EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 1: Pension scheme membership for jobholders

Chapter 1: Employers' duties

Section 11: Information to be given to the Pensions Regulator

47. *Section 11* gives the Secretary of State power to make regulations requiring employers to provide information to the Pensions Regulator about how they are complying, or intend to comply, with the employer duties, including information relating to the pension schemes that are to be used. This section will enable the process by which employers will be required to register with the Regulator. An example of information that may be required through that process is information identifying the scheme into which an employer has automatically enrolled jobholders.
48. This section works with the provisions in Chapters 2 and 4 of this Part, by enabling the Regulator to obtain the information needed to support the compliance regime.
