809B Claim for remittance basis to apply

- (1) This section applies to an individual for a tax year if the individual—
 - (a) is UK resident in that year,
 - (b) is not domiciled in the United Kingdom in that year or is not ordinarily UK resident in that year, and
 - (c) makes a claim under this section for that year.
- (2) The claim must contain one or both of the following statements—
 - (a) that the individual is not domiciled in the United Kingdom in that year;
 - (b) that the individual is not ordinarily UK resident in that year.
- (3) Sections 42 and 43 of TMA 1970 (procedure and time limit for making claims), except section 42(1A) of that Act, apply in relation to a claim under this section as they apply in relation to a claim for relief.

Status: This is the original version (as it was originally enacted).

809C Claim for remittance basis by long-term UK resident: nomination of foreign income and gains to which section 809H(2) is to apply

- (1) This section applies to an individual for a tax year if the individual—
 - (a) is aged 18 or over in that year, and
 - (b) has been UK resident in at least 7 of the 9 tax years immediately preceding that year.
- (2) A claim under section 809B by the individual for that year must contain a nomination of the income or chargeable gains of the individual for that year to which section 809H(2) is to apply.
- (3) The income or chargeable gains nominated must be part (or all) of the individual's foreign income and gains for that year.
- (4) The income and chargeable gains nominated must be such that the relevant tax increase does not exceed £30,000.
- (5) "The relevant tax increase" is—

 - (b) the total amount of income tax and capital gains tax that would be payable by the individual for that year apart from section 809H(2).

- (2) The amount of an individual's "unremitted" foreign income and gains for a tax year is—
 - (a) the total amount of what would (if this section applied) be the individual's foreign income and gains for that year, minus
 - (b) the total amount of those income and gains that are remitted to the United Kingdom in that year.

809E Application of remittance basis without claim: other cases

- (1) This section applies to an individual for a tax year if—
 - (a) the individual is UK resident in that year,
 - (b) the individual is not domiciled in the United Kingdom in that year or is not ordinarily UK resident in that year,
 - (c) the individual has no UK income or gains for that year,

Status: This is the original version (as it was originally enacted).

- (d) no relevant income or gains are remitted to the United Kingdom in that year, and
 - (e) either—
 - (i) the individual has been UK resident in not more than 6 of the 9 tax years immediately preceding that year, or
 - (ii) the individual is under 18 throughout that year.
- (2) For the purposes of subsection (1)(c) the individual's UK income and gains for the tax year are the individual's income and chargeable gains for that year other than what would (if this section applied) be the individual's foreign income and gains for that year.
- (3) For the purposes of subsection (1)(d) relevant income and gains are—
- (a) what would (if this section applied) be the individual's foreign income and gains for the tax year mentioned in subsection (1), and
 - (b) the individual's foreign income and gains for every other tax year for which section 809B or 809D or this section applies to the individual.

Effect of section 809B, 809D or 809E applying

809F Effect on what is chargeable

- (1) This section applies if section 809B, 809D or 809E applies to an individual for a tax year.
- (2) The individual's relevant foreign earnings for that year are charged in accordance with section 22 or 26 of ITEPA 2003.
- (3) The individual's relevant foreign income for that year is charged in accordance with section 832 of ITTOIA 2005.
- (4) If the individual is not domiciled in the United Kingdom in that year, the individual's foreign chargeable gains for that year are charged in accordance with section 12 of TCGA 1992.
- (5) For the effect on amounts which count as employment income of the individual under certain provisions of Part 7 of ITEPA 2003 (employment-related securities), see Chapter 5A of Part 2 of that Act.
- (6) Nothing in this section applies in relation to nominated income or chargeable gains (see section 809H).

809G Claim for remittance basis: effect on allowances etc

- (1) This section applies if section 809B (claim for remittance basis to apply) applies to an individual for a tax year.
- (2) For that year, the individual is not entitled to—
 - (a) any allowance under Chapter 2 of Part 3 (personal allowance and blind person's allowance),
 - (b) any tax reduction under Chapter 3 of that Part (tax reductions for married couples and civil partners), or

- (3) See also section 3(1A) of TCGA 1992 (no annual exempt amount for chargeable gains).

809H Claim for remittance basis by long-term UK resident: charge

- (1) This section applies if—
- (a) section 809B (claim for remittance basis to apply) applies to an individual for a tax year (“the relevant tax year”),
 - (b) the individual is aged 18 or over in the relevant tax year, and
 - (c) the individual has been UK resident in at least 7 of the 9 tax years immediately preceding the relevant tax year.
- (2) Income tax is charged on nominated income, and capital gains tax is charged on nominated chargeable gains, as if section 809B did not apply to the individual for the relevant tax year (and neither did section 809D).
- (3) “Nominated” income or chargeable gains means income or chargeable gains nominated under section 809C in the individual’s claim under section 809B for the relevant tax year.
- (4) If the relevant tax increase would otherwise be less than £30,000, subsection (2) has effect as if—
- (a) in addition to the income and gains actually nominated under section 809C in the individual’s claim under section 809B for the relevant tax year, an amount of income had been nominated so as to make the relevant tax increase equal to £30,000, and
 - (b) the individual’s income for that year were such that such a nomination could have been made (if that is not the case).
- (5) “The relevant tax increase” is—
- (a) the total amount of income tax and capital gains tax payable by the individual for the relevant tax year, minus
 - (b) the total amount of income tax and capital gains tax that would be payable by the individual for the relevant tax year apart from subsection (2).
- (6) Nothing in subsection (4) affects what is regarded, for the purposes of section 809I or 809J, as nominated under section 809C.

809I Remittance basis charge: income and gains treated as remitted

- (1) This section applies if—
- (a) any of an individual’s nominated income and gains is remitted to the United Kingdom in a tax year, and
 - (b) any of the individual’s remittance basis income and gains has not been remitted to the United Kingdom in or before that year.
- (2) Income tax and capital gains tax are charged, for that year and subsequent tax years, as if the income and chargeable gains treated under section 809J as remitted to the United Kingdom by the individual in that tax year had been

Status: This is the original version (as it was originally enacted).

so remitted (and income and chargeable gains of the individual that were actually remitted in that year had not been).

- (3) An individual's "nominated income and gains" are the total income and chargeable gains nominated by the individual under section 809C for the tax year mentioned in subsection (1)(a) or any earlier tax year.
- (4) An individual's "remittance basis income and gains" are the foreign income and gains of the individual for all the tax years (up to and including the tax year mentioned in subsection (1)(a)) for which section 809B, 809D or 809E applies to the individual, apart from the individual's nominated income and gains.

809J Section 809I: order of remittances

- (1) If section 809I applies, the following steps are to be taken for the purpose of determining the income or gains treated in a tax year ("the relevant tax year") as remitted to the United Kingdom by the individual.

Step 1

Find the total amount of—

- (a) the individual's nominated income and gains, and
- (b) the individual's remittance basis income and gains,

that have been remitted to the United Kingdom in the relevant tax year.

This amount is "the relevant amount".

Step 2

Find the amount of foreign income and gains of the individual for the relevant tax year (other than income or chargeable gains nominated under section 809C) that is within each of the categories of income and gains in paragraphs (a) to (h) of subsection (2).

If none of sections 809B, 809D and 809E apply to the individual for that year, treat those amounts as nil (and accordingly go to step 6).

Step 3

Find the earliest paragraph for which the amount determined under step 2 is not nil.

If that amount does not exceed the relevant amount, treat the individual as having remitted the income or gains within that paragraph (and for that tax year).

Otherwise, treat the individual as having remitted the relevant proportion of each kind of income or gains within that paragraph (and for that tax year).

"The relevant proportion" is the relevant amount divided by the amount determined under step 2 for that paragraph.

Step 4

Reduce the relevant amount by the amount taken into account under step 3.

