EXPLANATORY NOTES

TERRITORIAL EXTENT AND DEVOLUTION

Chapter 2: Register of Members

Section 120: Information as to state of register and index

247. This is a new provision. It implements the CLR recommendation that companies be required to advise anyone exercising their right of inspection or right to demand a copy of the register or index whether the information is up-to-date and, if not, the date to which it has been made up (Final Report, paragraph 11.43). Failure to provide this information renders the company and any officer in default liable to a fine.
