#### ***Section 299: Publication of written resolution on website***

542. This section should be read in conjunction with the provisions about communications by means of a website by a company other than a traded company in Part 4 (communications by means of a website) of Schedule 5 (communications by a company). This clause, together with those provisions, allow a company, provided certain conditions are met, to publish a written resolution on a website rather than send it to a member individually.