Step 5

If the relevant amount (as reduced under step 4) is not nil, start again at step 3.

Status: This is the original version (as it was originally enacted).

In step 3, read the reference to the earliest paragraph of the kind mentioned there as a reference to the earliest such paragraph which has not previously been taken into account under that step.

Step 6

If the relevant amount (as reduced) is not nil once steps 3 to 5 have been undertaken in relation to all paragraphs of subsection (2) for which the amount determined under step 2 is not nil, start again at step 2.

In step 2, read the reference to the foreign income and gains of the individual for the relevant tax year as a reference to such of the foreign income and gains of the individual for the appropriate tax year as had not been remitted by the beginning of the relevant tax year.

“The appropriate tax year” is the latest tax year which is—

- (a) before the last tax year for which step 2 has been undertaken, and
- (b) a tax year for which section 809B, 809D or 809E applies to the individual.

- (2) The kinds of income and gains are—
 - (a) relevant foreign earnings (other than those subject to a foreign tax),
 - (b) foreign specific employment income (other than income subject to a foreign tax),
 - (c) relevant foreign income (other than income subject to a foreign tax),
 - (d) foreign chargeable gains (other than gains subject to a foreign tax),
 - (e) relevant foreign earnings subject to a foreign tax,
 - (f) foreign specific employment income subject to a foreign tax,
 - (g) relevant foreign income subject to a foreign tax, and
 - (h) foreign chargeable gains subject to a foreign tax.
- (3) In this section the individual’s “nominated income and gains” are the total income and chargeable gains nominated by the individual under section 809C for the relevant tax year or any earlier tax year.
- (4) In step 1 of subsection (1) the individual’s “remittance basis income and gains” are the foreign income and gains of the individual for all the tax years (up to and including the relevant tax year) for which section 809B, 809D or 809E applies to the individual, apart from the individual’s nominated income and gains.
- (5) In step 6 of subsection (1) the reference to income or gains being remitted is—
 - (a) as respects any tax year before section 809I applies, to income or gains being remitted to the United Kingdom, and
 - (b) as respects any tax year in relation to which that section applies, to income or gains treated under this section as so remitted.
- (6) In subsection (2) “foreign tax” means any tax chargeable under the law of a territory outside the United Kingdom.

Remittance of income and gains: introduction

809N Section 809L: gift recipients, qualifying property and enjoyment

- (1) This section applies for the purposes of determining whether or not income or chargeable gains of an individual are remitted to the United Kingdom by virtue of condition C in section 809L.
- (2) A “gift recipient” means a person, other than a relevant person, to whom the individual makes a gift of money or other property that—
 - (a) is income or chargeable gains of the individual, or
 - (b) derives (wholly or in part, and directly or indirectly) from income or chargeable gains of the individual.

Status: This is the original version (as it was originally enacted).

- (3) The question of whether or not a person is a relevant person is to be determined by reference to the time when a gift is made.
- (4) But, if a person to whom a gift is made subsequently becomes a relevant person, the person ceases to be a gift recipient.
- (5) The individual “makes a gift of” property if the individual disposes of the property—
- (a) for no consideration, or
 - (b) for consideration less than the full consideration in money or money’s worth that would be given if the disposal were by way of a bargain made at arm’s length;
- but, in a case falling in paragraph (b), the individual is to be taken to make a gift of only so much of the property as exceeds the consideration actually given.
- (6) A reference to the individual making a gift of property includes a case where—
- (a) the individual retains an interest in the property, or
 - (b) an interest, right or arrangement enables or entitles the individual to benefit from the property.
- (7) “Qualifying property”, in relation to a gift recipient, is—
- (a) the property that the individual gave to the gift recipient,
 - (b) anything that derives (wholly or in part, and directly or indirectly) from that property, or
 - (c) any other property, but only if it is dealt with as mentioned in section 809L(4)(a), (b) or (c) by virtue of an operation which is effected—
 - (i) with reference to the gift of the property to the gift recipient, or
 - (ii) with a view to enabling or facilitating the gift of the property to the gift recipient to be made.
- (8) In subsection (7)—
- (a) the reference in paragraph (b) to anything deriving from property, and
 - (b) the reference in paragraph (c) to other property,
- includes a thing, or property, that does not belong to the individual but which the individual is enabled or entitled to benefit from by virtue of any interest, right or arrangement.
- (9) Enjoyment by a relevant person of property or a service is to be disregarded in any of these cases—
- (a) if the property or service is enjoyed virtually to the entire exclusion of all relevant persons,
 - (b) if full consideration in money or money’s worth is given by a relevant person for the enjoyment, or
 - (c) if the property or service is enjoyed by relevant persons in the same way, and on the same terms, as it may be enjoyed by the general public or by a section of the general public.

Status: This is the original version (as it was originally enacted).

809O Section 809L: dealings where there is a connected operation

- (1) This section applies for the purposes of determining whether or not income or chargeable gains of an individual are remitted to the United Kingdom by virtue of condition D in section 809L.
- (2) For the purposes of section 809L(5), the question of whether or not the person whose property is dealt with as mentioned in paragraph (a), (b) or (c) of section 809L(5) is a relevant person is to be determined by reference to the time when the property is so dealt with.
- (3) A “connected operation”, in relation to property dealt with as mentioned in section 809L(5)(a), (b) or (c), means an operation which is effected—
 - (a) with reference to a qualifying disposition, or
 - (b) with a view to enabling or facilitating a qualifying disposition.
- (4) A “qualifying disposition” is a disposition that—
 - (a) is made by a relevant person,
 - (b) is made to, or for the benefit of, the person whose property is dealt with as mentioned in section 809L(5)(a), (b) or (c), and
 - (c) is a disposition of money or other property that is, or derives (wholly or in part, and directly or indirectly) from, income or chargeable gains of the individual.
- (5) But a disposition of property is not a qualifying disposition if the disposition is, or is part of, the giving of full consideration in money or money’s worth for the dealing that falls within section 809L(5)(a), (b) or (c).
- (6) Enjoyment by a relevant person of property or a service is to be disregarded in any of these cases—
 - (a) if the property or service is enjoyed virtually to the entire exclusion of all relevant persons,
 - (b) if full consideration in money or money’s worth is given by a relevant person for the enjoyment, or
 - (c) if the property or service is enjoyed by relevant persons in the same way, and on the same terms, as it may be enjoyed by the general public or by a section of the general public.

Remittance of income and gains: amount remitted

809P Section 809L: amount remitted

- (1) The amount of income or chargeable gains remitted to the United Kingdom is to be determined as follows.
- (2) If the property, service or consideration is the income or chargeable gains, the amount remitted is equal to the amount of the income or chargeable gains.
- (3) If the property, service or consideration derives from the income or chargeable gains, the amount remitted is equal to the amount of income or chargeable gains from which the property, service or consideration derives.

Status: This is the original version (as it was originally enacted).

- (4) If the income or chargeable gains are used as mentioned in section 809L(3)(c), the amount remitted is equal to the amount of income or chargeable gains used; but this is subject to subsection (10).
- (5) If anything deriving from the income or chargeable gains is used as mentioned in section 809L(3)(c), the amount remitted is equal to the amount of income or chargeable gains from which what is used derives; but this is subject to subsection (10).
- (6) In a case falling within section 809L(4)(a) or (b), the amount remitted is equal to the amount of the relevant income or chargeable gains.
- (7) In a case falling within section 809L(4)(c), the amount remitted is equal to the amount of the relevant income or chargeable gains; but this is subject to subsection (10).
- (8) In a case falling within section 809L(5)(a) or (b), the amount remitted is equal to the amount of the income or chargeable gains referred to in section 809O(4)(c).
- (9) In a case falling within section 809L(5)(c), the amount remitted is equal to the amount of the income or chargeable gains referred to in section 809O(4)(c); but this is subject to subsection (10).
- (10) If the debt is only partly in respect of the property or service, the amount remitted is (if it would otherwise be greater) limited to the amount the debt would be if it were wholly in respect of the property or service.
- (11) In subsections (6) and (7) “relevant income or chargeable gains” means—
 - (a) if the qualifying property falls within section 809N(7)(a), the income or gains—
 - (i) of which the qualifying property consists, or
 - (ii) from which the qualifying property derives;
 - (b) if the qualifying property falls within section 809N(7)(b), the income or gains—
 - (i) of which the property given to the gift recipient consisted, or
 - (ii) from which that property derived;
 - (c) if the qualifying property falls within section 809N(7)(c), the income or gains—
 - (i) of which the property given to the gift recipient consists, or
 - (ii) from which that property derives.
- (12) If the amount remitted (taken together with any amount previously remitted) would otherwise exceed the amount of the income or chargeable gains, the amount remitted is limited to the amount which (when taken together with any amount previously remitted) is equal to the amount of the income or chargeable gains.

