only to be taken into account in arriving at the aggregate mentioned in that sub-paragraph if –

-

  - (e) no benefits are paid, or other payments made, under (or on the surrender of rights under) the policy except by reason of the individual’s death;
- and any exercise of rights conferred by the policy is to be regarded for this purpose as a variation.
- (4) A contribution is not a relevant contribution for the purposes of paragraph 13(a) if it is paid –
- (a) by a sponsoring employer,
  - (b) under a relevant hybrid arrangement, and
  - (c) solely in respect of the provision in respect of the individual of lump sum death benefits which are defined benefits or cash balance benefits.
- (5) A “relevant hybrid arrangement” is a hybrid arrangement under an occupational pension scheme –

- (2) For the purposes of paragraph 13(b), if the amount yielded by sub-paragraph (3) is greater than what would otherwise be the appropriate limit in relation to a relevant event which consists of –
- (a) the payment of the lump sum death benefit, or
  - (b) the payment of any other lump sum death benefit in respect of the individual under the arrangement or another cash balance arrangement or defined benefits arrangement related to the arrangement,
- that greater amount is the appropriate limit in relation to such a relevant event.
- (3) The amount yielded by this sub-paragraph is the greater of –
- (a) the value of the individual’s pre-commencement rights to death benefits, as increased by the relevant indexation percentage (see sub-paragraph (5) of paragraph 15), or

- 2 (1) In paragraph 7 (variable or uncertain rent), after sub-paragraph (4) insert—
- “(4A) For the purposes of this paragraph and paragraph 8, the cases where the amount of rent payable under a lease is uncertain or unascertained include cases where there is a possibility of that amount being varied under—

*Backdated lease granted to tenant holding over*

- 3 (1) After paragraph 9 insert—
- “*Backdated lease granted to tenant holding over*

- (a) the tenant under a lease continues in occupation after the date on which, under its terms, the lease terminates (“the contractual termination date”),
  - (b) he is granted a new lease of the same or substantially the same premises, and
  - (c) the term of the new lease is expressed to begin on or immediately after the contractual termination date.
- (2) The term of the new lease is treated for the purposes of this Part as beginning on the date on which it is expressed to begin.
- (3) The rent payable under the new lease in respect of any period falling—
- (a) after the contractual termination date, and
  - (b) before the date on which the new lease is granted,
- is treated for the purposes of this Part as reduced by the amount of taxable rent that is payable in respect of that period otherwise than under the new lease.
- (4) For the purposes of sub-paragraph (3) rent is “taxable” if or to the extent that it is taken into account in determining liability to stamp duty land tax.
- (5) Sub-paragraph (3) does not have effect so as to require the rent payable under the new lease to be treated as a negative amount.”
- (2) In paragraph 7(3), for the words after “but disregard” substitute “paragraphs 9(2) and 9A(3) (deemed reduction of rent, where further lease granted, for period during which rents overlap)”.

*Disapplication of “single lease” treatment where agreement for lease followed by grant*

- 4 In paragraph 12A (agreement for lease), at the end of sub-paragraph (3) insert—

- “Paragraph 5 does not apply so as to treat the notional lease and the lease itself as a single lease.”

  - (c) if there has been a variation in the lease falling within paragraph 13 (increase of rent treated as grant of new lease: variation of lease in first five years), the rent payable as a result of the variation (or, if there has been more than one such variation, the most recent one).
- (4A) Where the provisions of this paragraph have previously applied to an increase in the rent payable under the lease, the rent previously taxed is the rent payable as a result of the last increase in relation to which the provisions of this paragraph applied.
- (4B) In determining the rent previously taxed, disregard paragraphs 9(2) and 9A(3) (deemed reduction of rent, where further lease granted, for period during which rents overlap).”
- (3) At the end of that paragraph insert –
- “(7) The reference to a lease in sub-paragraph (1) is to –
- (a) a lease actually granted on or after the implementation date, or
  - (b) a lease that is treated as existing by reason of a deemed grant under paragraph 12A(2) or 19(3) of which the effective date is on or after the implementation date.”

8 (1) In paragraph 15 (increase of rent after fifth year: whether regarded as abnormal), for Steps One to Six substitute –

“*Step One*

Find the start date.

Where the provisions of paragraph 14 have not previously applied to an increase in the rent payable under the lease, the start date is –

    - (a) if paragraph (b) or (c) does not apply, the beginning of the term of the lease;
    - (b) if the amount of rent payable under the lease is determined under paragraph 7 (variable or uncertain rent), the

- beginning of the period by reference to which the rent assumed to be payable after the fifth year of the term of the lease is determined in accordance with paragraph 7(3);
- (c) if there has been a variation in the lease falling within paragraph 13 (increase of rent treated as grant of new lease: variation of lease in first five years), the date of the variation (or, if there has been more than one such variation, the date of the most recent one).

Where the provisions of paragraph 14 have previously applied to an increase in the rent payable under the lease, the start date is the date of the last increase in relation to which the provisions of that paragraph applied.

*Step Two*

Find the number of whole years in the period between the start date and the date on which the new rent first becomes payable.

*Step Three*

The rent increase is regarded as abnormal if the excess rent (see paragraph 14(3)) is greater than:

$$\frac{R \times Y}{5}$$

where—

- R is the rent previously taxed (see paragraph 14(4) or (4A)),  
and  
Y is the number of whole years found under Step Two.”

*Commencement*

- 9 (1) Paragraph 2 has effect in relation to any lease granted or treated as granted on or after commencement day.
- (2) Paragraph 3 has effect in relation to any case where—
- (a) the grant of the old lease was chargeable to stamp duty land tax, and
  - (b) the new lease is granted on or after commencement day.
