Schedule 11: Recognised Professional Qualifications

Part 2: Requirements for recognition of a professional qualification

Section 1224: The Secretary of State's power to call for information

1565. This section restates section 38 of the 1989 Act. It provides the Secretary of State with the power to require information from a recognised supervisory body, a recognised qualifying body or an individual statutory auditor. For example, as a result of a report provided under section 1223, the Secretary of State may request further information on a specific point to clarify if a recognised supervisory body is complying with the requirements in Schedule 10. The Secretary of State can specify the time period in which this information has to be provided.