Status: This is the original version (as it was originally enacted).

Remittance of income and gains: transfers from mixed funds

809Q Sections 809L and 809P: transfers from mixed funds

- (1) This section applies for the purposes mentioned in subsection (2) where condition A in section 809L is met and—
 - (a) the property or consideration for the service is (wholly or in part), or derives (wholly or in part, and directly or indirectly) from, a transfer from a mixed fund, or
 - (b) a transfer from a mixed fund, or anything deriving (wholly or in part, and directly or indirectly) from such a transfer, is used as mentioned in section 809L(3)(c).
- (2) The purposes referred to in subsection (1) are—
 - (a) determining whether condition B in section 809L is met, and
 - (b) if it is met, determining (under section 809P) the amount of income or chargeable gains remitted.
- (3) The extent to which the transfer is of the individual's income or chargeable gains is to be determined as follows.

Step 1

For each of the categories of income and capital in paragraphs (a) to (i) of subsection (4), find (applying section 809R) the amount of income or capital of the individual for the relevant tax year in the mixed fund immediately before the transfer.

“The relevant tax year” is the tax year in which the transfer occurs.

Step 2

Find the earliest paragraph for which the amount determined under step 1 is not nil.

If that amount does not exceed the amount of the transfer, treat the transfer as containing the income or capital within that paragraph (and for that tax year).

Otherwise, treat the transfer as containing the relevant proportion of each kind of income or capital within that paragraph (and for that tax year).

“The relevant proportion” is the amount of the transfer divided by the amount determined under step 1 for that paragraph.

Step 3

Treat the amount of the transfer as reduced by the amount taken into account under step 2.

Step 4

If the amount of the transfer (as reduced under step 3) is not nil, start again at step 2.

In step 2, read the reference to the earliest paragraph of the kind mentioned there as a reference to the earliest such paragraph which has not previously been taken into account under that step in relation to the transfer.

Step 5

Status: This is the original version (as it was originally enacted).

If the amount of the transfer (as reduced under step 3) is not nil once steps 2 and 3 have been undertaken in relation to all paragraphs of subsection (4) for which the amount determined under step 1 is not nil, start again at step 1.

In step 1, read the reference to the relevant tax year as a reference to the tax year immediately before the last tax year for which step 1 has been undertaken in relation to the transfer.

- (4) The kinds of income and capital are—
- (a) employment income (other than income within paragraph (b), (c) or (f)),
 - (b) relevant foreign earnings (other than income within paragraph (f)),
 - (c) foreign specific employment income (other than income within paragraph (f)),
 - (d) relevant foreign income (other than income within paragraph (g)),
 - (e) foreign chargeable gains (other than chargeable gains within paragraph (h)),
 - (f) employment income subject to a foreign tax,

If allowable losses are deductible from the chargeable gains referred to in subsection (3)(b) but are not enough to exhaust them all—

- (c) if allowable losses are deductible from chargeable gains that accrued on a particular day but are not enough to exhaust all of the chargeable gains that accrued on that day, the amount deducted from each of those chargeable gains is the appropriate proportion of the losses.

In paragraph (c) “the appropriate proportion”, in relation to a chargeable gain, is the amount of that gain divided by the total amount of the chargeable gains that accrued on the day in question.

Step 2

Treat the amount referred to in section 2(2) or (4)(a) or 16ZB(3)(a) as being equal to—

 - (b) the total amount deducted under Step 1 from chargeable gains within subsection (3)(a) or (c).

- “relevant allowable losses” means the allowable losses that section 2(2) provides may be deducted from chargeable gains accruing to the individual in the tax year, and
 - “foreign chargeable gains” has the meaning given by section 12(4).

16ZD Section 16ZC: supplementary

- (1) This section applies if section 16ZC applies to an individual for a tax year.

- (3) If a deduction is made under step 1 of section 16ZC(2) from a foreign chargeable gain within section 16ZC(3)(b), the amount of the foreign chargeable gain is reduced by the amount deducted.”

- (b) unless the consideration so obtained is of an amount equal to the market value of the asset, treat the asset as deriving from the deemed chargeable gain.

(4) If—

- (a) the deemed chargeable gain is a foreign chargeable gain (within the meaning of section 12),

108 For section 87 substitute—

Status: This is the original version (as it was originally enacted).

“87 Non-UK resident settlements: attribution of gains to beneficiaries

- (1) This section applies to a settlement for a tax year (“the relevant tax year”) if the trustees are neither resident nor ordinarily resident in the United Kingdom in that year.
- (2) Chargeable gains are treated as accruing in the relevant tax year to a beneficiary of the settlement who has received a capital payment from the trustees in the relevant tax year or any earlier tax year if all or part of the capital payment is matched (under section 87A as it applies for the relevant tax year) with the section 2(2) amount for the relevant tax year or any earlier tax year.
- (3) The amount of chargeable gains treated as accruing is equal to—
 - (a) the amount of the capital payment, or
 - (b) if only part of the capital payment is matched, the amount of that part.
- (4) The section 2(2) amount for a settlement for a tax year for which this section applies to the settlement is—
 - (a) the amount upon which the trustees of the settlement would be chargeable to tax under section 2(2) for that year if they were resident and ordinarily resident in the United Kingdom in that year, or

- (2) The following steps are to be taken for the purposes of matching capital payments with section 2(2) amounts.
 - Step 1*
Find the section 2(2) amount for the relevant tax year.
 - Step 2*
Find the total amount of capital payments received by the beneficiaries from the trustees in the relevant tax year.
 - Step 3*
The section 2(2) amount for the relevant tax year is matched with—
 - (a) if the total amount of capital payments received in the relevant tax year does not exceed the section 2(2) amount for the relevant tax year, each capital payment so received, and
 - (b) otherwise, the relevant proportion of each of those capital payments.

Status: This is the original version (as it was originally enacted).

“The relevant proportion” is the section 2(2) amount for the relevant tax year divided by the total amount of capital payments received in the relevant tax year.

Step 4

If paragraph (a) of Step 3 applies—

- (a) reduce the section 2(2) amount for the relevant tax year by the total amount of capital payments referred to there, and
- (b) reduce the amount of those capital payments to nil.

If paragraph (b) of that Step applies—

- (a) reduce the section 2(2) amount for the relevant tax year to nil, and
- (b) reduce the amount of each of the capital payments referred to there by the relevant proportion of that capital payment.

Step 5

Start again at Step 1 (unless subsection (3) applies).

If the section 2(2) amount for the relevant tax year (as reduced under Step 4) is not nil, read references to capital payments received in the relevant tax year as references to capital payments received in the latest tax year which—

- (a) is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) is a tax year in which capital payments (the amounts of which have not been reduced to nil) were received by beneficiaries.

If the section 2(2) amount for the relevant tax year (as so reduced) is nil, read references to the section 2(2) amount for the relevant tax year as the section 2(2) amount for the latest tax year—

- (a) which is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) for which the section 2(2) amount is not nil.

