### COMMENTARY

#### **Part 35: the Registrar of Companies**

#### **Correction or removal of material on the register**

#### ***Section 1097: Powers of court on ordering removal of material from the register***

1406. This section provides that where a court decides that certain information should be removed from the public register, the court may also make directions as to annotations (removing notes that are already there or directing that now new notes appear as a result of its order – or that notes appear in a restricted form) and as to whether its own order should be available for public inspection.
