Part 6: General supplementary provisions

Orders and regulations

Section 90: Orders and regulations

483. This section makes general provision in respect of powers to make orders or regulations under the Act. *Subsection (3)* allows orders or regulations to include supplementary, incidental and consequential provision and to make transitional provision and savings. *Subsections (4) and (5)* provide that any provision that may be made by order may instead be made by regulations, and vice versa; this is a matter of administrative convenience – the precise form of the instrument has no legal significance.