(3) This subsection applies if—

- (a) all of the capital payments received by beneficiaries from the trustees in the relevant tax year or any earlier tax year have been reduced to nil, or
- (b) the section 2(2) amounts for the relevant tax year and all earlier tax years have been reduced to nil.

(4) The effect of any reduction under Step 4 of subsection (2) is to be taken into account in any subsequent application of this section.

87B Section 87: remittance basis

(1) This section applies if—

- (a) chargeable gains are treated under section 87 as accruing to an individual in a tax year,
- (b) section 809B, 809D or 809E (remittance basis) applies to the individual for that year, and
- (c) the individual is not domiciled in the United Kingdom in that year.

Status: This is the original version (as it was originally enacted).

- (2) The chargeable gains are foreign chargeable gains within the meaning of section 12 (non-UK domiciled beneficiaries to whom remittance basis applies).
- (3) For the purposes of Chapter A1 of Part 14 of ITA 2007 (remittance basis) treat relevant property or benefits as deriving from the chargeable gains.
- (4) For the purposes of subsection (3) property or a benefit is “relevant” if the capital payment by reason of which the chargeable gains are treated as accruing consists of—
 - (a) the payment or transfer of the property or its becoming property to which section 60 applies, or
 - (b) the conferring of the benefit.

87C Sections 87 and 87A: disregard of certain capital payments

- (1) For the purposes of sections 87 and 87A as they apply in relation to a settlement, no account is to be taken of a capital payment (or a part of a capital payment) within subsection (2).
- (2) A capital payment is within this subsection if (and to the extent that) it is received (or treated as received) in a tax year from the trustees of the settlement by a company that—
 - (a) is not resident in the United Kingdom in that year, and
 - (b) would be a close company if it were resident in the United Kingdom, (and is not treated under any of subsections (3) to (5) of section 96 as received by another person).”

109 (1) Section 88 (gains of dual resident settlements) is amended as follows.

(2) For subsection (2) substitute—

“(2) The section 2(2) amount for a tax year for which section 87 applies by virtue of this section is what it would be if the amount mentioned in section 87(4) (a) were the assumed chargeable amount.”

(3) Omit subsection (7).

110 (1) Section 89 (migrant settlements) is amended as follows.

(2) In subsection (1), for “section 87 if” substitute “sections 87 and 87A if”.

(3) For subsections (2) and (3) substitute—

“(1A) Subsection (2) applies to a settlement if—

- (a) a non-resident period is succeeded by a resident period, and
- (b) in relation to the last tax year in the non-resident period (“the last non-resident tax year”), section 87A(3) applied by virtue of paragraph (a) of that provision (exhaustion of capital payments).

(2) Chargeable gains are treated as accruing in a tax year (in the resident period) to a beneficiary of the settlement who receives a capital payment from the trustees in that year if all or part of the capital payment is matched (under section 87A as it applies for that year) with the section 2(2) amount for the last non-resident tax year or any earlier tax year.

Status: This is the original version (as it was originally enacted).

- (3) Section 87(3) and (4) and sections 87A to 87C apply for the purposes of subsection (2) as if the relevant tax year were the tax year mentioned in subsection (2).
- (4) Section 87B (remittance basis) applies in relation to chargeable gains treated under subsection (2) as accruing as it applies in relation to chargeable gains treated under section 87 as accruing.”

111 For section 90 substitute—

“90 Sections 87 and 89(2): transfers between settlements

- (1) This section applies if the trustees of a settlement (“the transferor settlement”) transfer all or part of the settled property to the trustees of another settlement (“the transferee settlement”).
- (2) In this section “the year of transfer” means the tax year in which the transfer occurs.
- (3) Treat the section 2(2) amount for the transferee settlement for any tax year (not later than the year of transfer) as increased by—
 - (a) the section 2(2) amount for the transferor settlement for that year (as reduced under section 87A as it applies in relation to that settlement for the year of transfer and all earlier tax years), or
 - (b) if part only of the settled property is transferred, the relevant proportion of the amount mentioned in paragraph (a).
- (4) “The relevant proportion” is—
 - (a) the market value of the property transferred, divided by
 - (b) the market value of the property comprised in the transferor settlement immediately before the transfer.
- (5) Treat the section 2(2) amount for the transferor settlement for any tax year as reduced by the amount by which the section 2(2) amount for the transferee settlement for that year is increased under subsection (3).
- (6) If neither section 87 nor section 89(2) would otherwise apply to the transferee settlement for the year of transfer—
 - (a) section 89(2) to (4) apply to the settlement for that year (and subsequent tax years), and
 - (b) for this purpose, references there to the last non-resident tax year are to be read as the year of transfer.
- (7) The increase under subsection (3) has effect for the year of transfer and subsequent tax years.
- (8) The reduction under subsection (5) has effect for tax years after the year of transfer.
- (9) When calculating the market value of property for the purposes of this section or section 90A in a case where the property is subject to a debt, reduce the market value by the amount of the debt.
- (10) This section does not apply to—
 - (a) a transfer to which Schedule 4B applies, or

Status: This is the original version (as it was originally enacted).

- (b) any section 2(2) amount that is in a Schedule 4C pool (see paragraph 1 of Schedule 4C).

90A Section 90: transfers made for consideration in money or money’s worth

- (1) Section 90 does not apply to a transfer of settled property made for consideration in money or money’s worth if the amount (or value) of that consideration is equal to or exceeds the market value of the property transferred.
- (2) The following provisions apply if—
 - (a) section 90 applies to a transfer of settled property made for consideration in money or money’s worth, and
 - (b) the amount (or value) of that consideration is less than the market value of the property transferred.
- (3) If the transfer is of all of the settled property, for the purposes of section 90 treat the transfer as being of part only of the settled property.
- (4) Deduct the amount (or value) of the consideration from the amount of the market value referred to in section 90(4)(a).”

112 (1) Section 91 (increase in tax payable under section 87 or 89(2)) is amended as follows.

(2) For subsection (1) substitute—

“(1) This section applies if—

- (a) chargeable gains are treated under section 87 or 89(2) as accruing to a beneficiary by virtue of the matching (under section 87A) of all or part of a capital payment with the section 2(2) amount for a tax year (“the relevant tax year”),
- (b) the beneficiary is charged to tax by virtue of that matching, and
- (c) the capital payment was made more than one year after the end of the relevant tax year.

(1A) Where part of a capital payment is matched, references in subsections (2) and (3) to the capital payment are to the part matched.”

(3) In subsection (5)(a), for the words from “year” to the end (excluding the “and”) substitute “tax year immediately after the relevant tax year.”.

(4) Omit subsection (8).

113 Omit sections 92 to 95 (matching).

114 Omit—

- (a) in FA 1998, section 130(1) and (4), and paragraph 6(3) and (4) of Schedule 21,
- (b) in FA 2002, paragraph 6 of Schedule 11,
- (c) in FA 2003, section 163(3), and
- (d) in FA 2006, paragraphs 34(2)(d) and 36(2)(a) of Schedule 12.

