

## **EXPLANATORY NOTES**

### **ENERGY ACT 2008**

#### **INTRODUCTION**

#### **OVERVIEW**

##### **Part 1, Chapter 1: Gas Importation and Storage Zones**

###### **Summary and Background**

###### **Commentary on Sections**

Section 1: Exploitation of areas outside the territorial sea for gas importation and storage

##### **Chapter 2: Importation and Storage of Combustible Gas**

###### **Summary and Background**

###### **Commentary on Sections**

###### **Activities requiring a licence**

Section 2: Prohibition on unlicensed activities

Section 3: Exception for activities carried on partly on land etc

###### **Licensing**

Section 4: Licences

Section 5: Applications

Section 6: Terms and conditions

Section 7: Model clauses

###### **Enforcement**

Section 8: Offence to carry on unlicensed activities

Section 9: Offences relating to licences

Section 10: Secretary of State's power of direction

Section 11: Failure to comply with a direction under section 10

*These notes refer to the Energy Act 2008 (c.32)*

Section 12: Injunctions restraining breaches of section 2(1)

Section 13: Inspectors

Section 14: Criminal proceedings

### **Supplementary**

Section 15: Interaction with the petroleum licensing requirements

## **Chapter 3: Storage of Carbon Dioxide**

### **Summary and Background**

#### **Commentary on Sections**

##### **Activities requiring a licence**

Section 17: Prohibition on unlicensed activities

##### **Licensing**

Section 18: Licences

Section 19: Requirements relating to grant of licences

Section 20: Terms and conditions

Section 21: Content of licences: regulations

##### **Enforcement**

Section 22: Offence to carry on unlicensed activities

Section 23: Offences relating to licences

Section 24: Licensing authority's power of direction

Section 25: Failure to comply with a direction under section 24

Section 26: Injunctions restraining breaches of section 17(1)

Section 27: Inspectors

Section 28: Criminal proceedings

##### **Registration**

Section 29: Requirement for public register

##### **Abandonment of offshore installations**

Section 30: Abandonment of installations

##### **Termination of the licence**

Section 31: Termination of licence: regulations

*These notes refer to the Energy Act 2008 (c.32)*

### **Miscellaneous**

Section 32: Safety zones

Section 33: Enhanced petroleum recovery: power to make orders

Section 34: Power of Secretary of State etc to transfer functions

Section 35: Interpretation

### **Chapter 4: General Provisions about Gas Importation and Storage**

Section 36 and Schedule 1: Chapters 2 and 3: consequential amendments

## **PART 2: ELECTRICITY FROM RENEWABLE SOURCES**

### **The Renewables Obligation**

#### **Summary and Background**

#### **Commentary on Sections**

Section 37: The Renewables Obligation

**New section 32**

**New section 32A**

**New section 32B**

**New section 32C**

**New section 32D**

**New section 32E**

**New section 32F**

**New section 32G**

**New section 32H**

**New section 32I**

**New section 32J**

**New sections 32K and 32L**

**New Section 32M**

Section 38: Section 37: supplemental provision

Section 39: Existing savings relating to section 32 of the Electricity Act 1989

Section 40: The Northern Ireland renewables obligation

## **Feed-in Tariffs for Small-Scale Generation of Electricity**

### **Summary and Background**

#### **Commentary on Sections**

Section 41: Power to amend licence conditions etc: feed-in tariffs

Section 42: Power to amend licence conditions etc: procedure

Section 43 Feed-in tariffs: supplemental

## **Offshore Electricity Transmission**

### **Summary and Background**

#### **Commentary on Sections**

Section 44 and Schedule 2: Offshore electricity transmission and property schemes

#### **Property Schemes**

##### **Scheme making power**

##### **Applications for schemes**

##### **Timing of applications**

##### **Notifying the non-applicant party**

##### **Restricting or withdrawing the application**

##### **The Authority's functions in relation to applications**

##### **Terms of a property scheme**

##### **Additional powers of the Authority**

##### **Notification of property scheme**

##### **Refusal of application or part of an application**

##### **Effect of property scheme**

##### **Review of determinations**

##### **Interim arrangements pending review of determination**

##### **Appeal on a point of law**

##### **Change of asset owner**

## **PART 3: DECOMMISSIONING OF ENERGY INSTALLATIONS**

## **Chapter 1: Nuclear Sites: Decommissioning and Clean-Up**

### **Summary and Background**

#### **Commentary on Sections**

##### **Funded decommissioning programmes**

Section 45: Duty to submit a funded decommissioning programme

Section 46: Approval of a programme

Section 47: Prohibition on use of site in absence of approved programme

##### **Modification of approved programmes**

Section 48: Modification of approved programme

Section 49: Procedure for revising approved programme

Section 50: Power to disapply section 49

Section 51: Time when modification takes effect

##### **Information**

Section 52: Provision of information and documents

Section 53: Power to review operation of programme

##### **Regulations and guidance**

Section 54: Nuclear decommissioning: regulations and guidance

Section 55: Funded decommissioning programmes: verification of financial matters

##### **Protection of decommissioning funds**

Section 56: Protection of security under approved programme

##### **Enforcement**

Section 57: Offence to fail to comply with approved programme

Section 58: Secretary of State's power of direction

Section 59: Offence of further disclosure of information

Section 60: Offence of supplying false information

Section 61: Restriction on prosecutions under this Chapter

##### **Miscellaneous**

Section 62: Power to apply this Chapter to other nuclear installations.