Attribution of gains to beneficiaries: commencement etc

- 115 The amendments made by paragraphs 106 to 114 have effect for the tax year 2008-09 and subsequent tax years.
- 116 For the purposes of sections 87 and 87A of TCGA 1992, no account is to be taken of—
- (a) any capital payment received before 10 March 1981, or
 - (b) any capital payment received on or after that date but before 6 April 1984, so far as it represents a chargeable gain which accrued to the trustees before 6 April 1981.
- 117 In the application of section 87 of TCGA 1992 for a tax year by virtue of section 88, no account is to be taken of any capital payment received before 6 April 1991.
- 118 (1) This paragraph applies if—
- (a) section 87 of TCGA 1992 applies to a settlement for the tax year 2008-09 or any subsequent tax year (“the tax year”),
 - (b) the settlement was made before 17 March 1998,
 - (c) none of the settlors fulfilled the residence requirements when the settlement was made, and
 - (d) none of the settlors fulfils the residence requirements in the tax year.
- (2) For the purposes of that section as it applies to the settlement for the tax year, no account is to be taken of—
- (a) any gains or losses accruing to the trustees of the settlement before 17 March 1998, or
 - (b) any capital payments received before that date.
- (3) A settlor “fulfils the residence requirements” when the settlor is—
- (a) resident or ordinarily resident in the United Kingdom, and
 - (b) domiciled in any part of the United Kingdom.
- 119 Section 87C of TCGA 1992 does not apply in relation to any capital payment received before 6 April 2008.
- 120 (1) This paragraph applies to a settlement if section 87 or 89(2) of TCGA 1992 applied to it for the tax year 2007-08 or any earlier tax year.
- (2) The following steps are to be taken for the purposes of calculating the section 2(2) amount for the settlement for the tax year 2007-08 and earlier tax years.
- Step 1*
- Calculate (in accordance with section 87 and, where appropriate, section 88) the section 2(2) amount for the settlement for the tax year 2007-08 and earlier tax years.
- For this purpose, references in section 87(4) and (5) of TCGA 1992 (as substituted) to section 87 of that Act applying to a settlement for a tax year are to be read as references to section 87 of that Act (as it had effect before that substitution) applying to a settlement for a tax year.
- Step 2*
- Find the total amount of chargeable gains treated under section 87 or 89(2) as accruing to beneficiaries of the settlement in the tax year 2007-08 or any earlier tax year (“the total deemed gains”).
- Step 3*

Status: This is the original version (as it was originally enacted).

Find the earliest tax year for which the section 2(2) amount is not nil.

If the section 2(2) amount for that year is less than or equal to the total deemed gains, reduce that section 2(2) amount to nil.

Otherwise, reduce that section 2(2) amount by the amount of the total deemed gains.

Step 4

Reduce the total deemed gains by the amount by which the section 2(2) amount was reduced under Step 3.

Step 5

If the total deemed gains is not nil, start again at Step 3.

For this purpose, read references to the earliest tax year for which the section 2(2) amount is not nil as references to the earliest tax year—

- (a) which is after the last tax year for which Steps 3 and 4 have been undertaken, and
- (b) for which the section 2(2) amount is not nil.

- (3) If, before 6 April 2008, the trustees of the settlement made a transfer of value to which Schedule 4B to TCGA 1992 applied, sub-paragraph (2) has effect subject to such modifications as are just and reasonable on account of Schedule 4C to that Act having applied in relation to the settlement.
 - (4) This paragraph does not apply if section 90 of TCGA 1992 applied to a transfer of settled property by or to the trustees of the settlement that was made before 6 April 2008 (see paragraph 121).
- 121 (1) If section 90 of TCGA 1992 (as originally enacted) applied to a transfer of settled property made before 6 April 2008, this paragraph applies in relation to the transferor settlement and the transferee settlement.
- (2) In this paragraph “the year of transfer” means the tax year in which the transfer occurred.
 - (3) The following steps are to be taken for the purpose of calculating the section 2(2) amount for the transferor and transferee settlements for the tax year 2007-08 and earlier tax years.

Step 1

Take the steps in paragraph 120(2) for the purpose of calculating the section 2(2) amount (at the end of the year of transfer) for the transferor settlement for the year of transfer and earlier tax years.

For this purpose, read references there to the tax year 2007-08 as references to the year of transfer.

Step 2

Take the steps in paragraph 120(2) for the purpose of calculating the section 2(2) amount (before the year of transfer) for the transferee settlement for the tax year before the year of transfer and earlier tax years.

For this purpose, read references there to the tax year 2007-08 as references to the tax year before the year of transfer.

Step 3

Calculate the section 2(2) amount for the transferee settlement for the year of transfer.

Step 4

Status: This is the original version (as it was originally enacted).

Treat the section 2(2) amount for the transferee settlement for the year of transfer or any earlier tax year (as calculated under Step 2 or 3) as increased by—

- (a) the section 2(2) amount for the transferor settlement for that year (as calculated under Step 1), or
- (b) if part only of the settled property was transferred, the relevant proportion of the amount mentioned in paragraph (a).

“The relevant proportion” here has the same meaning as in section 90(4) of TCGA 1992 (as substituted by this Schedule).

Step 5

Treat the section 2(2) amount for the transferor settlement for any tax year as reduced by the amount by which the section 2(2) amount for the transferee settlement for that year is increased under Step 4.

Step 6

Take the steps in paragraph 120(2) for the purpose of calculating the section 2(2) amount for the transferor settlement for the tax year 2007-08 and earlier tax years.

For this purpose—

- (a) treat the section 2(2) amount for the year of transfer or any earlier tax year as the amount calculated by taking Steps 1 and 5 above, and
- (b) reduce the total deemed gains by the amount of the total deemed gains calculated by taking Step 1 above.

Step 7

Take the steps in paragraph 120(2) for the purpose of calculating the section 2(2) amount for the transferee settlement for the tax year 2007-08 and earlier tax years.

For this purpose—

- (a) treat the section 2(2) amount for the year of transfer or any earlier tax year as the amount calculated by taking Steps 2 to 4 above, and
- (b) reduce the total deemed gains by the amount of the total deemed gains calculated by taking Step 2 above.

- (4) This paragraph applies with any necessary modifications in relation to a settlement as respects which more than one relevant transfer was made.
 - (5) In sub-paragraph (4) “relevant transfer” means a transfer—
 - (a) made before 6 April 2008, and
 - (b) to which section 90 of TCGA 1992 applied.
 - (6) If, before 6 April 2008, the trustees of the transferor or transferee settlement made a transfer of value to which Schedule 4B to TCGA 1992 applied, this paragraph has effect subject to such modifications as are just and reasonable on account of Schedule 4C to that Act having applied in relation to the settlement.
- 122 (1) If all of a capital payment would (in the tax year 2008-09) have been left out of account by virtue of section 87(6) of TCGA 1992 as originally enacted, the amount of that capital payment is reduced to nil.
- (2) If part of a capital payment would (in the tax year 2008-09) have been left out of account by virtue of section 87(6) of TCGA 1992 as originally enacted, the amount of that capital payment is reduced by the amount of that part.

Status: This is the original version (as it was originally enacted).

- (3) If—
- (a) chargeable gains were treated under section 87 or 89(2) of, or paragraph 8 of Schedule 4C to, TCGA 1992 as accruing in the tax year 2007-08 or any earlier tax year to a beneficiary,
 - (b) more than one capital payment that the beneficiary had received was taken into account for the purposes of determining the amount of chargeable gains treated as accruing to the beneficiary, and
 - (c) the amount of those chargeable gains was less than the total amount of capital payments taken into account,
- for the purposes of this paragraph treat section 87(6) of TCGA 1992 as originally enacted as having effect in relation to earlier capital payments before later ones.
- (4) References in this paragraph to section 87(6) of TCGA 1992 include that provision as it would (but for the amendments made by this Schedule) have applied by virtue of section 762(3) of ICTA (offshore income gains).
- (5) References in this paragraph to chargeable gains include offshore income gains.
- 123 Section 89(2) of TCGA 1992 as substituted applies to a settlement for the tax year 2008-09 (and subsequent tax years) if section 89(2) of that Act as originally enacted would (but for the amendments made by this Schedule) have applied to the settlement for the tax year 2008-09.
- 124 (1) This paragraph applies if—
- (a) chargeable gains are treated under section 87 or 89(2) of TCGA 1992 as accruing to an individual in the tax year 2008-09 or any subsequent tax year, and
 - (b) the individual is not domiciled in the United Kingdom in that year.
- (2) The individual is not charged to capital gains tax on the chargeable gains if and to the extent that they are treated as accruing by reason of—
- (a) a capital payment received (or treated as received) by the individual before 6 April 2008, or
 - (b) the matching of any capital payment with the section 2(2) amount for the tax year 2007-08 or any earlier tax year.
- 125 (1) This paragraph applies in relation to a settlement for the tax year 2008-09 or any subsequent tax year (“the relevant tax year”) if—
- (a) an individual who was resident or ordinarily resident, but not domiciled, in the United Kingdom in the tax year 2007-08 received a capital payment from the trustees of the settlement on or after 12 March 2008 but before 6 April 2008, and
 - (b) the individual is resident or ordinarily resident, but not domiciled, in the United Kingdom in the relevant tax year.
- (2) For the purposes of sections 87 to 89 of TCGA 1992 as they apply in relation to the settlement for the relevant tax year, no account is to be taken of the capital payment.
- 126 (1) The following provisions apply to a settlement if—
- (a) section 87 applies to the settlement for the tax year 2008-09, and
 - (b) the trustees of the settlement have made an election under this sub-paragraph.

Status: This is the original version (as it was originally enacted).

- (2) An election under sub-paragraph (1) may only be made on or before the first 31 January to occur after the end of the first tax year (beginning with the tax year 2008-09) in which an event within either of the following paragraphs occurs—
- (a) a capital payment is received (or treated as received) by a beneficiary of the settlement, and the beneficiary is resident in the United Kingdom in the tax year in which it is received, and
 - (b) the trustees transfer all or part of the settled property to the trustees of another settlement, and section 90 of TCGA 1992 applies in relation to the transfer.
- (3) For a tax year as respects which the settlement has a Schedule 4C pool, the reference in sub-paragraph (2)(a) above to a capital payment received (or treated as received) by a beneficiary of the settlement is to be read as a capital payment received (or treated as received) by a beneficiary of a relevant settlement from the trustees of a relevant settlement.
- (4) Paragraph 8A of that Schedule (relevant settlements) applies for the purposes of sub-paragraph (3) above.
- (5) An election under sub-paragraph (1) is irrevocable.
- (6) An election under that sub-paragraph must be made in the way and form specified by the Commissioners for Her Majesty’s Revenue and Customs.
- (7) Sub-paragraph (8) applies if—
- (a) by virtue of the matching of a capital payment with the section 2(2) amount for the settlement for the tax year 2008-09 or any subsequent tax year (“the relevant tax year”), chargeable gains are treated under section 87 or 89(2) of, or paragraph 8 of Schedule 4C to, TCGA 1992 as accruing to an individual in a tax year, and
 - (b) the individual is resident, but not domiciled, in the United Kingdom in that year.
- (8) The individual is not charged to capital gains tax on so much of the chargeable gains as exceeds the relevant proportion of those gains.
- (9) The relevant proportion is—

$$\frac{A}{B}$$

where—

A is what would be the section 2(2) amount for the settlement for the relevant tax year, if immediately before 6 April 2008 every relevant asset had been sold by the trustees (or the company concerned) and immediately re-acquired by them (or it) at the market value at that time, and

B is the section 2(2) amount for the settlement for the relevant tax year.

- (10) For the purposes of sub-paragraph (9) an asset is a “relevant asset” if—
- (a) by reason of the asset, a chargeable gain or allowable loss accrues to the trustees in the relevant tax year, and
 - (b) the asset has been comprised in the settlement from the beginning of 6 April 2008 until the time of the event giving rise to the chargeable gain or allowable loss.

Status: This is the original version (as it was originally enacted).

- (11) For those purposes, an asset is also a “relevant asset” if—
- (a) by reason of the asset, chargeable gains are treated under section 13 of TCGA 1992 as accruing to the trustees in the relevant tax year,
 - (b) the company to which the chargeable gains actually accrue has owned the asset from the beginning of 6 April 2008 until the time of the event giving rise to those chargeable gains, and
 - (c) had the company disposed of the asset at any time in the relevant period, part of the chargeable gains (if any) accruing on the disposal would have been treated under section 13 of TCGA 1992 as accruing to the trustees.
- (12) In sub-paragraph (11)(c) “the relevant period” means the period beginning at the beginning of 6 April 2008 and ending immediately before the event giving rise to the chargeable gains.
- (13) If—
- (a) by reason of an asset which would not otherwise be a relevant asset (“the new asset”), chargeable gains or allowable losses accrue, or are treated under section 13 as accruing, to the trustees in the relevant tax year,
 - (b) the value of the new asset derives wholly or in part from another asset (“the original asset”), and
 - (c) section 43 of TCGA 1992 applies in relation to the calculation of the chargeable gains or allowable losses,
- the new asset (or part of that asset) is a “relevant asset” if the condition in sub-paragraph (10)(b) or the conditions in sub-paragraph (11)(b) and (c) would be met were the references there to the asset to be read as references to the new asset or the original asset.
- (14) If—
- (a) on or after 6 April 2008, a company (“company A”) disposes of an asset to another company (“company B”), and
 - (b) section 171 of TCGA (transfers within groups) (as applied by section 14(2) of that Act) applies in relation to the disposal,
- for the purposes of sub-paragraph (11) (and this sub-paragraph) treat company B as having owned the asset throughout the period when company A owned it.
- (15) If an asset is a relevant asset by virtue of sub-paragraph (14), for the purposes of sub-paragraph (9)—
- (a) treat the chargeable gains as having accrued to the company which owned the asset at the beginning of 6 April 2008, and
 - (b) treat the proportion of those chargeable gains attributable under section 13 of TCGA 1992 to the trustees as being the proportion of the chargeable gains actually accruing that are so attributable.
- (16) If—
- (a) an asset would otherwise be a “relevant asset” within sub-paragraph (11), and
 - (b) the proportion of chargeable gains treated under section 13 of TCGA 1992 as accruing to the trustees by reason of the asset (“the relevant proportion”) is greater than the minimum proportion,
- for the purposes of sub-paragraph (9) treat the appropriate proportion of the asset as a relevant asset and the rest of the asset as if it were not a relevant asset.

- (17) “The minimum proportion” is the smallest proportion of chargeable gains (if any) that would have been attributable to the trustees on a disposal of the asset at any time in the relevant period (as defined by sub-paragraph (12)).
- (18) “The appropriate proportion” is the minimum proportion divided by the relevant proportion.
- 127 (1) This paragraph applies if—
- (a) in the tax year 2008-09 or any subsequent tax year, the trustees of a settlement (“the transferor settlement”) transfer all or part of the settled property to the trustees of another settlement (“the transferee settlement”),
 - (b) section 90 of TCGA 1992 applies in relation to the transfer,
 - (c) the trustees of the transferor settlement have made an election under paragraph 126(1),
 - (d) by virtue of the matching of a capital payment with the section 2(2) amount for the transferee settlement for the tax year 2008-09 or any subsequent tax year (“the relevant tax year”), chargeable gains are treated under section 87 or 89(2) of, or paragraph 8 of Schedule 4C to, TCGA 1992 as accruing to an individual in a tax year, and
 - (e) the individual is resident, but not domiciled, in the United Kingdom in that year.
- (2) If the trustees of the transferee settlement have made an election under paragraph 126(1), paragraph 126(7) to (9) have effect in relation to the transferee settlement for that year as if the reference in paragraph 126(9) to relevant assets included relevant assets within the meaning of this paragraph.
- (3) If the trustees of the transferee settlement have not made an election under paragraph 126(1), the individual is not charged to capital gains tax on so much of the chargeable gains mentioned in sub-paragraph (1)(d) above as exceeds the relevant proportion of those gains.
- (4) The relevant proportion is—

$$\frac{A}{B}$$

where—

A is what would be the section 2(2) amount for the transferee settlement for the relevant tax year, if immediately before 6 April 2008 every relevant asset had been sold by the company concerned and immediately re-acquired by it at the market value at that time, and

B is the section 2(2) amount for the transferee settlement for the relevant tax year.