*These notes refer to the Energy Act 2008 (c.32)*

Section 63: Co-operation with other public bodies

Section 64: Continuity of obligations

Section 65: Amendment of Nuclear Installations Act 1965

Section 66: Disposal of hazardous material

### **General**

Section 67: Meaning of “associated”

Section 68: Interpretation

## **Chapter 2: Offshore Renewables Installations**

### **Summary and Background**

#### **Commentary on Sections**

Section 69: Decommissioning notices relating to offshore renewable energy installations

Section 70: Security for decommissioning obligations

Section 71: Provision of information to Secretary of State

## **Chapter 3: Oil and Gas Installations**

### **Summary and Background**

#### **Commentary on Sections**

Section 72: Persons who may be required to submit abandonment programmes

Section 107 and Schedule 5: Minor and consequential amendments

Section 108 and Schedule 6: Repeals

Section 73: Financial resources etc

Section 74: Protection of abandonment funds from creditors

**New section 38A: Protection of funds set aside for the purposes of abandonment programme**

**New section 38B: Directions to provide information about protected assets**

### **Summary and Background**

#### **Commentary on Sections**

Section 75: Information about decommissioning of wells

**New section 45A: Abandoned wells**

**PART 4: PROVISIONS RELATING TO OIL AND GAS**

**Petroleum Licensing**

**Summary and Background**

**Commentary on Sections**

Section 76: Transfers without the consent of the Secretary of State

**New section 5A : Rights transferred without consent of the Secretary of State**

**New section 5B: Information**

**New section 5C: Offences under section 5B: supplemental**

Section 77: Model clauses of petroleum licences & Schedule 3:  
Petroleum Licences: Amendments to Model Clauses

**Provision of contact details to Minister**

**The power to issue a notice to plug and abandon a well**

**Revocation on change of control**

**The power of partial revocation**

**Third Party Access**

**Summary and Background**

**Commentary on Sections**

Section 78: Third party access to infrastructure

Section 79: Modification of pipelines

**New Section 10G: Compulsory modifications of pipelines**

**New section 10H: Enforcement**

Section 80: Third party access to oil processing facilities

Section 81: Directions under section 80: supplemental

Section 82: Meaning of “associate”

**PART 5: MISCELLANEOUS**

## **Duties of Gas and Electricity Markets Authority**

### **Summary and Background**

### **Commentary on Sections**

Section 83: Duties of the Gas and Electricity Markets Authority

## **Transmission Systems**

### **Summary and Background**

### **Commentary on Sections**

Section 84: Power to amend licence conditions etc: transmission systems

Section 85 Power to amend licence conditions etc: transmission systems: Procedure

Section 86 Power to amend licence conditions etc: transmission systems: supplemental

## **Energy Reports**

### **Summary and Background**

### **Commentary on Sections**

Section 87: Energy reports and Schedule 5: Repeals

## **Smart Meters**

### **Summary and Background**

### **Commentary on Sections**

Section 88: Power to amend licence conditions etc: smart meters

Section 89: Power to amend licence conditions etc: Procedure

Section 90: Smart meters: supplemental and Schedule 5: minor and consequential amendments

Section 91 and Schedule 4: Licensing of activities relating to smart meters

**Part 1: Gas**

**Section 41HA: New licensable activities: smart meters**

**Section 41HB Section 41HA: supplemental**

**Section 41HC: Competitive tendering for licences for new licensable activities**

**Part 2: Electricity**

**Section 56FA New licensable activities: smart meters**

**Section 56FB: section 56FA:supplemental**

**Section 56FC: Competitive tendering for licences for new licensable activities**

**Gas and Electricity Meters**

**Summary and Background**

**Commentary on Sections**

Section 92: Gas meters

Section 93: Section 92: consequential amendments

Section 94 and Schedule 5: Power to amend licence conditions: gas

Section 95: Electricity meters

Section 96: Section 95: consequential amendments

Section 97 and Schedule 5 : Power to amend licence conditions: electricity

**Connection Offer Expenses**

**Summary and Background**

**Commentary on Sections**

Section 98: Costs connected with making an offer of connection

**Electricity Safety**

**Summary and Background**

**Commentary on Sections**

Section 99: Electricity Safety

**Renewable Heat Incentives**

**Summary and Background**

**Commentary on Sections**

Section 100 Renewable Heat Incentives

**Nuclear Information**

**Summary and Background**

**Commentary on Sections**

Section 101: Security of sensitive nuclear information

**New section 80A Extension of the Official Secrets Acts to certain places**

Paragraph 21 of Schedule 5: Energy Act 2004 (c.20)

**Application of General Duties**

Section 102: Application of general duties to functions relating to licences

**PART 6: GENERAL**

**Commentary on Sections**

Section 103: Offences by bodies corporate etc

Section 104 : Subordinate legislation

Section 105: Parliamentary control of subordinate legislation

Section 107 and Schedule 5: Minor and consequential amendments

Section 109: Transitional provision etc

Section 110: Commencement

Section 112: Extent

**COMMENCEMENT DATE**

**HANSARD REFERENCES**