- (5) For the purposes of this paragraph an asset is a “relevant asset” if—
- (a) by reason of the asset, chargeable gains are treated under section 13 of TCGA 1992 as accruing to the trustees of the transferee settlement in the relevant tax year,
 - (b) the company to which the chargeable gains actually accrue has owned the asset from the beginning of 6 April 2008 until the time of the event giving rise to those chargeable gains,

Status: This is the original version (as it was originally enacted).

- (c) had the company disposed of the asset at any time in the relevant period, part of the chargeable gains (if any) accruing on the disposal would have been treated under section 13 of TCGA 1992 as accruing to—
 - (i) the trustees of the transferor settlement (if the disposal had been made before the transfer), or
 - (ii) the trustees of the transferee settlement (if it had not).
- (6) In sub-paragraph (5)(c) “the relevant period” means the period beginning at the beginning of 6 April 2008 and ending immediately before the event giving rise to the chargeable gains.
- (7) Sub-paragraphs (13) to (18) of paragraph 126 apply for the purposes of this paragraph (with such modifications as are necessary) as they apply for the purposes of that paragraph.

Attribution of gains to beneficiaries: cases involving transfers of value

- 128 TCGA 1992 is amended as follows.
- 129 (1) Section 85A (transfers of value: attribution of gains to beneficiaries and treatment of losses) is amended as follows.
 - (2) After subsection (2) insert—
 - “(2A) For the purposes of sections 87 to 89, no account is to be taken of any section 2(2) amount in a Schedule 4C pool (see paragraph 1 of Schedule 4C).”
 - (3) For subsection (3) substitute—
 - “(3) When calculating the section 2(2) amount for a settlement for a tax year (within the meaning of section 87), no account is to be taken of any chargeable gains or allowable losses accruing by virtue of Schedule 4B.
 - Nothing in this subsection affects any increase in a section 2(2) amount by virtue of paragraph 1(3A) or 7B(2)(b) of Schedule 4C.”
- 130 In paragraph 3 of Schedule 4B (transfers of value by trustees linked with trustee borrowing: settlements), for sub-paragraph (4) substitute—
 - “(4) A settlement is “within section 87” for a tax year if—
 - (a) section 87 applies to the settlement for that year, or
 - (b) chargeable gains would be treated under section 89(2) as accruing in that year to a beneficiary who received a capital payment from the trustees of the settlement in that year.
 - (5) The reference in subsection (4)(b) to chargeable gains treated as accruing includes offshore income gains treated as arising.”
- 131 Schedule 4C (transfers of value: attribution of gains to beneficiaries) is amended as follows.
- 132 In paragraph 1, for sub-paragraphs (2) and (3) substitute—
 - “(2) The transferor settlement is regarded for the purposes of this Schedule as having a “Schedule 4C pool”.

Status: This is the original version (as it was originally enacted).

(3) The Schedule 4C pool contains the section 2(2) amounts for the settlement that are outstanding at the end of the tax year in which the original transfer is made (see paragraph 1A).

(3A) The section 2(2) amount for that tax year is increased by—

- (a) the amount of Schedule 4B trust gains accruing by virtue of the original transfer (see paragraphs 3 to 7), and
- (b) the total amount of any further Schedule 4B trust gains accruing by virtue of any further transfers of value to which that Schedule applies that are made by the trustees in that tax year.”

133 After that paragraph insert—

“Outstanding section 2(2) amounts

1A (1) The following steps are to be taken for the purpose of calculating the section 2(2) amounts for a settlement that are outstanding at the end of a tax year (“the relevant tax year”).

Step 1

Find the section 2(2) amount for the settlement for the relevant tax year and earlier tax years, as reduced under section 87A as it applies for the relevant tax year and earlier tax years.

Step 2

This Step applies if, by virtue of the matching of the section 2(2) amount for the settlement for a tax year (“the applicable year”) with a capital payment, chargeable gains are treated under section 87 or 89(2) as accruing in the relevant tax year to a beneficiary who is not chargeable to tax for that year.

Increase the section 2(2) amount for the applicable year (found under Step 1) by the amount of the chargeable gains.

(2) For the purposes of Step 1 of sub-paragraph (1) take into account the effect of section 90 in relation to any transfer of settled property from or to the trustees of the settlement made in or before the relevant tax year.

(3) For the purposes of this Schedule a beneficiary is “chargeable to tax” for a tax year if the beneficiary is resident or ordinarily resident in the United Kingdom in that year.”

134 In paragraph 4(2) (chargeable amount: non-resident settlement), at the end insert “(and had made the disposals which Schedule 4B treats them as having made)”.

135 In paragraph 5(2)(a) (chargeable amount: dual resident settlement), after “apply” insert “(and the disposals which Schedule 4B treats them as having made were made)”.

136 Omit paragraph 7A (and the heading before it).

137 For paragraph 7B substitute—

“7B (1) This paragraph applies if the trustees of the transferor settlement make a further transfer of value to which Schedule 4B applies in a tax year (“the year of the transfer”) after the tax year mentioned in paragraph 1(3).

Status: This is the original version (as it was originally enacted).

- (2) If the settlement has a Schedule 4C pool at the beginning of the year of the transfer—
 - (a) the section 2(2) amounts in the Schedule 4C pool are increased by the section 2(2) amounts for the settlement that are outstanding at the end of the year of the transfer, and
 - (b) the section 2(2) amount in the pool for the year of transfer is increased (or further increased) by the amount of Schedule 4B trust gains accruing by virtue of the further transfer.
- (3) If the settlement does not have a Schedule 4C pool at the beginning of the year of the transfer, this Schedule applies in relation to the further transfer as it applied in relation to the original transfer.
- (4) For the purposes of this paragraph a settlement has a Schedule 4C pool until the end of the tax year in which all section 2(2) amounts in the pool have been reduced to nil.”

138 For paragraph 8 substitute—

- “8
- (1) Chargeable gains are treated as accruing in a tax year (“the relevant tax year”) to a beneficiary who has received a capital payment from the trustees of a relevant settlement in the relevant tax year or any earlier tax year if all or part of the capital payment is matched (under section 87A as it applies for the relevant tax year) with the section 2(2) amount in the Schedule 4C pool for the relevant tax year or any earlier tax year.
 - (2) The amount of chargeable gains treated as accruing is equal to—
 - (a) the amount of the capital payment, or
 - (b) if only part of the capital payment is matched, the amount of that part.
 - (3) Section 87A applies for a tax year for the purposes of matching capital payments received from the trustees of a relevant settlement with section 2(2) amounts in the Schedule 4C pool as if—
 - (a) references to section 2(2) amounts were to section 2(2) amounts in the Schedule 4C pool,
 - (b) references to a capital payment received from the trustees by a beneficiary were to a capital payment received from the trustees of a relevant settlement by a beneficiary who is chargeable to tax for that year, and
 - (c) for section 87A(3)(b) there were substituted—
 - “(b) all section 2(2) amounts in the Schedule 4C pool have been reduced to nil.”
 - (4) Section 87A applies for a tax year by virtue of this paragraph before it applies for that year otherwise than by virtue of this paragraph; but this is subject to sub-paragraph (5).
 - (5) If section 87A applies for a tax year by virtue of section 762(3) of the Taxes Act (offshore income gains), it applies for that year by virtue of that provision before it applies for that year by virtue of this paragraph.”

139 After paragraph 8A insert—

“Attribution of gains: remittance basis

8AA Section 87B (remittance basis) applies in relation to chargeable gains treated under paragraph 8 as accruing as it applies in relation to chargeable gains treated under section 87 as accruing.”

140 Omit paragraphs 8B and 8C (including the heading before paragraph 8B).

141 For paragraph 9 (and the heading before it) substitute—

“Attribution of gains: disregard of certain capital payments

9 (1) For the purposes of paragraph 8 (and section 87A as it applies for the purposes of that paragraph), no account is to be taken of a capital payment to which any of sub-paragraphs (2) to (4) applies (or a part of a capital payment to which sub-paragraph (4) applies).

(2) This sub-paragraph applies to a capital payment received before the tax year preceding the tax year in which the original transfer is made.

(3) This sub-paragraph applies to a capital payment that—

(a) is received by a beneficiary of a settlement from the trustees in a tax year during the whole of which the trustees—

(i) are resident and ordinarily resident in the United Kingdom, and

(ii) are not Treaty non-resident,

(b) was made before any transfer of value to which Schedule 4B applies was made, and

(c) was not made in anticipation of the making of any such transfer of value or of chargeable gains accruing under that Schedule.

(4) This sub-paragraph applies to a capital payment if (and to the extent that) it is received (or treated as received) in a tax year from the trustees by a company that—

(a) is not resident in the United Kingdom in that year, and

(b) would be a close company if it were resident in the United Kingdom,

(and is not treated under any of subsections (3) to (5) of section 96 as received by another person).”

142 In paragraph 10 (residence of trustees from whom capital payment received)—

(a) in sub-paragraph (1), for “sub-paragraph (2) below” substitute “paragraph 9(3)”, and

(b) omit sub-paragraphs (2) and (3).

143 (1) Paragraph 12 (attribution of gains to settlor in section 10A cases) is amended as follows.

(2) For sub-paragraphs (1) to (3) substitute—

(a) by virtue of section 10A, an amount of chargeable gains within section 86(1)(e) that accrued in an intervening year to the trustees

Status: This is the original version (as it was originally enacted).

of a settlement would be treated as accruing to a person (“the settlor”) in the year of return, and

- (b) after paragraph 8 has applied for the year of return, the section 2(2) amount for the intervening year that is in the Schedule 4C pool for the settlement is less than the amount mentioned in paragraph (a).

- (2) The amount of chargeable gains treated as mentioned in sub-paragraph (1) (a) as accruing to the settlor in the year of return is limited to the section 2(2) amount referred to in sub-paragraph (1)(b).”

144 In paragraph 12A(3), for “87(4)” substitute “87(2)”.

145 (1) Paragraph 13 (increase in tax payable under this Schedule) is amended as follows.

(2) For sub-paragraph (1) substitute—

“(1) This paragraph applies if—

- (a) chargeable gains are treated under paragraph 8 as accruing to a beneficiary by virtue of the matching (under section 87A) of all or part of a capital payment with the section 2(2) amount for a tax year (“the relevant tax year”), and
- (b) the beneficiary is charged to tax by virtue of the matching.

(1A) Where part of a capital payment is matched, references in sub-paragraphs (2) and (3) to the capital payment are to the part matched.”

- (3) In sub-paragraph (5)(a), for the words from “year of assessment” to the end (excluding the “and”) substitute “tax year immediately after the relevant tax year,”.

146 Omit paragraph 3 and 6(2) and (3) of Schedule 29 to FA 2003.

Attribution of gains to beneficiaries in cases involving transfers of value: commencement etc

147 The amendments made by paragraphs 128 to 146 have effect in relation to transfers of value to which Schedule 4B to TCGA 1992 applies that are made on or after 6 April 2008.

148 For the purposes of paragraph 8 of Schedule 4C to TCGA 1992 (and section 87A of that Act as it applies for the purposes of that paragraph), no account is to be taken of any capital payment received before 21 March 2000.

149 A capital payment received before 6 April 2008 is not within paragraph 9(4) of Schedule 4C to TCGA 1992 (if it otherwise would be).

150 Paragraph 124 applies in relation to chargeable gains treated under paragraph 8 of Schedule 4C to TCGA 1992 as accruing as it applies in relation to chargeable gains treated under section 87 as accruing.

151 (1) This paragraph applies for the tax year 2008-09 or any subsequent tax year (“the relevant tax year”) if—

- (a) an individual who was resident or ordinarily resident, but not domiciled, in the United Kingdom in the tax year 2007-08 received a capital payment from the trustees of a settlement on or after 12 March 2008 but before 6 April 2008, and

Attribution of gains to beneficiaries: existing Schedule 4C pools

- 152 Schedule 4C to TCGA 1992 (as it has effect without the amendments made by paragraphs 128 to 146) applies for the tax year 2008-09 and subsequent tax years in relation to Schedule 4C pools created before 6 April 2008 (“existing Schedule 4C pools”) as if paragraphs 7B and 9(2) were omitted.
- 153 Any reduction in the amount of a capital payment has effect for the purposes of Schedule 4C to TCGA 1992 as it applies in relation to existing Schedule 4C pools (as well as for other purposes).
- 154 (1) If all of a capital payment ceases (in the tax year 2008-09 or any subsequent tax year) to be available, the amount of the capital payment is reduced to nil.
- (2) If part of a capital payment ceases (in the tax year 2008-09 or any subsequent tax year) to be available, the amount of the capital payment is reduced by the amount of that part.
- (3) A capital payment “ceases to be available” in a tax year if and to the extent that, by reason of the capital payment, chargeable gains are treated under paragraph 8 of Schedule 4C to TCGA 1992 (as it has effect in relation to existing Schedule 4C pools) as accruing in that year to the recipient.
- (4) If—
- (a) chargeable gains are treated under paragraph 8 of Schedule 4C to TCGA 1992 (as it has effect in relation to existing Schedule 4C pools) as accruing in a tax year,
 - (b) more than one capital payment that the beneficiary has received is taken into account for the purposes of determining the amount of chargeable gains treated as accruing to the beneficiary, and
 - (c) the amount of the chargeable gains is less than the total amount of capital payments taken into account,
- sub-paragraph (3) applies in relation to earlier capital payments before later ones.
- 155 In any tax year—
- (a) Schedule 4C to TCGA 1992 (as amended by paragraphs 128 to 146) applies in relation to a settlement before that Schedule (as it has effect without those amendments) applies in relation to the settlement, and
 - (b) that Schedule (as it has effect without those amendments) applies in relation to the settlement before section 87 or 89(2) of that Act applies in relation to the settlement.

- (b) if the individual is the transferee, treat the securities as deriving from the accrued income profits.

(4) For the purposes of this section securities are “foreign” if income from them would be relevant foreign income.”

160 The amendments made by paragraphs 156 to 159 have effect in relation to transfers of securities where the settlement day is on or after 6 April 2008.

Transfers of assets abroad

161 In section 46B(4)(c) of TMA 1970 (questions to be determined by Special Commissioners), for “sections 720, 727 and 731” substitute “any provision of Chapter 2 of Part 13”.

(3) Treat the foreign deemed income as relevant foreign income of the individual.

“(3A) But see section 730 (non-UK domiciled individuals to whom remittance basis applies).”

167 For section 730 substitute—

 - (i) the benefits, and
 - (ii) the relevant income,
 by matching that income with the benefits and the relevant income (in the orders mentioned in paragraphs (a), (c) and (e)).
- (2) In subsection (1) references to a step are to a step in section 733(1).
- (3) The order referred to in subsection (1)(c) is arrived at by taking the following steps.

Step 3

After that, place so much of that income as is foreign in the order in which it arose (starting with the earliest income to arise).

Step 4

Repeat Steps 1 to 3.

For this purpose, read references to the relevant income for the earliest tax year as references to the relevant income for the first tax year after the last tax year in relation to which those Steps have been undertaken.

- (5) For those purposes treat income for a period as arising immediately before the end of the period.
- (6) Subsection (1)(d) does not apply if the income may not be taken into account because the individual has been charged to income tax under section 731 by reason of the income.”

170 The amendments made by paragraphs 161 to 169 have effect for the tax year 2008-09 and subsequent tax years.
